VOLUME 13

OCTOBER 20, 1951

NUMBER 4

Pee Wee King (center) is so impressed with the sights in the Big City that it takes a lot of urging to get the "Slow Poke" to move on. Pictured in Rockefeller Center during his recent quick trip to New York, Pee Wee King is shown getting the treatment from fellow RCA Victor folk and western artist Rosalie Allen and from Charlie Adams, general manager of Ridgeway Music, publisher of "Slow Poke", Pee Wee's latest Victor smash.

COIN OPERATED "ENTERTAINERS"

The biggest problem facing the nation's music operators since the beginning of the postwar period has been. "How can we earn a decent living?"

The Cash Box was the one and only publication that came to the fore with constructive suggestions in this regard.

Since then, operator after operator, everywhere thruout the country, has complimented this magazine on its foresight, its truthfulness and fearlessness, and its intelligence in presenting the proper constructive viewpoint to the field.

The Cash Box, long, long ago, recommended 10c per play, 3 plays for 25c. Then suggested, when timidity and hesitation became apparent, that ops shut off the 5c chute. Run 2 plays for 10c, 6 plays for 25c. In some cases this worked rather well. But, many still took a dim view of this proposal.

So, to help show the operator the way, (the very men who were paying anywhere from 150% to over 400% more for supplies, machines, labor and other overhead expense up and above what they paid prewar) The Cash Box then suggested that the field turn to a 70%-30% commission basis.

This, The Cash Box pointed out, was a much more equitable commission-percentage arrangement than the old and worn out standard 50%-50% commission basis. Many went to 60%-40%. Some even went to 75%-25% commission basis.

But, the more commission that was dragged out of the location, the less cooperation the operators found they were getting from location owners.

Why? Simply because when the location owner didn't get as big a "cut" as he formerly did, regardless of the fact that the juke box operator could no longer continue on the old basis, these owners lost interest in the equipment (which was earning them profit) and just allowed the juke box to sit itself out, day after day, in their stores.

Then it was that The Cash Box, as this twilight period between peace and war started to come into being, pointed out that the one and only way in which the operator could assure his future and earn a decent living was by adoption of dime play.

The Cash Box pointed out that, even if the operator could obtain only half the number of plays at 10c that he used to get at 5c, he would still be earning just as much. But, he would actually be earning more, for he would have 50 percent less service calls, 50% less wear and tear on his equipment, thereby allowing that equipment to look new and last longer, which meant more money to him all around, especially as defense production began to take away materials and machine production fell down lower and ever lower.

Only because the juke box operators were beat. They were down to the point where they were losing money steadily, did they pay attention to this crusade on the part of this publication. (And this was long before O.P.S. came into the picture).

Men tried. Tested. To see whether dime play would work. And it did work. More and more juke box operators swung over to 10c play, regardless

of the expense. And, at long last, began to see their way out of that morass of red ink in which they were mired, enduring loss on loss.

Then along came some beverage publications that believed in publicity of any kind to capture attention. They pointed out that these incoherent, unspeaking, inactive, "coin operated entertainers" could not (because of O.P.S.) increase prices from 5c to 10c.

Why? Because that was earning more money (or at least beginning to show a few bucks profit to the tavern owners. That just couldn't be right. Why couldn't it be right? Well, there was O. P. S. (Office of Price Stabilization) and maybe that agency wouldn't agree, too. (These publications interpreted the law as they saw fit.)

Tho there is printed right in the original O. P. S. Regulation that they haven't, and just couldn't get around to every industry, yet the Overriding Regulation advises that "entertainers" are exempted from any and all price control.

Furthermore, O. P. S. was created to stop anything that would, in any fashion whatsoever, tend to hike higher the cost of living.

Surely, a coin operated entertainment (which the juke box most definitely is) sitting on the floor of some dimly lit tavern, somewhere on Main Street, U. S. A., isn't affecting the cost of living?

Most certainly, if that juke box is "entertaining" the nation's workingmen and working women, then it is "helping", not "hindering". continued high scale defense production.

How then, does an "entertainer" (a "coin operated entertainer") like a juke box come under price control?

How does this dumb, incoherent, unspeaking instrument affect the cost of living?

How does it, in any fashion whatsoever, come into the picture where defense production is concerned?

Furthermore, what else can a juke box be labeled than an "entertainer". A coin operated "entertainer" of course, but an "entertainer" regardless.

Is there then, something in the code of life and incoherency, which is part of life, that would, in any fashion whatsoever, differentiate between materialism and humanism than isn't, in its own right, entertainment?

The same song that the artist entertainer sings. The same tune that the band entertainer plays. Isn't that what the juke box "entertainer", too, is repeating?

Surely, then, how can juke boxes be labeled anything else but "entertainers"?

For "entertainers" they are.

And if they must obtain a dime for the song they sing or play, surely this tune, like that of the "live" entertainer, should be most completely, definitely and conclusively exempted from any and all price control, according to Overriding Regulation 14 of the Office of Price Stabilization.

Pos. Last Week

Folk and western music has come into its own in a BIG way. During the past couple of years, sales of hillbilly records have grown to represent almost 50% of the total amount of records sold by the nation's leading manufacturers. This is a spectacular rise from the 15 to 20% folk music used to sell only a decade ago.

From every sphere of our national activity has come recognition of the important part which this music is now playing in the pop pictures. Nation-wide publications of every sort have been focusing their best efforts on Nashville to see what makes this Tin Pan Alley of the folk and western world click.

Now two of the country's most respected publications, The Wall Street Journal and Time Magazine, have, in one week, taken cognizance of the place which this music holds in our culture.

Says The Wall Street Journal: "Phonograph records account for the biggest number of dollars people spend on hillbilly music. WSM (the radio station from which Grand Ole Opry originates) figures 25 million records with country tunes by its Opry artists will be sold this year; that's \$22,000,000 worth at retail".

TWENTY FIVE MILLION RECORDS WORTH TWENTY TWO MILLION DOLLARS.

And that takes in only the artists who appear on Grand Ole Opry. Add to this the records of all other country artists and you have a total undreamt of just a few years ago.

Naturally the juke box industry has been effected by this swing to country music. And just as the juke box operator is, collectively, the single largest purchaser of pop records in the nation, so is he also the greatest buyer of folk and western records.

In the past decade, as the popularity of this type of music has grown continually greater, the number of folk and western locations has increased in proportion. Moreover, there is hardly a pop location in the country today where some record is not of the hillbilly type or based on a hillbilly tune. This is a development unheard of a few years back.

What is the appeal of country music that has made its sales skyrocket so?

The answer is simplicity.

For in the sentimental, religious and novelty tunes of the hillbilly world are expressed the clear down-to-earth feelings which reach everyone. Hillbilly music is the kind of music which is understandable to all. It tells a story simply, forthrightly. It has a tune which you can sing. It is accompanied by instruments which are readily recognizable.

In short, hillbilly music is the people's music. It's the music which strikes the chord of recognition and therefore of acceptance.

When analyzed then, the rise in popularity of folk and western tunes is no longer surprising but quite comprehensible.

For in this complicated world of ours, with problems beyond the reach of solution by almost all us, who, in his entertainment, doesn't want the thing he can understand and participate in? And this is to be found in the folk and western music which has become so much a part of our lives in the past decade.

The rewards for the development of this music have been great—and great not only for those directly involved with it, but for everyone in the music field. For when a customer puts his coin into a juke box to play a record he wants to hear, that coin reaches everyone connected with the business.

And so all the music industry owes a debt of thanks to those who look upon Nashville as the center of their activities. For while they have been building up a business for themselves which reaches high into the millions of dollars each year, they have, at the same time, been stimulating other fields, inspiring the artists, writers and A & R men who give us different types of music, creating sales for the entire music business.

The hillbilly no longer belongs just to backwoods areas. He's really gone to town.

Record Reviews

Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

"BLUE SKIES" (2:49)
"DON'T BLAME ME" (2:52)
ROBERT FARNON ORCH.
 (London 1063)

● Robert Farnon and his orchestra play around with two oldies here and make them sound as good as ever. The first half is the Irving Berlin standard which gets a grand orchestral treatment while the second half starts off very heavy and then goes into a lighter vein. This should get a play.

"YOU'RE NEARER" (2:49)
"BUTTON UP YOUR OVERCOAT" (2:52)
TED HEATH ORCH.
 (London 1057)

● Ted Heath and his orchestra, which always make good music, run through two pieces here which should enhance their reputation. The first one is a ballad with Stan Roderick giving out on the trumpet while the second one is a standard done smoothly. Ops oughta take a listen.

"HE LIKE IT; SHE LIKE IT" (2:53)
"POCKET PETE" (2:49)
EDMUNDO ROS ORCH.
 (London 1041)

● Edmundo Ros is at it again this time offering a calypso number on the upper level. Edmundo handles these tunes in appealing style and makes them potential moneymakers. The lower end is in samba rhythm, fast and danceable. For the right spots, these will gather coin.

"SLOW POKE" (2:30)
"I WANNA PLAY HOUSE WITH YOU" (2:05)
HELEN O'CONNELL
 (Capitol 1837; F-1837)

● Helen O'Connell drifts into folk fields for her two numbers on this platter. The top deck is a cute novelty which she does well and which sounds fine as a pop tune. The second side is also a novelty done fast by Helen. Our nod goes to the upper half.

"A KISS TO BUILD A DREAM ON" (2:52)
"CHEATIN' ON ME" (2:37)
KAY BROWN
 (Mercury 5710; 5710 x 45)

● A tune that's being recorded all over the place gets another go from Kay Brown. Kay handles the lyrics in acceptable fashion as Pete Rugolo makes with the music. On the lower half she sings the blues with Harry Geller backing her up. Ops might take a look.

"UNCLE MISTLETOE" (2:24)
"WHEN CHRISTMAS ROLLS AROUND" (2:32)
EDDY HOWARD ORCH.
 (Mercury 5722; 5722 x 45)

● Eddy Howard is getting ready for the Christmas rush with two new tunes aimed at the holiday trade. The top one is a cute little ditty which the kiddies should enjoy, while the second one is in a slower vein and aimed at a larger audience. Ops are gonna have plenty of Xmas material to chose from this year.

DISK OF THE WEEK

The editors of THE CASH BOX feel that both of these records offer equally fine interpretations of the same song and are therefore having them both share the Disk Of The Week award.

"NEVER" (2:50)
"ONCE" (2:50)
TONI ARDEN
 (Columbia 39577; 4-39577)

TONI ARDEN

● Toni Arden has one of the loveliest tunes heard here about in a long while and her interpretation of it should be the disk she's been waiting for. "Never" has a terrifically appealing melody and a listenable lyric which should keep it at the top of the heap for many months. Ops are gonna be collecting coins on it for a long while also. With Percy Faith providing a beautiful orchestration, Toni does some of her best vocalizing to date. The second half too is a likely new ballad on which the thrush again turns in a first rate performance. This is a grand disk however you look at it. It's gonna be a moneymaker.

"NEVER" (2:49)
"CALIFORNIA MOON" (2:39)
DENNIS DAY
 (RCA Victor 20-4285; 47-4285)

DENNIS DAY

● A tune right from the sound track of "Golden Girl" provides Dennis Day with one of his most potent disks. The singer really gives out as he runs through this lovely number "Never" in great style. Starting off in somewhat subdued manner, Day builds up in volume for a sock finish which should attract plenty of coins to hear it again. The lower end is a pleasant waltz which he also handles well. Both sides are backed by Lionel Newman and his orchestra. The side to watch is the first one. It has all the possibilities of being a smash for Day and a bonanza for ops.

"ORIENTAL BLUES" (2:55)
"SAN ANTONIO ROSE" (2:45)
JAN AUGUST
 (Mercury 5725; 5725 x 45)

● Jan August comes up with a fascinating side. Playing the piano for all he's worth Jan lends a terrific amount of interest to this dynamic piece. The second half is another piano solo of a tune which is taking off in folk locations. The top deck shouldn't be missed.

"THAT OL' BLACK MAGIC" (3:38)
"I CONCENTRATE ON YOU" (2:38)
BILLY DANIELS
 (Mercury 5721; 5721 x 45)

● The tune that skyrocketed Billy Daniels to the top gets another cutting by him on this disk. Giving it that same belting treatment, Billy is accompanied by Russ Case's orchestra and Benny Payne at the piano. The reverse is another oldie again done in his typical manner. This will do ok in the boxes.

BEST BETS

In the opinion of The Cash Box music staff, records listed below, in addition to the "Disk" and "Sleeper" Of The Week, are those most likely to achieve popularity.

- ★ "I RAN ALL THE WAY HOME" ... Sarah Vaughan ... Columbia 39576; 4-39576
- ★ "THE END OF A LOVE AFFAIR" ... Dinah Shore ... RCA Victor 20-4286; 47-4286
- ★ "UNFORGETTABLE" ... Nat "King" Cole ... Capitol 1818; F-1818

"THE BLONDE SAILOR" (2:59)
"SYMPHONY IN 3/4 TIME" (2:41)
KEN GRIFFIN
 (Columbia 39566; 4-39566)

● Ken Griffin has a couple of instrumentals which he does ok with on this disk. Both ends get Ken's fine organ playing as he runs through the numbers with finesse. The top deck is a steady paced item while the lower half is in waltz tempo. Ken's fans are gonna like this.

"THERE SHE GOES" (1:50)
"ALWAYS, ALWAYS" (2:45)
PERCY FAITH ORCH.
 (Columbia 39556; 4-39556)

● A novelty based on an old theme gives Percy Faith a likely side. With the chorus singing it in lively fashion, this tune gets a good working over. The second side is a ballad with Peter Hanley doing the vocal. This splicing should make for good filler material.

"NEVER" (2:10)
"WHEN I SAW YOU" (2:40)
RAY BARBER
 (Mercury 5719; 5719 x 45)

● A tune that's headed for a big play receives Ray Barber's treatment on the upper level. Ray is accompanied by a chorus and Russ Case's orchestra as he wends his way through this lovely piece. The lower end is another ballad which he does in similar fashion. Again it's Russ Case on the backing.

"IT'S ALL IN THE GAME" (2:50)
"TENDERLY" (3:08)
RALPH MARGERIE ORCH.
 (Mercury 5716; 5716 x 45)

● Ralph Marterie's has two wonderful songs to work with here. The first one is a current hit which he offers pleasantly with Buddy Charles on the vocal. The bottom end is an oldie done in slow and dreamy fashion. This is fine for those who like their music soft.

"GONNA WALK WITH MY LORD" (2:22)
"EACH STEP OF THE WAY" (2:37)
JIMMY WAKELY
 (Capitol 1838; F-1838)

● A religious tune in spiritual vein is dished out here by Jimmy Walker. Jimmy makes this an exciting side as he and the chorus sing out to piano backing. The bottom half is in slower vein, another religious number done well by Jimmy. His followers should like this one.

"NOW, NOW, NOW" (2:40)
"ALWAYS, ALWAYS" (2:32)
JUNE VALLI
 (RCA Victor 20-4298; 47-4298)

● A tune based on an old Hebrew melody introduces June Valli to the recording world. June handles the vocal very nicely as Hugo Winterhalter provides the orchestration. The second side is in slower tempo and again she does ok. Ops oughta tune in and listen to this girl.

Record Reviews

Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

"UNFORGETTABLE" (3:08)

"MY FIRST AND MY LAST LOVE" (3:15)

NAT "KING" COLE
(Capitol 1818; F-1818)

● A highly appealing ballad is offered here by Nat "King" Cole. Giving it his typical wistful vocal, Nat makes this a potent item. The second side is based on an old theme and it gets a new set of lyrics. The top deck is the one to watch.

"I NEVER WAS LOVED BY ANYONE ELSE" (2:52)

"SAN SOUCI" (2:48)

BOB CROSBY & GIZELE MacKENZIE
(Capitol 1826; F-1826)

● Going into march tempo, Bob Crosby and Gizele MacKenzie sing out this likely number in grand fashion. It's a very lively driving side which has a tremendous kick. The lower end is a novelty which also gets an ok rendition from the pair. The upper half gets the nod.

"FAREWELL BLUES" (3:10)

"KING PORTER STOMP" (3:10)

BENNY GOODMAN
(Columbia 39564; 4-39564)

● The Benny Goodman Sextet takes over on the top half and makes with exciting music. With Benny's clarinet and some excellent drum work standing out, this side should delight his fans. The lower half has the orchestra doing the work and again the music is fine. In the right locations, this one should be strong.

"AND SO TO SLEEP AGAIN" (2:50)

"THE GLORY OF LOVE" (2:45)

PAUL WESTON ORCH.
(Columbia 39569; 4-39569)

● A ballad which is heading for great things gets another push in a rendition by Paul Weston's orchestra and the Norman Luboff Choir. Both groups combine their talents to make this end right. The lower half is standard on which they again let go. Ops will do ok with this disk.

"PAINTING THE CLOUDS WITH SUNSHINE" (2:35)

"LITTLE JUMPING JACK" (2:10)

THE THREE SUNS
(RCA Victor 20-4287; 47-4287)

● An unusual rendition of a standard is dished out on the top level by The Three Suns. Going strong instrumentally, the boys give this one a slow deliberate rhythm. The bottom half is a novelty with a lot of whistling intermingled with the music. Ops might take a listen.

SLEEPER OF THE WEEK

"BEYOND THE BLUE HORIZON" (2:49)

"I NEVER WAS LOVED BY ANYONE ELSE" (2:52)

HUGO WINTERHALTER ORCH.
(RCA Victor 20-4288; 47-4288)

HUGO WINTERHALTER

● Hugo Winterhalter comes through with a very exciting side which could easily break out and go. This dynamic piece is the oldie "Beyond The Blue Horizon" done in terrific tempo with wonderful instrumentals and a chorus that fits into the spirit of the thing. This is the kind of disk which ops are gonna hear time after time, for one play can hardly be enough.

Hugo gives the impression of a train on this one and all the music and singing blends into that vein. This side is headed for great things. The lower half too makes for good listening with a march tempo predominating. Here again the chorus and instrumentals blend well to make for a listenable side. But the big one is the top half. Ops are advised not to miss it.

"A LOVER'S WALTZ" (2:57)

"ON ROSARY HILL" (2:33)

GIZELE MacKENZIE & GORDON MacRAE
(Capitol 1807; F-1807)

● Gordon MacRae and Gizele MacKenzie team up to give out with a couple of duets in pleasant style. Each tune is offered in the same slow easy going manner and each end makes for simple listening. Ops in the quiet locations should get a play from this one.

"THE LAST TIME I SAW PARIS" (2:47)

"JUST ONE OF THOSE THINGS" (2:52)

BUD POWELL
(Mercury 11083)

● A couple of standards provide Bud Powell with good material for his piano playing. Each one of these lovely tunes gets a resourceful workout from Bud as he sends the keys weaving in and out of the melody. For customers who go in for intricate arrangements, this is it.

"THEY CALL THE WIND MARIA" (2:45)

"MOONGLOW" (2:57)

VOICES OF WALTER SCHUMANN
(Capitol 1812; F-1812)

● The chorus directed by Walter Schumann gets closer to a hit with every side. Here the members have a dynamic number to work with and they certainly know what to do with it as William Reeve takes the solo. On the second side they try an oldie in slow fashion with Eddie Miller doing the solo. Ops shouldn't miss this.

"THE CLOSER YOU ARE" (3:18)

"LET THE WORRY BIRD WORRY FOR YOU" (2:39)

GLORIA DE HAVEN
(Decca 27781; 9-27781)

● Gloria De Haven has two different types of tunes to offer here. The first one is a ballad which she handles softly while the lower half is a novelty with a happy theme. Both ends do ok musically as Dave Barbour and his orchestra back up the vocalizing.

"MOM'S AND DAD'S WALTZ" (2:53)

"THAT'S WHAT I WANT FOR CHRISTMAS" (2:10)

TONI HARPER
(Columbia 39571; 4-39571)

● Toni Harper takes a little ditty that's currently going strong in the folk field and gives it her own type of interpretation. With Buddy Cole and his trio in the background this makes for good listening. The bottom half starts the avalanche of Christmas items we should be getting from here on in. This one is an oldie which Toni does in fine style.

"I RAN ALL THE WAY HOME" (3:06)

"JUST A MOMENT MORE" (3:10)

SARAH VAUGHAN
(Columbia 39576; 4-39576)

● A lovely ballad gets a first rate working over from Sarah Vaughan on the top half. Sarah gives this a slow, definite treatment as Percy Faith directs the orchestra. On the bottom end she does another piece in her typical manner. The top half looks very strong.

"THE END OF A LOVE AFFAIR" (2:30)

"GETTING TO KNOW YOU" (2:30)

DINAH SHORE
(RCA Victor 20-4285; 47-4285)

● A wonderful song is given a vocal to match by Dinah Shore. Dinah sings this ballad with great feeling as Henri Rene provides just the right music. On the lower end she offers a pleasant item from "The King And I." Ops should get a play from both of these sides.

"I WANNA SAY HELLO" (2:06)

"THE SWEETHEART WALTZ" (2:45)

LAWRENCE WELK ORCH.
(Coral 60575)

● A very dynamic side is dished out here by Lawrence Welk and his orchestra. Robert Linn handles the lyrics in expert fashion and makes this a very happy slicing. The lower half is in slower vein with Gene Purcell and the Sparklers doing the vocal. The top deck gets our nod.

"WHY DIDN'T I?" (2:46)

"BLOW OUT THE CANDLE" (2:32)

JANE WYMAN
(Decca 27804; 9-27804)

● A couple of novelties are sent our way on this platter by Jane Wyman. Jane is helped out on the vocal by the Four Hits and on the backing by Dave Barbour and his orchestra. Both ends get a competent workout from Jane and ops might want to tune in.

"AN AMERICAN IN PARIS, PART I" (2:57)

"AN AMERICAN IN PARIS, PART II" (3:13)

LES BROWN ORCH.
(Coral 60583; 9-60583)

● Les Brown takes George Gershwin's "American In Paris" and gives it a two sided going over. Both ends make for exciting music as Les and his boys comes up with good instrumentals of Gershwin's lovely themes. This disk may go in specialized locations.

"LET THE REST OF THE WORLD GO BY" (3:07)

"YOU AND THE NIGHT AND THE MUSIC" (3:17)

RUSS MORGAN ORCH.
(Decca 27660; 9-27660)

● Two well remembered oldies are taken for an instrumental ride on this platter by Russ Morgan and his boys. Russ makes both of these sides sound soft and nostalgic and he goes through them smoothly and softly. This disk should do well in the quieter spots.

ROUND THE WAX CIRCLE

NEW YORK:

A juke box wasn't always a juke box—it was once a multiphone. Recently the MGM research department announced it had acquired what it claims to be the first juke box ever made. It will be used as a set decoration for a movie scene. Named the multiphone, it was made in 1883 and exhibited at the Chicago World's Fair in 1890. The ornate piece is amazingly similar to juke boxes in use today, even to the coin slot and the 24 numbered selections. And it still plays. It was found in the Pony Express Museum in Arcadia, California. . . . It looks like Eli Oberstein is gonna hit right off with his new King cuttings. We heard a pre-release of the sides he did with Mary Small and that's a great job on "I Like It, I Like It" and the new Leeds plug tune "Domino." . . . Hy Reiter, director of promotion and advertising for BMI, just returned from a trip to the University of Alabama in Tuscaloosa to exhibit the American Musicana collection of rare manuscripts which includes the original copies of "America," "Dixie" and Stephen Foster's works. Over a ton of display material is involved in the collection. . . . On the strength of her Derby hit, "The Masquerade Is Over", Bette McLaurin is getting

PERRY COMO

solid bookings. She opened last week at the Harlem Club in Philadelphia. . . . Larry Newton, Prexy of Derby, left for an extended trip through the South and West on a distributor visit and talent search. . . . June Valli, RCA Victor's new singing find, started her career as a bookkeeper and comptometer operator. . . . Don Becker, in charge of promotion for Bibletone Records, is off to Chicago to visit local distributors and audition new talent. . . . Dave Miller of Palda Records is having a check made by an agency to see whether any records of "Sin" by the Four Aces are being bootlegged. . . . The World Series had its counterpart in the music world. Perry Como and Mitchell Ayres played in the Polo Grounds before game time while Guy Lombardo did the same in the Yankee Stadium. . . . Goddard Lieberson, Columbia V. P., flew to London last week for a two-week business trip. . . . Wally Brady signed a long term pact with Sylvester Cross of American and Choice Music as general manager of both firms. . . . Bob Weiner, son of George Weiner, has joined Wemar Music as professional manager.

CHICAGO:

One of the grandest guys and one of this town's outstanding music men, Harry Kogen, has got himself a tune that's starting to click, "Wooden Shoe Waltz", already on Victor and Coral. Harry was NBC's musical director for 15 years. Also ABC's music director for 5 years. He's written some very grand tunes. Among them, "Swiss Lullaby", "Let's Sail To Dreamland", etc. He conducted such shows as the Breakfast Club, Sinclair Minstrels, National Farm and Home Hour. Today, Harry's in the pubbery biz, Clarion Music Co. And all who know him are pulling for him to put his tunes over the top. . . . When the announcement came that Red Nichols and His Five Pennies were opening at the Blue Note, someone recalled an old, old tale. About the days when Red Nichols ranked with the topmost of the top great in the ork world. And how his press agent went ahead to dip pails full of nickels in red lacquer nail polish which were given out in change all over the town before Red arrived. Red nickels for Red Nichols. . . . Bobby Wayne is clicking at the Oriental while Sherman Hayes has his first anniversary at this famous thitter. . . . Chick Kardale and Bob Bodine very thick of late. Would this mean a disk promotion merger? . . . Jimmy Martin of Sharp should be given a big hand for his efforts to bring back the Windy City as the top music center of the nation. Not only does he pick the tunes, but also records them here, and uses Chi talent. What's most important, Sharp disks are clicking. . . . Take this from Dick LaPalm, "At Last! Jeri Southern is appearing in a room where her lush voice and warm delivery . . .", etc. In short, Jeri's now at LaBoeuf and held a gala opening in the Cap de Nuit room this past Tues. eve. . . . Hear that Lee Petrillo of WCFL is entering into disk promotion. . . . Pat Robbins of WJJD is being called the "triple threat girl" because of her deejay and singing as well as emceeing performances. The gal's goin' places. . . . One niter of Norman Granz's Jazz at the Philharmonic (Sun., Oct. 14) featured Ella Fitzgerald, Oscar Peterson, Flip Phillips, Roy Eldridge, Ray Brown, Gene Krupa, Illinois Jacquet, Lester Young, Bill Harris and Hank Jones.

LOS ANGELES:

Something new in the way of personal appearance tours was recently launched in the "Capitol Cavalcade of Western and Country Music," with Jimmy Wakely, Ramblin' Jimmy Dolan, Eddie Dean, Skeets McDonald, Gene O'Quin, Leon Payne and Dottie O'Brien teaming up to play live dates starting Oct. 10 and covering the California cities of Bakersfield, San Jose, Sacramento and Yuba City. . . . In each spot, local bands supplied the backing and another unique phase of the deal, as arranged by MCA on a percentage basis was that the artists would split equally on the gate regardless of billing or prominence. . . . As part of the tour, guest appearances were arranged with the local press, disc jockeys, record dealers AND JUKE BOX OPERATORS in each town. . . . Al Piantadosi, whose Society Recordings label has a fast climbing platter in the popular April Stevens' "Later Perhaps" (Not Now) has signed Penny (Blondie) Singleton of movie and radio fame to an exclusive recording contract. . . . The film star, who has many hit Broadway and screen musical roles to her credit, will first be heard on "Daddy's Coming Home" and "I Give It Back To You," both written by topnotch tune scribe Piantadosi and Gus Schilling, the latter a great comic and character actor of burlesque and films. . . . Gene Norman's concert pairing of Billy Eckstine and George Shearing at Shrine Oct. 12 due for sellout.

APRIL STEVENS

With Al Sherman of King, things were the best last month and promising to be just as good this month, he tells us, crediting Earl Bostic's "Sleep" and the Dominoes "Sixty Minute Man" as two of the longest riding hits he's ever had.

and his Orch.

"LITTLE BOY" and "I'M FROM TEXAS"

MGM NO. 11067

SLEEPER OF THE WEEK

"LITTLE BOY" (2:52)
 "I'M FROM TEXAS" (2:49)
 TOMMY TUCKER ORCH.
 (MGM 11067; K11067)

● A tune which has been showing up in rhythm and blues locations gives Tommy Tucker one of his most potent sides in a long while. This is a driving number with a beat labeled "Little Boy" and it should go a long way in pop also. Karen Rich turns in a vocal that's right in the spirit of the thing as the boys in the band come up with a backing to match. Some of the instrumental solos really get in the groove and the total effect in an attractive one. The second side is a lively, fast paced item with Peter Hanley handling the vocalizing. It's a novelty with Texas as its theme and it comes out real good. Ops will want to tune in.

Best Selling Records

COMPILED BY JACK "ONE SPOT" TUNNIS

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunnis. Each listing includes the name of the song, record number, artists, and tune on the reserve side.

• The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

Fans Decide on "Undecided"

NO. HOLLYWOOD, CAL.—Les Brown, the gent to the right with the sporty clothes, obliges fans with autographs at the grand opening a new Sears' store here. Les' new disk with the Ames Brothers, "Undecided," apparently has the customers decided about him since it has already passed the mark as Coral's biggest seller of the year.

Coral Signs Radio Star Harold Peary

NEW YORK—The announcement has been made by Jimmy Hilliard, Vice President in Charge of Recording, that Coral Records has signed Harold Peary to his first recording contract.

Peary was the famous Throckmorton P. Gildersleeve on the "Fibber McGee and Molly" show from 1935 until 1941 when "The Great Gildersleeve" show went on the air as a summer replacement.

Shedding the role of Gildersleeve, Peary came to CBS the fall of '50 in a new characterization of his own creation—"Honest Harold"—a guileless fellow whose penchant for crusading and truth-telling leads him into awkward situations.

His first two sides for Coral "Whoa Emma" and "To A Little Boy" will be released the end of this week.

Thiele Forms Halco Records

NEW YORK—Bob Thiele, formerly head of Signature Records, has formed Halco Recording with headquarters in Forest Hills, N. Y. Ray Block is vice president of the firm.

Halco will have four labels: Advance, which will put out popular recordings and reissue the best of the old Signature masters.

Mello-roll, which will deal in rhythm 'n blues.

Jazz, which will issue jazz records for the connoisseur.

Hi-Tone, which will be a 39c label.

"FLAMINGO" (3:05)

"I'M GETTING SENTIMENTAL OVER YOU" (2:45)

EARL BOSTIC ORCHESTRA

(King 4475)

EARL BOSTIC

● The Earl Bostic orchestra has a tune that's gonna send them flying high. Earl, who handles the sax himself, knows what to do with good material and really tears into this number sending it soaring.

Labeled "Flamingo" this melody is a hard hitting, fast moving and forceful item. The sax treatment which Earl gives it makes this half one that'll have customers standin' round the juke box to get closer to its infectious rhythm. This end is gonna be heard again and again and ops will wanna cash in on the flood of coins it's gonna bring. Flip is an oldie that also features some fine sax playing and again the rest of the orchestra supplies a backing that adds to the appeal of the tune. This revival might make it too. Ops will want to climb aboard "Flamingo" as it gets ready to take off.

"GLOBETROTTER" (2:29)

"GENTLE BREEZE" (2:35)

JOHNNY HODGES ORCHESTRA

(Mercury 8954)

● A pair of instrumental numbers are turned out by Johnny Hodges and his orchestra on the upper lid. The first level is a lively jump tune that features lots of pretty sax playing. The second side is a change of pace in the form of a slow moving number. Both halves are listenable and ops are advised to tune in.

"THE GRASS IS GETTING
GREENER" (3:13)

"GOD BLESS MY DADDY" (2:45)

CECIL GRANT

(Decca 48249; 9-48249)

● A pretty melody, a soft soothing vocal and a fine musical backdrop add up to a top notch side for Cecil Grant on the upper lid. Again on the lower deck Cecil presents a meaningful interpretation of a slow sentimental tune. Both ends carry lots of appeal and ops are urged to watch this platter.

"AS TIME GOES BY" (2:36)

"GUILTY" (2:28)

EARL COLEMAN

(Prestige 905)

● Baritone Earl Coleman eases through with an oldie that has become a classic in the pop field. Done softly and slowly, this lid may prove noteworthy. The lower dish is another oldie that gets the same treatment from Earl. Ops oughta watch this one closely.

"MY BUDDY" (2:30)

"EARLY IN THE MORNING" (2:30)

THE FOUR TUNES

(RCA Victor 20-4305; 47-4305)

● Here is an oldie that is given a blues treatment and is made to sound real good by the combined efforts of the Four Tunes. The harmony and the soloist's handling of the lyrics make this a half to be reckoned with. The under level is a lively jump number that is worked over beautifully by the same artists. This disk is a must for ops.

"EACH TIME" (2:46)

"LOST" (2:39)

THE CABINEERS

(Prestige 904)

● A couple of slow ballads are offered by the Cabineers, with music supplied by the Mercer Ellington Quartet. The upper lid is a pleasant tune that is made to sound good by the wonderful harmony of the boys. The under end finds the group taking to a fair number. We like the upper dish.

"IT WAS ALL IN VAIN" (2:37)

"YOU ONLY WANT ME WHEN
YOU'RE LONELY" (2:54)

LONNIE JOHNSON

(King 4473)

● Lonnie Johnson offers a slow driving blues item on the upper deck. A tremendous musical backdrop helps carry this number through to a listenable end. The bottom level is a slow, sad ballad that's turned out by Lonnie in pleasing fashion. Ops can choose from either lid.

"SMOOTH SAILING" (2:40)

"YOUR WONDERFUL LOVE" (2:55)

ARNETT COBB ORCHESTRA

(Okeh 6830)

● Taking a terrific jump tune, Arnett Cobb and his orchestra offer a wonderful instrumental rendition. The boys toss this number around and come up with a sure juke box hit. The bottom deck is a slow item that shows up some fine sax playing to good advantage. Ops can't afford to miss this one.

"YOU SURE BEEN GOOD TO ME"
(2:35)

"I KNOW" (2:43)

CHARLIE SINGLETON

(Faith 238)

● Charlie Singleton comes up with a slow and low down blues item on the first side. With vocal and backing done in that typical blues style, this half should draw the coins. Flip is a jump tune with lots of rhythm that Charlie and the band belt home. Ops have their pick of either end.

Kickin' The Blues Around

with Sam Evans

Our attention has been drawn to the habit of a certain large record manufacturer, who turns out Spirituals on a label marked "Rhythm and Blues." This is a disparaging definition for a type of great religious music. The Spiritual is the true expression of sacred prayer and atonement to God. Slaves were brought to this land many years ago in chains. Their only music was the tribal chants of their native lands. These chants soon turned to "work songs" as the slaves were driven under the angry lash of a whip. Sometimes a glimmer of hope, a ray of sunshine, broke through their dismal existence. And then the work songs had a note of gladness. There is a faster pace to this latter type of song, but never should it be placed in the general field of "Rhythm and Blues," as is now being used.

At this rate we may expect any day to see a re-issue of the famed "WINGS OVER JORDAN" group doing "Old Ship Of Zion" b/w "Swing Low, Sweet Chariot" on a "Rhythm and Blues" label. MARION ANDERSON & DOROTHY MAYNOR with their glorious voices, coupled for a duet, backed with a rhythm section, will next be singing, "My Lord, What A Morning," b/w "Were You There When They Crucified My Lord?"

If we do not watch and control the use of the definition "Rhythm and Blues" it will soon grow to be equally as ugly and distasteful as the now discarded "Race." It is believed all A & R men have in their possession, or have access to, a dictionary. A moment with Webster will perhaps prove a surprise to some to learn how "The Unabridged" defines "rhythm" or "blues." Hypocrisy has ruined Nations and Men. Let us be truthful and not hide behind a mask. Soon the question will come up as where to place DUKE ELLINGTON, BENNY GOODMAN, WOODY HERMAN, NAT "KING" COLE, KAY STARR, MILDRED BAILEY, ERROLL GARNER, HERB JEFFRIES, SARAH VAUGHAN (space won't permit the whole list) but, these few should serve to prove how utterly absurd and ridiculous the situation is, and that it can so easily become even more so.

A major label recently used one of the top singers in show business on "Smooth Sailing." It was listed as a "Popular." A rival label used a top instrumentalist on the same tune, and listed it as a "Rhythm and Blues." "King Porter Stomp," incidently written by JELLY ROLL MORTON, has recently been re-released by this label. The orchestra is world famous for its swing and rhythm, it is not on a "Blues and Rhythm" label, but rather on "Popular."

(Sam Evans is the Rhythm and Blues specialist heard over WGN, Chicago's Mutual outlet, every night; and on WBKB-TV.)

"Folk" and "Western" Record Reviews

"HEARTLESS LOVER" (2:32)
"ANOTHER NIGHT IS COMING" (2:28)

MOON MULLICAN
(King 984)

MOON MULLICAN

of the folk and western list. Putting lots of heart into this ditty titled "Heartless Lover," Moon makes it a sure winner. It's a bouncy number with an infectious melody, given a big boost by a good musical backing which features a piano. The meaningful lyrics are handled beautifully by Mullican's soothing warbling. The total effect is one which gives Moon a first rater and ops a big money maker. Flip is a ballad with a very pleasant melody made to sound even nicer by Moon's interesting piping of the lyrics. This end too can make the grade. Ops are strongly urged to get with this waxing. It'll prove to be a good coin catcher.

● Moon Mullican has a very pretty number working for him on the upper level. It shows all the possibilities of climbing to the top

"ENTITLED" (2:11)
"THE HOT GUITAR" (2:46)

TED BROOKS
(Decca 46374; 9-46374)

● Two contrasting sides are turned out by Ted Brooks. The first level is a ballad type number that has a listenable melody and a vocal to match. Flip is a tune that has been kicked around wax many times and Ted offers his interpretation. This deck is marked by some fine guitar playing. Ops have their choice of either side.

"I WAS THE LAST ONE TO KNOW" (2:50)

"IT'S HARD TO BE LOVED" (3:14)
STUBBY AND THE BUCCANEERS
(Decca 46371; 9-46371)

● Two sides that seem destined to go places are worked over by the combined efforts of Stubby and the Buccaneers. Both lids are slow ballads that have nice tunes and even nicer vocals and backings to help make them first rate disks. Ops should get with this one fast. It can't miss.

"STRING OF EMPTIES" (2:30)
"YOU PLUS ME" (2:27)

CARL BUTLER
(Capitol 1813; F-1813)

● Stylist Carl Butler gives a fast moving number a pleasant ride around the wax on the top deck. The under level is a jump item that Carl delivers in his typical manner. Each side is presented in a listenable way and ops are advised to take a look.

"ALL NITE LONG" (2:50)
"SATURDAY NITE WALTZ" (2:27)

LULUBELLE AND SCOTTY
(Mercury 6354)

● The upper platter is a cute tune with a wonderful rendition as done by Lulubelle and Scotty. With a big bounce and a good backing to boot this half is earmarked strong juke box material. The lower end is a waltz number that is done slowly and with some fine harmony. We give our nod to the top deck.

"HEART ACHING BLUES" (2:59)
"UNTIL DEATH DO US PART" (2:39)

RAY PRICE
(Columbia 20863; 4-20863)

● Ray Price has a couple of ballads going on this new waxing. The first end is a slow, soft tune that is done by Ray in a very pleasing manner, while the under level is a similar number that receives a listenable treatment. We think the top deck deserves the attention of ops.

"BOLD BAD MAN" (2:23)
"SILVER DISCS IN THE SKY" (2:22)

DAVE ALLEN
(Skystreak 1009)

● A couple of novelty numbers are dished up by Dave Allen with an assist by Bob Anderson's Far Westerners. The upper lid is a bouncy thing done in a narrative style and is complete with guns and horses. The bottom half is a silly sounding tune that can register some laughter. Ops in need of such material oughta peek in.

"FOUR BOOKS IN THE BIBLE" (2:41)

"IM GLAD I'M ON THE INSIDE LOOKING OUT" (2:45)

COWBOY COPAS
(King 980)

● Two cute ditties that are done with a religious theme are carried through by the popular warbling of Cowboy Copas. Both ends are wordy numbers with very clever lyrics and wonderful melodies to match. Each half is made to order for the artist and ops will want to get hold of this sure thing.

"THAT'S ALL YOU GOTTA DO" (2:43)

"HALF WAY TO HEAVEN" (2:25)

SLIM WILLIAMS
(Coral 64111)

● The upper level features the singing of Slim Williams as he runs through a bouncy tune. With a good string backing this lid comes out ok. The second level is a slow ballad that Slim handles easily and brings home in fine style. Ops needing strong filler items oughta tune in here.

MIDWEST C. M. SHOW GETS OFF

Convention Of Six States Opens In Omaha, Neb. Large Attendance. All Exhibit Booths Sold Out.

"The Cash Box" In Booth No. 1.

OMAHA, NEB.—Those coinmen who arrive at the Hotel Paxton, this city, on Sunday, October 14, will get their first view of this, the Midwest Coin Machine Show special issue of *The Cash Box*, as this big six state convention gets under way.

Officially, the Midwest Coin Machine Show gets under way on Monday, October 15, and carries thru Tuesday, October 16. Preliminary reports to this publication indicate that large numbers of coinmen—operators, distributors and officials of the manufacturing firms—will take part in the meetings, displays, and general hilarity for which the member groups of this convention are nationally known.

Harold Klein, publicity director, has done a most successful job in lining up the number of exhibitors, and building up the attendance to such large numbers. He has worked with the officers of the associations from North Dakota; South Dakota; Wisconsin; Nebraska; Minnesota; and Iowa, whose membership will attend practically 100%.

Those attending will view the new models of all the phonograph manufacturers, as well as play the most current amusement games now rolling off the lines of the various manufacturers. Local distributors will be on hand to confer with the ops. In addition practically all of the outstanding recording companies will be represented by their distributors.

A program of exceptional merit has been arranged, with meetings scheduled for both days. The wind-up on Tuesday evening features the banquet with the attending floor show and dancing, which also will be highlighted by a speech by George A. Miller, president of the Music Operators of America.

Convention To Be Held Feb. 4-6, 1952 At Sherman Hotel — Gottlieb Predicts It Will Be Greatest In All Show History

Williams Mfg. Co. Introduces New Pinball Game

W. J. (BILL) RYAN

CHICAGO—Bill Ryan, general sales manager of Williams Manufacturing Company, this city, announced the introduction of the firm's new pin ball game "Spark Plug."

Carrying out the horse race theme, "Spark Plug" is described as a game that gives the player comedy animation, dramatic skills and racing thrills. It brings the player 3 exciting play-producing features by giving him three selections for 1 coin (win, place and show—if the "win" comes in first, the race continues until place and show horses finish in order); he can change selection in mid-race (if the original selection is out of the running, the player may make a winner out of another horse by shooting the ball thru the selection changed rollover; and simulates complete racing action) 8 thumper bumpers and 7 rollovers send actual miniature horses and jockeys galloping down the track inside the backboard to a thrilling photo finish. All these, plus a high score.

"Our preliminary tests of 'Spark Plug' have indicate that we have a big winner," stated Ryan, "and we look for a record sales, which may outdo the proportions of our recent 'Hay Burners,' and all in the trade know how well that game did for the operators."

DAVE GOTTLIEB

CHICAGO—Samuel Wolberg, president of Coin Machine Institute, announced today the appointment of David Gottlieb, President of D. Gottlieb & Company, Chicago, as Chairman of the 1952 CMI Show Committee. David Gottlieb has had long experience in directing coin machine shows over the past twenty-five years.

At the time of his appointment, Gottlieb stated, "There is no question whatsoever that the 1952 CMI Show will be the largest in the history of the coin machine industry. Although the Show was only announced last week, we have already had a flood of requests for exhibit space." Gottlieb indicated that the balance of the Show Committee will be comprised of key persons in the coin machine industry.

In answer to the many inquiries concerning reservation of space, Gottlieb announced that floor plans and application forms will be in the mail within two weeks, and space will be reserved on a "first come first served" basis as the forms are received at the CMI office. Manufacturing concerns who wish to receive these forms in the first mailing should write to the Coin Machine Institute, 134 North LaSalle St., Room 908, Chicago 2, Illinois.

California Music Guild Seeks Decontrol Of OPS As It Regards Automatic Phonographs

Harrison W. Call In Washington, D. C. For Conferences With OPS Officials

GEORGE A. MILLER

WASHINGTON, D. C.—George A. Miller, state president of the California Music Guild, who is representing in California and many other associations thruout the nation on the OPS matter, informs *The Cash Box* that Harrison W. Call, the attorney for the California Music Guild is here in Washington, D. C. at present, and will remain here for the next ten days or two weeks, if necessary, to obtain a permanent decision regarding OPS and the operation of automatic phonographs.

"It is both my opinion as well as that of Harrison Call," states Miller, "that Congress never intended automatic phonographs to be controlled by OPS. With all other types of entertainment and many essential materials being decontrolled, why in the world

would any Congressman wish to control a non-essential business that has no bearing on the war industry or the cost of living?

"Certainly no one is required to put money in an automatic phonograph. There is no one being forced to listen to the top tunes of the nation unless they so desire. In our opinion this is the greatest waste of time and money that has ever been forced upon the music operators, and we, as an organization, will use every legal avenue necessary to have the operation of automatic phonographs decontrolled."

Music Operators Of America Hold Exec Meeting While At Midwest C. M. Show

OMAHA, NEB. — The executive committee of MOA (Music Operators of America) will meet here at the Paxton Hotel on October 17 to discuss the new copyright legislation, Congressional Bill H.R. 5473, according to an announcement by George A. Miller, president.

This meeting takes place while the Midwest Coin Machine Show is in progress, and many of the operators will have an opportunity to discuss the problem with the officials of MOA.

Sidney H. Levine, legal counselor for MOA, will be on hand to present his views and to advise the executive board on matters that affect the industry on a nation-wide scope.

All matters affecting the music machine industry on a nation-wide scope will be taken up, and plans for their 1952 Music Operators of America convention will be made.

Holyfield Shows AMI "D" Thruout La.

NEW ORLEANS, LA.—Ed Holyfield, Dixie Coin Machine Company, this city, played host to numbers of music operators at his recent showings of the AMI Model "D" phonograph, held both in this city, and subsequently at Shreveport.

At the showing at the Washington Youree Hotel, Shreveport, among those operators on hand were Mr. and Mrs. Jenessens of Jenessens Music Service; Bob Ehrhardt of Lee's Novelty Company; Jimmie Daspit of Jimmie's Vending Company, and G. C. McCain, all of Shreveport. From Bossier City were O. D. Thorne; Pete Patterson; Arthur Breedlove and Harry Sutton.

Pictured above are Harry S. La-

vine, operator from Shreveport and Oil City, and Ed Holyfield, bossman of Dixie Coin Machine Company. Lavine, one of the real "old-timers" in the business, is said to have developed and patented the first one way lateral record movement for juke boxes.

"Lavine was highly enthusiastic over the new Model 'D' phonograph" stated Holyfield, "which is another case of the trend among the older established operators toward equipment designed, produced and sold with the operator in mind, personified by the grand new Model 'D' AMI."

Holyfield stated that additional showings are scheduled for other sections of the territory.

Gottlieb's New Pingame Features Football Theme

CHICAGO—Timed to perfection, D. Gottlieb & Company, this city, this week introduced its new pinball game "Rose Bowl," an amusement game featuring a football theme.

Several new ideas have been incorporated into "Rose Bowl," all reflecting the play of the great outdoor game which will keep America's sports minded millions occupied for the next several months. The new "Tie The Score" idea gives the player representing the home team an opportunity to play to tie the visitor's score, which is shown on a light box at the start of the game. He wins replays on tie score, and gets additional replays for extra touchdown.

"The play provides sensational scoring shots" stated a Gottlieb official. "All the Bumpers, Rollovers and Buttons gain yardage as shown by the progress of the football on the light box. There are 3 'Pop Bumpers', 2 Flippers, and 2 Cyclonic Bumpers for fast 'ball handling'."

In addition, "Rose Bowl" has 2 touchdown rollovers and rotation sequence lights touchdown kickoff holes for replays. A "backfield" sequence lights 2 special rollovers for replays.

As this Gottlieb official stated "There are multiple scoring opportunities."

"Rose Bowl" is now coming off the production lines, and Gottlieb distributors who have had samples are now rushing in orders for more and faster delivery, according to this factory officer.

NAMA Show Starts Nov. 12 In Cleveland

CLEVELAND, O.—The sixth annual convention of the National Automatic Merchandising Association (NAMA), scheduled to open in the Cleveland Public Auditorium in this city on November 12 and which will run thru November 15, is expected to be the biggest held by this group.

Tom Hungerford, chairman, has stated that from the pre-convention rally, on Sunday, November 11, thru the convention climax (banquet on Thursday, November 15), stimulating talks and interesting events have been arranged.

"This year," stated Hungerford, "the convention committee has slanted the entire program to bring the merchandise machine operator needed answers to the hundreds of urgent legislative and cost questions that puzzle the trade during the year. Instead of special product days (Candy Day, Cigarette Day, etc.) as have in previous years been scheduled, the convention program will cover topics of interest to all operators, with timely themes for each day.

Operators are urged to make their hotel reservations immediately. It is stated that all suite accommodations in all but the Hollenden hotels are gone, and the Cleveland housing bureau says it won't be long until rooms, too, will be booked.

BOOM

For some months now this publication has been pointing out to all the trade that all signs most definitely indicate a boom was on the way.

Increased defense production, at the rate of over 100 Billion Dollars per year, and the fact that more and more workingmen and workingwomen would need the relaxation and enjoyment of the coin operated entertainments located in the nation's "workingmen's clubs" (the average tavern, drug store, luncheonette, or other meeting place of the town's, or city neighborhood's, workers) and that coin operated entertainments, because they were so relaxing, so entertaining and, most important of all, so economical, would be among the very first to benefit from the overstuffed wallets due to overtime work, which the workingmen and workingwomen of the nation are already enjoying.

There is no longer any doubt in the minds of any connected with the industry that the boom is, at long last, under way. The demand for new equipment grows by leaps and bounds. All leading manufacturers are backlogged on orders. And even tho they allocated and rationed the first shipments, they now again have to cut allocations so that, as many of them state, they will be able to assure their distributors more equitable distribution of their products.

The fact was also pointed out by *The Cash Box* months ago, and remains in effect to this day, that the savings accounts of the nation are at the highest peak in all history. It was also shown that the nation's workers were going to be asked, in many instances, to work right around the clock and that the only time the workers really enjoyed prosperity was when there was overtime work on their payroll schedules. This, in addition to many other factors surrounding the boom, has brought about one of the biggest and best sales markets in the history of the industry.

In must also be remembered that the nation's wage earners aren't going to have the consumer durable merchandise to buy that they thought they would have some months ago. Autos, refrigerators, TV receivers, and all other consumer durables, are being cut down to the bone. The public will have cash. Lots of it. Regardless of heavier Federal, local and state taxes. But, this won't help relax or revive the nation's workers when they require such reviving after many hard day's work at their jobs.

In short, the coin operated entertainments of the nation are the one and only economical method to completely relax and, at the very same time, because of this complete relaxation, revitalize the workers, so that they will return to their jobs in a happier frame of mind and with a healthier mental outlook.

The demand for used equipment, and the higher prices being paid for used machines, have been most completely reflected these past weeks in "*The Confidential Price Lists*", which are an integral part of each and every week's issue of *The Cash Box*.

Prices were absolutely stagnant all summer long. In fact, in most cases, they went down, rather than up. But, just as the cool winds began to blow, and the Fall season got under way, and war work began to come off production lines four times greater than what it did the Spring and even the Summer of '51, the trade entered into the "boom" which this publication had predicted.

Today this boom is reaching proportions even beyond the predictions of this publication. It has snowballed into an avalanche demand for equipment of almost every type. Machines which were believed dead, have suddenly become revived, and the demand for these is just as great as it is for the latest models.

In fact, arcade equipment enjoys an unprecedented demand everywhere in the country.

Many attribute this to the Army camps and Naval installations. But, whatever the cause, the boom continues to grow greater by the week. Everyone is now of the opinion that this presages one of the most prosperous eras in all the history of the industry.

Nor is there any letdown in the demand for equipment at this time. If anything at all, demand grows greater. And will continue to grow. Only because there weren't enough machines produced or purchased during the past Summer, and even the past Spring of '51, to supply the great demand for used machines.

The trickle of new machines coming off production lines at this time is just about 35 per cent of what volume the manufacturers could normally produce. The shortage becomes acute as the demand grows greater. Prices are zooming upward, as noted in "*The Confidential Price Lists*" from week to week.

It's a good boom that's under way at this time. It's the kind of boom that has only just started. It means that, as this boom grows, the trade will be able to keep pace with its growth. It also means that the industry is in for one of its most profitable periods, and that the entire field is now engaged in a drive to satisfy customers, whether these customers be locations of the operators, or operator-customers of jobbers and distributors, or distributor-customers of the manufacturers.

The BOOM is here!

THRU THE COIN CHUTE EASTERN FLASHES

The big city continued in a business vacuum again this week due to the Jewish New Year's holiday on Wednesday and Columbus Day on Friday. In addition, the baseball conflict between the two New York teams took many away from their business offices, and those who couldn't get there in person were glued to either television or radio sets. It was so obvious that business in general was getting either ignored or neglected that several daily newspapers ran editorials about the condition. Naturally, outside of an isolated location, the local operator suffered along. Those patrons who did visit locations in the evening were so busy discussing the day's events they didn't have time to play juke boxes or amusement games. It's over this week, thank goodness, and coinmen can get back into stride.

Harry and Hymie Koepfel, Koepfel Distributing Company, going at top speed again, with sales of used music machines reported booming. Their line of plastics is in demand from ops all over the country, and this item alone could keep them busy continually. . . . Bot Luttmann, handsome protege of "Senator" Al Bodkin, had quite a busy summer, and would be mighty happy if the coming fall and winter seasons bring the same returns from his music and games. . . . Ben Becker, special representative for Bally, and Morris Rood, office manager for Runyon Sales, take time off for a luncheon together. "Morris must have a two-headed coin," sighs Ben, "because every time we toss who'll pay for the meal, I'm stuck." . . . Joe Young, Young Distributing (Wurlitzer distributors), takes in three of the world series ball games, but missed out on Tuesday—he spent the day seeing music ops in New Jersey. Abe Lipsky, Joe's sales manager, couldn't keep pace with the boss, being able to see only two games. . . . Mike Munves displays a few new amusement machines, which the trade goes for in a big way, especially that machine gun, about which you'll be hearing plenty. . . . Barney (Shugy) Sugerman, Runyon Sales, kept out of the office several days due to the injury incurred by his aged mother, who took a bad fall. Shugy's staff and friends are hoping she recovers rapidly.

Tommy Greco of Greco Brothers, Glasco, N. Y. (nine miles north of Kingston), visits along coinrow. Tommy is one of four brothers who are doing quite a job operating music and games in that area. The other Grecos are Joe, Frank and Jack. In addition to their coin operated business, the brothers are agents for Kaiser-Fraser autos, and Tommy tells us that they've done a big job with coin ops on their "Traveler," which is a four door sedan, and when the back opens up it can be used as a sort of station wagon. . . . Iz Edelman, Detroit, Mich., spends a few days in town. . . . Al Simon, Albert Simon, Inc., finally able to put ChiCoin's new shuffle game "6-Player Bowling Alley" on display in his showroom. The game has been selling so fast, he's been unable to even keep a sample on the floor. The license department has okeyed the feature "Highest Score Bowled" which appears on the top of the backboard, and which retains the highest score made over whatever length of time the location desires. . . . Charley Aronson, Brooklyn Amusement Machine Company, and Perry Lowengrub, Runyon's salesman, take in the ball game on Monday. The Yankees won this game, and we understand Charley was well pleased with the results. Bill Alberg, Charley's partner, couldn't get to the game, and his friends missed him. . . . Harry Rosen's (Atlantic-New York Corp.) daughter undergoes an operation on her eyes, and all hope it's most successful. . . . Dave Lowy, whose premium firm Supremium Manufacturers get underway, looking forward to building up a national mail order business. . . . Murry and Bill Wiener, Wiener Sales, distributors for the C-8 Electro cig vendor, slowed up by the small amount of new equipment being shipped them. They report they could use plenty more machines if they were available. . . . Sol Wohlman, operator of amusement games for a long time, states he's never had it as good as now. He's had four vacations this past year. Murray Wohlman, who runs the biz when Sol's away, has also been able to get away several times. . . . Joe Hirsch, business manager of the games association, completely recovered from his recent illness, off to Chicago for a visit.

THRU THE COIN CHUTE MINNESOTA MUSINGS

The hunting season is with us again in Minnesota and with grouse hunting open and the duck season opening up on Friday, October 5th, it seems that the operators in this territory were doing more in the way of getting ready for hunting than looking after their equipment, consequently there were not too many operators in the Twin Cities.

Some of the operators who made the quick trip into town to pick up the much needed supplies, records and equipment were Chet La Doux of Virginia; Leo DeMars of Ashland, Wis.; Ted Heil of Gaylord; and Kenny Anderson of Austin. . . . Also in town were William Hunder of Wheaton; Harry Nold of Cambridge; Frank Davidson of Spooner, Wis.; Frank Phillips of Wiona; and Ed La Blanc of St. Cloud.

The distributors and the operators are making plans to attend the five state meet in Omaha, Nebr., on November 15th and 16th. The Twin Cities distributors who will be present will be the Automatic Games and Supply Co. of St. Paul, who will be showing the Evans phonograph and will be represented by Bob Wenzel. . . . The Mayflower Distributing Company (showing AMI's phono) and La Beau Novelty Company (showing Rock-Ola's phono) will also be represented as will the Lieberman Music Company of Minneapolis (showing Wurlitzer's phono). Archie La Beau will represent the La Beau Novelty Company and Harold Lieberman and Jonas Bessler will represent the Lieberman Music Company. From all indications it looks like it will be a great meeting.

THRU THE COIN CHUTE

CHICAGO CHATTER

"... the 1952 CMI show will be the largest in coin machine history," is what David Gottlieb of D. Gottlieb & Co. stated this past week. He was named Chairman of the 1952 Coin Machine Industries, Inc., exhibit to be held at the Hotel Sherman, Chicago, February 4, 5 and 6, 1952. And with the interest already noticeable in this forthcoming CMI show, seems like these words will ring true. . . . Samuel Wolberg, president of CMI, Inc., also of Chicago Coin Machine Co., reported to be "mighty pleased" that David Gottlieb took on the job of "Chairman" of the CMI Show. Dave has done remarkable work in the past for this show. . . . Funniest event of the past week. That bet between Tom Callaghan and Ray Moloney on the Dodgers and Giants. Just ask Tom all about it. . . . Just chewing the fat, when Jack Nelson came up with the remark, "There's more than 100 years of coin machine experience in this group." Present were Bob Gabel, Jack Nelson, George Jenkins and Bill Gersh.

Ben Coven was a busy, busy man this past week. Three employees home sick. The phones ringing. Customers walking into this popular spot. "Bright Lights," "Coney Islands," Wurlitzers, and everything else to be shipped. Wow. What a job Ben was faced with. . . . CMG (Calif. Music Guild) have Harrison W. Call, their attorney, in Washington talking over 10c phono play with O.P.S. (Can't for the life of us see where such coin operated "entertainers" as phonos, in any fashion whatsoever, affect the cost of living.) . . . Louis Boasberg and his CPA, Aruns Callery, both of Noo Awhleans, doing things and going places with Bill O'Donnell. . . . Vic Weiss and Billy Knapp of Allied agree to agree that premium profits are lower than low. . . . This town's gone premium happy. . . . Bert Perkins of Purveyor is also showing premiums at the Midwest C. M. Show and, in addition, shuffleboards, both new and used. Which Bert believes are coming back stronger than ever before. . . . Bootlegging of equip't now so common few, if any, even pay attention to it anymore. But, it has cut prices right down to the bone. Just when distribs have a chance to gather in a buck.

Credit Phil Moss of Des Moines with the crack, "If you can't say anything good, don't say anything at all." . . . 130 out of 146 employees of the American Nat'l Bank here voted that the wired (single channel) music which they enjoy helps their work tremendously. Just an idea for the boys who want to set up single channel wired music operations. . . . Bob Dunlap of Seeburg showing ops at Atlas what the new colored 100 is all about. . . . Herb Oettinger took over so well on the Cubs this past season (and his contract calls for another season) that the boys down at United, especially Morty Mortensen, plenty disgusted. . . . Just reminiscing: Vince Shay, Bill DeSelm, Phil Moss, Eddie Ginsberg, Bill Gersh, Nate Feinstein. . . . Hymie Rosenberg made it a long way round trip. From New York to Miami. Then to Chicago. Now back to New York. . . . Ray Riehl is going himself one better. He's training to fly jet planes. From Belmont to Diversey? . . . Walking down California Ave., hats off, in a hurry, talking away: Mel Binks and Lyn Durant.

Bally huddle: Herb Jones, Jack Nelson, Bill O'Donnell, Dan Moloney, George Jenkins. Maybe something in the news line? . . . Frank Mencuri of Exhibit where horses, horses, and more horses, being talked all day long, out for an extended road trip that'll take him all the way down to the southwest, back up north, in a big circle route before he again reaches his offices here. . . . Roy Monroe and Geo. George of Monroe C. M. Exchange, Cleveland, phone to advise that business is: "better than ever." . . . George A. Miller insisted on getting out of the hospital to speak at the Midwest C. M. Show. George reports that many new plans in the making. Phono ops from Canada, Mexico, Puerto Rico, Brazil, Panama, and other countries, have been in contact with him. . . . Sympathetically sorry to hear that go-getter Harold Saul now in Hines Hospital for past three weeks. Condition such that his wife isn't even allowed in to see him. Everyone who visited at Coven Distribs will remember Harold for his marvelous efficiency and gentlemanly service. (Write him, won't you?) . . . Art Weinand of Rock-Ola very busy these days trying to decide how many to ship—to whom—when—and why.

Joe Calderon of Trans-World Trading given international exclusive for "Buckingham" non-coin operated drink dispenser from Howard Pretzel of Modern Refreshers, Inc., who mfrs. the unit. . . . Bill Ryan, Sam Stern and all others over at Williams happier than ever over instant reaction from firm's distribs to new "Spark Plug" game which has many, many new features. . . . Ralph Sheffield of Ace Premium Sales thrills as his roadmen report that the firm's premiums clicking with ops and stimulating play. . . . Jimmy Martin back from a visit to the DuGrenier factory in Haverhill, Mass. Advises that his firm can now deliver the DuGrenier cig vendors anywhere in the midwest. (No more direct sales in this area, either.)

That sure was a colorful giant-sized circular rereived this past week from Wurlitzer showing why 48 selections best. . . . Wally Finke and Joe Kline have added three more men to their premium dept: Marshall Black, Bernie Reisman and Bob Murdock. Three are at the Midwest show: Joe Kline, Marshall Black and Mal Finke. They're featuring: "Get your picture free in Booth No. 3." . . . Used equip't prices changing faster than lightning. Urge all to keep close check on "The Confidential Price Lists." Can mean hundreds of dollars one way or the other in any one week's issue of *The Cash Box*. . . . Alvin Gottlieb all agog over the firm's newest, "Rose Bowl," which is already starting on its way to volume deliveries to all the firm's distribs. . . . Amendments to U. S. Public Law 906 (Johnson Act) introduced by Senate Committee composed of Senators O'Connor, Kefauver, Wiley and Hunt, haven't as yet been voted on up to this writing. . . . Rumor has it that a very well known games manufacturer will introduce a brand new 100 selection phonograph. And the rumor very strong 'round Our Town. . . . Dick Hood back at his desk. Reports he's feeling better than ever.

Harold Lieberman of Minneapolis intends to visit this man's town after displaying in Omaha. . . . Some mfrs. here disgusted with some of their distribs. Will make changes. Regardless of fact that they can't ship in former volume. Want satisfaction of knowing their product's being handled correctly. . . . The boys over at United have been getting Johnny Casola to answer "dead" phones. Always telling him, "Muriel's on the phone, Johnny." He falls for it every time. . . . Joe Abraham of Lake City Amuse., Cleveland, advises that even tho (when they built this new bldg.) they tho't they had more room than they would need, now find that the place is growing smaller as business booms. In fact, George Metz, Joe's sales manager, advises he wishes they had three times the room to handle the many ops calling around. . . . Smilingest guy in the Bally Wigwam is George Muesman. But, take heed, don't play against him on any game now on display. The guy's a whiz. . . . Vince Shay, Herb Mills and Roy McGinnis out for a golf outing at St. Charles. Winner? As expected—Vince Shay. Vince is one of the steadiest golfers 'round town.

NEW ORLEANS NOTES

We caught a glimpse of Shoon De Montiville, enroute to Reserve, Louisiana with a truck load of Rock-Ola Phonographs. . . . The local boys are coming to life on six player shuffle alleys, and cigarette machines are becoming one of the hottest items on the market. The western section of Louisiana seems to be thriving. . . . With activity as evidenced by Joe Talon and Anthony Mele who were both buying brand new Wurlitzers. . . . Buying merchandise in Nola recently: Earl Jones of Corwley, La. . . . We would like to mention the terrific turnout for the Stan Kenton concert at Municipal Auditorium. Ran right smack into Nick and Joe of Tac Amusement, Mel Mallory and his crew from Mallory Distributing, Marian Jones and Gerry Encardis of Delta Music Sales Company, disc jockey Vernon Winslow, the famous "Dr. Daddy-O" and many, many others. Needless to say, Kenton as usual was great. . . . Ray Landry, Opelousas, landed in Nola for the day. . . . And Williams' "Jalopy" is the talk of the days.

We want to congratulate Lillian and Bill Ammons of the Ammons Dist. Company, who are moving into their new home this week. We want you kids to know that we are ready to warm the house just any time. . . . Mr. Otter of O. K. Distributing still supplying the ops with the finest chicken and duck from his farm. . . . The boys around town still hear from Ed Robison, formerly with Music Sales. Ed, we hear, is doing great in Memphis and this we are glad to know. . . . Louis Boasberg and Ehrens Callery returned from a three day trip to the windy city. . . . Walter Gibson Jr. quite well known around town as a top notch mechanic has enrolled at L. S. U. studying electric engineering. We wish for Walter all the luck on this new venture. . . . The Dixie Coin Machine Company of New Orleans, held its Shreveport showing of the A. M. I. "D" Model Phonograph September 21st and 22nd in the Washington Yourie Hotel. This showing was one of a series which will take place all over the state. Many of the local ops were in attendance. . . . Now that Nola is having its first cool, cool weather the ops are bringing out their fishing gear prior to the big haul on red fish which always takes place during the months of October and November. Good luck boys. Don't forget to give us your fish stories.

THRU THE COIN CHUTE DALLAS DOINGS

Joe Metassa over at American Distributing Company made an interesting observation. The Texas State Legislature has put the clamps on gambling devices yet right here on the midway of the State Fair of Texas are row after row of gambling devices to tempt our young people. Ironic, isn't it? . . . Bob De Priest has bought his first Model "D," AMI and reports he is overjoyed with the way it works. . . . Phil Weinberg is on a business trip to the West Coast. Also out of town is George Wren, of Walbox Sales, on business. . . . Miss Robbie Metz is back from her two week vacation to Louisiana. Reports that she had a fine time but is glad to be back on the job. . . . Here's a fish story for you. George Vann has just returned from a very successful fishing trip and reports that he caught over 100 fish.

B. H. Williams over at Commercial Music Company tells us that Hugo Joeris, Clark Richardson and Pete Moore, all of Amarillo, are raving over Chicago Coin's "Six Player Bowling Alley." . . . Tommy Chatten was up to his old tricks again this week—fishing at Possum Kingdom.

Some dime play converts—Joeris and Richardson, report that business is booming and the take is bigger than ever before. . . . Here in Dallas, Herb Rippa and Emmitt Nutt are converting their machines to dime play. Anybody else want to hop on the band wagon? . . . Red McCullom is adding six player shuffle alleys to his route. . . . We understand that Lennie Cohen has bought out his partner, Abe Sussman. The former S&C Company is now Lennie's Music Company. . . . Lew Jaffa, New York City, has been visiting Commercial, in Dallas this week. . . . The folks over at General Distributing Company report that everything is going fine. Fall business is good and looks as if it is going to get better. . . . Lester Wood of Automatic Novelty in Tyler was in Dallas Saturday for the big game between the SMU Mustangs and the University of Missouri.

THRU THE COIN CHUTE CALIFORNIA CLIPPINGS

With premium merchandise proving itself such a valued sideline to local distributors, Badger Sales has greatly expanded its premium line so that it ranks well with the best of them. W. R. Happel, Jr., notes, however, that come premiums, TV, household appliances or what have you, amusement games are still regarded by the firm as the basis of its business. Bearing witness to this is the Keeney "Six-Way Bowler," a sample of which was flown in for the Badger floor last week and a shipment due this week for waiting operators. . . . On hand at Badger was Bill Suter, the firm's Manila rep, who was spending a week with the home office crew before returning to the Islands. . . . Back at her desk after a San Francisco vacation was Betty Jane White, Bill Happel's secy. . . . Jack Dolan, former San Francisco jobber, has joined the Badger staff as an outside salesman and was set to cover the Bakersfield territory soon as he got back from a sales trip to Yuma, Ariz., and San Diego. . . . Badger's Al Silberman was back on the job from his Chicago trip, his leg mending nicely after that car-door injury.

That new streamlined figure you may have spotted in the vicinity of Phil Robinson's is Phil Robinson, the Chicago Coin rep having lost at least ounces since he went on that diet. . . . Waiting on Exhibit's "Shoot-A-Line" at Sickening Distribs was Jack Simon, who reported he didn't know much about the game, other than it had an appealing monicker. . . . Chicago Coin's "Six Player Bowler" is really getting the plugs these days from Fred Gaunt at General Music, where the crstomers are backing him up by buying the new game at a merry pace. . . . Lyn Brown admits things are a little quiet, with the weather the hottest item of conversation in his area, but he's still moving a fair share of new and used equipment and still, being Lyn Brown, hoping for a better manana. . . . Saying hello to the Laymons and his other friends in L. A. was Bally regional man Phil Weinberg.

Over at Paul Laymon's, Bally's "Coney Island" is hitting big in the outlying areas, with many ops already repeating orders. Jimmy Wilkins, Laymon's outside man, reports that Wurlitzers are really moving in his territory, many music ops just now making their first switchover from old units and also from new but bulkier machines. . . . Swelled up with almost as much pride as if he'd been elected to Congress was Ed Wilkes, whose son Denny was just elected vice-president of his school class. . . . Might as well pass this compliment along in print to the home office: Many of the local lads we're in frequent contact with, particularly the boys around the music business, think The Cash Box has greatly improved reading material, what with the additional blues & rhythm and folk & western columns.

On the Row: Bob Shelton of Bishop. . . . La Habra's Henry Van Stelton. . . . Fred Shuey of Southgate. . . . Charlie Cahoone, Carl Honeyman and Sheridan Thompson of Long Beach. . . . San Pedro's Charles Koski and Wm. Olson. . . . Lela Smith of Barstow. . . . Al Anderson from Shafter. . . . San Bernardino's S. W. Ketchersid, A. T. Fekins and Glenn Knudsen. . . . Jimmy Hill of Santa Monica. . . . Big Bear Lake's Jack Spencer. . . . S. L. Griffin of Pomona. . . . Wm. Brandenburg of Whittier. . . . G. F. Cooper, who was just back to his Riverside chores after a stay in Nevada.

THRU THE COIN CHUTE MIAMI MURMURS

Bert Lane, just back from a visit to New York with his lovely wife, reports that on this trip north they really had a terrific time. In addition to seeing all his many friends and cronies, the Lanes took in a Broadway show practically every night. Bert was in communication with Dave Gensburg in Chicago, who was getting ready to leave for his California home. Altho the Lanes have resided in Miami only a short while, they are now dyed-in-the-wool Floridians, and were mighty happy to be back home. . . . Attending Bobby Elliot's concert at the Miami Beach Auditorium were Mr. and Mrs. Willie Blatt; Mr. and Mrs. Willie Levey; Mr. and Mrs. Dave Friedman; Mr. and Mrs. Morris Marder and Mr. and Mrs. Bert Lane. . . . Al Cole of Coles-pa taking it easy at the Belmar Hotel. Cole is one of the real old-timers in the manufacture of drink machines. He relates that today he has six plants in the United States and one in Canada turning out cup drink vendors. We understand that a Miami operator bought 50 machines during his visit, putting down a cash deposit and the balance sight draft, bill of lading, which speaks very well for the drink vendor biz. . . . Ted Bush and Ozzie Truppman, Bush Distributing Company and Willie (Little Napoleon) Blatt grab a fast lunch together, with Ted and Ozzie weeping into their coffee cups, bemoaning the fact that they weren't getting sufficient shipments of Wurlitzer phonos and Williams' "Hayburners" to supply the terrific demand. They are hoping for additional machines, but at the same time hope the manufacturing situation doesn't get worse and shipments cut down more than they are today.

Eli Ross, Taran Distributing Company, another distrib who could use more machines, particularly the new AMI "Model D-40," which he reports has made a big hit with music ops. . . . At the last meeting of the music ops assn. at the Biscayne Terrace Hotel, Duke Luker, president, presided over a gathering of 52 members. A new member was added when Willie Levey, who was in New York when the association was formed, joined up. Many business matters were discussed and decisions made. Monthly sticker dues were voted on favorably, and it was decided to ban persons under 16 from playing their equipment. Charley Kanter, president of the Automatic Phonograph Owners Assn., Cincinnati, Ohio, was a guest at the meet, and related the advantages his association has benefited during its lifetime.

*And all it
Cost was
92¢
A Week*

That 92¢ a week allows me to use a 40 word classified ad in each and every week's issue of *The Cash Box* for a full year of 52 weeks—plus, giving me a full \$15 per year subscription free of charge. What a bargain that is—a total value of \$181.40 for only \$48.

But, that isn't all. The fact is that my first classified ad in *The Cash Box* brought me back more than my entire total investment of \$48 and, I still have 51 ads more to use in the biggest and most outstanding classified advertising department in the entire industry. Remember *The Cash Box* publishes more classified ads each week than all the other magazines publish in a month.

Brother, that's where I want to spend my money—where everyone reads my ads—for whatever they want to buy or want to sell. And, when I can get a bargain of such a history-making nature, I'm going to invest my 48 bucks, which actually amounts to only 92¢ a week, to let the entire industry know that I'm in business.

Take my advice, friend, and start making yourself some real money while getting yourself recognition from everyone in the industry—send your check for \$48 along with your first 40 word classified ad today to: THE CASH BOX, EMPIRE STATE BLDG., NEW YORK 1, N. Y.

THIS WEEK'S USED MACHINE QUOTATIONS

How To Use "The Confidential Price Lists"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists", rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price.

This Week's Used Market

This was an unusual week as far as trading went. There were plenty of machines offered for sale, with activity showing in many pieces of equipment that formerly were dormant. These machines showed an increase in the asking price. Those machines that were in themselves being traded in past weeks in great numbers were this week limited in activity. Some kept in the active columns, but the prices asked, in most instances, were either lower, or held their own.

Pin games, for instance, were offered in greater numbers, but those games which were shown as active the last weeks, didn't show up as often. Those that did, were mostly off in price. Several held their own,

and one game, "Turf Kings," was both active and showed a price increase. However, many games were offered this week, which didn't appear for several weeks past, and in these instances, practically every one was at an increased price.

Shuffle games showed the same trend as pin games. Where great activity appeared for the past number of weeks, many games this week were limited. However, once again, more varied shuffles were being offered. Arcade machines were more active than past weeks, with prices fluctuating.

As in past weeks, used music activity this week remained about the same. Very little difference either in numbers of machines offered, or in price.

The following was the most active equipment in this week's used market:

NEW EXTRA BALLS IDEA

INSURES EXTRA PLAY-APPEAL AND EXTRA PROFITS

Bally CONEY ISLAND

FAMOUS "IN-LINE SCORES"

Popular 3-in-line, 4-in-line, 5-in-line score system attracts busy play... and takes in up to 3 coins for first 5 balls, as players select 1, 2 or 3 score sections. Player scores only in selected sections, but scores light up in all sections to tantalize and insure repeat play and plenty of triple-section play.

NEW "EXTRA BALLS" IDEA

After shooting first 5 balls, player may deposit extra coins to play for 1, 2 or 3 extra balls. Extra balls are released on mystery-flash basis... 1, 2 or 3 balls. Player may play as many coins as desired for extra balls, but only a total of 3 extra balls are released. Location checks prove players average 2 to 5 extra coins per game to turn near-winners into winners.

CONEY ISLAND combines the profit-proved play-appeal and earning-power of BRIGHT LIGHTS with the fascinating new Extra-Balls Feature that insures plenty of extra coins every game. Because every game played is either a winner or a near-winner, players can't pass up the opportunity to clinch a winner with extra balls. Try CONEY ISLAND today. You'll be mighty glad!
