Russ Morgan, the long-famed band leader, crooner, songscribe and publisher, who hit a new high on the nation's juke boxes and bandstands with such hits as "Forever And Ever" and "Cruising Down The River" is pictured above cutting four fresh sides, including Russ' own "This Is The Last Time." The vocal group backing Morgan and trombone are the smooth Heartbeats, while the rhythm happy gent at the right is George Kaitz, Morgan's arranger. Russ' Decca platters caught on last year at the height of the string band craze, when his "Bye Bye Blackbird" caught the fancy of music fans throughout the land. Russ is following up his recorded successes by keeping a close watch on television, for which he has had a considerable amount of offers. The Russ Morgan orchestra is exclusively featured on Decca Records.

THE CASH BOX exclusively covers the coin machine industry, including operators, jobbers, distributors and manufacturers, and all those allied to automatic coin operated music equipment; automatic coin operated vending machines and service machines as well as all coin operated amusement equipment; the music and record business, recording artists and pub-

lishers of music; and all others in any fashion identified or allied to the coin operated machine industry as well as all finance firms, banks and other financial institutions expressly interested in the financing of coin operated equipment of all types.

THE CASH BOX has been recognized by various associations of coin machine operators throught the United States as their official weekly magazine.

"The Confidential Price Lists" gives prices of all new and used coin operated machines of all kinds, weekly reporting all market changes and continually adding on all new equipment. "The Confidential Price Lists" is officially recognized by many cities and states throughout the country as the "official price book of the coin machine industry." It is an integral part of The Cash Box. The "Confidential Price Lists" is used in settlement of estates, in buying, selling and trading of all coin operated equipment. It is the one and only officially recognized price guide in the coin machine industry. "The Confidential Price Lists" is used by finance firms, factors and bankers to guide them in making loans to the members of the coin machine industry.

Talking It Over

The price cuts are now recommended by government economists, as well as everyone else in all industries, it is remarkable to note that cutting price doesn't mesh with raising wages. In short, if the manufacturer pays more for his labor, how can he possibly arrange to lower the price of his finished product? He hasn't been able, except in very few cases, to get the cost of components down to a lower price than what he has been paying since the boom war days. Therefore, he is practically stymied when it comes to arranging for a lower price for the finished machine he produces.

Yet, much to the credit of the average manufacturer, he is trying with all his skill to somehow arrange for a price cut on whatever equipment he is producing. To do so he must economize here and there down the line of components as well as labor. Most manufacturers have cut down on their labor staff and are working with less men and, at the same time, are attempting to produce just as much as they did with their former larger staffs.

The manufacturer must maintain his sales force. He must also continue ahead with his merchandising plans and his advertising program. He realizes, just as do all others in all industries, that his advertising and merchandising are responsible for his well being. As the market grows tighter he needs more sales punch behind him to assure him continued business. Therefore, here is one spot where the manufacturer must not cut so that he will be able to continue on ahead to maintain his prestige and his sales.

The only obvious answer which then remains is for the manufacturer to find new products which will click with the public (and therefore meet with the approval of operators, jobbers and distributors) but which will not require as much materials and components and will, because of this fact, use less labor hours, to bring down the price of his finished products. Here is what all are seeking in the coin machine industry. The new product that will be able to be sold to the operator at a lower price without sacrificing play appeal, rugged construction and precision engineering and which will, at the same time, earn profits equal to or above whatever is being earned today.

Price cuts are necessary, as all agree, but, these must be made when possible and must be arranged logically—not just on demand. Simply demanding that all cut price may sound good to the average man, but, it isn't logic to do so when anyone sits down and figures what the situation is at present and why price cuts are, therefore, not feasible.

The fact remains that as long as component parts and materials remain at their present price levels, and labor's wage scale continues to hold its present spot, and with merchandising, exploitation and promotional programs, the manufacturers will simply have to continue along with present price scales until all surrounding factors drop to a lower level so that price cuts of finished products can then come into being.

“Buy Something New EVERY DAY.. Put People Back To Work!”

“Buy Something New EVERY DAY . . . Put People Back To WORK!”

We offer this as a slogan for the nation and especially for the members of the coin machine industry and all its allied industries.

As we stated last week . . . Recession? . . . Depression? . . . Nuts!! . . . There is no such thing in this nation where so many more millions of peoples are at work as a recession or a depression.

There is a spiritual downheartedness. The peoples of this grand nation need and want—SPIRITUAL UPLIFT . . . They want to again feel confidence in themselves and in all about them . . . they want to believe that there IS a grand future AHEAD.

Let's all start the ball rolling by practising the slogan offered here . . . *“Buy Something New EVERY DAY . . . Put People Back to WORK!”*

Even if it's just a new toothbrush . . . a new tie . . . a new kerchief . . . a new washing machine . . . *“Buy Something New EVERY DAY . . . Put People Back To WORK!”*

Whatever it is. Wherever you are. Buy something new every day. Put people back to work.

And with people working again—prosperity is on the way—that spiritual uplift will again come back—confidence will return—money will be flowing—and all the nation will be booming.

Maybe, while you're about it, and since you're a member of this industry—you'll buy a couple of new records today—perhaps a couple of new phonographs, pinballs, consoles, one-balls, bells, anything—whatever it is—but—

“Buy Something New EVERY DAY . . . Put People Back To WORK!”

Spread the slogan everywhere. Tell everyone about it. Yell it right out loud whenever you pop into some location to make a collection. Talk it. Do it. Practise it. Remember it—*“Buy Something New EVERY DAY . . . Put People Back To WORK!”*

Just like with the “March of Dimes” campaign when the phonos of this industry boomed dime after dime to this great charitable fund . . . so can every machine on location everywhere in the nation make this slogan work.

Plaster a sticker or a sign or a card under the glass . . . on top of the machine . . . anywhere you put it . . . but make it conspicuous . . . and boom this slogan out loud—*“Buy Something New EVERY DAY . . . Put People Back To WORK!”*

Just like the coin machine industry went over the top with the “Damon Runyon Memorial Fund” . . . let's go over the top again . . . with a grand idea . . . with something that will make people talk . . . that will win the plaudits of the nation for this industry . . . plaster it everywhere . . . all over your machines . . . talk it up . . . spread it . . . *“Buy Something New EVERY DAY . . . Put People Back To WORK!”*

Remember . . . even if it's just a new candy bar . . . a new bicycle for the kid you love . . . a brand new television set for your home . . . a new automatic dish washer . . . even a new pencil . . . *“Buy Something New EVERY DAY . . . Put People Back To WORK!”*

Record Reviews

"They Didn't Believe Me" (3:06)

"Waltz Serenade" (3:10)

KATHRYN GRAYSON
(MGM 30210)

● Gorgeous little movie star for youse guys and gals who love something that's of a semi-classical nature comes the beautiful Kathryn Grayson to sing two grand oldies in her soprano voice. On the topside, "They Didn't Believe Me," from that famous musical, "The Girl From Utah," and with an orchestra conducted by Georgie Stoll to background her, Kathryn does one of her very finest vocalizing stunts. On the flip, "Waltz Serenade," the gal once again throws those tonsils to the winds to click off something that you've heard in her pics.

"A Lick And A Promise" (2:42)

"The Fighting Cocks" (2:45)

ERROL GARNER
(Century 1503)

● There's no use going thru anymore raves where Errol Garner is concerned. This is the grandest of all grand piano plunking. So good that it's just classical in every regard. What Errol does with "A Lick And A Promise" is something out of this world and if you have the locations where they love piano artistry just set this platter working and see what happens. On the flip with "The Fighting Cocks" Errol goes away out and gone and simply tears the tune right off the wax and intimately into the room to produce one of the finest piano sides that we've ever yet heard.

"Peachy Pie" (2:27)

"You're Losing A Sweetheart Not A Friend" (2:25)

THE SATISFIERS
(King 15011)

● With Tony Mottola conducting the orchestra, The Satisfiers come thru with one of the liveliest, well balanced sides. The kids are really selling "Peachy Pie" and there's many a juke box listener that's gonna like this melody and the way these kids present the tune. They do a terrific job with what material they have here. On the flip, "You're Losing A Sweetheart Not A Friend," the group goes into a slow and sentimental tear jerker that just doesn't stack up with their talents. This is one disk that can act as a filler-in for many a spot.

"Don Caballero" (2:08)

"When You Look In The Heart Of A Shamrock" (2:52)

JOHNNY LANE—DANNY SULLIVAN
(Rialto 1004)

● Two different artists on two sides here with "Don Caballero" sung by Johnny Lane in a rich and melodious baritone and in the speedy spinning time of only 2 minutes and 8 seconds. Johnny does a very commendable piping job here and is sure to win lots more followers. Marty Napoleon's ork beautiful background him as well as Danny Sullivan who sings, "When You Look In The Heart Of A Shamrock," a very beautiful and sentimental Irish ballad. Danny is a natural on this tune and there are sure to be plenty of nickels, dimes and quarters popped into juke boxes everywhere in the land to hear this grand Irish tune.

DISK OF THE WEEK

"That Lucky Old Sun" (2:49)

"I Get Sentimental Over Nothing" (2:58)

FRANKIE LAINE
(Mercury 5316)

FRANKIE LAINE

● This is it. Those three words tell the story of one of the greatest hunks of wax to ever come to our attention as Frankie Laine with Judd Conlon's Rhythmaires backgrounded by the Harry Geller orchestra and Carl Fischer's great piano, produces a triumphant production in, "That Lucky Old Sun." It's a symphonic arrangement on a ten inch platter that has all the quality of a classic and all the beat

that is Frankie Laine's inimitable stylizing of a song. One of the most outstanding cuttings to ever yet be heard by these jaded ears and one of the most tantalizing arrangements that has been produced in many a year. This is one side that has every possibility of simply zooming to the top in short order and the production which was arranged for Frankie on this side is bound to win him an even greater following than this star vocalist now enjoys. On the flip, "I Get Sentimental Over Nothing," one of the grandest ballads sung by Frankie Laine with lyrics that are a classic in themselves and done in the Laine style you've heard before is another side that can be classed as topside anytime. But, we're simply gone on "That Lucky Old Sun." Buy a boxful and spread 'em about your best locations. You'll buy plenty more—for "this is it."

"Twenty-Four House of Sunshine" (2:25)

"The Wedding Of Lilli Marlene" (2:54)

GORDON MacRAE
(Capitol 57-711)

● With The Starlighters and Paul Weston's orchestra behind him Gordon MacRae does one of the greatest jobs of his career with "Twenty-Four Hours Of Sunshine," a tune that is kicking up plenty of dust from here to there and back again. There's a Jolsonish sort of recitation in this disk that's bound to get plenty of attention. What's more important, there's the grand and gorgeous tonsiling of Gordon MacRae to make this side stand away out for nickels, dimes and quarters on any juke box. On the flip, "The Wedding Of Lilli Marlene," Gordon takes this British tune from "Tobruk to Alamein" and "sells" it for everything it's worth in slower metro but in beautiful voice.

"I Just Dropped In To Say Hello" (2:51)

"Give Me Your Hand" (2:30)

ANNE SHELTON
(London 425)

● A very beautiful ballad, "I Just Dropped In To Say Hello," cut gorgeously with the fine voice of Anne Shelton to make this one of the very best sides heard in a long time. This is one side of shellac that is bound to click in many a spot thruout the nation and is sure to bring in plenty of nickels, dimes and quarters for juke box ops. The Roy Robertson orchestra give Anne some beautiful background-in thruout. On the flip, "Give Me Your Hand," Anne turns this side into another beautiful and sentimental ballad that is sure to win her many many more fans round the nation.

"Sherlock Holmes" (2:22)

"Greenville, S. C." (2:35)

SLIM COATES
(Castle 1517)

● Slim Coates with The Four Buttons backing him produces one of the best disks that we've heard in many a moon. He opens with the weirdest kind of music to introduce a platter called, "Sherlock Holmes," that is bound to grab attention of many a juke box listener. It's in lively metro with some swell breaks that will make many a guy and gal walk up and drop another nickel in the juke box just to hear it all over again. On the flip, "Greenville, S. C.," Slim again takes over on the vocalizing and with those gals, The Vocalaires, behind him, produces a very well balanced disk that has plenty of stuff. Our bet's on the topside here, "Sherlock Holmes." Listen in.

"All The Bees Are Buzzin' 'Round My Honey" (2:32)

"Signed, Sealed And Delivered" (2:42)

JOHNNY LONG ORCH.
(King 15012)

● Here's Johnny Long, a long time favorite of the juke box ops, coming thru with his first platter for King and producing one that has every possibility of loading nickels, dimes and quarters into music machines everywhere in the nation. Just listen to this topside, "All The Bees Are Buzzin' 'Round My Honey," with cute little Janet Grace and The Glee Club to tonsilize the tune and with Maestro Johnny and his ork to gorgeously background it. It's one of the best that Johnny has cut in many a moon. On the flip a grand folk song done in pop time and sung by Jimmie James and The Beachcombers to make up a swell hunk of wax. Get hep to this platter.

"You'd Be Hard To Replace" (2:41)

"Havin' A Wonderful Wish" (2:30)

VERA LYNN
(London 478)

● From that very great picture, "The Barkleys Of Broadway," and with Robert Farnon and his orchestra to background her, comes Vera Lynn, a thrush that simply sends us right out of this world to sing, "You'd Be Hard To Replace," a grand, grand tune, but, done so gorgeously by Vera that you'll simply melt. It's absolutely out-of-this-world material for any juke box in any dim lit spot. It'll make those lovers cuddle closer. On the flip, "Havin' A Wonderful Wish (Time You Were Here)," Vera once again does a gorgeous chirping job. This tune's from that grand picture success, "Sorrowful Jones," so you can instantly see that a combo like Vera Lynn in gorgeous voice and a hit tune is something that you'll find only once in a great while.

"I'm A Ding Dong Daddy" (2:52)

"My Little Tune" (3:00)

JACK JACKSON
(London 472)

● To these jaded ears came Jack Jackson and his trumpet and vocalizing one of the old oldies that has always been a great favorite, "I'm A Ding Done Daddy (From Dumas)," and, believe you me, "sold" it—but right over the center field wall for a base cleaning home run. The boy's got "it." And when you listen in to Jack and his trumpet, his vocal, his ork background, his way of really "selling" an oldie, you've got something here that can't be beat for bringing in nickel after nickel in your juke boxes. On the flip, a novelty, "My Little Tune," where Jack tells all about that little sentimental tune of his and shows how each person creates a different version. But, the topside is the money side—so get next to it today.

"You've Got A Heart Of Gold" (2:30)

"I Won't Believe You Anymore" (2:20)

ALAN FOSTER
(Regent 166)

● Alan Foster is, without any doubt, one of the very greatest voices on records today, and the grand, grand job he does here with, "You've Got A Heart Of Gold," in a simulated hill-billy style and in lively metro is sure to win him many, many more friends. This is one cutting that Alan did for which we most sincerely compliment him because we think that it's juke box material. There's a lively beat thruout and his voice comes off the shellac in triumphant fashion. He has Randie Richards and Johnny Dee's ork to background him. On the flip, "I Won't Believe You Anymore," Alan goes thru the side all by himself and does one of the very best jobs he's ever yet done. Just listen to this platter—it's got stuff.

HORACE HEIDT ORCH.
(Magnolia 1009)

● A quartet that won much applause with the Horace Heidt show do a very fine vocalizing job here with "Don't Cry, Cry Baby." You've got to listen in to The Wingmen to really hear the gorgeous balance and marvelous harmony which these four boys produce on this cutting. On the flip, "I'm Drownin' In Your Deep Blue Eyes," The Wingmen once again do a very commendable job and sell this side for all that it's worth. Here's a disk with possibilities. Listen in.

"Oleo" (2:43)
"We're Going To See A Man" (2:46)

JACK MARSHALL
(King 15010)

● Here's a novelty platter which will meet with the approval of many a juke box player. It's got all the stuff that makes for a possible winner in many a spot. Just listen to Jack Marshall sing "Oleo," the topside of this disk, and you'll get a laugh. On the flip, "We're Going To See A Man," Jack picks up the angle of the monkey who goes out to see a man and the lyrics are really swell. The Jack Marshall novelty disk may be just what you're looking for. Listen in.

ROUND THE WAX CIRCLE

NEW YORK :

Jerry Blaine went all out with a birthday party for Sonny Til, tenor of The Orioles. The Orioles, by the way, are doing one of the most terrific jobs in the history of the Apollo . . . Herman Lubinsky of Savoy and Regent labels announced, prior to leaving for the West Coast, that he had just taken over the Fanfare label for the east . . . George Haggard of Pleasant Records threw his annual outdoor corn and weenie roast for the music trade on his estate in Hawthorn, N. Y., last Sunday and what a grand time was had by all present . . . Sammy Kaye drew over 4,000 last Sunday at a one niter in Ephrata, Pa., at the American Legion Park. . . . Ellie Cofler, record promotion gal for Dana Records, just back from Chi where she reports that Dana's "Gloria Polka" is getting more play than their previous clickeroo, "Helen Polka" . . . There's been plenty of talk-talk-talk this past week about Frankie Laine's "That Lucky Old Sun" . . . Bob Shad on his way down South to meet with juke box ops and disk jocks and talky-talk about his Sittin' In and Jade labels . . . Sid Prosen of Hometown Music turned over his hill-billy click, "The Longer We're Together The Further We Drift Apart," to Mellin Music who will line up pop artists for the tune . . . the King Record by Hawthorn Hawkins of this tune is now their third biggest seller . . . Picking Jilla Webb as a "Record Potential" last week resulted in this gorgeous thrush with the "smoky voice" being previewed last Thursday by the Copacabana, and may start the gal off on a grand career while diskeries battle for her contract . . . Maurie Hartmann and Deanna Bartlett simply going happy-mad the way their new tune, "Tell Me Why," has started to kick up dust with Eddy Howard's disk of the tune leading the way . . . Art Freeman, field rep for Dance-Tone Records, on a 4-week tour of the West Coast to set up complete distribution there for the firm . . . Leo Mesner and Art Rupe have appointed Les Halper, formerly with Decca, as sales manager for Aladdin and Specialty Records, Sam Green, by the way, being named eastern regional sales rep for Aladdin and Specialty at the same time, and Sam right off on an extensive tour visiting with eastern distribs . . . Jimmy Dorsey follows Henry Busse into the Cafe Rouge.

THE ORIOLES

CHICAGO :

Rondo Records out with a new piece of wax titled, "Beautiful Wisconsin," recorded by Ken Griffin at the organ. The tune was penned by Don Fina, cousin of Jack, well known ork leader, and may possibly be adopted as an official state song . . . Orkster Tommy Dorsey in town to play a one-nighter at the Aragon Ballroom August 17 . . . Eddy Howard getting a terrifically big play at the Beach Walk where he will be on hand until September 9 . . . Jack Fulton, writer of several hit songs, out with a new one, "Great Day In The Morning" . . . Dee-jay Ernie Simon off to Hawaii and India after pacting a new contract with sponsor RCA-Victor dealers . . . Louis Prima set to open the new show at the Oriental, August 26 . . . Billy Eckstine, "The Great Mr. B," a show stopper over at the Chicago Theatre where he now holds forth . . . Congrats to Lee Egalnick and his Missus who are expecting a new addition. Meanwhile, Lee continues to click with his Miracle disk "Blue And Lonesome," recorded by Memphis Slim . . . George Shearing, blind British pianist, who is currently winning new fans over at the Blue Note bistro, is amazing Chicagoans in his ability to get around town without the aid of a cane or seeing-eye dog.

EDDY HOWARD

LOS ANGELES :

Maybe all those hard time blues you hear are just echoes from the last lean period, judging by the loose loot that once again seems to be available for wining, dining and romancing the disc jocks, record columnists and assorted press . . . El Rancho Vegas and Leo Meyerberg, RCA-Victor distribs, cut up a nice fat tab with Fran Warren and manager Barbara Belle for flying, feeding and liquid-dating 14 dee-jays (out of 23 invited) and another dozen magazine and newspaper characters from L. A. to Las Vegas to catch Fran's show at El Rancho . . . 'Cause of another commitment we made our apologies to Jerry Johnson, who arranged the junket, and we asked a few cronies to hoist a couple in our behalf . . . Then comes Horace Heidt, by way of jointly launching his revue, "The Kids Break Thru," at El Capitan Theatre and celebrating first six months of Magnolia Records with a big wet one, swim pool for the outdoor athletes and smaller containers for the rest of us, at his Valley Ranch on August 17 . . .

FRAN WARREN

Ran into George (Now, Now, Now) Howe bounding along Sunset and Vine with his Tower Record boss Dick Bradley in tow . . . Another visiting record dignitary we had the privilege of shaking mitts with was Irving Green, prexy of Mercury Records, who was introduced to us by Mercury distrib Hank Fine and righthand man Lee Palmer, the three of 'em beaming like "That Lucky Old Sun" over the way Frankie Laine's record of the same name is getting off to a fabulous start . . . Finally caught up with the much talked of Lady Sybil Smythe-Bill Jacoby disking of "Baby, It's Cold Outside" . . . Our guess is that the noble British dame is none other than Margaret West, songscribe and manager of Jacoby . . . We'll lunch you at Britt's when you get out of that sickbed, Maggie, if we're wrong.

Leo Mesner of Aladdin, Lou Chudd of Imperial and a few of the other lads laid over in New York and points East and South following N.A.M.M. Convention but Art Rupe is back on the job, raving equally about the Gotham heat (4 cooling showers a day) and the Victorians, a rhythm vocal group that he signed to an exclusive recording contract and immediately cut several sides in N. Y. for release in near future . . . Wayne Warren of Central Records up and around minus appendix and off to Santa Barbara for few days of vacash with wife Gloria Kort, Leon Rene's lovely secy at Exclusive . . . Eddie (Starmaker) Mesner, elated at the way Amos Milburn's new "Roomin' House Boogie" is shipping out on initial orders by the thousands, informed us that Charles Brown's new contract with Aladdin has been approved by the AFM and Mr. Petrillo.

Aristocrat Signs New Songstar

CHICAGO — Aristocrat Record Corp., this city, announced this past week that the firm had signed Louis Blackwell to a recording contract.

Blackwell created a sensation at the recent Billy Holliday concert with a voice that thrilled the packed auditorium when he sang such numbers as, "The Gypsy" and the popular "Laura." Critics here predict a very great future for him.

Blackwell cut four sides for Aristocrat this week. He was supported by Joe Kennedy and the Four Strings. Among the sides cut were, "I Don't See Me In Your Eyes Anymore" as well as, "Stranger In Town" and two of his own original tunes, "What Did I Do?" and "My Dreams."

The first two sides by this songstar will be released this forthcoming week. Those who heard the first acetates were very much thrilled with his marvelous voice and it is generally believed that Aristocrat should find him their new star within a very short period of time.

Advance info has been rushed to all Aristocrat distributors regarding Blackwell and the sensation he has created wherever he has appeared. It is believed by execs of the firm that their distribs will go all out to push his new release over the top.

Many plans are already under way for an unusual promotion program to build Blackwell with juke box ops everywhere in the country.

National Distributors Get Special Eckstine Deal

NEW YORK—A special announcement went out this past week to all National Record distributors advising them that, in order to further cash in on the tremendously growing popularity of Billy Eckstine, a special deal would be worked out whereby they would be able to bring the Eckstine disks to the automatic music operators thruout the nation so that the majority of the country's juke boxes could feature Eckstine hits.

Such Eckstine standards as "Gloomy Sunday," "Sophisticated Lady," "Cottage For Sale," "Time On My Hands," "Prisoner Of Love," "I'm In The Mood For Love," and many others are included in this deal which the executives of the National firm are arranging to bring to all their distributors.

It is already well known thruout the juke box field that Billy Eckstine has proved himself one of the most outstanding money earners as far as the boxes are concerned. Therefore this announcement was met with much elation by National's distributors and will, no doubt, meet with equal elation from among the nation's juke box ops.

New Coral Disk Surprise

NEW YORK—Starting in New Orleans and then jumping thousands of miles to Philadelphia and now tearing at a terrific sales pace in Boston, Coral's new surprise disk, "I Never See Maggie Alone," by a new songstar, Kenny Roberts, is causing the music trade to gasp with surprise. It seems no one knows how, why, when or where this all happened, but, in the meantime, Coral execs are smiling happily as telegrams flood in for more and still more of "Maggie."

Capitol Signs New Singing Rage

NEW YORK—At the Royal Roost, Manhattan's "inner sanctum" of modern music, a 24-year-old singing sensation was discovered several months ago. Harry Belafonte, a tall handsome lad, was promptly signed by Capitol Records; and the club's management held him over for 17 consecutive weeks—an all-time record for any entertainer.

Appearances at New York's Apollo Theatre, the Blue Note Cafe in Chicago and Copacabana in Pittsburgh followed, besides his three smash performances in the famed Carnegie Hall. And the popular Pittsburgh *Courier* newspaper awarded him a plaque as the "Most Promising Vocal Find of the Year."

Walter Winchell has acclaimed Harry as the "male Lena Horne" and Earl Wilson "the new singing sensation." Other eminent columnists have also gone out of their way to praise Belafonte, and his career promises to be a fast-rising success. His Capitol platters will be out shortly.

New Barry Kaye Show

PATERSON, N. J. — Beginning with this week Barry Kaye, popular emcee of "The Barry Kaye Show," heard over WPAT from 10 to 12 noon, daily, will inaugurate a new policy of playing the top ten tunes across the country as picked by "The Cash Box," the fast rising barometer in the music business.

THE CASH BOX

"Folk" and "Western" Record Reviews

"A Package Tied In Blue" (2:43)
"Sunny Tennessee" (2:26)

JOHNNY RION
(King 810)

JOHNNY RION

● A grand, grand voice selling a very beautiful tune. A slow, sentimental ballad that has every quality for pulling in nickels, dimes and

quarters for juke boxes. "A Package Tied In Blue," as rendered by Johnny Rion, is bound to win him a grand following. The lyrics are simply gorgeous. On the flip, "Sunny Tennessee," Johnny's in grander voice than ever and with one of the best balanced records at his command produces a cutting here with a nice slow beat and grand lyrics that has every possibility of getting to the top. Just listen in to Johnny Rion who sounds like a grand new, brand new star on the folk horizon and who surely deserves the Bull's Eye for the great disk he's just cut here.

"Why Don't You Haul Off And Love Me" (2:30)

"Think Twice" (2:45)

PETE PYLE
(Bullet 689)

● Featuring some of the most interesting lyrics heard in a long time, Pete Pyle just hauls off and, in very good voice, sells the topside of this platter, "Why Don't You Haul Off And Love Me" for everything that's in it. It's good wax and has plenty of possibilities in many a spot. On the bottom deck, "Think Twice," Pete slows the metro away down to produce a sentimental tearjerker but his baritone maintains that grand quality thruout. Listen in to this platter.

"Evil Mind Blues" (2:31)

"I'm Through With You" (2:32)

SMOKEY HOGG
(Specialty 334)

● An unusually country blues rendition, "Evil Mind Blues" is the feature of this wax. And the way Smokey Hogg laces his way right into the cutting and keeps the side interesting makes this one platter that is sure to capture lots of fans for his type of blues vocalizing. It's got that touch. On the flip, "I'm Through With You," and the way Smokey sings it, by golly he means it. His rhythmic accompaniment comes thru with flying colors on this side and should prove just as good a side as the topside in many a juke box location. Listen in.

"Wednesday Night Waltz" (2:53)

"Mary Dear" (2:54)

COPE BROTHERS
(King 806)

● In slow tempo the Cope Brothers turn out a cutting here that can act as a filler for many a juke box. It's called, "Wednesday Night Waltz," and should do some good for some of those ops who have found waltzes help bring in the moolah. It's in slow tempo and the duet handle it carefully. On the flip, "Mary Dear," the boys again go into a slow, sentimental tearjerker. Listen in and decide.

"Country Boy Blues" (2:46)

"Santa Fe Blues" (2:30)

PEE WEE HUGHES
(DeLuxe 3228)

● Pee Wee Hughes with The Delta Duo to background him does a mighty fair vocalizing stint with, "Country Boy Blues," keeping this side a very busy one to say the least. Pee Wee just talks his way right thru the cutting and doesn't leave the platter for an instant. On the flip, "Santa Fe Blues," Pee Wee gets 'em to rockin' with his blues rhythm. Just listen in and decide.

"If You Don't Want Me Then Set Me Free" (2:52)

"You Don't Love Me" (2:53)

TEXAS RUBY and CURLY FOX
(King 808)

● In medium slow tempo, but featuring a nice toe tapping beat, plus some very neat styling and a well balanced cutting, Texas Ruby and Curly Fox cut, "If You Don't Want Me Then Set Me Free," into wax that has every possibility of winning them lots of new friends. Here's wax that should get your listening time. On the flip, "You Don't Love Me (But I'll Always Care)" the boys speed up the tempo and do another great harmonizing job with fine lyrics and make this cutting something that is sure to get applause.

"The Sheriff And The Posse" (2:25)

"Peek-A-Boo Island" (2:28)

BOB GLEASON
(Broken 1001)

● With Bob Gleason's tonsiling featured and the Ensemble to background him while the K-Bar-O Rangers handles the instrumental backing, a grand new novelty comes to the juke box field in "The Sheriff And The Posse," that may click in many a spot. It's in medium fast tempo and the novelty lyrics are sure to please many folks. Gleason's talking harangue turns this novelty disk into something really unusual. On the flip, an old cowboy lullaby, and one of the sweetest tunes around, "Peek-A-Boo Island," Bob Gleason does one grand job handling this beautiful, soft ballad.

"Jealous Heart" (2:33)

"Fairy Tales" (2:25)

CECIL BAILEY
(Bullet 1083)

● This is the very first time we've heard Cecil Bailey but, if this is any indication of what this boy can do, then we believe there's a new star on the firmament of folk disks. With "Jealous Heart," Cecil cuts one of the best heard in many a moon. And, on the flip, "Fairy Tales," he does just as well, if not better, making either side topside for this platter. Just listen in to this boy—he's got what it takes to pull nickels, dimes and quarters into juke boxes anywhere in the country. What's more, he's got that certain something in his tonsils that's sure to bring down the house when he cuts loose on the two sides featured here.

MUSIC BIZ LOOKS TO MOA MEET

Leaders Agree First Exclusive National Convention of Music Operators Of America in Chicago November 7, 8, 9, Can Open Path to New Ideas and Better Biz for Music Trade

NEW YORK—The forthcoming first national convention of Music Operators of America has begun to attract the attention of leaders in the music field.

Many are now planning to be present in Chicago on November 7, 8 and 9 which are the dates proposed for this first exclusive meet of the nation's automatic music operators.

George A. Miller, Chairman of the Board of Music Operators of America, announced just a week ago that he had already been contacted by many noted members of the recording and publishing division of the music field. He also reported that artists, band leaders and suppliers had written to him. Everyone offered MOA complete cooperation to help make this first convention a great success.

As is well known in the automatic music industry, but possibly not too well in the general music trade, MOA (Music Operators of America) is the national organization comprising all the various city and state music operators' associations in the nation.

In addition, there are many operators throughout the country, where no organizations exist, who have asked to be admitted as independents.

The Executive Committee of MOA meets in Chicago at the Morrison Hotel on September 12 and 13 where plans for the forthcoming convention will be formulated.

These men will discuss the program that is to take place the three days of the convention and will attempt to make this program one of the most informative, interesting and profitable for the entire juke box industry.

Many proposals have already been made as to discussions which the entire membership should hold and some of these are problems which have long needed solution.

Most interesting to all those who will attend the MOA meet in November is the fact that this will be a non-profit meeting. MOA does not wish to sell booths or space and will depend on those who wish to attend and display any merchandise to take over suites for themselves where they can meet with the juke box ops and also discuss business with them.

In fact, MOA is wholeheartedly welcoming the music trade to join in discussions which will be brought up at this first national meeting of the nation's juke box ops.

MOA was created only a few years ago and has risen rapidly in the esteem of the juke box industry. In fact, this publication feels very proud of MOA's successful rise in view of the fact that the organization was actually created in the suite of *The Cash Box* at the Bismarck Hotel in Chicago just a day prior to the opening of the 1947 convention.

The next day an open meeting was held at the Sherman Hotel where the CMI convention was in progress and elections took place along the lines which were first formulated at this meeting in *The Cash Box* suite.

It is interesting to note that some of the better known music publishers as well as practically all the recording companies as well as artists, their managers and public relations agencies are planning to be present at this meet and discuss music with the nation's juke box ops.

Also interesting to the music trade is the fact that everyone of the noted manufacturers of juke boxes will also be present. They intend to take large suites where they will entertain the operators and will show them their latest wares.

In the meantime the word is spreading far and wide thruout the nation from association to association to all independent music ops to come together in Chicago for this exclusive juke box ops' meet. Many have already signified their intention to be present.

It is surprising to old heads in the juke box business to note how the operators are eager to attend, considering the fact that the announcement was made only just a few months back, and that no long pull plans were made for this meet.

It came as a sudden decision of the heads of MOA and has gathered momentum each week with the result many believe that this will be a record breaking convention with practically every firm of any consequence that is engaged in automatic music present when the opening day arrives.

Basch On Martin Disks

NEW YORK—Buddy Basch, well known publicity man here, has just been signed to promote Tony Martin's recordings in the East.

Buddy has had much experience in disk promotion. Some of the most outstanding publicity ideas have been featured by his office to get attention to disks of the noted record artists he handles.

Korn Kobbler Lunch Cinci Music Ops Assn.

CINCINNATI, O.—The Korn Kobbler, long time juke box favorites, now appearing at the Look-Out House here, took time off this past week to lunch leading members of the Automatic Phonograph Owners Association of this city.

They entertained the officers and board members of this association at a luncheon they gave at LaNormandie.

The Korn Kobbler discussed record problems with the ops and were much surprised at the many things they learned regarding requirements of juke boxes in this area as to disks and types of tunes best suited for the machines.

They also advised they are arranging for an extensive promotional drive for their new dinking of the oldie, "San," recently released by MGM.

They will be heard daily over radio station WKRC here popularizing the new tune and also aiding the juke box play of their disks.

Incidentally the Korn Kobbler were first organized in this city about ten years ago and were discovered by Guy Lombardo.

Among those attending the luncheon were: Charles Kanter, Bill Harris, Nat Bartfield, Phil Ostand, Melvin Kahn, Morey Davidson, Stan Fritts, Marty Gold, Howard McElroy, Nels Laakso, Eddie Grosso, Charley Koenig and many others.

First Capitol Disk By Benny Strong Ork

HOLLYWOOD, CAL.—Capitol Records announced this past week that promotion was under way on the new Benny Strong disk, coupling two well known old favorites, "Button Up Your Overcoat" and "That's My Weakness Now," first one for Capitol by Strong.

Capitol Records inked the maestro to an exclusive recording pact. It is reported that his reputation as a singer of old songs was, in good part, responsible for the success of such tunes as "That Certain Party" and "Five Foot Two, Eyes Of Blue."

Ralph Young Gifted With First Happiness Disk

NEW YORK—Ralph Young, who does the vocalizing on the new Happiness label's first disk, "Green As April" backed with "September In The Rain," was gifted with the very first disk to come off the presses by pretty Phyllis Sommers, the firm's promotional director, this past week.

Firm reports that they look to lead this tune right to the top of the charts in very short order. Billy Butterfield and his ork are the back-grounders for the piper.

RCA-Victor Unveils Bluebird Story Thurs.

Csida To Make Announcement

NEW YORK—RCA-Victor will hold a party in their Exhibition Hall, RCA Building here, Thursday evening (Aug. 25), for the trade press, local disk jockeys as well as local RCA-Victor distributors and officials of the firm, to tell the complete story of their Bluebird Records.

It is reported that this will be one of the most important announcements yet made by the firm.

Joseph G. Csida, A & R chief, will make the announcement in an informal talk, it is reported and at the same time, six new Bluebird releases will be given to all those who attend. Five are reported to be pop tunes and the sixth a hillbilly.

This will place the six new tunes in the hands of local disk jockeys to be aired the following day (Friday, Aug. 26) while shipments will be made all over the nation the same day the party takes place.

It is understood that the accent will be toward the juke box ops, due to the lower price of the Bluebird disks (retailing at 46c plus tax), and also because of the artists and tunes which will be featured.

In the meantime the forthcoming announcement has the music trade holding its breath wondering what Bluebird has up their sleeves as to combatting the other inexpensive labels, such as Vocalion, Harmony, Varsity, etc.

Ted Schneider Raves About Mahalia Jackson

NEW YORK—Ted Schneider of Apollo Records sent out one of the most outstanding rave notices ever yet released by this firm regarding the new Mahalia Jackson disks. In the notice Ted calls her, "The Queen Of Gospel Singers," and reports that for the past months he has been receiving letters of praise from the press all "citing Mahalia Jackson."

Congrats To Bradleys

LOS ANGELES, CAL.—Reason for the extended visit of Mr. and Mrs. Richard Bradley (Tower Records) here was to celebrate their 22nd wedding anniversary. Bradleys visited with their son while completing Benny Strong deal with Capitol and enjoying wedding anniversary celebration.

Sig-Hitone To Mfr 45c Unbreakable

NEW YORK—This past week Signature Records announced that it plans to enter the children's field in a big way with a low priced unbreakable record.

Both singles and albums will be released during the fall season; singles to retail at 45c plus tax, hard cover albums to retail at 98c including tax.

First release includes "The Story Of Celeste," "David And Goliath," "Paul Bunyan" and "Wild Bill," all narrated by Victor Jory and "Little Stories For Little People" told and sung by Monica Lewis. Ray Bloch supplies the musical background for all of these albums.

This is the lowest priced 10" unbreakable children's album on the market.

Future releases will include previously un-released albums by singer Connie Haines and radio announcer Ken Roberts.

Sugar Chile Cuts First Capitol Disks

HOLLYWOOD, CAL. — Frankie "Sugar Chile" Robinson, whose piano wizardry and song-styling established him as the entertainment rage of the nation a short time ago, this week signed contracts with Capitol Records, Inc.

For his initial jaunt on wax, tiny Sugar Chile cut four sides in Capitol's new Hollywood studios and two of his inimitable performances will be released in September.

Until this time the young, 46-inch high virtuoso was advised to restrict his routines to personal appearances. In the past year, however, the amazing little fellow has developed into such an accomplished musician that his supervisors felt his abilities could be captured on records, as well as visually.

Accompanying Sugar Chile on his first recording session were bass, and drums by New Orleans exponent Zutty Singleton. Using his incomparable technique of pounding the piano with his fists, knuckles and elbows, Sugar Chile ripped through four boogie woogie selections, shouting his unique interpretation of the blues.

Sugar Chile, with his tutor and father who helps manage him, departed from Hollywood for an engagement in Las Vegas.

Fan Club Prexies Spread Kissing Cheer

NEW YORK—The cute Co-Presidents of The Federated Billy Eckstine Fan Clubs of the New York area, Judy La Bella (left) and Elizabeth Graham, were so excited when they saw this display on their idol's current hit-topper "Crying," they just had to show M-G-M Records' Leo the Lion their thanks by bestowing kisses all over his display.

TV Fades As Juke Box Competitor

NEW YORK—Word coming thru from ops thruout heavily covered television receiver areas is to the effect that as far as tough competition TV has started to fade and that in some centers taverns have started to remove their receivers in an effort to overcome loss of sales while the sets are working.

Newark, N. J., ops who made a survey in their area found that many tavern owners were against television receivers and that many had already removed them. High cost of the larger receivers, plus upkeep and the general loss of business while the sets are in operation decided many location owners to take them out.

Furthermore more and more sets are now going into homes as TV manufacturers crack former high prices

and this, too, has had a good effect on bringing back juke box play action higher than before.

Ops in other cities have also made reports to their associations at general meetings and the belief is now to the effect that television won't be too much of a competitor from now on in. At the same time juke box ops have been able to make better commission arrangements where TV was featured.

The effect is for the TV receiver to cut into the take as much as 50 per cent when it first appears in any location. Gradually, this fades down to about 20 per cent to 25 per cent off average and now some ops report that they aren't even 10 per cent off anymore while others state that TV has even had the effect of perking up the play.

"Hop Scotch Polka" Hops Up Pounds

NEW YORK — Harold Pounds, Sales Promotion Manager in Canada for Columbia Records, visiting the Columbia Studios in New York during a recording session by Bill Gale and His Orchestra, came across this tableau the day Gale recorded "Hop-

scotch Polka."

Left to right: Harold Pounds, Ross Gorman, bagpiper, George Avakian, Manager of the Foreign Records Dept., Bill Gale, and songstress Gwen Davies who did the vocal on the "Hop-scotch Polka."

INDEPENDENT MUSIC OPS TO ATTEND MOA MEET

Large Numbers Of Non-Association Operators Expected To Be Present

NEW YORK—Since the first announcement of the forthcoming MOA nationwide meeting in Chicago during November appeared in *The Cash Box*, independent music operators from every part of the nation have been in communication with both this office and officials of MOA requesting information as to whether they could attend.

The National Committee of MOA has stressed the fact that all operators of music machines are not only welcome, but they are advised that it would be very much to their benefit to attend the meet.

"Our conference will be devoted to national matters affecting the welfare of music machine operators" stated George A. Miller, national chairman of MOA, "and therefore it is just as important for music operators who do not belong to local or state organizations as to those who do to be on hand. It has been our policy since the very

first meeting we held in Chicago two years ago to include in our plans all operators of music machines everywhere in the United States. We realize that in many territories thruout this big nation associations haven't been formed, and that in some instances local conditions are such that the time isn't ripe, and also that there are some rugged individuals who have followed an independent course. However, regardless of any and all local conditions and personalities, every operator of music equipment should be in Chicago attending the meeting of MOA."

From the number of inquiries received at the New York office of *The Cash Box* from non-member independent music operators, it is conceivable that many thousands of coinmen will be in attendance at the Convention on November 7, 8 and 9.

On September 12 and 13, the entire 15 man national committee will meet at the Morrison Hotel in Chicago to formulate plans and complete arrangements for a comprehensive, well organized meet. Altho a program of business meetings will be scheduled, manufacturers of music equipment and all allied industries have been in touch with officials of MOA indicating that they will have hotel rooms displaying equipment, as well as conducting open houses at their factories for the operators who attend.

The Cash Box, which has been following the progress of MOA since the very first day, will continue to report in detail all matters relating to the forthcoming convention.

Cincy Phono Owners Assn. To Meet Sept. 12

CINCINNATI, O.—The Automatic Phonograph Owners Association, this city, will hold its next regular monthly meeting on September 13, at the Hotel Gibson. This will be the first meeting of the fall season, and a large attendance is expected.

At the luncheon meeting of the Officers and Board members this past week, the Korn Kobblers, MGM recording artists, appearing in Cincinnati for personal appearances, were on hand to discuss mutual problems. As a local act, the Kobblers are quite popular in this area.

Members attending the luncheon were: Charles Kanter, Bill Harris, Nat Bartfield, Phil Ostand, Melvin Kahn (MGM records), Morrey Davidson (manager of the Kobblers), Stan Fritts, Marty Gold, Howard (Chief) McElroy, Nels Laakse, Eddie Grosso and Charles Koenig.

Nat Bartfield has just returned from a visit to New York City, where he took in the Charles-Lesnevich fight . . . Howard Zobel, Diamond Vending Machine Co., bragging about his new son, born the latter part of July. . . . Bill Fitzpatrick and family visiting at Sidney, O. . . . Milt Cole and family vacationing at Hazelhurst, Wis. . . . Bill Harris, Ohio Specialty Co., leaves for Michigan on a two week vacation.

AMI Model "B" Cruises Down The River - No Damage

FORT WORTH, TEX. — Harry Hooser, Fort Worth Amusement Company, this city, (AMI distributor) relates an interesting yarn about the durability of AMI's Model "B".

Early in May, Hooser sold this phono to Ed Terry, Terry's Music Company. It was put on location just prior to the big rainstorm that fell that month, which overflowed the Trinity River and flooded many areas. Terry's brand new phonograph was rescued from a flood area by a man in a bathing suit and a row boat. It was floating in twelve feet of water for about twenty-six hours.

"When we finally got it up on dry land" relates Hooser, "we simply turned the hose on it and washed out the mud and dirt. We then plugged it in, and lo and behold, it started to run as if nothing happened."

The machine is now back on location after being taken to the Fort Worth shop, where it was disassembled, the mud cleaned out, and the amplifier and speaker baked out, Hooser stated. He reports that the only parts necessary to replace were two small condensers.

Minneapolis Editorial States "Free Plays Legal As Baby's Rattle"

MINNEAPOLIS, MINN. — The Minneapolis Morning Tribune of August 12 took cognizance of the pinball conditions in this city with an editorial that ran some eight or ten inches.

A special detail in this city, under Pat Walling, has been checking amusement machines and cracking down on equipment that pays off in cash.

The editorial writer analyzes five-ball amusement machines and digs into the psychological effect on the player. "A pinball machine that rewards the player only with free plays is legal as a baby's rattle," writes the editor. "It is no more sinister than a shuffleboard court. With a phenomenal run of luck, a man might conceivably stand before it all day and spend nothing but his original nickel. While this would be a nauseating experience for many persons, the pinball addict would be pleased as punch by the opportunity. To him the free games are nectar and ambrosia. When he drops the ball into the winning hole, he feels like Joe DiMaggio socking a homer with the bases full.

"For this inflation of his ego, he will risk a nickel or even two or

three" continues the editorial. "But he will ultimately escape from the legal pinball machine with his paycheck intact. There is no incentive to feed the baby's shoe money into it. The free game is an attraction, but it is not an irresistible compulsion. It is not a Lorelei luring him on the financial rocks."

Murray and Bill Wiener Join Eastern Vending Machine Corp.

NEW YORK—Lew Jaffa, vice president, Eastern Electric Vending Machine Corporation, this city, announced the appointment of Murray and Bill Wiener as direct factory representatives for their C-8 Electro Cigarette Machine.

Murray and Bill Wiener are two of the foremost cigarette machine sales figures, having been in the business from the very early days of this type of equipment.

World Wide Distrib Adds To Facilities For Fall Business

CHICAGO—Coinmen thruout the years have always looked to September and the beginning of the fall season for a decided spurt in business. However, Al Stern, World Wide Distributors, one of Chicago's leading distributors, is doing more than anticipating a boom in business—he's preparing his organization for it. During the past months Stern has increased his selling staff, as well as his office and mechanical personnel. Now he's making sure his facilities are large and modern enough to handle additional business.

New spraying equipment of the latest type with high compression is being installed and Stern advises that the paint department will turn out even better refinishing work than before. Electricians have been busy this past week setting up a complete new wiring installation to take care of the added load created by the greater activity.

Wally Finke, the firm's manager, has also stepped up the efficiency of the office facilities. Additional secretarial help has been brought in and the newest development in electronic edifone dictating machine equipment has been installed.

THRU THE COIN CHUTE

EASTERN FLASHES

Just returned from a trip thru upper New New State. The resort towns and hotels were doing a capacity business. Restaurants, cafes and diners all doing well, with juke boxes getting a good play, even from early morning tourists eating breakfast. It is quite noticeable that most locations are featuring '48 and '49 model phonos. In checking the records in the machines, it often appeared as if the operator set the phono the first day of summer and didn't make a change since. Of the many phonos seen, few had current hit numbers—and it is interesting that most locations were getting a play on the more recent tunes, such as Vic Damone's "You're Breaking My Heart" and "Again"; Sammy Kaye's "A Room Full Of Roses"; "Four Winds And The Seven Seas" by several musical groups. Those machines that had songs from "South Pacific" included in its selections grabbed off many coins. However, most of the equipment thruout the area featured Folk and Blues records, many of which have been standards thruout the years.

We noticed some amusement machines in several locations. Many didn't have any at all. Pins and one-balls were around, but the play wasn't anything to talk about. Some of the larger taverns featured shuffleboards—all 22 footers.

* * * * *

Coinrow, after suffering thru many weeks of record breaking heat, looks to the fall season to bring a real spurt in business. Meanwhile, the wholesalers report that sale of used and new phonos continues fairly well . . . Harry and Hymie Koepfel, Koepfel Distributing Company, bring in a truckload of used machines, and find they have little trouble in selling it . . . Mike Munves and his missus take a week off from the insufferable heat of the city, and run up to the mountains for some cool, refreshing country air. Max Munves runs the biz during Mike's absence . . . Dave Lowy, Dave Lowy & Company, makes good his recent threat. Altho he had vacationed a few weeks ago, Dave once again takes a week off . . . The Greco Bros. AMI phonograph bowling team wins the championship at a tournament held at Saugerties, N. Y., this past week . . . Barney (Shugy) Sugerman and Irving (Kempy) Kemper, Runyon Sales Company, out on the road contacting the phono ops. Shugy should be back in the office when you read this . . . Morris Rood, manager of Runyon's New York office, reports that "California Shufflepins" has been okayed by ABC for operation in taverns thruout the state of New Jersey, and a license for New York City should be forthcoming any day. The firm is distributors for this amusement game in New York, New Jersey and Connecticut.

* * * * *

In a discussion the other night with several of New York's leading coinmen, Miss Brodsky of Young Distributing Company (Wurlitzer distributors) was acclaimed as one of the most pleasant, intelligent secretaries connected with the coin machine business . . . Harry Berger, West Side Distributing Company, developing quite a rental biz. Harry rents out amusement games to ops here for a nominal sum . . . Al Simon, Alfred Simon, Inc., Chicoin rep, reports a big demand for "Golden Gloves," the company's new five-ball. He also states "Beacon" shuffleboard amusement game going very well . . . Dave Stern, Seacoast Distributors, Newark, N. J., distributing Walt Disney Charm Characters for bulk merchandisers, tells us that operators have found this merchandise a great stimulant for their machines . . . Joe Munves' "Kleenex" vendor attracting a great deal of attention from all types of operators. Many run routes of music and amusement equipment, but tell Joe it is their intention to expand their activities into the vending field in addition.

DALLAS, TEXAS

Arthur Flake is back in the business but not coin machines. We hear talk that Arthur is a newly elected distributor for vacuum cleaner machines. His side kick, Jack Hall, is right along with him . . . John Kyser and his wife were in Dallas for the first time in many months . . . J. D. Armstrong Jr., Lam Co., Glen Rose and Cleburne, was really fighting the heat in Dallas . . . Sales Manager G. C. McCain, Automatic Products, is spending a few days with George Wrenn, Walbox Sales, and Fred Barber of the same company who returned from an extended vacation in the West to report that after visiting with various distributors, he found business to be very good. Walbox is making delivery on Bally's "Clover Bell" console and Chicago Coin's new creation "Golden Gloves" . . . Used up a day chatting with Irv Katz of Apollo Records. Irv not only visits his distributors but calls on ops and dealers.

Benny McDonald and Clarence Cleer, Ft. Worth operators, seen here and there . . . Mrs. R. A. Titsworth, Athens and Corsicana, hurrying like mad to get back to Corsicana . . . Buddy Clem, Paris Music Co., gave me a fine speech on the merits of The Cash Box . . . Dashed over to Commercial Music to find Tommy Cattan cleaning his Gun . . . "What for?" I cried, and Tommy replied "Dove season is just around the corner!" . . . Tommy invites any and all operators to go along . . . While there I chatted with Frank Emerson, H. H. Cotton, Red McCullum, and Russel Burns . . . Buster Loicana, Big State Novelty Co., was screaming for help when he received a carload of "Photo Finishes" . . . Bob De Priest is showing off a new Olds convertible . . . Joe Magnani, M & M Music Company, bought himself a strip of beach in Galveston . . . Mac McClister, Ft. Worth, back in circulation again . . . Jimmy Garret says he needs a vacation, and soon. Knowing Jimmy as well as we do, we doubt that he will get more than a hundred miles from Longview . . . G. C. Ormand, O.K. Amusement, brought his wife to Dallas for a little shopping . . . Last time we saw her, she was headed for Neiman Marcus . . . The operators are still talking about Fred Dobb's "Red Red Wine."

The Confidential Weekly of the Coin Machine Industry
EMPIRE STATE BLDG., NEW YORK 1, N. Y.

CHICAGO CHATTER

These past few weeks we've noticed a very definite, optimistic outlook among the coinmen here that we've spoken with. The boys appear to have regained the old enthusiasm that many of them lacked in previous months. As one coinman put it to me, "The start of the new fall season is like a shot in the arm to the men in this business. They turn the old page and start a new one; things really start to perk at the coin factories and," he stated, "coinmen once again display that old punch that helped them to build the coinbiz into the great industry it is today" . . . Over at Bally Mfg. Co. the boys were talking about the recent All Star Football game which they attended with several of their distributors. Tommy Callaghan tells us they really enjoyed the game, even tho the score was slightly one-sided. The visitors also managed to take in a couple of baseball games with the boys from Bally, then wound up their stay here with a party over at the Chez Paree. "And," says Tom, "a fine time was had by all" . . . Al Bergman and family, Bally distrib from Buffalo, N. Y. (Alfred Sales, Inc.) were reported as recent visitors to the factory.

Genco Mfg. Co. officials all enthused about their new five-ball game, "Camel Caravan." They state the game proved very successful on test location and has now been placed in full production. Genco officials expect that "Camel Caravan" will prove another sure fire winner . . . Mel Binks, prexy of Universal Industries, reports that deliveries are now under way on their Automatic version of "Photo Finish," and the reaction so far has been more than favorable . . . We hear from Wally Finke that the boys over at World Wide Distributors are keeping plenty busy, going full speed ahead with plans for their new expansion program. World Wide's headquarters are really getting an overhauling. Showrooms, servicing quarters, and, even a new roofing job done. "It's a case of giving it the works," says Wally.

O. D. Jennings Co. back in full swing this past week, resuming operations after a two week vacation period . . . John Neise, sales manager for Jennings & Co., informs us that he's received many inquiries regarding their new line of penny bell equipment. John stated that operators are showing interest in penny equipment, and he feels that this type of machine will once again prove very popular . . . Called over at Exhibit Supply this past week and found Charles Pieri still away on biz and Clare Meyer still traveling thruout the New-England states . . . Frank Mencuri tells us he's one of those in and outers. "I never know when I'm apt to take off on a trip," says Frank, "it's always one of those last minute decisions with me" . . . Exhibit is now making deliveries on their new five-ball "Playtime" and from all reports, the game is slated for lots of fast action with orders pouring in from ops and distrib.

R. L. Budde, assistant to the president of ABT Mfg. Corp., announced that the firm continues to hit hot and heavy with their large capacity coin boxes, for use with coin scoreboards . . . Budde also talked about penny play and stated that from all indications, he believes it will prove a great boom this year to the coinbiz . . . Monarch Shuffleboard's president, Roy Bazelon, reports that they are set to make initial deliveries on their two new model scoreboards . . . Grant Shay, vice-prexy of Bell-O-Matic Corp., reports they are now delivering the Mills Regal Cabinet Bell. Meanwhile, Bell-O-Matic continues to click with their "Duplex" and "21" Bell . . . The gang over at Buckley Mfg. Co. all rarin' to go after their recent vacation. Jerry Haley tells us that everyone is hard at work, all anxious to catch up on the backlog of orders on Criss Cross Bell.

Sam Stern, vice-prexy of Williams Mfg. Co., reports that production has been set up in their new plant at 4242 W. Filmore, and the offices will be moved to the new headquarters within the next two weeks. The building is a one story affair that covers 40 thousand square feet, and from all reports, it's really going to be something to see. Sam also announced that Williams is planning several new type machines that will be released soon . . . Lots of talk here about the forthcoming September meet of the National Coin Machine Distributors' Association (NCMDA). S. I. Neiman, Public Relations Chief, is one mighty busy guy these days, planning and preparing for the event. "Any efforts that have been put forth are worth it," says Neiman. "Everything points to the fact that the meeting will be a big success, and that's what we're mainly interested in" . . . Looks like Bill Billheimer of Como Mfg. Co. is in for a busy fall season. The Como factory is really humming with activity and it's expected that Bill will soon be ready to break with something new for the trade.

Lou Kummerow of Rock-Ola Mfg. Corp., another very, very busy coinman, taking over Art Weinand's duties while Art's away on vacation. "And," he tells us, "I sure will be glad to see him back" . . . Lou, who just recently returned from a five week tour of the western states, had some very encouraging reports to make. He informed us that collections were up and constantly increasing. Lou also went on to say that while on the road he noticed a definite upswing in business, and stated that most all of the coinmen he had spoken to expressed a very optimistic outlook for the future . . . It was announced this past week that George Murdock had been appointed as the Western Regional Manager for Rock-Ola . . . J. H. Keeney & Co. continues at a busy pace, trying to meet the demand for the increasing number of orders . . . John Conroe, vice-prexy of Keeney & Co., states that the initial reaction on the firm's new double-face scoreboard has been even greater than they expected. According to John, it's clicking in a real big way.

A. P. Sauve of the A. P. Sauve Co., Detroit, Mich., paid a visit to the Chicago Coin plant this past week, looking over their games and new equipment. Sam Lewis tells us that Sauve had only the highest praise for Chi Coin's line, and seemed especially impressed with their new five-ball, "Golden Gloves," which is attracting much attention from the field . . . Joe Calderon of AMI back in harness again after a two week vacation . . . Talked with L. C. (Lindy) Force who informed us that Harry Hooser of the Fort Worth Amusement, Fort Worth, Tex., recently visited AMI's loop offices . . . Called over at United Mfg. Co. and found Billy DeSelm 'out for the afternoon.' Was informed, however, that Billy's been keepin' mighty busy with United's two new hits, "Utah" and "Shuffle Skill." Both are reported to be creating quite a stir amongst ops and distrib.

CALIFORNIA CLIPPINGS

Despite avowed summer slump, some of the lads along the Row reported a pickup in business this past week, apparently from the summer resort trade . . . Among those who didn't have the crying towel out was Dannie Jackson of Automatic Games, whose George Warner was up to San Berdoo seeing a man while Sammie Donin was taking inventory of the nurses at Queen of Angels Hospital where he was recuperating after an abdominal operation . . . Charlie Fulcher has left Mills and is now back with the Oakland brew distribs for whom he formerly worked . . . Mills manager Mark Jennison taking some hard cash from a customer while we were in and then proudly reported how those "Dial-a-Drink" machines are going . . . He sold the last one right off the floor and is awaiting a fresh shipment . . . Like the good secy she is, Phyllis at Joe Peskin's clammed up on us but we managed to worm out that the boss was still in Chicago and sales manager Walter Solomon was AMing up around San Diego . . . We gave out of subtle queries before getting around to Paul Silverman.

At Ray Powers, Nels Nelson and Mrs. Bergstedt of the Hercules Shuffleboard were weathering the heat by chatting about the nice, cool vacation spots other people were enjoying . . . Aubrey Stemler has hit the Northwest trail, planning to cover Oregon, Washington and Montana in behalf of NH Hangover Pills and the "Koffee-King" . . . Al Bettelman taking five at C. A. Robinson's and we decided to pop in and pay our respects, being handsomely rewarded for our efforts by a nice kibitz session with Al and a friendly smile from his boss . . . Seems Al also misses Mary Sims, his former neighbor of Western Shuffleboard, who taught him the finer points of the game (when we weren't around) . . . Cele Padwa, Jack Simon's secy, heading for a weekend at Lake Arrowhead and figuring on as big a time as the tariff would bear . . . Jack was somewhat cheered up by hearing that his sister and grandniece weren't seriously hurt in that automobile accident in Indianapolis.

W. R. Happel, Jr., was another who reported an upsurge in action, particularly in the console and one-ball dept. (all on free plays, of course) . . . W. R. graciously hosted us to a nice cooling drink of Frostee Orange from the Refreshomat machine, which handles for a surprisingly reasonable price and dispenses one of the finest, non-carbonated beverages we've ever tasted in the non-alcoholic field . . . Understand Al Silberman is really moving the machines out for Badger Sales . . . On vacation to Lake Tahoe, Carmel and Virginia City were Hank and Louise Schmidt of the Happel staff . . . Hurrah for us, finally outshuffled Charlie Daniels on the Royal board at Paul Laymon's (mebbe 'cause we were playing for a tall, cool one) . . . Paul and Lucille and the boys were all pepped up over Genco's new "Camel Caravan," which looks like something extra nice in 5-balls . . . On the Row: Lloyd Barrett, back to Pomona from his Eastern vacation . . . Mr. and Mrs. Roy Garrison and daughter from Phoenix . . . Ivan Wilcox of Visalia . . . Inyokern's Roy Jones, Jr. . . . Clyde Denlinger from Balboa Beach . . . P. M. Mayberry of Sanger . . . Santa Monica's Bob Fossum . . . William Sparrow of Santa Barbara . . . Lela Smith from Barstow . . . Glendale's E. E. Bryant . . . Carl Collard and I. B. Gayer of San Bernardino . . . Perry Irwin from Ventura . . . R. B. Jones of Deming, New Mexico.

MINNEAPOLIS—ST. PAUL, MINN.

With the weather turning cooler, operators are starting to put out more equipment. Also, now that the farm work is almost all done, there are more players to play coin operated machines.

Gordon Stout of Pierre, South Dakota, dropped in and visited the different distributors. Inasmuch as Gordon doesn't make very many trips into the Cities, it was indeed a pleasure to see him . . . J. B. Seglem, operator in Duluth, Minnesota, was in town doing some shopping . . . Al Jahn of the well known operating firm, Jahn & Schaller, drove into the Twin Cities in his truck to pick up some new equipment which he needed for his operations . . . Mr. and Mrs. Morris Anseeuw of Minnesota, Minnesota, were in town and stopped in at the Hy-G Music Company. While Morris was doing the shopping, Mrs. Anseeuw (who incidentally is looking very fine after her recent operation) was in the record shop, listening to records.

Stanley Matyas and wife of Moose Lake, Minnesota, were in town and Stan said that he couldn't get back to Moose Lake soon enough because it was too warm in the Cities here for him. He sure must like the cool north . . . Herman Paster of the Paster Distributing Company of St. Paul, Minnesota, made a quick trip to Milwaukee, Wisconsin, to check up on matters there . . . Ed Swanson of Moose Lake, Minnesota, was in town alone. Usually his partner, Ted Anderson, takes a trip in with him, but Ed said that they were busy and only one of them could get away to buy the necessary parts, records, and equipment which they need for their route.

Sid Levin of the Hy-G Music Company has moved into his new home in St. Louis Park, which is a suburb of Minneapolis, and is now a suburbanite . . . Solly W. Rose of the Hy-G Music Company and his wife are vacationing at Detroit Lakes, Minnesota, and should be raring to go when he gets back on the job . . . Walter Lord of Ironton, Minnesota, was in the Twin Cities purchasing Phonograph equipment . . . Paul Felling of Sauk Centre, Minnesota, in town for the day visiting the various distributors and buying records. Paul says that now that farming is just about over, he will be able to spend more time on the route . . . Pete Wornson of Kasota, Minnesota, was in town shopping for equipment, and a pair of pants.

Stanley Mager of Grand Rapids, Minnesota, was seen in town and when he left, his truck was fully loaded with phonographs and Pin Games.

How To Use "The Confidential Price Lists"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists", rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week: Second price listed is highest price. Where only one price appears this should be considered lowest price.
