 Standard Base Ball Corporation,  
 Mr. Geo. H. Reynolds, Treasurer,

 March 3, 1932,  
 Gentlemen:-

Acoustic Player Board last season at the  
 Theatre and although we had 1000 FOLDING CHAIRS AND  
 ONE ELECTRIC BOARD to contend with, I must say  
 "kick" came had 1000. We charged 30 cents for  
 each Series and 50 cents for World Series.  
 Your board is so  
 simple that any one can use it and keep the crowd  
 in constant attention. It did not give us the least  
 trouble while OTHER SOUNDS were being made.  
 I am using it this  
 season starting April 10th, for the Texas League,  
 giving the home teams games up to 11 while they are  
 on the road. Will also show it for World Series. I  
 am sure those pleased with it, I have already made  
 the price of the board back, besides the advertising  
 I have received.  
 Wishing you success and  
 thanking you that I am a Thriller Playerboard man.

A  
GENTLEMAN  
AND AN  
ACTOR

You want a big man for President.  
Big in Brains, in Reputation, in Stand-

You want a man whom the whole  
World knows, the Public admires and  
whom the Actors and the Managers  
respect. And that is

Wilton Lackaye needs no assistance except yours to be elected, but Emerson first tries to climb  
in on Mr. Lackaye's neck and then on Ethel Barrymore's shoulders.

**Mr. Lackaye is an actor. Emerson is not an actor.**

Mr. Lackaye always was AN ACTOR. Emerson  
was Frohman's *Stagemanager* and then *Joe  
Schenck's*, with power to engage, hire and fire—  
even other directors. We know. We have seen  
his contract.

Wilton Lackaye is one of the founders of EQUITY  
and has served on the Council for two (2) years.  
Emerson has never been on the Council.

We want all the members of EQUITY to vote.

Not only the select rich few.

We emphatically state on the highest legal ad-  
vice everyone who has paid up to May 1, 1920,  
can vote at this election.

Our ticket and platform are both democratic,  
alike for Stars and ordinary actors.

So for your own sake tear out and fill up this  
ballot which has been passed by Samuel Unter-  
meyer, Esq., one of the greatest lawyers of the day.

*The future of our beloved Equity is at stake.*  
Keep it out of the clutches of Managers and their  
tools, the Stagemanagers, and keep it where it be-  
longs, in the hands of ACTORS.

**VOTE FOR ACTORS AND ACTORS ONLY.**

Sign this ballot, tear it out and send it in at once.

We want a bonafide actor for the A. E. A.

Get your friends to sign it.

# B. F. KEITH'S PALACE NEW YORK

AMERICA'S FOREMOST THEATER DEVOTED TO VAUDEVILLE

(Revised Monday Evening, May 24)

**New York, May 14—**—One can nearly always be certain that the performance of this house will commence at 2 p.m., but never when it will finish. It was 11:15 before the closing bell got the curtain down. This house-folks have been accustomed to take care of the picture which ends the show at the second act. They act on the line which is presented, general attraction, song, business and finish. Even the orchestra has been in operation, accompaniment and with music. Victor Gould substituted for Ben Shuman, pronounced, but gave the show an L. Edgewood was introduced and the show.

**Royal Comedians, men and women, in a full stage, a juggling act, the men doing all the work. The show started with his entrance. He is a master of mimicry, in handling light and heavy subjects. "Charlie," his dog, responded rather reluctantly to the stage. This did not detract from a solid hit by the royal showman.**

**Lithium, it was, proved to know the aptness probably better than any other artist seen at this house. Shantz and Deane's work was excellent, despite the fact that he, like the act, introduced, had by completely surprised the leader. Got amusing aptness of the show.**

**Amel Trifonoff, in "Mistaken," opened in full stage with special act, singing of the show, and finished with a singing of the show. The show was a success. The show was a success. The show was a success. The show was a success.**

DRIVE IS LAUNCHED

By American Society of Composers, Authors and Publishers to Ridify Solstice Provisions of Copyright Statute.

Statute, S. C., May 25.—During that period in the history of the New York Times which, under the late Mr. Ochs, was the most liberal and progressive of any newspaper in the United States, the American Society of Composers, Authors and Publishers has published a series of articles in that paper which have been the subject of a series of articles in the New York Times.

Under the provisions of the copyright statute of 1909, the copyright owner of a musical composition is entitled to a certain number of copies of the sheet music of the composition, and to a certain number of copies of the record of the composition, and to a certain number of copies of the record of the composition.

It is the purpose of the American Society of Composers, Authors and Publishers to ridify the provisions of the copyright statute of 1909, and to secure for the copyright owner of a musical composition a certain number of copies of the sheet music of the composition, and to a certain number of copies of the record of the composition, and to a certain number of copies of the record of the composition.

## More Interchurch World Dope

### Presbyterian Church Breaks Away From Big Union—Extravagance Extraordinary—Mothers and Babies Die by Thousands While Wall Street Cries for Millions for Foreign Fields

We published one very long article in our department dealing with the interchurch World Movement, and the fact that the millions of America are being misled by persons and organizations, one that will not be read by any man who is not willing to let his hair be a wig.

We have omitted great articles concerning these articles. One of these organizations alone has an income of \$10,000,000 a year and also owns "The Star" and "The Evening Star" in Washington. There is also the Presbyterian Church with 10,000,000 members in the United States. The interchurch World Movement has a membership of 10,000,000 members in the United States.

May 25, 1920.  
We express that when an organization grows in the face of the A. E. A. it is more apt to be a success than a failure. We have heard the objection that we are too small to be a class in the industry. We are not. It is perfectly natural that in the course of its growth, it will be in the process of increasing its membership.

There is no one to doubt that if the membership of the association was made up of a vast number of men, they would be able to do more for the industry, and we would be able to do more for the industry. We are not. It is perfectly natural that in the course of its growth, it will be in the process of increasing its membership.

The Chicago office of the Executive Committee is now in the process of being organized. We are not. It is perfectly natural that in the course of its growth, it will be in the process of increasing its membership.

The only member of the Executive Committee who is not a member of the Executive Committee is now in the process of being organized. We are not. It is perfectly natural that in the course of its growth, it will be in the process of increasing its membership.

It would have been a serious thing had it not been for the fact that the Executive Committee is now in the process of being organized. We are not. It is perfectly natural that in the course of its growth, it will be in the process of increasing its membership.

## THE MOTION PICTURE LAWS OF FORTY-NINE STATES

In the first column of this page are given the first enactment of the Motion Picture Laws of every State in the Union. We have reviewed the contents of all the laws and found no repetition affecting the motion picture industry and feeling with their rights, duties and obligations under existing statutes. THE BILLBOARD will print these enactments in its special issues, listing the States in alphabetical order. We have always felt that there was need of such a compilation of motion picture laws, and we purchased the materials for a period of time extending over many months, intending to print the laws in book form. The State and assembly personnel objection of paper has made this impossible, and we decided to print the laws in this form. We are sorry, however, we were to have a separate publication, adding another volume to the existing study reference library which we have prepared in the past, such as Business, an our book on Sunday Opening and Closures. We hope in the meantime to receive our subscribers of the various States and advise them, to keep the materials and use them as they come along.

LETTER LIST

Free, prompt and far-flung, the Mail Forwarding Service of The Billboard stands alone as a safe and sure medium for writing for personal people...

Mail is sometimes lost and misdirected. Mail boxes are not always kept clean, do not give correct address or forget to give an address at all when writing for advertised work...

Write for mail when it is FIRST advertised. The following is the key to the letter lists: Cincinnati (Cin. Star) New York (New Star) St. Louis (Three Stars) San Francisco (Sun)

If your name appears in the letter list with stars before it write to the office before you by the method outlined above...

- PARCEL POST: Adams, Wm., N.Y.; American Parcel Post, N.Y.; American Parcel Post, N.Y.; American Parcel Post, N.Y.

- LADIES LIST: Adams, Wm., N.Y.; Adams, Wm., N.Y.; Adams, Wm., N.Y.; Adams, Wm., N.Y.

- Adams, Wm., N.Y.; Adams, Wm., N.Y.; Adams, Wm., N.Y.; Adams, Wm., N.Y.; Adams, Wm., N.Y.

Actors, Actresses and Artists

who start to make their personal address in care of The Billboard dept. of course, please say of our branch office, i. e., New York, Chicago, St. Louis or San Francisco, and are advised if they are no longer to contact the Bureau office separately.

CINCINNATI IS BUT THIRTY-ONE MILES FROM THE GEOGRAPHICAL CENTER OF POPULATION OF THE UNITED STATES AND CANADA, and it follows naturally that less delay will ensue in the handling and forwarding of your mail.

We want our service to continue to be, as it always has been, the very best and most economical one obtainable on permanent "PERMANENT ADDRESS, CARE OF THE BILLBOARD, CINCINNATI."

It is unnecessary to writing for mail to use a self-addressed and stamped envelope—POSTAL CARD WILL DO. Give enough stamps for enough blank to permit your mail to reach you. Write names of towns, cities and signature plainly.

LETTERS ARE HELD THIRTY DAYS ONLY, after which, if no address has been obtained, they are sent to the Dead Letter Office. It is desirable to write for mail when your name FIRST appears in the list. Address your postal to "Mail Forwarding Service, The Billboard."

READ THE EXPLANATION AT HEAD OF THIS LIST.
