NUMBER 17

Since, as the lyrics to the song "John, John, John" proclaim, "Every Tom, Dick and Harry's named John," composer Collins Driggs shows Guy Lombardo (right), Carmen Lombardo (center) and Liebert Lombardo (left) that he has renamed each of the babies "John." The happy look on Guy's face is due to the fact that his Decca recording of "John, John, John" looks like the first novelty hit of the new year. Tune is also being published by the Lombardo firm, Carmen Music.

Many times great machines are condemned because of snap judgment.

This is not only true of operators, but also of jobbers and distributors.

For example, many faces are bright red today, especially back of the ears, when these men think how quickly, and with what snap judgment, they condemned the coin operated horses, and even the latest type kiddie rides.

Not only in amusements, but also in coin operated phonographs and vending machines, too, this sudden, snap judgment has prevailed in many, many cases.

Products which took many, many months of experimentation, development and tests, were condemned before they could even get started.

Thank goodness there are a greater number of men and women in the field today who test before they condemn.

This has been the saving grace of much equipment which, were all the peoples of this industry to listen to the small 'snap-judgment' minority, would be long gone and forgotten.

Instead, these machines are bringing good returns and in many cases bringing good income right to the people who first condemned them with snap judgment.

It is extremely difficult today to make a quick, snap-judgment decision of any product.

The field has grown to such an extent that the general public has proved they will try almost any type of coin operated equipment given the opportunity to do so.

It should be understood by this time, and by all in the field, that no mechanism is 'perfect' in the full sense of the word.

In fact, nothing that is a mechanism, can be per-

fect. No different than any human being can be perfect.

Therefore, sudden, snap judgment of a new product is something that doesn't fit in with logic and intelligence, especially on the part of the businessmen who comprise the industry and help to formulate its future course.

A quick look, a quick judgment, has never yet been the answer to any product or any person.

This editorialist came across something which, he believes, will definitely help to prove the point.

While reading all this, after first looking at the above coins which, in almost every case started the reader to go further into these statements (and now that the reader has gone further) he wonders what it's all about!

"Where", he probably is saying to himself, when he gets to this point of the editorial, "does all this tie in with the coins shown above?"

Simply and succinctly the following: That not one man who has started to read this, by quick, snap judgment, and just as quick and snappy a looksee, knows the total amount of the coins shown above.

Furthermore, even after a few minutes of close vision and addition, he still won't be sure of the total amount.

Certainly, then, he shouldn't act too quickly when it comes to judging new equipment of any kind that is introduced at anytime.

We sincerely hope that everytime the reader, from now on in, sees a new machine, he will remember the above illustration. And also recall how long it took him to add the total.

Multiplying this by the many, many times it takes to really study equipment and completely test it, he should never, from now on, make snap judgments which can only bring him anything but commendation from the intelligent peoples of the industry.

HANK WILLIAMS

Last week American music suffered one of its severest blows. It lost Hank Williams at the age of 29.

In a very realistic sense, Hank was one of America's truly great songwriters. Though he wrote in the folk idiom, his melodies and lyrics were universal.

A great artist besides being a great songwriter—for three years in a row he won *The Cash Box* award in the folk field — with the passing of time, Hank would have undoubtedly become one of the most revered figures in the entertainment world.

For his appeal was a basic one. He wrote and sang simply, saying beautifully the things which the ordinary person thought and felt but couldn't say.

What hurts most about the death of Hank Williams is that he was just at the beginning of his career. It's hard to think of a man who had a dozen or more smash hits as being just a beginner, but at 29 Hank hadn't been at songwriting and recording for very long. The main body of his work lay ahead of him. And it is that which the American public will be deprived of.

The loss, of course, can never be fully evaluated but every indication is that there would have been the same prolific number of songs coming from his pen in the future as there had been in the past.

If one were to ask what was Hank's greatest achievement during his lifetime, the answer would have to be the fact that he opened up and revealed to the American public an entire new field of music. For more than anyone else, Hank helped to bridge the gap between folk music and popular music.

It isn't more than a few years ago that folk music was thought of by the general public as backward music, lacking in meaning to people outside of hill country areas and certainly lacking in the basic ability to appeal to a large diversified audience. Hank helped to show how wrong that attitude was.

One after another — writing for a folk audience — he turned out songs which the American people en masse took over as its own. He demonstrated by the only way possible—the producing of hits—that great material can come from any area of the country, not only the large cities or the east coast or the west coast. He showed that a song being sung to the accompaniment of a single guitar could get its message across the same as one being done with a thirty piece orchestra. And he showed moreover that a song written for a single guitar could also sound great with a thirty piece orchestra.

It was Hank Williams' finest achievement that he played such a tremendous part in demonstrating these things. More than his great songs—which will live on and be sung for generations to come — Hank Williams' place in the history of music will be secured by this accomplishment: that he widened the horizons of American music by opening up the entire folk field for popular enjoyment.

This week saw a rash of "Hank Williams" memorial shows throughout the nation. His death is a tremendous loss to the music business but the songs he leaves behind will keep his memory alive for many many years to come. Hank had his finger on the pulse of the listener. He had an uncanny feel for what the public would "buy." Not only with his writings, but he could spot a comer like a Geiger counter tracing uranium, as is testified to by the many songs kicked off to national prominence with an initial folk reading. . . . The Art Tacker Show, (WCRB-Waltham, Mass.) started the New Year right. On New Year's day, Tacker played the top 24 tunes of '52, as published by The Cash Box. . . . WSAP-Portsmouth, Va., celebrates its tenth anniversary this week. . . . Symphony Sid is the disk jockey from the newly opened Bandbox, next to Birdland, soon over WOR-New York from 2 to 5 ayem nightly. Sid formerly did the all-niter from WJZ in Birdland.

STAN PAT
(WTNJ—Trenton, N. J.)

Stan Pat (WTNJ-Trenton, N. J.) received a wonderful Christmas gift at the studio party on December 22. At the height of the festivities the station manager announced that Pat was henceforth the new Music Director in addition to his current show "Stand Pat." . . . Johnny Cobb, rising young singer who made his introduction to the public with "Stingy" on the Pleasant label, will release his latest "What A Night" backed with "The Girl Next Door" this week. In a concerted drive to break the disk open, Johnny will visit the deejays in the Pittsburgh and Detroit areas; Hal Hester will cover the stations in Washington; and Marie Haggar, Miss Prexy of Pleasant Records and Hagger Music, will spellbind the platter-spinners in Philadelphia and Boston. . . . Bill Silbert, WABD master of ceremonies featured every night at 11:20 announced the winners of his "Most Popular Vocalist" contest. Eddie Fisher took top honors with Sandy Solo

and Danny Winchell, two up and coming stars of tomorrow, placing second and third. Silbert was honored at the USO Lexington Canteen on January 10 with a "Bill Silbert Night." . . . Donn Tibbetts, WFEA-CBS-Manchester, N. H., has formulated plans for a repeat of a unique broadcast he did last winter. Riding on skis down Mt. Sunapee with a tape recorder on his back. Stunt is used by Donn to boost ski interest in the New England area. . . . On New Year's Day, Tibbetts featured The Cash Box Poll Winners plus the top 24 songs as voted in The Cash Box Poll. It was a three-and-one-half hour show and drew terrific response. . . . Holiday greeting from Hal Tate (WBKB-Chicago) reads "Happy New Year—Rest assured Cash Box will continue to occupy the number one spot insofar as disk information and data is concerned." . . . Jean DeGraide and Art Kershaw (WJAR-Providence, R. I.) recently played host to Don Cherry and Ricky Hale on their "Early Bird Festival" morning show. Jean and Art complain "We don't get records from all of the majors like we should. We'd appreciate more of same if promotional want their records to get a little push." . . . Jack Walker, publicist for Atlantic Records and the Billy Shaw Agency, is now deejaying his own show, 8 to 8:30 on WOV-New York, five nights a week. Jack will slant his programming to the r & b clientele. Nobody knows the r & b business better than Jack and his program should be something to listen to.

RAY ANTHONY ORCHESTRA
(Capitol 2327; F-2327)

B+ "STREET SCENE" (2:52) Ray Anthony does a top flight production job on a great blues melody with the aid of a full and resounding ork backing him. His trumpeting is sensational. You can just picture a modern ballet with this number. The tune is used as a theme for the "My Friend Irma" show.

B "ON THE TRAIL" (3:16) Another fine melody from the Grand Canyon Suite gets a sock going over by Ray. This tune is the theme for Philip Morris shows. Two great sides. Both are naturals for the boxes.

DAN BELLOC ORCHESTRA
(Dot 15048; 45-15048)

B+ "PRETEND" (2:38) Dan Belloc and his ork have a sensational instrumental version of a catchy number that seems to be making a stir in the wax circles. The tune has an individuality about it like "Third Man Theme" or "Callaghan".

B "YOU ARE ECSTASY" (2:42) The softness of a piano introduces a lovely instrumental with a very warm atmosphere by the Belloc aggregation. The number is great for the soft and quiet boxes.

THE SQUADRONAIRES
(London 1284; 45-1284)

C "THE LAST WALTZ" (2:36) A pretty slow waltz that is better fit for dancing as a fox trot is presented by the Squadronaires with Roy Edwards handling the vocal chores. The sentimental ballad is smoothly presented.

C+ "HESITATION" (2:36) A Hugo Winterhalter composition is socked out to a jump tempo by the artists to a rhythmic tempo while the group does a bit of vocaling.

ERROLL GARNER
(Columbia 39918; 4-39918)

C+ "I NEVER KNEW" (2:35) One of the masters of the keyboard, Erroll Garner gets an assist from Shadow Wilson on the drums and John Simmons at the bass as he cruises through a fast moving foot tapper. A fine exhibition of fingering.

C "AM I BLUE" (3:25) Erroll and his buddies get together on an arrangement of soft mood music the type that one could listen to all night. It's good slow stuff that puts you in a sentimental mood.

ROGER COLEMAN
(Decca 28529; 9-28529)

B "MY DARLING" (2:26) Roger Coleman who did such a fine job with "Everything I Have Is Yours" comes up with another soft voiced delivery of a pretty ballad with Norman Leyden as accompaniment. The vocal has a tender sob in it.

B "YOU SAY IT WITH YOUR EYES" (2:52) Here the Leyden ork changes the tempo to a Latin rhythm and keeps it subdued for another tender vocal by Roger. The rhumba beat sets off his voice to full advantage.

THE CASH BOX DISK OF THE WEEK

"HOW MUCH IS THAT DOGGIE IN THE WINDOW" (2:39)

"MY JEALOUS EYES" (2:45)

PATTI PAGE

(Mercury 70070; 70070 x 45)

PATTI PAGE

● Patti Page who made such a sensation with her fabulous waxing of "I Went To Your Wedding" does an about face and comes up with an entirely different offering than

she's ever done before. She takes a pretty floating ditty about a puppy tagged "How Much Is That Doggie In The Window" and gives it a sweet and pert voiced dainty reading that makes you feel warm inside. Patti dubs with her own voice on this lovely item and gives it a doubly super job. Flip is another lovely piece set to a soft rhumba tempo. The number is entitled "My Jealous Eyes". She rolls out the lyrics in a tender and caressing manner that only Patti can offer. We look for the cute little novelty on top to do a bang up job for all concerned. It's something different and really beautiful.

"SIDE BY SIDE" (2:51)

"NOAH!" (2:44)

KAY STARR

(Capitol 2334; F-2334)

KAY STARR

● Kay Starr steps into the spotlight once again with her bid for top honors and it looks like she has the number that'll make the climb to a high rung on the best

seller ladder. She gives a sensational multiple voice delivery to a slow jump standard labeled "Side By Side" Her voice is of the usual out of this world quality and the arrangement is grade A. She puts a great deal of oomph into this terrific number. The fine ork of Harold Mooney backs the thrush on this good bouncer. The lower lid is a spiritual type of number called "Noah" that Kay puts across full of zip. Lou Busch and his ork help the chantress on this rhythmic side. A group also adds color to a fine reading. The top deck got it. We look for it to draw loads of coins for the ops. Get with it, it's gonna be real big.

BUDDY JOHNSON ORCHESTRA

(Decca 28530; 9-28530)

C "SOMEHOW, SOMEWHERE" (2:32) Ella Johnson gives a low down blues reading to sad and sentimental item while Buddy Johnson and his crew set up the mood. The sad feeling of the moderate beat item is well put across by the piano.

C+ "JUST TO BE YOURS" (2:30) The Eckstine like voice of Norman Lewis sounds fine as he chants a pretty ballad with an R & B type of backing. The powerful presentation makes for good listening.

CAMARATA

(Decca 28528, 9-28528)

C+ "FLASHING PEARLS" (3:06) Camarata deals out some luscious waltz music in which is placed a smooth zither solo by Franz Dietschmann. The tune is pretty but a bit too deep for the pop market. It's much heavier than the wonderful "Veradero."

B "THE SINGING ZITHER" (2:50) Here the ork leader delivers a more zippy tempo item with a great deal of color and a catchy tune. The zither solo by Franz is inviting.

NAT BROOKS ORCHESTRA
(Rainbow 195)

C+ "BROWN DERBY MAMBO" (2:38) A very precise and clear mambo is rocked out by Nat Brooks and his ork. The clear steady rhythm is perfect for dancing.

C+ "ORGAN GRINDERS MAMBO" (2:35) Mambo lovers oughta go for this peppy delivery of another beaty mambo. The flute in the backdrop gives the sound of an organ grinder.

TENNESSEE ERNIE
(Capitol 2338; F-2338)

B "I DON'T KNOW" (2:30) The number one R & B tune across the nation is given a western pop belting by the voice of Tennessee Ernie. This jump should do well in all markets. It's full of pep.

C+ "SWEET TEMPTATION" (2:37) Another beaty jump piece is zestfully vocaled by Ernie with a guitar standing out in the backdrop. Clife Stone and his boys offer the support for the artist.

MARGARET WHITING
(Capitol 2331; F-2331)

B "SINGING BELLS" (2:22) A light and happy waltz tempo number with lilting bounce is warbled by Margaret Whiting with a full chorus in the backdrop. The wedding number features a fine orking job by Lou Busch.

B "TAKE CARE, MY LOVE" (2:59) Lou and his boys set up a lush surrounding for a pretty ballad which Maggie sings with feeling. The warm number should do fine in the boxes.

FRED WARING AND HIS PENNSYLVANIANS
(Decca 28527; 9-28527)

B "SOMEBODY LOVES YOU" (2:37) Keith and Sylvia Textor stand before the full voices of the Fred Waring choir and pleasantly deliver a soft and tender duet vocal. The atmosphere is warm on this moderate tempo ballad.

C+ "TRUE, BE MY TRUE LOVE" (3:17) The vocal duo comes up with another pleasing delivery set to the pretty harmony of the Pennsylvanians. The full sound is showcased by a lush orking set to a waltz tempo.

GOMEZ ORCHESTRA
(Rainbow 196)

C+ "WALTER WINCHELL RHUMBA" (2:38) A favorite rhumba standard of not too long ago is rhythmed through by Gomez and his orchestra. The straight, non-varying rhumba beat is tailor made for dancing.

C+ "RHUMBA RHAPSODY" (2:36) Another fine tempo item is sent out by the Latin aggregation. The tune is good and makes for a good party record. It's the type of delivery that clearly stands out.

RECORD REVIEWS

ⓐ DISK & SLEEPER	ⓐ GOOD
ⓑ EXCELLENT	ⓑ FAIR
ⓒ VERY GOOD	ⓒ MEDIOCRE

EDMUNDO ROS ORCHESTRA
(London 1277; 45-1277)

B+ "MARCHING STRING" (2:58) Edmundo Ros gets away from the calypsos and novelties and sends forth an outstanding lush orchestration of a string march. The arrangement and melody are tops on this lovely tune with a British lilt.

B+ "ECSTASY TANGO" (2:57) Another top quality offering by Edmundo and his men is demonstrated on a lush and stirring tango that blends into a rhumba. The delivery is sensational. This could be another "Blue Tango."

SAMMY KAYE ORCHESTRA
(Columbia 39917; 4-39917)

B "THE DANCE OF MEXICO" (2:40) Sammy Kaye and the Kaye Choir add cute lyrics to the pleasing south of the border standard "The Mexican Hat Dance" and come up with a cute handclapper. The well liked melody might help make this side.

C+ "HURRY, HURRY, HURRY" (2:25) Jeffrey Clay gets a showcasing from the Kaye choir and ork as he warbles a tropical island like number. The softness and smoothness of the number are relaxing.

ROBERT FARNON ORCHESTRA
(London 1276; 45-1276)

B "THE WALTZING CAT" (2:42) The violins meow an introduction to a cute Anderson composition that leads into a lush novelty waltz delivered in fine fashion by Robert Farnon and his ork. The arrangement and sound are terrific.

B "MELODY FAIR" (2:55) The Farnon ork goes through a lush and romantic instrumentation of a pretty melody that the conductor composed himself. The lovely string presentation is fine for lush locations.

ART LOWRY ORCHESTRA
(Columbia 39912; 4-39912)

B "STUDIO ONE CONCERTO" (2:37) Art Lowry taps the piano keys and leads the ork through a lovely interpretation of a melody adapted from Vic Oliver's "Prelude To The Stars." The piano and orking are tops. Melody might be recognized as theme for "Studio One" radio and TV programs.

B "I'M USED TO YOU" (2:38) The Toe Tappers join Art on a cute novel reading of a peppy jump item. The piano in the backdrop is wonderful.

LES BAXTER ORCHESTRA
(Capitol 2328; F-2328)

B "AS LONG AS YOU CARE" (2:39) From the coming flick "I Don't Care Girl" comes this pretty ballad as portrayed by the warm voice of Sue Allen. The thrush's pretty delivery is showcased by Les Baxter's lush music.

B "VIENI, VIENI" (2:00) The Les Baxter chorus does a standout job on a cute oldie from way back in the Rudy Vallee era. The cute novelty play on words is set to an interesting samba tempo. This piece could catch on again.

THE CASH BOX SLEEPER OF THE WEEK

"JOHN, JOHN, JOHN" (2:21)

"I'M SKIPPING ROPE WITH A RAINBOW" (2:49)

GUY LOMBARDO ORCHESTRA
(Decca 28546; 9-28546)

GUY LOMBARDO

● It looks like another big one for Guy Lombardo. The Guy leads his ork, the Lombardo Trio, and

Kenny Gardner through a novelty number with cute lyrics and a very catchy melody. The number goes under the name of "John, John, John" and stands out high above the every day novelties. Kenny's voice sounds cute as he chirps the light and bouncing melody of the tune while the Lombardo Trio helps round out the side with some fine vocal backing. "I'm Skipping Rope With A Rainbow" is the other deck that the crew does so well on. It's another light and pleasant to listen to side. Kenny recites this piece in a warm and inviting fashion. "John" is definitely the side. It's one of the cutest things we've heard in a long time. It oughta be big.

HELEN O'CONNELL
(Capitol 2324; F-2324)

B "YOU CAN DO IT" (2:06) A cute Latin item constantly repeating the title of the tune is pertly voiced with a rhythmic approach by Helen O'Connell with Harold Mooney and his men setting up the rhythm.

C+ "I JUST CAN'T REMEMBER THE WORDS" (2:11) A slow bouncing cute ditty about the forgotten lyrics of another tune is given an ok reading by Helen. The number makes for pleasant listening.

DICK STABLE ORCHESTRA
(Capitol 2325; F-2325)

B "WHEN MY SUGAR WALKS DOWN THE STREET" (2:05) Jo Ann Greer gets a terrific backing from Dick Stabile's boys on a cute oldie which she belts out in fine fashion in a chirp manner. Arrangement and orking are fine.

B "TWILIGHT TIME" (2:56) A different and interesting instrumental arrangement of a lovely old tune that features some stylish saxing. The bluesy instrumental should draw a good share of coin in the boxes.

JUNE HUTTON & AXEL STORDAHL
(Capitol 2318; F-2318)

C- "SONG OF THE SLEIGH BELLS" (2:15) The voice of June Hutton teams up with the music of Axel Stordahl on a tune adapted from a theme by Peter Tchaikowsky. The sleigh bell item is cutely presented by all. It has a cute bouncing beat.

C+ "I HAD A LITTLE MUCH TO DREAM LAST NIGHT" (2:44) Here Junie does a smooth and tender ballad and again gets the fine accompaniment of the Boys Next Door and of the Stordahl ork.

THE JOHNSON BROTHERS
(London 1285; 45-1285)

C+ "THE CHOOBUY SONG" (2:35) A happy novelty is voiced by the Johnson Brothers to a good bounce tempo. This version should be a fine contender for top honors if the tune breaks.

C+ "OH MY LOVE, OH MY HEART" (2:38) The tempo is slowed up for the boys' version of a pretty waltz. An organ helps put across the warmth of the rendition.

THE CASH BOX BEST BETS

In the opinion of The Cash Box music staff, records listed below, in addition to the "Disk" and "Sleeper" Of The Week, are those most likely to achieve popularity.

- ★ "A FOOL SUCH AS I" and "I'M TEACHING MY DOLLY TO PRAY" ... The Bell Sisters
RCA Victor 20-5122; 47-5122
- ★ "STREET SCENE" ... Ray Anthony ... Capitol 2327; F-2327
- ★ "PRETEND" ... Dan Belloc ... Dot 15048; 45-15048
- ★ "MARCHING STRING" and "ECSTASY TANGO" ... Edmundo Ros Orch. London 1277; 45-1277

JIMMY YOUNG
(London 1282; 45-1282)

B "THIS IS OUR NIGHT" (2:38) Jimmy Young comes up with a warm, tender, and full voiced presentation of a lovely romantic ballad that he puts a great deal of expression into as Ron Goodwin and his ork supply the backing.

B "MY HEART IS A KINGDOM" (2:42) The smooth voiced chanter does another appealing and tasteful job on a soft ballad. The sentimental piece gets the lush Goodwin backing on this side too.

THE BELL SISTERS
(RCA Victor 20-5122; 47-5122)

B+ "I'M TEACHING MY DOLLY TO PRAY" (2:39) The Bell Sisters have a pretty and sentimental number that brings a tear to the eye of the listener. Their pert vocaling on this tender number should help the deck happen.

B+ "A FOOL SUCH AS I" (2:51) The young chirps do another top flight on a wonderful ballad that stems from the folk field. Their petite voices are really beautiful on this warm tune. This could be a big one.

JOHNNY VANDAL ORCHESTRA
(RCA Victor 20-4991; 47-4991)

C+ "GAIL ANN WALTZ" (2:32) Johnny Vandal leads his ork through a light and swinging waltz with a very pretty tune. The fans of the dance step should like this one.

C+ "MORE AND MORE" (2:22) Eddie and Tony join voices against the backing of the Vandal ork and happily lilt through the cute novelty. The happy arrangement makes for pleasing listening.

MIKE NOVAK ORCHESTRA
(Capitol 2281; F-2281)

D "HULA POLKA" (2:31) A soft and stringy type of polka that features the accordion is presented by Mike Novak and his polka crew. The offering is missing a bit of kick.

C+ "HOLIDAY OBEREK" (2:50) The slow waltz like tempo that comes from an oberek is invitingly offered by Mike and his boys on a number that should go big with the lovers of the Polish music.

GEORGIE COOK ORCHESTRA
(Decca 28440; 9-28440)

C+ "LOVE'S JOY" (2:22) A pretty waltz number adapted from a classical piece makes for smooth listening as played by Georgie Cook and his ork. The pretty sound is attributed to an accordion and an organ.

C+ "KEYSTONE POLKA" (2:35) Here the boys give a jolly air to a peppy polka item. The boys in the ork let out with chants in certain spots to add a homey feeling to the waxing. A banjo adds further color.

Chi's Music Ops And Record Distributors Seek Solution To Order Filling Problem

Ops Claim Record Distributors Not Filling Even 75% Of Their Orders Especially For 45's. Disk Distributors Ask Ops For System Whereby They Can Anticipate How Many 45's Will Be Ordered As Against 78's of New Releases. Meantime Arguments Continue While Both Sides Seek Solution To Problem.

CHICAGO—For sometime music operators here have been working up a burn because of the fact that their orders for records from local distributors of major labels haven't been properly filled.

The distributors are especially laggard, they claim, in filling their orders for 45-rpm disks.

Operator after operator has called the attention of The Cash Box to this matter for some weeks now.

In each case these music ops are willing to produce their original orders as against the filling of these orders.

Some of the music ops claim that they aren't even getting 50 percent of their orders filled. Others claim to be obtaining as high as 75 percent of their orders filled.

Record distributors, on the other hand, claim that they are definitely filling better than 75 percent of the orders they receive.

What the disk distributors want is some basis on which they can anticipate what to order from their factories as regards the number of 45's against 78's.

The operators turn about and state that the distributors know that the average percentage today would be about 25 percent of the 45-rpm disks as against 75 percent of the 78-rpm disks that they are ordering today, with more and more 45's being ordered, as the ops get these machines out on locations.

The ops claim that the record distributors are 'holding back.' That they just won't take a chance on ordering in any real quantity and that, because of this extreme caution, the operators here are suffering.

The ops say that when they want records the distributors have to first order these from their factories and the operators then have to wait for arrival.

"Furthermore," one large operator states, "by the time the records arrive, the tune is, many times, dead as a door nail. Then we can't even use the disks."

The distributors argue against this. They state that they are ordering heavier than ever before. That they have tried their darndest to satisfy every single operator. That they give the juke box ops preference above all other buyers.

They also claim that they try very hard to get the operators to anticipate their needs. Instead, they say, operators will phone in an order and want delivery that very day.

Furthermore, they report, instead of just about 25 percent of the order being for 45's, it will now be about 45 percent for 45's. And the operator will burn if he doesn't get his complete order that very same day, they claim.

Some ops claim one record distrib, and some claim another, as "the worst of them all."

Yet the distributors claim that they have sold the music ops more records than ever before.

The trouble is, the record distributors here claim, they have no way in which to gauge what they should order. Though the ops claim that they should order 25 percent in 45's and 75 percent in 78's on new releases, the distributors state that, in many cases, this percentage comparison goes awry.

Then they are thrown all off course by not being able to fill orders the way they want to and like to for the operators' benefit.

In the meantime, while arguments wax hot pro and con, the operators are getting together to arrange for some system which will meet with the approval of the record distributors.

"And then," they state, "let's see what happens."

The HALE You Say

by natt hale

The passing scene constantly changeth. The popular expression about this time is, "Can it be that another year is already past?" Which would seem to indicate that Mr. O. Khayham hit it pretty much on the head, wouldn't you say? The Persian bard stated it thusly: "Ah, fill the cup! What boots it to repeat, how time is slipping beneath our feet?"

To a great extent, those of us in the record business have kept pace with Time, measuring the eons with purposeful accomplishment. When one considers the tremendous strides and advancement the industry has made—especially in the last four years—it would appear justifiably reasonable to stretch the collective arm and pat our collective back, uttering a bold, stentorian, "Well done, all of us!"

Engineering-wise, the progress in the record bizz has been immeasurable. Let alone the scientific adjustments in speeds, the discoveries in high fidelity cycles, the fascinating experiments with "new" sounds, etc., this past half decade has produced more divergent and unique developments in the industry than had been evident in all of its past history combined! So, to all intent, the engineers of sound can point with pride to their record of achievement in a highly-exacting field.

Any single facet of an industry which progresses in a singular vein would be considered virtually worthless, were not all combined and collective units of the tangents surrounding it aware of the changes. This means that a parallel progress must be maintained amongst all of these, if only to keep pace. From the commercial standpoint, however, it is mandatory that a tantamount vigilance and surveillance of "the world about us" be held, so that all of the industry shall profit as a result.

NATT HALE

In our opinion, this has been accomplished quite definitely. The merchandising and promotion of records has been stepped up, in keeping with the modern conception of music as a business. The outlets and sources of point-of-sale have been alerted to a point where good, wholesome activity in the music business is now the rule, rather than the exception.

The cognizance of the manufacturer toward these outlets and sources has been decidedly apparent, judging from the numerous departmentalized units within their own organization which have been designed solely for the purpose of increasing the efficiency of retail dealers, juke box operators, one-stops, etc. In some cases, this could even result in a temporary loss of revenue. Going on the assumption that the end justifies the means, however, this loss was marked in the books as merely an investment against future error. And so it generally proved to be.

The juke box operator, acting both as an outlet for sales and an excellent medium for exploitation, became a direct concern to the industry as a whole. His type of operation can be so complex that, unless carried on in an exacting and detailed manner, it could result strictly in a huge promotional project for the various record companies with no appreciable personal return. Therefore, it became necessary for the record industry to set up another agency within their respective firms to deal with the juke box op and whatever problems beset him. The close alliance has proven to be of great mutual benefit, and the operator now knows that the industry as a whole has made it a primary point to protect his investment. With this confidence, he can look forward to new models, new developments in construction, sound, tone-arms, speeds, etc., and realize that he has become one of the integral parts of a gigantic business.

And so it goes. No one can actually put his finger on the starting point of our business. It is successfully intertwined, one facet with another, to the extent that the end result is a fantastic pot-pourri of turntables, discs, coin-machine slots, display racks, microphones, trade magazines, musical instruments—and thousands of other units, ad infinitum. And—people . . . Real people.

Which is, undoubtedly, the real subject of this piece. The people who comprise the record business. That's what makes this the great industry it is, and why we wouldn't change our place in it for anything in the world. 'Cause we love the people.

That's YOU—and YOU—and YOU! Happy New Year!

COMPILED BY JACK "ONE SPOT" TUNNIS

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunnis. Each listing includes the name of the song, record number, artists, and tune on the reverse side.

• The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

THE CASH BOX

The power of one record never ceases to amaze. Willie Mabon's "I Don't Know" on Chess, continues to race across the nation like an autumn forest fire. The fetching item is number one in practically every city in the r & b belt. It has caused a fever of excitement in the music biz. The latest coverage is Tennessee Ernie for Capitol Records. As a result of this disk, Mabon was signed by the Gale Agency. His latest booking at the Earle in Philadelphia was such a smash that Willie found his three day booking extended. The shouter will spend some time in New York before going into the Apollo, New York, on the 15th. We venture to predict that Willie will "Knock 'em dead" as, by virtue of his disk, he is already very highly regarded in the local area.

* * *

Joe Loco, Tico Record star, will make his first theatre appearance when he moves into the Apollo Theatre, New York, on January 16. Featured with Loco will be Candido on the congo drum. The mambo specialist was big with his last release "White Xmas." . . . Tenorman Zoot Sims, whose new Prestige long player is currently causing a stir in modern music circles, recently broke it up at Birdland when they appeared with the Kai Winding-Bill Harris group. The package is now tearing up the seats at LeDownbeat Club. . . Varetta Dillard, Savoy songbird, goes into the Apollo on January 30.

* * *

Charles Brown has ordered a specially made Mink necktie to add to his already fabulous wardrobe. A strong contender for honors as the best dressed artist in show business, Brown recently ordered a \$2500 wardrobe which includes imported tweed suits, pastel Tartan plaid jackets, and 15 pairs of shoes. Brown indicated that, if he approves of the Mink tie, he will add several other kinds of furs, including Ermine. . . Things look big for 1953 over at Atlantic Records. Ruth Brown, The Clovers, and Joe Turner are all going into 1953 with a current hit. In addition, the diskery has Ray Charles, The Tilters, Joe Morris and several other spectacular artists whose releases assure Atlantic of good times ahead.

* * *

Never one to sit quietly around, Joe Delaney, former A & R head at London Records, and now law student in New Orleans, has never divorced his heart from the music biz. Joe, while getting down to grips with Blackstone these past few years, has always been busy emceeing concerts, deejaying and setting up or conducting record sessions. Only recently Delaney set up a recording date for Danny Kessler with the Dukes of Dixieland, a local two beat outfit. . . George Woods, formerly Mr. Rhythm and Blues at WWRL-New York, took over two hours at WHAT-Philadelphia.

The Top Ten Tunes Netting Heaviest Play, Compiled from Reports Submitted Weekly to The Cash Box, by Leading Music Operators in New York City's Harlem Area; Chicago's South Side, and New Orleans.

RHYTHM 'N BLUES REVIEWS

ⓐ DISK & SLEEPER	ⓐ GOOD
ⓑ EXCELLENT	ⓑ FAIR
ⓐ VERY GOOD	ⓐ MEDIOCRE

THE "JETS"
(Rainbow 201)

B "DRAG-IT HOME, BABY" (2:37) The "Jets" chant, scream, and belt home a hustling jump item. Arrangement has the boys hopping and the resulting disk is an exciting one.

C+ "THE LOVERS" (2:38) The group dishes up a change of pace for the flipdeck. The "Jets" do a slow tender tune softly and with a relaxed air.

SAX MALLARD
(Mercury 70002)

B "ACCENT ON YOUTH" (2:41) A treat for the sweet sax lovers is in store for them on this deck. Sax Mallard's saxing of the slow item is ultra soft, sweet, and mellow.

B "THE BUNNY HOP" (2:38) Mallard lets go on the reverse plate and delivers a jump item in exciting fashion. His saxing runs wild and is sure to win itself many spins.

PERCY MAYFIELD
(Specialty 451)

B+ "THE RIVER'S INVITATION" (2:49) Percy Mayfield does a masterful job on a slow tender blues. Mayfield tells the mournful story of his search for his 'baby' and the invitation from the river to make his home with it if she can't be found. The chanter's soft, warm delivery puts this item over with emphasis. This one should go great in the boxes.

B "I DARE YOU BABY" (2:15) The lower deck is a hustling bounce belted with verve and excitement by the talented shouter. Ork support on both decks is solid.

INEZ JONES
(RCA Victor 20-5135)

B "THEY SAY" (2:21) Inez Jones melts a slow soft item with feeling. The tune is pretty and has definite pop possibilities. Soft piano backs the artist as she carols the romantic lyrics.

B "TAKE A BACK SEAT MISTER" (2:25) Flip is a quick tempo jump delivered in lovely style by the thrush.

BOOTS BROWN
(RCA Victor 20-5110)

B "BLOCK BUSTER" (2:39) Boots Brown and His Blockbusters dish up a rhythmic quick beat with drive and zest. This side is a real gone number that features a torrid sax that moves all the way.

B "SHORTN'N BREAD" (3:04) The under portion is a middle beat jump that features the sax again. The Blockbusters set up some smart music and will have the feet tappin'.

AL GREY
(Peacock 1609)

B "TROMBONE INTERLUDE" (2:41) A slow sweet instrumental is fashioned by Al Grey and his orchestra. Grey blows a tender trombone against a subdued background and it comes out soft, somber mood music.

C+ "OVER AND UNDER" (2:38) Al Grey etches a change of pace as he and the ork spin a fast moving bounce. Trombone again takes the spotlight.

"CROSS MY HEART" (2:44)

"ANGEL" (2:45)

JOHNNY ACE
(Duke 107)

JOHNNY ACE

● The long awaited Johnny Ace follow up to his "My Song" has now hit the market and it looks like Ace has another hit tune. Titled, "Cross My Heart", the tune

is a slow beat romantic ballad blues that is Johnny's best type of material. Ace not only sings the song, but he collaborated as writer. The blues singer's host of followers, picked up as a result of his previous smash dinking, will find the artist sticking very much to the straight, sincere, and warm delivery that helped put him up with the leading blues chanters in the nation. His effortless and caressing manner of reading the lyrics, plus the pretty melody and deft orking of the Beale Streeters, makes this another No. 1 possibility. The flip deck is another slow item, romantically inclined, titled "Angel". This is another lovely item, sentimentally presented. Another pleasing and relaxing deck.

THE TILTERS
(Atlantic 979)

B "EE-TIL-YA-DEE" (2:40) The Tilters, a new group, breaks in with the trade with a fast moving wildie. Side is pepped up with hand-clapping, exciting chorus chanting, and some raucus horn blowing.

B+ "LA CUMBANCHERO" (2:53) The Tilters have what we feel is a strong contender for top flight honors in the new arrangement of the oldie "La Cumbanchero". The quick beat Latin tempo tune is given an exciting treatment that gets in the listeners blood.

LLOYD "FATMAN" SMITH
(Peacock 1611)

B "NO BETTER FOR YOU" (2:37) Lloyd "Fatman" Smith delivers a moderate tempo jump blues in driving style. Smith's smooth performance is assisted by a chorus chant. Standout in the ork backing is a fine saxophone solo.

C "MY CLOCK STOPPED" (2:48) Flip is a change of pace. Smith chants a slow blues movingly as he conveys his sadness to the listener. Standout on this side also, is the moody sax support.

THE CASH BOX

Rhythm 'N Blues SLEEPER OF THE WEEK

"WHY DON'T YOU BELIEVE ME" (2:41)

"KEEP IT A SECRET" (2:39)

THE FIVE CROWNS
(Rainbow 202)

● The boys who did quite a bit of enchanting on their "You're My Inspiration" with their unusual sound blend, dish up a pair of current pop hits for the r & b market that should catch plenty of play in the jukes. The upper deck is the current No. 1 pop hit of the nation, "Why Don't You Believe Me" and the group delivers the beauti-

ful piece rhythmically and harmoniously. The flipside is the lovely "Keep It A Secret" on which the boys get together for a sweet job. The treatment is similar to the upper end. The formula discovered by the group pays off, and ops will do well to place them in their hot locations.

PAULA GRIMES
(Prestige 801)

B "MISS MY DADDY" (2:37) Paul Grimes gives a slow rhythmic number a polished and sexy reading. Backing by the Teacho Wiltshire Band helps make this a colorful side.

C "SIGHIN' and CRYIN'" (2:39) Lower lid is a slow blues feeling fully dished up by the thrush.

LITTLE WILLIE LITTLEFIELD
(Federal 12110)

B "K.C. LOVING" (2:39) Little Willie Littlefield sings a moderate rhythmic jump item with feeling. Orking is solid.

C+ "PLEADING AT MIDNIGHT" (2:52) Flip is a slow blues done with style by Littlefield. A pleasing lift is provided by a smooth bit of saxing in the break.

CLIFF BUTLER
(States 112)

C+ "BENNY'S BLUES" (2:50) Cliff Butler and His Blue Boys dish up a slow feathery blues softly as they showcase the talented fingers of Ben Holton on the piano.

B "ADAM'S RIB" (3:00) Cliff sings on this side as the material is another slow blues. Vocal is warm and appealing.

LITTLE SHATTIR SINGERS
(Glory 4008)

C+ "WALK OUT IN JESUS' NAME" (2:55) The Little Shattir Singers dish up a shouty middle tempo religious tune. A strong lead voice is treated to the steady chant backing of the balance of the group.

C+ "I'LL LIVE AGAIN" (2:55) The lower lid is a quick beat gospel tune with the boys harmonizing a similar arrangement.

FREDDIE WASHINGTON O.
(Atlas 1026)

B "8-9-10-" (2:49) Tune is a take-off on "One Little, Two Little, Three Little Indians". The ork portrays the quick beat jump with a fine display of zest. June Davis handles the vocal end in peppy style, but with a pop feel. Featured in the orking is a standout bit of sax work.

C+ "TWO FACED WOMAN" (2:25) Reverse deck is a slow bounce capably performed by the Washington group. Thrush Davis again does her bit creditably as she dishes out the cute voiced vocal.

BELLS OF JOY
(Peacock 1708)

B+ "ECHOES FROM HEAVEN" (2:45) That top-flight team of gospel singers "The Bells Of Joy" come up with another super performance as they do a slow spiritual lament. Manor, Reed, and Littlefield handle the leads beautifully as they are backed with a steady rhythmic chant. The aggregation sings with great feeling and emotion.

B "LEAK IN THIS OLD BUILDING" (2:40) The gospel chanters blend voices on a bouncy fast moving spiritual with excellent harmony. Etching is on the wild side with loud chants and shrieks. Jubilee style brings out the urge to join in with handclapping and foot tapping.

Kickin' The Blues Around

with Sam Evans

Sugar Ray Robinson doing a bang-up job on club dates and really wowed 'em the other nite on the Joekie Gleason TV show. The boxer turned dancer and singer, is reported to be eyeing a big chateau in Europe, where he may live. . . . Lola Ameche, the pretty little Mercury chirper, sounds top rate on her new etching titled: "So Far So Good" b/w "Knockin' Song." . . . Joe Williams, the Okeh recording artist, reports that he may desert the blues field and lean more to the ballad style. His "Everyday" sold well and it was a definite jump blues type. Maybe the singer knows what he's doing. . . . Paul Levy, head of a major St. Louis record distributing company, drops by to say hello. He reports that sales in his area surpassed his previous 1951 high. The future never looked so good. . . . Mahalia Jackson still on the comeback trail and as of this moment there are no plans for the gospel singer hitting the road prior to April. With two weeks of her recently interrupted European tour remaining to be fulfilled, it is probable that Miss Jackson will return to Europe before this year is out. Bess Berman on the long distance phone, yesterday, for a two-hour talk regarding various business matters which are being worked out to the satisfaction of all concerned.

LOLA AMECHE

Johnny Sellers, well remembered for his spritual singing a few years back, now out on Chance records with a moving number called "Mighty Lonesome." Reports indicate this one will make it. . . . Sam Singer, who started 5 years ago with an idea and \$900.00, and today has four record and appliance stores in the Cincinnati area, plus a three-hour daily radio show, dropped in to see how things are going here in The Cash Box office. . . . Duke Ellington, celebrating his twenty fifth year in show business, had a blessing in

disguise what with the marriage of his ace drummer, Louis Bellson to Pearl Bailey. The resultant publicity, on a national scale, couldn't have been bought for any price. On many of Duke's recent engagements, people have attended just to see the newly married couple. Because of the resultant furor, and all of it has been favorable, Pearl joins the Duke this week as a headliner for his new show at Chi's Regal theater. This should be a big attraction and may mean that Pearl will become a fixture in the group.

JOHNNY SELLERS

Johnny Ace has at last come out with his follow up to "My Song"; the new record has my money going on the "Cross My Heart" side. The effect achieved by the combination of organ and sax is currently popular, and with a good blues vocal to front this type of a musical background, there's no reason why the record shouldn't hit. . . . The Flamingos, first mentioned in this column about 6 weeks ago, have signed to record with Chance label. The group is busy looking for what their manager thinks is the right material. Many good tunes have been submitted, but to-date nothing seems to exactly satisfy.

The boys are really good, and if they can sell themselves half as well on records as they do in person, then they are in like Flynn. This is primarily a sight act, but I believe the group can project their personality to the public throughout the medium of records.

CAMILLE HOWARD

Camille Howard, of Specialty label, and booked by the Ben Waller Agency on the west coast and Universal in the east, continues to bat out those wonderfully fast and hard drivin' boogie woogie tunes on her same little piano. . . . The occupants of the Brill Building, located at 1619 Broadway, New York City, have long had a major effect on the musical tastes of America. But little if anything did America know about the Brill Building, and what goes on inside it's four walls. It took Milton Berle, on one of his recent shows, to turn the building inside out and explain that this is the place where most of the song writers and music publishers have their offices. Two things that could have been added for real effect would have been a scene downstairs in the Turf Grill and then a shot over at the RKO building, which also houses many in the music game. A walk through the

halls of this building of broken dreams, and of a few fortunes, will reveal names on the doors that are sometimes known to millions. Another door with the name Joe Blow, might easily be the door that tomorrow will hold a world-wide hit. So this is business?

Rosetta Davis has a yen for Flamingo's, the singer leaves one of them in Pittsburgh for another in Washington. The gorgeous gal is on her way back, here's luck. . . . Coleman Hawkins and Roy Eldridge teaming up for a date at Boston's Hi Hat Club the week of Jan. 14. . . . Al Hibbler out of Dayton and into Detroit's Flame Club for Jan. 23 opening, hence to Buffalo's big Town Casino for Feb. 9. . . . Amos Milburn blasting the brown-out in the far northwest, with a one niter in Seattle on Jan. 19. . . . Anita Echols, featured in a recent edition of Ebony, and thought by some to be on the order of Betty Hutton, leaves the Earle Theater for a date at the Flamingo in Washington on Jan. 16. . . . With several new labels likely to debut from Chicago, we find an ever increasing amount of activity in the flack business in these parts. Much can be attributed to the large migration into Chicago, from the south, of many potential R & B style artists. Also, several excellent recording studios, good record pressing plants and speedy freight dispatching services.

Sammy Stept Writes New All Army Theme Song

NEW YORK—The United States Army has tentatively selected a stirring march by professional song writer Sam H. Stept called "The Army's Always There" as the new all-Army theme song. The tune is published by Sherwin Music. The Army Song Board, composed of leading representatives of the music industry, had recommended Stept's march as the best entry in the first phase of a hunt for an all Army theme.

The number was chosen from a lot of 700 songs submitted to the board since its first meeting five months ago and will be featured by Army orchestras and the music industry to determine the reaction of the soldiers and the public. The song will also be played at the Eisenhower inaugural.

The search for a new Army song was started because of the fact that while the Navy had its own "Anchors Aweigh," the Air Force its "Off We Go Into The Wild Blue Yonder" and the Marines "From The Halls Of Montezuma," the largest branch of the Armed Services had only an unrepresentative tribute to the Field Artillery called "As The Caissons Go Rolling Along."

After having the songs screened, all the numbers that the Adjutant General's Office considered as having the qualities necessary for an all Army song were brought up for review anonymously before the Army Song Board.

The author, Sammy Stept, a native of Russia and a non-vet because of his being too young for the First World War and too old for the Second, made a tour of Fort Benning last January for a number of days "to learn how the Army felt, talked and lived."

Frank Walker's Letter To Hank Williams

January 1st, 1953
(New Year's Day)

Mr. Hank Williams,
c/o Song Writers' Paradise.

Dear Hank:

You see it was my intention to write you today as has been my custom for many years past. We've been great friends, you and I, and I've always enjoyed writing you on New Year's Day, referring to the year just past, but particularly looking forward to things as I might see them in the New Year.

Only yesterday I was thinking of some of the little things I would mention in my letter, but somehow I think I'll have to change the letter a bit for an hour or so ago I received a 'phone call from Nashville. It was rather a sad call too Hank, for it told me that you had died early this morning. I don't know much about the circumstances and it really doesn't matter, does it? What does matter though is that the World is ever so much better for the fact that you have lived with us, even for such a short time.

Please forgive me Hank for including in this note one or two of the little things I was going to mention in my regular letter. I wanted to tell you that undoubtedly the year 1952 was your greatest year—I would have reminded you of those great songs "Cold, Cold Heart," "Half As Much," "Settin' The Woods On Fire." "You Win Again," "Jambalaya," and lots of others. I wanted to say that I agree with you that the two songs to be released late in January of the New Year are definitely the greatest you have ever written. You know, the novelty one and that tremendous ballad. I would have told you, and I believe it, that 1953 would prove, what I've known for so long, that you are one of the world's greatest writers of songs—powerful songs, songs of the heart, songs with a message, songs of the Hills and Plains. And I wouldn't have forgotten to mention too the plans we had in mind—that you would write a series of those wonderful religious songs, the kind you started some years back and which you so loved to do. I would have reminded you too of that day in Baltimore several years ago when you said "You know, Mr. Walker, you and I both came from the country, our names, Hank and Frank, rhyme pretty good too, we ain't gonna have any trouble—ever," and we didn't Hank, did we?

Yes Hank, I had so many, many things I wanted to write you about today but somehow it's just a little bit harder saying them than I thought it would be. I know I was going to tell you that I was putting out country songs before you were born, and how happy I am to have been allowed to stay around to hear the wonderful ones that you wrote and sung. I'm sure I would have told you that I so

wanted to be around for quite a while yet to hear some more of them.

Remember the time the newspaper man asked you how you wrote a song? I'll never forget your answer—"I just sit down for a few minutes, do a little thinking about things, and God writes them for me." You were so right Hank, and do you know I think HE wanted to have you just a bit closer to him, Nashville's pretty far away, so HE just sent word this morning Hank that HE wanted you with him. You're going to be kept busy too, there's lots of work to be done way up there for we aren't improving too much here on earth. You'll be writing for the greatest singers too, the Angels, they're so wonderful—I know they'll want you to join them.

I'm sure that I was going to say I think you are a fabulous fellow, a wonderful writer, a sensational singer, a great genius, but I've said all of that in previous letters. Of course, I'll miss you Hank, that's natural for we've been pretty close to each other down thru the years, but honestly I'm not too unhappy for I must rejoice with you at the tremendous opportunity you will have to do good for others. Don't forget your millions of friends, we'll be thinking a lot about you, so please remember us too.

I guess that's about all I have to write about on this New Year's Day Hank. Thanks so much for being with us. and until I see you again,
HAPPY NEW YEAR HANK.

Your Pal,
FRANK WALKER

20,000 Attend Hank Williams Funeral In Montgomery, Ala.

MONTGOMERY, ALA.—One of the greatest chapters in the life of Hank Williams was completed last Sunday, January 4, in Montgomery, Alabama. The more than 20,000 people who gathered at Montgomery's City Auditorium for the funeral services very vividly brought to mind the fact that among Hank's fans were people of every class and from every stand in life. The city's florists and communications offices were swamped with expressions of sympathy from all parts of the world. These were sent by everyone from fans who had never seen him to the heads of industries. There were expressions from almost everyone connected with the nation's music business. Several chartered airplanes brought capacity loads to Montgomery with all other transportation facilities filled.

After having passed away in his automobile enroute to a Canton, Ohio, personal appearance on January 1 at the age of 29, Hank's body had laid in state at the family home for twenty-four hours where an unending line of mourners passed the casket. The procession moved to City Auditorium at one p.m. Sunday where some 15,000 persons filed reverently by the casket.

The services were conducted by Dr. Henry L. Lyon, pastor of Montgomery's Highland Avenue Baptist Church, and Rev. Talmadge Smith, pastor of Ramer Baptist Church in Ramer, Alabama.

Dr. Lyon's message expressed the fact that, "No one could preach Hank's funeral—Hank had done that himself in the songs he wrote and sang in the language of all the people. His songs will continue the message of Hank Williams for centuries to come."

Nearly all of the artists and personnel from the radio stations on which

Hank had worked were present, served as pallbearers, and sang songs in the service that Hank had been particularly fond of. Ernest Tubb sang "Beyond The Sunset"; Roy Acuff and a group of WSM artists sang Hank's own composition, "I Saw The Light"; Red Foley and the Statesman's Quartet sang "Peace In The Valley"; the Statesman's Quartet sang "Precious Memories" and a local colored quartet with which Hank had worked several years ago on Montgomery's WMGY sang "My Record Will Be There." Almost complete casts of the WSM "Grand Ole Opry" and KWKH "Louisiana Hayride" were present.

The funeral was broadcast over three local radio outlets who cancelled all programs to air the services as a public service to those who could not attend. Montgomery newspapers were at a premium with supplies of the Sunday edition exhausted early in the morning. The funeral procession was the longest ever seen by local Fire Chief R. L. Lampley.

The feeling was apparent that Hank's home had been changed but his parting word on each of his programs would still carry on—"If the good Lord's willing and the creeks don't rise between my house and yours, I'll be seeing you again." Yes, the life of Hank Williams was by no means completed! He would live on and on in the hearts of those who knew him and loved him and to whom he had given so much in the short span of his earthly life.

His recording affiliation and the publisher of all his songs expressed that their handling of Hank's material will go on uninterrupted as Hank himself had wanted it. The feeling is that Hank's greatest achievements are yet to come.

<p>"I'LL GO ON ALONE" (2:45) "THAT'S ME WITHOUT YOU" (2:19)</p> <p style="text-align: center;">WEBB PIERCE (Decca 28534)</p> <p>● Webb Pierce seems to have come up with a coupler for his current number one country hit "Back Street Affair." The upper item, titled "I'll Go On Alone," is a romantic piece of moderate tempo, and Pierce gives it the stylized treatment that lifts the tune out of the ranks of the ordinary. His colorful reading of the country lament backed by a solid instrumental group makes this a most potent plate. The under lid is a similar item. Middle beat, romantic lyrics and delicious melody. Webb sings "That's Me Without You" with telling simplicity, and we say, take your pick.</p>	<p>"TANGLED HEART" (2:47) "BETTY LORRAINE" (2:15)</p> <p style="text-align: center;">HAWKSHAW HAWKINS (King 1154)</p> <p>● Hawkshaw Hawkins turns up with pair of lovelies that make it impossible to choose between them. The western artist warbles a smooth vocal bit when he delivers the pretty, lilting tune with romantic lyrics titled "Tangled Heart." Hawkins employs all his vocal tricks in putting the pretty tune over. This is an item that could go in both the country and pop fields. The lower portion is another moderate beat item with a lush melody and a bounce that makes a catchy combination. The western warbler's smooth and endearing vocal puts this in the sure fire class.</p>
---	--

THE BEAVER VALLEY SWEETHEARTS (RCA Victor 20-5112)

⊕ **"YOU GET WHAT YOU PAY FOR" (2:10)** The Beaver Valley Sweethearts blend voices for a soft treatment of a quick beat item. Strings provide the backing.

⊕ **"HOW'S THE WORLD TREATIN' YOU" (2:25)** The Sweethearts fashion a tuneful Chet Atkins number in mellow style. Tune has that pop feel.

ROSALIE ALLEN (RCA Victor 20-5121)

⊕ **"LET ME SHARE YOUR NAME" (2:20)** Rosalie Allen etches a slow romantic item smoothly and with warmth. Rosalie sings against a subdued backing in keeping with the mood of the number.

⊕ **"HARD HEARTED WOMAN" (2:05)** Miss Allen becomes an entirely different singer on the under lid as she belts out a hard hitting bounce with much gusto.

GRANDPA JONES (RCA Victor 20-5113)

⊕ **"OLD RATTLER'S SON" (2:10)** Grandpa spins the humorous story of his dog. Lyrics are set to a quick beat and Grandpa's reading makes it a potent plate.

⊕ **"DEAR OLD SUNNY SOUTH BY THE SEA" (2:35)** Grandpa adds a yodel to his treatment of another quick beat ditty. Fiddles and strings help make this sprightly tune a flavorsome etching.

BOB NEWMAN (King 1155)

⊕ **"SWEET ORCHARD VINE" (2:23)** Bob Newman's vocalizing of the cute romantic lyrics with a quick beat bounce and a pleasing melody makes this a desirable dishing. Some smart string strumming gives the side a definite lift.

⊕ **"STRANGE LOVE" (2:40)** Flip is a slow tender item chanted in nasal style by the western artist.

JOHNNIE LEE WILLS (RCA Victor 20-5114)

⊕ **"BEES IN MY BONNET" (2:35)** Johnnie Lee Wills and His Boys etch a fast moving bounce with Curley Lewis handling the lyrics. Lewis vocalizes the humorously romantic words with a pleasant touch.

⊕ **"LET ME BE" (2:35)** The other side is a rhythmic item set to a middle beat and the boys do well by it. The polished vocalizing of Lewis and the zingy string backing makes this a sprightly disk.

TINY MURPHY (United 136)

⊕ **"HOT STEEL" (2:50)** Tiny Murphy and his Bar 69 Boys belt out a quick beat item with zest.

⊕ **"DANGEROUS GROUND" (2:55)** The Murphy group comes up with a light item for the flip deck. Vocal of the cute lyrics is appealing.

LOUVIN BROS. (MGM 11392)

⊕ **"DO YOU LIVE WHAT YOU PREACH" (2:39)** The Louvin Bros., Ira and Charles, dish up a moderate tempo religious item with a soft touch.

⊕ **"I'LL LIVE WITH GOD" (2:40)** The duo deliver a slow beat gospel tune in easy fashion. The arrangement changes to a faster beat for one chorus and then goes back to the slow mellow presentation.

AL DEXTER (Decca 28508)

⊕ **"ROSA" (2:45)** Al Dexter and His Troupers dish up a cute rhythmic folk song with appeal. Vocal is smooth and is embellished with chorus chants and a smart guitar backing.

⊕ **"GUITAR POLKA" (2:28)** A happy little number is presented as an instrumental with the guitar doing a lively and exhilarating job.

THE CASH BOX FOLK and WESTERN ROUNDUP

The greatest tribute ever accorded an entertainer in country music history was bestowed on Hank Williams in Montgomery, Alabama, last Sunday, January 4. Over 20,000 people crowded City Auditorium and the surrounding streets for "The Drifting Cowboy's" funeral. The same auditorium a little over a year ago had been the site of Montgomery's acclaim of their native son with "Hank Williams Day" with some 6,000 people attending the performance. Many heads of the music industry were there and very reverently shared the view that Hank's name would go on to head even greater achievements than ever experienced.

Alton Delmore (King), Shorty Sullivan and the Brown's Ferry Four are playing a number of appearances in northern Alabama. This is the first appearance of the Delmore name since Alton's brother, Rabon, died last year.

Jim and Jesse, "The Virginia Boys" (Capitol), moved to WROM in Rockmart, Ga., on January 5. The duo will do shows over the station with Jack Davis who spins 6 hours each day with country records.

Clay Eager, country spinner at WLOK in Lima, Ohio, is setting Sunday dates throughout the northern Ohio area. Artists expecting to travel through Ohio on weekends should contact him as Sunday matinee and evening dates can be arranged.

Mack Sanders does the m. c. work on all acts booked in the Wichita, Kansas, area by the Peebles Agency in addition to his "Western Folk Hit Parade" show each afternoon from Wichita's KFBI.

KTBS in Shreveport, La., began a daily live country show at noon on January 5. Featured group is Ray Belcher and the Echo Valley Boys with Carroll Hill announcing.

CHICAGO — Never before has the response been as great as it was these past few weeks since appearance of the news item, "Seek New Products," on page 50 of the December 27, 1952 issue of *The Cash Box*.

Letters, wires and 'phone calls have continued to pour into the offices of this publication from operators, jobbers, distributors, and manufacturers.

All agree that the need for an entirely new type amusement game, moderately priced, to help boom the amusement games business during 1953, can be labeled "acute."

Tho this item was actually a report from leading amusement game manufacturers that they were intensifying their search for an entirely new and different amusement product, the trade grabbed at it, and the communications which have reached this publication are not only highly complimentary to this publication, but, in almost every case each one of these reported:

"There's no use trying to dodge the issue any more. We definitely need an entirely new and moderately priced game, just as your item (Page 50, Dec. 27, 1952 issue) reports.

"You can pass the word on to all the amusement game manufacturers," this writer continues, "and tell them that we are actually desperate for such a product.

"We only hope that the manufacturers will come up with something all new and completely different early in '53."

This can be labeled the essence of almost every single wire, letter and 'phone conversation which this publication has had on this subject since the appearance of that item.

Factory engineers have been most completely alerted. All operators who believe that they have something that could prove to be "it" should please communicate with their favorite manufacturer.

It is, today, more than just a "usual requirement," according to many.

"It is," they state, "a very critical and crying need.

"We need a new game," they say, "and we sure do need it badly out here.

"Tell the manufacturers just what's what, as you already have and let's see them come up with something all new for us this year."

Reports indicate that even tho fiveballs, bingos and shuffles are still going that, here and there in various territories, operators have encoun-

tered many new difficulties regarding operation of many types of amusement games.

They believe that the leading amusement machine manufacturers not only have the resources, but also the engineering staffs and, what's more, the ingenuity to bring into being an entirely new and different type amusement, moderately priced, so that the amusements business can be boomed into a new and better era as the general business boom continues thruout the nation, even should this general business boom period be recessed, in any fashion whatsoever.

These men also feel that the average manufacturer is in a better position than they are, to ascertain just what the field requires at this time, especially as many operators run up against Federal license problems.

The fact does remain, tho, as this publication has stated time and again, that the new and better products are many times originated and constructed in attics and basements and, from these lowly beginnings, are brought out to the field. These new type games are refined and improved by the manufacturers' engineers. That is how a new game is usually born.

It is now (and was at the time the first article appeared in the December 27 issue) the purpose of the item to ask the trade itself to bring in whatever it thought was the type of new product to the manufacturer so that he could build it. Some of our readers, unfortunately, in reading the December story, completely misconstrued it, altho the purpose was to stimulate action by the trade to produce a much needed piece of equipment.

The entire crux of the situation is simply that the manufacturers realize, just as does everyone else in the field, that an entire new and revolutionarily different amusement machine would be beneficial to the entire industry.

But, the manufacturers, just like everyone else, realize that this product, can possibly first appear in some small area in the nation, created by some small operator who cannot afford to purchase new equipment at a speedy pace, and who will revamp whatever he has at present, to bring about the new type machine.

That is why this article, as well as all manufacturers, are calling on everyone to cooperate and bring in whatever ideas, drawings, samples, or anything else they may have, which may, and which possibly can, be the "game of tomorrow."

'53 STARTS WITH BANG

Unprecedented Demand For All Types Of Equipment Continues. Ordinarily Jan. Poor Sales Month—But 1st Week Orders Indicate Record Business In View

CHICAGO — Breaking all precedent, the first week of January, 1953, saw business get under way with the sales of all types of coin operated equipment, not only matching the high marks of 1952, but ever increasing. Ordinarily, the manufacturers relax during the month of January, with business slumping off. They use this time to take inventory and organize their efforts for a push for February and March.

"We were tremendously thrilled" stated one games manufacturer, "to continue receiving good sized orders from our distributors, with insistent demands for fast shipments. We couldn't follow the usual practice at this time of the year of slowing up our production lines — actually, we had to look for ways and means of stepping them up."

This factory executive wasn't the only one to express these views. All the factories reported they were in the same happy position.

"It's quite surprising" stated another representative of one of the leading manufacturers, "that this condition prevails right after the holidays, and during the first week of January. However, the answer is

simple. Not only our company, but it seems that all the rest of us, are producing equipment that is bringing profits to the operators thruout the country."

A study of the current demand for machines shows that this same demand applies, not only to amusement machines, but to music machines and vendors. It's a well known fact that every manufacturer of juke boxes has been pushed to provide sufficient equipment to meet the demand—and this condition continues at the moment.

Manufacturers of vending equipment of all kinds have been held down thru the past months due to government regulations, restricting their use of vital metals. Starting with 1953, the government has liberalized the allotments of steel and other metals for the manufacture of vendors, and these factories are now rushing their production lines to produce machines which have been in curtailed production, but large demand.

If these conditions continue to prevail for the balance of the month, and factory executives see no reason for any change, the month of January, 1953, will create an all time record for sales in the coin machine industry.

Names Of "20 Year Club" Members To Appear Next Issue

Suggest Coinmen In Biz 20 Years Or More Send In Application

NEW YORK—Due to the demands of many of our friends in the business, *The Cash Box* inaugurated a club for members of the industry who have been associated with it for twenty years or more, and called it the "20 Year Club."

Since the first announcement several weeks ago, a great many coinmen have sent back the application (see page 40 this issue).

A complete list of the men and women who have applied for membership in the "20 Year Club" shall be published in the next issue of *The Cash Box*—the issue dated January 24. We shall then continue to publicize the club, and request all those who haven't sent in their applications, to do so. At a later date, we will once again list the names of the members. So, if you haven't filed your name as

a member of the "20 Year Club," please do so.

As explained previously, the "20 Year Club" was instituted by *The Cash Box* at the demands of our friends. Its purpose is strictly sentimental. There are no dues, no officers, no duties—and no requirements, except that the individual be connected with the coin machine business for the past 20 years or more.

It will serve no purpose but to bring these people together in a group. Should the occasion arise where coinmen gather (as at a convention) many friends can meet at a specified location to renew old friendships and business acquaintances. And then, it's a great feeling to join others who have been connected with this grand business for this great length of time.

Runyon Sales Donates Phono To Youth Center

WOODRIDGE, N. J.—An appeal to Runyon Sales Co. of N. J., Newark, from the Police Department of Wood-Ridge resulted in the donation of an automatic phonograph and records to the Wood-Ridge Youth Center.

The Wood-Ridge police had heard of similar donations by the New Jersey music operators to worthy religious or youth groups, and called upon Ed Burg, manager of the Runyon Operating Division to provide the contribution of a juke box. This juke box will be used by the young people in their youth center which we intend to formally open on December 5, 1952.

Detective-Lieutenant Edmund Barlow wrote Burg . . . I am writing you on behalf of the young people of the Borough of Wood-Ridge soliciting the contribution of a juke box. This juke box will be used by the young people in their youth center which we intend to formally open on December 5, 1952.

The opening took place as scheduled, complete with phonograph and records.

Runyon Sales will service the machine for the young group.

ChiCoin Presents "Name Bowler"

CHICAGO—Opening with a brand new game the first week of 1953, Chicago Coin Machine Company, introduced "Name Bowler."

The play of the game is very intriguing, according to executives of this firm.

Tests have indicated that it is bound to prove itself a nationwide hit, they state.

In the first place, actual bowling is featured on the game, but, each time a player matches the last number of his score, one of the letters in "Name Bowler" lights up.

At the operator's option, 1, 2, 5 or 10 letters may be awarded each time a number is matched.

Naturally, when the words "Name Bowler" are completely spelled out, a special winner is the result.

Numbers to be matched may be adjusted to light up at the end of the game or at the start of the 10th frame.

The backboard of the game is especially large and can be seen from anywhere in the location.

The cabinet itself is one of the most colorful the firm have yet presented to the trade.

All in all, execs of ChiCoin state, from orders already taken, it seems to them that "Name Bowler" is well on its way to capture top play in any location where it is featured.

THRU THE COIN CHUTE
UPPER MID-WEST MUSINGS

Now that the holiday season is over, the operators are settling back into their regular routine of making route changes and changing records and servicing machines. . . . Mr. and Mrs. Harold Sergeant of Ladysmith, Wisc., took advantage of the holiday to make the trip in to town to see what was new in coin operated equipment. . . . Spending the holidays in the twin city area was Eric Grunden of the Northwest Piano Company, Minot, N. D. . . . It seems as if Darlow Maxwell is getting to be a regular commuter to the Twin Cities, he was in town the day before New Year's and he was in town again the day after the New Year Holiday. At first Darlow was very surprised that there was no snow in as much as the last few trips in to town it had snowed and Darlow made the remark that he made a trip to Denver just a few weeks ago and when he got there, it snowed there for the first time in ten years. If that's the case, stay away from my door. . . . Tom Kady of Grand Forks, N. D., made the trip in to the Twin Cities, while his son Norman, was taking care of the route back home. . . . Frank Mager and his wife and family were in the Twin Cities visiting. . . . Ray Kohner and son, Don, of Winona, Minnesota, made a trip in to the Twin Cities to pick up some equipment and rush back again to get them out for the New Year Holiday. . . . Mr. and Mrs. Bernard Misch of La Crosse, Wisc., took some time off from their route and stopped in to the Twin Cities to see what was new in coin operated equipment. . . . Mr. and Mrs. Ike Sundem of Montevideo, Minn., are in town picking up some supplies and records for their route. Mrs. Sundem bought such a huge stock of records, it looks like she's going to be kept quite busy setting up the record changes for the next couple of weeks. . . . Ed and Millie Birkemeyer of Litchfield, Minn., report that they had their son, Captain Jack Mischaud of the Marines, visiting them. . . . Quentin Haroldson of Northwood, N. D., brought his wife and daughter in to town with him and was very much surprised at the 4 below weather which hit him. He said out in North Dakota, which is supposed to be colder than here, it has been just like a Kansas winter, which means warm and no snow. Rushing in to town again, and out again, were: Don Johnson of The Staples Novelty Company, Staples, Minn., Hank Kreuger of Fairfax, Minn., Andy Benna of Ironwood, Mich., Leo Berkowitz of B & B Novelty Company, Superior, Wisc., and Ted Heil of Gaylord, Minn.

**Rock-Ola Finds Vast Foreign
Markets For "Fireball" Phono**

J. RAYMOND BACON

CHICAGO—J. Raymond Bacon, executive vice-president of Rock-Ola Manufacturing Corporation, this city, enthusiastically reports that the new "Fireball" 120 phonograph, not only has received a wonderful reception by music operators in the United States,

but "has joined the ever increasing list of American-made products which are in demand thruout the world."

"The 'Fireball' has only been in production since early in October," continued Bacon, "but has already been shipped to Puerto Rico (ed comment: see page 39 this issue), Belgium, Canada, Costa Rica, Cuba, Curacao, Dominican Republic, Guatemala, Honduras, Mexico, Newfoundland, Nicaragua, Panama, Philippines, San Salvador and Venezuela. The new multi-selection phonograph with its ample capacity for popular American jazz and native music is particularly well suited for export use."

Bacon advises that altho Rock-Ola has many excellent foreign sales outlets, "the world is a big place" and there are some attractive territories still available and suggests that any individual or organization that is interested in acting as a Rock-Ola representative, write him in care of the Export Division at the Rock-Ola Manufacturing Corporation, Chicago, outlining the territory desired.

Bally Appoints Honolulu Amusement Hawaiian Distributors

JACK NELSON

CHICAGO—Jack Nelson, general salesmanager of Bally Manufacturing Company, Chicago, this week announced the appointment of the Honolulu Amusement Exchange as Hawaiian distributors of the Bally "The Champion" coin-operated horse.

Nelson said, that after looking over recent orders received from Ray Cheong, general manager of the new Hawaiian distributing firm, it certainly appears that the Bally horse has found its place in popularity in Hawaii, as it has already done in the United States, Canada and other parts of the world.

Keeney "Team Bowler" In Fourth Production Month

CHICAGO—It takes a new idea to continue a game on and on in production, breaking all former production records, Paul Huebsch, sales manager of J. H. Keeney & Company, Inc., this city, reported this past week.

Paul pointed to the dial on the front of their "Team Bowler" as the answer to what the players had always wanted.

"This dial," as Paul explains, "allows the players to adjust the game to the play they like best.

"They can go on our new bonus play, or on 20-30 scoring, or on extra shots on the tenth frame all on the same game.

"What's more," he continued, "they also have all the other features that they've ever wanted in a bowler.

"Ten men can play, like two teams of five men each, or any one player, or as many players up to ten can play.

"But," he said, "it's the new bonus play feature and the dial on the front of the 'Team Bowler' that turned this game into three games as well as into the greatest we've ever built.

"'Team Bowler' is now in its fourth production month with orders growing even bigger than when the game was first introduced to the field in October of 1952," Huebsch concluded.

In some areas the dial has been placed inside the game so that the

PAUL HUEBSCH

operator can adjust "Team Bowler" to the action he knows the players on any particular location like best of all.

But, in the greater majority of cases, the operators have requested that the dial remain on the front of the game, so that the players can adjust to whatever type play action they, themselves, like best.

Entering into its fourth full consecutive month of production "Team Bowler" bids fair to set a new sales mark for the Keeney organization.

MACHINE COMPANY

1725 DIVERSEY BOULEVARD
CHICAGO 14, ILLINOIS

The holiday making, partying, celebrating now over, coinmen getting real serious, concentrating on two highly important matters—business and pleasure. With all the wonderful amusement machines and phonographs now available to operators, wholesalers are girding their loins to sell, sell, sell. Some decided that their first consideration should be to devote all their energies to a winter vacation. So—we have increased selling action, and at the same time we have our good friends making reservations for cruises and trips to Miami Beach.

While we don't know the vacation plans of all operators and wholesalers whereabouts, here is an incomplete rundown on who will soon be lolling in tropical sunshine. . . . Barney (Shugy) Sugerman and his wife, Mollie, leave on January 22 for a cruise to Central and South American ports, as well as Havana and the Bahamas. . . . "Senator" Al Botkin and his missus, Frances, take off the first of February for a month of what Miami Beach has to offer (and believe us, they take it all in). . . . Max Munves, brother of Mike Munves, left Thursday (Jan. 8) for his annual hiatus to Miami Beach. Max will probably be away for months. (No matter how hard we try, we can't get Mike to take a short few weeks away.) . . . Max Schaeffer, owner of Broadway's foremost arcades, leaves next week with his wife for Miami Beach—probably away for a month. Schaeffer is probably the daddy of all arcade men, having started a good many years ago with the introduction of the film "nickleodeons" with such well known men as Lasky and Goldfish (Goldwyn). They continued in the film business, and Schaeffer with Shork (now deceased) remained in the arcade business. . . . If he can get away, Joe Young, Young Distributors, will try to run down to the Florida Keys for a week's fishing. . . . Dave Stern, Seacoast Distributors, Elizabeth, N. J., is also due to get the feeling of "sand in his shoes" any minute now. . . . Charley Aronson and his wife, leaving in a week or so for Miami Beach. Aronson and Bill Alberg, owners of Brooklyn Amusement Machine Co., sold their music route this past week, and now are as free as the wind. Alberg who is ill, may stay in retirement, but Aronson is too young and peppy to remain out of action too long. He hasn't any plans at present, but we'll make a bet, he'll be back in the coin biz.

Reversing the sunshine twist, Stan Feldman (Brooklyn op) and his wife drive up to the mountains for some relaxation with sled, skis and skates. . . . Also, Harry Rosen, of Atlantic-New York Corp., returns Monday (Jan. 12) from a short stay in Miami Beach. . . . Okay, Okay, don't push—we'll get on to the business items. . . . Ben Becker, Bally's regional representative, hale and hearty once again, takes off on his first long trip since his illness. Ben flies up to Canada—first stop at Montreal to see Paddy Conklin, Dave Russell and Mr. LaPalm of Russ-Con Company, newly appointed Bally distrib. From there, Ben will visit Toronto and other areas in Canada. . . . Harry and Hymie Koeppel, Koeppel Distributors, receive a note on tissue from Hirsh de LaViez of Washington, D. C. There wasn't enough paper for the two of them to use, Hirsh. . . . Abe Lipsky, Young Distributors, covers Conn. ops on the Wurlitzer model 1500. . . . Morris Rood, Runyon's office mgr., home ill. . . . Leo Brody, one of the heads of Pennsylvania-Atlantic Corp. (Seeburg distrib) died Tuesday (Jan. 6) at his home in Brooklyn, N. Y., after a long illness. . . . Dave Stern, Seacoast Distributors, spending considerable time on coinrow, selling Rock-Ola's "Fireball" 120 phono. "Could use plenty more," states Dave. He's still looking for that coinrow office. . . . Sid Mittleman, Mars, Inc., manufacturing 3 kiddie rides—"Jet Saucer," "Venus Air Sled," and Mermaid II." . . . Although only a few of Exhibit's "Space Gun" arrives, Mike Munves tells us it's a "hit" and ops and arcade men placing orders for quantities. . . . Nat Cohn, Conat Sales, runs a going away party on Sunday, Jan. 4, for his son, Teddy, who entered the army on Tuesday, Jan. 6. Many of Nat's friends attended. Nat took Teddy down to the induction board on Tuesday, and was completely washed up for the balance of the week. . . . Albert Polak, partner in International Amusement and Scott-Crosse, Phila., Pa., visits The Cash Box office.

The New Year is starting off with a bang in the Dallas area. Operators once more are making buying trips to this distributing center and all in all the outlook for 1953 is good. . . . This week we saw R. L. Choate of Resort Music Company of Mineral Wells. He is adding to his route and buying records. . . . Buddy Clem of Paris was in town. He ran into V. C. A. Taylor, Jr., and they had lunch at the snack bar at Commercial Music Company. . . . We saw J. H. Caldwell of Paris. . . . Frank Emerson of Greenville and Dallas was making the rounds of the distributors. His latest pastime is telling fortunes by hand writing. . . . E. D. Certain of Dallas is adding new equipment to his route. Garland Delemar of Waco reports that he and H. M. Crow are picking up new distributors all around the country for their new label Hummingbird. Dele says they are coming out with some new releases that are terrific. Dele is also happy over the way sales on Dot Record "By the Light of the Silvery Moon" are skyrocketing. He says he gave Randy Wood the idea to record this ever saleable oldie. . . . Jimmy Garrett, Longview, is moving his record shop up town Feb. 1. Says his January sales are surpassing December due to record "sales." . . . Pete Purvis was making the rounds of Dallas distributors this week.

United's New "Show Boat" Built On Ops' Demand

BILL DeSELm

manded that we build it immediately." Even tho United's "Circus" is still under way, the factory, to meet the demand, as word spread among the operators about "Show Boat," was forced to add this game to its production lines.

"That's how," DeSelm reports, "Show Boat" came into being here at our factory. It's actually being built on the demand of the operators themselves."

The game has a great many features. The new type extra-balls feature, where the ball in the 14 or 18 pocket, when lit, releases an extra ball.

The same happens when the ball gets into the 16 pocket, when lit, or in the 15 or 17 pockets when these are lit.

Also interesting is the new type extra cards feature wherein each coin lights one to six cards. ("Show Boat" features six cards.)

In addition there are the double and triple features; 3-4-5 in-line scoring, diagonal, vertical or horizontal.

The mechanism is easy to service being located in the back box on a hinged door. There is a slug rejector coin chute. Also a hinged front door. The cabinet is standard pinball size.

"In short," is the way Bill DeSelm put it, "the above reasons in themselves indicate why the operators demanded that we produce 'Show Boat' and also is the reason why orders have been flooding us ever since announcement of this new game."

CHICAGO — The question, "Why does a manufacturer, many times, suddenly halt on a game that's going along at a speedy sales clip and switch over to another?" was answered this past week by Bill DeSelm, sales manager of United Manufacturing Company, this city.

According to Bill, "Some of the leading operators called around at our factory just when we were testing 'Show Boat' and, after seeing this game, de-

CHICAGO CHATTER

As sure as it takes two matches to keep a pipe lit, the boys 'round town are saying, it's going to take the same sort of double effort this year to keep the boom going which the entire industry is now enjoying. . . . Most are of the belief, tho, that this year will be bigger than any yet enjoyed by the trade. . . . Chicago Coin out with a new bowling game: "Name Bowler." The skillful player can spell out the name. It's different, distribs state. They believe that "Name Bowler" is going to click with bowling game ops. . . . Many, many letters, wires, phone calls received. All agreeing that entirely new type amusement game needed. . . . Nate Gottlieb very busy with "Queen of Hearts." Predicts a long run for this game. Meantime Alvin Gottlieb flies down to Miami. The Gottliebs have 3 boats. Two of them up at Eagle River, Wis., and one down in Miami. Now the family is beginning to use Naval terms when talking to each other. For example: "Admiral" Dave; "Vice-Admiral" Nate; "Commodore" Alvin; etc. Nate reports that he just can't wait to get down to Miami to enjoy some of that marvelous hospitality which Joe and Eloise Mangone so sincerely dispense.

Irv "Kup" Kupciet made The Cash Box award to the Four Aces on his TV show this past Tuesday evening. The Four Aces were voted "Best Vocal Combination" by the nation's music ops in The Cash Box's 7th Annual Poll for the Automatic Music Industry of America. "Kup" also made the award again Wed. evening on stage at the Chicago Theatre. . . . Distrib members of NCMMA will be meeting in Miami this February 18. . . . Al Stern of World Wide is still home. Feeling much better. His doctor, tho, has advised Al to take a vacation—in the meantime, Len Micon getting to the point where, in a phone conversation, he asked the party he was talking to: "Gotta match? I wanna light my cigarette." . . . Joe Schuster, well known songwriter and music publisher, has a brand new tune, "Juke Box U.S.A." Joe believes the song should get the backing of every juke box op once it's pressed on wax. . . . We like the statement made by Rep. Sam Rayburn, Speaker of the House, "Any mule can kick a barn down, but it takes a carpenter to build one."

Executives over at Rock-Ola Mfg. Corp. elated over fact that their new 120 selection "Fireball" phono already in 14 foreign countries. Their export biz growing speedily. . . . Romeo Laniel of Montreal in town seeking new equipment—and in good quantity. . . . Predictions here to the effect that '53 will see return of roadmen. . . . Rock-Ola announced, this past week, appointment of Smith & White Co. of Danville, Ill., as a sales outlet. D. Wayne Smith and Harold White head this firm. . . . Les Rieck of H. C. Evans & Co. reports that production of new Evans' phonos coming along. Firm will be in there pushing for top honors in '53, he says. . . . Frank Mencuri and Art Weinand all elated over the terrific location reports on Exhibit's "Space Gun." Frank advises that ops have found this the perfect piece to go along with kiddie rides. And more and more orders flooding into the factory since location collection reports have become known 'round the nation.

Jack Nelson put it this way this past week, "We just can't get over the sensational returns reported on all Bally products during the Holiday Season when, usually, everyone expects collections to fall." . . . Sam London was named ChiCoin distributor for Wisconsin (S. L. London Music Co., Milwaukee) and started right off like a shooting star clicking with sales. . . . Bill DeSe'm of United all enthused over the way the firm's "Show Boat" (featuring 6 cards) has started to roll off their production lines. "Demand is way ahead of any other like game we've ever built." That's saying a real mouthful considering all the United hits. . . . More Auto-Photo machines beginning to appear in spots 'round town. . . . Members of Chicago's Automatic Phonograph Bowling League (the only one of its kind in the country) claim that they "should have stood in bed" instead of entering a team in the CBA tournament. L. Christiansen bowled 457 for three games; W. Paradee bowled 461 for 3; R. L. Capone only 444 for 3 games; C. Latino came thru with a 409 for 3 games; and Johnny Oomens had a 430 for the three games he bowled.

Maybe this proves what an effect top score bowling can have on the wives of bowlers: Les Taylor tiel Johnny Oomens' high game, 254 with a 583 series, and the very next day Les became the Daddy of a bouncing boy. . . . Music ops here in arguments almost daily with local record distribs. Ops claim that the distribs are not filling their orders. Especially for 45's. Outstanding ops like Bob Gnarro, Vic Comforte, Earl Kies, Andy and Johnny Oomens, Bert Bondioli, Ray Cunliffe, and many others, attempting to arrive at some solution with disk distribs wherein all will be happy once again. . . . With over 40,000 furniture people in town for their big "market season" at the Merchandise and Furniture Marts, Paul Huebsch over at Keeney a very, very busy lad showing the firm's 21" Keeney TV receiver to many furniture men visiting the Keeney plant. In addition, Paul's busier than ever with the firm's "Team Bowler." The "dial" on this bowling game has won acclaim.

Herb Oettinger back from Tucson's El Carmila Rancho tanned and healthy looking. Tho Herb's kids rode the horses and enjoyed the sports, Herb claims, "All that I did was sit in the sun." . . . Sam Stern of Williams also back from his vacation visit to Tucson. Sam, tho, went out for horseback riding. Also for swimming and other sports. . . . Maurice L. Wein, sect'y of the Connecticut State Coin Association, seeking info regarding games. Organization can use all pinball decisions in discussion with the Administrative Common Council of New Britain, Conn. . . . Bob Breither, Bally engineer, in Cleveland with Art Garvey this week. Conducting a Bally School at Joe Abraham's Lake City Amusement. George Metz, Lake City's sales manager, aroused all ops 'round Clevelandway.

Ray Moloney back at his desk feeling great after his cruise. . . . Gran'pa Georgie Jenkins also back on the job at Bally after a visit with his dotter and the grandchildren in Texas. . . . Johnny Casola in Birmingham with brother, Lou Casola. Their dad's very ill. . . . Which reminds: They call some people "chain-smokers." Why not call guys like Bill O'Donnell—"chain-phoners"? Seems like long distance phone calls waiting for Bill all day long. . . . Now that all factories here in speedy action once again looks like the visiting season will get under way just as soon as the furniture men, who've jampacked hotels from Gary, Ind., to Waukegan, Ill., start for home. So far only nat'l coin conventions listed are those of NAMA and MOA for summer of '53.

Rock-Ola "Fireball" Shown In P. R.

SANTURCE, PUERTO RICO—Here's how a new phonograph is given a send-off to the trade in this country. Jose Romero, representative for the Rock-Ola company here, really gave his customers a treat when he displayed the Rock-Ola "Fireball 120" phonograph on December 7. Not only motion pictures, but some real eating (as pictured above).

THE 20 YEAR CLUB

CLIX BIG WITH TRADE'S MEMBERS

NEW YORK—Applications for membership in the "20 Year Club" are pouring in (idea first presented in the November 29 issue of *The Cash Box*).

As originally stated, membership in the "20 Year Club" can be had by just returning the attached coupon, stating the year you entered the coin machine business. We will mail you a membership card.

We emphasize again that there are no other qualifications. No dues, no expenses, no officers, no duties . . . nothing but the desire to join a body of your friends who have been associated with the coin machine business for 20 years or more.

It's a grand idea and can serve many purposes. For instance, Tom Libbey of Haverhill, Mass., writes: "I hope to see some of the names of fellows I knew in the business years ago and have half forgotten and often wondered what became of them. It would be interesting to have a special corner marking the spot for members to meet at conventions and coin machine shows."

SO—YOU TWENTY YEARERS—MAIL IN THE COUPON BELOW:

Having cleared away the egg nog, the holly and the usual assortment of Xmas ties, we're supposed to gently take up our crystal ball and do a mite of prognostication to see what '53 has in store. Being an old star gazer from way back, we're more than aptly armed for this tedious task—but aware as we are that so many coin men have already had their future laid out for them via radio, TV and the daily newspapers, we'll make no predictions at all, but rather start this New Year off by wishing all our friends in the coin machine industry a calendar chock full of prosperity in all their endeavors. We will venture to say however, that '53 will see additional changes in the normal appearance of the coin machine business, such as those made by the wide acceptance of kiddie rides. Just what form or shape these changes might be we couldn't say, but we are confident that they will prove to be a boon to all coin men everywhere.

Now that the clamor and partying has subsided somewhat, most of the boys in the coin biz out thisaway are back to the task at hand—that of promoting, pushing and selling some of the greatest equipment to come their way in a long time. . . . We doubt that Lyn Brown, Exhibit Supply Co.'s regional rep, got too much of a rest during the holidays. Calls for the famed "Rudolph The Red Nosed Reindeer" have been simply fantastic, with ops reporting peak grosses on the ride. And the manner in which operators are taking to Exhibit's "Space Gun" points to another great winner sez Lyn. . . . The boys over at Paul Laymon Company are wearing what seems to be a perpetual smile these days, such has been the superb reception given the entire line of Bally products. Ed Wilkes, Jimmy Wilkens and Charley Daniels all seemed well rested after the New Year's holiday altho we'll wager that Ed did more than "just a bit" of puttering around his new Long Beach home. As for that giant Palm tree, "well," sez Ed, "I'm gonna leave her just where she is for now—got too much to do without worrying about that darn tree." The boys report that those Bally window posters tagged "gee Mom it's fun shopping here" have made a hit with operators. . . . Gary Sinclair, regional representative for Wurlitzer, expected 'round these parts shortly after spending the Xmas holidays with his family in Redwood City. . . . Bob Portale and family, in town for the past few weeks for the holidays, back up north again to Stockton and parts thereabout. Bob's been doing a wonderful job for sooo many operators throughout that area. . . . No doubt that Abe Chapman will be spending some time at the Los Angeles Open Golf tournament this week, altho we think Abe could give some of the pros a run for their money. . . . And speaking of sports, we lost that bet on Wisconsin's Badgers in the Rose Bowl game. Seems as if Al Silberman touted us on Wisconsin.

Bob Smith, Sr., out nursing a bit of a cold the day we called, but "Smitty," Jr., was on tap though to tell us that business continues to be purty good. Interest in the Conat "Aqua Jet" continues to mount sez Bob, with the latter also agreeing with yours truly that ops with resort locations should go for the ride in a big way. . . . Mary Solle at Bill Leuenhagen's Record Bar tells us that the two biggest hits of the past year were "Cry" and "I Saw Mommy Kissing Santa Claus" in the pop field, with a late one in the person of wild Willie Mabon's "I Don't Know" taking honors in the rhythm and blues field. Mary, by the way, looked quite spiffy in that beautiful new holiday outfit. . . . A great many of those in the coin biz decided to see the new Sands Hotel in Vegas over the holidays, and altho they all returned to Los Angeles, we're wondering if anybody had to walk back. . . . Jack Simon darn near was cleaned out of equipment this past week, such was the rush of business the firm had. Jack by the way, denies that he's gained any weight, altho we noticed him looking over a brochure about bar bells 'n such. And the Cleveland Comet herself, Jack's able secretary Cele Padwa also denies that she had too much egg nog. . . . Morry Wizer, Wico Corp. in town with his family for the New Year's holiday, making plans for the expected rush of business with the firm's automatic pitching machine. It ain't too far off for the baseball season to be upon us again. . . . Joseph Boll, Twenty-Nine Palms, reports that the traffic en route to Palm Springs this past week was pretty hectic with many visitors to his fair city admiring the wonderful weather down thar.

Jack Dolan, Dan Stewart Company, had Southern California's Trojans all the way he sez, never fearing for a minute that Wisconsin could take 'em. Jack's business by the way has almost doubled since the original showing of the famed Rock-Ola "Fireball." Ops like the choice between a 45 or 78 rpm phono. And along with the increase in business, purt Jo Ann Lewis' paper work seems voluminous these days too. . . . Jobbers and distributors along coin row expect a sizable increase in business once that new San Pedro Freeway is completed. The super-highway will bring sooo many more ops to town and more frequently, too, with a Freeway exit on Pico and Bonnie Brae making it a cinch for said operators to visit coin row. . . . Local operator dickering with a model of a new kiddie ride that should set the world afire. . . . Sammy Ricklin's California Music one-stop service was one of the most gayly decorated places along the row. . . . Music ops are going for that new Williams "Disk Jockey" game over at Bill Happel's Badger Sales in a big way. . . . Phil Robinson, Chicago Coin's regional rep, still getting lotsa calls for the firm's great "Bowl-A-Ball."

THIS WEEK'S USED MACHINE QUOTATIONS

14th Year of Publication
693rd Consecutive Week's Issue

How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

EXPLANATION

- 1. Prices UP

- 4. No change from Last Week
- 5. No quotations Last 2 to 4 Weeks
- 6. No quotations 4 Weeks or Longer
