What It Means To

WIN

On the next four pages of this week's issue of *The Cash Box*, you will find the winners of our Eleventh Annual Juke Box Operators' Poll.

What does it mean to win this poll?

It means that the artists and records which came out on top made the most money for juke box operators as a whole in 1956.

It means that these artists have achieved what everyone who records is seeking—hit records.

It means they are now looked upon in a new light throughout the entire entertainment world. They have either attained or are approaching stardom. Their price has already started to rise and as a result of winning *The Cash Box* poll, it is very likely to go even higher.

It means that the record company personnel which turned out these winning records—A&R men, arrangers, musical directors, and musicians—in these instances found the key to what the public wants to hear and buy.

It means that the publishers who issued the tunes of the winning records had their ears attuned to this year's trend in popular music.

It means that the writers who

created the songs were writing for the current market, for what the public today wants, and not for some past or future buyer.

In short, what we are trying to say is that the winners of this poll have every right to feel as proud as can be, for they have achieved in this year a pinnacle which everyone in the business strives for. But the poll itself means even more. For it indicates that behind the winning, whether it be by an artist or a record, there lies a world of cooperation. That goes for the entire entertainment world and specifically for our music world. It is a world in which all factors must cooperate to make a hit record. And it therefore is a world in which all the contributing personnel to a hit record can be just as proud of that record's being named at the top of its category as the artist who gets the most acclaim.

The Cash Box Poll today has become one of the highlights of our music and record industries. Winning it is an accomplishment which everyone wants to achieve. *The Cash Box* sincerely congratulates the winners and all the people who helped them to the top. For this year of 1956, they have attained the highest positions in their industry.

EARLSTON FORD
(Mercury 70984; 70984x45)

B+ "PLEASE OPEN YOUR HEART" (2:31) [Stanston BMI—Ford] Mercury has an exciting new find in this talented youngster who debuts on the wax scene with powerful original. Potent rock and roll side which the artist sings with zest. Side has an indescribable drive that the kids want. Keep a tab on this sleeper. It could be a smash.

C+ "HE MADE US ALL" (2:45) [Jim Jam BMI—Conrad] Ford lends his dramatic voice to an emotional, inspirational ballad that carries with it a strong meaning.

BERNIE WAYNE ORCH.
(ABC-Paramount 9752; 45-9752)

B "FLIRTANGO" (3:02) [E. B. Marks BMI—Wayne] Bernie Wayne has a cute title for this delightful tango. Wonderful composition with a trumpet in the spotlight. A chorus enhances the side with some inviting vocaling in a number of spots. Lovely change of pace programming for jockeys.

B "MARACAIBO" (2:18) [Melody Lane BMI—Wayne] Another extremely contagious latin tempo instrumental cleverly arranged and delivered by Wayne and his men. Chorus is employed as an instrument, singing without lyrics. Side has a top grade melody.

THE GALLAHADS
(Jubilee 5259; 45-5259)

B+ "TAKE MY LOVE" (2:26) [Tee Pee ASCAP—Tishman, Muskin] The Gallahads, who had a territorial click with their previous release, should make it on a national scale with this lovely shuffle-tempo romancer. Commercial ballad wonderfully handled by the group. Good song. Toward the end, the crew chants in Italian and comes off with a fine effect.

C+ "I GIVE YOU MY WORD" (2:20) [Moonmist BMI—Kreisel, Brown, Bozung] The rock and roll ballad beat is the tempo set for this dramatic love song which the boys present with force.

RUSSELL ARMS
(Era 1026; 45-1026)

B "CINCO ROBLES" (2:19) [Warman BMI—Wright, Sullivan] A lovely Italian flavored waltzer is beautifully fashioned by Russell Arms. Some top grade multiple voicing gives the touching love story great warmth. Tender side that could blossom into a winner.

C+ "THE WORLD IS MADE OF PEPPERS" (2:32) [Warman BMI—Peppers, Blair] Another soft, velvety romancer crowned with warmth by the "Hit Parade" TV star.

EARL GRANT
(Decca 30150; 9-30150)

B "GOODNIGHT MY LOVE" (2:36) [House of Fortune & Quintet BMI—McTola, Marascalco] Earl Grant hands in a mellow performance of an enchanting rock and roll ballad that's breaking thru for a hit. Original version is taking off quickly and this interpretation will grab off a share of the coin.

The Cash Box Disk of the Week

"DON'T FORBID ME" (2:14)
[Roosevelt BMI—Singleton]

"ANASTASIA" (2:56)

[Leo Feist ASCAP—Webster, Newman]

PAT BOONE
(Dot 15521; 45-15521)

PAT BOONE

● In the past 12 months, Pat Boone has become one of America's favorite young singers. He's had

a number of top hits and is currently riding high with his beautiful interpretation of "Friendly Persuasion". His latest release couples two superb new tunes that will make the disk a huge seller. One side is a smooth, easy-going rock and roller tagged "Don't Forbid Me." Pat chants this touching lovely in a mellow, relaxed and winning fashion. Enchanting ballad with a good beat and a savory western flavor. Equally enchanting is the coupling, "Anastasia", the hauntingly tender title theme from a soon-to-be-released 20th Century Fox pic starring Ingrid Bergman. Double-barrelled threat.

"ONE IN A MILLION" (2:51)

[Personality BMI—Williams, Miles]

"ON MY WORD OF HONOR" (2:40)

[Antler BMI—Miles, Harrison]

THE PLATTERS
(Mercury 71011; 71011x45)

THE PLATTERS

● The Platters, one of the hottest follow-up their four consecutive

smashes with a sensational new two-sider destined to enjoy a long life on the charts. One half bears the title "One In A Million". It's a dramatic love song set to the commercial rock and roll tempo that has skyrocketed the group to stardom. Tony Williams is superb in the lead spot and he receives excellent accompaniment from the group. Equally exciting is the quintet's coupling "On My Word Of Honor". Thrilling, emotional presentation of a fast rising rhythm and blues disk. Powerful pair we'll be hearing often during the coming months.

NANCY ARNO
(Flair-X 3002; 45-3002)

B "HELLO" (2:47) [Lee BMI—Tully, Procetto] An infectious slow waltzer with a refreshing theme and delivery is offered by pert Nancy Arno. Thrush is singing to a bird as a little girl might do. Something different on wax. Reminds this listener of Spring.

C+ "THE MORE I GO OUT" (2:38) [Barton ASCAP—Wayne, Raleigh] A touching love song out of the standard files is performed with great feeling by the young performer. Pretty item.

JONES BOYS
(Liberty 55046; F55046)

B+ "ANASTASIA" (2:31) [Robbins ASCAP—Newman, Webster] The Jones Boys hand in a magnificent group recording of the haunting and beautiful title tune from the latest Ingrid Bergman flicker "Anastasia". This version should bite off a healthy share of the sales melon.

B "ALL THIS IS HOME" (2:21) [Sequence ASCAP—David, Livingston] An excellent new ballad about the wonderful meaning of "Home" is presented with understanding and dignity by this polished group. Top grade coupling.

JAN AUGUST
(Mercury 71012; 71012x45)

B "HAMBLEN SUNRISE" (2:08) [Hamblen BMI—Hamblen] Some unusual piano sounds are created by versatile 88'er Jan August on an imaginative western August on melody. Excellent change of pace programming. The chorus adds a charming warmth to the pretty theme.

B "NICKELODEON TANGO" (2:02) [Bermason BMI—Blalock] The piano has that delightful twang on this clever tango ditty which August fashions with life and color.

LEROY HOLMES ORCH.
(MGM 12392; K12392)

B+ "ANASTASIA" (2:35) [Leo Feist ASCAP—Webster, Newman] Leroy Holmes leads his orchestra thru an ethereal instrumental interpretation of the lovely title theme from the up-coming 20th Century Fox flicker starring Ingrid Bergman. Gorgeous melody enhanced by a soprano's chant in the distance.

C+ "AUGUST MOON" (2:27) [Robbins ASCAP—Chaplin] Shirley Yamaguchi is the vocalist on this sparkling Oriental romantic ballad, a tune in the new MGM flicker "Teahouse of the August Moon". Unusual side.

THE BON-BONS
(Columbia 40800; 4-40800)

B+ "A GIRL WITHOUT A FELLA" (2:53) [Greta BMI—Conniff] The Bon-Bons make their first Columbia platter a potent one as they shuffle thru a touching romantic pleaser that could make the grade. Girls have a delightful blend and some strong material to work with too.

C+ "THREE TEENS (Looking For A Date)" (2:29) [Greta BMI—Conniff] This end displays the lasses on a lively bouncer with a light and catchy lyric. Cute story about three gals hunting for male attention.

DON CORNELL & LAWRENCE WELK
(Coral 61757; 9-61757)

B+ "PAPA-MAMA-CHA-CHA" [Joy ASCAP—Hoffman, Manning] Don Cornell is in fine form as he introduces a most attractive, homespun cha cha ditty with a cute lyric set to a contagious melody. Lawrence Welk accompanies with a spright instrumental backing. Keep a tab on this one. It could break big.

B "LET'S BE FRIENDS" [Vim ASCAP—Coots, Turin, Greenfield] A pretty romancer with a lilting ballad tempo is warmly fashioned by Cornell and Welk. The artists blend excellently making the disk a strong two sider.

GUY LOMBARDO ORCH.
(Capitol 3601; F-3601)

B "ANASTASIA" [Leo Feist ASCAP—Webster, Newman] The mellow Lombardo sound comes over effectively on a smooth latin-tempo dance version of the sentimental title theme from the big new 20th Century pic "Anastasia".

C+ "IF IT HADN'T BEEN FOR YOU" [Johnstone-Monte ASCAP—] Lombardo's vocalists come front and center on this light liter with that familiar bounce. Pleasant dance stuff on a good oldie.

B+ "5 O'CLOCK CHA CHA" [Aljean BMI—Castellanos] Al Castellanos, a master with the latin tempo, comes thru in top form on a smooth sailing easy-to-dance-to cha cha ditty. Wonderful vocal portion reminds this listener of Castellanos sensational smash "Speak Up Mambo". Dancers will love this one.

STEVE LAWRENCE (Coral 61761)

"THE BANANA BOAT SONG" [E. B. Marks—Bryden BMI—Arkin, Carey, Darling]
"HONOLULU MOON" [Leo Feist ASCAP—Lawrence]
THE FONTANE SISTERS (Dot 15527)

● With "Cindy Oh Cindy" and "Jamaica Farewell" on the best seller charts, there is evidence that the calypso beat is rapidly gaining in popularity. Three excellent recordings of a tremendous new calypso item "The Banana Boat Song", were introduced last week and all should make heavy impressions on the record buying public. Glory Records, the label that introduced "Cindy", has the original featuring the Tarriers. The disk is extremely exciting and sports a magnificent, authentic arrangement and delivery by the artists. The Tarriers, incidentally, assisted Vince Martin on his recording of "Cindy". Coral Records has a tremendous version featuring TV

songster Steve Lawrence. The crooner hands in a spunky, commercial rendition as he glides thru the ditty with a fine assist from the chorus. The Dot recording by the Fontanes is another top grade money maker. The girls' exciting harmony seems to fit this catchy tune to a "T". Each interpretation will put up a strong fight for the majority of air play and coin the tune will garner.

Lawrence's coupling is a pretty ballad, "Long Before I Knew You", from the new musical "Bells Are Ringing". The Tarriers' backing "No Hidin' Place" is a hard driving spiritual. Flip on the Fontanes is a warm new waltz version of the oldie "Honolulu Moon".

"MAH LITTLE BABY" (2:20)

[Dominion BMI—DeJohn]

DE JOHN SISTERS

(Columbia 40799; 4-40799)

DE JOHN SISTERS

● The DeJohn Sisters have a sensational double-decker that's gonna

"MU-CHA-CHA" (2:35)

[Stratford ASCAP—Comden, Green, Styne]

DE JOHN SISTERS

(Columbia 40799; 4-40799)

do a bang up job in the boxes and in the shops. It's far and away their best release since "No More" on Epic and it can't miss topping anything they've done to date. "Mah Little Baby" is a powerhouse rock and roll version of the oldie "Shortnin' Bread". The lyrics have been cleverly revamped and they come across with sparkle under the control of the DeJohns. Kids'll love this one. The other hot item is a cute and infectious cha cha ditty labeled "Mu-Cha-Cha". Commercial pleaser featured in the upcoming B'way musical "Bells Are Ringing". Delightful coupling for big results among all age groups.

"YOUR LOVE IS MY LOVE" [Peer International BMI—Edwards]
"DON'T KNOCK THE ROCK" [Valleybrook ASCAP—Kent, Karger]

ALAN DALE

(Coral 61752; 9-61752)

ALAN DALE

● Alan Dale takes a breather from the cha cha field, and in doing so

comes up with one of the most beautiful ballad recordings to hit the market in many months. It's the artist's most brilliant performance since joining the label and it promises to be his biggest hit yet. The song is titled "Your Love Is My Love" and features the crooner on a sincere and touching love story with an enchanting melody and lyric. Dick Jacobs accompanies with a velvety string background. Side is certainly one of Dale's recording landmarks. Flip features Dale's other half on the torrid rock and roll title tune from the Columbia pic "Don't Knock The Rock".

KAY CARSON

(Capitol 3595; F-3595)

B "THERE'S A SHADOW BETWEEN US" (2:40) [Cromwell ASCAP—Parish, Livingston] A touching sentimental waltzer is tenderly fashioned by the warm, convincing voice of Kay Carson. Pretty lyric enhanced by some delightful choral work assisting Kay.

B "THE FELLOW OVER THERE" (2:45) [Melody Trails BMI—Hager, Barnes] Another soft, tearful love story handled with sincerity by the polished songbird.

DENISE LOR

(Liberty 55047; F-55047)

B+ "THIS MUCH I KNOW" (2:32) [Chappell ASCAP—Dubey, Karr] Denise Lor hands in one of her most delightful and commercial sides since "If I Give My Heart To You" as she offers this wonderful ballad from the forthcoming B'way musical "Happy Hunting". Lovely deck with standard qualities.

C+ "IF YOU SEE MY LOVE" (2:46) [Simon-Jackson BMI—Martyn, Chagrin] A tearful, heart-rending ballad is chanted with depth and meaning by the lass. Pretty song a bit on the heavy side.

THE THREE CHUCKLES

(Vik X/4X-0244)

B+ "WON'T YOU GIVE ME A CHANCE" (2:40) [Snapper BMI—Moore] The Three Chuckles who play an important role in the forthcoming Vanguard flicker "Rock, Rock, Rock", sing this pretty ballad in the film. A warm romancer that should catch fire when the flicker hits the local theatres. A sleeper to watch. Good love song that could make it big.

C+ "WE'RE GONNA ROCK TO-NIGHT" (1:46) [Snapper BMI—Moore, Subotsky] On this half the trio rocks thru a swinger also featured in the pic. Solid dance stuff.

TOMMY LEONETTI

(Capitol 3590; F-3590)

B "TEARS FOR SOUVENIRS" (2:30) [Nan-Paul ASCAP—Glazer, Leonetti] Tommy is in fine form as he chants a tearful love song with a beat. Commercial piece of material that could take off.

B "WHEN LOVE GETS A HOLD OF YOU" (2:38) [United ASCAP—Miles, Discant] The young songster is convincing on this well-written latin flavored ballad. Good piece of material with a B'way show quality.

TOMMY STEEL & THE STEELMEN

(Wam 1706; 45-1706)

B "DOOMSDAY ROCK" (2:00) Wam Records debuts on the disk scene with an unusual rock and roller featuring Tommy Steel and his crew. This end starts slow but builds into a wild jolter. Something different in the R & R category.

C+ "ELEVATOR ROCK" (1:50) On this half, the crew breaks out with another torrid jumper that drives hard.

The "New Musical Express" Poll results prove once again how British audiences appreciate American talent. Doris Day once again is the favorite American female singer, and Frank Sinatra takes the male honors. Frankie also becomes the world's outstanding singer from the British point of view. The outstanding music personality was Bill Haley, with Elvis Presley second. As far as British talent, the honors went to Dickie Valentine, Alma Cogan and The Stargazers. Jack Jackson is still our favorite disk jockey. The whole music profession is grieved by the sad loss of one of the world's outstanding personalities, Victor Young.

Pat Boone is now set up to begin his short visit to this country on December 26th, and will visit several provincial cities where concerts will be given. In addition, he will be the star in Val Parnell's "Sunday Night at the Palladium" on channel 9.

Congratulations to Shirley Bassey who, in less than a year, hit the big time and is about to cross the Atlantic for appearances in Las Vegas and New York.

V. I. Ps of the Robbins, Feist, Miller group are in London for confabs with their affiliate companies over here.

Dorothy Squires and the Beverley Sisters have recorded "Come Home To My Arms" written by Dorothy, and could be the follow up to "Lay Down Your Arms." Dorothy, incidentally, returns to the U. S. on the 15th of December, with film actor husband Roger Moore.

It now seems pretty definite that Ted Heath will go to the U.S. and Canada for a second visit starting February 8th, and Count Basie will be the exchange Band, due here for 16 days from April 7th, 1957.

Danny Kaye Signs Three Year Pact With Capitol

Principals at Danny Kaye's first recording session in the Capitol Tower in Hollywood after signing a new, exclusive three-year contract with Capitol Records, were the versatile entertainer himself (center) flanked on the right by Capitol President Glenn E. Wallichs and on the left by the producer of Kaye's records for the label, Dave Cavanaugh.

HOLLYWOOD—Danny Kaye has signed an exclusive three-year recording contract with Capitol Records, it was announced last week by President Glenn E. Wallichs.

Kaye's first single record release will include a Neapolitan song entitled "Ciu Ciu Bella" and "Love Me Do." Kaye was inspired to record "Ciu Ciu Bella" when he was in Rome on a mission for UNICEF (United Nations International Children's Fund). It was there that he met a 7-year-old polio victim who threw down his crutches and leaned on Danny to sing "Ciu Ciu Bella". The song and Danny Kaye's heart-warming story of this experience will be featured on the Dec. 2 Edward B. Murrow "See It Now" program on CBS-TV.

Both selections are in step with Kaye's new approach to single records. He has decided to emphasize single record material of wide popular appeal to establish himself just as successfully in this medium as he is now on stage, in movies and in record albums. Kaye's first single has been placed on RUSH release by Capitol.

Music Business In Copenhagen

COPENHAGEN — During Bill Gersh's recent travels throughout Europe, one of the countries he visited was Denmark. Above are Werner Hamburger, head of Polydor Records in Copenhagen and below him are some copies of sheet music as featured in that city.

Requests For Request Rights

NEW YORK — Hans Lengsfelder, prexy of Request Records, reports heavy bidding for the U.S. as well as foreign publishing rights to the instrumental number "Serenade For Trumpets" released recently by the Request label by the World Symphony Orchestra.

Although cables were received from a number of publishers in England, Germany, France and Belgium, the only contact consummated to date is with Sam Fox Publishing which will handle band and school editions of the number in the United States. The firm is one of the largest in the music education field.

Request has four promotion firms working on the tune throughout the country—Dick Gersh in New York, Purviss Promotions in San Francisco, Irwin Zucker in Hollywood and Ralph Conrad in Chicago.

ONE IN A MILLION.....
Here the Platters cover B. B. King's current hit in a winning version that ought to kick off the tune in the pop market with great force. Their styling is leisurely and luxurious with the high-flying lead embroidering the melody profusely. "One in a Million" is reminiscent of one of the early hits of this group and could also click solidly.

Farewell

NEW YORK—The President of the UN General Assembly, Prince Wan Waithayakon of Thailand, bids farewell to Benny Goodman at the UN. BG and his 14-piece band were about to embark on a six-week tour of the Far East on behalf of the State Department and the American National Theatre and Academy (ANTA). The band opens in Thailand at the Bangkok Fair's U.S. exhibit for two weeks on December 7th. From there the musicians play dates in Malaya, the Philippines, Cambodia, Hong Kong, Korea and Japan. The purpose of the jaunt is to create understanding of the U.S. and to combat communist propaganda in Asia.

Roach Resigns From M.P.H.C.

NEW YORK — J. Tatian Roach, head of the Standard and Educational Division of Music Publishers Holding Corp., has resigned effective January 1st. The reason given is differences of judgment between Roach and Herman Starr, President of the Company, on major policies with respect to the future activities of the firm.

Roach came with M.P.H.C. from the Sales Department of Carl Fischer in 1938 to take charge of sales and promotion in the Midwest, operating from a Chicago Office. Three years later he was called back to New York to organize a National Educational Promotion Department and act as Bill Wiemann's Assistant. Upon the death of Wiemann five years ago, he took over the present post.

No decision has as yet been reached regarding a successor.

NEW YORK—Organizational plans were finalized here last week for the formation of the National Council of Disc Jockeys For Public Service as a non-profit membership corporation, which has as its far reaching purpose to consider and act in unison upon matters affecting the building of a stronger young America.

The Council proposes to institute positive national activities to enlist the participation of youth in constructive Public Service endeavors.

The group's program was formulated at a meeting in New York (Sunday Nov. 25) of its Board of Governors, consisting of nine of the nation's leading disk jockeys. They are: Murray Kaufman, Station WMCA, New York; Howard Miller, Station WIND, Chicago; Al Jarvis, Station KFWB, Hollywood; Bob Clayton, Station WHDH, Boston; Dick Clark, Station WFIL-TV, Philadelphia; Don McLeod, Station WJBK, Detroit; Mark Evans, Station WTOP, Washington; Phil McLean, Station WERE, Cleveland; Art Pallan, Station KDKA, Pittsburgh.

In a statement of its aims and objectives, released at a Press Conference last Monday morning, the group said that in addition to initiating its own programs, it plans to cooperate with all national agencies, on the local level, currently involved in matters concerning our youth.

The officers of the organization, elected at Sunday's meeting, are: Murray Kaufman, President; Al Jarvis, Executive Vice President; Bob Clayton, Treasurer; Don McLeod, Secretary. There are to be 15 Directors on the Board of Governors, who are to serve terms of one, three and five years respectively. The National Council, whose membership will be restricted to 1500, has already begun to accept applications from qualified disk jockeys. Any dee jay with a regularly scheduled show is eligible for membership.

At the press conference, the board of governors stated emphatically that NCDJPS would not be a censoring organization as to the type of music any jockey played. Each dee jay will continue to program just what he has been spinning over the years. A two-thirds vote of the membership can expel a member considered unfavorable.

Within the next two weeks, the Council will meet again (site not yet determined) to take its first steps on a specific plan for which the organization has been formed.

The council is currently searching for a home office. Until it finds one, the temporary address for jockeys who wish to join is 100 West 55th St., New York 19, N. Y.

ALL ABOUT DISK JOCKEYS

Mercury records has made available to deejays a handy bio-booklet containing detailed biographies of the diskery's pop artists. The booklet is bound together by a removable clip which will allow for further additions to Mercury's list of artists. Jocks who wish to receive the bio-booklet should contact

GENE WHITAKER
(WNCA—Siler City, N. C.)

Mercury. . . Jean Meeusen, a deejay from Antwerp Belgium (station NIR) writes that "Rock 'n roll music is very popular here. During the past two years we have had a strong demand for slow ballads. But rock 'n roll has changed the whole music field. Bill Haley Gene Vincent and Elvis Presley are the most popular artists here. The Platters are coming up fast, too." . . . Gene Whitaker (WNCA-Siler City, N. C.) celebrating 3 years at WNCA and fifteen years in radio. . . . Dick Doty (WHAM-Rochester, N. Y.) says that his colleagues Bill Dwyer and Carrol Hardy, who handle WHAM's "Rockin'" show, ran a contest to see if the show should be lengthened. Listeners had to send in lists of signatures—not merely names but signatures—of people who wanted the half hour show extended. Replies came from all over the country and the week long contest resulted in 38,885 signatures. . . . Gene Piatt (KELO-Sioux Falls, S. D.) describes

as "just great" Rosalinda's Era pressing of "Cruel Tower."

A plea for funds for a three-year-old East Boston girl facing removal of a cancerous right eye was broadcast by Ken Mayer (WBOS-Boston, Mass.) and \$500 was raised for the youngster. Mayer got Jerry Vale and Eileen Rodgers, both Columbia recording artists, to appear on his program and

dedicate their platters and make pleas in behalf of the stricken girl. Margaret Whiting, while in Boston promoting her Capitol release, "The Money Tree," also made a bid for funds. Mayer was struck with the sharp resemblance the ailing youngster had with his own daughter, aged 6, "I saw her picture in the paper," he said. "She looked so much like my Diane. I've known a bit of trouble because my boy, Michael, 11, is retarded, and my heart went out to the family. I broadcast a plea for funds and the response was terrific." . . . Jimmy Hutsell (WCRK-Morristown, Tenn.) has a week-night record show called "Requestfully Yours," taking telephone requests.

ALAN FREED

Klavin and Finch (WNEW-New York, N. Y.) asked themselves "How did we miss Patti Page's 'Everytime.' It's the other side of "Mama From The Train" and we've overlooked it. What an exciting side!" . . . Jack Eisner (WMAS-Springfield, Mass.),

who came out on the short end of bet with a co-announcer when he thought a Teddi King disk would be more popular than one by Don Rondo, was consoled by thrush recently and in return Jack told her that her Victor disk, "Married I Can Always Get," is just starting to "happen" in Springfield. According to Jack, both Rondo and Miss King have "brilliant futures awaiting." . . . Lido records reports that "Blanche" by the Three Friends is selling briskly in pop in the New York area and is getting enthusiastic plays from deejays in the city. The Three Friends have been booked into the State Theatre, Hartford, Conn. Alan Freed's "Rock 'n Roll Christmas Show," and a run of one nighters. . . . As of December 3rd, WABI's (Bangor, Me.) "Till Six" show will be known as the "Jim Winters Show" in recognition of its conductor, Jim Winters. On December 2nd, WABI and Jim presented a host of top recording stars in person at the Bangor Auditorium for two performances. The stars appearing there included The Platters, The Teenagers, Clyde McPhatter and The Clovers.

Eddie Dillon (KVOR-Colorado Springs), who recently moved his show to KVOR from western Pa., also writes a record column for the Colorado Springs morning newspaper, the Free Press. Eddie would appreciate new record releases and/or promotional material. The "Eddie Dillon" show is heard Monday thru Saturday from 3:30 to 5:30 PM. . . . Ben Strouse, President and General Manager of WWDC-Washington, D. C., reports that he was caught in a traffic jam during the afternoon rush-hour period and turned on WWDC's Jack Rowzie on his "Rowzie On The Road" show. Rowsie, who broadcasts up-to-the-minute traffic information every week day at 5:35 was, as Mr. Strouse puts "able to get me out of the mess like a seeing-eye dog." . . . Paul Cowley (WKLO-Louisville, Ky.) writes that Jerry Wald has one of his best efforts to date with his Kapp LP "Listen To The Music."

ABC & Mennen Make Album Tie-In

NEW YORK—ABC Paramount has concluded a tie-up for its "Music for Expectant Mothers" album with the Mennen Baby Products Company.

ABC learned that the Mennen company had geared its entire marketing program for its line of baby products to a "Lady-in-Waiting" theme which will be seen in consumer magazine ads featuring expectant mothers in gowns designed by a sextet of million-dollar fashion designers.

In conjunction with the tie-in, ABC replated its album cover to feature the four-color photo that is the chief part of the first ad which starts the Mennen campaign in Life Magazine this month.

A heavy merchandising campaign is being planned by the record company to boost "Music for Expectant Mothers." A sampler record will be mailed to disk jockeys with a special sleeve plugging the campaign. Records also are planned for women's editors of all U.S. dailies.

"Music for Expectant Mothers" was arranged and conducted by Sid Feller at the suggestion of a leading obstetrician. It is the first in a series of mood music albums planned by Feller.

The joint promotion was announced last Monday at a luncheon held at the Overseas Press Club.

Entertainment World Personalities Attend Tommy Dorsey Funeral

TOMMY DORSEY

"The Sentimental Gentleman of Swing" died last week in his sleep at his home in Greenwich, Conn. Doctor C. Stanley Knapp, Greenwich Medical Examiner, stated after an autopsy that the 51-year-old masetro had accidentally strangled on food particles which lodged themselves in his lungs. Vincent Carbone, Dorsey's business manager, found Tommy's body. Tommy had been engaged by the Statler Hotel in New York where he and his brother Jimmy had been appearing.

Tommy and Jimmy began their careers in music as high school students, and for three decades they were two of the dominating names in America's popular music. In 1922 the Dorseys took their first step into the band leading field with a group known as the Dorsey Wild Canaries. Some time later, they joined the Scranton Sirens. And still later, they played with Paul Whiteman and Vincent Lopez' bands. The brothers formed their own band after leaving Whiteman and Lopez—a band which was to introduce such names as Frank Sinatra, Dick Haymes, Jo Stafford, Connie Haines, Charlie Spivak, Ray McKinley, Bix Beiderbecke, Glenn Miller and a host of others.

In 1935, the boys split to form their own bands. They rejoined and split a number of times afterwards. A few years ago, they teamed up once again and had been working together until Tommy's death.

During the heyday of the bands, Tommy had sold millions upon millions of records. His name was a household word in every home where dance music was appreciated. Among his million sellers were such favorites as "Marie", "Boogie Woogie" and "There Are Such Things".

Tommy is survived by his wife Jane, his mother, brother, sister, children and two grandchildren.

NEW YORK—More than 600 leading entertainment industry personalities and admirers of the late Tommy Dorsey, jammed 81st Street and Madison Avenue to pay their respects to one of the greatest bandleaders of our time, at the Campbell Funeral Parlor, this city. George Marlo, an executive of BMI and a very close friend of Tommy's ever since his debut as a bandleader, delivered a touching eulogy.

Sinatra Makes Deal With ABC Network

NEW YORK—Frank Sinatra, who, during the past several months has resisted multi-million-dollar television offers, has concluded one of the biggest and most unusual contracts in television history with the American Broadcasting Company.

According to the announcement, Leonard Goldenson, President of the American Broadcasting-Paramount Theatres, Inc., and Sinatra, one of the top personalities of the entertainment world, have agreed to an arrangement which involves a contract between Kent Productions and the American Broadcasting Company. Kent Productions is owned by Frank Sinatra and has exclusive rights to all of his services.

The agreement contemplates Frank Sinatra's exclusive appearance on an ABC-TV weekly half hour television program as well as his starring on two one-hour specials for each of the next three years. The format will exploit Sinatra's wide range of abilities in the dramatic, comedy and musical fields, as exemplified by his motion picture performances in "From Here to Eternity" (for which he won an Academy Award), "Guys and Dolls," "The Man With The Golden Arm," "High Society" and others.

The television programs are scheduled to start in the fall of 1957.

Prior to the ABC deal which was concluded last week in New York City by Goldenson and the William Morris office, Sinatra's representatives, negotiations had taken place on the West Coast with all three networks competing for Sinatra's video services.

"LI'L ABNER"—Original Broadway Cast—Columbia OL 5150 (1-12" LP)

OVERTURE; A TYPICAL DAY; IF I HAD MY DRUTHERS; JUBILATION T. CORNPONE; RAG OFFEN THE BUSH; NAMELY YOU; UNNECESSARY TOWN; WHAT'S GOOD FOR GENERAL BULLMOOSE; THERE'S ROOM ENOUGH FOR US; THE COUNTRY'S IN THE VERY BEST OF HANDS; OH, HAPPY DAY; PAST MY PRIME; LOVE IN A HOME; PROGRESS IS THE ROOT OF ALL EVIL; PUT 'EM BACK; THE MATRIMONIAL STOMP.

The marvelous assortment of Al Kapp's "Li'l Abner" characters was lifted off the printed page to the musical stage with creditable results recently and this Columbia pressing of the score by the original cast keeps a Sadie Hawkins Day pace throughout. The Gene DePaul-Johnny Mercer score is a pleasant array of rousing chorus numbers ("Jubilation T. Cornpone") sentiment ("Nately You") and satire ("Progress Is The Root Of All Evil"). Edith Adams (Daisy Mae), Peter Palmer (Li'l Abner), and in particular, Stubby Kaye (Marryin' Sam) exuberantly perform their musical chores. The popularity of the comic strip will greatly add to the waxing's market of show collectors.

POPULAR

"THE PLATTERS" (Vol. II)—Mercury MG 20216 (1-12" LP)

HEART OF STONE; I'D CLIMB THE HIGHEST MOUNTAIN; SEPTEMBER IN THE RAIN; YOU'VE CHANGED; I'LL GET BY; I GIVE YOU MY WORD; IN THE STILL OF THE NIGHT; WAGON WHEELS; TAKE ME IN YOUR ARMS; YOU CAN DEPEND ON ME; TEMPTATION; I DON'T KNOW WHY.

Few package follow-ups have been as eagerly awaited by dealers as this Vol. 2 of 12 songs by the golden sales touch of the Platters. As in their previous chart smash, the group relies on its own rock 'n roll-inspired rendition of evergreens. Songs like Cole Porter's "In The Still Of The Night" and Dubbin-Warren's "September In The Rain" undergo the rock 'n roll beat transformation, yet due to the group's melodic and lyric awareness they remain, with the exception of the exciting presentation, surprisingly sentimental. Sure chart hitting stock. Powerful teenage and adult appeal.

"ELLA SINGS GERSHWIN"—Ella Fitzgerald—Ellis Larkins At The Piano—Decca DL 8378 (1-12" LP)

SOMEONE TO WATCH OVER ME; MY ONE AND ONLY; BUT NOT FOR ME; LOOKING FOR A BOY; NICE WORK IF YOU CAN; OH, LADY BE GOOD; I'VE GOT A CRUSH ON YOU; HOW LONG HAS THIS BEEN GOING ON; MAYBE; SOON; I'M JUST A LUCKY SO AND SO; I DIDN'T MEAN A WORD I SAID.

Recent package successes by Ella Fitzgerald have probably been a major factor in prompting Decca to re-issue these earlier pressings by the singer. Sentimental and the more jazz inspired Gershwin is a perfect program for Miss Fitzgerald's incomparable vocal art. The set is rounded out with two songs, one by Duke Ellington ("I'm Just A Lucky So And So") and the other by Jimmy McHugh ("Didn't Mean A Word I Said"). Mostly solo piano and trio accompaniment. First-rate Fitzgerald for her many fans.

"JEWELS FROM CARTIER"—Gem Portraits By Louis Alter—Claude Yvoire And His Orchestra—RCA Victor LPM-1305 (1-12" LP)

EMERALD EYES; THE RUBY AND THE ROSE; PEARL OF THE ORIENT; TOPAZ TANGO; BLACK PEARL OF TAHITI; DIAMOND EARRINGS; STAR SAPPHIRE; CAT'S EYES IN THE NIGHT; LADY OF JADE.

Louis Alter, composer of "Manhattan Serenade," has penned ten compositions, each associated with a particular gem and/or the region in which it is usually found. Thus, the disk is principally one of rhythm that is associated with a particular area (i.e. "Black Pearl Of The Orient") and a variety of moods. Playing the pieces with a lapidary's skill is Claude Yvoire and The Radio Geneva Orchestra. Distinctive cover job. Noteworthy mood music entry.

"THE MAN FROM THE SOUTH"—Ted Weems And His Orchestra—Bally BAL 12007 (1-12" LP)

THE MAN FROM THE SOUTH; I WONDER WHO'S KISSING HER NOW; DEEP IN THE HEART OF TEXAS; HEARTACHES; EGYPTIAN ELLA; MY GAL SAL; OH MONAH; MICKEY; SOMEBODY STOLE MY GAL; THAT OLD GANG OF MINE; THE MARTINS AND THE COYS; OUT OF THE NIGHT.

One of the more durable orchestras still delivering the musical goods is the Ted Weems ensemble. Sticking to the reliable formula of reviving the pop hits of the past, and setting them in a homey atmosphere, Weems strikes at the heart of the middle-aged memory seekers. The orchestra leader is effectively pictured against a white background on the package. Light, danceable platter for its purchasers.

"MEET ME TONIGHT IN DREAMLAND"—And 16 Other Favorite Melodies On The Hammond Organ By Paul Renard—King 395-518 (1-12" LP)

Oldies and the Hammond Organ go happily hand-in-hand. And when the musician performing on the instrument knows what he's playing about, as does Paul Renard on this King disk, the results are vivid and, of course, nostalgic musical pictures of the past. Mr. Renard gayly tackles such favorites as "Button Up Your Overcoat," "Cuddle Up A Little Closer" as well as the set's title in the pressing's 17 selections. Excellent sound. Sympathetic and imaginative song encores for the older folks.

"THE DYNAMIC MISS DOUGLAS"—Norma Douglas—Unique LP-114 (1-12" LP)

A GOOD MAN IS HARD TO FIND; IT ALL DEPENDS ON YOU; DARKTOWN STRUTTERS BALL; THERE'LL BE SOME CHANGES MADE; ALL BY MYSELF; HARD-HEARTED HANNAH; YOU'VE GOT TO SEE MAMA EVERY NIGHT; IF I HAD MY WAY; IT'S TOO SOON TO KNOW; HOW COME YOU DO LIKE YOU DO; HOW ABOUT ME; BABY WON'T YOU PLEASE COME HOME.

Norma Douglas, serious pianist turned serious pop pianist and vocalist, has cut her "musical about-face" for Unique and the result is a rewarding 40 minutes or so with the gal. Miss Douglas' repertoire consists of 12 mostly Sophie Tucker type favorites which the thrush delivers with enough sizzle to take care of a day's caloric intake. One excellent moment of sweet repose is Miss Douglas' delivery of "It's Too Soon To Know." Impressive showing for a newer disk sound.

"SQUEEZE PLAY"—Featuring The Dynamic Accordion Of John Serry—Dot DLP-3024 (1-12" LP)

GARDEN IN MONACO; TERRY'S THEME; WHEN MY DREAMBOAT COMES HOME; BLUE BELL ROCKIN' THE ANVIL; SECRET LOVE; GRANADA; SIDE BY SIDE; MY HEART CRIES FOR YOU HAWAIIAN NIGHT; BUTTON UP YOUR OVERCOAT; ROCK AND ROLL POLKA.

As an informal instrument and one that seems to take in all members of a family as its fans, few musical devices compare with the accordion. John Serry, with rhythm accompaniment, uses the accordion to convey a variety of musical moods with an easy-going grace on this Dot issue. Even Serry's more energetic effort (i.e. "Button Up Your Overcoat") have been arranged for low-pressure listening. Solid entry for the appalling instrument's wide audience.

"ERNIE KOVACS PRESENTS BUDDY WEED AND INTRODUCES LYNN TAYLOR"—Buddy Weed, Piano—Lynn Taylor, Vocals—Coral CRL 57043 (1-12")

IT'S A HUMDINGER; WARM KISS AND COLD HEART; IT'S DE-LOVELY; BANDY; I'VE GOT AN INVITATION TO A DANCE; HALLELUJAH; BRAHMSIAN BLUES; WAS THAT THE HUMAN THING TO DO; FLYING DOWN TO RIO; IT'S FUNNY TO EVERYONE BUT ME; IN THE DARK; JALOUSIE.

Presented with the blessings of radio-TV funnyman Ernie Kovacs are two artists, jazz pianist Buddy Weed and stylist Lynn Taylor, who head a potpourri of musical sessions on this Coral disk. Weed's imaginative and quick-triggered keyboard moves happily through such items as "It's A Humdinger" and "Hallelujah," while Miss Taylor's warm, bluesy views are heard on 4 morsels as "Was That The Human Thing To Do" and "Warm Kiss And Cold Heart." An added attraction is the constant polish Bob Carter's swinging combo as accompaniment to Miss Taylor or on individual stints (i.e. "It's De-Lovely" and "Flying Down To Rio"). Glossy platter variety show. Kovacs on the package should be the initial sales convincer.

JAZZ

"MALLET'S-A-PLENTY"—Terry Gibbs, Vibes—EmArcy MG 36075 (1-12" LP)

NOTHING TO IT; MEAN TO ME; HAUNTED; ER-BEE-I; GIBBERISH; I'LL REMEMBER APRIL; SOUPY'S ON; THEN IT HAPPENS.

This chalks up Terry Gibbs' third package effort for Mercury's jazz outlet, EmArcy. Eight selections—all Gibbs originals with the exception of evergreens "Mean To Me" and "I'll Remember April"—are the vibist's framework for some exhilarating excursions into jazz inventiveness. Mostly swinging disk is offset by two warm ballad sessions, "Mean To Me" and "Then It Happens." Strong piano-drum-bass accompaniment. Fine jazz effort.

"BETHLEHEM'S GIRLFRIENDS"—Chris Connor, Julie London, Carmen McRae—Bethlehem BCP-6006 (1-12" LP)

IT'S ALL RIGHT WITH ME; TIP TOE GENTLY; A FOGGY DAY; ALL THIS AND HEAVEN TOO; MISERY; DON'T WORRY ABOUT ME; LUSH LIFE; IF I'M LUCKY; SOMETIMES I FEEL LIKE A MOTHERLESS CHILD; THE THRILL IS GONE; EASY TO LOVE; YOU'RE BLASE.

Three stylists typifying today's vocal jazz demands offer a study in contrasts (and slick entertainment, too!) on this Bethlehem pressing of 4 selections each by Chris Connor, Julie London and Carmen McRae. The throaty but forceful knock of Chris Connor is heard on such items as "It's All Right With Me" and "The Thrill Is Gone." Miss London with her haunting, easy exhale delivery hits its stride with "A Foggy Day" and a typical London choice "Sometimes I Feel Like A Motherless Child." Closer to general pop acceptance with her free, and smooth voice is Carmen McRae. Miss McRae handles well "Easy To Love" and "Tip Toe Gently." Combos headed by Ralph Sharon, Mat Mathews, Bobby Troup and Vinnie Burke accompany the gals with an eye to their vocal approach. Terrific teamed-up talent here.

"JAZZ NORTH OF THE BORDER AND SOUTH OF THE BORDER"—Chico O'Farril And His Orchestra—Clef MG C-699 (1-12" LP)

FLAMINGO; DANCE ONE; BRIGHT ONE; LAST ONE; CRY BABY BLUES; IT AIN'T NECESSARILY SO; HEAT WAVE; GUESS WHAT; PEANUT VENDOR; ILL WIND; MALAGUENA; YOU STEPPED OUT OF A DREAM; SIBONEY; NO TE IMPORTE SABER.

Two aspects of jazz composition, one the exciting accent on the beat (South Of The Border) and the other, free-swinging brass (North Of The Border) are represented in this interesting entry from Clef. The musician bringing across this jazz contrast is Havana born, U.S. band conscious Chico O'Farril. Either approach finds Farril constantly coming up with invigorating band invention, fresh and always kicking up a provocative musical storm. Novel, and extremely well performed disk for jazz-band buyers.

CLASSICAL

BORODIN: Polovetsian Dances—RIMSKY-KORSAKOV: Le Coq D'or Suite—London Symphony Orchestra And Chorus—Antal Dorati Conducting—Mercury MG 50122 (1-12" LP)

These two works from the exotic and romantic Russian school are excellent companion pieces on this Mercury release. Borodin's "Polovetsian Dances" from his opera "Prince Igor" provided Wright-Forrest with "Stranger In Paradise" for "Kismet" and is presented here in its original form with chorus. Less well known is Rimsky-Korsakov's "Le Coq D'or" suite from his opera of the same name, which with melodic delight presents themes associated with the opera. Both works receive the lush and lyrical treatment from Antal Dorati and the London Symphony Orchestra. Striking cover photo. Beautiful, lighter listening fare for the classical-minded buyer.

BRUCKNER: Symphony No. 4 In E Flat ("Romantic")—William Steinberg Conducting The Pittsburgh Symphony Orchestra—Capitol P8352 (1-12" LP)

Bruckner's Fourth Symphony, disk-wise, has been neglected by American conductors and orchestras. This Capitol entry of the work is performed by William Steinberg and The Pittsburgh Symphony Orchestra, a reading of the sweeping and lyrical opus that should highly commend it to the classical following. Steinberg leads the orchestra with a delicacy and warmth that perfectly pinpoints the over-all tranquility of the symphony. The waxing will probably assume the major role in sales of the piece.

CHRISTMAS ALBUMS

"THE STINGIEST MAN IN TOWN"—Vic Damone, Johnny Desmond, Four Lads, Patrice Munsel, Basil Rathbone, Robert Weede—Columbia CL 950 (1-12" LP)

CHRISTMAS CAROL; OLD FASHIONED CHRISTMAS; HUMBUG; THE STINGIEST MAN IN TOWN; I WEAR A CHAIN; GOLDEN DREAMS; IT MIGHT HAVE BEEN; THE CHRISTMAS SPIRIT; THERE IS A SANTA CLAUS; ONE LITTLE BOY; THE BIRTHDAY PARTY OF THE KING; CONCERTO INFERNO; MANKIND SHOULD BE MY BUSINESS.

This Columbia issue is the original cast production of the forthcoming (December 23rd) TV presentation of "The Stingiest Man In Town," based on Dickens' classic, "A Christmas Carol." Heading the bevy of familiar talent on the show will be Vic Damone, Johnny Desmond, The Four Lads, Patrice Munsel, Basil Rathbone, Robert ("The Most Happy Fella") Weede. The Fred Spielman score is charmingly in tune with the story's plot and the performers seem to have taken to it with a particular relish. The number of name artists and the actual TV presentation will make this LP a Holiday spectacular, sales-wide.

"A CHRISTMAS SING WITH BING"—Bing Crosby—With Paul Weston And His Orchestra—Norman Luboff And His Choir—Including Carols And Hymns By Various Choirs—Decca DL 8419 (1-12" LP)

This is the actual "Christmas Sing With Bing" CBS-radio broadcast of 1955 which featured Bing Crosby and a number of musical aggregations. With the spirit of the Holiday and a tie-in narration by Crosby's warm voice keeping the potpourri of talent together, Yuletide favorites are presented with dignity and charm. During the course of the disk, various cities are visited and in them a selection is performed by one of the town's principal choirs. These visits include such nations as England, Italy, France, Holland and Canada. Bing, himself, supported by Paul Weston and his orchestra plus the Norman Luboff Choir, performs 10 melodies such as "White Christmas," "Silent Night" and "The First Noel." A countless number of homes from year to year will share this Christmas sing with Bing.

"HERE WE COME A-CAROLING"—The Ray Charles Singers—MGM E3467 (1-12" LP)

The polished voices of the famed Ray Charles Singers make their 1956 Christmas appearance with 21 carol favorites, a feat they perform with their usual grace and warmth. The liner notes of the bright package contain the words to the 21 selections. Disk-wise, many homes will welcome the caroling of the ensemble this Holiday Season.

"O, TANNENBAUM"—Christmas On The Rhine—Mixed Chorus And Orchestra Under The Direction Of Werner Muller—Decca DL 8388 (1-12" LP)

Werner Muller, familiar to many an American mood fan, heads the Eric Bender Children's Choir and a String Quartet with Organ for inspiring renditions of 14 selections, some familiar (i.e. "Silent Night") others less well known. Whatever the popularity status of these pieces, their reading by the chorus is an impressive display of vocal adroitness. Charming cover. Recorded in Germany, the disk is an excellent, more serious musical view of the Season.

"AN OLD FASHIONED CHRISTMAS"—Richard Ellsasser Playing The Harmonium And Celeste—MGM E 3475 (1-12" LP)

MGM's top-drawer organist, Richard Ellsasser takes a Holiday breather from the organ proper and displays his keen ability with the harmonium and celeste. These instruments, as the set's title may suggest, provide the quaint and highly traditional approach to the classic melodies the waxing sets out to achieve and does so beautifully. Words to the works (i.e. "Coventry Carol," "What Child Is This?") make up most of the set's liner notes. Attractive cover photo a Christmas scene on tapestry. Strong Xmas entry by one of the top organ music sellers.

"CHRISTMAS GREETINGS"—Hollywood Workshop Choir—R-Dell LP 1 (1-12" LP)

Of note in this R-Dell Holiday package is the warm simplicity with which the Hollywood Workshop Choir approaches its selections. Without being inundated with lush instrumental support, the group achieves the quality of true caroleers not marred by commercialism. The program consists of 22 Xmas evergreens. A winning Holiday entry.

"KOLEDY"—Polish Christmas Carols—Dana D.L.P. 1218 (1-12" LP)

"BOZE NARODZENIE"—Polish Christmas Songs And Sketches—Dana D.L.P. 1219 (1-12" LP)

Both disks contain Holiday material sung and performed by Polish artists. In the main, the selections are indigenous to Poland but, now and then, a melody familiar to American audiences is sung (i.e. "White Christmas," "Silent Night"). The female and male solo voices sing with particular skill. The "Boze Narodzenie" release, in addition to Holiday songs, also includes sketches in Polish. Extremely attractive Xmas scenes on each package. Those of Polish origin will take warmly to the issues.

10. Faded Summer Love (Shaw)

Rehearsal

NEW YORK—Morty Palitz, a & r man for Jubilee Records, must have said something very funny, judging from the expressions of lovely Jo Ann Tolley, Jubilee thrush, and Stanley Appelbaum, musical director. The shot was taken as the three went through rehearsals for Jo Ann's latest recording session.

R & B Ramblings

NEW YORK:

Things really happening at Atlantic this week, what with 8 new releases four on Atlantic and four on Atco, in addition to more night recording sessions. The sessions were with Ray Charles working on his lp. Atlantic's lp "Rock and Roll Forever" is fast becoming one of the nation's leading album sellers.

ACE ADAMS

The four Atlantic releases are Clyde McPhatter singing a sure fire hit "Without Love"; The Clovers also singing a great number, "A Lonely Fool"; Chuck Calhoun with two instrumentals, "Barrel House" and "Hey Tiger"; and Leonard Carbo's "Sentimental Journey Blues" and "My Love, Your Love." Atco has a pop item, Little Lamsie Penn singing "I Wanna Spend Xmas With Elvis"; Jimmy Witherspoon's "Still In Love" and "My Girl Ivy"; Wynonie Harris' "Tell A Whale of a Tale" and "Destination Love"; and the Sensations with "Such A Love" and "Little Wallflower." . . . Over at Apollo Charles Merenstein all stirred up about Solomon Burke's new release, "You Can Run, But You Can't Hide." The tune was written by Joe Louis, former great world heavyweight champ, and the idea was gleaned from the famous retort by Louis to the fight experts when they asked him how he

expected to overcome Billy Conn's speed and agility. Said Louis, "He can run but he can't hide." Louis is in Chicago visiting the deejays with the record. . . . Lee Donahue (WGBB-Freepport, L. I.) on his program, "Night Train" recently told his audience the first few who wrote in to give their comments on "To Johnnie B From Joanie D" by Joanie Dunn on El Dorado would receive a free copy. The first two days brought in 458 letters heavily favoring the disk. . . . Cafe Bohemia's December line-up is Max Roach Quintet, featuring trumpeter Kenny Dorham and saxist Sonny Rollins, November 30 to December 31. Vinnie Burke Trio November 30 to December 13; and the Lester Young Quintet December 14 to the 31st. . . . LaVerne Ray, former recording artist for Jubilee, has formed a new group, The Raytones. He is currently visiting record companies trying to set up a new disk affiliation. . . . We hear from Angle-Tone Records that their new gospel release, "Jesus Is Calling Today" and "Hold Out" by the Erwin Gospel Singers got a tremendous sales reaction the first week out. . . . Ray Clark, Groove Records, tells us the initial reaction to his new pair of releases, Varetta Dillard singing "One For Time" and "I Can't Help Myself"; and Bobby & Melvin's "She's Got Eyes" and "Forever And A Day," is very, very good. . . . Happened to see a Miami Daily News last week and in it we found our old friend Jolly Joyce spotted in one of the columns. Here is what it said, "Jolly Joyce, the agent, in town this week to make sure the acts he used to book into Copa City will get their dough, finally. Jolly's jolly about booking the Red Caps into the Sans Souci March 4; setting up a round the world tour for Bill Haley; and placing singer Roy Branker into the Gold Key on the 79th street Causeway for a long term." . . . Our Chicago column last week said Jessie Price and his "Rib Joint" on Savoy, whereas it should have said Sam Price. Sam has been in this business for about thirty-five years. After playing professionally for several years, he formed his own band in 1924 that included Keg Johnson, Budd Johnson and Booker Pittman. He has played with Lips Page, Lester Young, Milt Mezzrow, Sidney Bechet, and so many others. . . . Elmore Morris, whose Peacock record "Indeed I Do," is doing very well, is now making nightly appearances with B. B. King. . . . Sol Rabinowitz, Baton Records, announces the signing of Jimmy Ricks, famous lead voice of the Ravens. Sol at this time is not certain as to how he will use Ricks—with or without a group. . . . Ace Adams, who is the Ace of Billace Music Co., publisher of "Honky Tonk," is the writer of "No More In Life," recorded by Little Willie John on King. . . . Sam Blake, originator and national director of the first annual Rhythm and Blues Week, has opened headquarters at 33 West 60th St., N. Y. C. Spearheading the week will be Studio Films, Inc.'s production "Rhythm and Blues Revue" for a one week stand at the Apollo Theatre, Harlem, beginning December 7. . . . Ralph Stein, Flair Records, announced the signing of the Orbits and Pauline Rogers. Both will have releases shortly after Christmas. . . . Hy Weiss, Old Town Records, advises his "Operator" by Bob Gaddy is breaking out in many key areas and spreading. Another Old Town deck showing strong life is the new "World of Love" by The Rogues.

RAY CHARLES

CHICAGO:

Joe Louis, the champ that is, promoting Patterson-Moore fisties was very happy to learn Apo lo's Solomon Burke had cut "You Can Run, But You Can't Hide," penned by the champ, and making a lot of favorable noise here. . . . Imperial's Fats Domino followed jazz star Teddy Charles into the Blue Note for two weeks 12/5. Just around the corner, Fats' flick, "Shake and Bake," opened at B&K Roosevelt. Fats is supported by an all star cast including Joe Turner, Choker Campbell, Tommy Charles and Anita O'Day. . . . The deejays Jimmy Brackem off to WDIA, Memphis, with The Magnificents. . . . The Sun's Staple Singers' "Uncloudy Day" hottest spiritual diskery of the year. . . . The Sun's Ab, "Orders are coming in for the wax like it was a blues record." Top on sales with the diskery is Jimmy Reed's "You Got Me Dizzy" with an R&B Sleeper award 11/24 and a Sure Shot 12/1. . . . The Dells skedded a session to follow up past hit, "Oh What A Night." . . . In our grand guy of the month dept. goes WTAQ's Bud Reiley. Bud is celebrating his sixth year on the station by giving away 500 free dinners to needy south-side families at Christmas. . . . Rumors that "The Great" Montague will be on TV next

year with a big brewery as sponsor keep coming this way. . . . Mike Oury, All State Distribs, mucho excited over great reception he is receiving on Moon-glow's Chesseroo "Over And Over Again." Mike went out on a limb to predict big things from Ivory Joe Hunter and "Since I Met You Baby" along with Ember's David Clowney doing "Soft Lights." . . . Sandy Harbin phoning with, great excitement, news to the effect that LeRoy Van Dyke's "Autioneer" getting plays and sales to match other Dot hits. Van Dyke through town introducing himself and disk to local deejays. . . . Al Hibbler closed Budland this past week with announcement that he and B&K thitters are trying to

OTIS RUSH

work out a presentation show for '57. . . . Len Chess with another ¼ page to show the trade and "they're all hits," claims hard working and ever traveling brother Phil. The diskery (Chess/Checker) added another tune to their already topheavy "hit list", The Flamingos' "Just For A Kick" b/w "Would I Be Crying". Coupled with rising numbers now going, looks like a bumper year for Chess/Checker/Argo. . . . Mercury's Eddy Matthews excited over two top Merc hits in this area. "You'll Never Never Know" by The Platters and Sil Austin's "Slow Walk" are starting to show on local charts. . . . Chuck Myers, King Distribs, sez Bill Doggett's Vocal, "Honky Tonk", is moving with many retailers reordering almost "daily" . . . "Cobra Strikes Again" shouts Eli Toscano, Cobra prexy. The diskery has come up with another Otis Rush "smash" if first orders can be used as a barom-

eter. "My Love Will Never Die" b/w "Violent Love" broke wide open with first plays," Toscano reported. And right on Otis' heels is Harold Bur-rages "One More Dance" b/w "You Eat Too Much". . . . Ping's "After Dark" b/w "Down Pat" by Andrew Hill got good reviews, 12/1. Frank Evans, Ping head man, claims tune doing grandly in local area. . . . Buck Ram announced he will be musical consultant for a series of pics, and for a "stipulated price" will supply his artists and his songs written especially for the pics. Such artists as The Platters, The Penguins, The Blockbusters, The Colts, Teen Queens, Dolly Cooper, Young Jessie, The Flairs, and Robin Robinson will be used. . . . Garmisa Distribs riding high with a bit of nonsense entitled "Rubber Biscuits" on Josie by The Chips. Marty Faye, WAAF deejay, has a contest going to see if someone can pen a set of lyrics to the tune that will make sense. . . . Screaming Jay Hawkins' "I Put A Spell On You" is still top seller for George and Ernie Leaner's United Distrib. Following in close pursuit is B. B. King's RPM opus, "Bim Bam". . . . Spaniels, Kool Gents, and The El Dorados back home after "tremendous" Waukegan one-niter. El Dorados continued on to NY and Apollo Thitter. . . . Reed Farrell and Spider Webb co-hosted 15 Elvis Presley impersonators at Chi's Marbro Thitter 11/30. Claims Reed & Spider, "The kids really enjoy this new type of deejay-record-hop". . . . Pee Wee Crayton signed to Gale Agency over great success of his latest shellac, "The Telephone Is Ringing". . . . Verro breaking thru with a cutie entitled "Run Big Feet Run" by Cal Palmer. . . . Attention all record co's. Thought you'd like to hear about someone who deserves your help. There's a fifteen-year-old boy, Paul Ford's his name, who has a small radio station at 1342 E. NW Highway, Arlington Heights, Ill. (CWPAF). Paul sure would get a kick out of hearing from you and receiving records too. By the way, Paul's blind. Thanks. . . . Congrats to Steve Schickle on his new Mercury wax, "Leave My Side Burns Be". But what will Elvis say? . . . Academy planning a Babs Gonzales LP after the first of the year. . . . NEW YORK—It was announced this week that Murray Deutch, general professional manager of Southern and Peer Publishing, along with his brother Irving Deutch, had both signed new contracts with substantial increases. The boys had a highly successful year coming up with such songs as "Lisbon Antigua", "The Great Pretender", "Teen Age Prayer" and "Petticoats Of Portugal".

Marks Acquires "Banana Boat"

NEW YORK—E. B. Marks has acquired "The Banana Boat Song" from Bryden Music. Previously Marks had made a similar deal with Bryden for "Cindy, Oh Cindy". The song was originally recorded by the Tarriers who backed Vince Martin on "Cindy" on the Glory label. Covers so far include Steve Lawrence on Coral, The Fontane Sisters on Dot, and Sarah Vaughan on Mercury.

Si Paul Resigns From AM-PAR

NEW YORK—Sam Clark, President of the AM-PAR Record Corporation, last week announced the resignation of Si Paul, National Sales-Promotion Manager, effective immediately. The announcement stated that Clark had accepted the resignation "with great reluctance" and with praise for Paul, who had been a member of Clark's executive staff since the inception of the ABC-Paramount label.

R & B Reviews

A AWARD & SLEEPER **B** VERY GOOD **C** FAIR
B+ EXCELLENT **C+** GOOD **D** MEDIOCRE

FOUR CHICKADEES
(Checker 849)

B+ "DING DONG" (2:25) [Arc BMI—Moore, Montague] The Four Chickadees rock out an infectious and beaty love story. The rocking tune is familiar and one that the kids can latch on to the first time they hear it. Happy little wax that should get lots of plays. Watch it.

C+ "TEENAGE BLUES" (2:25) [Arc BMI—Moore] The Chickadees wail a slow blues with deep feeling. Ok coupler, but does not match the "Ding Dong" side in appeal.

BIG BOY MYLES
(Specialty 590)

B "HICKORY DICKORY DOCK" (1:46) [Venice BMI—Mandolph] Big Boy Myles rocks out a quick beat jump with a combination of love and tot-rhymes woven into the lyric. Ok teener jump wax.

B "JUST TO HOLD MY HAND" (2:10) [Lion BMI—Perryman, Robey] Big Boy Myles backs with another quick beat jump. Myles drives in feeling and gravelly voice. Exciting wax that comes off the better side.

GAY CHARMERS
(G & M 2021)

C+ "HONKY TONK" (2:28) [Bill Ace BMI—Doggett, Shepherd, Glover, Scott, Butler] The Gay Charmers latch on the nation's top tune with a vocal reading. Fair effort that will face tough competition in the Doggett vocal rendition as well as his best selling instrumental version.

C+ "DANCE ON THE STRINGS OF MY HEART" (1:55) [Bill Ace BMI—Moultrie-Brown] The Charmers back with a swinging quick beat lilter. Tuneful ditty that is transformed to wax with a happy feeling.

THE COHORTS
(Note 20001)

C+ "FLIPPIN' AND FLOPPIN'" (2:35) [Condor BMI—Jeff] The Cohorts provide a mood instrumental wax that comes off an OK deck. Good special programming material.

C+ "COUNTRY BLUES" (2:37) [Condor BMI—Jeff] Slow paced blue mood wax. Similar comments.

BARBIE GAYE
(Darl 1002)

B+ "MY BOY LOLLYPOP" (2:18) [Kahl BMI—Spencer, Roberts] Miss Gaye backs with another swinger, a middle beat bouncer ballad, that results in a more intriguing wax. Deck has a cute and infectious feeling and could break out big.

C+ "SAY YOU UNDERSTAND" (3:03) [Sylvia Music BMI—Winfield, Scott] Barbie Gaye wails a middle beat rhythm tune with a rocking treatment. Deck is a swingy effort that comes out a fair side.

VARETTA DILLARD
(Groove 7955)

B+ "ONE MORE TIME" (2:26) [Raleigh BMI—Davenport, Taylor] Varetta Dillard gives out with an infectious rhythm lilter that moves from the opening gun. The gal lends a special appeal, with squeezes, etc. Good deck that should get deejay attention.

B+ "I CAN'T HELP MYSELF" (2:30) [Shabmar BMI—Otis] Miss Dillard reads a slow tempo ballad with warmth and feeling. Her reading of the moving lyric is done so expertly the deck is a treat to the ear and heart of the listener. Like both decks for strong action.

The Cash Box Award o' the Week

"WITHOUT LOVE" (2:53)
[Goday—Progressive BMI—Danny Small]
"I MAKE BELIEVE" (2:51)
[Progressive BMI—Ivory Joe Hunter]
CLYDE McPHATTER
(Atlantic 1117)

CLYDE McPHATTER

● Clyde McPhatter seems to have

hit the formula again with "Without Love". It is a very strong and moving tune given the benefit of McPhatter's tender treatment. McPhatter, who made his mark with "Treasure of Love", now pitches again for the big pop and r & b disk with this simple but effective wax. It is our opinion the deck will move McPhatter into the hit category once again. The flip, "I Make Believe", is a strictly pop side that comes off beautifully, but without the something extra that makes "Without Love" outstanding. Look for "Without Love" to make it big.

"OVER AND OVER AGAIN" (2:19)
[Snapper BMI—B & A Weisman]
"I KNEW FROM THE START" (2:20)
[Snapper BMI—Moore & Subatsky]

THE MOONGLOWS
(Chess 1646)

THE MOONGLOWS

● The Moonglows, coming off their tremendous hit, "See Saw", have another delectable that could

do it "over again". A slow, rhythmic lilter, with a romantic lyric, the deck is the recipient of a very strong vocal reading. Result—one tremendously strong etching that is sure to get favored treatment from all the jockeys, pop and r & b. In addition the tune is also in the picture, "Rock, Rock, Rock". The reverse, "I Knew From The Start", is also from "Rock, Rock, Rock", and is a slow, rhythmic bouncer. The deck is another goodie, and jocks may have their troubles deciding which side will go. We lean slightly to "Over and Over Again" but it is not inconceivable that both sides, if given equal exposure, can make it.

"A LONELY FOOL" (2:19)
[Wemar Progressive BMI—Burton, Franz, Randolph]
"BABY BABY, OH MY DARLING" (2:38)
[Progressive BMI—Winley]

THE CLOVERS
(Atlantic 1118)

THE CLOVERS

● The Clovers sing sweetly as they deliver the slow beat "A Lone-

ly Fool". A swaying, haunting ballad treated with loving care by the talented group. The wax is pop and r & b aimed. "A Lonely Fool" has a barbershop feeling done with restraint and good taste. This deck should give The Clovers another hit. The flip, "Baby Baby, Oh My Darling", is a quick beat rocker for the teener who wants his music hot and rhythmic. The Clovers dish it up with plenty of excitement and it is a good deck, tho not up to the overall appeal of "A Lonely Fool".

DeBONAIRS
(Ping 1000)

B "LANKY LINDA" (2:40) [BMI—Evans, Cox] The DeBonairs blend with solid effect on a rhythmic lilter. A happy bouncer with a love lyric. The fellas lend it just the right light touch. Deck could grab some nice action.

C "MOTHERS SON" (2:49) [BMI—Johnson, Cox] The DeBonairs wail a slow rhythm blues that fails to come off with the effectiveness of the upper lid.

THE CHORDELLS
(Onyx 504)

B "I STARTED OUT" (2:29) [Malver BMI—Walker, Thompson] The Chordells team on a slow, rhythmic ballad and the result is enjoyable drifter.

C+ "HERE'S A HEART FOR YOU" (2:28) [Malver BMI—Ramsey, Jenkins] The Chordells back with a driving quick beat jump. Romantic rocker that comes out fair.

THE MARQUIS
(Onyx 505)

B "BOHEMIAN DADDY" (2:30) [Malver BMI—Bateman, Stowers, Mack] The Marquis rock out with a quick beat jump that pleases but does not step out of the good but not outstanding category. Done with a Ly-mon-Teenager flavor.

B "HOPE HE'S TRUE" (2:28) [Malver BMI—Bateman, Lomelina] The group chants a middle beat bouncer that comes out the better deck. Group dishes up the tuneful ditty with a more distinct individual sound. Driving ork backing. OK side.

CHUCK CALHOUN
(Atlantic 1120)

B+ "HEY TIGER" (2:24) [Progressive BMI—Stone, Dowd] A racing quick beat that is another solid instrumental side. The deck is also flavored with excitement and a sound that moves away from the current instrumental fad. Two exceptionally strong instrumentals.

B "BARREL HOUSE" (2:12) [Progressive BMI—Stone, Baker, Dowd] Chuck Calhoun and his Atlantic All-Stars dish up a rhythm instrumental with a unique sound that captivates the ear. The kids will like it as it combines good sound, and exciting rhythm.

THE KRAZY KATS
(Note 20002)

C+ "TUXEDO JUNCTION" (2:34) The Krazy Kats drive out a wild reading of Tuxedo Junction. A racer that leaves you breathless. OK wax.

C+ "TRAVELING' LIGHT" (2:38) The Kats change pace on the flip, providing a slow blue mood pretty. Intimate room, dark lights, atmosphere.

BOBBY & MELVIN
(Groove 0178)

B "SHE'S GOT EYES" (2:10) [Jeepster BMI—Williams, McLaughlin] Bobby & Melvin team on an infectious bouncer with a happy skipping feeling. The deck reveals a spirited twosome with a pop hunk o' material. Light hearted wax.

B "FOREVER AND A DAY" (2:10) [Jeepster BMI—Williams] V. Hale, Bobby & Melvin back with a slow paced ballad pretty. The pair join vocally with good results. A tender waxing.

CHUCK BERRY
 (Chess 1645)

CHUCK BERRY

● Chuck Berry comes up with another automobile ditty in "You Can't Catch Me" and the deck has a strong appeal in rhythm and treatment. Berry rocks it out with an exciting beat as he tells the story of his fast moving car. The deck has the added push of being a flic tune from "Rock, Rock, Rock". The flip, "Havana Moon", is an intriguing rhythmic chant. Berry does a good job on the item, but it's "You Can't Catch Me" for the charts.

SOLOMON BURKE

● Young Solomon Burke sings a pair of moving lovelies on his newest release. Both look very much

like chart items, but particularly "You Can Run, But You Can't Hide". It is a stirring, slow paced, dramatic religious-pop offering that has had so much success on the pop market. The deck is also the pop type that makes good in the r & b markets. With the right kind of push this deck can make it. The coupling, "A Picture of You", is a middle beat rhythm ditty delivered with a soft but effective vocal. Easy to listen to deck, but one that falls short of "You Can Run But You Can't Hide."

"PLEASE SAY YOU WANT ME" (2:35)
 [Blackwood BMI—D. Hayes]

"SHIRLEY" (2:31)
 [Jot—G. Redd]

THE SCHOOLBOYS
 (Okeh 7076)

● A new group makes its bow on Okeh and comes up with two solid sides that could step out in a big way. The group, The Schoolboys, put their stronger foot forward with "Please Say You Want Me", a slow, beautiful ballad. They up the tempo on the flip with a middle beat bouncer, "Shirley". Both are

exceptionally strong sides for a new group to make its debut, but our preference leans slightly to "Please Say You Want Me." The group has a good sound which embraces a youthful but outstanding lead voice. Adding talent and material we come to a pick wax. Don't sell either side short.

THE JAGUARS
 (R-Dell 11)

C+ **"MOONLIGHT AND YOU"** (2:46) [Teresa Music—BMI—Val Poliuto] The Jaguars wail a slow pretty ballad with OK results. The lads stick to the standard group sounds, putting forth a fair deck.

C+ **"THE WAY YOU LOOK TO-NIGHT"** (2:19) [Chappell AS-CAP—Kern] The Jaguars deliver a tender reading of the Kern lovely. Easy reading with fair results.

THE COPESETICS
 (Premium 409)

B+ **"COLLEGIAN" (2:31)** [Premium BMI—Williams, Leibowitz] The Copesetics bounce to a quick paced tune with a vivacious vocal. The lads read the lyric based on some of the current teener hip phrases with a spirited and saucy treatment. Cute deck that could take off in a big way. Watch it.

B **"BELIEVE IN ME" (2:33)** [Premium BMI—Williams, Brown] The Copesetics back with a quick beat jump that comes out a good deck, but one which falls slightly off the general appeal of "Collegian".

Joe Louis, Songwriter

NEW YORK—Joe Louis, former world's heavyweight champion is giving young Solomon Burke of Apollo Records some fine pointers on the art of "hitting." In this case the art of hitting with records. Louis recently turned song writer and penned, with Mari Horton, "You Can Run, But You Can't Hide," based on his famous reply to the fight experts who asked him how he planned to cope with the speed and agility of Billy Conn when they met for the world's title. Said Louis, "He can run but he can't hide." Burke recorded the Louis tune on the Apollo label.

Silo Disk Gets Push From Diary Co.

NEW YORK—Every year, several million teenagers buy diaries between Christmas and the end of January. In order to attract a good portion of the diary buying public, Candlelight Records has tied in with a diary manufacturing firm to promote the Susan Silo record "Dear Diary". Bob Kerr Publications, the diary manufacturer, has entered into an agreement with Candlelight to purchase copies of the record. The publishing firm, working with Candlelight distributors across the nation, plans to merchandise a specially made five-year diary plus the record for the unit price of one 78 rpm record. Since diaries sell several million copies per year, little resistance is expected from the public with the two-for-one offer in the record stores. Rod Zinsser, executive vice-president and sales merchandising manager of Candlelight explains: "Although we do not expect to realize our usual sales mark-up and profit during this promotion, it will establish the name Susan Silo throughout the industry and country thus making the public and trade more receptive to future releases. We do, however, expect extra sales to be created by the promo-

tion after it has run its course through the added interest created." The package of the record and the diary will also contain a display insert which will enable retail stores to use the item for stand-up counter display. This merchandising method is expected by Candlelight's officers to carry the interest of the record over a long enough period of time to assure hit status for the record and artist Susan Silo.

Compliments Flow Freely

NEW YORK—Erroll Garner (left) and Tyree Glenn, former Duke Ellington trombonist, compliment each other on the song, "Sultry Serenade." Tyree wrote it, and Erroll did it in his latest Columbia Album, "Concert By The Sea." Garner also just recorded "Dreamy," which the pianist wrote and arranged for 30-piece orchestra, conducted by Mitch Miller, at Columbia Records.

Decca Signs Elton Britt

NEW YORK—Major Artists, personal management firm repping Elton Britt, announced last week that the singer has inked a two-year recording contract with Decca and will shortly be cutting LP's and singles for that label.

Britt had been with RCA Victor 21 years during which his total sales are reported to have hit close to the twelve million mark. His most famous disking, "There's a Star Spangled Banner Flying Somewhere," sold over two million copies. In addition, he received gold records for "Someday" and "Chime Bells," the latter tune his own composition.

Currently, he is negotiating for his own radio and TV shows.

Williams Still Wins Polls

ARLINGTON, VA.—Dead for three years, yet very much alive in the hearts of country music fans, Hank Williams, the great country songster, had won WARL's Don Owens "Favorite Artist Contest."

Don has just recovered from the gigantic task of counting and sorting more than 24,000 post cards sent in by WARL listeners. The contest has been running since the first of September and has drawn mail from almost every state in the Union. Owens attributes the national mail to the fact that once a star's fan club discovers there's a contest going on, they recruit all their members, wherever they are, to support the cause.

The late Hank Williams composed some of the great songs during his brief life, among them: "Cold, Cold Heart" and "Jambalaya." During his active six years, he was MGM Records' greatest country act and one of its biggest sellers in all fields.

On Saturday, December 1, WARL dedicated a blue spruce tree to Williams' memory on the station's front lawn during an Open House held for fans and listeners of the station.

CINCINNATI CUT-UPS

Elvis Presley whose jet-propelled career has reached stratospheric heights in only one year, comes to Troy, Ohio's Hobart Arena, Saturday, November 24th for two performances —3 PM and 8 PM. There will be no reserved seats, and doors will open an hour and a half before each show. The arena seats 7,000. At the same time his new picture "Love Me Tender" opens in Cincinnati, and first reports are "standing room only". . . . Clay Eager (Republic) former emcee of "Mid-western Hayride" has opened studios at 12 N. Main St., London, Ohio. He will be booking country shows from that address. . . . Fred Waring with all the Pennsylvanians, in a big Musicade show, is expected in person at Music Hall, Tuesday evening, Dec. 4th. . . . It was sure nice seeing Rusty Gill, Jack Taylor, Wally Moore and old buddy, Chick, on "Polka Time" which was piped in over ABC-TV from Chicago. The boys used to be around these parts for a long time, and their new show is tops. Last week we wrote that we heard about Kenny Roberts moving from Dayton. This week a note was received stating that he will be on WWVT, Cadillac, Michigan. This is the most powerful TV station in Michigan, and Kenny after being in Southern Ohio for 8 years will again have his own week day TV show. His latest Decca record is "Broken Teen-Age Heart". . . . Erwin King, Cincinnati composer is a co-writer of "Boulevard of Love" as recorded by Hugo Winterhalter. . . . Marty Roberts (ARC) just stopped in to tell us his new record, "Your Feet's Too Big" and "Baby" is really going over big in this area., and getting Pop spins too.

"YEARNING" (2:40)
[Starrite BMI—G. Jones, E. Eddings]
"SO NEAR" (2:00)
[Starrite BMI—C. Henderson]
JEANETTE HICKS & GEORGE JONES
(Starday 279; 45-279)

It appears as though Starday has made a wise choice in teaming up two of the most promising talents on its roster, Jeanette Hicks and George Jones. The artists turn in a stellar vocal performance on their initial duet offering as they warmly render a tearful, middle beat romantic opus tagged "Yearning". On the flip side, Miss Hicks grabs the solo spotlight and handles herself with finesse as she feelingfully waxes a moderate paced lover's lament titled "So Near". It's the upper end for the big noise.

JERRY REED
(Capitol 3592; F3592)

B+ **"TOO BUSY CRYIN' THE B+BLUES" (2:36)** [Lowery BMI—J. Reed] Jerry Reed takes a giant step in the direction of the juke box throne with both ends of his latest release. Here the songster comes up with a contagious reading of an up tempo weeper that could catch and bust wide open.

B+ **"YOU'RE BRAGGIN', BOY" (2:10)** [Four Star BMI—H. Burton, B. Diehl] This end Reed is joined by a chorus as he brightly spins a happy-go-lucky, quick beat handclapper. Terrific instrumental assist on both lids.

JUNE CARTER
(Columbia 40797; 4-40797)

B+ **"BABY I TRIED" (2:01)** [Acuff-Rose BMI—Atkins, Rule] Although the odds were against her and she lost her guy, the gal "at least gave it everything she's got". It's a quick beat romantic weeper that June Carter wraps up in first quality fashion.

B **"I'M ALL RIGHT NOW" (2:23)** [Acuff-Rose BMI—Atkins, H. Carter] Here the canary tenderly spins a heartwarming, moderate paced lover's tale as she tells us that "everything has finally turned out right". Fine double-track double-decker.

MIMI ROMAN
(Decca 30128; 9-30128)

B+ **"CHEATER'S LUCK" (2:15)** [Old Charter BMI—B. Wallace] Mimi Roman des a solid selling job as she projects this middle beat lover's lament with touching emotion. Could put the thrush in the big money. Keep close tabs on it.

B+ **"TONIGHT, I MADE YOU B+MINE" (2:42)** [Coper BMI—A. Inman] Flipdeck, a tender, up tempo shuffle with heartfelt love lyrics gets treated to another polished performance by Miss Roman. This end, too, rates the action.

JIMMIE WIDENER (Sacred)
(Biblical 200; 45-200)

B **"WHOSE SIDE ARE YOU ON" (2:05)** [Blue Jay BMI—Langham, Tester] A Jubilee style opus with a brisk, happy beat is delivered with infectious spirit by Jimmy Widener and the Voices of the West.

B **"ROLLIN' TIDE" (2:01)** [Blue Jay BMI—Langham, Tester] Widener and the group get their message across with telling effect on this quick moving gospel item. Pairing should move nicely in its field.

"FOOTSTEPS" (2:48)
[Cedarwood BMI—K. Hill]
"NEW NAMES, NEW FACES" (2:30) [Cedarwood BMI—T. Hill]
GOLDIE HILL
(Decca 30142; 9-30142)

Goldie Hill has a twin-threat on her latest Decca single as she offers a potent pair of tunes both of which should do well in attracting the sales and spins. The "Golden Hillbilly's" golden tones stand out on the top end, a rhythmic blues item labeled "Footsteps". It's a most persuasive entry that grows on you. The chirp continues in top form on the under lid as she effectively etches a slightly up tempo weeper ballad titled "New Names, New Faces". Either end can take off. They both have the goods.

JIMMY LAUDERDALE and THE FOUR TUNES
(Jopz 501; 45-501)

B **"THE SAD SIDE OF THE RECORD" (2:30)** [Frederick BMI—Zazick, Oldam, Lauderdale] Jimmy Lauderdale comes through with flavorful reading as he asks the juke box customer to play this end of the disk 'cause he and his baby have parted. An interesting platter that merits the jockey as well as the box spins. Could stir up the dust with exposure. Watch it.

C+ **"SWEETHEARTS FOREVER" (2:26)** [Frederick BMI—Zazick, Oldam, Lauderdale] Here Lauderdale hands in a soft, sincere vocal effort on a pretty, moderate paced romantic opus. Adequate musical backdrop supplied by the Four Tunes on both ends.

JERRY IRBY
(Daffan 108; 45-108)

C+ **"CLICKETY CLACK" [Hill & Range BMI—J. Irby]** Jerry Irby is ably supported by the Texas Ranchers as he enthusiastically swings out on a catchy little rock 'n roller that should make the dancin' teensters happy.

C+ **"A MAN IS A SLAVE" [Hill & Range BMI—J. Irby]** On this half Irby projects a strong piece of philosophical material in stirring fashion. Pounding piano, rock 'n roll flavored backdrop unfortunately detracts from the deck.

COUNTRY PARTNERS
(RCA Victor 20-6738; 47-6738)

B **"PRETTY POLLY" (2:15)** [P. D.] With Bill Price handling the vocal chores in sparkling style the Country Partners engagingly fly over this old folk item at high speed. Tremendous instrumental work on a real exciting platter. Could stir up a heap of noise.

B **"I CHOSE THE WRONG" (2:20)** [Acuff-Rose BMI—B. Price, B. Simpson] This side the boys, with Price in the vocal lead, neatly spin a quick paced tune with tear-compelling lyrics.

SMILEY & KITTY with RITA FAYE
(MGM 12381; K12381)

B **"THUNDER AND LIGHTNIN'" (2:25)** [Southern BMI—Griffin] Smiley & Kitty and little Rita Faye team their talented tones in most appealing 'pure country' style on this quick beat, crying-towel affair.

B **"COME AND KNOCK" (2:27)** [Acuff-Rose BMI—I. & C. Louvin] On the under deck the trio turns in another splendid showing as they beautifully blend on a very pretty sentimental lilter. Perfect wedding of melody and lyrics.

Some weeks back Red Foley reported the illness of Suzi Arden, half of the singing and picking team called the Arden Sisters, but at that time no one was aware of the seriousness of her illness. It seems that Suzi had some sort of injury to her lower spine, and for a few days during her stay in the hospital it looked as if she might never regain the use of her legs. However, Red's happy to report that this determined little lady is not only walking again, but appeared on the "Ozark Jubilee" on November 15 and turned in her usual top notch performance. We all take our hats off to this brave girl who in the face of adversity, never lost her smile or determination. Foley informs, via his newsletter, that in case anyone hasn't heard as yet, the "Jubilee" is going back to its Saturday night slot.

The slicing will be riding on the heels of Jim's latest 2 hits, "According To My Heart" and "My Lips Are Sealed". A full scale promotion is being planned by Shucher and Miss Bea Terry, whose Rhondo Music Co. published the tune. The flip side is Reeves' version of an old Jimmie Rodgers' tune "Waitin' For A Train."

The Vital Reason For "10c Play Plus":

FROM EVERY DOLLAR TAKEN IN BY ANY MACHINE ON 50%-50% COMMISSION BASIS

The Location Gets 45c Net The Operator Gets 10c Net

**Here
and
There**

NEW YORK—Business firms throughout the country have been finding out that there have been unusual delays in receiving mail. It is indeed puzzling when a letter is mailed out to short distances, and days pass before delivery is made. Conditions have become so bad that the general public is evidently losing its confidence in the postal department. That many complaints have been made is evident as the Postmaster of New York City found it necessary to defend the department in a full page story in the Sunday edition, November 25, of the New York Daily News. The Postmaster stated that the methods of assorting and delivering are the same as in the 1850's. It is clear that this same condition must exist throughout the nation in a proportionate way. So—if those orders and checks aren't coming in as rapidly as they're supposed to, all we can say is "be patient."

NEW YORK—We recently saw a headline in a financial journal which we thought was referring to the coin machine industry. It read "Understanding By Public Held a Major Need." Upon reading the article, we noted that it was referring to the wine and spirits industry. The text was also so typical that if the reference to "wine and spirits" were omitted and the words "coin machine industry" inserted, it would fit like a glove. "Probably no industry in the United States needs public understanding as much as the wine and spirits industry," said Thomas F. McCarthy, president of Austin Nichols & Company. "We need it to stay in business. We need it to operate profitably, and without unnecessary harassment." He points out that "the great mass of the public has either no particular opinion of our industry, or a poor one." Good public relations efforts is the answer. The coin machine industry can certainly inform the general public with programs of public relations in any number of ways. Many have been suggested by *The Cash Box*, such as "Teenage Canteens," "A Day of Dimes for the March of Dimes," donations of equipment to youth centers, cooperation with local charities of all kinds, and many others.

Operators advise *The Cash Box* that, because of general economic conditions they are, today, actually working for their location owners.

Because of this *The Cash Box*' "dime play plus" plan has met with enthusiastic approval of operators everywhere.

This is due to the fact that, with continually rising overhead expense and with cost of equipment zooming ever higher while the completely inequitable 50%-50% division of the gross intake remains in effect, the operator is fighting a very rough and tough battle for business survival.

Completely contrariwise, the location owner, in turn, is pocketing the major share of the net profits from the machines located in his place.

Even if operators were to replace the ancient, worn out and completely inequitable 50%-50% commission basis with "dime play plus" a 60%-40% division of the gross intake, this still would not be equitable.

But this differential of 10% extra of the gross intake could help the operator to somewhat overcome a part of the tremendously increased overhead expenses he is now enduring.

Operators agree that the very most any location owner expends, as part of his 50% division of the gross intake, is possibly 5%. This 5% can be charged to electric current and rental for the space the machine occupies.

This means that the location owners are coming out ahead with a net of 45% clear for themselves.

The very best any operator can see for himself at this time, from his 50% division of the gross intake, is possibly a net of 10%.

That's why operators agree with *The Cash*

Box that the fact the location owner winds up with a net of 45% of the gross intake, and the operator with a net of 10% after deducting his regular overhead expenses, the 50%-50% division of the gross intake from the machine is absolutely and completely inequitable in every fashion.

The time has arrived when the nation's operators, to survive today's keen and tough business battle, definitely must arrange for a more equitable commission basis.

For some time now operators have been complaining that, regardless of the fact their gross intake is equal to or even greater than it ever was before, the net has been terribly disappointing. So disappointing that many fear they will not be able to survive general business conditions.

There is but one answer. This has now been agreed to by operators from all over the country. And that is "dime play plus" a more equitable division of the gross intake from all machines.

Even tho more and more have changed over to dime play consistent creeping inflation has cut the value of the dime. Cut it to a point where it is difficult to compete against constant rising overhead expenses and increased cost of new equipment.

To be able to set aside sufficient money for the purchase of new machines and to, at the same time, be able to enjoy a decent profit return on the investments being made in their businesses, operators simply must arrange to adopt *The Cash Box*' "Dime Play Plus" Plan.

Operators must, at the very minimum, arrange for a 60%-40% division of the gross intake from their machines between their location owners and themselves, while putting into immediate effect "front money guarantees" with all their locations to assure themselves some sort of consistent return.

(Editor's Note: The above can be used by operators to show their location owners why they must obtain a more equitable commission basis.)

Nation's Top Ops Acclaim The Cash Box':

"10c PLAY PLUS" PLAN

Agree Ancient, Slot-Type 50% - 50% Commission Basis Must be Eliminated. Urge Adoption of 10c Play Plus Front Money and More Equitable Commission Basis.

Some Suggest Front Money and 60%-40% Commission. Others Feel That 10c Play And Old Proposal of The Cash Box for 70%-30% is Best Basis.

CHICAGO — Nationwide acclaim followed immediately after appearance of *The Cash Box'* editorial on "10c Play Plus".

From all corners of the country leading operators have come forth to commend this editorial. All claim it opens the path to assured profits thru a more equitable division of gross receipts.

Some operators believe that 10c play and 60%-40% commission basis should be instantly placed into effect in all areas.

Others are of the belief that 10c play plus front money and the old formula presented by *The Cash Box* many years ago of 70%-30% should be adopted.

Whatever the plans offered, everyone is in agreement that the ancient, slot-type 50%-50% commission basis must be eliminated.

All agree that operating any type machine today requires tremendous attendant expenses which never existed in the days of slot machines.

Music operators, especially, point out that they have tubes, records, lumilines, plastics and continual parts and supplies to purchase for their machines. This makes a 50%-50% division of the gross intake of the machine absolutely inequitable in every fashion, they report.

Games operators, like those who feature guns, point to the fact that, today, with the expenses incurred in servicing and continual replacement of parts, sharing with the location owners on a 50%-50% basis as far as gross receipts from the games are concerned, is absolutely illogical and impractical.

The articles which appeared in *The Cash Box*, during the European trip made by Bill Gersh, have stirred up operators throughout the country who feel that Europe's ops are better than ours they are regardless of the fact that the European op uses a smaller coin, because he pays such small commissions.

Many phonos are operating in Europe without any commission whatsoever being paid to location owners. Operators are operated on an 8% to

10% commission basis. Games are operated on 10%, 15% and 20% basis.

As one noted operator leader stated, "We are simply not going to earn anything that can be termed 'profit' on our investment in music and games if we continue to pay 50% of the gross intake to the locations.

"We just simply can't pay for all the servicing, for the parts and supplies, run our trucks, pay for employees and offices as well as for experts, and then take only 50% for ourselves. This is not an equitable fifty-fifty operating basis.

"The locations are actually enjoying a paradise here in the U.S., compared to the European market, because what we get is less than 10% while they get just about 45%, if we deduct the cost of electricity and space."

This man proposes that operators change over to 10c play plus front money and a 70%-30% commission basis. He claims that the operator definitely should take 70% of the gross receipts for, when clearly figured, he claims the operator will find that he's only then getting as much as his location from his equipment.

Some operators report that they have been switching over to front money and 60%-40% basis. These men also state that they are all on 10c play at this time.

One of these men reports, "We simply couldn't see daylight if we didn't get front money plus 60 percent of the gross even on dime play.

"Overhead expenses are much too high and cost of new equipment is at a point where we cannot operate profitably any longer on 50%-50%."

This same man also stated, "For years we have followed *The Cash Box* and all the great editorials and suggestions which have appeared.

"You have helped us all to better business methods and an opportunity to enjoy a decent return on our investment.

"Your latest suggestion is just as great as your 'dime play' plan and should, most definitely and absolutely, be adopted by every operator in this country."

NAMA Show Opens at Conrad Hilton, Chicago

Over 150 Firms Exhibit Wares

CHICAGO—The National Automatic Merchandising Association (NAMA) Exhibit and Convention, opening at the Hilton Hotel, this city, on December 2 and running thru December 5, is expected to draw a record attendance. It has already been announced that over 150 exhibitors have bought space, breaking last year's number of 138.

Reason for the expected large attendance is explained by officials as due to the number of operating firms who have diversified their operations in the past few years to include vendors of all kinds, as well as the addition of several old-line amusement manufacturers now producing vendors, which will bring in representatives of distributing companies handling these lines.

Line up of coin firms include: A.B.T. Coinfirms Warned About Hiring Itinerant Mechanics Without First Checking References

CHICAGO—Every once in a while *The Cash Box* has publicized the unfortunate experience of some coin firm which takes on some itinerant mechanic, after paying assorted expenses, and then loses both the investment and the mechanic.

We have word from a Kentucky operator that he has just been victimized in this manner. He received a letter from some party

from the Far West, offering his services, but needed traveling money to report. The operator sent \$200. The man showed up, but after two weeks disappeared, owing the \$200.

Once again *The Cash Box* warns coin firms to be careful about employing itinerant mechanics without first asking for appropriate references and then checking very carefully with these employers.

"Phonos Rolling Off Assembly Line at a Rate Never Before Attained. Taking Every Means to Increase Production," says David C. Rockola

DAVID C. ROCKOLA

CHICAGO—David C. Rockola, president, Rock-Ola Manufacturing Corporation, this city, stated he is extremely happy over the reception given the firm's new 200 selection phonograph, model "1455" by the operators throughout the nation.

"To all operators who have written directly to me," said Rockola, "or have expressed enthusiasm for the new Rock-Ola '200' through their distributors, I wish to convey my sincere thanks and that of the entire Rock-Ola organization. We are deeply grateful and extremely proud of the hundreds and hundreds of orders you have placed with Rock-Ola distributors everywhere, the finest tribute and the greatest expression of approval you can give.

"We are dedicated here at Rock-Ola to a single objective: to produce the finest automatic phonographs in the world. With a tremendous backlog of orders for '200's' on hand and constantly increasing pressure from our distributors to produce phonographs faster, we have taken every measure possible short of lowering our standard of quality which we will never do, to increase production. Now, we are happy to report, phonographs are rolling off the assembly lines at a rate never before attained.

"So, we say to the music operators, if you have not yet received your Rock-Ola '200's' or are not getting Rock-Ola phonographs as fast as you would like, we ask that you bear with us just a little longer. Remember, the best is always worth waiting for."

"Our model '1452,' the 50 selection Rock-Ola, is designed for profitable locations demanding the latest and best in hi-fidelity equipment but requiring only a limited number of selections. Model '1452' offers the exclusive Rock-Ola 'Hit Parade' programming permitting locations to feature the 'Top Tunes of the Week', to stimulate play and increase profits."

Richmond Amuse Equips Two Boys' Clubs With Juke Boxes and Amusement Machines

Suggest All Operators Do The Same in Their Towns or Cities

RICHMOND, VA.—H. L. Donovan, Richmond Amusement Sales Company, this city, feels strongly that the members of the coin machine industry can create an unlimited amount of good-will by donating equipment to the various Boys' Clubs throuout the nation.

In recent weeks, Donovan thru his representative John Chandler, has equipped two Boys' Clubs in Richmond with juke boxes and amusement machines.

"It is the wholehearted desire of us here at Richmond Amusement Sales Company that operators of music machines and amusement machines will look around and get together any machines they can, and then get

in touch with some Boys' Club in their town or city and help bring much happiness to these boys, and at the same time do a real Civic duty," said Donovan.

Reproduced are two photographs of presentations made. In the top picture, John Chandler presents Dave Armstrong, executive director of the Richmond Boys' Club, with a juke box and two shuffle alleys. In the picture underneath, Chandler is seen making the presentation to Captain Marvin Edwards, executive director and Clarence Perkins, assistant director of the Salvation Army Red Shield Boys' Club of Richmond, with the same number of machines, a juke box and two shuffle games.

EASTERN FLASHES

A number of coinmen spent this week commuting between New York and Chicago. The Park Show drew some, and then others left for the N.A.M.A. Exhibit and Convention. Some even attended the Park Show, flew back to New York, and then after a few days at the office, flew back to Chicago for the N.A.M.A. This not only becomes expensive, but uses up considerable time.

Business along the row holding up very well, with ops paying close attention to their equipment so that everything is in good condition for the coming holidays. . . . Wholesalers who had equipment being held up by the waterfront strike, heaved sighs of relief as longshoremen returned to their jobs and ships started moving out. . . . Al Simon and Al D'Inzillo, Albert Simon, Inc., move around their offices and showrooms with happy smiles, even tho they don't even have a floor sample of Genco's "Skill Ball" or ChiCoin's "Ski-Bowl" and "Championship" bowler to show ops. "They don't even let us keep a sample on our floor," says Al, advising that complete shipments are gobbled up as rapidly as they're received from the factories. Al, who flew to Chi for the Park Show and returned Monday, will take off again the end of this week for the N.A.M.A. show. . . . Dave Orowitz, well known coinman, now with Herman Bros. on 10th Ave., says he'll be at the vending show to meet with his many friends thruout the country. . . . Al Needelman, former restaurant owner in Miami, Fla., sold out, moved back to New York, and is now associated with Sandy Moore in the operating biz. . . . Meyer Parkoff, Atlantic New York Corp., and Jack Gordon, regional representative for Seeburg, continued their program of lectures on record programming and showing of the Seeburg film with two meets this week. On Wed., Nov. 28, a group of Queens ops met, and then on Thurs., Nov. 29, Gordon and Parkoff met with Connecticut ops. . . . Music Guild of New Jersey holds a general membership meet and dinner on Thurs., Dec. 6, in the Terrace Room of the Hotel Essex, Newark. Dinner at 7 P.M., meeting opens at 8:30 P.M.

Barney (Shugy) Sugerman and Abe Green, Runyon Sales, off to Chi for the N.A.M.A. show. Will probably stay in the Windy City for about a week. . . . Dave Stern, Seacoast Distributors, Elizabeth, N.J. another coinman who'll be attending this vending machine show. . . . Dave Lowy extending his Dave Lowy & Co. into connecting store at 594, which formerly was occupied by Murray and Bill Weiner, Weiner Sales. Several years ago, Lowy occupied this spot, but later moved into two stores adjoining. Now the firm will occupy all three. . . . Morty Polin, Excel Music, down on coinrow. . . . Joe Young, Irv Holzman and Abe Lipsky, Young Distributing, prepare to leave for the week-end. Had planned on attending the Army-Navy game in Phila., but might change their plans, as they checked calendar and find N.A.M.A. Show to open in Chi, and Eddie Fisher party at Grossinger's fall on same dates. . . . An ordinance to prevent persons under 18 years of age from playing pinball machines and to increase license fees was introduced in the Baltimore City Council on Nov. 19 by Councilman Richard Byrd. Fines for location owners and operators permitting minors to play is included in the bill. . . . The showrooms of Koepfel Distributing practically cleaned out as Harry and Hymie Koepfel rush out reconditioned music machines for shipment to Europe. "We want them on boats before the waterfront strike starts off again," they state. . . . Irving Kaye will be in Chi with something for the ops attending the N.A.M.A. show. . . . New type amusement machines being sent in by the factories giving local ops something to cheer about—and there'll be more happy smiles at the forthcoming association banquet at the Waldorf-Astoria on Dec. 8, than we've seen in quite a time. . . . Al Kerner tells us he's now connected with the Sak Trading Corp., Freepport, L.I., a finance firm. . . . Al Ferber, music op, on the street shopping. . . . Gertrude Browne, Beacon, N.Y., visits the wholesalers picking up necessary supplies.

UPPER MID-WEST MUSINGS

Earl Porter of Mitchell, S.D., and Tony Ratchford of Huron, S.D., made the trip into the Twin Cities together and after getting in suddenly remembered that they left their chauffeur, Ron Manolis of Huron back home. . . . The Bob Aherin family of La Moure, N.D., drove down to Mankato, Minn., to have Thanksgiving dinner with friends. On the way back they stopped and spent a day in Minneapolis and while in town Bob shopped around for equipment for his route. . . . Bob Keese, Peerless Novelty Company of Forest Lake, Minn., is walking around these days with his chest puffed out a little and the cause of it all is the notice in the newspapers that son Denny was named on the All State High School Catholic conference team as first team guard. . . . La Verne Tschappatt, Tracy Sales Company of Tracy, Minn., has changed all of his music spots to 10¢ play and he reports that after watching the results for several weeks that he is very pleased that he made the change-over. . . . Don Isensee of Hager City, Wis., was seen shopping around for used equipment for his route. . . . A. H. Quade of Rochester, Minn., spent several hours in town picking up records for his route and also looking over the latest in coin-operated games. . . . The boys at the Lieberman Music Company try and check out every new game that comes into the building. At any time of the day you will find the boys trying their skill on the new skee-ball games that have just made their appearance. So far the champ skill baller has not been picked but the boys will take on all comers. . . . Recent visitors to the Twin Cities were Jim Donatell of Spooner, Wis.; Jeff Kost of St. Cloud, Minn.; Bill Hunder of Wheaton, Minn.; Jack Harrison of Crosby, Minn.; Louis London of Winnipeg, Canada; Bill Gummow of Hopkins, Minn.; and Morris Anseau of Minnesota, Minn. . . . Mr. and Mrs. Louis Wolf, Atlas Sales Company of Minneapolis are the proud parents of a baby boy who arrived on Thanksgiving day November 22. The boy weighed in at 7 lbs., and of course mother and child are doing fine, as is the father.

Fred Mills Joins Bally Vend

CHICAGO—Appointment of Fred L. Mills, Jr. as sales manager of Bally Vending Corporation, this city, was announced this week by Bally president, Ray Moloney.

"Because of his years of experience in the coin-operated vending field," Moloney said, "we are very happy to have Fred Mills' services. He was previously associated with a leading manufacturer in various executive capacities, which gave him a vast understanding of every phase of the vending business, from basic engineering, through manufacture, to sales and sales-financing. He has recently been active in management of a highly successful operation, which gives him a sympathetic knowledge of the operator's problems."

CHICAGO CHATTER

Opening day at the park show was the noisy one. Kids, toddlers to teens, previewed new products, generally favoring skee type amusements. The following three days reported "quiet as far as business is concerned" by most exhibitors. However, the show gave many coinmen the opportunity to fly in for a day or two, greet and meet friends from all over, make rounds of the factories. And fly back refreshed for having renewed long-time friendships. . . . Biggest news received was from Alfred W. Adickes of Hamburg, Germany. Al succeeded in obtaining licenses to ship first 100 new Rock-Ola phonos into England. Tho tired from over 26 hours in the air, Al made his way around the park show and, after a light dinner with Les Rieck, Cissie and Bill Gersh, retired to get some sleep. . . . One scene that needed a photographer was 3 foot tot playing United's 14 foot Bowling Alley. Herb Oettinger, Bill DeSelm, John Casola and

LES RIECK

Al Tholke getting a great kick out of infectious enthusiasm of kids for the new game. . . . Assisting in the United booths were Allen Bruck and Paul Cohen of Banner Specialty, Pitts.

Sam Lewis happy over the fact that he upheld exhibit tradition of big sales volume at park shows. Said Sam, "This is my first experience in a show since coming to Exhibit, and I can truthfully say we've done wonderfully in sales and variety of new products. Most of the action came during the last day." Also working diligently were Frank Mencuri, Chet Gore and Ed Hall, who were trying to keep score on which of the games were attracting the most play. . . . Our thanks to John Frantz, one of the most hospitable of coinmen. "Always glad to help out my favorite publication, The Cash Box," says he. John advises he and Norm Glass "did right well with 'Rifle Sport' at the park show, especially near closing time." . . . Bill O'Donnell at his entertaining best this past week as many visitors came over to the Bally plant after quick looksee at the show. Among them, reports Bill, were Lou Boasberg and Aron Callery from N'Orleans, Aaron Bronstein, Pitts., and Pete Pieters, Kalamazoo.

BILL DeSELM

"Avron Gensburg will never forget the numerals 4-8-1-1," says Al Warren. Al a terrific man with a joke, particularly if it has a neat sales twist. Ralph Sheffield, who always comes up with new ideas, claims he made and framed that big Genco distrib map in two hours. Map not only had flashing lights, but also sound effects (turned off so's not to disturb serenity of the show). . . . Leo Willens, Al Blendow and Sam Goldsmith of Capitol Projectors proud over Honorable Mention won by "Auto Test." Your reporter "killed" only three people on his first test drive. . . . "As far as we're concerned," remarked Art Weinand at the Williams booths, "this is the peppiest show on earth." Referring, obviously, to excited reaction of players to the firm's new marionette game, "Peppy, The Clown." Sam Stern advises he somehow managed to tear himself away from his busy plant to come in for a few hours each day. . . . Oklahoma's Cliff Wilson and Bally's Phil Weinberg breakfasting in the Bally suite at the Sherman. . . . Iz Edelman asking George Kozy about Venezuelan coin chutes. . . . Jimmy Johnson found one ride he didn't have at his big Playland Park in San Antone.

ART WEINAND

Of special interest to exporters is statement of Al Adickes, one of Europe's leading distributors: "The leadership of The Cash Box thruout the entire European market is unquestioned. It's the 'bible' of all European firms." . . . Sam Wolberg and Sam Gensburg beaming, simply beaming with pleasure this past week. Reasons were piled up on desk in shipping room—loads of orders for their new 6 Player "Ski-Bowl." Over at the ChiCoin booth, Ed Levin giving info on the new "Commando Machine Gun" to Walter J. Schaab, looking for something different for riverboat S.S. Admiral. Mort Secore left the show to hit the road around the midwest. . . . Phil and Dorothy Robinson, ChiCoin's Western Regional rep, stopped off at Denver on way back to L.A. to entertain and visit with Ralph Perin, mgr. of R. F. Jones Co., and Dan Donohue, Seeburg's West Coast rep. . . . Herb Jones, after writing up all the features of Bally's new game, "Key West," observes, "It's even greater than 'Big Show.'" . . . Lyn Brown, in from L.A. to meet brother Max from Phila., saying "All expensive games should be operated 75-25%." Lyn is 21 years in coinbiz.

Alvin Gottlieb advises, "Too busy to attend conventions. Can't leave the telephone. Lots of visitors." Ditto for Nate Gottlieb. Likewise for Judd Weinberg. . . . Walking around the park show together were Max Schaffer, NYC, and Ben Sterling, Moosic, Pa., and their wives. Max the oldest of old timers in arcade biz, dating back to nickel-odeon days with Adolph Zukor at the 14th Street Arcade. . . . Mrs. Grace Rabkin advises that Marty Rabkin is pres. of Int'l Mutoscope, with Larry Galante handling sales dept. . . . Charley Katz of All-Tech Industries busy talking away with many friends who stopped to chat. . . . Johnny Christopher with two unusual rides from Germany and one from Italy. . . . One of the busier booths was Auto Photo, with Verle Van Nattan telling all comers to say "cheese." Popular guy, Van, and a great entertainer.

HERB JONES

Jack (Jock MacNic) Mitnick showed up at United booth sporting a new flat top. Jack just back from N. Y., where he enjoyed a wonderful few days with wife and family. . . . Around with something new in the way of specialty items was Harry Brown, Club Specialty. . . . Henry "Barney" Barnas had to coax his two cute little daughters off the horses in Mike and Joe Munves' booth, while Standard-Harvard display being manned by Jerry Kuklin and Andy

Bally's "Key West" Now On Display at All Distributors

BILL O'DONNELL

CHICAGO—"Key West", Bally's new in-line game is now on display at all the firm's distributors, according to an announcement by Bill O'Donnell, general sales manager, Bally Manufacturing Company, this city.

"'Key West' contains profit-proved features of previous Bally games, plus brand new features that greatly step up earning power", said O'Donnell. "The famous 'Triple Deck Advancing Scores', popularized in Bally 'Big Show' are more attractive than ever in 'Key West', because players can juggle scores back and forth, scoring red scores for red or yellow line-ups, or yellow scores for yellow or red line-ups. This is titled 'Select-A-Score', and is an extra-coin feature. A new 'Skill Roll-Over' gives the player extra time. He may press buttons to 'Select-A-Score' and to shift 'Magic Squares' before shooting fourth ball, unless a skill-shot across lit roll-overs permits pressing buttons after shooting fifth ball. This extra time feature has proved to be a real extra-coin attraction during prolonged 'Key West' location tests. In addition to the new features described, 'Key West' also included the familiar 'Magic Squares', 'Spot Numbers', 'Corner Scores', 'Ballyhole' and 'Extra Balls'".

CIAA To Meet Tues. Dec. 11

Refreshments Will Be Served By Courtesy of "THE CASH BOX"

SAM GREENBERG

CHICAGO—Sam Greenberg, president of CIAA (Chicago Independent Amusement Association) notified the city's amusement machine operators that the organization will meet in the Pine Room of the Congress Hotel, this city, Tuesday, December 11, at 9:00 P. M. sharp.

"Each and every member should make it a point to be present at this very important meeting," Greenberg informed the operators.

"The association wants every member to have a voice in the formulation of new future policies.

"Decisions must be made," continued Greenberg, "that will serve to strengthen the association, increase membership, and establish a sense of security for the future."

Greenberg also promised a report of progress on the association's efforts to change the city licensing rules in order to prorate cost and the right of transfer of licenses.

Attorney Milton (Ted) Raynor will be present at this meeting to help with solutions to the operators' legal problems.

Refreshments will be served by courtesy of The Cash Box.

More Coinmen Approval For "10¢ Play Plus"

More Ops Everywhere Agree 10¢ Play Plus Front Money and More Equitable Commission Basis Is Vital Necessity

CHICAGO—Coinmen attending the park show as well as the vending machine convention have advised The Cash Box that its "10¢ Play Plus" plan is one of the greatest necessities for the industry yet proposed.

Coinman after coinman said that there must come into being a more equitable commission percentage arrangement between locations and operators everywhere in the U.S.

Baltimore coinmen present here stated that they are now working on 10¢ play plus front money. Their front money averages \$10 per machine off the top of the collection.

They believe that this has helped them to somehow meet the tremendously increased overhead expenses they are enduring as well as be able to buy today's higher cost equipment. Other operators stated that they

must get their associations to arrange for all to eliminate the completely inequitable 50%-50% commission basis for, at this percentage, they cannot continue ahead and show any sort of decent return on their investment.

As one well known operator stated: "First of all we have to thank The Cash Box for its long, fighting crusade to get the trade to accept 10¢ play.

"Now", he continued, "we again want to sincerely and wholeheartedly thank The Cash Box for pointing out that 10¢ play, with inflation what it is, is not enough.

"The Cash Box is 100% right", he says, "when it so logically points out that we need a more equitable division of the gross intake from every machine and front money to somehow assure ourselves remaining in business."

Bally Service School At Evansville, Ind.

CHICAGO—Bally Manufacturing Company, this city, this week announced that Paul Calamari, Bally field engineer, will conduct the Bally Service School at the headquarters of Automatic Amusement Company, Evansville, Indiana, on Tuesday and Wednesday, December 11 and 12.

Calamari will give the latest service tips on Bally's newest in-line game, "Key West", and the new novelty game, "Balls-A-Poppin". The sessions will start at 7 pm both days. Bally urges operators and servicemen from the area to attend. Refreshments will be served.

Fred Baker of Automatic Amusement will act as host.

License Granted To Ship 100 New Phonos Into England

Alfred W. Adickes of Nova Apparate Gesellschaft, Hamburg, Germany, Granted License to Ship 100 New Rock-Ola "200" Selection Phonos Into England

ALFRED W. ADICKES

CHICAGO—On his arrival in this city this past week, Alfred W. Adickes

of Nova Apparate Gesellschaft, Hamburg, Germany, broke the great news that he had been granted a license to export 100 new Rock-Ola phonos into England.

This will be the first such exportation of new American phonos in 17 years into England.

The license was granted for exporting the phonos into England from Germany, Adickes reported, with the American dollar valuation for the juke boxes being covered by the Western German bank.

Though Adickes arrived here to see the park show (NAAPPB convention) at the Sherman Hotel, he advised that the real reason for his flight here was to arrange for immediate shipment of the new Rock-Ola phonos from the Rock-Ola Manufacturing Corporation to his headquarters in Hamburg, Germany.

Adickes also stated, "We are backlogged with orders for the new Rock-Ola 200 selection phonograph.

"It is the outstanding hit in Europe," he continued, "and I'm here in an effort to arrange for faster shipment of larger quantities to Hamburg so that we can somehow catch up with the backlog of orders we now have.

"This first shipment of 100 new Rock-Ola phonographs into England has us all very much excited. We feel that this may be the beginning of exportation of new phonographs into England and will bring into being one of the greatest markets in Europe today for the new Rock-Ola's."

HOUSTON HAPPENINGS

That new modernistic building at 1615 St. Emanuel St., owned and occupied by Amusement Distributors, Inc. is class personified and a model for efficiency. Superlatively speaking, city wise, it is the newest exclusive coin machine habitation with the largest, most elaborate display room together with an ultra modern service department second to none. The firm is distributor for Rock-Ola phonographs, parts and accessories and the complete Bally line. Manager Strike Rothrock invites coinmen from everywhere to drop in and give his new set up the once over. . . . H. M. Crowe, owner Acme Record Dist. Co., completed an extended business trip over central part of the State. Atmosphere in the business office of Acme was brightened considerably about Nov. 15, when charming Marion Mikes took over there as secretary. . . . The hired hands for United Record Distributing Company are so pepped up over their spacious new location at 1613 St. Emanuel St. (part of Amusement Distributor Bld'g.) that they would almost (but not quite) work a few days gratis simply to bask in the atmosphere. Place is so roomy that manager Steve Poncio is considering roller skates or motor scooters for sales people and stock clerks. Entire walls of stock room and sales office lined with steel record shelves. Receiving and shipping department fixed up with all the stuff imaginable for making the work easier and faster. Attractive business offices, and fancy interior decorating round out a plum swell place. . . . John E. Williams had a close brush with a fire loss when an apartment located over his Williams Amusement Company burned. Merchandise stored in a warehouse directly under the apartment sustained considerable smoke and water but no actual fire damage. Office and display room were not damaged. . . . Operator Bryant Hays, owner of Cleveland Amusement Co., Cleveland, doing business with distributors and record dealers of the city. . . . Boys around Harrington Amusement expect Genco's new "Skill Ball" game to be another "it". . . . About Nov. 15 United Record Distributing Co. added the Chess and Checker label. Total labels handled by that concern now exceed 25. . . . Ronald Pebbles, traveling sales representative for King Records here, said his best numbers presently were "Slow Walk" by Bill Doggett and "Gypsy Lady" by Otis Williams.

Park Show Calm and Serene No Rushing Hustle-Bustle. Lots of Time to Reminisce. Exhibiting Coin Firms Report Fair Business. They Claim it Was Worthwhile to Meet Their Distribs

CHICAGO—The NAAPPB (park show) was calm and serene, compared to the old-time coin machine shows, or even compared to park shows of years gone by.

As far as actual business on the spot, coin machine exhibitors were extremely kind when they remarked, as a group:

"Business was fair."

But the vast majority of the coin-firms displaying at the park show added:

"It was worthwhile from the standpoint of meeting our distributors and many friends whom we rarely see except at conventions."

The first day, Sunday, November 25, found the show very poorly attended

except for lots of children brought there by local people and also brought upstairs for free giveaways of popcorn, orange drinks, cotton candy, etc., by the entertainers from the Porterhouse Restaurant of the Sherman Hotel.

The crowds were better toward the end of the show when distributors, who also wanted to see the NAMA convention (which opened at the Hilton Hotel, here, Sunday, December 2) came in and made a round of the coin machine displays.

Most of these visitors enjoyed themselves over the weekend, being entertained by factory officials of the various coin machine manufactories.

and paid visits to the NAMA show to see what was new there.

As one well-known Chicago kiddie ride operator said at the NAAPPB show, "There's nothing here I haven't already seen at the distributors' or at the factories."

Amusement park operators checked the rides to see whether anything new and worth while was being shown. One exhibitor, Johnny Christopher, reported that he had two new rides from Germany and one from Italy which had never yet been seen in the U. S. but that they were tied up on the docks in New York by the strike there.

Some of the coin-firms presented entirely new ideas, such as Chicago Coin's "Commando" rifle game. Exhibit's baseball throwing "Soft Ball League" as well as a series of "Tenement" peeks. United's 14-foot "Bowling Alley" clicked at the shows. Williams' new marionette machine "Peppy" attracted much attention.

Mutoscope's addition to "The Lord's Prayer" vender called the "St. Christopher" vender was well received. Genco's "Official Skill Ball" attracted much attention. So did John Frantz's "A.B.T. Rifle Range."

Auto-Photo's latest model 4 for 25 cents picture taker pulled 'em over. Empire's display of the new coin operated telescope which was also at the Mike Munves' booths interested visitors.

It seemed that all the new and different machines at this show were those of the coin machine manufacturers. These attracted the majority of the conventioners.

United Music Ops of Mich. Vote to Support Big Program of Expanded Youth Activities

ROY SMALL

DETROIT, MICH.—A tremendous program of expanded youth activities, as proposed by Roy Small, public relations council, was agreed upon by

the membership of the United Music Operators of Michigan, this city. At a meeting on November 5, Everett Watson introduced the motion, and after it was seconded by William Campbell, the membership voted unanimously to support it.

The members agreed to assess themselves an additional 10¢ per machine per month, or 20% of UMO dues to be used for youth activities and to let the public know all about the association's youth program.

The new addition to the program includes the following:

1—The new UMO dues certificate will have on it in 1957 "Youth programs receive 20% of UMO dues on music machines at (name of location)."

2—A mailing of about 10,000, in addition to extending the season's greetings from UMO operators, will introduce the program to all location owners and many public officials and civic leaders concerned with youth activities. Follow up correspondence will be continued during the rest of the year.

3—Four major shows a year will be run in addition to the regular record hops in various communities, with as many disk jockeys as possible cooperating and participating. Prizes of U.S. Savings Bonds will be given in a record guessing contest. Each youngster will be given an entry blank on which to write his name, address and age, and then asked to guess what record title and label is on what number of two 200 selection juke boxes set up with records as they would be on the average location. (William Blatt, Miami, Fla., is given credit for the idea—story in *The Cash Box*, Dec. 1 issue).

4—Two U. S. \$50 Savings Bonds will be donated by UMO for each show, and present plans are to contact record companies, industrial and commercial firms of all types for similar donations. Bonds not won at the show will go into a scholarship fund.

5—It is hoped to raise \$5,000 at each show for the fund. Plans are for the scholarship fund to be administered by a committee composed of the three daily newspapers, public officials and civic leaders. The scholarship committee will determine how much the scholarship will be and how they will be awarded.

Jack Simon returned from the Park Show in Chicago via Cincinnati, Louisville and Indianapolis. . . . Hank Tronick was visited at Minthorne Music Company by Frank Mencuri of The Exhibit Supply Company. Hank told Frank the Exhibit's "Ringer Ball" game was going over very well with the operators in this area. Matt Norberg and Roy Provencher have had to remain in the showroom to handle the sales of the Seeburg "200" phonograph the past week. Hank says that with the advent of the Christmas season the demand for the Telefunken radios has been tremendous. At Leuenhagen's Record Bar, Mary Solle was all smiles with the arrival of four single records of progressive jazz. Mary says the four records, Dave Brubeck on Columbia, Buddy Rich and Dizzy Gillespie on Norgran and Count Basie and Ella Fitzgerald on Clef, will certainly aid in the every increasing demand for this type of record. Kay and Claire Solle busy setting up and arranging their Christmas records department. The Solle Sisters agree that Frankie Laine should have a big one with "Moonlight Gambler" on Columbia.

Before returning to San Francisco, Gary Sinclair, Pacific West Coast representative for Wurlitzer, congratulated Wayne Copeland and the staff at Sierra Distributors on the increasing sales of the Wurlitzer "2000" phonograph. Wayne reports that last week was the biggest week in sales of the "2000." Frank Davis is hoping the remodeling of Sierra will be completed for the holiday traffic. . . . Dave Kapp, president of Kapp Records, paid a visit to California Music Company and told Sammy Ricklin and Gabe Orland that he was very much impressed with the new building and record set-up. Sammy says that if Russell Arms' new release of "Cinco Robles" on Era doesn't hit the top of the charts he will lose his faith in the record buying public. Martha Delgado and Betty Williams report that Georgia Gibbs' "Tra La La" on Mercury has started to take off with the operators. . . . Charley Robinson is anxiously awaiting the arrival of United's new fourteen foot "Bowling Alley" game in the showroom of C. A. Robinson & Company. Charley says that the Royal 50¢-Play Unit continues as one of his hottest items. Al Bettelman reports activity continues good with all games new and used.

Norty Beckman was playing the King Sisters new Capitol release of "In Hamburg" (When The Nights Are Long) for a group of operators at Norty's Music Center when the King Sisters made an unexpected entrance. Everyone agreed that this record should be a big one for the Sisters. Ann Marinez and Richard Barrientos report that "Tomando De Dia" by "Charro" Avitia on RCA Victor is taking off in the Latin department. . . . Excitement is mounting at Paul A. Laymon, Inc. as the day draws near for the showing of the new Rock-Ola "200" phonograph. Paul and Lucille Laymon have completed all arrangements and are anticipating a record attendance. Bally's three new games, the "Key West" in-line game, "Traffic Police" Bike Kiddie Ride and "Balls-A-Poppin'" game, will also be much in evidence at the gala affair. Ed Wilkes and Jimmy Wilkens report that business continues at a good pace with all new and used equipment. . . . Bill Happel reports that the sales of the AMI "G-200" phonograph continue soaring at Badger Sales Company, Inc. Marshall Ames says that Keeney's new "Cross-Country" game is creating quite a stir with operators that have seen it in the showroom. Don Ames and Max Chesler report that Fisher's "Six Pocket Pool" game has proven very successful in the San Diego and San Bernardino areas. Jack Leonard has been working day and night in the Prize Premium Department to keep up with the Christmas business that has already commenced.

Coinbiz Rolling Again Skee Rolls and Run Bowls and New Rolling Ball Games Bring Back Era of Long Life Location Runs For Ops

CHICAGO—The coinbiz is rolling again. This time it's building games with rolling balls that can bring back the era of long life on location games for all ops everywhere.

For some many years now the skee games faded off the market, except here and there in penny arcades and in certain other locations, where a few continued on ahead to bring in decent returns.

Today's rolling ball games are the very latest ideas in four player, six player, unusual scoring action, with features that were never before known to the old type skee games.

What's more the features appearing on the new games are proved profitable by operation of thousands of shuffle games and bowlers all over the world.

With shuffles and bowlers still in operation, and with the scoring methods well known to the players everywhere, the sudden and striking hit caused by the new rolling ball games has brought about a new and fantastic business, many believe.

Prices are 'way up. Above what the old time skee games sold for. But it must be remembered that labor and other costs have risen propor-

Galgano Distribs won two from Coral Records. Tony Galgano, from the team of the same name, was high with 497. Lee Petrillo came out on top of the Coral team with 456.

tionately. Games from now on in are not going to be cheap, regardless of construction methods.

Yet even this is to the liking of a great number of ops who believe that, because the prices are higher, it will keep away the kind of competition that offers tremendous percentages to locations and upsets territories for months and months.

The interest in the new type rolling ball games was extremely noticeable at the past park show. Even carnival and amusement park operators showed greater interest than ever before. These men were harking back to the days of the old type skee games when they profited handsomely from their operation.

The new type games absolutely fascinated them because of the many different and better features incorporated into the rolling ball games of today as well as the beautiful construction and the simplicity for quick repairs.

From all indications it seems that the ops will find, as they did years ago, many believe, that these games will last longer on location and bring a handsome overall return before they are moved.

Sincerest thanks for the very wonderful reception accorded our

THIS WEEK'S USED MACHINE QUOTATIONS 18th YEAR OF PUBLICATION 896th CONSECUTIVE WEEK'S ISSUE

How To Use "THE CASH BOX PRICE LISTS"

[Also known as the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Cash Box Price Lists" can only feature the market prices as they are quoted. "The Cash Box Price Lists" set exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Cash Box Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Cash Box Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Cash Box Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

FOREIGN BUYERS: To cover cost of packing, crating, shipping, etc., figure an additional \$20 to \$25 on Pin Games—and \$25 to \$30 on Phonographs.

REGARDING SELLING PRICES IMPORTANT!

Reports received indicate that, in some cases, purchasers become upset due to the fact that they cannot, many times, buy equipment listed in the lower price brackets. Sometimes sellers of machines listed at from \$10.00 to \$25.00 ask from \$50.00 up to \$75.00 and even more for these very same machines. Purchasers of such equipment must realize that machines in the very low priced categories are much worn to be priced at these low figures. To completely recondition such machines, the reconditioner must add onto his price the cost of transportation to obtain these machines, the labor, parts and supplies needed to recondition the machines, plus the cost of cartons, crates and labor for packing and shipping of the machines, in addition to a decent profit which will, in most cases, raise the price of a \$10.00 to \$20.00 machine to anywhere from \$50.00 to \$75.00 and up. In the case of arcade and kiddie ride machines these may even be higher due to the fact that many of the parts have to be made by hand or contracted for at some machinist shop, since manufacturers of many of the old arcade machines and kiddie rides are no longer in business and it is impossible to obtain parts for reconditioning. Purchasers of such equipment should take these facts into consideration and, at the same time, should also realize that many buyers today have their own repair and reconditioning departments as well as experienced mechanics, such buyers will purchase machines "as is", at prices quoted by the trade at large, and recondition the machines themselves to meet their own operating standards.

United does it again!

Every few years a new game is conceived that re-vitalizes the industry. Remember what Shuffle-Alley did for the operator . . . for the entire industry . . . when United introduced it in 1949. Now . . . the greatest money-maker of all time is rolling out of the United factory to distributors all over the nation. It earns more money for the operator than any amusement game ever built . . . and that's plenty. No need to attempt to describe this great new sensation on this page . . . there's too much to tell. So, we urge you to get in touch with your United distributor now. Better still . . . make a fast trip to his show-room right away . . . and you'll see a really new and different piece of equipment with built-in profits. And remember . . . this strictly amusement game is **ACCEPTABLE EVERYWHERE**. It's a natural.

MORE MONEY-MAKING

FEATURES THAN EVER BEFORE BUILT INTO ONE GAME

TRIPLE-DECK SCORES *plus new* SELECT-A-SCORE SCORE-BOOSTER FEATURE

Separate advancing scores for each of 3 different color-lines—red, yellow, green—as popularized in Bally BIG SHOW, get bigger play than ever in KEY WEST, because player can juggle scores back and forth . . . to score red scores for red or yellow line-ups . . . or yellow scores for yellow or red line-ups . . . insuring maximum scoring-advantage, maximum play-appeal, maximum earning-power.

MAGIC SQUARES

Another popular juggle-score feature, popularized in greatest Ballygames from BROADWAY to BIG SHOW. Combined with new Select-A-Score feature in KEY WEST, Magic Squares give greatest scoring flexibility, resulting in greatest play-appeal, greatest earning-power.

EXTRA-TIME ROLL-OVER

Press buttons before shooting fourth ball to shift Magic Squares or Select-A-Score—unless a skill-shot across lit roll-over permits pressing buttons after shooting fifth ball. Extra time is extra fun for players, nets extra profit for operators.
