38 The singer claims back-to-back top 40 hits on this chart for the first time since 1996 when his band Hootie & the Blowfish completed a run of six straight top 40 tracks, its entire chart output.

Last on the chart in November, the song returns following its inclusion (in remixed form) in the March 5 episode of CBS' "CSI," which featured Swift in her acting debut. Of the 31,000 digital downloads, 23,000 are attributed to the new mix.

The Los Angeles duo makes its first chart entry with a track from its debut album, "Party Rock," due April 1. Its hometown station KPWR (Power 106) has led the way with nearly 900 plays since March 2008.

79 The song is one of three tracks from the band's No. 1 album to simultaneously appear on the Triple A chart this issue (see page 44). U2 is also the last act to do so, in 2001.

Carey's 39th chart entry is only her second as a featured artist. She last took a secondary role on Jadakiss' "U Make Me Wanna," which peaked at No. 21 in 2004.

BETWEEN THE BULLETS
'CLIMB' A NEW PEAK FOR CYRUS

Miley Cyrus collects the Billboard Hot 100's first top 10 debut of 2009 as "The Climb" opens at No. 6. The track, from the "Hannah Montana: The Movie" soundtrack, due March 24, is Cyrus' highest-charting effort, surpassing the No. 9 peak of "7 Things" from July 2008. The new song's 166,000 downloads (No. 3 on Hot Digital Songs) is also the artist's best single-week sum. Prior to this week, the chart's best debut this year was Lil Wayne's "Prom Queen" (No. 17) in the Feb. 14 issue. "Climb" is picking up multiformat radio play, rising 31-26 on the top 40-based Pop 100 Airplay chart and 48-47 on Hot Country Songs.

The album's "Show Me What I'm Looking For" was the free single of the week at the iTunes Music Store last week, which clearly raised awareness of the set (up 74%).

Circuit City's closure sale most likely shakes up the sales of this set, which re-enters with its best sales week since August 2008.

Claiming Nos. 2, 4-7 and 9 on Hot Digital Songs, Interscope ties the record for a label's most concurrent top 10 titles. Island Def Jam first set the mark in November 2005.

The song becomes the rapper's third No. 1 from "Paper Trail" on Hot 100 Airplay, making it the first set to produce three leaders since Mariah Carey's "The Emancipation of Mimi" in 2005.

Last season's fifth-place finalist on "American Idol" bows (51,000 downloads) after she performed the cut live on the show. Original versions of songs covered by two of this year's hopefuls ("Alone," "Drops of Jupiter") re-enter Hot Digital Songs at Nos. 44 and 56, respectively.

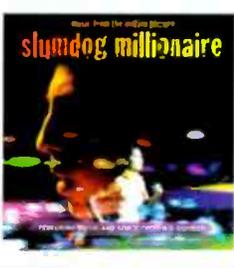

The Brooklyn-born rapper opens with 42,000 paid downloads. Digital sales account for 91% of the song's Hot 100 chart points.

The star ropes his 43rd top 10 on Hot Country Songs dating back to 1994. It's his fifth top 10 from the album "Let It Go."

The Porcupine Tree leader's solo debut begins with nearly 2,000 copies. The band's last effort, 2007's "Fear of a Blank Planet," started at No. 59 on the Billboard 200 with 11,000.

The album makes its first weekly sales gain (up 13%) as the band's single "Geraldine" gathers steam at modern rock radio.

Her appearance on PBS' "In Performance" special (Feb. 26) honoring Stevie Wonder likely aids the album's 159% sales increase.

REGIONAL HEATSEEKER #1s

NEW ON THE CHARTS

And Then There Were None, "Who Speaks For Planet Earth?" Once a metal band, the act is now swimming in dancefloor synth beats and a more pop-friendly sound. The five-piece group sees its debut full-length album start at No. 14 on Top Heatseekers and No. 16 on Top Christian Albums.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. See Chart Legend for rules and explanations. © 2009 Nielsen Business Media, Inc. and Nielsen SoundScan, Inc. All rights reserved.

The track from his upcoming "Love Vs. Money," due March 10, is the top debut on Hot Digital Songs (No. 35, 40,000 downloads).

The band extends its lead for most Mainstream Rock No. 1s this decade, as "Something in Your Mouth" becomes its seventh leader. 3 Doors Down and Puddle of Mudd are tied for second with five.

The singer makes an impressive leap with a remake of Randy Travis' 1998 No. 1 Country chart hit.

The cast single from the Nickelodeon TV film moves 25,000 downloads and is this chart's lowest debut since Beyoncé's "Listen" opened at No. 95 in the Jan. 7, 2007, issue.

100 The Oscar-winning song moves 22,000 downloads (up 248%). Full post-Oscar week sales, along with downloads for a just-released version featuring the Pussycat Dolls, should account for a big jump next issue.

BETWEEN THE BULLETS SOULJA BOY DIALS UP A TOP 10 HIT

Soulja Boy Tell'em returns to the Billboard Hot 100 top 10 for the first time since his debut, "Crank That (Soulja Boy)," went to No. 1 in 2007, as his new single "Kiss Me Thru the Phone" charges 17-9. "Phone" earns Greatest Gainer/Digital honors and moves 14-6 on Hot Digital Songs (141,000 downloads, up 56%), while its 26-17 leap on Hot 100 Airplay is fueled by a 31% audience spike—it is that list's best percentage increase. For Sammie, the song's featured artist, the track is his first top 10. His only prior Hot 100 appearance, "I Like It," peaked at No. 24 in 2000.

PROGRESS REPORT

Trailer Choir, "What Would You Say"
The Show Dog Nashville trio's first Billboard chart hit rises to No. 50 on Hot Country Songs this week. The group, made up of Mark "Butter" Fortney, Vinny Hickerson and Crystal Hoyt, released its Toby Keith-produced debut EP last fall.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseeker title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer co-ops and smaller regional chains. 4 While the song gets pushed down this list, it moves 2-1 on Hot 100 Airplay (114 million impressions), giving the music mogul his third chart-topper on that tally as a lead artist.

The singer becomes the first lead female artist in four years to place her first two chart entries in the top 10 at the same time. Ciara last accomplished the feat with "Goodies" and "1, 2 Step" in December 2004.

The Grammy version, released digitally, spurs a return of the track to the chart with a new peak. The broadcast medley (with "Viva La Vida") accounts for 68% of the song's 61,000 total downloads.

The Pennsylvania rapper begins his first chart voyage with a track that debuts at No. 25 on the Rap Airplay chart. His album "Asleep in the Bread Aisle" hits retail April 21.

68 & 91 Buyers are drawn to the explicit album track (40,000 downloads) as it outsells her current radio single (23,000) by nearly 2 to 1.

FLO RIDA RESETS DIGITAL RECORD

Flo Rida breaks his own record for most weekly digital song downloads as "Right Round" debuts at No. 1 on the Hot Digital Songs chart with 636,000 units and shoots 58-1 on the Billboard Hot 100. The total smashes the mark he set with "Low" (467,000) in the Jan. 12, 2008, issue, which took into account sales from that season's busy post-Christmas week. The "Round" tally also surpasses the opening-week download record set just last week by "Crack a Bottle" from Eminem, 50 Cent and Dr. Dre (418,000). The track is Flo Rida's second Hot 100 No. 1, following "Low," which spent 10 consecutive weeks at the top.

1 The act's eight-week run at No. 1 is the chart's longest by a duo or group since OutKast ended a nine-week stay at the top in February 2004.

Enjoying the effects of the "Idol" finale afterglow, guest performer Urban (pictured) claims his best Hot 100 rank and greatest single-week download total (72,000) while season-four winner Carrie Underwood's return to the show prompts a re-entry at No. 79 for this year's farewell anthem.

24 More "Idol" fallout as the 2008 winner returns with a track sung during the star-studded finale. The song opens at No. 10 on Hot Digital Songs (103,000), his fifth top 10 on that list.

The top 10 Adult Top 40 track (No. 8) provides the Matchbox Twenty vocalist with his best Hot 100 start in his 16th overall trip to the list.

The Filipina teen appeared on "Oprah" for the third time in a year May 18, but this time with a major-label recording contract in tow courtesy of Reprise. Her performance of her debut single results in 61,000 downloads.

BETWEEN THE BULLETS

ALL 'IDOL,' ALL THE TIME

LAMBERT and ALLEN

"American Idol" winner Kris Allen falls just shy of the top 10 as "No Boundaries," or-e of five songs he places on the Billboard Hot 100, opens at No. 11 with 134,000 downloads. The song's rank and digital sum fall short of the No. 3 entry and 236,000 downloads that 2008 winner David Cook's triumphant tune "The Time of My Life" sold a year ago this week. 2009 runner-up Adam Lambert debuts with four tracks, with "Mad World" leading the way at No. 19 with 115,000 downloads. His chart showing bests the three songs placed by 2008 runner-up David Archuleta a year ago, and the sum for "Mad World" is better than the weekly downloads sold by Archuleta's top track, "Imagine" (71,000).

The singer, who was discovered thanks to her self-posted videos on YouTube, is also the first female signee to Jack Johnson's Brushfire label. Her debut begins with 4,000 copies.

The Pulp singer's second solo effort is also his second to chart on Top Heatseekers. His first, "Jarvis," debuted and peaked at No. 13 in 2007.

Venue sales from the violinist/conductor's U.S. tour—which continues through the end of June—help push him to his fourth No. 1 on Top Classical Albums (up 480%).

BREAKING & ENTERING

Despite her name, Jessie James isn't an outlaw like the similarly named American gangster. The young pop singer is on her way to becoming just as famous though, as her first single, "Wanted," last week debuted on the Billboard Hot 100.

Go to billboard.com/breaking to discover developing artists making their inaugural chart runs each week.

REGIONAL HEATSEEKER #1s

PROGRESS REPORT

Jesse Lee, "It's a Girl Thing"
The 22-year-old singer makes her Billboard chart debut this week, arriving at No. 59 on the Hot Country Songs chart (viewable at billboard.biz/charts) with the poppy tune. The Atlantic artist's first album is due later this year.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. See Chart Legend for rules and explanations. © 2009, Nielsen Business Media, Inc. and Nielsen SoundScan, Inc. All rights reserved.

"American Idol" contestant Kris Allen's rendition of the song, which straddled the tempo of both Kanye West's original (up 69%) and the Fray's more subdued cover (up 324%), elevates download totals for both tracks.

Live "Idol" versions send Perry's (pictured) tale of hazy Sin City recollections soaring (104,000 downloads, up 180%) and Sparks' new track onto the list with a lofty debut (75,000) in its first week of availability.

Even with the siblings' new series debuting on the Disney Channel, the first single from "Lines, Vines and Trying Times" (due June 16) starts with 65,000 downloads, far less than the 183,000 shifted last July by "Burnin' Up," the preview track from its last studio set.

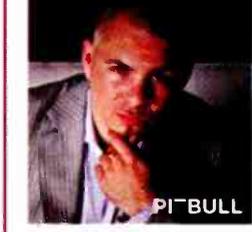

Cobra Starship and "Gossip Girl" star Meester (pictured) make their first Billboard Hot 100 appearance with the track that previews the band's upcoming album. Meanwhile, the actress has signed a Universal Republic recording contract and has her own album in the works.

At 16 weeks, the song's climb into the top five is the longest of her 12 titles to have reached that plateau. The track also moves to the top of the Hot Dance Club Play chart—Beyoncé's 10th to reign on that list.

The song is the first to simultaneously take Greatest Gainer nods for Airplay (up 12 million impressions) and Digital (up 11,000 downloads) while residing outside the top 10 since Juelz Santana's "There It Go (The Whistle Song)" in the Dec. 10, 2005, issue (No. 11).

The rapper's rollout to his "Relapse" release continues, as the track is the fourth title from the upcoming set to debut, with another selection to arrive next issue. This song opens 88,000 and opens at No. 9 on Hot Digital Songs, his third top 10 on that list this year.

Last year's "Dance Like There's No Tomorrow" ended a nearly 13-year chart drought for the "American Idol" judge. The wait is much shorter for her 15th chart hit to arrive: Her performance of the track on the show's May 6 episode results in 25,000 download purchases.

BETWEEN THE BULLETS
DAUGHTRY'S 'SURPRISE' LANDING

Daughtry posts its best start on the Billboard Hot 100 as "No Surprise" enters at No. 15. The song is the first offering from the band's new sophomore set, "Leave This Town," which hits retail July 14. The act premiered "Surprise" on the May 6 edition of "American Idol," prompting the sale of 104,000 downloads in its first week of release. Daughtry's self-titled 2005 debut album spawned five Hot 100 singles, all of which reached the top 25. Included in that batch are the top 10s "It's Not Over" (No. 4) and "Home" (No. 5).

The album gets pushed back three slots, despite its 26% gain, in a busy week on the list. Its 4,000-copy haul is its best weekly sum.

The duo (Warren Fischer and Casey Spooner) returns to a Billboard chart for the first time since 2005 and on its own label, distributed through Caroline.

REGIONAL HEATSEEKER #1s

NEW ON THE CHARTS

Michael Johns, "Heart on My Sleeve"
The seventh-season "American Idol" contestant takes his maiden solo voyage on a Billboard chart as his first single for Downtown Records bows at No. 27 on the Adult Contemporary tally. His album, "Hold Back My Heart," is due June 23.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. BREAKING & ENTERING

Singer Nikki Jane made a sweet entrance last week on the Hot R&B/Hip-Hop Songs chart with "I Love U," from the soundtrack to the film "Noah's Arc." Now Jane and her label, 311 Music Group, hope to maintain the buzz for her upcoming debut album.

Go to www.billboard.com/breaking to discover developing artists making their inaugural chart runs each week.

REGIONAL HEATSEEKER #1s

NEW ON THE CHARTS

V Factory, "Love Struck"
The male quintet's single debuts on the Mainstream Top 40 radio airplay chart at No. 38 (viewable at billboard.biz/charts) while climbing to No. 47 on the Hot Dance Club Play tally. The Reprise group's self-titled debut album is due later this year.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. 3 With a fifth Greatest Gainer/Airplay nod in the last six weeks, West's track beats to a new chart peak and hits the 100 million listener impression mark (up 18 million).

The band's third top 10 is its first since "It Ends Tonight" hit No. 8 in January 2007. A digital gain of 20% (to 151,000 downloads) sends the song 14-4 on Hot Digital Songs.

30 The song makes a lofty re-entry on Hot Digital Songs (No. 27, up 50%) and soars 71-46 on Hot 100 Airplay (up 72%), cutting its Hot 100 chart rank in half with a 30-spot move.

While the title track from the group's Feb. 3 release "You Better Pray" resides in the top 20 of the Modern Rock chart (No. 19), this song is the first to hit the digital market, moving 36,000 downloads.

The rapper makes his second Hot 100 appearance with a track that moves into the top 10 of Hot Rap Songs. His "Don't Feed the Animals" set debuts March 17.

BETWEEN THE BULLETS
FAMILIAR 'RING' FOR BEYONCÉ

Beyoncé's "Single Ladies (Put a Ring on It)" moves to No. 1 on the Hot 100 Airplay chart in the most tightly contested battle for the top slot in more than eight years. With 147.3 million listener impressions, "Ring" races past T.I.'s "Live Your Life" by 350,000 impressions, the smallest gap between the top two titles since the April 1, 2000, chart when 'N Sync's "Bye Bye Bye" finished ahead of Destiny's Child's "Say My Name" by 90 impressions. "Ring" is Beyoncé's fifth No. 1 on the 18-year-old, Nielsen BDS-driven chart, moving her into a four-way tie for third place for the most No. 1s. Holding down the top two slots are Mariah Carey with 11 No. 1s and Usher with six.

The act returns to the tally with an overall gain of 54% while its Internet sales are up 129%.

Formed in 1992, the Austin band gets its first taste of a Billboard chart as its latest album arrives with slightly more than 1,000 copies.

A small gain of 4% yields a big re-entry for the comedian, whose first Comedy Central TV special is tentatively set to premiere March 29.

BREAKING & ENTERING

Glasvegas sounds just as its name implies, with big, punchy Vegas-style rock riffs but with seriously Scottish accents. The band's self-titled Columbia effort starts with nearly 4,000 copies and bows at No. 1 on Top Heatseekers and No. 126 on the Billboard 200.

PROGRESS REPORT

Hercules and Love Affair, "Hercules and Love Affair"
The album scores its best sales week (slightly more than 1,000 copies) since July and re-enters Top Heatseekers at No. 25 thanks to some digital love from Amazon's MP3 store. For a limited time during the tracking week, Amazon offered the set for \$1.99.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. THE BILLBOARD HOT 100

Main Billboard Hot 100 chart table with columns for rank, title, artist, and album.

We have a Hot 100 without a debut for the first time in exactly 11 years...

The New York native reaches No. 1 with her debut effort. At 22 weeks, the song makes the longest trip to the top since Creed's 'With Arms Wide Open'...

After peaking at No. 6 in September, the song has fallen out of the top 10, only to return, on three different occasions. It has now resided in the top 10 in eight of its 38 chart weeks.

The song occupies the top spot at Triple A for a third week, its second No. 1 on that list. The track also rises 9-8 on Adult Top 40.

The track makes the second-biggest leap on the chart and is one of many country titles to rebound as stations in the format return to normal programming after Christmas week.

Continuation of the Billboard Hot 100 chart table, showing ranks 56 through 100.

BETWEEN THE BULLETS DIGITAL LAW OF GRAVITY

A week after download sales reached an all-time high of 47.7 million tracks during the Christmas tracking week (Dec. 22-28), all but two titles on Hot Digital Songs post declines. Overall, the digital track market slips by 22% compared with last week's record frame...

4 The iTunes-exclusive begins with nearly 4,000 and also lands at No. 188 on the Billboard 200. Her "A Good Day" (No. 16) peaked at No. 6 on Heatseekers in July.

In this soft sales week, even a seemingly steep decline, like this set's 12% drop, can enable a big jump or a re-entry.

Nicki Richards, "Bring the Love"
The singer returns to a Billboard tally for the first time since 2004 as her single debuts on Hot Dance Club Play at No. 43. It's the first single from her "Nicki" album, which features Joe Sample, Marcus Miller and Lisa Fischer.

THE BILLBOARD HOT 100

Main Billboard Hot 100 chart table with columns for rank, weeks on chart, title, artist, and peak position.

Besides its No. 1 standing on Hot Digital Songs, the track tops the Pop 100 in its 29th week, easily surpassing Sara Bareilles' 'Love Song' (21 weeks) for the longest journey to that list's summit.

The song snares the Greatest Gainer/Airplay award for a fourth straight frame, up 7.7 million listener impressions.

The title rebounds in part due to a doubling of spins at AC stations, most of which cut back or entirely abandoned current tracks in favor of holiday tunes during the Christmas season.

The teen and pre-teen set seem to have been the happy recipients of MP3 players and download gift cards this Christmas, helping their heart-throbs return to the chart with a 465% digital spike. Other young-demo faves also hit the list at Nos. 51, 83, 84 & 99.

The comedy troupe's video for the track debuted Dec. 6 on 'Saturday Night Live' and hit digital retail last week (51,000 downloads). The act's album 'Incredibad' is due Feb. 10.

BETWEEN THE BULLETS LADY GAGA'S RECORD DIGITAL WEEK. Lady Gaga lands at the top of Hot Digital Songs as 'Just Dance' moves 419,000 downloads (up 190%), the second-biggest one-week tally in the chart's history.

PROGRESS REPORT

The Veronicas, "Hook Me Up"
Powered by the hit single "Untouched," the sister duo's album rises to No. 3 on Top Heatseekers with a 69% gain. So far, the set has sold 44,000 while the single rises to No. 21 with a bullet on the Mainstream Top 40 radio airplay chart.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. The song jumps 12-10 on Hot 100 Airplay, giving Clarkson her first top 10 on that list since "Because of You" peaked at No. 4 in December 2005.

A 108% digital bump returns Clara to the top 10 for the first time since 2006's "Get Up." It's her eighth top 10, including three turns as a featured artist, while Timberlake ups his solo top 10 take to 11.

The song increases its download total for a seventh consecutive week (61,000, up 18%) and moves into the top 20 of Hot Digital Songs (27-20).

With the Hot Shot Debut and another new entry at No. 87, the TV character ups her chart total to 15, six more than real-life alter ego Miley Cyrus.

Since the beginning of 2008, Swift has charted more Hot 100 songs (16) than any other female artist. Only Lil Wayne (25) and T-Pain (20) have had more. This track comes from the "Hannah Montana: The Movie" soundtrack.

BETWEEN THE BULLETS
LADY GAGA DRAWS A PAIR OF NO. 1s

Lady GaGa becomes the first artist in nearly 10 years to reach the top of the Billboard Hot 100 with her first two chart entries, as "Poker Face" jumps 2-1. The New York native, born Stefani Germanotta, previously led the list for three weeks with "Just Dance" in January.

The last artist to launch with a pair of Hot 100 chart-toppers was Christina Aguilera, who reigned with "Genie in a Bottle" (1999) and "What a Girl Wants" (2000). Among women, Lady GaGa is only the fourth female artist in the last 25 years to open with a pair of No. 1s, joining Aguilera, Mariah Carey (1990) and Tiffany (1987). —Silvio Pietrolungo

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. NEW ON THE CHARTS

Ida Maria, "I Like You So Much Better When You're Naked"
The Norwegian singer enters the Modern Rock chart at No. 38 with this tune, a former No. 13 hit on the Official U.K. Singles chart. Her debut album, "Fortress Round My Heart," bowed digitally March 24 while the CD will be released April 14.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. Surprisingly, she scores her first top 10 since "Before He Cheats" in June 2007 with a track that moves 126,000 downloads following her performance, with Randy Travis, on "American Idol." In between top 10s, Underwood scored six straight top 30 non-holiday singles.

A 40% download gain sends the title 33-19 on Hot Digital Songs (64,000). It's Spears' first Greatest Gainer/Digital award since "Piece of Me" in the Dec. 15, 2007, issue.

One week after Rascal Flatts set the mark for the biggest digital debut sum by a country group (126,000 for "Here Comes Goodbye"), Paisley breaks the debut record for a solo country male. His "Then" (64,000) surpasses the 57,000 first-week downloads sold by Tim McGraw's "Last Dollar (Fly Away)" in April 2007.

The act is penning a triumphant return as the track soars 27-17 on the Mainstream Top 40 chart with that list's largest spin gain (up 1,500).

BETWEEN THE BULLETS

FLO RIDA'S 'SUGAR' HIGH

While "Right Round" holds at No. 1 for a sixth week, Flo Rida sweetens his Billboard Hot 100 intake with "Sugar." It's the Hot Shot Debut at No. 25 and his best chart opening. The song starts at No. 14 on Hot Digital Songs (78,000) and nearly quadruples its audience total to 1.1 million listener impressions, falling just shy of the Hot 100 Airplay tally. The track is Flo Rida's third to chart from his new "R.O.O.T.S." album, due March 31. "Shone" made a single-week appearance at No. 57 in the March 14 issue.

5 "American Idol" performance spurs a 38% download surge (141,000), sending the former No. 1 song back into the Hot 100 top five for the first time in five weeks.

While the band just misses its third Hot 100 top 10, it does reach the upper level of Hot Country Songs (11-10) for the 21st time. The track's entrance on Hot Digital Songs (No. 8, 126,000), just ahead of Carrie Underwood's new release (No. 10, 112,000), marks the first time two country acts have simultaneously opened in the top 10 on that list.

The act returns to the list for the first time since "My Humps" peaked at No. 3 in November 2005. The sole song on the list without a digital component will begin selling at online retailers April 7.

A featured turn from Justin Timberlake should help Clara fare better than she did on her recent efforts "Go Girl" and "Never Ever," neither of which peaked higher than No. 72. Her third album, "Fantasy Ride," is due May 5.

BETWEEN THE BULLETS 'SWEET' DEBUT FOR UNDERWOOD

Carrie Underwood nabs the Hot Shot Debut honor on the Billboard Hot 100 with the arrival of "Home Sweet Home," the recently unveiled elimination track for this season of "American Idol." The digital-download proceeds for the track will benefit the Humane Society of the United States. "Home," a cover of Mötley Crüe's last charting single (No. 37 in 1992), isn't Underwood's first remake of a pop/rock title to chart. Her version of the Pretenders' "I'll Stand by You," featured in the first "Idol Gives Back" special, reached No. 6 in 2007. She also did George Michael's "Praying for Time" last year, debuting and peaking at No. 27.

The title is the first song on Capitol Records to reach the top 10 of this chart and Hot Country Songs (where it moves to No. 1) since Juice Newton's "The Sweetest Thing" in 1982.

She is the second female artist this year (following Lady Gaga) to take her debut charting effort into the top 10. The title makes a big radio jump (50-30 on Hot 100 Airplay) with a gain of 11 million audience impressions.

31

The cast's take on the signature song from the musical "Wicked" vaults 53-15 on Hot Digital Songs (70,000; up 185%), marking the first "Glee" tune to spike in sales in its second week of availability.

58

The second single from her upcoming "She Wolf" album enters with 25,000 first-week downloads. The song also moves 30-29 on the Mainstream Top 40 chart.

California native debuts with her cover of T.I.'s 2008 No. 1 hit. Her version, which was recently featured in an episode of the CW series "Gossip Girl," moves 29,000 downloads.

BETWEEN THE BULLETS
JAY-Z RULES WITH 'EMPIRE'

Jay-Z earns his fourth Hot 100 No. 1, but his first as a lead or co-billed performer, as his collaboration with Alicia Keys, "Empire State of Mind," moves 2-1. The rap legend's prior chart-toppers came as a featured vocalist on Mariah Carey's "Heartbreaker" (1999), his now-wife Beyoncé's "Crazy in Love" (2003) and Rihanna's "Umbrella" (2007). "Empire" is also Keys' fourth overall No. 1 and first since 2007's "No One." "Empire" takes Hot 100 Airplay Gainer honors as it rises 6-1 on Hot 100 Airplay (up 15 million listener impressions to 109.5 million), the largest climb to No. 1 on that chart since Kanye West's "Stronger" jumped 7-1 in the Oct. 6, 2007, issue.

The Sean Kingston protégé moves into the top 10 as the chart's top digital gainer. The track jumps 10-2 on Hot Digital Songs (154,000, up 37%).

The rising superstar earns her first No. 1 on Hot 100 Airplay, as "Paparazzi" ascends 2-1. She'd previously climbed as high as No. 2 with "Poker Face."

The title makes the chart's biggest jump, while rising 16-11 on Rock Songs. The band is one of eight acts remaining on the Fuse network's Best of 2009 fan-voted competition and is battling Papa Roach for the right to move on to the final four.

The song is his eighth top 10 on Adult Top 40 (9-9), one shy of John Mayer's mark among male artists. If we add Thomas' top 10 count with Matchbox Twenty (12), it would appropriately bring his total to 20.

The series' cast ties Taylor Swift for second-most Billboard Hot 100 entries this year (14), as this "Wicked" cover bows. Lil Wayne is the overall leader with 19 appearances in 2009.

'ROULETTE' LANDS IN TOP 10

Rihanna earns her 12th Billboard Hot 100 top 10 as "Russian Roulette" shoots 75-9, triggered by first-week download sales of 132,000. "Roulette" opens at No. 9 on Hot Digital Songs and inches 36-35 on Hot 100 Airplay with 29.4 million audience impressions. The song's digital release coincided with the singer's first public comments since her assault in February in an interview on ABC's "20/20" and "Good Morning America" (Nov. 5 and 6). Rihanna's 12 Hot 100 top 10s place her second among female acts this decade, trailing only Beyoncé's 13 top 10s. "Roulette" reviews Rihanna's new album, "Rated R," due Nov. 23. —Silvio Pietroluogo

Judas Priest's Rob Halford wishes fans a happy holiday with this set, which just misses charting on the Top Holiday Albums tally this week.

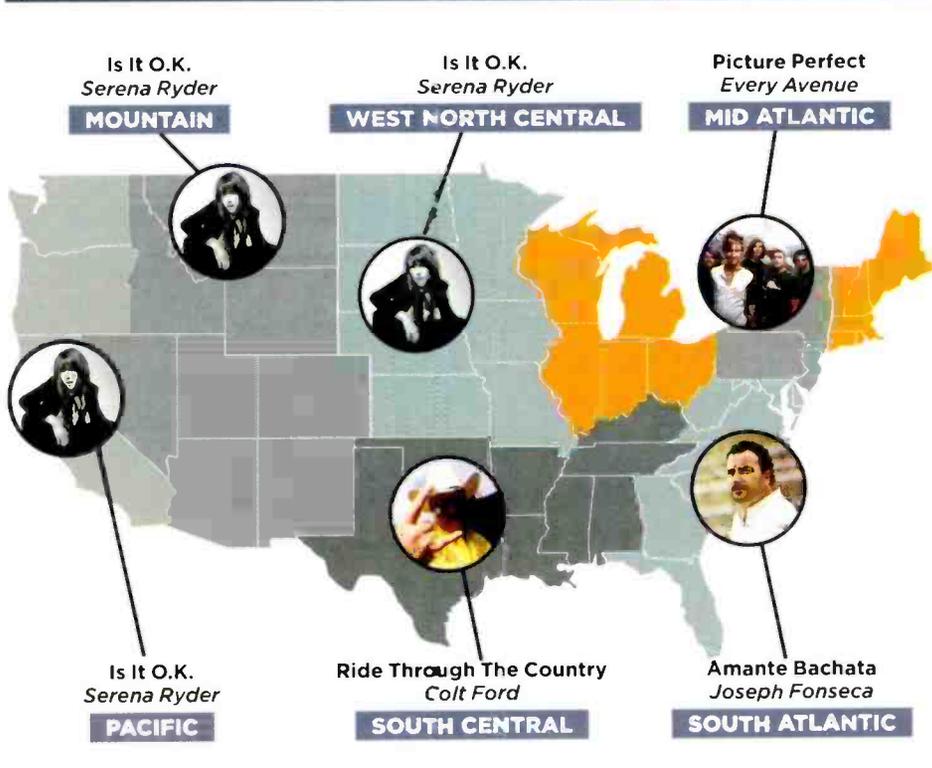

The 92-year-old, World War II-era singer's album, which hit No. 1 in the United Kingdom, gives Lynn her first charting album in the United States.

The song is the label's third Hot 100 No. 1 this decade and its first since Daniel Powter's "Bad Day" in spring 2006. Madonna's "Music" led the list in September 2000.

The duo, which performed the song Oct. 29 prior to game two of the World Series, takes dual gainer honors. Downloads increase by 62% (11-5 on Hot Digital Songs) while airplay spikes by 18% (11-7 on Hot 100 Airplay).

Finally, a confirmed single from his upcoming "Before I Self Destruct" album. The track, available as part of the album's pre-order on iTunes, sells 48,000 downloads.

The song should soar into the top 10 next issue as download sales will factor into its ranking for the first time.

The band scores its 12th straight top 10 on Active Rock (11-10), which is its entire chart output. The act's last three top 10s on that list all hit No. 1.

BETWEEN THE BULLETS SWIFT'S BONUS TRACK BOUNTY

Taylor Swift becomes the first artist in the history of the Billboard Hot 100 to debut five tracks in the top 30 in a single week as all of the new songs that appear on her "Fearless (Platinum Edition)" reissue debut. "Jump Then Fall" fares the best, opening at No. 10 with 161,000 downloads. Swift now has 11 top 30 Hot 100 debuts in her chart career, which began in 2006. Only the Beatles, with 13 such debuts between 1964 and 1996, have more. Swift's debuts join a re-entry ("Forever and Always" at No. 34, redone for the reissue) and two holdovers from last week (Nos. 14 and 49) to give her eight listings on the chart, the most by a female artist since the list launched in 1958.

1 Jay Farrar and Ben Gibbard, respectively the lead singers of Son Volt and Death Cab for Cutie, paired up for this soundtrack to the documentary of the same name.

The all-TV star band, which includes Hugh Laurie of "House," had its Amazon-exclusive album priced at \$1.99 Oct. 21, prompting its debut with 2,000 copies.

It's the second No. 1 on Top Traditional Classical Albums in a little more than a year for the Los Angeles Philharmonic and its new conductor, Gustavo Dudamel.

The song is the first to return to No. 1 since T.I.'s "Live Your Life" (featuring Rihanna) hit the top for a third stint in December 2008.

While airplay continues to build at a rapid clip (49-25 on Hot 100 Airplay, up 44%), second-week digital sales dip by 33%, resulting in a fall from No. 1.

The singer scores his best debut with the opening single from his new album "Battle Studies," due Oct. 27. It starts at No. 10 on Hot Digital Songs (102,000 copies sold).

A discounted single sold at the teen clothing chain Justice prompts a No. 1 debut on Hot Singles Sales (30,000 sold) and an inaugural Hot 100 appearance for the South Korean pop quintet.

This preview of his sixth studio album, due in early 2010, should take a nice jump next issue since first-week digital sales will affect its ranking.

BETWEEN THE BULLETS
PEAS PUSH TOWARD ANOTHER NO. 1

The Black Eyed Peas could continue their Billboard Hot 100 hot streak as "Meet Me Halfway" jumps 17-9. The follow-up track to successive double-digit-week No. 1s takes Greatest Gainer/Digital honors, more than doubling its downloads (127,000 sold) and rising 17-5 on Hot Digital Songs. Sales were buoyed by the track's iTunes video premiere and its inclusion in the latest TV spot for DirecTV, shown frequently during the Major League Baseball playoffs on TBS and Fox.

On the Billboard 200, the impact is also felt, where the album "The E.N.D." shoots up the tally with Pace-setter honors, vaulting 23-6 with 40,000 sold (up 56%).

—Silvio Pietrolungo

The most popular songs, according to air-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. The act's debut single flies into the top 10 with 138,000 downloads and a 40% audience increase (to 20 million impressions).

The song moves 11-8 on Hot 100 Airplay, extending her lead for most top 10s on that chart by a female this decade to 13. Among all artists, only T-Pain (16) has more.

The title hits the top 10 of Hot Digital Songs (12-10) with 106,000 downloads, up 57% from last week.

This 15-year-old Canadian's debut at No. 16 also opens at No. 7 on Hot Digital Songs (113,000), which surpasses the rank on both charts of "One Time," his current radio single. "Time," meanwhile, has its best sales week yet with 60,000.

With his legal issues fading from the spotlight, he makes his first chart appearance as a lead vocalist since "Dreamer" debuted in August 2008.

SPEARS STARTS AT SUMMIT

Fueled by 255,000 first-week downloads, Britney Spears' "3" is the first song to debut at No. 1 on the Billboard Hot 100 in more than three years (see story, page 34). The track is Spears' third Hot 100 No. 1, following her 1999 debut single, "...Baby One More Time," and "Womanizer," which topped the list for a single week one year ago in the Oct. 25, 2008, issue. Spears' download total for "3" is also the largest first-week sum by a female artist since "Womanizer" debuted with 286,000 last October. At radio, "3" jumps 38-25 on the Mainstream Top 40 chart and debuts at No. 49 on Hot 100 Airplay with 24.7 million listener impressions.

The track is the first Hot 100 No. 1 for Universal Republic, which became an entity in 2005 when it and Universal Motown splintered from Universal Motown Records Group.

The song winds up with 14 weeks at No. 1, which ties it with this decade's longest stay at the top with Mariah Carey's "We Belong Together."

At No. 28, the troupe's cover of Queen's No. 13-peaking 1977 classic bests the legendary group's own remake with George Michael (No. 30 in 1993). At No. 51, "Alone" returns to the chart for the first time since Heart's original version reached No. 1 in 1987.

The band fetches its 13th top five on Alternative (viewable at billboard.biz) as this track zooms 18-5. The act enters a tie with Linkin Park for third-most top fives on that list behind Green Day (17) and U2 (16).

This act returns to the Hot 100 for the first time since 2004 with its current top 20 Adult Top 40 track (No. 19). The band launches a 28-city tour this month in support of its new album, "Save Me, San Francisco," due Oct. 27.

BETWEEN THE BULLETS
SEAN ENDS PEAS RECORD REIGN

Jay Sean takes his debut single to No. 1 on the Billboard Hot 100 as "Down" darts 2-1 to end the Black Eyed Peas' record No. 1 run at 26 consecutive weeks (14 weeks for "I Gotta Feeling" and 12 for "Boom Boom Pow"). "Down" concurrently moves to No. 1 on Hot 100 Airplay with 115 million listener impressions, while climbing 5-3 on Hot Digital Songs, where its total download tally to date now surpasses 1.5 million. Sean is the first male artist to take his debut single to No. 1 on the Hot 100 since Flo Rida rode "Low" to the top in January 2008.

The most popular songs, according to all-format listener impressions, measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Airplay and Greatest Gainer/Digital are awarded, respectively, for the largest digital sales and airplay increases on the chart. This all-star collaborations album is the violinist's sixth set to reach Heatseekers and his first No. 1 on Top Classical Crossover Albums.

The parody hair band (formerly known as Metal Skool), famous for its L.A. club shows during which it drags celebrities onstage to sing, sees its major-label debut start with nearly 5,000 copies sold.

While Sandoval has charted before—in 2001 with "Bavarian Fruit Bread" (No. 39)—she was also the singer for Mazzy Star.

PROGRESS REPORT

Anya Marina, "Satellite Heart"
 The track enters Heatseekers Songs at No. 22, thanks to its healthy first-week download total of 15,000 copies sold. The tune's big number is due to the song being the instant download track that accompanied the pre-order of the "New Moon" soundtrack.

1 Slim Shady last led the list with 2002's "Lose Yourself" while Dre's only other credited No. 1 was on Blackstreet's "No Diggity" in 1996. 50 Cent was last on top with "Candy Shop" in 2005.

It's been more than 18 months since Timberlake had his own song in the top 10, but he's now made three guest appearances in the upper region in that span, on tracks by 50 Cent, Madonna and now T.I.

58 Estimated first-week downloads may send this song all the way to No. 1 next issue. The track moves 43-20 (43 million listener impressions) in its third week on Hot 100 Airplay.

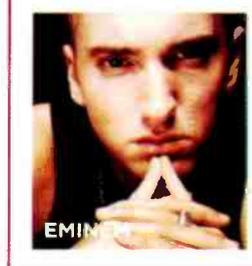

64 Grammy reaction brings the song back to the chart at a new peak. Its 39,000 downloads are a weekly best as well.

The track, which doesn't appear on the act's latest album, is the theme to MTV's "The City." It shifts 31,000 downloads its first week out.

BETWEEN THE BULLETS
'BOTTLE' CAPS HOT 100

The rap triumvirate of Eminem, Dr. Dre and 50 Cent soars 78-1 on the Billboard Hot 100 with "Crack a Bottle" as the track sets a Nielsen SoundScan record for opening-week download sales. The song's first-week sum of 418,000 outpaces the prior mark of 335,000 downloads sold by T.I. featuring Rihanna's "Live Your Life" in the Oct. 18, 2008, issue. In sales for any week, "Bottle" ranks third behind Flo Rida's "Low" (467,000 on Jan. 12, 2008) and Lady GaGa's "Just Dance" (419,000 on Jan. 10, 2009). "Bottle" is the second Hot 100 No. 1 for Eminem and Dr. Dre, while 50 Cent ups his chart-topping take to four. —Silvio Pietrolungo

BREAKING & ENTERING

There is no one named Iglu nor Hartly in the Los Angeles quintet Iglu & Hartly, but it's a name rock lovers should know soon enough. The band's quirky single "In This City"—a former top 10 U.K. chart hit—bows at No. 36 on the Modern Rock tally this week.

NEW ON THE CHARTS
Vota, "Hard to Believe"
Formerly known as Casting Pearls, the band makes its debut on Hot Christian Songs at No. 29 (viewable at billboard.biz/charts) with the first single from its self-titled album. The act is currently on the road with Newsboys and Decemberadio.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart, **TASTEMAKERS.** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. THE BILLBOARD HOT 100

Table with columns: THIS WEEK, LAST WEEK, 2 WEEKS AGO, WEEKS ON CHART, TITLE, PRODUCER (SONGWRITER), Artist, IMPRINT / PROMOTION LABEL, CERT., PEAK POSITION. Includes entries like 'MY LIFE WOULD SUCK WITHOUT YOU' by Kelly Clarkson and 'PROM QUEEN' by Lil Wayne.

Though down 23% in digital sales (216,000 downloads), the track becomes her fastest top 20 hit on Hot 100 Airplay, where it rockets 38-19 in its third week (41 million in audience, up 27%).

15 The ballad bounds into the top 10 on Hot 100 Airplay (13-6), ranking No. 5 on Rhythmic and top 25 at Mainstream R&B/Hip-Hop and Mainstream Top 40.

The singer becomes the first female signed to Capitol Records to notch three top 40 hits from an album since Bonnie Raitt scored a hat trick with "Luck of the Draw" in 1991-92.

The rapper who scored last year's top title ("Low") returns with a reworking of Dead or Alive's 1985 No. 11 Billboard Hot 100 dance classic "You Spin Me Round (Like a Record)."

The third single from "Spirit" shifts 13,000 downloads (up 29%) and leaps 49-39 on the Pop 100.

Continuation of the Billboard Hot 100 chart, including entries like 'DON'T' by Billy Currington, 'SHE GOT HER OWN' by Ne-Yo, and 'PROM QUEEN' by Lil Wayne.

BETWEEN THE BULLETS

LIL WAYNE'S FORMAL DEBUT

"Prom Queen," Lil Wayne's foray into rock music, rolls onto the Billboard Hot 100 with Hot Shot Debut honors at No. 17. Of his previous singles as a lead artist, only "Got Money" (No. 13 last June) started off at a higher rank. In its first week of release, "Queen" shifts 107,000 downloads to open at No. 7 on Hot Digital Songs. Radio play is just ramping up for the first track from his upcoming "Rebirth" album. While top 40 stations are naturally leading the charge, R&B/hip-hop outlets are not shying away from Lil Wayne's new sound, accounting for 20% of the song's audience impressions. —Silvio Pietrolungo

The band returns to the top 10 for the first time since 2006's "How to Save a Life," moving 145,000 downloads (up 90%), the song's best one-week tally to date.

With a 2-1 jump at Adult Contemporary, the track has now topped AC, Adult Top 40, Modern Rock and Triple A, becoming the first song to reach No. 1 on all four lists. It's also Capitol Records' first AC No. 1 since Richard Marx's "Now and Forever" in 1994.

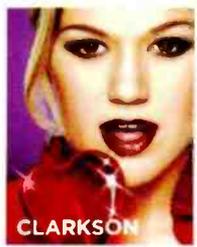

President Obama's inauguration, and the accompanying pre- and post-event festivities, inspire increased download activity and re-entries for Young Jeezy (pictured) and Will.i.am (No. 84) and a debut for Beyoncé (No. 67).

Singer/actor Foxx vocalizes on three of the chart's bulleted songs. He's featured on Ne-Yo's track at No. 60 and appears as a lead artist at Nos. 62 and 64.

BETWEEN THE BULLETS
CLARKSON CLOCKS RECORD JUMP

Kelly Clarkson makes the largest leap to No. 1 in the Billboard Hot 100's 50-year history as "My Life Would Suck Without You" rockets 97-1. It's the second time Clarkson has set the record for largest jump to the top. Her "American Idol" victory song, "A Moment Like This," soared 52-1 on the Oct. 5, 2002, chart. The previous biggest leap was when Britney Spears' "Womanizer" flew 96-1 in October. "My Life," from Clarkson's March 17 release "All I Ever Wanted," shifts 280,000 downloads in its first week, prompting the momentous leap. The song also jumps 58-38 on the Hot 100 Airplay chart and 27-18 on the Mainstream Top 40 chart. —Silvio Pietrolungo

BREAKING & ENTERING

"Hold On Tight" may just be the title of Hey Monday's Columbia/Decaydance debut, but the command has not been lost on the band's fans. The act's infectious pop-rock sound has helped propel it back onto the Top Heatseekers chart in recent weeks.

REGIONAL HEATSEEKER #1s

NEW ON THE CHARTS

Louis C.K., "Chewed Up"
The stand-up comedian and frequent guest on Opie & Anthony's Sirius XM morning show enters Top Heatseekers at No. 42. The set, culled from his recent Showtime special, also rises 8-5 on Top Comedy Albums at billboard.biz.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. Superstar pairing jets 60-30-18 in two weeks and takes the Greatest Gainer/Airplay tag with an increase of 10.1 million impressions.

48 The follow-up to the chart's current No. 1 picks up steam at top 40 radio (up 370% on Pop 100 Airplay) and shoots 48-31 on Hot Digital Songs (44,000, up 24%).

ABC Family's Jan. 18 premiere of "Another Cinderella Story," in which Gomez co-stars, spurs 60% digital growth (to 30,000 units). The song is included in the film and was the featured track in promo spots leading up to the airing.

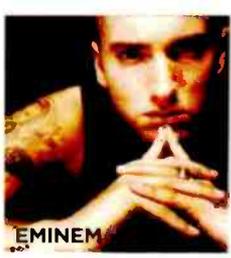

88 Cleveland rapper makes his Hot 100 debut as an artist. He contributed vocals and song-writing to Kanye West's album "808s & Heartbreak," including a co-writer credit on this week's No. 3 track.

Bay Area quintet makes its Billboard Hot 100 debut with a song that's No. 29 on the Mainstream Top 40 chart. A boost is probable next issue, as the band had a Jan. 21 appearance lined up on "Jimmy Kimmel Live!"

BETWEEN THE BULLETS
EMINEM'S 'BOTTLE' IS TOP DEBUT

Eminem previews his highly anticipated "Relapse" album with help from Dr. Dre and 50 Cent on "Crack a Bottle," which is the Hot Shot Debut at No. 78. Slim Shady last charted with "You Don't Know," which peaked at No. 12 in December 2006. It's been a longer absence from the list for Dr. Dre, who last appeared as part of this same trio when "Encore" peaked at No. 25 in January 2005. "Bottle" enters the chart fueled solely by radio play (19.8 million listener impressions on 167 stations) and is the only song on the Billboard Hot 100 that is not available digitally.

3 The song makes a strong move on Hot 100 Airplay (35-19), giving Cyrus her third consecutive top 20 hit on that list.

The act scores its third No. 1 on Hot Dance Airplay (2-1) and its second top 40 hit on the Hot 100. "Everytime We Touch" peaked at No. 10 on this list in March.

50 With digital downloads from his No. 1 album available exclusively through Rhapsody for all but three days of this tracking period, the title still manages a healthy 43,000 start. Expect a rise into the top five next issue for this song, following the rap mogul's performance at the MTV Video Music Awards Sept. 13.

The rapper's EP hit iTunes exclusively Sept. 8, prompting 23,000 downloads of the current single and the largest position jump on the chart. A similar impressive leap (12-1) lands the track atop Heatseekers Songs.

Minnesota native Adam Young's one-man act continues its upward movement with a 46% download jump (to 39,000).

BETWEEN THE BULLETS
'GLEE'-FUL NOISE

The Fox TV series "Glee" returned with its season premiere Sept. 9, and as the pilot episode did when the show debuted in May, it launches a couple of cast-sung tracks or to the Billboard Hot 100. The remake of Rihanna's 2008 No. 1 "Take a Bow" enters at No. 46 as the Hot Shot Debut, while the constantly revived Journey hit "Don't Stop Believin'" re-enters at No. 78. The cast debuted at No. 4 with "Believin'" in the June 6 issue when it sold 177,000 downloads. This week's digital surge for "Bow" is a solid, but less remarkable 53,000. —Silvio Pietrolungo

The singer's appearance on NPR's "All Things Considered" (Sept. 13) helps the set start with almost 3,000 copies sold.

This buzzed-about British band played three shows in the New York area during the week of its album release, aiding the set's Heatseekers bow with 1,000 sold.

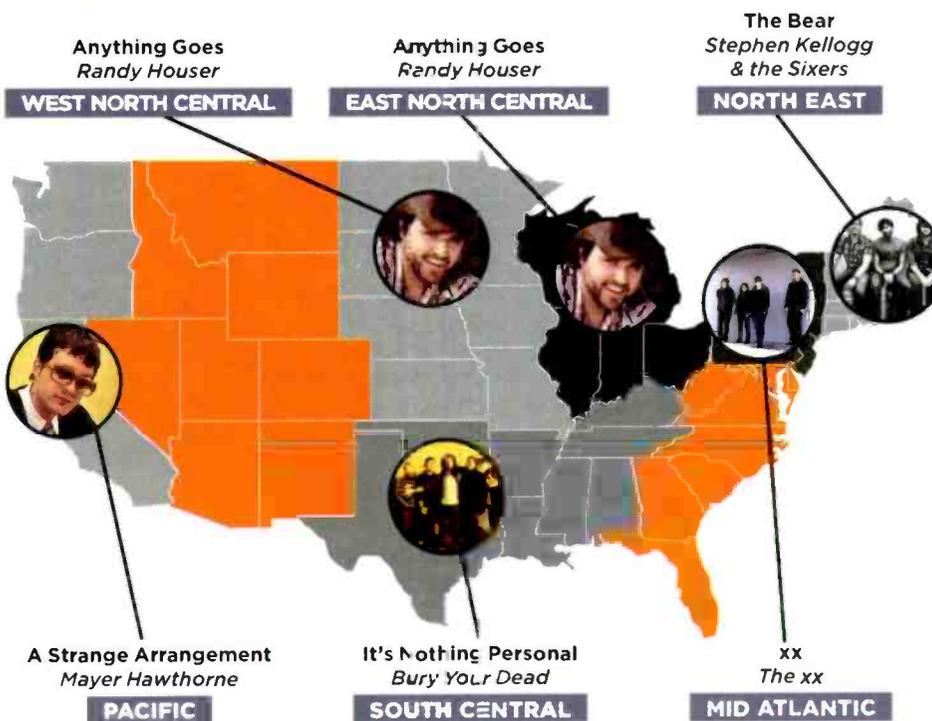

Perhaps a re-airing of the group's nearly hourlong chat on NPR's "Fresh Air" program Sept. 7 spurs the album's gain from nearly nothing last week to almost 1,000 copies.

Its rise to the top (up 50%) is fueled by the bow of the physical version of the album. Last week, the set entered the list a week early as a digital exclusive.

Amazon's MP3 store offered the title as its Aug. 27 Daily Deal for \$1.99. It thusly charges up the tally with a 273% overall gain and a 501% jump in downloads.

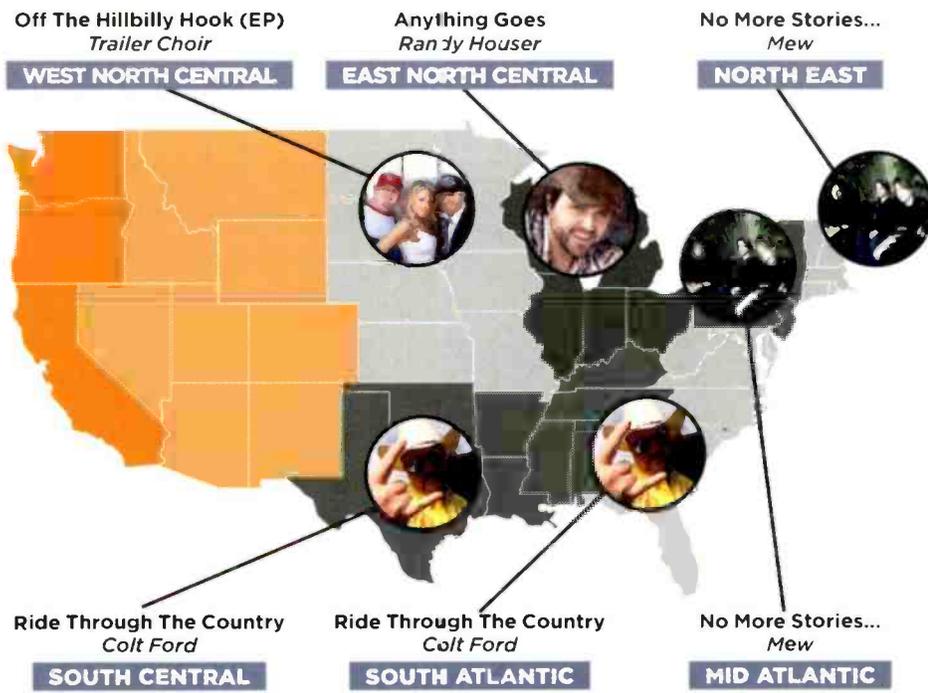

Prime placement in iTunes' weekly New Music Tuesday e-mail blast helps garner the iTunes-exclusive set a 2,000-unit entry and a No. 3 bow on Top Reggae Albums.

THE BILLBOARD HOT 100

Table with columns: THIS WEEK, LAST WEEK, 2 WEEKS AGO, WEEKS ON CHART, TITLE, PRODUCER (SONGWRITER), Artist, IMPRINT / PROMOTION LABEL, CERT., PEAK POSITION. Contains 100 rows of chart data.

It took just four weeks for DeRulo to reach the top 10 with his debut single, the quickest climb for an artist's first entry since M.I.A.'s similar four-week trek with "Paper Planes" in August 2008.

The track is the highest-charting song with "Toe" in the title, anatomically speaking, since Lisa Lisa & Cult Jam stepped to No. 1 with "Head to Toe" in 1987.

The superstar is the fifth female in the chart's history to place six songs from one album within the top 40. The others are Janet Jackson (three times), Shania Twain, Rihanna and Taylor Swift.

The quartet's fifth charting single instantly becomes its best chart showing. Song moves 17-15 on Alternative and debuts at No. 18 on Hot Digital Songs (50,000 downloads).

Increased radio play (audience doubles to 18 million listener impressions) leads to a 52% jump in digital sales to 52,000 downloads and a 60-35 leap on Hot Digital Songs.

Continuation of the Billboard Hot 100 chart, rows 51-100.

Feature article titled 'CAREY'S RISING 'OBSESSION'' with a photo of Mariah Carey and text describing her rise to No. 11 on the chart.

1 Readers may be familiar with the artist as the one-man act Pedro the Lion, who charted one set on Heatseekers Albums, "Achilles Hell," a No. 24 hit in 2004.

His Sept. 1 performance on "Good Morning America" of the album's cover of Michael Jackson's "Smooth Criminal" sends the set soaring back into the top 10 with an 81% increase.

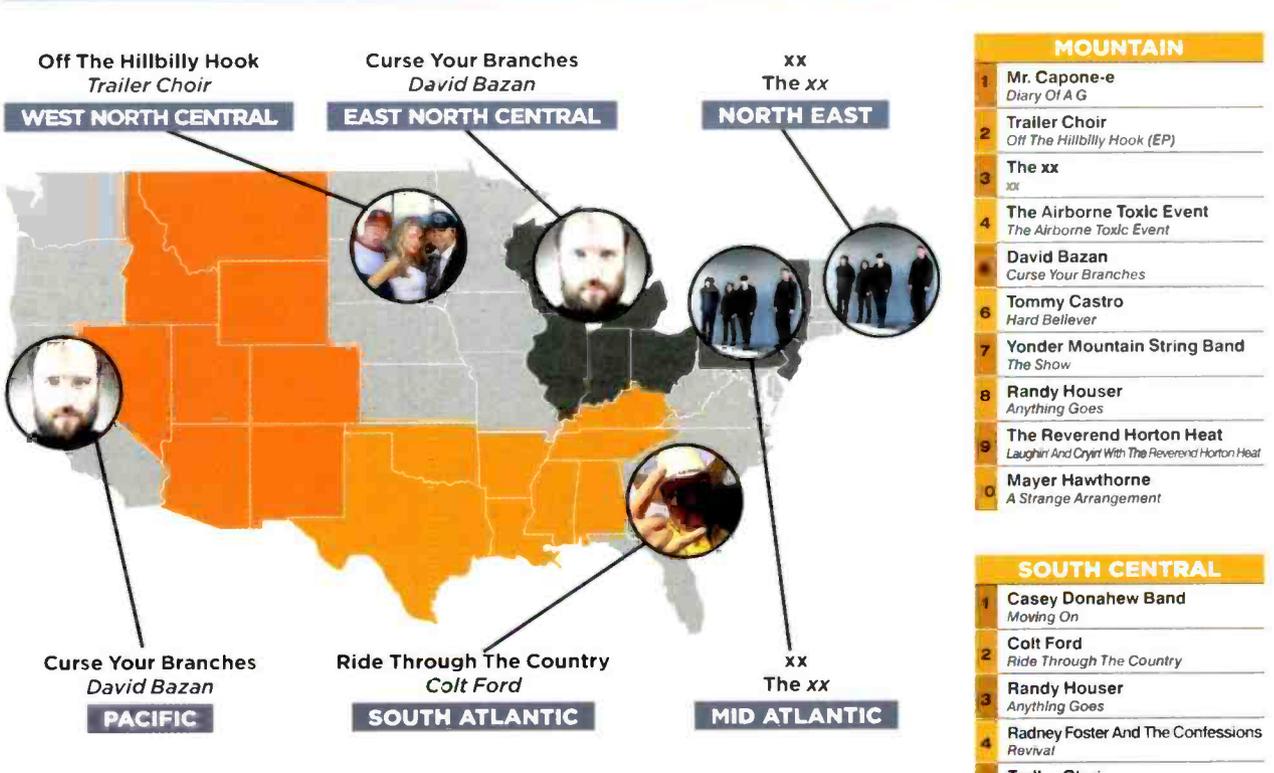

Like Bazan at No. 1, Ragan is no stranger to Heatseekers Albums. As one of the lead vocalists of Hot Water Music, he's visited the tally thrice previously.

31 With a No. 2 debut on Top Contemporary Jazz Albums, the trio earns its 12th top 10 set, including a 2006 collaboration with John Scofield.

THE BILLBOARD HOT 100

29 While the rapper serves a yearlong stint in prison, he maintains his chart relevance with the week's Hot Shot Debut. The track also opens at No. 10 on Hot Digital Songs (81,000). For Blige, it's her second straight week as the top debut. Her "The One" opened at No. 63 last issue but falls off the survey this week.

The rising country star grabs his first top five on Hot Country Songs (No. 5) and becomes the fourth artist to top our new developing artists Heatseekers Songs chart.

The newcomer's album release spurs a download spike for the track (11%) and bump on the Hot 100. Her debut set opens at No. 23 on the Billboard 200, the best showing by a DeBarge family member since her father, James, and his siblings, known as DeBarge, peaked at No. 19 with "Rhythm of the Night" in 1985.

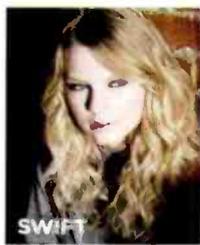

95 The Michigan native returns to the Hot 100 for the first time in five years with a preview song from his "Happy Hour" set, due Sept. 15. He last appeared on this list on Kenny Chesney's "When the Sun Goes Down" in 2004.

Table with columns: THIS WEEK, LAST WEEK, 2 WEEKS AGO, WEEKS ON CHART, TITLE, Artist, CERT., PEAK POSITION. Contains chart data for songs like 'Sexy Bitch', 'Jump', 'I'm in Miami Trick', etc.

BETWEEN THE BULLETS

SWIFT SWIPES AUDIENCE MARK

Taylor Swift earns the most audience impressions for a country artist since the Hot 100 Airplay chart expanded to include all formats in December 1998, as "You Belong With Me" totals 104.8 million impressions (4-4). With the chart's best overall gain (up 10 million), the song surpasses the prior best country crossover total (101.1 million) that Faith Hill's "Breathe" earned in the April 15, 2000, issue. As with Hill's track, pop and adult formats helped build the total, as only 33% of Swift's take is from country stations. When Hill reached her plateau, 24% of her audience was country-driven. —Silvio Pietrolungo

The rapper becomes the first artist to top Hot 100 Airplay with a debut chart entry since Flo Rida with "Low" in February 2008.

Sparks scores her third career top 10 with a track that zooms 25-10 on this list and 19-7 on Hot Digital Songs (up 47,000 downloads). The download gain is just 2,000 shy of the list's top digital gainer, Kings of Leon (No. 2).

The trio reaches a new chart peak and a new single-week download high (47,000) thanks to an acoustic version that hit digital retailers. The new version makes up 35% of the song's sales.

As the song begins to click at radio (up 70% in audience impressions), its digital downloads increase by 82% (to 58,000), prompting a chart-best 31-spot jump.

An appearance on "The Tonight Show With Conan O'Brien" spurs a 20% digital increase to 9,000. The track is top 10 on Triple A (No. 7) and top 15 on Adult Top 40 (No. 13); it spends its second week on Adult Contemporary (No. 27).

BETWEEN THE BULLETS PEAS STREAK TO GROUP RECORD

The Black Eyed Peas hold at No. 1 for a 17th straight week on the Billboard Hot 100 (12 for "Boom Boom Pow" and five for "I Gotta Feeling"), setting the record for the longest successive stay at the top by a duo or group in the chart's history. The Peas bypass Boyz II Men, who had two 16-week runs. The first occurred in 1994 with "I'll Make Love to You" (14 weeks) and "On Bended Knee" (two). The other was in 1995-96 with "One Sweet Day," their collaboration with Mariah Carey. Contrary to last week's Hot Box item, the Peas' run ranks second among all acts to Usher's 19-week stay in 2004 with "Yeah!" (12 weeks) and "Burn" (seven). —Silvio Pietrolungo

Song, performed by the singer on ABC's "American Music Awards" (Nov. 22) and on "Good Morning America" two days later, makes a huge jump on this list while debuting at No. 12 on Hot Digital Songs (80,000 downloads).

Combination of her "American Music Awards" performance of this track and the release of star's "She Wolf" album (No. 15 on Billboard 200) prompts a 159% digital jump for the title (61,000).

Title track from record-breaking No. 1 album (see Over the Counter, page 33) is its top seller (39,000 downloads), but received only one play from the 1,259 stations on the chart's radio panel, from gospel outlet KOKA-AM Shreveport, La.

Song was featured on Nov. 23 series finale of TLC's "Jon & Kate Plus 8," pushing song downloads up 440%. Christian vocalist also posts the best album sales week of her career as "My Paper Heart" moves 13,000 (No. 97 on Billboard 200), more than double its best sum in May.

BETWEEN THE BULLETS
GAGA AND BEYONCÉ DIAL UP A HIT

Lady Gaga and Beyoncé team on the Billboard Hot 100's top debut as "Telephone," from Gaga's new "The Fame Monster" set, opens at No. 30. It is one of two debuts on the list for each; Lady Gaga's "Speechless" enters at No. 94; Beyoncé arrives at No. 65 with "Video Phone." The latter track unites the songstresses once more as a remix, featuring Gaga, that appears on the deluxe edition of Beyoncé's "I Am... Sasha Fierce," on iTunes a la carte or as a three-song digital single along with two other new tracks. Of the 28,000 downloads sold, 93% are of the new remix.

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan, are awarded, respectively, for the largest digital sales and airplay increases on the chart. Also known as Robi Draco Rosa, the singer/songwriter returns with his fourth entry on this chart, while also bowing at No. 11 on Top Latin Albums.

A lengthy profile on the singer during NPR's Nov. 22 "Morning Edition" aids the set for a second week, as it gains 51% with nearly 2,000 sold.

The Christian singer's third Heatseekers-charting set is a Christmas affair and includes a duet with his daughter, Maddison.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums, or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then eligible to appear on Heatseekers Albums. The most popular songs across all formats are ranked by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2009 Nielsen Business Media, Inc. and Nielsen SoundScan, Inc. Did her midshow performance Nov. 22 on ABC's "American Music Awards" spur last-minute downloads prior to the tracking week's midnight deadline? Sales are up 49% a week before "The Fame Monster" is unleashed onto the charts.

Album track duet with red hot Swift is naturally the most-downloaded track from his No. 1 set. It opens at No. 12 on Hot Digital Songs with 86,000 downloads.

Her second set opens at No. 13 on the Billboard 200 with 67,000 units, well short of the No. 1 start of her 2008 debut that shifted 208,000 in its initial frame. Radio track doubles its download sum (to 66,000) to jump 38-15 on Digital Songs.

With three more entries from his debut album (new at No. 6 on the Billboard 200 with 137,000), all seven songs from that EP have now hit the Hot 100.

BETWEEN THE BULLETS
DJ HERO: GUETTA HITS TOP 10

French DJ/producer David Guetta earns his first career Billboard Hot 100 top 10 as "Sexy Chick," featuring Akon, flies 12-7. The track also makes rare concurrent top 10 jumps on component charts Hot 100 Airplay (11-7, 70 million listener impressions) and Hot Digital Songs (11-8, 96,000 downloads). "Chick," which topped Hot Dance Club Songs in October, returns to the No. 1 slot on Hot Dance Airplay for a fourth week. Guetta first debuted on a Billboard chart six years ago this week when "Just a Little More Love," with Chris Willis on vocals, debuted on the Club list on its way to a No. 15 peak. —Silvio Pietrolungo

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. Michael Jackson's "This Is It" guitarist debuts at No. 35 on the Mainstream Top 40 chart with the spunky pop/rock song "According to You."

Despite negligible physical sales from mass merchants, it's holding steady (1,000-2,000 per week) thanks largely to strong digital sales.

42 A Nov. 18 interview on NPR's "Tell Me More" with the act (aka Andrew Cohen) helps the set re-enter with a 16% increase.

BREAKING & ENTERING

Kristina DeBarge—daughter of James DeBarge, a member of the hitmaking R&B group DeBarge—is following in her family's footsteps. "Goodbye," the first single from her island debut album (due June 30), bows this week at No. 75 on the Billboard Hot 100.

PROGRESS REPORT

Big B, "Sinner"

The hip-hop artist snares his first hit on a Billboard singles chart as "Sinner" bows at No. 38 on the Modern Rock list. The melodic tune sonically recalls Sublime and features a vocal assist from Unwritten Law singer Scott Russo.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseeker's title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. 4 Cyrus not only reaches a new career-best peak, she matches the highest rank achieved by dad Billy Ray. His "Achy Breaky Heart" hit No. 4 in July 1992 (four months before Miley was born).

The state of radio today: This song is by a superstar act, appears on the No. 1 album in the country, is featured in the recent No. 1 movie in the land and moves 110,000 downloads (up 57%). Total plays this week among the 1,299 stations monitored for this chart: zero.

The band grabs its best Hot 100 start with a song that also launches on Modern Rock (No. 8) and Mainstream Rock (No. 19). The trio's "21st Century Breakdown" drops Friday, May 15.

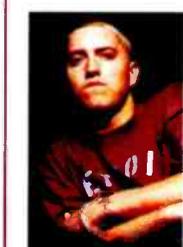

The singer follows his top five "Let It Rock," still on the list (No. 4) in its 34th week, with a track that sees its digital downloads improve by 54% to 26,000.

The Norwegian duo makes its first Hot 100 appearance with a track that has topped the charts in multiple European countries, including a 12-week stay at No. 1 on its home country's digital songs tally.

BETWEEN THE BULLETS

EMINEM GETS 'MADE' ON HOT 100

Eminem has his best Billboard Hot 100 debut as "We Made You" enters at No. 9. The fast start comes because his digital track sold 167,000 copies in its first week of release, but it's disappointing considering his last single, "Crack a Bottle," in February set a then-first-week record with 418,000 downloads. The "Made" video proved popular because of its celebrity skewering (it's No. 1 on MTV2). The higher numbers for "The Bottle" were probably because it had been the rapper's first release as a lead act in more than three years. Airplay at R&B/hip-hop stations resulted in 33 million listener impressions, compared with the 19 million impressions garnered by "Made" this week. —Silvio Pietrolungo

14 Not to be confused with Celtic Thunder or Celtic Woman, this group comprises Celeste Ray, Erin Hill, Carol Crittenden and Leenya Rideout. A guest turn on QVC prompts a debut of slightly more than 2,000 copies.

It's the 10th set from the act to chart on Top Heatseekers, stretching to 1996's "Shack Man." This new album also starts at No. 4 on Top Contemporary Jazz Albums.

REGIONAL HEATSEEKER #1s

NEW ON THE CHARTS

Jump Smokers, "My Flow So Tight (Anti-Breezy)"
With a chorus editorializing that "Chris Brown should get his ass kicked," Jump Smokers' "My Flow So Tight (Anti-Breezy)" climbs 94-81 on the Pop 100. A portion of proceeds from the song's sales will benefit various organizations for women.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseeker's title reaches that level it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains.  Interscope holds down three of the top four slots for the first time since October 2007. You'd have to go back to April 2006 to find a label other than Interscope that has accomplished this feat. (That label was Atlantic.)

The Ohio native secures his first top 10 with his inaugural chart entry. Title also surges into the top 10 of Hot Digital Songs (13-6) with a 57% increase to 130,000 downloads.

A performance of the track by "American Idol" finalist Matt Giraud spurs sales of the Fray's original (97,000, up 70%), returning the title to the Hot 100 top 10 for the first time in eight weeks.

 The "American Idol" alum reaps the benefit of his return to the show, and his performance of this track, with the top debut on this list and Hot Digital Songs (No. 40, 39,000 downloads).

With its unlikely update of Wham's 1985 pop smash, the band scores the first top 10 remake on the Modern Rock chart (13-8) since 2004 when 311's reinvention of the Cure's 1989 classic "Love Song" rose to No. 1.

BETWEEN THE BULLETS
BLACK EYED PEAS PLANT FIRST NO. 1

The Black Eyed Peas set the mark for the best single-week and debut download totals by a group as "Boom Boom Pow" shifts 465,000 in its first week. The title easily tops Hot Digital Songs and becomes the act's first Billboard Hot 100 No. 1, with a hefty 39-1 leap. The group's prior best showing on the chart was a No. 3 peak for "Don't Phunk With My Heart" and "My Humps" in 2005. Coldplay set the weekly digital sales record for a group when "Viva La Vida" moved 253,000 in the June 21, 2008, issue. Maroon 5 held the mark for most downloads in a debut week when "Makes Me Wonder" opened with 244,000 in the May 12, 2007, issue. —Silvio Pietroluongo

PROGRESS REPORT

Halestorm, "I Get Off"
The rock band makes its Billboard chart debut on the Mainstream Rock chart (viewable at billboard.biz/charts) at No. 37 with "I Get Off." The Atlantic quartet, fronted by Lzzy Hale, will release its self-titled debut album April 28.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseeker's title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. The singer reaches a new Hot 100 peak, besting the No. 4 ranking that "Love Story" achieved in January.

It's the third trip to the top 10 for this track. Its prior two stops consisted of single weeks at No. 10, a rank Perry matches yet again.

The song's digital downloads more than double to 88,000 a week before her second album, "Here We Go Again," is expected to open near or possibly at the top of the Billboard 200.

A new reggae-tinged mix of the song, which is spurring renewed airplay, is included in a digital bundle that enters Hot 100 Sales at No. 4 (see billboard.biz/charts). The airplay makes the title the oldest song in the history of the Hot 100 to earn a bullet.

The track, which originally appeared on the band's 2007 "Dreaming Out Loud" album without Sara Bareilles, sells 32,000 downloads in its new form.

BETWEEN THE BULLETS

SHAKIRA BITES INTO HOT 100

(with 22), Ana Gabrie (20), Rocio D'urcal and Ednita Nazario (15 each) have more.

Shakira scores her best start on the Billboard Hot 100 as "She Wolf" debuts at No. 34. Her last two Hot 100 entries also made the upper reaches of the chart: "Hips Don't Lie" with Wyclef Jean spent two weeks at No. 1 in 2006, and "Beautiful Liar" with Beyoncé peaked at No. 3 in 2007. "Wolf" also opens at No. 28 on Hot Digital Songs (48,000) and rises 17-6 on Hot Latin Songs, where it's known as "Loba." Her move on the latter list gives Shakira her 14th top 10, tying her with Selena for fifth place among female artists. Only Gloria Estefan

The most popular song, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan, is "I Gotta Feeling" by The Black Eyed Peas. The song's digital downloads more than double to 88,000 a week before her second album, "Here We Go Again," is expected to open near or possibly at the top of the Billboard 200. © 2009 Nielsen Business Media, Inc. With a jump of 4 million audience impressions (to 119.8 million), the song has earned the Greatest Gainer/Airplay honor in each of its three weeks at No. 1. It's the first chart-topper to take the title for three successive weeks since Chris Brown's "Kiss Kiss" in November 2007.

Though she falls just shy of a top 10 entry, Carey does claim her highest debut since "My All" opened at No. 2 in May 1998. The song, which previews her new album "Memoirs of an Imperfect Angel" (Aug. 25), sells 119,000 downloads to start at No. 6 on Hot Digital Songs.

The act reaches its highest Hot 100 ranking, besting the No. 23 peak of 2007's "The Great Escape" while selling 92,000 downloads (up 52%), the best single-week sales total for any of the band's tracks.

The Texas rapper moved into the top slot on Heatseekers Songs (see page 53) in that chart's second week of existence. His self-titled debut album hits retail Aug. 4.

BETWEEN THE BULLETS

BEST OF BOTH WORLDS

Miley Cyrus' TV alter-ego, Hannah Montana, claims her first Billboard Hot 100 top 10 as "He Could Be the One" debuts at No. 10 with an accompanying entry at No. 2 (151,000 downloads) on Hot Digital Songs. As Montana, her best Hot 100 chart peak was with "Life's What You Make It," which hit No. 25 in July 2007. Cyrus has notched two top 10s on the Hot 100 under her name, including a No. 6 entry for "The Climb" in March. That song eventually peaked at No. 4 in May and currently is No. 17, giving the artist a double dose of top 20 hits under two artist listings. With two other debuts on this week's Hot 100 (Nos. 74 and 87), Montana has now made 18 chart appearances to Cyrus' 10. —Silvio Pietrolungo

For someone who has never debuted above No. 82, the singer is off and running with the leadoff track from her new album "Breakthrough," due Aug. 25. The title opens at No. 9 on Hot Digital Songs (118,000 downloads), her first top 10 on that list since her debut single, "Bubbly," peaked at No. 4 in November 2007.

With the single hitting digital retailers July 7, expect a high debut for Mariah Carey's "Obsessed" next issue. The track debuts at No. 60 on Hot 100 Airplay with 20.5 million listener impressions.

As the song resides in the top 10 of the Rhythmic chart for a second week (No. 9), it makes the biggest positional leap on Hot 100 Airplay (58-43) with a gain of 4.3 million listener impressions (up 20%).

The duo returns to the Hot 100 for the first time in more than nine years—since its debut single, "Shackles (Praise You)," peaked at No. 28 in May 2000—with a track that holds at No. 5 on Gospel Songs.

BETWEEN THE BULLETS
TING TINGS WING BACK ONTO CHART

"That's Not My Name" by the Ting Tings returns to the Billboard Hot 100 nearly two months after moving to recurrent status as an increased surge in radio airplay and digital downloads prompts a No. 45 re-entry, its best chart ranking yet. The track first entered the list in December and peaked at No. 52 in the May 9 issue. Top 40 radio play is the basis for its reappearance, as it moves 22-19 on the Mainstream Top 40 tally and makes its first foray onto the Hot 100 Airplay chart at No. 57 (21.8 million listener impressions). The track has also made inroads with the preteen set, having accumulated more than 300 plays to date on Radio Disney. —Silvio Pietrolungo

The most popular songs, according to all-format audience impressions, measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. Hilson nets her first No. 1 on Hot 100 Airplay (107 million all-format audience impressions). It's West's fifth and Ne-Yo's second leader on the list.

Swift (right) opened the June 16 CMT Awards with a self-deprecating rap parody called "Thug Story," featuring T-Pain; 26 mainstream top 40 radio stations subsequently spiked Swift's (sorry, T-Swizzle's) duet.

Los Angeles hip-hop duo arrives, spurred by a No. 23 launch on Hot Digital Songs (\$3,000 downloads sold). The cut bullets at No. 61 on Hot 100 Airplay (20.1 million in audience, up 12%).

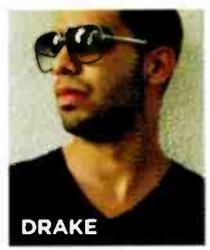

Cheekily titled track (No. 40 on Hot Digital Songs, 36,000 downloads) marks the first Hot 100 entry for the Maryland quartet that formed in 2003. The band releases its third album, "Nothing Personal," July 7 and plays the Vans Warped tour July 19-Aug. 23.

Co-writer/producer of the chart's No. 2 title reigns over U.K. Singles and Hot Dance Airplay with his own entry, which also starts on Mainstream Top 40 at No. 39.

BETWEEN THE BULLETS
DRAKE, YOUNG MONEY CASH IN

Drake doubles up in the Billboard Hot 100's top 10, as his solo entry "Best I Ever Had" catapults 27-3 and "Every Girl" by Young Money—the group comprising Drake, Lil Wayne, Gudda Gudda, Mack Maine and Jae Millz—soars 34-10. After unauthorized versions of each track spent a week on the Hot Digital Songs chart dated June 13 (at Nos. 29 and 41, respectively), the songs re-enter the tally at Nos. 3 (153,000 downloads sold) and 10 (90,000). The titles also rank at Nos. 1 and 3, respectively, on Hot R&B/Hip-Hop Songs and Nos. 4 and 12 on Hot 100 Airplay.

BREAKING & ENTERING

It's been raining along most of the East Coast the past few weeks, but with the help of Ne-Yo and Flo Rida, newcomer Phyllisia is ready to change the forecast with her appropriately titled single "Sunshine." It recently bowed on the Hot R&B/Hip-Hop Songs chart.

Go to billboard.com/breaking to discover developing artists making their inaugural chart runs each week.

REGIONAL HEATSEEKER #1s

PROGRESS REPORT

Papercut Massacre, "Left 4 Dead"
The Wind-up rock band, led by singer Joey Culver, bows on the Mainstream Rock Songs chart (viewable at billboard.biz/charts) at No. 37 with its first Billboard hit. The tune has sold slightly more than 2,000 downloads since its April release.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. The Old 97's front-man charts his third solo album on Top Heatseekers. All of them have peaked in the top two slots. Only seven other acts have done the same.

1
The set—his seventh to reach this chart—saw an early iTunes release May 26 and then went to all retailers June 9. It was sold in Amazon's MP3 store for three days for \$3.99.

The 1934 Irish film "Man of Aran" was restored by the band and is included on a DVD with this soundtrack album.

REGIONAL HEATSEEKER #1s

PROGRESS REPORT

Matt Wertz, "Everything's Right"
The singer went from playing high school summer camps in the early 2000s to releasing his major-label debut album on Universal Republic last year. Now, his first radio hit is climbing the charts, debuting at No. 40 on the Adult Top 40 tally.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. With his "Greatest Hits II" now available digitally, the song takes the chart's biggest jump and debuts on Hot Digital Songs at No. 13 with 71,000 downloads. It's the best opening-week sum by a male country artist in the history of the chart and Chesney's highest Hot 100 ranking.

The performance of song at the MTV Movie Awards sends the track flying into the top 20 with digital downloads doubling to 72,000 copies.

The rapper makes a curious move on the list as the song takes the chart's biggest radio gain (up 9 million listener impressions) while slipping significantly in rank. The drop is due to the unauthorized digital track's removal from iTunes, resulting in a sales slip from 46,000 to 4,000 copies.

The Kentucky quintet makes its Hot 100 debut with the title that places in the top 10 (No. 8) of the Inaugural audience-based Rock Songs chart (page 48), which tabulates airplay from stations in all rock radio formats.

BETWEEN THE BULLETS
GIVE PEAS A CHANCE

The Black Eyed Peas' "Boom Boom Pow" holds at No. 1 for a 10th week on the Billboard Hot 100 to become the 11th song this decade to have a chart-topping run of 10-plus weeks. Of that lot, only two were credited to a duo or group, and both occurred early in the decade. "Maria Maria" by Santana featuring the Product G&B held for 10 weeks in the first half of 2000, and "Independent Women Part I" by Destiny's Child lasted 11 weeks later that year. On Hot Digital Songs, "Boom" is the first track to spend its first 10 weeks on the chart at No. 1 and the second song since the chart's 2005 launch to reach double digits, following Flo Rida's "Low" (13 weeks) in 2008.

Led by vocalist Krysta Cameron, the Shreveport, La., rock quintet enters with its first full-length, selling 4,000 copies.

Guitarist Dan Gustavson left the group earlier this year, reducing the act to a four-piece. This is the follow-up to 2007's "Worse Than a Fairy Tale," which peaked at No. 5.

After National Public Radio's "All Things Considered" profiled the guitarist and her album June 4, the March release takes a 420% gain.

PROGRESS REPORT
Ski Johnson, "New Beginnings"
The jazz saxophonist leaps from No. 5 to No. 3 on the Top Contemporary Jazz Albums chart and debuts at No. 12 on Top Heatseekers with "New Beginnings" (2,000; up 150%). It's the artist's first Billboard-charting album.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseeker's title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. The singer earns his third top 10 and first since "Take You There" hit No. 7 in February 2008. His debut single, "Beautiful Girls," topped the chart for four weeks in the summer of 2007.

A quick appearance on the digital market propels this track and Drake's title at No. 18 up the list (see story, page 29).

The quartet's former Modern Rock chart-topper rests at No. 3 on that list, its 11th week in the top three. Only two other tracks, the band's "Sex on Fire" (13) and "Incubus" (12) have spent more time in the top three this year.

The trio is having a blast and kicking off the season with the list's top debut that steams ahead 23-17 on Hot Country Songs, the band's 24th title to hit the top 20 of that chart.

This song, used by the NBA for its "Where Amazing Happens" playoff promotion, rebounds while three other tracks by the rapper dot the chart (Nos. 7, 51 and 100).

BETWEEN THE BULLETS
GAGA'S 'GAME' FOR TOP 10

Lady GaGa is the sixth female artist this decade to send her first three singles from a debut album to the Billboard Hot 100's top 10, as "LoveGame" leaps 22-10. The third release from "The Fame" claims Greatest Gainer/Digital honors, charging 13-4 on Hot Digital Songs (107,000 downloads, up 39%). The New York native joins Christina Aguilera, Beyoncé, Ciara, Avril Lavigne and Fergie in producing three top 10s from a debut set. Only Lady GaGa and Aguilera reached No. 1 with their first two offerings, leaving GaGa in line to become the first female this decade to post a trio of No. 1s with her first three Hot 100 entries.

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan, are listed in the chart. REGIONAL HEATSEEKER #1s

PROGRESS REPORT

Manchester Orchestra, "I've Got Friends"
The Atlanta band's first single to hit the Billboard charts this week climbs into the top 20 of the Modern Rock tally, rising to No. 19. It's among the top 10 most-played songs at eight modern rock stations, including WFNX Boston and KBZT San Diego.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers rank the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. The track's No. 8 entry on Hot Digital Songs (110,000 downloads) gives Underwood eight top 10s since the chart's launch in February 2005. That ties her with Beyoncé for second place among females, trailing only Rihanna (12).

The singer posts her first solo Hot 100 appearance since "Superwoman" peaked at No. 82 last October. In 2009, she shared vocal credits with both Jack White and Jay-Z. The latter collaboration slips 5-10 this issue.

The TV series' charting sum is now up to five with this week's covers of Celine Dion's No. 54-peaking song from 2007 and Queen's 1977 classic (No. 13 peak).

The singer makes his maiden Hot 100 voyage seven years after his first appearance on Hot Country Songs. The track is his first Hot Country Songs top 20 (No. 19).

The album's title track is the fourth single from that set to make the list; it's the second time she's had that many off one collection. Her second album, "Missundaztood" (2001), also had four Hot 100 hits.

It's the fifth charting set on Heatseekers for the electronic/pop duo, which sees its latest enter with nearly 3,000 copies sold.

The set was the Amazon MP3 store's daily deal Sept. 26 and was sold for 99 cents. No surprise then that it jumps with a 143% increase.

The singer continues to make those who voted her best new artist at the MTV Video Music Awards (Sept. 13) look smart. She joins Christina Aguilera and Fergie as the only women this decade to collect four top 10s from a debut album.

This superstar track (176,000 downloads sold) from the upcoming LeBron James documentary "More Than a Game" is one of eight songs to launch in the top 10 this year. Three belong to Miley Cyrus/Hannah Montana.

The British singer previews her second album "Echo," due Nov. 17, with a No. 22 start on Hot Digital Songs (52,000) and airplay on 74 stations.

The New Jersey rockers make it 25 songs in 25 years of charting on the Hot 100. The first single from "The Circle," due Nov. 10, bullets at No. 18 on Adult Top 40.

The track's release to digital retailers Sept. 22 will send the song soaring on next week's Hot 100 and Hot Digital Songs charts.

BETWEEN THE BULLETS SWIFT MAKES CROSSOVER HISTORY

After becoming the first country artist to win an MTV Video Music Award, Taylor Swift continues her trailblazing ways, rising to No. 1 on Hot 100 Airplay. With an audience of 117 million, Swift's "You Belong With Me" edges the Black Eyed Peas' "I Gotta Feeling" by 25,000 impressions. Her song is the first country crossover track to top Hot 100 Airplay since the list began using Nielsen BDS data in December 1990. Among country artists who appeared on Hot 100 Airplay in that span, Shania Twain's "You're Still the One" (1998), Faith Hill's "Breathe" (2000) and Swift's "Love Story" (March) each climbed as high as No. 2.

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan, Greatest Gainer/Airplay and Greatest Gainer/Digital are awarded, respectively, for the largest digital sales and airplay increases on the chart. The longtime Gap Band frontman visits the Adult R&B Penthouse for the second time. His first, "Charlie Last Name Wilson," led the chart for six weeks in 2005.

Michele's Greatest Gainer honor on Adult R&B (23-17) ignites this increase of 2.3 million listener impressions.

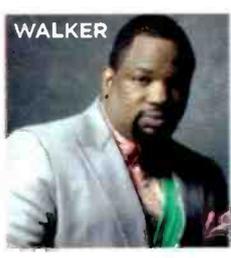

Of Birdman's 21 chart hits, 11 have co-starred or featured his Cash Money partner Lil Wayne.

With 26 debuts, Beyonce passes Ashanti for the third-most chart hits by a female in the 2000s just as another former Destiny's Child member (No. 98) earns her fourth appearance since leaving the group in 2000.

BETWEEN THE BULLETS 'TRUST' IN HEZEKIAH WALKER & LFC

Hezekiah Walker & LFC interrupt the 29-week reign of James Fortune & FIYA's "I Trust You" as "Souled Out" improves 2-1 on Hot Gospel Songs. Walker previously charted two top five singles: "Lift Him Up" (No. 3 in 2006) and "Faithful Is Our God" (No. 2 in 2007). Last month Fortune's single surpassed Marvin Sapp's "Never Would Have Made It" to set a chart record for the longest uninterrupted run at the summit. Sapp ultimately notched 46 weeks at No. 1 for the longest reign of any song in Nielsen SoundScan history.

1 The reggaeton kings notch their fourth No. 1 with a 50% audience gain to 12.9 million. The song marks the chart's largest leap to the top since Los Temerarios' "Si Tu Te Vas" vaulted 10-1 last July.

10 On Latin Pop Airplay, the song rises 2-1, certainly softening the blow of the singer's own "No Me Doy Por Vencido" dropping to No. 2 after a chart-record 28 weeks at the summit.

38 The song's audience (3.5 million, up 47%) derives entirely from 36 regional Mexican reporters. It's already in the top five (44 plays this week) at KXTS Santa Rosa, Calif.

Soulja Boy's (pictured) ascent into the top 10 is his first since "Crank That (Soulja Boy)" peaked at No. 3 in September 2007.

The Texas-based crew adds slightly more than 1 million audience impressions to earn its first top 10 on Top Rap Songs (13-10).

The second single from his upcoming sophomore set notches the highest Hot Shot Debut in nearly two months. The lead cut, meanwhile, holds at No. 4 for a third week.

Ginuwine's first single with Warner Bros. brings him back to the chart after three years. He's earned seven career top 10s, including two No. 1s.

Ray J's (pictured) weekly search for love on VH1 helps launch this single and a soundtrack available March 24.

BETWEEN THE BULLETS
KEYSHIA COLE GETS 10th TOP 10

Keyshia Cole becomes only the sixth female to earn at least 10 top 10s since 2000 on Hot R&B/Hip-Hop Songs as "You Complete Me" leaps 12-10. Cole joins an elite list that includes Beyoncé (14), Ashanti (13), Alicia Keys (11), Mary J. Blige (11) and Ciara (10). Among those, only Blige's chart history spans into the '90s. Her grand total includes 21 top 10s—the fourth-most for any woman since 1990.

By comparison, a dozen men have collected as many top 10s as Cole since 2000 with Ludacris leading all artists with 22.

The track, Foxx's (pictured) fourth No. 1 on Mainstream R&B/Hip-Hop, coasts 4-1 on that chart and earns the Greatest Gainer/Airplay award for a fifth consecutive week.

Up 6.8 million impressions, Ne-Yo is one of three artists whose song gains more than 3 million in audience. Foxx (No. 1) grows by 4.6 million; Soulja Boy Tell'em (No. 11) is up 5.8 million.

Yung L.A.'s (pictured) 33-week trek to the top 10 is tied for the second-longest journey in the chart's history. Only R. Kelly's "Step in the Name of Love" (36 weeks) has taken longer.

With songs at Nos. 2, 7 and 10 on Adult R&B, the singer equals his record for the most concurrent top 10 singles.

This is the highest debut of the three singles from Akon's "Freedom," with neither of the previous two managing to climb above No. 47. His last album fared better, scoring a pair of top 10 hits.

BETWEEN THE BULLETS T.I. RIDES TO THIRD RHYTHMIC NO. 1

T.I.

With the ascension of "Dead and Gone" to No. 1 on the Rhythmic chart, T.I. earns his third chart-topper—and all of them are from his album "Paper Trail." T.I. is only the third rapper, following 50 Cent and Lil Wayne, to land three Rhythmic No. 1s from one album.

Meanwhile, Justin Timberlake, T.I.'s "Dead" co-star, notches his first No. 1 either as a solo artist or with 'N Sync. With his former group, Timberlake reached No. 2 with "Bye Bye Bye" in 2000, while his solo best had been 2006's "My Love," which peaked at No. 3 and coincidentally featured T.I.

It's the act's 19th album to chart, but its first No. 1. The group had earlier gone as high as No. 2 with "Divinas" in 2005.

The CD/DVD package starts with slightly more than 4,000 copies and gives the group its 20th charting album in less than five years.

18 A month after the group's Humberto Garcia Hernandez died in a car accident, the act achieves its highest-charting album yet, with an album he co-produced.

BETWEEN THE BULLETS

KERI HILSON TAKES AIRPLAY CROWN

Keri Hilson rises to her first No. 1 on the Mainstream R&B/Hip-Hop airplay chart while featured artist Lil Wayne earns his sixth as "Turnin Me On" unseats "Diva" by Beyoncé after a lone week at the top.

This exchange at the chart's peak is the first between females since Ciara's "Promise" succeeded Beyoncé's "Irreplaceable" after nine weeks at No. 1 in January 2007. Lil Wayne, meanwhile, lands in a four-way tie with 50 Cent, Nelly and T.I. for the most chart-toppers by a rapper on the 15-year-old Mainstream R&B/Hip-Hop airplay tally.

—Raphael George

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data from a subset of retailers, are listed in the chart. Jeremih's 4 million impressions, Drake's debut single as a member of Young Money (7-5).

15 Lil Wayne's featured role on this track grants him his 22nd top 10 on Mainstream R&B/Hip-Hop (14-10), tying him with Ludacris for the most by a rapper in the chart's 15-year history. Only R. Kelly has more, with 26.

At 36 weeks, the Detroit native concludes the longest trip to the top 20 in the Nielsen era. The title is the third song this year to take 30 or more weeks to arrive in the top 20.

The season-two champ of "American Idol" scores his fourth consecutive top 10 on Top R&B/Hip-Hop Albums, while LaKisha Jones, a season-six finalist, bows at No. 47 on the same list. Studdard remains the only "Idol" alum to score No. 15 on R&B/Hip-Hop Albums and the Billboard 200.

BETWEEN THE BULLETS
PEAS' CHART MONOPOLY EXPANDS

The Black Eyed Peas' "Boom Boom Pow" becomes the fifth single this decade to simultaneously top the Billboard Hot 100, Mainstream Top 40, Hot Rap Songs and the Rhythmic airplay chart. On Hot Rap Songs, "Boom" is the act's first trip to the summit following three previous hits. Its former boss was the No. 10 peak of "My Humps" in 2005. The last artist to top those four charts concurrently was Flo Rida with "Low" in the Feb. 23, 2008, issue. 50 Cent's "In Da Club" and Nelly's "Hot in Herre" and "Dilemma" also managed the feat.

MAGIC JUAN BRINGS 'BABY' BACK

JUAN

Twenty-one years after reaching No. 1 on the Billboard Hot 100 (Jan. 14, 1978), Player's "Baby Come Back" returns to the charts in a new form: Magic Juan's tropical version. The Proyecto Uno alum reworked the tune with his signature merengue-rap style and now has "Baby Come Back" flying up the Tropical Airplay chart with a 23-8 jump (up 124% in audience). This marks his third solo chart appearance and his best since 2003's "La Ultima Vez" (No. 3, June 28, 2003). —Raully Ramirez

Hilson wins the Greatest Gainer/Airplay medal on Hot R&B/Hip-Hop Songs and the Billboard Hot 100 (17-14, up 13.5 million). Up 6.4 million on this chart, she is only the second artist to gain at least this many impressions this year.

At six weeks, this Lil Wayne-led crew has the fastest rise to the top 10 by a group since "Soldier" there in 2004.

Seven stations have put Twista's latest in top 10 rotation, including WHHH Indianapolis (73 spins), WPMX Chicago (55) and WPEG Charlotte (53).

With only one No. 1 single, "I Am... Sasha Fierce" has yet to match the record of Beyonce's previous albums, which earned two each. But this set has placed as many titles on the list as "Dangerously in Love" did (five); "B'Day" landed six on the chart.

JEREMIH CELEBRATES HIS 'BIRTHDAY'

Jeremih earns his first No. 1 on Mainstream R&B/Hip-Hop (5-1) and Hot R&B/Hip-Hop Songs (2-1) as "Birthday Sex" unseats "Blame It" by Jamie Foxx. Jeremih's four-position romp on the former chart is the largest for a new artist since Tweet's "Oops (Oh My)" shifted 6-1 in 2002; his 11-week trip on the latter is the quickest for a rookie since Young Jeezy's "Soul Survivor" (11 weeks) in 2005. "Blame It" led for 12 weeks on mainstream, the longest reign in that chart's history. Its 14 weeks at No. 1 on Hot R&B/Hip-Hop Songs was one week shy of tying the Nielsen SoundScan record for the most at No. 1.

BETWEEN THE BULLETS TROPICAL RETURN FOR LUIS ENRIQUE

After a nearly seven-year absence from Top Tropical Albums, Luis Enrique debuts at No. 9 with "Ciclos," his first studio album since 2002's "Transparente." In the interim, he had focused on songwriting for different genres and artists. "Ciclos" marks his return to salsa and features the hit single "Ya No Se Mañana," which continues to move up Tropical Airplay (3-2) and has crossed over onto Latin Pop Airplay, debuting at No. 40 this week.

The single smashes the record for most weeks at No. 1 atop Mainstream R&B/Hip-Hop, with T.I. The new mark falls one week shy of the old record's 10-year milestone, when TLC's "No Scrubs" notched its 11th week at No. 1 in the May 29, 1999, issue.

Kid Cudi scores his first Rhythmic No. 1 with the longest trip to the top by any single this decade (20 weeks).

The singer earns her second top 10 as a lead artist on this chart and also on Mainstream R&B/Hip-Hop (12-6) and Rhythmic (12-10).

This former No. 1 single hits the one-year milestone on the chart and shows its staying power with nearly 9 million impressions.

The track is R. Kelly's 78th to chart since his 1991 debut. Only Jay-Z, with 88, has had more appearances in that span.

CIARA GOES FOR THIRD 'RIDE'

With the debut of "Fantasy Ride," Ciara becomes the third female this decade to start her career with at least three top three albums on both the Billboard 200 (No. 3) and Top R&B/Hip-Hop Albums (No. 2). She joins Alicia Keys and Beyoncé who started with four and three No. 1s, respectively, on each chart. On the Billboard 200, "Fantasy" (81,000) follows 2004's "Goodies" (No. 3) and 2006's "Ciara: The Evolution" (No. 1). Both previous sets bowed at No. 1 on Top R&B/Hip-Hop Albums. Leading up to her debut, Ciara appeared on "Live With Regis and Kelly" (May 5), "105 & Park" (May 6) and "Saturday Night Live" (May 9). —Raphael George

BETWEEN THE BULLETS
IT'S A LONG ROAD TO THE TOP

A handful of acts have reached No. 1 on Hot Latin Songs this year for the first time after numerous attempts. This week, Tito "El Bambino" rises to No. 1 with "El Amor" (1.2 million in audience, up 10%) after eight previous chart hits. Aventura landed its first No. 1 this year with "Por Un Segundo" (Jan. 31) after seven tries. Banda El Recodo reached the top with "Te Presumo" (April 11) after a whopping 32 efforts, and Vicente Fernandez (Feb. 21) hit No. 1 with "El Ultimo BESO" after charting an astonishing 49 previous songs. —Raul Ramirez

This is Mario's 10th consecutive, and perhaps final, week as the runner-up behind Maxwell's "Pretty Wings." His lead over the upward-moving Jay-Z and friends at No. 3 is a slim 300,000 impressions.

The song posts the year's best audience increase (up 10.6 million impressions), surpassing the 10.1 million earned by Jamie Foxx's "Blame It" in February.

Houston's "Bill" seems to be settling into consistent airplay. With its surge of 2.1 million impressions last week and 1.5 million this week, the track has its best back-to-back audience gains.

Airplay from 27 new stations aids Zion's second straight 20-plus-position leap. In all, the track has 6.6 million impressions among all chart reporters.

The Paper's latest hit keeps growing outside of its Southern roots. Three of the song's top five stations are in Cincinnati, Chicago and Detroit.

Jay-Z's fourth No. 1 on Rhythmic Airplay is his first leader in six years. Guest artists Rihanna and Kanye West land their second and fifth chart-toppers, respectively.

With the song's climb on this chart and on Mainstream R&B/Hip-Hop (18-10) Drake (pictured) ties Keri Hilson on both charts for the most top 10s by a new artist this year, with three.

Wilson claims consecutive top 20 hits for the first time as a lead artist. His previous track, "There Goes My Baby," peaked at No. 15 in April.

A favorite of the indie R&B scene, the singer posts his first debut on this chart since 1994 and his first on Top R&B/Hip-Hop Albums with a bow at No. 84 for "Music Fan First."

Under the Dirty Money moniker for his next album, Diddy fronts a trio with Dawn Richard of Danity Kane and singer/songwriter Kalenna Harper. The group's album, "Last Train to Paris," will be Bad Boy's first release or Interscope.

Beyonce grants Columbia a third consecutive No. 1 at mainstream R&B/Hip-Hop (3-1) as she follows Jim Jones & Ron Browz's "Pop Champagne" and her own "Single Ladies (Put a Ring on It)." The label joins Arista and Interscope as the only imprints to three-peat in the 15-year history of the list.

The rapper's 31-week trek to the top 20 is the longest since the chart began using Nielsen SoundScan data in 1992. The single climbs to more than 15 million impressions.

Radio responds with increased airplay following the couple's pre-Grammy Awards duet-up.

The growth of Top Gospel's No. 1 single (26 weeks) at secular R&B stations spurs 'ortune's (pictured) debut on Top R&B/Hip-Hop Albums at No. 58. (See the full chart at billboard.biz/charts.)

The female rap duo owns the lowest Hot Shot Debut since 2003 while the chart lists only one new entry for the first time since the Jan. 5, 2008, issue.

BETWEEN THE BULLETS

JAMIE FOXX JUMPS TO NO. 1

Jamie Foxx earns his first chart-topper as a lead artist and third overall on Hot R&B/Hip-Hop Songs as "Blame It," featuring T-Pain, darts 6-1 for the largest vault to the summit in three years. His previous leaders were featured roles on singles involving Kanye West. Foxx and West were featured on Twista's "Slow Jamz" in 2004; Foxx appeared on West's "Gold Digger" in 2005.

Foxx's jump is the largest since Janet Jackson & Nelly also rocketed five positions with "Call On Me" in 2006. Foxx's album "Intuition" also earns the Greatest Gainer honor and is in its first week at No. 1 on Top R&B/Hip-Hop Albums. —Raphael George

The owner of last year's top title ("Te Quiero") returns to the top 20, spurred by a 12-6 vault on Tropical Airplay, viewable at billboard.biz/charts.

37 From her first No. 1 on Top Latin Albums, "Jenni," the song doubles its audience (3.8 million impressions) and soars 31-19 on Regional Mexican Airplay.

Both the band and its former lead singer prosper: The group debuts on this list, while Amaia Montero (pictured) charts her first solo entry, "Quiero Ser," on Latin Pop Airplay (No. 38).

After becoming the fifth artist in the Nielsen SoundScan era to earn at least 12 weeks on top, this is perhaps Beyoncé's final week at No. 1. The song is less than 1 million listener impressions ahead of Ne-Yo at No. 2 and less than 2 million in front of her own new single at No. 3.

With her second single as a lead artist, Hilson reaches the top 10 for the first time. "Energy" peaked at No. 21 in October.

He has earned five top 10s from his six chart hits. This latest entry climbs the ladder in nine weeks, his fastest journey to the region yet.

The single's increase of 4.7 million impressions is the chart's third-best behind Foxx at No. 5 (10 million) and Hilson at No. 7 (5.4 million). The song earns the Greatest Gainer on Hot Rap songs (up 7 million, 21-12).

An unauthorized single by Rihanna and her beau leaks and debuts with 1.5 million-plus impressions. A version of the song by the Pussycat Dolls appears on the upcoming "Confessions of a Shopaholic" soundtrack.

As "Vencido" becomes one of just five tracks in the chart's 22-year history to spend at least 19 weeks on top, Fonsi's follow-up flies 15 spots (4.8 million impressions, up 46%).

The act notches its seventh No. 1 on Regional Mexican Airplay, at billboard.biz/charts. It first reigned with "Adorable Mentirosa" 10 years ago this month.

The bow from the Monaco- and Latin America-based DJs, respectively, is fueled by a 39-22 vault on Latin Pop Airplay.

It's familiar territory for Ne-Yo, who has now parked five singles in the runner-up position. Only "Miss Independent" went the extra step to become his lone chart-topper.

Jones (pictured) and newcomer Ron Browz celebrate their first No. 1s on Mainstream R&B/Hip-Hop. Jones' last appearance, "We Fly High," peaked at No. 4 on that list in 2006.

This single awards the multitasking Foxx Greatest Gainer nods on this chart (up 6 million impressions) and on Mainstream R&B/Hip-Hop (37-26, up 621 plays).

The rapper stomps to a career peak as a lead performer. His overall best showing remains his featured role on Beyoncé's "Check On It," which hit No. 3 in 2006.

The song is the second bow from Ciara's upcoming third album, "Fantasy Ride." The first offering, "Go Girl" featuring T-Pain, topped out at No. 26 in October.

BETWEEN THE BULLETS
DIVA DOMINANCE ON R&B ALBUMS

With the debut of "The Ballads" at No. 7 on Top R&B/Hip-Hop Albums, Mariah Carey earns her 13th top 10 set. The entry pushes her past fellow iccm Mary J. Blige, who owns 12 top 10s of her own. Carey's total puts her in fourth place for the most top 10 albums among all solo women in the chart's history. Since the tally's 1965 debut, Aretba Franklin has earned 31 top 10s, followed by Diana Ross (15) and Dionne Warwick (14). Franklin scored her most recent top 10 when "Jewels in the Crown: Duets With the Queen" entered at No. 7 in 2007. —Raphael George

The duo notches its 12th top 10, the most among all acts since the pair's first week in the top tier in June 2005. Daddy Yankee ranks second in that span with eight top 10s.

The track begins with an audience of 3.5 million and roars 25-18 on Latin Pop Airplay, viewable at billboard.biz/charts.

Fonsi follows up his 18-week No. 1 "No Me Doy Por Vencido" with his 20th chart entry, which already ranks as the week's most-played song at WYXX San Juan, Puerto Rico (51 plays).

The late Puerto Rican songwriter charts for the first time with his own album. Unsurprisingly, 98% of the set's sales came from Puerto Rico and the Virgin Islands.

This is the first in a series of albums due this year celebrating Fonovisa's 25th anniversary. This one boasts 25 tracks by such artists as Jenni Rivera (pictured).

All but nine titles on the 75-position chart gain (including Xtreme), thanks to big business at mass merchants and the closing of Circuit City.

West earns his eighth top 10 on this list and his first No. 1 on the Rhythmic chart since "Gold Digger" in 2005.

Hilson hits a career-best peak with her seventh chart appearance, surpassing her last single, "Energy" which reached No. 21 in October.

Hudson will sing the national anthem Feb. 1 at the Super Bowl in what will be her first performance since her family tragedy last October. Her debut set jumps 48% on R&B/Hip-Hop Albums (24-16).

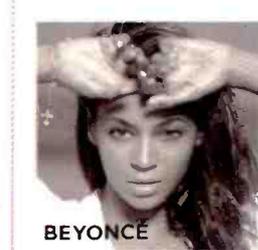

With 30 chart hits, no artist has more appearances since 2005, when T-Pain's career began. This collaboration also scores his best debut as a lead artist.

She is the second artist since the start of 2008 to enter this chart while atop the Billboard Hot 100. "Bleeding Love" by Leona Lewis debuted in the May 10 issue while notching its third week at No. 1 on the Hot 100.

BETWEEN THE BULLETS

BEYONCÉ'S LEADING 'LADIES' LINGERS

BEYONCÉ

Beyoncé equals the longest reign by a woman on the Mainstream R&B/Hip-Hop airplay chart as "Single Ladies (Put a Ring on It)" rules the chart for the ninth week. She shares the honor with Ashanti's "Foolish" from 2002 and Mariah Carey's "We Belong Together" from 2005. Of all acts on the 15-year-old chart, TLC holds the record with the 11-week winner "No Scrubs" from 1999.

Beyoncé also streaks upward with her next single, "Diva," which grants her concurrent top 10s for the first time on Mainstream (21-10) and Hot R&B/Hip-Hop Songs (14-7).

6 After three straight weeks at No. 7, Jones and Browz climb with the second-best gain in the top 10 (up 3.3 million impressions).

Up 5 million impressions, West has the largest increase of any single in the last five weeks. He also earns Greatest Gainer stripes at No. 2 on Hot Rap Songs with a boost of 9 million.

With a No. 1 single among her two top 10s, the Grammy Award-nominated Sullivan is on her way to another big hit (up 2.3 million impressions).

His latest single also debuts at No. 32 on Adult R&B. It is his seventh appearance on that chart since 2007, the most by a male in that span.

66 It's the second pairing for the two superstars. T.I. collaborated on Timberlake's No. 2-peaking "My Love" in 2006.

BETWEEN THE BULLETS
DOUBLE TOP 10 HITS FOR NE-YO

For the first time in his career Ne-Yo logs simultaneous top 10s as a lead artist on Hot R&B/Hip-Hop Songs as "She Got Her Own" moves 12-10 to join former chart-topper "Miss Independent" at No. 4. Overall on this chart he has claimed nine top 10s including "She," which also jets 14-9 on Mainstream R&B/Hip-Hop to grant him his ninth top 10 on that listing as well. Ne-Yo did have double top 10s on Hot R&B/Hip-Hop Songs when his own single "Do You" shared space in the upper region with his featured performance on Fabolous' "Make Me Better" in 2007.

The song makes a lofty re-entry on Tropical Airplay at No. 8 (up 310% in audience), thanks in part to a jump in plays (12 to 32) at WSKQ New York.

The track becomes Omar's third No. 1 on Latin Rhythm Airplay and first since "Angelito" in June 2006 (see chart page 36).

It's not the first time Spears has charted here: "Oops!... I Did It Again" reached No. 39 in 2000. Her current hit rises at Latin Pop (No. 29) and debuts on Latin Rhythm Airplay (No. 30).

Residing at Nos. 1 and 3 this week, he is the first artist to occupy two slots in the top three since the late Valentin Elizalde did so on the March 17, 2007, chart.

The effort hangs out at No. 1 on Top Tropical Albums for an amazing 48th week. Still, two other albums have sat longer atop the list: Gloria Estefan's "Mi Tierra" (94 weeks) and "Abriendo Puertas" (52).

As the title track from this set zooms to a new peak on Hot Latin Songs (No. 25), the album vaults with an 17% gain.

1 This becomes her most successful single at Mainstream R&B/Hip-Hop as it notches a seventh week atop that list. "Irreplaceable" ruled for six frames beginning in December 2006.

The song's push with Greatest Gainer stripes at Adult R&B helps Usher reclaim No. 1 for a sixth week after falling to the runner-up slot in the last issue.

The single has been in a free fall since peaking at No. 20 in November but regains momentum with an increase of 3 million impressions.

This is the rapper's third straight year-end retrospective to make the list, a tradition he began with "01 Rap Up." It's also the highest debut of his 14-year charting career.

78 The group breaks its own record for most weekly spins at Hot Gospel Songs with 1,299 detections in its 21st week at No. 1. The sum surpasses the 1,296 spins registered in the Dec. 13 issue.

BETWEEN THE BULLETS 'ONE MORE' TOP 10 FOR LUDACRIS

LUDACRIS

Ludacris moves into sole possession of second place for most top 10 hits on the Mainstream R&B/Hip-Hop airplay chart as "One More Drink" becomes his 22nd to reach the top 10. Second only to R. Kelly's 26 top 10s, the rapper was tied with Mary J. Blige, who outpaces all females with 21. Her closest competitor is Ashanti with 14. Meanwhile, T-Pain—the featured artist on "Drink"—is tied with Usher (17 top 10s). However, with all of T-Pain's top 10s coming since his career began in 2005, no other artist has accumulated this many so quickly since the chart's establishment in 1993.

46 The act's 40th entry follows the No. 1 "Si Tu Vas" and No. 5 "Sin Que Lo Sepas Tu," the first back-to-back top fives in the group's 18-year chart history.

50 The track starts with 3 million in audience at 20 reporters. It also bullets at No. 23 on Latin Pop Airplay, viewable at billboard.biz/charts.

44 An 11% decline in sales is the smallest on the chart, as all the titles slip this week. It thus earns the Pacesetter award.

44 It's the first Billboard chart entry for the act, which is bubbling under the Regional Mexican Airplay chart with the set's title track.

44 Fanny Lu's (above) "Dos," released Dec. 16, makes a belated entry on Latin Pop Albums at No. 17 this week. It just misses the bottom of Top Latin Albums by a handful of units.

While the song suffers the greatest loss in audience of any track (2.3 million), Usher still earns his 158th overall week in the top five. That's the most time spent in that area for any artist in the Nielsen Music era.

Philly's Musiq Soulchild claims his fifth No. 1 on Adult R&B and breaks a tie with Luther Vandross for the most chart-toppers by a male in the 2000s.

The chart begins to rebound after its customary holiday season slowdown and Beyoncé's third single benefits the most with an audience increase of almost 4 million.

Signed to Young Jeezy's label, the Arlington, Texas, quietest begins to enjoy nationwide attention with its home-grown hit. It reaches 3.3 million impressions on this chart and debuts at No. 25 on Top Rap Songs.

Izibor has four stations boasting top 10 rankings, including WHUR Washington, D.C. In all, her single tops 2.5 million impressions, with a gain of more than 1 million.

BETWEEN THE BULLETS
GOSPEL'S GOOD FORTUNES

James Fortune & FIYA's "I Trust You" becomes only the third single to debut on Hot R&B/Hip-Hop Songs while concurrently residing at No. 1 on Hot Gospel Songs. "Trust" bows at No. 76 on R&B/Hip-Hop while it spends its 20th week atop the Gospel list.

Previously, Marvin Sapp's "Never Would Have Made It" did it one year ago this week, while Mary Mary's "Heaven" managed the feat in 2005. "Never" eventually peaked at No. 14 on R&B/Hip-Hop Songs while "Heaven" hit No. 74.

After sliding from the top 10, Ne-Yo's (pictured) song rebounds with an increase of 1.7 million impressions for the second-best gain in the top 10.

With "Deeper Than Rap" slated for release April 27, Ross (pictured) nets his fourth top 10 on this chart and his sixth on Mainstream R&B/Hip-Hop (11-9).

At 37 weeks Hamilton's (pictured) single reaches a new peak. It's newfound momentum is buoyed by top 10 airplay at 48 stations, including WHOT Miami (No. 1) and WRKS New York (No. 2).

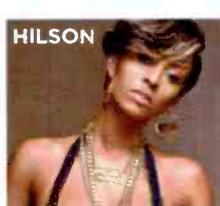

Saadik's (pictured) performance on Steve Harvey's syndicated morning show (March 27) propels the single and the album, which is up 85% on Top R&B/Hip-Hop Albums (33-32).

The "Making the Band" quintet returns with the lead single from its second album, due April 14. The act's debut set bowed at No. 1 on the Billboard 200 in April 2008.

BETWEEN THE BULLETS HILSON'S ON TOP OF THE 'WORLD'

Following an early debut, the result of street-date-violation sales, Keri Hilson soars to her first No. 1 on Top R&B/Hip-Hop Albums as "In a Perfect World" climbs 94-1. The release also charts at No. 4 on the Billboard 200 with 94,000. With that tally Hilson is second to The-Dream—whose "Love vs Money" did 151,000 two weeks ago—as the best debut sales week for an R&B/hip-hop set since the 2008 holidays. On the radio, "Turnin' Me On," the third single from "World," was Hilson's first chart-topper on Mainstream R&B/Hip-Hop in February. It remains anchored at No. 2 for a seventh week on Hot R&B/Hip-Hop Songs. —Raphael George

1 The reggaeton star skyrockets with the only title to appear on all four component airplay tallies, viewable at billboard.biz/charts.

The act follows its first three top 10s with the year's highest debut. It's the best since Aventura's "Por Un Segundo" (No. 3 this week) opened at No. 29 in November.

Entrances on the Latin Rhythm (No. 24) and Latin Pop (No. 37) airplay lists spur the song's bow on this chart with 2.8 million in audience. Her prior smash, "Just Dance," reached No. 35.

This song surpasses the No. 20 peak of last year's inaugural single "Did You Wrong." His debut album, "The Introduction to Marcus Cooper," is slated for a June release.

Ross has one of only six rap songs in this chart's top 20. He also celebrates his fastest flight to the top 10 on Hot Rap Songs at four weeks (16-9).

His set climbs 16-9 on Top Rap Albums, surpassing last month's No. 10 debut and peak.

Fortune grows as his album "The Transformation" zooms 32-24 (up 29%) on Top R&B/Hip-Hop Albums.

With its ascent to this point linked to the independent label Fool's Gold, expect the single to continue its climb as Universal Motown picks up promotional duties.

2 The group's former No. 1 rebounds with a 28% increase, fueled in part by a spike from 30 to 53 plays in the tracking week at WSKQ New York.

The Madrid-based act notches its second top 10; "Algo Mas" peaked at No. 3 in June 2005. Its current hit gains 16% to an audience of 8.7 million.

The owner of 28 charted titles nets his first trio of consecutive top 20 tracks since 2003. "Quiero" reached No. 12 last winter and "Como Duele" No. 2 in December.

Aided by a remix featuring Ne-Yo, the song is No. 1 at three mainstream R&B/hip-hop stations, including WPHI Philadelphia and KBFB Dallas, where airplay reached 109 and 102 spins, respectively.

The song maintains sufficient airplay to remain in the top 20. Its current position is the highest rank for a song at 52 weeks since R. Kelly's "Step in the Name of Love" hit No. 13 in February 2004.

After earning her first debut on Hot Gospel Songs two weeks ago, Houston continues to cross formats with her first appearance on a Billboard jazz chart. Her album's title track enters Smooth Jazz Songs at No. 25.

Up 1.8 million in its 89th chart week, the song reaches a new peak with its best single-week audience increase.

93
The track will appear on 50 Cent's "Before I Self Destruct," which is now slated for Nov. 17, nearly a year from its original street date.

BETWEEN THE BULLETS
UNDER THE COVERS WITH MARIAH

Mariah Carey reaches back for her latest debut as "I Want to Know What Love Is" bows at No. 64 on Hot R&B/Hip-Hop Songs. The song was originally recorded by Foreigner and peaked at No. 85 on this chart and spent two weeks at No. 1 on the Billboard Hot 100 in 1985.

This isn't Carey's first cover to hit the chart. She peaked at No. 11 with the Jackson 5's "I'll Be There" in 1992, reached No. 7 with the Lionel Richie/Diana Ross duet "Endless Love" in 1994 and peaked at No. 3 with Brenda K. Starr's "I Still Believe" in 1999.

Jay-Z (pictured) plows upward to land his 21st top 10 and his first since duet-starring on Rihanna's "Umbrella" in 2007. For Rihanna, it's her fourth top 10; for Kanye West, his 10th.

Dorrough is the second new artist this year, and third overall, to reach the top 10 in 22 weeks or more. Chart newcomer Yung L.A. ended his journey to the region after 33 weeks in March.

The song's debut at No. 40 on the Rhythmic list extends R. Kelly's chart-leading record to 42 appearances.

Babyface's younger brother grabs his first chart ink since 2000 as he introduces his second solo album, "Who Knew," due Oct. 13.

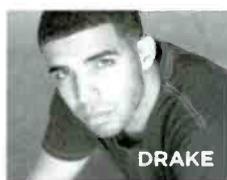

The singer leads an all-star tribute album to Maze featuring Frankie Beverly with a cover of the group's No. 1 single from 1989.

BETWEEN THE BULLETS

DRAKE'S 'BEST' CONTINUES TO BLAZE

With 13 weeks atop Hot Rap Songs, Drake's "Best I Ever Had" breaks the record for the most weeks at No. 1 by a debut single this decade. The song replaces Terror Squad's introductory track, "Lean Back," that spent 12 weeks leading the chart from August through October 2004. "Best" is now one week shy of equaling the decade's longest-reigning No. 1s, "Always on Time" by Ja Rule and "Lollipop" by Lil Wayne, each with 14 weeks.

On the Rhythmic chart, Drake's eight-week stay at No. 1 is two short of tying Nelly's "Hot S**t) Country Grammar" (10 weeks) for the most chart-topping weeks by a debut track since 2000. —Raphael George

Fabulous posts his first top 10 as a lead artist since the No. 2-peaking "Make Me Better" two years ago. At No. 80, he lands the Hot Shot Debut with his 30th charted title.

The lead single from "Memoirs of an imperfect Angel," due Sept. 29, returns to its highest ranking on this chart and on the Billboard Hot 100 (No. 11). It debuts on Hot R&B/Hip-Hop Singles Sales (viewable at billboard.biz/charts) at No. 3.

The song (15 million audience impressions, up 49%) matches Gucci Mane's best rank as a lead artist, equaling the peak of "Freaky Gurl" in 2007. He's also on the chart as a featured artist, at Nos. 2, 28, 77 and 96.

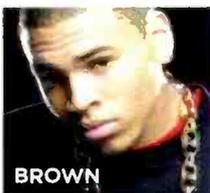

The Kingston, Jamaica, native follows the No. 53-peaking title cut to his forthcoming album, "No Games." He will play WOH! New York's On Da Reggae Tip show Sept. 4.

LEAK BRINGS BROWN BACK TO CHART

BROWN

Chris Brown debuts on Hot R&B/Hip-Hop Songs as a lead artist for the first time since July 2008, as "Changed Man" starts at No. 99. The song leaked online Aug. 13, setting off speculation as to whether it will be the first single from his upcoming album, "Graffiti." A representative for Brown says "Man" was made "a long time ago" but couldn't confirm whether it was recorded after Brown assaulted Rihanna in February. "Man" arrives with an audience of 1.1 million, led by 332,000 impressions at WJPR (Power 105.1) New York. Brown also bows as a featured artist on newcomer Ester Dean's "Drop It Low" at No. 88. —Gary Trust

The song moves 4-2 on Adult R&B, a new career peak on that list for the singer. In 2003, "Differences" spent two weeks at No. 3.

The rapper is the seventh new artist to reach the top 10 of Mainstream R&B/Hip-Hop this year (11-9). Fellow rookies Drake (No. 1) and Young Money (No. 4) still reside in the upper quarter of the chart.

Vaulting 20-9 on Hot Rap Songs, Jay-Z has now had three singles jump at least 11 places into the top 10. His "Show Me What You Got" (18-6 in 2006) shares the record for the chart's largest leap into the top 10 with 50 Cent's "Disco Inferno" (17-5 in 2004).

The album version of this song includes only the Dream as a featured artist, but a remix with added vocals from Drake and Kanye West prompts its chart climb. It is the fourth time Foxx (pictured) and West have appeared on the same track.

BETWEEN THE BULLETS
LONG TIME COMING FOR MAXWELL

A decade after Maxwell earned his first No. 1 on Hot R&B/Hip-Hop Songs, "Pretty Wings" rises 2-1 and sets a record for the longest gap between chart-toppers during the Nielsen Soundscan era (1992-present). Maxwell last dominated the chart for eight weeks with "Fortunate" in 1998, and he last appeared on the chart in 2002. Maxwell's gap between No. 1s eclipses the mark previously held by Aaliyah, who went seven years between "If Your Girl Only Knew" in 1996 and her posthumous reign in 2003 with "Miss You."

With holiday titles entering radio rotation in lieu of current fare, particularly at adult R&B, Fiona's audience increase of 2.8 million impressions is the smallest for a Greatest Gainer winner all year.

Stone's single re-enters the same week her album debuts at No. 17 on Top R&B/Hip-Hop Albums with 10,000.

Snoop has placed at least two debuts on the chart each year since 1998. In total he owns 57 appearances, the third-most by a rapper after Jay-Z (93) and Lil Wayne (64).

Keys goes solo on this version of the former No. 1 single. The track is exclusive to the special edition of "The Element of Freedom," due Dec. 15.

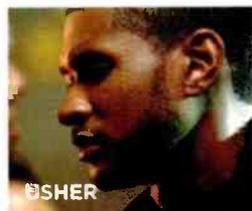

Foxx wastes little time making his chart return. One month after his monster smash "Blame It" left the list—moving to recurrent status—he debuts with the leadoff single from his next album, due in first-quarter 2010.

Usher claims his second top 40 on Adult R&B as the track lifts 1-8. The singer spent seven weeks at No. 1 earlier this year with his last single, "Here I Stand."

This is the singer's first set of back-to-back visits to the top five. Previous entry "Pretty Wings" (No. 5) spent 14 weeks at No. 1.

The duo earns the highest rank for a song that has spent 52 weeks on a chart in the Nielsen SoundScan era (since '99). The former record holder, R. Kelly's "Step in the Name of Love" was No. 11 after a year on this list.

Buoyed by a gain of 4.4 million listener impressions in her second chart week, Rihanna makes her fastest climb to the top 20. Meanwhile, at No. 28, Jaheim scores his steepest ascent to the top 30 as a lead artist.

Up 1.6 million listener impressions, the rap crew co-starring Drake bolts 21 positions. It's the third-most-played track at WPMX Chicago (5+ spins).

BETWEEN THE BULLETS
BLIGE BEGINS 'STRONGER' JOURNEY

Mary J. Blige primes her ninth studio album with the debut of "I Am" at No. 46 on Hot R&B/Hip-Hop Songs. As the lead single from "Stronger," due Dec. 22, the song earns more than 5 million in audience and grants Blige her best start since 2007. While it's a lofty beginning for Blige, she's no stranger to high debuts. Since her first single in 1992, "I Am" ranks as her 17th top 50 bow as a lead artist, the most by a female. Overall this is her 59th appearance, second only to Aretha Franklin (99) among females.

Featured on this track, Lil Wayne ties Mariah Carey and Mary J. Blige for fourth-most top 10s (4) since the Nielsen BDS and SoundScan era began in December 1992.

18 The ballad rises 12-9 on Adult R&B, where it is Jackson's fifth top 10 and first since "Butterflies" spent five weeks at No. 1 in 2002.

41 R&B/hip-hop radio is more accepting of the second single from "Rated R," which bests the No. 62 bow of "Russian Roulette" (49-56) as Rihanna's highest solo debut on which she's the sole lead artist.

58 The singer's fans may be surprised that this track is housed on a year-old reggae compilation released by VP Records and not her debut album, which is available as of this week at brick-and-mortar retailers. Her set had been exclusive to iTunes since last month.

85 Timbaland primes "Shock Value II" with this cut featuring Drake. Due Dec. 8, the album also boasts appearances by Justin Timberlake, Nelly Furtado, Katy Perry and Miley Cyrus.

BETWEEN THE BULLETS

JAY-Z HITS HOME WITH 'EMPIRE'

Fueled by airplay that followed the World Series' Nov. 4 finale, Jay-Z's "Empire State of Mind" becomes his eighth No. 1 on Hot R&B/Hip-Hop Songs and the tally's 200th chart-topper since the chart began using Nielsen SoundScan data on Dec. 3, 1992. The track, which became the New York Yankees' theme song during the Series, gathered 6.2 million impressions the day after the team's victory, an increase of more than 1 million from the day before. It trailed Usher's "Papers" in the days that followed but the surge was enough for the track to reach the summit when the chart period ended. The track extends Jay-Z's lead for the most No. 1s by a rapper. —Raphael George

LeToya becomes the only female to score a pair of top 10s for Capitol Records since Billboard began using Nielsen SoundScan data in December 1992. Her debut single, "I'm," peaked at No. 2 in 2006.

More than half of the track's 2 million audience spike came from WWPR, which ramped up airplay with 31 spins. The station's total contribution is roughly 25% of the song's 7.5 million impressions.

Powered by 20 new stations' airplay and 3.6 million in new listener impressions, Gucci Mane makes the chart's biggest leap and his fastest climb to the top 40.

The lead single from his forthcoming album propels the New Jersey native to a career debut and the fourth best by a male artist this year.

The California rap duo vaults to its best weekly audience increase (up 36%) after it was announced as the opening act for Chris Brown's 18-city North American tour.

BETWEEN THE BULLETS
MAXWELL'S 'PRETTY' AMAZING FEAT

Since Billboard published its first all-encompassing R&B singles chart on Oct. 20, 1958, "Pretty Wings" by Maxwell becomes just the fifth song to spend at least 14 weeks at No. 1 on Hot R&B/Hip-Hop Songs. It's also the second to do so this year, following Jamie Foxx's "Blame It." Of the five that have done at least 14 weeks at No. 1, Mary J. Blige's "Be Without You" (2006) leads with 15 weeks. Maxwell also becomes the first male artist to log 50 career weeks at No. 1 on Adult R&B. Currently at the summit for a fifth week with his fourth No. 1 "Bad Habits," the singer trails only Alicia Keys, who has 65 weeks.

The track is Gucci Mane's first No. 1 as a lead artist and Warner Bros.' first chart-topper in a dozen years on a mainstream R&B/Hip-Hop. The rapper was recently featured on Mario's "Break Up," which reigned for six weeks.

10 The pair swaps top 10 tracks and lead vocal credit as this time replaces "Successful" (10-15) in the upper tier. The track is Songz' sixth top 10 and Drake's fourth.

19 For the first time in his career, Birdman has consecutive top 20 singles as a lead artist. He previously peaked at No. 10 with "Always Strapped," featuring Lil Wayne, in June.

Available exclusively on iTunes, "The Bridge" debuts at No. 128 on the Billboard 200 and at No. 4 on Beatseekers Albums. The set will make a sizable gain when the physical version is re-released Nov. 10.

The much-talked-about lead single from "Rated R" enters this chart as Rihanna's highest solo debut. It also starts at No. 100 on the Billboard Hot 100 with 21 million in audience.

BETWEEN THE BULLETS USHER GRABS 18th TOP 10

Earning the Greatest Gainer/Airplay honor with an increase of 4 million impressions in its fourth week on Hot R&B/Hip-Hop Songs, "Papers" rockets 12-5 to give Usher his 18th top 10 on the chart. The song's speedy ascent ties his fastest-rising top 10 as a lead artist this decade. His overall chart résumé includes three top 10 debuts in the '90s, including "Nice & Slow," which was the last song to bow at No. 1 in 1998.

"Papers" also climbs 14-10 as the Greatest Gainer on Mainstream R&B/Hip-Hop. It's his 13th top 10 on that chart and his 14th since 2000.

COLUMBIA

This is Columbia's second straight 12-week chart-topper. Beyoncé also logged a dozen weeks with "Single Ladies (Put a Ring on It)" from November to February.

Eminem earns a new career peak on this list as one of three featured stars on Drake's single. His former high was the No. 4-peaking "Lose Yourself" from 2002.

Since Hot Gospel Songs launched in 2005, nine No. 1s from that chart have debuted on Hot R&B/Hip-Hop Songs. But BeBe & CeCe Winans and Mary Mary (No. 6) are the first current or former chart-toppers to occupy this chart's top 30 in the same week.

Soaring onto Adult R&B at No. 16 with the Greatest Gainer trophy, this track is Jackson's best debut and the chart's third-highest of the year.

With this debut, Carey becomes one of only five women to reach 50 career chart hits. She joins Aretha Franklin (98), Mary J. Blige (58), Diana Ross (51) and Dionne Warwick (50).

BETWEEN THE BULLETS

JAY-Z NOTCHES 22nd TOP 10 HIT

R&B/Hip-Hop, becoming his fifth No. 1 on that chart but first as a lead artist.

Jay-Z's "Empire State of Mind" rises 11-8 on Hot R&B/Hip-Hop Songs to become his 22nd top 10, tying Ludacris for the most top 10s by a rapper. While each is a far cry from equaling James Brown, the chart's all-time leader with 58 top 10s, they're second only to R. Kelly (32 top 10s) since the chart began using Nielsen SoundScan data in December 1992. "Empire" gives Jay-Z his first pair of back-to-back top 10s since 2003-04, after "Run This Town" (No. 4) entered that part of the chart in September. "Run" also rises 2-1 on Mainstream R&B/Hip-Hop, becoming his fifth No. 1 on that chart but first as a lead artist.

BETWEEN THE BULLETS

'BLAME IT' ENDURES AT NO. 1

Jamie Foxx's "Blame It" extends its reign to 12 weeks atop Hot R&B/Hip-Hop Songs. The song becomes the longest-running No. 1 by a male artist since F. Kelly rang up a dozen frames with "Bump N' Grind" in 1994. This is also the first time two consecutive singles have collected this many weeks at the chart's peak. Foxx's single succeeded Beyoncé's "Single Ladies (Put a Ring on It)" after its 12-week run ended in February. Meanwhile, Foxx's 10 weeks atop the Mainstream R&B/Hip-Hop radio airplay tally is one week away from equaling the record 11-week run by TLC's "No Scrubs."

Lil' Kim's chart-toppers on Hot Rap Songs have amassed 40 weeks at No. 1, moving him into third place on the all-time list. He trails 50 Cent (45 weeks) and Ja Rule (42) for most frames spent on top.

Kid Cudi completes the fastest trek to the top 10 of Mainstream R&B/Hip-Hop (13-9) by a new male artist in four years.

27

K'Jon scores his first Adult R&B top 10 at nine weeks (11-7), making it the fastest journey to the region by a new male artist since Remy Shaad with "Take a Message" (eight weeks) in March 2002.

Saadiq scores his highest rank since "Get Involved" peaked at No. 2 in 1999. Meanwhile his current set lifts 37-52 (up 14%) on Top R&B/Hip-Hop Albums.

Following Marvin Sapp's "Never Would Have Made It" and James Fortune's "I Trust You," Walker has the third straight reigning Hot Gospel Song. No. 1 to debut on this list.

BETWEEN THE BULLETS

LADIES LOOKING FOR HITS

Jennifer Hudson scores a top 10 as "If This Isn't Love" moves 11-10 on Hot R&B/Hip-Hop Songs. With Keri Hilson at No. 3, female artists have two singles in the top 10, which since the start of last year has been virtually void of women. In the April 4 issue, four women occupied the top 10 as lead artists, the most since the Sept. 20 survey. They have, however, done better reaching the chart's top rung. Of the 13 chart-toppers since 2008, seven have been by women.

BETWEEN THE BULLETS
ALEXANDER ACHA SCORES FIRST TOP 10

Profiled as one of Billboard's "Faces to Watch" this year (Jan. 24), Alexander Acha continues to prove our prognostication, as "Te Amo" rises 14-10 on Latin Pop Airplay to become his first top 10 on any Billboard chart. The first single from Acha's debut album, "Voy," also advances 28-24 (5 million in audience, up 9%) on Hot Latin Songs. Acha adds to his family's legacy of chart success. His father, veteran pop star Emmanuel, has notched 24 hits on Hot Latin Songs.

With another single at No. 4, Soulja Boy Tell'em has concurrent top 10s for the first time. He also collects Greatest Gainer honors on Mainstream R&B/Hip-Hop (14-10).

Pleasure P earns his first solo top 10, outshining his first single, "Did You Wrong," which peaked at No. 20 in November.

Kid Cudi (eight weeks) and Beyoncé (No. 20, six weeks) have the only singles under 10 frames in the top 20. Cudi ascends with an improvement of at least 4 million in audience for a second straight frame.

Debut track from Lil Kim's upcoming fifth studio album grants her first appearance as a lead artist since 2005, and highest start, also as a lead, since 2003.

Teena Marie nets her 26th chart appearance. Among her career highlights are six top 10s, including a No. 1 single with "Ooh La La" in 1988. Her new album, the first on the revived Stax label, is due later this year.

BETWEEN THE BULLETS JADAKISS TOPS ALBUMS CHART

Jadakiss is the first rapper to lead Top R&B/Hip-Hop Albums in 2009 as his third set, "The Last Kiss," debuts at No. 1. While the soundtrack to "Notorious" was the first rap album to top the chart this year (Jan. 31), "Kiss" is the only album by a rap artist to reach the summit since T.I.'s "Paper Trail" last November. In that span, 11 different R&B albums have held the pole, including "808s & Heartbreak" from Kanye West. Though all of his prior releases were considered rap, West's latest set mostly contains sung tracks and thus does not qualify as a rap album.

LATIN COVERAGE EXPANDS
Welcome to the redesigned Latin charts page, featuring more sales data and expanded commentary. We have returned to print charts for all four format genres—regional Mexican, Latin pop, tropical and Latin rhythm—rotating album and song tallies week to week. All charts can be viewed in full at billboard.biz/charts. We have also adjusted the recurrent rules on the Latin airplay charts to remove descending titles after 20 weeks if they rank below the top 20. Previously, titles were required to rank below No. 20 on both those audience-based lists and their corresponding unpublished plays-based surveys.

Atop the chart for a ninth straight frame, the title also takes the lead on Rhythmic Airplay, marking the actor/singer's third chart-topper on that list and his first as a lead artist.

The Philadelphia native scores his eighth top 10 as an increase of more than 2 million impressions spurs a 14-9 jump.

The track also vaults 12-8 and wins the Greatest Gainer award on Hot Rap Songs. With his prior single at No. 5, the teenager is one of two artists, along with Ne-Yo, with two songs in the top 15.

A 49% gain in audience impressions is fueled by double-digit spin increases in Atlanta, Dallas, Philadelphia and Washington, D.C. At just seven weeks, the song is the youngest title in the top 20.

This marks the best chart showing in three tries for the Dallas native. Airplay on home-town outlets KKDA and KBFB, as well as KMEI San Francisco, leads to a 74% climb in audience.

BETWEEN THE BULLETS BOW WOW'S LUCKY SEVEN

Bow Wow becomes the first artist to earn top five debuts with his first seven appearances on Top R&B/Hip-Hop Albums since the chart began using Nielsen SoundScan data in 1992 as "New Jack City II" opens at No. 5. Bow Wow's streak began in October 2000, when he was known as Lil Bow Wow and his album "Beware of Dog" started at No. 3. The feat is especially notable since many albums start at a lower rung due to street-date-violation sales. Bow Wow joins Levert, Ludacris and Snoop Dogg as acts with seven top five albums overall this decade, led by Jay-Z's 10 and R. Kelly's eight.

—Anthony Colombo

The artist ascends to his first No. 1 (6-1) in his 14th appearance on Latin Rhythm Airplay. He'd risen as high as No. 2 with "Caile" in 2006.

47 With his first chart entry in two years, the singer nets some positive ink and a welcome reprieve from recent sordid accusations of public indecency.

The group collects its 24th charted title spanning to its first in 1990. On Top Latin Albums, its parent set "Mi Complemento" debuts at No. 18 (2,000 copies).

It's the best chart rank for the duo, which also starts at No. 2 on Latin Rhythm Albums, behind Tito "El Bambino."

14 The all-star album includes such guest stars as Juanes, David Bisbal, Rocio Durrzal, Miguel Bosé and Vicente Fernandez.

It's likely that interest generated by the 14th anniversary of Selena's death (March 31) triggers a 51% gain in overall album sales for the singer. On Top Latin Catalog Albums, her "Ones" vaults to No. 3 (up 61%).

The singer surges to his highest chart position in 10 years. It will be a tough climb to the top since he is 10 million impressions behind Drake, who has an audience of more than 43 million.

"Category F5" storms to No. 1 on Top Rap Albums, giving the Chicago native his second chart-topper on that list.

29
DAY26, which has tallied two No. 1s on Top R&B/Hip-Hop Albums, earns a new career peak position on this chart with its third entry.

Plies has become one of the most prolific artists in the past two years, prepping his fourth album since 2007 for a September release. Meanwhile, his audience increase of 1 million is the best gain of any non-debut in the chart's bottom half.

Ledisi, a two-time 2008 Grammy Award nominee, including a nod for best new artist, returns with a new single. Her album "Turn Me Loose" is due Aug. 18 (see story, page 25).

BETWEEN THE BULLETS

KELLY'S FIFTH-BEST WITH 'ONE'

R. Kelly passes Ray Charles and moves into fifth place on the list of artists with the most appearances on the 65-year-old Hot R&B/Hip-Hop Songs chart. Kelly's "Number One" debuts at No. 81, becoming his 79th chart hit. The artist tied Charles when "Supaman High" debuted in May. "High" rises 58-54 this week. Both singles will be on Kelly's 12th album, which arrives in the fall.

The Temptations are fourth on the all-time list, with 84 hits. They're preceded by Jay-Z, with 89 hits; Aretha Franklin, with 98; and James Brown, with 112. —Raphael George

The song is her 11th top three single, breaking a tie with Alicia Keys for the most by a female this decade. Only Ludacris, with 12, has scored more in the 2000s.

Following three successive top 10s, Sullivan's fourth single from her debut album nearly doubles in audience (up 93%) and enters the top 50.

53
Sampling Lady Gaga's "Poker Face," Kid Cudi's second single surges with a gain of 1.2 million impressions. It also debuts at No. 37 on Mainstream R&B/Hip-Hop.

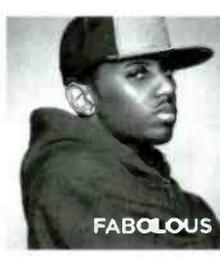

72
With radio paying tribute to Michael Jackson for nearly two weeks, this single was one of several that declined in audience. It rebounds with a surge of almost 1 million impressions.

BETWEEN THE BULLETS FABOLOUS HAS IT IN THE 'BAG'

Fabulous scores his fourth consecutive top 10 and 10th overall on Hot Rap Songs as "Throw It in the Bag," featuring the-Dream, climbs 11-10. The first single from his second Island Def Jam album, "Loso's Way," also rises 25 19 on Hot R&B/Hip-Hop Songs and gives the rapper his 12th top 20 single on that chart. Fabulous, who hit No. 1 on Hot Rap Songs with "Make Me Better" in 2007, is still in search of his first chart-topper on R&B/Hip-Hop Songs. He reached No. 2 with "Make" and his featured appearance on Ne-Yo's "She Got Her Own" in February.

Assisted by an increase of nearly 7 million impressions, Beyoncé makes her second-largest jump into the top 10. In November "Single Ladies (Put a Ring on It)" rose 20-10 in its second week on the chart.

10
The song is the third top 10 from Birdman (pictured), either solo or as part of a group, since his career began in 1999. Lil Wayne, the song's featured star, adds his eighth top 10 since the start of 2008 and his 15th since 1999.

60
What would this chart be without Mary J. Blige? The R&B artist keeps her streak alive of charting at least one debut as a lead artist each year since 1999. Overall this is her 57th chart hit, the most for any female in the Nielsen SoundScan era.

76
Jeremih has a much shorter climb to earn another chart-topper with the debut of his second single. His former No. 1, "Birthday Sex" (No. 4), started at No. 93 in March.

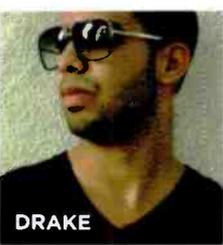

97
Jennings' new single launches his fourth album, due Sept. 22. It will be released through his Jesus Swings imprint with Warner Bros.

BETWEEN THE BULLETS

DRAKE DASHES TO NO. 1 WITH 'BEST'

At nine weeks, Drake's "Best I Ever Had" has the fastest flight to No. 1 in eight years by an artist with his or her first appearance on Hot R&B/Hip-Hop Songs. Among newcomers since 2000, the rapper is bested by only Lil Romeo, who took six weeks to reach No. 1 with "My Baby" in May 2001. Drake is also the first independent artist to ring the bell since Lil Jon reigned with "Snap Yo Fingers" in 2006 for the now-defunct T.V.T. On the Billboard Hot 100, "Best" earns Greatest Gainer/Airplay honors for the second straight week (36-27).

Hilson becomes the first female since Alicia Keys with "No One" in Dec. 2007 to simultaneously lead this tally and the Rhythmic radio chart (2-1).

At six weeks, Maxwell's track ties titles by Drake (No. 2) and Young Money (No. 4) for the fastest trips to the top 10 this year.

Mario's hometown stations WERO Baltimore contribute nearly 1 million of his 6 million in audience total, fueling song's rise to the top 50, the only track to enter the upper half this week.

55 Ahead of its expected bow at No. 1 on the Billboard 200 next issue, the Black Eyed Peas earn its first ever ink on Mainstream R&B/Hip-Hop (No. 40).

The reggae star has posted six top 10s, including a pair of No. 1s in 2003. His current debut previews "Imperial Blaze," due Aug. 18.

BETWEEN THE BULLETS
JAY-Z MAPS OUT 'BLUEPRINT III'

Previewing the highly anticipated "Blueprint III," Jay-Z blasts onto Hot R&B/Hip-Hop Songs at No. 66 with its lead single, "D.O.A (Death of Auto Tune)." The song, first performed June 1 at WQHT New York's Hot 97 Summer Jam, becomes the artist's first debut through Roc Nation after his 10-year run on Def Jam. While the newly formed label is a joint venture with Live Nation, Atlantic will provide radio promotion, which helped collect 3 million impressions for the song's initial week of airplay. Scheduled for a Sept. 11 release, "Blueprint III" will come exactly eight years after the arrival of "The Blueprint."

The Christian rock band Emery lands its first chart-topper on Top Christian Albums, as "... In Shallow Seas We Sail" opens with 10,000 copies. It's also No. 20 on Top Rock Albums and No. 50 on the Billboard 200.

Venerable label Malaco gets its first No. 1 on Hot Gospel Songs, as Maurette-Brown-Clark's "It Ain't Over (Until God Says It's Over)" becomes her first leader on that chart, interrupting a 13-week stand by Hezekiah Walker's "Souled Out" (No. 2).

At six weeks, Drake completes the quickest journey to No. 1 by a debut single on Hot Rap Songs as "Best I Ever Had" inches 2-1. It beats the prior record set by Mystikal's "Shake Ya Ass" (seven weeks) in 2000.

With his fifth appearance on the chart, the rapper earns his first top 10. His debut single, "A Bay Bay," reached No. 11 in 2007.

The newcomer's four-spot climb to the summit of Adult R&B (5-1) is the largest by a debut single in the history of the chart. For more on K'Jon's feat, go to billboard.com/chartbeat.

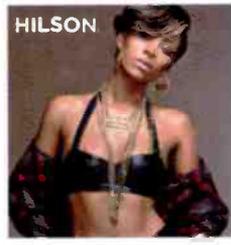

Hamilton earns consecutive top 10s on Adult R&B as this single lifts 11-9. His last offering, "Cool," peaked at No. 3 in March.

After three albums, including a European-only release with Columbia, Amerie turns to Island Def Jam for her next set, "In Love & War," due Aug. 11.

BETWEEN THE BULLETS
HILSON'S 'DOWN' GOES UP TO NO. 1

Keri Hilson earns her first No. 1—while featured artists Kanye West and Ne-Yo claim their third and second, respectively—on Hot R&B/Hip-Hop Songs as "Knock You Down" climbs 2-1. Hilson reached No. 2 with "Turnin' Me On" in February, while "Energy" peaked at No. 21 in October. Her coronation also signals Interscope's first female in the top slot, other than Keyshia Cole, since 2007. On the Billboard Hot 100, Hilson reaches new heights as a lead artist: "Knock" is her first top 10 (13-7, up 15 million in audience).

'EL TORITO' CHARGES PAST 'LOS TOROS'

Hector "El Torito" Acosta debuts at No. 2 on Top Tropical Albums with his third solo release, "Simplemente... El Torito" (selling slightly more than 1,000 copies). This marks the highest debut and chart position for the former lead singer of the merengue group Los Toros Band. In fact, "Simplemente" already surpassed his former group's highest-charting albums, which include "De Fiesta" (No. 15, 1991), "Toromania" (No. 13, 2000) and "Serenatas" (No. 14, 2002).

Up 3.5 million impressions, Trey Songz makes his fourth consecutive trip to the top 20. Two of his three previous tracks are at Nos. 3 and 12.

28 The song's boost of 1 million audience impressions gives the rap duo its first appearance in the top 30 since 2003.

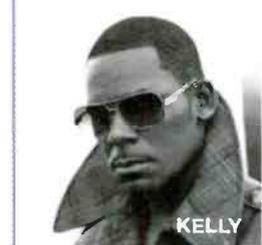

The singer earns consecutive top 10s at Adult R&B for the first time as this single hikes 11-10. Her prior hit, "Epiphany (I'm Leaving)," peaked at No. 9 in May.

After peaking at No. 2 with "Rock That Thang," the first single from his current album, subsequent releases featuring Mariah Carey and Kanye West failed to rise higher than No. 36, a rank already surpassed by this track.

92 The official single from Brown's next album earns a modest debut, but it's based on only one day of airplay in the survey week. Anticipate a sizable chart move next week.

BETWEEN THE BULLETS KELLY MOVES PAST A 'KING'

R. Kelly scores his 35th top 10 on Hot R&B/Hip-Hop Songs and passes 14-10. Formerly tied with Cole, Kelly's climb places him sixth among male artists and ties him with Dinah Washington for eighth overall since the R&B chart was established in 1942. James Brown leads all acts with 58 top 10s. On Mainstream R&B/Hip-Hop, which launched in 1993, "One" rockets 12-8 and becomes Kelly's record-extending 27th top 10. For Hilson, the track is her third top 10 on both charts. —Raphael George
