NOW IS THE TIME TO PROMOTE MORE THAN EVER

It's usually just about this time each year when you're bound to hear the following statement from some record manufacturer, "Boy, business is terrible". What the disk exec means is not that business is terrible — because it isn't—but that he's not selling records at the peak that he enjoyed a couple of months ago. And let's face it, we're heading into a period when the record business has traditionally experienced a slowdown.

But it doesn't necessarily have to happen.

Last summer proved to everyone in the record field that summer business can not only sustain itself, but even beat out the usual boom seasons. It was during the summer that the record business found itself reaching new heights and instead of falling off as had been expected, pressing plants were hard put to keep up with the demand.

Last summer proved conclusively that a record market exists all year round. What the record industry has to do is cultivate it.

As everyone in our industry knows, we are in an expanding situation. Record grosses are rising each year—and by phenomenal percentages. To keep it going up records must be sold all year round. And that includes the summer.

This therefore will be a crucial summer as far as our industry is concerned.

If we are able to repeat last year's performance and increase record sales despite the season, then we can confidently expect the record business to go on to still greater heights. If we fail, we will have to be satisfied with staying where we are—and very possibly even going backwards.

It's therefore up to everyone connected with this industry to pull out all the stops in the coming months. The best songs must be recorded; the best records must be released; and the greatest promotional drive ever must be put on by every record company to make records of all kinds as attractive, desirable and easy to buy as possible.

The slogan for the next several months, as far as the record industry is concerned, should be Promotion, Promotion, Promotion. Of course, first you must have salable records. But after that, they must be promoted in the most concentrated possible manner to all the avenues of exposure—the retail stores, the juke box operators and the disk jockeys—so that they in turn can make the public aware of them with the greatest impact.

It was proven last summer that the job can be done. We CAN increase record sales to new levels during the summer months. If everyone in the record business concentrates to his fullest extent on the job ahead in the next several months, there's no doubt that once again we'll succeed in raising this record business of ours to new heights.

RAY CHARLES SINGERS
(MGM 12470)

B "LOVELIER THAN EVER" (3:05) [Frank ASCAP—Loesser] A beautiful oldie from the B'way show "Where's Charley?", is brought to foreground once again by the Ray Charles Singers. Lovely interpretation of a class romancer. Arrangement and harmony are delightful.

C+ "WHEN IT'S SPRINGTIME IN THE ROCKIES" (2:42) [Robbins ASCAP—Woolsey, Sauer] Another wonderful standard warmly waltzed thru by the polished chorus. Two good sides for smooth jockey programming.

THE PITCH PIKES
(Mercury 71099)

B+ "ZING ZING" (2:05) [Harbor BMI—Vogel, Janeway] The Pitch Pikes, an exciting new group in the rock and roll idiom, bow on Mercury with a potent swinger loaded with "zing." Hard driving jumper that'll have the teenagers rockin'. Commercial stuff that could break wide open. Watch this one.

C+ "NEVER NEVER LAND" (2:10) [Norby BMI—Duncan] Here the versatile crew shuffles thru a pretty romancer set to a smooth R & R ballad beat. Inviting harmony and lead voice.

LORD BOOBOO
(King 5047)

C+ "DE KNIFE, DE FORK, DE SPOON" (3:00) [Sassy BMI—Robbins] Lord Booboo creates an authentic Calypso air in this humorous ditty about a fella who receives an invitation to a party actually intended for his neighbor, and goes to the affair. Calypso followers will enjoy this one.

C+ "NO MAN AND WOMAN GET ALONG" (2:46) [Sassy BMI—Woodlen, Tenner] The calypso entertainer strikes a man-woman philosophical note invitingly here. Good for a few chuckles.

EDDIE COCHRAN
(Liberty 55070)

B+ "MEAN WHEN I'M MAD" (1:50) [Simon Jackson BMI—Cochran] Eddie Cochran, currently making big noise with his hit waxing of "Sittin' In The Balcony," has a strong follow-up item in this rock-a-billy side. Ultra commercial disk that should appeal greatly to his new-found fandom. Eddie's growls will go over big.

B "ONE KISS" (1:48) [Simon Jackson BMI—Cochran, Russell] This catchy R & R bouncer is similar in sound and arrangement to "Sittin' In The Balcony." Terrific dance deck making the disk a hot coupling.

THE ANDREWS SISTERS
(Capitol 3707)

B+ "STARS, STARS" (2:32) [Edwin H. Morris ASCAP—Weschler] Recently teamed up again, the Andrews Sisters offer one of their best disk performances of recent years. The melody is a bright waltzer that has lilt and grace. Supported by Gordon Jenkins' happy ork, the combo engagingly presents the sparkling entry. This could be a real winner.

B "GIVE ME BACK MY HEART" (2:36) [Par Four ASCAP—Weschler] The group here breezily deals with an uptempo tune that has a Latin trimming. Class group harmonizing.

The Cash Box Disk of the Week

"MY LITTLE BABY" (2:07) [Gil BMI—Shapiro, Stallman]

"THE GIRL WITH THE GOLDEN BRAIDS" (2:08)
[Roncom ASCAP—Kahan, Snyder]

PERRY COMO (RCA Victor 6904)

PERRY COMO

● Perry Como, with one million seller already under his belt for '57 in "Round and Round," could

make it two gold disks in a row with his latest Victor offering. The relaxed songster is at his very best as he introduces a wonderful new ditty titled "My Little Baby" by the writers of "Round and Round." It's a charming romancer with a delightful lyric and in extremely infectious latin beat backdrop that cruises along oh so smoothly. Should break big. Equally delightful is the companion piece "The Girl With The Golden Braids." A light and happy bouncer about an attractive young miss. Chorus accompanies on both wonderful sides. A smash follow-up coupling with the dollar sign in every groove.

"IT'S YOU I LOVE" (2:05)
[Travis BMI—Domino, Bartholomew]

"VALLEY OF TEARS" (1:56)
[Travis BMI—Domino, Bartholomew]

FATS DOMINO (Imperial 5442)

FATS DOMINO

● Fats Domino can do no wrong. His consecutive hit string is absolutely amazing and each new release receives a rousing welcome

from dealers, operators dee jays and the public. Currently riding high on all charts with his sensational hit "I'm Walkin'," Fats follows with a great two-sider, both of which should break the top ten. "It's You I Love" is the exciting up-beat side. Rockin' affair with a terrific teenage lyric and an exciting new tempo that swings. Instrumental support will have the kids hopping. Equally superb is a striking new ballad on the coupling, "Valley Of Tears." Touching love song chanted with a heavy heart by the master. Choral backdrop is a wonderful showcase. The faster side should show an immediate reaction—but watch the "Valley Of Tears" over the long run.

"COCOANUT WOMAN" (3:15)
[Clara ASCAP—Belafonte]

"ISLAND IN THE SUN" (3:21)
[Clara ASCAP—Belafonte, Burgess]

HARRY BELAFONTE (RCA Victor 6885)

HARRY BELAFONTE

● Harry Belafonte, one of the entertainment and record industries' hottest names, has two great new

sides that will follow in the footsteps of his current best selling duo, "Mama Looka Booboo" and "Banana Boat (Day-O)." For those who enjoy the tender vocals of Belafonte, Harry offers an enchanting ballad dubbed "Island In The Sun", the title tune of a forthcoming Darryl Zanuck film. Touching number about a man's love for his native land. Lovely melody set to a soothing "Jamaica Farewell" tempo. Those who love Belafonte in a novelty vein will flip over the companion piece "Cocoanut Woman." This one is a powerful calypso cutie with a clever lyric. Exciting delivery. Both halves of this disk should break onto the charts.

THE FIVE STARS
(Kernel 002)

B "YOU SWEET LITTLE THING" (2:04) [Benjon BMI—Allen, Mauzey] A rock 'n roll crew billed as the "Five Stars" offers a hand clappin' piece about a gal who has completely won the affections of a teen fella. OK product for the teenage trade.

C+ "ATOM BOMB BABY" (2:18) [Benjon BMI—Young] A similar presentation drawing analogies between the "A-Bomb" and the cutie the guy is stuck on. Lots of drive.

MINDY CARSON
(Columbia 40923)

B+ "SUGAREE" (2:35) [Joy ASCAP—Tepper, Bennett] Mindy Carson, currently winning rave notices for her performance in the N.Y. revival of "South Pacific," has a potent contender for chart success in this contagious latin beat romantic novelty. Wonderful ditty charmingly handled. Could be a big one for Mindy.

B "TIME AND TEARS" (1:50) [Oxford ASCAP—Tepper, Bennett] This half has Mindy performing an exciting, finger-snappin' tune with a folk flavor. Rhythmic item with a good lyric and a catchy "16 Tons" beat.

JIMMY SMITH'S CAVALIERS
(Michelle 366)

B "IN A ROUNDABOUT WAY" (2:01) [Eldee BMI—Diamond, Scholl, Rich] Jimmy Smith's Cavaliers make an extremely strong first showing on the Michelle label with a delightful lilting romancer. Excellent lyric and charming delivery. Side could attract attention.

C "TRINIDAD DADDY" (2:41) [Eldee BMI—Diamond, MacWilliams, Wylar] A bass takes the spotlight on this pleasant calypso ditty.

JOHNNY MADDOX
(Dot 15565)

B "KING'S ROCK" (2:02) [Bess Music-Ben Ghazi BMI—Curtis, Baker, Hayes] The quaint sounds of the honky-tonk piano are employed effectively in a powerful rock 'n roll beat by Johnny Maddox. The Rhythmasters excitingly support the Maddox sound.

C+ "HELLO ALOHA" (1:42) [Leo Feist ASCAP—Gilbert, Baer] Maddox is under familiar honky-tonk circumstances on a Hawaiian-flavored melody. Slick side.

VIPERS SKIFFLE GROUP
(Capitol 3711)

B "CUMBERLAND GAP" (1:50) [Ludlow BMI—Arr. Whyton] The Vipers Skiffle Group, currently making a strong showing on England's best seller list with this side, now offer it to the American market. High speed skiffle disk with a swinging sound. Rockin' toe-tapper. Song could make it big in U.S. with number of renditions currently available.

C+ "MAGGIE MAY" (1:55) [Essex ASCAP—Arr. Whyton] Another contagious skiffle with an interesting story and a catchy melody.

SUNNY GALE
(Decca 30319)

B+ "LET'S BE FRIENDLY" (2:40) [Roosevelt BMI—Stone] Sunny Gale could break the charts with this exciting delivery of a top notch rock and roll romancer. Sunny's vocaling is superb and the material is right up her alley. Teenagers will go for this one. Keep a tab on it.

B+ "MIRROR" (2:32) [T. J. Music BMI—Jones] The lark excels on this half too as she chants an emotional blues ballad set to an R & R beat. Lovely melody effectively chanted. Solid coupling with clickability.

WENDELL TRACY ORCH.
(Big 607)

B+ "MOONLIGHT IN HINDUSTAN" (2:54) [Village BMI—Elias, Tracy] An intriguing title labels a fascinating latin beat instrumental featuring Wendell Tracy and his orchestra. Tracy is in the spotlight with his ace keyboard work and he comes off with a winning side. Dynamic deck that should get heavy air play in the coming months. It's got a beat that makes you sway. Watch this sleeper.

B "LITTLE ANGELS LULLABY" (2:59) [Village BMI—Prosen] This half displays the 88'er as he fashions a warm and romantic mood item set against a pretty orchestral backdrop. Another excellent job of arranging and orchestrating. Jocks will enjoy both decks. This could take over in the long run.

THE FOUR COINS
(Epic 9213)

B+ "SHANGRI-LA" (2:44) [Robbins ASCAP—Sigman, Malneck-R. Maxwell] A sturdy standard gets a full, and rich treatment from the 'Four Coins.' The melody is the haunting "Shangri-La," a number on which the vocal team pours vocal resonance and dramatic effectiveness. This is a pressing that could come out to the forefront. It's a beautiful ballad performance. Keep an eye on it. Could break wide open.

B "FIRST IN LINE" (2:54) [Ross Jungnickel ASCAP—Schroeder, Weisman] A catchy rock 'n roller that finds the polished group sharply in the right teenage spirit. Slick job.

SHEB WOOLEY
(MGM 12467)

B "I WON'T COME BACK" (2:00) [Cordial BMI—Wooley] Sheb Wooley, a performer on solid ground in both the country and pop field, presents one of his own compositions here, a raucy, uptempo item unloaded with an inviting attack by the artist, and group backing. Bright offering.

C+ "PLENTY OF LOVE" (1:58) [Moonlight BMI—Olofson] Sheb and the boys rely once again on the beat in bringing this attractive opus across.

PHIL WOODS QUARTET
(Epic 9218)

B "LELIA" (2:51) [Sequence ASCAP—David, Selinsky] The Phil Woods Quartet ambles thru a moody blues item featured in last week's "Drummer Boy" show seen on the Kraft TV Theatre and starring Sal Mineo. Lovely theme that should enjoy a healthy sale.

C+ "ABSTRACTION" (2:22) [Pres-tige BMI—Waldron] Here the foursome fashions another jazz flavored blues item with some class saxing in the spotlight. Late night lee jays will enjoy both halves.

The Cash Box Sleeper of the Week

"WITHOUT HIM" (2:58) [Joy ASCAP—Tobias, Altman]

"GUNFIGHT AT THE O. K. CORRAL" (2:05)
[Paramount ASCAP—Washington, Tiomkiu]

FRANKIE LAINE (Columbia 40916)

FRANKIE LAINE

● Frankie Laine, currently on the boards with his potent rendition of "Love Is A Golden Ring" pre-

ceded by his golddisk "Moonlight Gambler," should extend his consecutive hit string to three-in-a-row with his latest offering. The dynamic performer is at his emotional best as he chants a brilliant inspirational ballad tagged "Without Him." It's a wonderfully penned song of faith and love. Percy Faith's ork and the Norman Luboff choir supply a stirring background. This is the type of tune that could slowly and steadily develop into another "I Believe." The exciting coupling is the title tune from an up-coming Paramount western "Gunfight At The O.K. Corral." Dramatic western theme set to a rhythmic accompaniment. Top half looks like a big one.

"PART-TIME GAL" (2:08)
[Mayland-Presley BMI—Land, Sheldon]

"A CHANGE OF HEART"
(2:24)

[Acuff-Rose BMI—Bryant, Bryant]

THE BOBBSEY TWINS (Cadence 1324)

● Two well known TV performers (travelling under the assumed name of The Bobbsey Twins) who are the subject of Cadence's nationwide contest asking jockeys and listeners to "Guess who the artists are," have an excellent coupling that should make big noise in the coming weeks. Whoever they are, they have a delightful vocal blend and two excellent, ultra-commercial tunes to work with. One side is sentimental romancer dubbed "A Change Of Heart." A tender, heavy-hearted love song set to a most pleasing shuffle beat. Class ballad replete with hit ingredients. "Part-Time Gal" is equally exciting. It's got a good rock and roll beat and a powerful teenage lyric. Kids will find this one tailor-made for dancing. Both sides give the jockeys much to talk about, and we can expect heavy air play at the start.

HENRI RENE ORCH.
(RCA Victor 6906)

B+ "SHENANDOAH SERENADE" (2:30) [E. H. Morris ASCAP—Hunter, Tone] Henri Rene leads his string-filled aggregation through an enchanting and melodic mood theme that should enjoy heavy air play in coming months. Simple piano work featured in foreground adds the gimmick. Could break wide open.

B "SMOKEY STRINGS" (2:32) [Frank ASCAP—Grant] Another sumptuous romantic theme tenderly treated by the orchestra under the able leadership of Rene. Excellent coupling for dee jay programming.

PEGGY LEE
(Capitol 3722)

B "BABY, BABY WAIT FOR ME" [Fred Raphael] Peggy Lee, now on Capitol, comes up with a lively dance item that moves along at a jump pace. Strong rock and roller.

C+ "EVERY NIGHT" [Fairway] Another solid rocker aimed at the teenage market. Peggy's sultry voice comes over well on this pleasant jumper.

JEAN MARTIN
(Coral 61838)

B+ "ANOTHER DOOR OPENS" (2:23) [Hollis BMI—Fishman] Jean Martin, the sweet voiced lark who sings so smoothly about that "heavenly coffee," employs her dulcet tones to present a delightful ballad with a sentimental romance theme. Pretty multiple voicing makes the side most appealing. Deck could step out.

C+ "YUM, YUM, YUMMY" (2:30) [Ludlow BMI—Thomas] This half is a bright bouncer with a happy flair. Colorful ditty with a cute kiddie lyric. Good dance beat.

KAY ARMEN
(Decca 30318)

B "WITH THIS PEN" (2:13) [Herb Reis BMI—Parker] Kay Armen lends her rich voice to a beautiful waltzer with a subtle rock and roll backdrop. Sentimental love song that could step out. Strong delivery of a strong piece of material.

C+ "DON'T BE AFRAID" (2:04) [United ASCAP—Edwards, Marsala] A chorus assists the lark as she offers another rock and roll romancer set to a faster beat.

KAY THOMPSON
(Verve 10052)

B "BAZZ AZZ" (2:26) [Kay Thompson ASCAP—Thompson, Blane] The star of "Funny Face" and creator of incorrigible "Eloise," introduced this bright up-tempo ditty on the "Ed Sullivan Show." Miss Thompson sings her own composition with a sophisticated, swinging attack. The deck is due for some reaction as a result of the Sullivan stint.

C+ "LIGHT UP THE CANDLES ON THE BIRTHDAY CAKE" (2:43) [Kay Thompson ASCAP—Thompson, Alton] Another swinging opus containing a happy philosophy penned by Miss Thompson. Once again the writer-entertainer brings the house down. Cute novelty.

RONNIE COREY
(Big 606)

B "I LOVE YOU SO MY BABY" (2:42) [Village BMI—Tracy, Shane] Ronnie Corey, a polished new songstress with a sultry singing style, makes an exciting debut on the re-activated Big label as she chants a swinging rhythm opus. Good shuffle beat and an excellent band backdrop by Wendell Tracy's Ork.

C+ "LAZY MAN" (2:34) [Village BMI—Elias] This half is a cute, easy-going lilter about a man who likes to do nothing but play his piano. Interesting arrangement here too.

JERIL DEANE
(Solo 106)

B "I'M GETTING THE MESSAGE ALRIGHT" (2:36) [T-C BMI—Wayne, Atwood] A heavy beat rocker that builds and builds in intensity is sung by Jeril Deane with pulsating drive. There's a good chance that many will get the sales message alright. Cute jumper.

B "GONE BUT NOT FORGOTTEN" (2:23) [T-C BMI—Houck, Atwood] Miss Deane has a good ballad on the second deck. It's a wistful romancer supported by a delicate beat. The thrush holds the melody well, and warmly brings the sad piece into focus.

NATHAN RUSSELL
(Bally 1035)

B+ "SIMILAU" [Campbell BMI—Coleman, Clar] The song is the rhythmic stand-by handled by Nathan Russell with deep-voiced emotion. Against percussion and flute backing, Russell has whipped up new life into the familiar number. Could catch on. It has great potential.

C+ "SCRATCH, SCRATCH ME BACK" (2:18) [Valleydale BMI—Jirik] A calypso jumper makes solid comic relief on the flip side. Russell changes pace effectively and comes across with a session aimed directly at the calypso market.

ALICE LON
(Brunswick 55006)

B "A-KNOCKING AT MY BABY'S DOOR" (2:08) [Progressive BMI—Turner, Wexler, Stone] Thrush Alice Lon is one of the featured vocalists with the Lawrence Welk ork on TV. Here she provides an explosive delivery to a catchy rock 'n roller. This one takes some watching. Miss Lon's TV stature could give the side just the right spark.

C+ "EARLY SPRING" (2:31) [Vernon ASCAP—Towne] A rock 'n roll lover's salute to spring is fashioned in a relaxed style by the songstress. Smooth offering.

London Lowdown

Just over in Germany for a quick tour, and found the record position extremely healthy. Business is definitely on the up-grade. Top records at the moment are "Banana Boat (Day-O)" by Harry Belafonte, closely followed by "Jamaica Farewell" and "Mama Looka Booboo." It seems as though Germany is really going Calypso.

U. S. artists reaching for the top include Presley, Fats Domino, Pat Boone, and climbing fast Little Richard.

Juke boxes are featured all over cafes in Hamburg, Cologne, Dusseldorf, etc. The domestic record production very closely follows the trend of American hit songs with German versions of U. S. pops hitting the market within a week of the original version—the American Forces Network and British Forces Network being mainly responsible for the great demand for English and American recordings.

COUNT BASIE/JOE WILLIAMS
(Verve 89167)

B "MY BABY UPSETS ME" (2:53) [Patricia Music BMI—Williams] Joe Williams sings a slow shuffle with an easy backing. It is a pop jazz styled blues with an intimate treatment. Easy listening.

B "TEACH ME TONIGHT" (3:00) [Hub ASCAP—DePaul, Cahn] Williams sings another slow beat ballad on the flip. Definite pop treatment that will appeal more to the pop market, and not even that segment consisting of the teenager. This is adult wax.

THE QUARTER NOTES
(DeLuxe 6129)

B "TEN MINUTES TO MIDNIGHT" (1:58) [Armo BMI—Roth] The Quarter Notes deliver a cute melodic bouncer with a frothy treatment. Light delighter for everyone.

B "MY FANTASY" (2:05) [Menlo BMI—Ragland] The Quarter Notes blend softly on a plush mambo beat softie. Pretty melody that will please those looking for the soft type wax.

GOOMBAY KINGS
(RCA Victor 6894)

B "GOOMBAY" (2:09) [Zodiac BMI—] This calypso entry is a rhythmic description of what would appear to be a highly rhythmic calypso dance step. The Goombay Kings perform the exciting opus with a vocal and instrumental sense that's sure to appeal to those still on the calypso kick.

C+ "MOMMIE ON THE LIGHT" (1:50) [P.D.—] The group goes thru another calypso ditty possessing humor and vitality. Once again an impressive calypso showing by the Goombay Kings.

ANDY RUSSELL
(RCA Victor 6902)

B+ "ONE IS A LONELY NUMBER" (2:12) [Miller ASCAP—Webster, Brodzky] Andy Russell, the veteran vocalist remembered for such hits as "Besame Mucho," and "Amore," has a tune here from a forthcoming pic of the same title. It's a swinging piece Andy introduces slowly in Spanish, and then rips delightfully through in English. Inviting performance from a polished voice. Could click.

C+ "DAY DREAM" (2:38) [Shapiro Bernstein ASCAP—Stephano, Joseph] A wistful romancer handled with warmth by Russell. As with the top side, the song was recorded in Mexico.

GEORGE CATES
(Coral 61825)

C+ "I'LL SEE YOU IN OKLAHOMA" [Skinner ASCAP—Skinner, Skinner, Clark] A tribute to the state is presented in a Civil War march beat, and in modern belting fashion by George Cates and his ork and chorus. Snappy offering, good for deejay programming.

C+ "REMEMBER WHEN" (2:23) [Skinner ASCAP—Skinner, Skinner] A moody, haunting theme is highlighted by skillful solo sax work and the high-note, no lyric warbling of a thrush.

EDITH ADAMS
(RKO Unique 393)

B "HE DON'T WANNA BE KISSED" (1:55) [Audubon ASCAP—Modugno, Pazzaglia, Kovacs, Segal] Edith Adams, Daisy Mae of the hit musical "Lil' Abner," has hit upon a snappy bouncer that has some clever things to say lyric-wise. Partially penned by hubby Ernie Kovacs, the tune is imaginatively arranged, and expertly handled by the star.

B "IF YOU DON'T LOVE ME" (2:26) [Peter Maurice ASCAP—Goodchild, Price] The flip side displays Miss Adams in a sentimental vein as she delicately caresses a smooth, melodic ditty. Warm vocal stint.

BUDDY GRECO
(Kapp 183)

B "WITH ALL MY HEART" (2:30) [Debmar ASCAP—Marcucci, De Angelis] A beautiful new Latin tempo ballad that's been creating quite a bit of excitement, is chanted with class and feeling by Buddy Greco. Top drawer love song with great potential.

C+ "GAME OF LOVE" (2:09) [Garland ASCAP—Holt, Greco] This half has the warm-voiced crooner warbling a pretty teenage ballad set to a lilting tempo.

FESS PARKER
(Disneyland 53)

B "GONNA FIND ME A BLUE-BIRD" (1:51) [Acuff-Rose BMI—Rainwater] A delightful bouncer with a catchy whistle gimmick is colorfully fashioned by the warm, simple voice of Fess Parker. Tune is currently climbing rapidly in the country field. This version could help break it pop.

C+ "CATCH ME FISH" (2:23) [Muscicland ASCAP—Howard] This half is a pleasant finger-snapping ditty with a folk flavoring and a "16 Tons" beat. Home-spun item that kids and adults should appreciate.

JACK PLEIS ORCH.
 (Decca 30303)

B+ "THAT'S LIFE" (2:43) [Michele ASCAP—Charlap, Pleis] Ace maestro Jack Pleis makes the air vibrate to the sound of this rhythmic instrumental with an interesting approach. It isn't until the last few moments that Al Hibbler intones, "But as they say, that's life." Swinging opus with a sharp beat. Due for strong air play. This one could take off.

B "GOODNIGHT WALTZ" (2:35) [Moonlight BMI — Geiringer, Marker, Coates] This half has the orchestra drifting thru a pretty waltz number, sentimentally performed. Effective waxing of a sweet tune.

NELSON RIDDLE ORCH.
 (Capitol 3717)

B "THEME FROM 'NEW GIRL IN TOWN'" [Valyr ASCAP—Merrill] The lovely title theme from the forthcoming B'way musical "New Girl In Town" starring Gwen Verdon, is beautifully treated by Nelson Riddle's ork. Expert arrangement of a class melody.

C+ "MATINEE" [Ardmore ASCAP—Truman] Here the well balanced orchestra drifts thru another dreamy mood opus. Lovely melody.

NICKEY DE MATTEO
 (Ace 108)

B "WINGING MY WAY HOME TO YOU" [Dauphin BMI—Gray] Sixteen-year-old De Matteo was a winner on Arthur Godfrey's Talent TV'er, and this release finds the singer in a smooth rock 'n roller with an easy-to-get melodic line. The youngster has a good-sounding ballad delivery. The Godfrey stint may give the disk a sales push.

C+ "SPRING BLOSSOMS" [Dauphin BMI—C. Ponzillo] A pleasant spring message is turned in romantically by the vocalist. Good tune.

FREDDIE BELL
 (Mercury 71105)

C+ "ROCKIN' IS MY BUSINESS" (2:00) [Argo BMI—Williams] Freddie Bell blazes thru a number that aptly lets the listener know Freddie likes his livelihood. Romping session on a novel theme. Effective teen opus.

C+ "YOU'RE GONNA BE SORRY" (2:35) [Argo BMI—Paul] The pace cools down somewhat on the flip side, but Bell's rock 'n roll intentions are vocally and instrumentally intact in this bluesy number.

JUDY SCOTT
 (Decca 30324)

B+ "WITH ALL MY HEART" (2:39) [Debmar ASCAP—Marcucci, De Angelis] Judy Scott, an exciting new songstress with great potential for future success, gets off to a big start with a wonderful rendition of a new latin ballad. Tune is creating great excitement and this version should bite off a goodly share of the sales melon when number clicks.

C+ "THE GAME OF LOVE" (2:24) [Progressive BMI—Jones, Baker] This half displays the versatility of the canary. Here she bounces thru a strong new rock and roll romancer with a swinging jump beat.

STEVE GIBSON & RED CAPS
 (ABC-Paramount 9796)

B "YOU MAY NOT LOVE ME" (2:21) [Myers ASCAP—Gibson, Stone] Damita Jo takes the vocal spotlight on this good rock and roll beat romancer with a sorrowful lyric. Steve Gibson's boys supply a good dance beat accompaniment.

C+ "YOU'VE GOT ME DIZZY" (2:04) [Conrad BMI—Reed] Another good rocker—this one with a faster beat. A male voice is front and center on this half.

TOMMY STEELE
 (London 1735)

B "TEENAGE PARTY" (2:15) [Peter Maurice ASCAP—Steele] Steele is currently one of England's top teenage idols. With a song he himself penned, Steele sizzles thru a description of a teen get-together. The artist also offers advice to the instrumentalists on how to bring the house down. Good beat item.

B "BUTTERFINGERS" (2:15) [Peter Maurice ASCAP—Bart, Pratt, Steele] A ballad-type rock 'n roller is persuasively brought across by the entertainer. Steele looks as tho he can compete with the best of 'em here. Warm side.

JIMMY ISLE
 (Baily 1034)

B "BABY-O" (2:05) [Valleydale BMI—Isle] A sturdy beat opus is handled in top-flight fashion by Jimmy Isle. Backing Isle's powerful vocal is effective group and instrumental work. The effort will cling to the teener memory.

C+ "STAY BY MY SIDE" (1:55) [Valleyside BMI—Isle] Isle tries a fast-paced pressing that doesn't let-up until the finish line. Makes a lot of teenage sense.

CAROL CHANNING
 (Columbia 39544)

C+ "MEANY MEANY" [Cromwell ASCAP—Sigman] Carol Channing, the hilarious "dumb" blonde of "Gentlemen Prefer Blondes," has a cute disk here that makes effective use of her kittenish voice. Miss Channing's name may carry some sales weight on this one.

C+ "DID I HURTCHA, BURN YA, CUTCHA MUCH" [Joe Schuster ASCAP—Tucker, M. Smith, Schuster] Another novelty lyric handled in tongue-and-cheek fashion by the musical comedy star.

BUDDY BREGMAN
 (Verve 10049)

B "NEW GIRL IN TOWN" (2:53) [Chappell ASCAP—Merrill] This is the haunting theme from the forthcoming B'way musical "New Girl In Town." Buddy Bregman and the ork perform the melody with a touch of mood music flavoring which exactly suits the searching melody. With the arrival of the show, jocks may lean heavy on the disk.

B "NICKELODEON HOLIDAY" (2:27) [Globarry ASCAP—Fenton, Bone] As the title suggests, this is a romp recalling the tinny, but happy, sound of the nickelodeon. Imaginatively arranged opus slickly performed by the ace Bregman crew.

The Cash Box Disk of the Week

"LIKE A BABY" (2:09) [Bob Abbott BMI—Stone]
"ECHO OF LOVE" (2:20) [Criterion ASCAP—Sigman, Muller]
THE CHORDETTES (Cadence 1319)

● Veteran rhythm and blues tunesmith Jesse Stone, composer of a chain of top songs that have hit big throughout the years, has penned a great new blues ballad cut by three artists last week. The song is an absolutely fabulous composition and each of the three performers the Chordettes, Toni Arden and Vikki Nelson has come off with a sensational rendition that should take a healthy bite of the disk buyer's dollar.

The Chordettes' waxing is the only group effort. A thrilling heavy hearted interpretation with the lead voice wonderfully enhanced by the larks' inimitable harmony.

The Chordettes' flip is a lovely waltzer with some pretty harmony. Toni's backing is a tearful song of loneliness. Vikki's companion deck is a house rockin' jumper set to a wild beat.

VARIETY

Chordettes: "Like a Baby"—"Echo of Love" (Cadence). "Like a Baby" is a blues-styled number with a rockin' beat which the Chordettes sell in an infectious manner. Side is worth watching for a probable breakthrough. On "Echo of Love," the girls toy with a country-flavored ballad that has plenty of recording studio echo to suit the title.

The Cash Box Disk of the Week

"I LIKE YOUR KIND OF LOVE" (2:28) [Acuff-Rose BMI—Endsley]
"STOP TEASIN' ME" (2:29) [Barnaby ASCAP—des Louvettes]
ANDY WILLIAMS (Cadence 1323)

● Andy Williams' rise to stardom has been a rapid one. He started his climb with "Walk Hand In Hand", followed with "Canadian Sunset" and "Baby Doll" and is currently riding high with one of the biggest and "57 Butterfly". His latest effort "I Like Your Kind Of Love" should establish him as one of the most consistent hit makers in the business. The tune is a potent swinger right in line with today's best selling rock-a-billy hits. It's a top notch rhythm romancer penned by the composer of "Singing The Blues," Melvin Endsley. Andy does a great job of selling the song and he gets an excellent assist from Peggy Powers who is heard on the disk as his girl friend. The two voices blend beautifully. Sure winner for Williams. Coupling "Stop Teasin' Me" is another rhythmic dance item contagiously rendered. Top half sounds like a big one.

THE CHORDETTES . . . Cadence 1319

There are other versions of this tune but this is the one to watch. Janet Bleyer comes thru with a warmly tender solo. While the other three gals provide solid support on the slow, sentimental ballad with a steady triplet backing. Song was also cut by Vickie Nelson on Vik and Toni Arden on Decca. Flip is "Echo of Love," also strong. (Criterion, ASCAP)

POP DISK JOCKEY PROGRAMMING

ARCHIE BLEYER . . . Cadence 1313

This is the tune to watch from the new film, "The Strange One," and the Bleyer version is the outstanding of a haunting theme, with voices (non-lyric—just snond) used effectively to push the mood. Flip spotlights another title theme from same movie—"The Strange One" (Horizon, ASCAP)

POP RECORDS

JOYCE HAHN . . . Cadence 1318 . . . I SAW YOU, I SAW YOU (Acuff-Rose, BMI)

The pint-sized Canadian chick, a former Billboard Talent Spotlight, comes thru here with a classy, and moving country-tinged ballad. Gal sings with warmth and conviction and the above-average tune won't hurt a bit. She figures to make a dent and this can well be the side that does it. Flip is "Gonna Find Me a Bluebird (Acuff-Rose, BMI), cover of the Marion Rainwater country hit.

KENYON HOPKINS ORK

Cadence 1322—Here's a luscious blend of an exciting instrumental treatment of a sock instrumental full and score. Excellent movie theme. Hopkins composed the "Baby Doll" (Acuff-Rose, BMI) for the new movie "Twelve Angry Men" . . . 69
Slow-moving, exotic instrumental theme (from new Henry Ford movie) to catch much local attention. Flip is more commercial. Attention. Flip

JOYCE HAHN

"GONNA FIND ME A BLUEBIRD" (2:18) [Acuff-Rose BMI—Rainwater] Pert Canadian songstress Joyce Hahn takes hold of a wonderful country field hit, and fashions it for the pop market in delightful style. Sentimental romancer with a contagious beat. Could develop into a smasheroo.

"I SAW YOU, I SAW YOU" (2:23) [Acuff-Rose BMI—Robbins] This half is a tearful love song from the pen of hit tunesmith Marty Robbins. Enchanting melody handled with finesse. This side could also make it.

MARTY FRANKLIN
"MAMA LOOKA BOOBOO" . . . 74
Cadence 1321—Here's a fine big-city novelty, with the comic refrain translated literally into Yiddish. In the right neighborhoods it can be a big money-maker. (Duchess, BMI)
Jamaica Farewell . . . 71
Ditto for this other Belafonte vehicle, also done here with Yiddish lines. (Sbard, ASCAP)

ARCHIE BLEYER ORCH. & CHORUS

B "THE STRANGE ONE" (2:30) [Horizon ASCAP—Hopkins] A haunting new jump item, the title theme from the exciting film "The Strange One", is handled in thrilling style by Archie Bleyer's ork and chorus. Off-beat film tune that could follow in the footsteps of "Man With The Golden Arm". It's different. Jockeys should enjoy it.

B "JOCKO'S THEME" (2:30) [Horizon ASCAP—Hopkins] This half is a bluesy theme from the same hit flicker. It's got an easy-going beat enhanced by a choral assist. The chorus sings without lyrics.

The Cash Box Best Bets

"MAMA LOOKA BOOBOO" . . . Marty Franklin . . . Cadence 1321

MARTY FRANKLIN
"MAMA LOOKA BOOBOO" (2:52) [Duchess BMI—Belafonte, Melody] Here's a disk that should create a sensation in many territories. It's a delightful novelty interpretation of Belafonte's current smash. Side opens like an average cover disk. But when we reach the chorus, Franklin chants the lyrics in Yiddish. Charming off-beat ditty that should get loads of laughs, spins and sales. Side is in very good taste. Excellent change-of-pace programming. Top-notch juke box fare.

B "JAMAICA FAREWELL" (2:19) [Shari-ASCAP—Burgess] Marty even has a Belafonte sound as he fashions another of the calypso king's recent hits, again employing a Yiddish lyric. Currency of top side gives edge to that half.

GORDON TERRY
Service With a Smile . . . 75
Cadence 1316—Strong reading by Terry on an interesting piece of material. Side swings with some fancy guitar playing under the vocalizing. This can make some noise if jocks help with spins. (Aury Iman, BMI)
Jobson's Ole Grey Mule . . . 73
This has close kinship with "Ole MacDonald Had a Farm," and the down-home flavor of the tune and areas. Animal sounds make for chuckles. Good A.M. jock novelty. (Acuff-Rose, BMI)

KENYON HOPKINS ORCH.

B+ "ROSEBUD" [Horizon ASCAP—Hopkins] Kenyon Hopkins, the composer of the score from the smash new film "The Strange One", leads his ork thru a wild, swinging rock and roll number featured in the film. Powerful jumper right in line with the merchandise that's selling like hot cakes today. Side should do a bang-up job when the pic hits the local theatres. Crazy instrumental that'll have the kids hoppin'.

B "BOYS THEME" [L. Taylor ASCAP—Hopkins] Here the imaginative composer-conductor wends his way thru an off-beat melody which he penned for another smash new movie "Twelve Angry Men". Chorus works in the backdrop, singing without lyrics. Enchanting theme.

"BYE BYE LOVE" (2:17) [Acuff-Rose BMI—B. Bryant, F. Bryant]
"I WONDER IF I CARE AS MUCH" (2:07) [Acuff-Rose BMI—P. Everly, D. Everly]
THE EVERLY BROTHERS (Cadence 1315)

● Two new artists doing two new tunes get Archie Bleyer's Cadence label off to a flying start in the country field. The talented newcomers, helping to celebrate the event are the Everly Brothers, Don and Phil. The boys have a fabulous style and are heard to full advantage under Bleyer's expert guidance. The tunes, the quick paced "Bye Bye Love" and the middle beat, "I Wonder If I Care As Much", are two standout romantic laments that oughta give the label a solid one-two punch in the country department. However, the top-side, "Bye Bye Love", has that 'something extra' to carry it way over into the pop market. The songsters have all the potential for star billing. Keep close tabs on 'em.

I Wonder If I Care As Much (Acuff-Rose) Cadence 1315—
Cadence's first fling in the c.&w. market netted the label a pair of outstanding artists in The Everly Brothers. The Tennessee teen-agers have a distinctive, appealing sound and could click big in the pop as well as the c.&w. field. "Bye Bye Love" is a plaintive Boudleaux Bryant blues with an unusual rhythm pattern. The flip, penned by the brothers, is an effectively mournful blues.

POPULAR

"CALYPSO HOLIDAY"—The Norman Luboff Choir—Columbia CL 1000 (1-12" LP)

The Norman Luboff Choir is one of the most successful vocal aggregations on the market, and this disk is certain for an excellent sales response. A collection of snappy and authentic calypso numbers is performed with vitality and variety by the famed group. This is also a Columbia \$2.98 May special. Important stock.

"BIGGER AND BETTER THAN EVER"—Sophie Tucker—Mercury MG 20267 (1-12" LP)

Assuming a sort of business before pleasure garb Sophie Tucker on the initial side has 4 numbers warmly descriptive of a full way to enjoy life and on the flip side the veteran entertainer hands in a more vivacious and earthy view on life ("Love Is My One Bad Habit"). The material is described as new, a factor that should add even more sales to an eager market.

"MANTOVANI FILM ENCORES"—Mantovani And His Orchestra—London LL-1700 (1-12" LP)

The strong mood music import from England offers dealers another package with considerable appeal to mood buyers. Mantovani's familiar stress on the string sound works its lush way on 12 memorable film melodies ("Laura," "Over The Rainbow," "High Noon"). Nice, spring feeling about the package. A major mood maestro displaying his wares effectively.

"SUMMERTIME"—The Ray Charles Singers—MGM E3529 (1-12" LP)

This is a companion piece to 3 other song-fests on the seasons by the Ray Charles Singers. Once again the group provides superior vocal arrangements on 12 decidedly superior melodies on summer ("Summertime," "Mountain Greenery," "Lazy Afternoon"). Taken as a vocal mood music pill, this set is pretty hard to beat. Fine summer as well as all-year-round stock.

"FUNNY FACE"—Buddy Bregman And His Orchestra—Verve MGV-2064 (1-12" LP)

This disk ties in with Verve's original sound track entry of the well received film musical, "Funny Face." The songs from the pic ("S'Wonderful," "Funny Face," "How Long Has This Been Going On") and a bill of 6 Gershwin extras on the flip side ("Liza," "A Foggy Day," "They All Laughed") are performed with Bregman's customary leaning toward a swinging band style. Brightly arranged Gershwin.

"BERGEN SINGS MORGAN"—Polly Bergen—Columbia CL 994 (1-12" LP)

Polly Bergen will portray famed stylist Helen Morgan in a Playhouse 90 production due May 16th. This Columbia release features the singer-actress in a collection of songs (with the exception of "Broken Hearted") associated with the late performer. Miss Bergen effectively, in her own style, sings such high spots of popular song as "Bill," "Body And Soul," and "Something To Remember You By." The TV'er ought to really boost sales potential.

"THE KEY MEN"—With Larry Sonn And His Orchestra—Coral CRL 57112 (1-12" LP)

Jazz-inspired group efforts have become a worthy, and commercial art over the past few years. This Coral entry presents the disk debut of another combo that offers vocal imagination rather than the constant saccharine approach to a number. The team, the Key Men, smartly cover such standards as "Spring Is Here," "Easy To Love," and "When Your Lover Has Gone," retaining warmth when necessary, always supplying refreshing ideas. Larry Sonn conducts the bright ork support. The Key Men are a solid addition to the classy vocal set.

"LOVE ME IF YOU WANT TO"—Nilla Pizzi—RCA Victor LPM-1378 (1-12" LP)

Miss Pizzi made a previous disk appearance on Victor, and her second effort is a collection of Italian melodies, including the American "Love Is A Many-Splendored Thing." Miss Pizzi possesses a sweet voice that clings nicely to the pop-folk nature of her material. Those who enjoyed the first Pizzi entry are the main source of revenue for the set.

"LET'S FALL IN LOVE"—Jack Haskell—Jubilee 1036 (1-12" LP)

Haskell was part of the delightful Dave Garroway show when it originated in Chicago. The singer is a big-voiced baritone, and on this Jubilee waxing is confronted with some of the smartest ballads you're apt to meet up with ("What Is There To Say," "Darn That Dream," "Have You Met Miss Jones"). Haskell handles them with unusual sensitivity and warmth. Two guitars plus bass backing is impressively arranged. Fine vocal sessions.

"SAY IT ISN'T SO"—Herb Jeffries—Bethlehem BCP-72 (1-12" LP)

With work for Duke Ellington, and a hit of a few years back ("Flamingo") as solid vocal credentials, Herb Jeffries, and a group of wistful pieces form a relaxed, and skillful package item. Jeffries, backed by the ork and arranging of Russ Garcia, gently figures in such fine songs as "Glad To Be Unhappy," "When Your Lover Has Gone," and "Ghost Of A Chance." Smooth vocal stints.

"AFRICANA SUITE"—Marais And Miranda—Decca DL 9047 (1-12" LP)

The first side of the recording is devoted to the "Africana Suite," a collection of musical pieces written for the recent Broadway production, "Too Late The Phalarope," by Josef Marais. It is a distinctively rhythmic and melodic opus with strong folk music leanings. On the flip side the delightful Marais and Miranda team perform charmingly on 7 Marais compositions in an inviting bill of "songs of spirit and humor." A well known folk duo at their best.

"THE FOX IN HI-FI"—George Williams And His Orchestra—Brunswick BL 54020 (1-12" LP)

Williams has a notable background as an arranger, having written for such men as Glenn Miller, Lionel Hampton, Ray Anthony and Gene Krupa. This essentially swing experience is used here among other more recently developed tricks in ork arranging. The results on a mostly original Williams' bill is highly palatable ork shenanigans. Persuasive ork arrangements.

"NIAGARA FALLS POLKA"—Gene Wisniewski And His Harmony Bells Orchestra—Dana DLP 1230 (1-12" LP)

Polka specialists, Dana Records, adds another to its long line of polka disks. Handling the sprightly dance step in hearty style is Gene Wisniewski And His Harmony Bells Orchestra. Several familiar tunes ("American Patrol," "Hoop-Dee-Do.") have been set to a polka tempo. Good polka attraction.

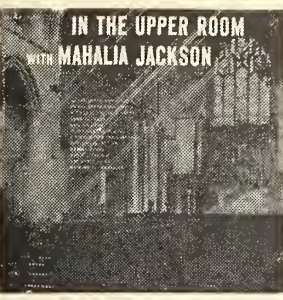

"LOUIE'S LOVE SONGS"—Lou Carter—Golden Crest CR 3010 (1-12" LP)

Who is Louie? Louie is a New York cab driver who over a period of years has written a number of songs (lyrics and music) that hilariously devastate the typical Tin Pan Alley product. A one-time sideman for Jimmy Dorsey and Casa Loma, Louie (Carter) performs 12 of his compositions ("April In Perioa," "Only A Room In The Cellar," "I Caught A Cold In My Heart") with seemingly earnest expressions that only add to the fun of one of the best comic disks this writer has ever come across. Great novelty appeal.

"1 THE UPPER ROOM"—Mahalia Jackson—Alto LP 474 (1-12" LP)

Great spiritual singer Mahalia Jackson once again demonstrates her wonderful command of the Negro spiritual. Miss Jackson in a moving collection, ("Nobody Knows," "His Eye Is On The Sparrow") makes each singing effort a rich experience in deep religious sincerity. The performer's enthusiastic following will assure excellent sales of the disk. Prime spiritual stock.

"SONGS OF THE OLD WEST"—Sung By Ed McCurdy—Erik Darling, Banjo—Elektra 112 (1-12" LP)

This program of folk tunes describing, in one way or another, the life and times of the early west are sung authoritatively and clearly by oft-recorded balladeer, Ed McCurdy. The artist, who is provided with expert guitar accompaniment by Erik Darling, sings such well known numbers as "Sacramento," "The Cowboy's Dream," and "Brown-Eyed Lee." An enclosed booklet includes the lyrics to all the songs. Powerful folk entry.

JAZZ

"CLIFFORD BROWN ALL STARS"—EmArcy MG 36102 (1-12" LP)

Mercury has issued 2 sessions, recorded in 1954, headed by the late Clifford Brown. Each number, "Caravan," and "Autumn Leaves," takes up a side, and in both, Brown's expressive trumpet weaves through the pieces with warmth and penetrating power. The relaxed and sensitive pace is taken on "Autumn Leaves," while the "Caravan" moves with fervor and enthusiasm. These are two pressings starring the late trumpeter jazz followers won't want to miss.

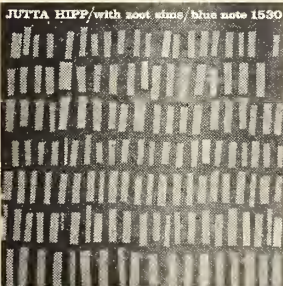

"LOCKING HORNS"—Joe Newman (Trumpet)—Zoot Sims (Tenor)—Rama RLP 1003 (1-12" LP)

Rama offers some potent jazz artistry by a combo headed by Joe Newman (trumpet) and Zoot Sims (tenor sax). The main point of the pressing, as the title aptly implies, is the matching of Newman's piercing trumpet and Sims' swinging tenor sax. This is accomplished on a program of originals with a clever, generally light up-tempo feeling. Adrian Acea hands in artful keyboard ideas, Oscar Pettiford (bass) and Osie Johnson (drums) also lend skillful support. Class jazz disk that could really be a big item.

"REEDS IN HI-FI"—Pete Rugolo And His Orchestra—Mercury MG 20260 (1-12" LP)

Pete Rugolo has done a skillful job in putting reed instruments through almost every kind of scoring mill. Borrowing at times from the Impressionistic composers, Rugolo has conjured up some fascinating instrumentals that are haunting and hi-fi inspired. Most of the material comes from jazz musicians (Rugolo, Gerry Mulligan, Charlie Parker). Highly effective work-out for the reeds.

"JUTTA HIPPI"—Blue Note 1530 (1-12" LP)

Jutta Hipp is the gal from Germany who wields a free-swinging keyboard touch. On this Blue Note disk, Miss Hipp is teamed up with Zoot Sims, the frequent tenor sax artist on Blue Note. The two play the principal jazz roles here as they dish some torrid and tricky work on 6 items. Others in the cast are Jerry Lloyd (trumpet), Ahmed Abdul-Malik (bass), and Ed Thigpen (drums). Driving artistry.

"IT'S A WONDERFUL WORLD"—Barbara Carroll Trio—RCA Victor LPM-1396 (1-12" LP)

Miss Carroll is the keyboard third of her trio that has covered delightful ground in several previous Victor entries. Here the artist is once again in fine form as she provides wonderful excursions into the realm of good songs ("Spring Is Here," "One Life To Live"), keynoting their sensitivity or playing them for an ivory gag. Skillful work sure to hit big with jazz fans.

"AFTER HOURS JAZZ"—Various Artists—Epic LN 3339 (1-12" LP)

This is an Epic jazz omnibus featuring 10 jazz artists in an informal, well-rounded light. Some of the men include Hank Jones on piano ("Blues For Sal"); Jimmy Cleveland on trombone ("Jimmy's Tune"); Osie Johnson on drums ("Mambosies"); and Barry Galbraith on guitar ("He Was Too Good To Me"). Jazz fans can get a solid assortment of jazz talent here.

CLASSICAL

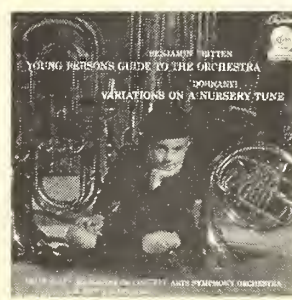

ROSSINI: La Boutique Fantasque—PISTON: The Incredible Flutist—IBERT: Divertissement—Boston Pops Orchestra—RCA Victor LM-2084 (1-12" LP)

These are compositions that suit Fiedler and the Boston Pops to a T. Gay, delightfully light-hearted, and hi-fi tunes scores from the pens of Rossini, Ibert and Piston. All the works have received LP recognition, but here they are, conveniently together and performed with brilliant artistry and sound. Lovely package. The Boston Pops has the stature for wide appeal.

"ORGAN MUSIC OF SPAIN AND PORTUGAL"—E. Power Biggs, Organ—Columbia KL 5167 (1-12" LP)

The organ virtuosity of E. Power Biggs is once again impressively displayed in this collection of serious organ music by Spanish composers. Mr. Biggs has the service of 7 massive, and beautifully sounding organs during the course of the mostly Toccata bill. The artist meets the grandeur of instruments and skill of the compositions with brilliance. Excellent sound. Descriptive pamphlet, is enclosed. A master of the organ at his best.

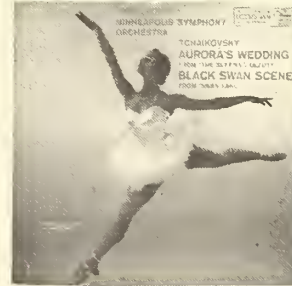

BRITTEN: Young Person's Guide To The Orchestra—DOHNANYI: Variations On A Nursery Tune—Felix Slatkin Conducting The Concert Arts Symphony Orchestra—Victor Aller, Piano—Capitol P8373 (1-12" LP)

Benjamin Britten's brilliant "Young Person's Guide To The Orchestra," in which the various instruments of the orchestra have their individual and collective say, and Ernst Von Dohnanyi's playful "Variations On A Nursery Tune" make fine companion pieces on this Capitol release. With beautiful disk sound, Felix Slatkin and the orchestra take to the 2 pieces with precision.

HAYDN: Trio No. 1 In G Major—MENDELSSOHN: Trio No. 1 In D Minor, Op. 49—The Beaux-Arts Trio—MGM E3420 (1-12" LP)

For the more advanced classical coterie, MGM has issued a disk containing 2 Trio works, one by Haydn and the other by Mendelssohn. The performers are the Beaux-Arts Trio, an expert group of musicians that play the two beautiful works with dignity, authority and a sense of the romantic (particularly in the Mendelssohn opus). Admirable sound. Noble classical entry.

TCHAIKOVSKY: Aurora's Wedding From The Sleeping Beauty—Black Swan Scene From Swan Lake—Antal Dorati And The Minneapolis Symphony Orchestra—Mercury MG 50118 (1-12" LP)

These ballet scores were taken from the complete Mercury pressings of "The Sleeping Beauty," and "The Swan Lake." "Aurora's Wedding" has made its way on its own even though originally part of "The Sleeping Beauty" score. Comprising as it does two melodic delights, and wonderfully recorded by Antal Dorati and The Minneapolis Symphony Orchestra, this disk should become durable classical stock.

BEETHOVEN: Symphony No. 5 In C Minor, Op. 67—SCHUBERT: Symphony No. 8 In B Minor (The Unfinished)—Arthur Winograd Conducting The Philharmonia Orchestra Of Hamburg—MGM E3509 (1-12" LP)

The two symphonic staples owing to their relatively short duration have been coupled before, and, of course, they are individually great catalogue items. Arthur Winograd and the Philharmonia Orchestra Of Hamburg take note of the vitality imbued in the works, and perform them accurately. The competition is keen.

Vivian Della Chiesa Forms Own Disk Firm

NEW YORK—Famous lyric soprano Vivian Della Chiesa has formed her own record company, V.I.P. Records. Miss Della Chiesa, in addition to being executive in this new venture is also the principal recording artist. Heretofore, her efforts had been confined to the opera and concert field. While recording on this label however, she will devote her time exclusively to the popular field.

Her first record on the label was recorded under the pseudonym of "Vivienne", a name she will continue to use. The company, with offices at 55 W. 42nd Street is headed by Joseph Lupia, president, who is in the process of building up its artists and repertoire department. In addition to Miss Della Chiesa, V.I.P. has signed the Al Conte Quartet, currently playing at the Roosevelt grill in New York. Lupia and Miss Della Chiesa will scout all possible talent for recording on their label with an eye toward building it into one of the leading diskeries in the independent field.

"We are willing to listen to anybody with talent. The only way to build a record company as young as ours," says Joseph Lupia, "is to go out and get the raw material and develop it into star material."

Vivian Della Chiesa first came to the attention of the leaders in the concert field shortly after her sixteenth birthday. The Chicago-born lyric soprano won an "unknown singer's" contest, sponsored by the Columbia Broadcasting System, over 3,600 other contestants. The prize was a thirteen week network contract. Six months later she made her debut with the Chicago Civic Opera Company. For her debut performance she chose the role of "Mimi" in "La Boheme." Her acceptance by both critics and public alike was unanimous. She was

hailed as a bright new star on the musical horizon.

Within the next eight days she assayed three leading operatic roles. There followed engagements at the leading opera houses all over the country. A high point in the career of Miss Della Chiesa came when the great Maestro Arturo Toscanini paid her the singular compliment of having her as his guest soloist for two successive Sundays as he conducted the NBC Symphony orchestra. And later she was chosen by the National Broadcasting Company to be the first performer to go before the television cameras for the first television broadcast of an opera scene featuring only one artist. This was the "Garden Scene" from "Faust."

In addition to appearing with Toscanini and the NBC Symphony orchestra, Miss Della Chiesa has sung with symphonies the world over, including both the Chicago and Toronto companies. She has appeared in Australia, New Zealand, the countries of South and Central America as well as in London and on the Continent.

Miss Della Chiesa reached a peak of concert work during 1944 when she sang ninety concerts. In addition, the soprano carried on with her operatic roles, radio broadcasts, benefit performances and war work!

About her current activities as performer and co-owner of her own record company, Miss Della Chiesa says: "I feel that the public has, and always will appreciate good music. It makes very little difference whether the music is jazz, whether the songs are ballads or blues, or whether they cater to current trends as rock 'n' roll and calypso, if the quality is there the public will go for it. That's the point I'm trying to make with my record company, V.I.P. and I'll always be willing to listen to new talent."

Back From Behind The Curtain

NEW YORK—The Glenn Miller Orchestra, under the direction of/and featuring Ray McKinley, returned to the U. S. Saturday, Apr. 27 from a month's tour behind the Iron Curtain. The crew arrived via Military Air Transport Service at McGuire Air Force Base, N. J. The Glenn Miller orchestra toured behind the Iron Curtain lands under the auspices of the U.S. State Department and ANTA.

The Glenn Miller Orchestra was seen in Europe by Ed Sullivan who, noting all the excitement it caused, immediately booked the group for his May 19th program (their first available date).

The orchestra played dates in Czechoslovakia, Rumania, Poland and East Germany, but were stopped by Yugoslav officials from playing any concerts in Belgrade. They even refused the band permission to play at the home of U.S. Ambassador U. Alexis Thompson. No reasons were given for the shunting of the band's special railway car onto a siding and leaving it there locked for 36 hours minus food, interpreter and heat.

Other than one of the band (trumpeter Fern Caron) breaking a leg when he fell out of the parked plane in Bordeaux, there were no incidents other than wild cheering throngs wherever the band went.

Rave Records Formed

HOLLYWOOD—Elliot B. Machit, president of Jemo Recording Enterprises has announced the formation of Rave Records in Hollywood. The new record company will be a wholly owned subsidiary of Jemo, and Machit will also serve as president of the new venture. Jemo is already established in the stereophonic tape field with tapes on the market by Red Norvo and organist George Greeley.

First release on the new Rave label, released this week, is a single by singer Marty Drake. Planned for an early release are albums by Red Norvo and George Greeley. Other artists under exclusive contract to the new company are the Pied Pipers, the veteran singing group; European singer, Rita Paul; Jilla Webb, former Harry James vocalist; singer Nora Evans, and newcomer Jodey Booth.

Machit said that Rave is in the process of recording its entire artist roster, under the supervision of A & R chief, Mickey Miller, with a regular releasing schedule set up. The Mike Conner office has been appointed to handle national promotion for the new label.

The parent company, Jemo Recording Enterprises, has spent many years of research and development in the field of stereophonic tape recording, and continued expansion of the Jemo line is planned in conjunction with the formation of the Rave record label.

Willheim Joins Dot

HOLLYWOOD—Bob Willheim will join the Dot Records organization effective May 13, according to an announcement by president Randy Wood. Willheim has been named assistant to album A&R chief Tom Mack, and will be in charge of packaging. He will specialize in the fields of creative illustration, styling, design, cover photography and backliner editorials.

Tom Mack's first big album production since joining Dot Records in February of this year has been the readying of the deluxe two-pocket LP of the music score from Cecil B. DeMille's "The Ten Commandments," written by Elmer Bernstein. Dot expects to release this LP in May.

Willheim has been with Capitol for the past five years as assistant to the Advertising Manager and Director of Album Packaging. Previous background experience includes advertising and news photography and writing. He was born in New York and educated at Dartmouth.

Reeves Dubs BBC Head Honorary Tennessean

NEW YORK—Jim Reeves, RCA Victor's country artist whose first pop single, "Four Walls," has become a hit disk, recently made Sir Ian Jacob, governor-general of the BBC, an honorary citizen of Reeves' home state, Tennessee.

Authority for the singer to bestow the honor was granted to him by Tennessee Governor Frank Clement shortly before Reeves left for Europe and England as part of RCA Victor's first foreign tour by Country artists. Reeves and other artists in the group returned to this country May 3rd.

Liberty's Sales Up 175%

HOLLYWOOD—In line with the overall increased business of the record industry, sales volume for Liberty Records in the first quarter of 1957 is up 175% over the corresponding period last year, according to Jack Ames, vp of the company.

According to Ames, there are several basic reasons for Liberty's rapid growth.

"Liberty's catalog has expanded into every category of music from calypso to classical to country, giving the company's distributors a broader selling area for the product.

"The move to Liberty's own recording studios, equipped for top sound reproduction have resulted in the continuous turnout of quality material, rather than the sporadic recordings in expensive rental studios which sometimes were already booked by other companies.

"The various merchandising plans inaugurated by Liberty, such as the present Spring Merchandising Plan which allows a flat 10% discount on all products, current and catalog, giving the distributor added sales incentive.

"Liberty's policy of close company distributor relationship has resulted in a unique blending between sales and production. Bobbi Dieterle, widely respected in the record field, supervises this operation."

Ames also announced that the company with 8 LPs already released April 1, is scheduling 7 more albums for late April release in conjunction with the Spring Merchandising Plan.

These are: "Will You Remember" Cyril Ornadel conducting the London Festival Symphony; "Exotica" starring Martin Denny; "Ad-Lib" Red Norvo with Buddy Collette; "Hi Fi Shades of Gray" the new sound of Jerry Gray; "Sittin on Top of the World" the Jones Boys; "Dom Frontiere Plays Classical Favorites"; and "Lets All Sing with Jerry Colonna."

Epic Sees Mineo As Next Teenage Idol

NEW YORK—Another teenage idol seems about to burst out with a big selling record. All the excitement at the Epic offices seems centered about 18-year-old Sal Mineo movie teenage idol whose first Epic record, "Start Movin'", has been selling in big figures almost from its release.

Last Wednesday Mineo starred in the Kraft TV show, "Drummer Man", during which show "Start Movin'" was played and an announcement made that the disk was available on Epic Records.

Arnold Maxim a & r head of Epic, plans a promotional push to kick the record into the "Gold Record" category and at the same time establish a top drawing name for the label. Maxim plans a deejay tour with Mineo, some of the dates already set being Philadelphia May 10, Boston, May 11, Cleveland May 15, and Detroit May 17 and 18. More cities are certain to be added before the trip gets under way.

Great nationwide TV exposure is expected as Mineo will make an appearance on Alan Freed's CBS-TV show Saturday May 11. Also banded about are such shows as Perry Como, Jackie Gleason, and Steve Allen.

MGM Gets Barnett Disk

NEW YORK—MGM has acquired the master of a song, "Forsaking All Others," cut by baritone, Hank Barnett on the artist's own label, Bar Records.

Several other firms were reported to have been interested in the rock 'n roller, but MGM got hold of it, and signed Barnett to a long-term contract.

Barnett is handled by publicist-personal manager Arthur Pine, who set the deal for the master and for the signing with MGM.

"Forsaking All Others" will be coupled with the oldie, "Deep In A Dream".

This Is National Music Week

NEW YORK—"Life Means More With Music" is the theme of the 34th annual National Music Week which began May 5th and continues until May 12th. It is being sponsored by the National Association of Music Manufacturers (NAMM).

Local groups throughout the country are being urged to observe the occasion by planning special musical programs, concerts, school bands exhibitions and school music assemblies. Most music stores will feature some type of musical activity during the period.

National Music Week comes at a time when more people are enjoying music than ever before.

The American Music Conference estimates that there is currently in excess of 27,650,000 persons playing musical instruments, and one person in 6 in the United States regularly plays some form of musical instrument.

There are 8,000,000 children now playing instruments and receiving instrumental music instruction in public and parochial schools and with private teachers. An estimated 350,000 new students are added to this total every year.

Instrumental instruction is increasing daily as a standard item in school curricula. The importance of music to children is expected to grow greater as elementary grade school enrollments roll toward their crest of 35,000,000 children in the next 5 years.

Volkwein Into Pop Field Via Tim Gayle Tie-In

LOS ANGELES — Volkwein Bros., Inc., Pittsburgh, Pa.'s long-time music house and publisher of band and school music, and one of the leading firms in this field, is making a bid for the pop sweepstakes via a tieup with Tim Gayle and Advance Records. Gayle will represent the publisher on a national and worldwide public relations basis, which includes affiliation of his indie-disk and master producing sessions.

The tieup brings a number of previous Gayle-produced titles into the the setup as well as future-planned sessions, including an LP in the works, "Eventide with Lorry Raine," for initial release in the Australian-New Zealand market by W & G Records, set up by James N. Parks, American representative for W & G, with Advance.

The first release on Advance is by Churchill Kohlman, who wrote "Cry," one of Johnnie Ray's earliest and biggest hits, and is called "Escape," by Lorry Raine with Monty Kelly's chorus and orchestra, paired with "Eventide." Both numbers will be in the LP. Gayle is also pushing out in a number of key areas a second disking by Miss Raine, "Actress of the Year" and "Look to the Mountain," from the same session, and Volkwein-assigned.

Thrush Lorry Raine, who waxes under Advance, also returned to the Dot roster about eight months ago in a deal set by Randy Wood, which allows her to make her indie diskings.

Advance is setting up distribution and will develop a sales program.

Wayne Album Hot On Coast

HOLLYWOOD — With a concentrated promotion campaign in the area, the new RKO-Unique album, "You're My Thrill" by Artie Wayne took off in the Los Angeles market during its first week of release.

KMPC disk jockey Bill Stewart played all 12 sides of the album when he received it, and Ira Cook, also of KMPC, named the LP his "Album Of The Week."

At the same time, Hollywood's Music City Record Shop devoted an entire window to the album and made it its "Album Of The Month."

Distributor Sid Talmidge of Record Merchandising reported he had received his initial stock on a Friday and was completely sold out by the following Tuesday.

On the strength of the acceptance of the album, Wayne has been signed to sing the title song from the movie, "Johnny Reb." An unusual aspect of the latter deal was that Wayne will not only sing the tune in the background, but will be shown singing on the screen at the beginning and end of the picture.

The sisters, Barbara 12 and Vivien 6, have their first release for Arrow set for mid-May.

Roulette Records Enters Album Field

NEW YORK—Roulette Records announced its entry into the album field this week with a list of twelve LP's scheduled for release late this month. Star attractions recorded in the past two months include the Radio City Music Hall Orchestra under the direction of Raymond Paige, Pearl Bailey, Buddy Knox, Jimmy Bowen and Henry Jerome. The package of twelve will be released with a heavy promotion campaign aimed at boosting distributor and dealer profits. Details of the initial sales plan will be released next week.

"All we can say at present", stated Joe Koysky, exec V.P. for Roulette, "is that our sales plan cannot be matched by any company in the business. This is an introductory offer to a great new LP line, and we are not looking at the profit side of the ledger until every store in the country is handling and selling Roulette LP's".

On the A&R front, Hugo and Luigi, Roulette's Artist and Repertoire chiefs, stressed that every number in the line has been designed to fill a sales need in the store. "And this is only the opening gun of an LP program that will put Roulette into direct competition with any major label by the end of the year," the boys added.

Recording activities already started for Fall release will add up to twenty-four new releases on Roulette and a fresh campaign on the already album-active Tico line.

"Between Roulette and Tico, we will have more than one hundred LP items in the stores by the end of this year", Hugo and Luigi said.

Dot Expands Country Roster

HOLLYWOOD — Under the direction of Mac Wiseman, Dot Records' newly expanded Country division is booming with a stepped-up flurry of new releases and the signing of new talent.

In Nashville two weeks ago, Wiseman signed and recorded T. Tommy, a WSM (Nashville) radio announcer. Also signed to the Dot label and recorded there were Don Reno and Red Smiley, both from Roanoke, Va., where they appear on a daily tv show over WDBJ.

Wiseman has also placed Whitey Knight under contract, and recorded him in Hollywood. Knight is a Hollywood resident known on the West Coast night club circuit.

Set for immediate release are three singles produced by Wiseman: "Lately" b/w "The Blues Walked In" sung by Whitey Knight to his own guitar accompaniment. Knight wrote both songs, "Because We Are Young" b/w "Teenage Hangout", with vocal by Mac Wiseman, who is himself a veteran Dot recording artist; and "I Saw You, I Saw You", b/w "Bye-Bye Love", as sung by T. Tommy.

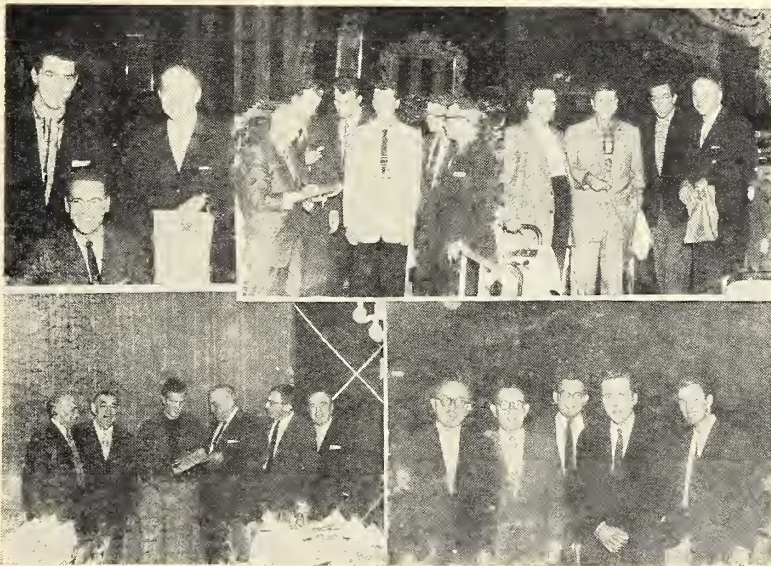

Wiseman plans a tour through Baltimore and Richmond, Va. to discuss C&W markets with Dot distributors in those areas.

HOLLYWOOD, CAL. — When 19-year-old Tommy Sands (third from left) made his Capitol record debut, late in January and his TV debut on NBC-TV's "Kraft Theatre" Jan. 30, he didn't expect to be the subject of Ralph Edwards' "This Is Your Life" TV program over the same network. Not only was he the youngest star ever to appear on the telecast but he had the added distinction of receiving this honor after only 2½ months as a nationally-known entertainer. In this same 2½ months, Sands' first disk for Capitol, "Teen-Age Crush," reached one million in sales. Here, from left are the creator-producer-employee of "This Is Your Life," Ralph Edwards; Ken Nelson, producer of Sands' records and albums for Capitol, who presented Sands with his "Teen-Age Crush" gold record on the telecast; Sands; and "Tennessee" Ernie Ford, who is also on Capitol Records and an NBC-TV star, who was on hand to "trap" Sands into the appearance on "This Is Your Life" on the premise that Jim Bacon of the Associated Press wanted to interview him at the El Capitan Theater in Hollywood. Sands' first 12-inch Capitol LP, "Steady Date," is now available throughout the United States.

Rama Buys Two Masters From Chart Records

NEW YORK—Joe Kolsky, executive vice-president of Rama Records, has announced the acquisition of two masters from Chart Records.

Chuck Darty, a disk jockey at a Miami, Fla., radio station, recorded "My Steady Girl," b/w "Can't You See." Don ("Red") Roberts, another Miami talent, cut "Only One" b/w "Don't Say Maybe." Both disks were showing activity on the Chart label prior to Rama's purchase of the two platters.

Kolsky said, "This goes to show that the record business is wide open. You don't know where the next hit will start. Every disk jockey is important and every area is vital. Now it's our job to try to spread the record nationally through our aggressive promotional and sales set up. We have signed the two artists, Chuck Darty and Don ("Red") Roberts to long-term contracts in line with the accelerated policy of 'Expansion and Exploitation' of our Rama label."

AAP Enters Disk Field With "Popeye" Album

NEW YORK—Eliot Hyman, president of Associated Artists Productions Inc., has announced the entry of his company into the recording field with the release of a "Popeye the Sailor" record album, produced by Arthur Pine and Allen Swift, in cooperation with Paul Kwartin, AAP's director of new business development.

Offered both in 78 rpm and 45 rpm EP disks, the album features "I'm Popeye The Sailor Man" and seven additional songs which utilize the talents of Allen Swift, star of the high-rated "Popeye" show on WPIX-TV, New York, and Mae Questel, the original "Olive Oyl" in the Popeye film cartoons.

By special arrangement with Famous Music and King Features, the AAP album label and jacket, which are decorated with images of Popeye comic strip characters, calls attention to the fact that it is the "Official Popeye TV Record Album." According to AAP, this is the only such use of the Popeye characters on record labels and jackets authorized by the copyright owners, King Features, Inc.

Novel two-week premiere of the record sale is its introduction through the WPIX-TV "Popeye" show. Subsequently it will be offered for sale on other TV channels which feature the Popeye cartoon show, as well as chain stores, supermarkets and other outlets.

Kwartin disclosed that income from this venture is being shared with TV stations who feature this licensed Official Popeye Record Album in their Popeye programs and other promotional spots.

"For the first time in TV history, individual stations have a stake in revenues ordinarily reserved for the networks, through AAP's Program-Promotion-with-Profit Plan," Kwartin stated.

Roy Hamilton Back In Show Business

NEW YORK—The formal re-entry of Roy Hamilton into show business was announced at a special press conference at New York's Blair House, last week.

About a year ago, Hamilton, on the advice of his doctors, was forced to retire, but a few months ago the singer waxed a song for Epic, "A Mother's Love." He has been advised that he can now make personal appearances and has already been booked by the Gale Agency for a package show at the end of May.

Hamilton sang several songs at the press party, and was in excellent voice.

Two Diskeries To Issue "Fire Down Below" Disks

NEW YORK—Decca and Mercury will release albums and single sides tied in with the forthcoming Columbia Cinemascope-Technicolor film, "Fire Down Below," which, having been filmed in Trinidad, has a definite link to the current calypso craze.

Decca will issue a sound track album and two sides; Morris Stoloff's recording of the theme music, and Jeri Southern's rendition of the title song. Mercury will concentrate on two albums; one based on music from the film, the other a general collection of calypso music tied to the picture through the use of "Fire Down Below" art and credits on the album cover.

Both companies will undertake promotion campaigns, with upwards of 3,000 disk jockeys to be reached directly by the record company field forces even before Columbia Pictures exploiters approach them.

In addition, Decca will cooperate with Columbia and key city theaters on contests, by supplying libraries of records to be used as prizes.

Columbia pictures is readying a \$500,000 campaign for the July release of the Rita Hayworth-Robert Mitchum-Jack Lemmon starrer.

Coral Waxes Phil Foster In Another Dodger Song

NEW YORK—Coral Records has released a timely new record by Brooklyn-born comic, Phil Foster.

The title of the song is "Let's Keep the Dodgers In Brooklyn" (the baseball team is contemplating a move to Los Angeles).

Foster a couple of years back had a good seller for Coral with "A Brooklyn Baseball Fan."

"Let's Keep the Dodgers In Brooklyn" was penned by Roy Ross, Sam Denoff and Bill Persky, staffers at New York station WNEW.

Thunderbird Waxes New Song From "Around The World In 80 Days"

NEW YORK—Thunderbird Records announced last week that a new song from the Academy-Award winning score of "Around the World in Eighty Days," was recorded by Jack Haskell and coupled with "Around the World." Tune is "Away Out West," and was recorded replete with Indians, trains, whistles and bullets, capturing the flavor of the show.

Thunderbird is also launching one of its heaviest promotion campaigns to date, in New England in conjunction with Cecil Steen of Records, Inc.

Thunderbird purchased from the Todd Company carpet bags and souvenir books with which salesmen will be going all over New England not only pushing the record but at the same time giving a free plug to the Todd film.

The record has been made up in a new color jacket and has already exceeded the 30,000 mark from sales in the theaters alone.

Thunderbird also has set up Don Carter of Tico Distributors in New York with the same promotion gimmick. The record still has only been released in those cities where the Todd show opens. Distributors handling the 45 are being made aware that the whole approach in selling this version will not only be profitable but long-term because of the fact that the record is being handled as a "miniature LP" not just an ordinary 45.

Herb Fontaine, a Boston jock, has also been signed up for promotion work in New England, after landing an interview with Mike Todd where Todd gave Thunderbird a solid plug when the show opened at the Saxon Theatre in Boston.

Jockey Lou Dennis of Waterbury, Conn., will handle promotion for that state.

Decca, Ltd., has announced that it will use the new cover jacket for its pressing of the record overseas on the London label.

BOBBY BYRD
(Zephyr 70-018)

B+ "LOOBY DOO" (2:32) [House of Fortune/Quintet Music BMI—Motola, Sill, Marascalco] Bobby Byrd rocks out a quick beat novelty with a zest-filled performance and a couple of novelty effects that could make this wax take off. It's a quick beat jump with a driving vocal and like instrumental backing. A spirits raiser that should tickle the teener trade. Watch it carefully. It could zoom.

B "IF WE SHOULD MEET AGAIN" (2:40) [House of Fortune BMI—Motola Martin] Bobby Byrd offers a slow beat lilter with a soft reading that falls nicely on the ears. Pretty tune deftly handled.

BROWN & GREENE
(Flash 119)

B "BACK TO TRINIDAD" (2:29) [Shag BMI—Al Curry] Brown & Greene team on a middle beat novelty calypso with good results. Deck intrigues and the catchy beat will find favor.

B "KISS ME BABY" (2:31) [Shag BMI—Brown & Greene] Brown & Greene turn in another effective performance as they chant the middle beat rhythm tune. Flute incorporated in the instrumental support sets the team off nicely. Ok deck.

QUINTON KIMBLE
(Federal 12296)

B "I'LL BE A FOOL FOR YOU" (2:20) [Armo BMI—Louis Blackwell] Quinton Kimble shouts out an earthy reading of a middle beat rhythm blues. Deck is a down home offering, but the beat is strong and could make an impression in the northern markets as well.

B "MY MOJO AND MY LODESTONE" (2:20) [Armo BMI—Louis Blackwell] Another down home side with a quick beat. Kimble sings of his mojo and lodestone with a hearty shouty vocal. Its best appeal will be to the southern markets.

MARVIN & JOHNNY
(Aladdin 3371)

B "PRETTY EYES" (2:30) [Aladdin BMI—Marvin Phillips] Marvin & Johnny team well on a slow beat rhythm ballad blues. It is a romancer with an effective beat behind them. Good vocal phrasing and a lilting tune. Should grab some good action.

B "YAK-YAK" (2:33) [Aladdin BMI—Marvin Phillips] Marvin & Johnny back with a quick beat novelty jump. The team swings lightly and the ork support helps make it a happy little jump for the youngsters.

BOB DAVIS QUARTET
(Dooto 414)

B "TWINKLE" (1:59) [Dootsie Williams BMI—Davis] The Bob Davis Quartet skips lightly through a quick beat item. "Twinkle" has a tinkle effect with the piano and xylophone as featured.

C+ "OFF DAY BLUES" (2:59) [Dootsie Williams BMI—Lindsey] The Quartet offers a slow beat blues on the flip side. Drifty type instrumental wax for the intimate spot or for relaxed listening at home.

JOHNNY OTIS ORCHESTRA
(Dig 134)

B "WA WA" (Part 1 and Part 2) (2:52) (2:17) [Dig BMI—Johnny Otis] The Johnny Otis Orchestra turns out a two part instrumental with the "wa wa" gimmick heard throughout. A middle beat swinger with a sharp defined beat. Real teener bait that should grab attention.

The Cash Box Award o' the Week

"SUSIE-Q" (2:19)

[ARC BMI—Hawkins, Lewis, Broadwater]

"DON'T TREAT ME THIS WAY" (2:20)

[ARC BMI—Nelson, Jr., Lewis]

DALE HAWKINS

(Checker 863)

● Dale Hawkins seems to have what it takes in "Susie-Q", a middle beat rock. It has the beat that is a must, the excitement the kids demand, and a solidly commercial Hawkins delivering the jumper. Handclaps and an overpowering instrumental sound help build it to the point where it becomes something special. This looks like the next big teenage exciter. The flip, "Don't Treat Me Th's Way", is a quick beat jump with the Hawkins sound and appeal. However, it lacks the spark that makes "Susie-Q" so standout. We like "Susie-Q" for a big one.

"IF I HAD A TALKING PICTURE OF YOU" (2:39)

"THE BLUES DON'T MEAN A THING" (2:28)

THE JIVE BOMBERS with CLARENCE PALMER/PEE WEE TINNEY

(Savoy 1513)

● The Jive Bombers follow "Bad Boy" with two strong decks. "If I Had A Talking Picture Of You" features the lead of Clarence Palmer who also handled the lead on "Bad Boy". Pee Wee Tinney holds the spotlight on "The Blues Don't Mean A Thing". Palmer sings the oldie, "If I Had A Talking Picture Of You", with a nostalgic flavor and touches it up with the current beat. From here it looks like the side most likely to hit. "The Blues Don't Mean A Thing", is an up tempo rocked out by Tinney with an audacious vocal. Good sprightly jump that will put up a strong fight for top honors. Like both waxes.

"IT'S YOU I LOVE" (2:05)

[Travis BMI—Domino, Bartholomew]

"VALLEY OF TEARS" (1:56)

[Travis BMI—Domino, Bartholomew]

FATS DOMINO

(Imperial 5442)

● Two terrific Fats Domino sides. See pop reviews.

THE FIVE DOLLARS
(Fortune 833)

B+ "HOW TO DO THE BACON FAT" (2:31) [Trianon BMI—Williams, Hurt, Heard] The Five Dollars follow up the recent hit, "Bacon Fat", with a follow-up giving instructions on how to dance the number. Deck has that same appeal and should appeal to the same market. Should pick up a good sale.

C+ "YOU FOOL" (2:40) [Trianon BMI—Evans] The Five Dollars back with a slow, swaying blues ballad that makes pretty listening. Relaxing side.

JAMES BROWN
(Federal 12295)

B "MESSING WITH THE BLUES" (2:09) [Armo BMI—James Brown] James Brown is really distraught as he shouts out his miseries against a somber chant backing. Slow blues offering that should come off well in the southern territories.

B "LOVE OR A GAME" (2:14) [Armo BMI—James Brown] Another slow blues with a similar treatment. Similar comments.

NOLAN STRONG and THE DIABLOS
(Fortune 525)

B "CAN'T WE TALK THIS OVER" (2:34) [Trianon BMI—Nolan Strong] Nolan Strong and The Diablos offer a slow beat pretty. Nolan sings with warmth and earnestness as he begs his love to listen to his pleas. Tender wax.

B "THE MAMBO OF LOVE" (2:40) [Trianon BMI—Devora Brown] Strong and The Diablos back with a mambo lilter that comes off well. A pretty melody with the fascination of the latin beat. Good coupler.

THE LOVERS
(Lamp 2005)

B "GOTTA WHOLE LOT OF LOVIN' TO DO" (2:35) [Lamp BMI—Henry Cager] The Lovers swing out with an infectious quick beat bouncer built into a standard melody. Happy side the kids can hop to.

B "DARLING IT'S WONDERFUL" (2:50) [Lamp BMI—Allen Bunn] The Lovers team on a slow beat pretty that floats along on a tender vein. Easy drifty type wax. This side could command attention. The stronger etching.

THE SOPHOMORES
(Dawn 228)

B "I JUST CAN'T KEEP THE TEARS FROM TUMBLIN' DOWN" (2:49) [Cherio BMI—Chuck Darwin] The Sophomores bounce lightly through a quick beat lilter. Familiar tune delivered in good style. Ok treatment—good beat.

B "IF I SHOULD LOSE YOUR LOVE" (2:52) [Cherio BMI—Hightower, Edwards] The Sophomores work the slow beat item over lightly. A tender theme handled with a gentleness that appeals. The better side.

JIMMY CASTOR/THE JUNIORS
(Atomic 100)

B "SOMEBODY MENTIONED YOUR NAME" (2:47) [Music Workshop ASCAP—Nelson, Jr.; Gordon, Nelson] Jimmy Castor and The Juniors drift through a slow rhythmic ballad of a romance going through some rocky moments. Jimmy is unable to forget his girl. Pretty melody softly tendered.

B "THIS GIRL OF MINE" (2:12) [Atomic ASCAP—Castor] Castor turns up the tempo on this deck and rocks out a teen-age jump in good style. The kids will like to hop around to its beat, but the general tune and styling is "too much chocolate pudding". It's been done too many times.

GUITAR GABLE
(Excello 2108)

B+ "IT'S HARD BUT IT'S FAIR" (2:41) [Excellorec BMI—Gable, West] Guitar Gable snubbed her and now she doesn't care. Slow, rhythmic blues melodically chanted by Gable. Deck comes off with strength and it could turn out to be an all-market seller. Watch it—it has potential.

C+ "COOL, CALM, COLLECTED" (2:39) [Excellorec BMI—Gable, West] Gable kicks into a fast beat rocker on the flip. Hard hitting jump to make a good change of pace coupler.

GLORIA LYNN
(Central 2600)

B "JUST LIKE THAT" (2:38) [Newkirk BMI—Newkirk] Gloria Lynn delivers a rhythmic love blues against an organ, drum backing. Miss Lynn delivers in an easy manner and deck comes off ok.

C+ "I'D BE A FOOL" (2:38) [Newkirk BMI—Newkirk] Gloria Lynn sings a torch ballad on the flip. Ok singing of a fair piece of material.

"STRANGE WORLD" (2:25)

[Aladdin BMI—Forrest, Levy]

"THE VOW" (2:25)

[Aladdin BMI—Forrest, Levy]

GENE & EUNICE
 (Aladdin 3374)

● Gene & Eunice come up with a unique offering, "Strange World". The arrangement, tune and treatment are stoppers, and we look to Gene & Eunice to hit with this one. Ray Ellis, who did the arranging delivered a couple of tricky bits that should help to get the deck to the top. The talented duo do a top notch job on the vocaling end.

Combine all the features and you have a deck to be reckoned with. The pairing, "The Vow", is a tender offering with a fragile music box tinkling in the background. It is a delightful tune that should please just about everybody. Two of the best sides Gene & Eunice have put out. Watch both.

"YOU MADE ME LOVE YOU" (2:53)

[Broadway ASCAP—McCarthy, Monaco]

"MY DEBUT TO LOVE" (2:20)

[Progressive BMI—Dixon, Harrison]

THE SENSATIONS featuring YVONNE MILLS
 (Atco 6090)

● The Sensations, featuring Yvonne Mills, turn in just about the best interpretation of "You Made Me Love You" we've ever heard. It is a great treatment on this wonderful tune. Instrumentally as well as the featured voices, the deck is loaded with tricks and the result is one that stops you cold.

Give this side enough exposure and it is pretty certain to take off in a big way. The coupling, "My Debut To Love", is a strong offering showcasing the talents of Miss Mills and the group beautifully. It could surprise and turn out to be the side. Watch this release carefully. It's loaded.

"JOHNNIE'S HOUSE PARTY" (Part One) (2:48)

[Aladdin BMI—Palmer, Johnson, Mesner]

"JOHNNIE'S HOUSE PARTY" (Part Two) (2:17)

[Aladdin BMI—Palmer, Johnson, Mesner]

EARL PALMER'S PARTY ROCKERS with THE JAY HAWKS
 (Aladdin 3379)

● Here's a two sided instrumental with that unique flavor. "Johnnie's House Party" is a solidly exuberent instrumental that combines the great instrumental sound and the noises of the party going on in the background. The party noises are

there but do not intrude on the excitement of the instrumental sounds. They give the wild effects intended. It will certainly command a lot of attention and will probably become a money maker. Watch this deck closely.

OTIS WILLIAMS and HIS CHARMS
 (DeLuxe 6130)

B+ **"NOWHERE ON EARTH" (2:52)**
 [Jay & Cee BMI—Williams, Glover] Williams and his Charms offer a delightful slow beat ballad pretty with the usual Williams touch. It is a pleasing offering with a smart blend of voices and an appealing tune. This side should step out.

B **"NO GOT DE WOMAN" (2:38)**
 [R T BMI—Rudy Toombs] Otis Williams and his Charms turn to the Calypso field for their newest. It is a middle beat lilter done with charm and appeal. Latin beat that pleases.

THE SIX TEENS
 (Flip 322)

B+ **"ARROW OF LOVE" (2:14)**
 [Limax BMI—Wells] The Six Teens come up with a bubbly middle beat bouncer. A cute teener lyric with a zesty performance that should appeal no end to the younger set. The Six Teens should do very-very well with this one.

B+ **"WAS IT A DREAM OF MINE" (2:28)** [Limax BMI—Ed Wells] The Six Teens couple with a slow beat ballad tender in thought and treatment. Pretty melody deftly handled by the group. Two equally good, tho different type tunes. Watch both sides.

THE LOVE NOTES
 (Holiday 2605)

B+ **"TONIGHT" (2:22)** [Everlast BMI—Hicks, Johnson, Robinson] The Love Notes team on a middle beat bouncer that comes off an infectious deck. The Love Notes skip lightly with an effervescent quality as they dish up the romantic jump. Good deck.

B+ **"UNITED" (2:35)** [Everlast BMI—Hicks, Johnson, Robinson] The Love Notes back with a tender, slow beat ballad. Softy that is handled just right. The Love Notes team well on the driftly floater. In the long run could be the side.

TV Stint

SCHENECTADY—Johnny Hartman accepts congratulations from Earle Pudney during recent TV stint in Schenectady. Pudney is holding Hartman's latest Bethlehem long player, "All Of Me" which has had strong national impact. Hartman will launch a major jockey junket in the near future.

GTJ And Contemporary Enter Stereo Tape Field

LOS ANGELES—Good Time Jazz and Contemporary Records, prominent in the high-fidelity recorded jazz field, are entering the stereo tape field with their new label, Contemporary Tape. An initial release of six stereo albums is set for May.

In order to bring the buyer complete and uncut versions of their popular 12" long playing records, Contemporary Tape is using Extra Play tape—1-mil as against the usual 1.5-mil, and stacked or staggered the albums will retail for only \$11.95. Anticipating the growth of tape sales, the west coast indie has been recording all its sessions in stereo for the past year.

The first six albums include Contemporary's best selling album, Shelly Manne & His Friends: "My Fair Lady" as well as the up-coming "Music To Listen To Barney Kessel By" and "Music For Lighthousekeeping" by Howard Rumsey's Lighthouse All-Stars.

In most territories regular distributors of Good Time Jazz and Contemporary Records will handle the tape for record shops, but distribution for high-fidelity component outlets is not yet set.

London Gets World Rights To Little Richard Catalogue

THE CASH BOX BULLSEYE

"TOO MUCH WATER" (2:07)
[Starrite BMI—C. Jones, S. James]
"ALL I WANT TO DO" (2:20)
[Starrite BMI—G. Jones]
GEORGE JONES
(Mercury-Starday 71096)

● George takes one of the top spots in the new release field this week as he comes up with a sensational two-sider that labels him contender all the way. He hands in a super-commercial vocal effort on the topside as he belts out a fast paced romantic affair tabbed "Too Much Water". Jones tells the gal that she has 'overstepped her limits' and has finally lost his affections. However, on the bottom portion, a most pleasing, quick-beat tale labeled "All I Want To Do", he aims to become the #1 guy in the gal's heart. Top half should be a smash but don't sell the flip short.

"LEAVE ME" (2:29)
[Sure Fire BMI—R. Glasgow]
"MISTER LOVE" (2:23)
[Acuff-Rose BMI—R. & D. Kershaw]
ERNEST TUBB & THE WILBURN BROTHERS
(Decca 30305)

● Here's another Decca first. The label has repeatedly teamed up its top stars on decks that have met with great success on the charts. This time Decca brings together the vocal talents of Ernest Tubb and Teddy, on a potent pairing that should prove no exception to the rule. And altho they're two sad romantic themes the boys render 'em in extremely refreshing fashion. "Leave Me" is a new, up-tempo opus while "Mister Love" is a superb cover of a recent chart item. Watch both ends of this solid money-making coupling.

"THE WOMAN I NEED" (2:10)
[Cedarwood BMI—L. Emerson]
"SHE KNOWS WHY" (2:19)
[Ark-la-tex BMI—C. King, Horton]

JOHNNY HORTON
(Columbia 40919)

● Johnny Horton comes thru in great form once again as he follows up his "I'm Coming Home" chart-rider with a pair of blues items that oughta earn a bundle of cash for all concerned. Supplied with some splendid guitar work on both ends of the release the chanter never sounded better as he deftly knocks out the two feelingful, quick paced tunes titled "The Woman I Need" and "She Knows Why". It's a double-barreled hit with a slight edge to the upper half.

THE FRANKIE HERMAN BAND
(Franz Schubert Music 444)

B **"SECOND-HAND LIPSTICK"** (2:14) [Franz Schubert BMI—J. Vivier] The Frankie Herman band smartly showcases a smooth vocal effort by Bobby Sykes on a contagious, up-tempo romantic opus. Inviting wedding of melody and lyrics.

C+ **"LADY BARBER"** (2:17) [Franz Schubert BMI—F. Cummings] On the reverse etching Herman's outfit slickly carves out a most appealing instrumental toe-tapper. Two good, ear-pleasing intro items tailor-made for the jocks and jukes.

MAE & SHORTY WHITSON
(Bramble 110)

B **"THE OLD MOON IS GUILTY NOT MY HEART"** (2:19) [White Oak BMI—V. Bell, M. Whitson, D. Whitson] The popular Cincinnati, husband and wife team, Mae & Shorty Whitson, harmonize in grade "A" fashion on this tender, quick beat romantic weeper. Persuasive intro wax.

C+ **"I WISH I COULD KISS YOU GOODNIGHT"** (2:40) [White Oak BMI—V. Bell, M. Whitson, D. Whitson] On the under portion the artists offer some more expressive duet vocalizing on a poignant, slightly up-tempo heartbreaker. Capable string support on both lids.

SKEETER BONN
(Admiral 1007)

B+ **"LOVE CALL"** (2:25) [Deo. BMI—M. L. Strode] Skeeter Bonn debuts on the Admiral label and comes up with a beautiful platter that the deejays should find to their liking. It's a very pretty, middle beat romantic entry on which Skeeter demonstrates his top notch vocal-yodel stylings. Should get heavy play.

B **"CHAINED"** (2:32) [Deo. BMI—M. L. Strode] On the under portion Bonn dishes up another sparkling reading as he races over an infectious lover's lament that moves along at lightning speed. Great instrumental assist on a deck that could prove to be a real sleeper.

CURTIS GORDON
(Mercury-Starday 71097)

B+ **"SITTIN' ON TOP"** (1:50) [Starrite BMI—Gordon, Dee] Here's an intriguing blues item tantalizingly fashioned by the distinctive voice of Curtis Gordon. Side has a flavorful rockin' beat and should attract considerable attention in the jukes, over the counter and on the air.

B **"OUT TO WIN YOUR HEART"** (2:30) [Starrite BMI—C. Gordon, J. Townsend] Flipside is a charming, Latin-flavored, romantic item that Gordon decks out in an engaging, light-hearted manner. An attractive coupler.

BOB GALLION
(MGM 12466)

B+ **"I WANT HER BLUES"** (2:12) [Acuff-Rose BMI—Gallion, O'Neal] Bob Gallion turns in a bright bit of vocalizing and yodeling on a catchy, quick beat lover's weeper. The chanter has the 'I want her, can't have her, 'cause somebody else got her blues'.

B **"OUT OF A HONKY TONK"** (2:40) [Acuff-Rose BMI—Gallion, McDaniel] Gallion's polished tones come across in convincing fashion as he sadly reminisces on a touching lilter. Two good country sides that are gonna latch onto a heap of sales and spins.

JIMMY SPELLMAN
(Dot 15564)

B+ **"MAKE UP YOUR MIND"** (2:00) [Laine-Simms BMI—Hemric, Winn] Dot has a strong contender for hitdom in both the material and the artist on this release. The performer is Jimmy Spellman and he sells this heartfelt pleader with authority. Excellent choral and musical assist on a subdued, country-pop-rock 'n roller that can step way out.

B+ **"HERE AM I"** (2:11) [Leon Rene ASCAP—McLollie, Rene] The same comments apply to another power-packed lover's ballad that can break thru the 'hit barrier'. Keep close tabs on this boy. He's a real comer.

BILLY WALKER
(Columbia 40920)

B+ **"ON MY MIND AGAIN"** (2:35) [Slim Willet BMI—Beard, Ray, Willet] Mellow-toned Billy Walker comes through with a thrilling reading on a penetrating r&r weeper ballad that's kicking up the dust in the Southwest. An ultra lovely slicing with very strong chart possibilities in both the country and pop markets.

B **"VIVA LA MATADOR!"** (1:55) [Nor Va Jak BMI—B. Walker] On the lower waffle Walker fetchingly knocks out a delightful, change-of-pace, South-of-the-border ditty. Colorful vocal and musical sound effects in the backdrop.

GORDON TERRY
(Cadence 1317)

B **"ORANGE BLOSSOM SPECIAL"** (2:19) [Acuff-Rose BMI—Arr: G. Terry] Gordon Terry, a top drawer vocalist and instrumentalist, gets his chance to show off his fiddle wizardry on this Cadence instrumental debut. Stellar arrangement of a fast paced train tune that should make the jocks sit up and take notice.

B **"BLACK MOUNTAIN RAG"** (2:11) [Acuff-Rose BMI—T. Magness] Some more fine fiddlin' by Terry on another trigger-quick 'back mountain' item. Both ends are programming 'musts'.

BILL MONROE
(Decca 30327)

B **"A FALLEN STAR"** (2:08) [Tree BMI—J. Joiner] Here's a top drawer, two-sided cover release for the wax buyers and platter spinners who prefer their country music 'straight'. This end Bill Monroe and his Blue Grass Boys effectively spin a beautiful, up tempo romantic piece.

B **"FOUR WALLS"** (2:20) [Sheldon BMI—M. Moore] On the flipside Monroe and the crew lilt over the current pop-country smash in their wonderful 'back country' vocal and instrumental style. Excellent pairing tho the top half has the edge commercially.

Country Round Up

With bossman Red Foley vacationing May 5th through June 5th, other top names in Country Music will take over the reins of "Ozark Jubilee." Producer Bryan Bisney has announced the following lineup: May 11th, Rex Allen headlines, with special guest Sonny James; May 18th, Carl Smith, with guest Jim (Lt. CLIFFIE STONE

The Marksmen quartet, mainstays of ABC Radio's Red Foley Show and ABC-TV's "Ozark Jubilee," have just waxed their first session for the Mercury label. And next week the rhythmic group, formerly the Foggy River Boys, modulates out to the West Coast for their second guest shot on NBC-TV's Tennessee Ernie Show and Cliffie Stone's locally televised "Hometown Jamboree." The fine foursome, Charlie Hodge, Monty Matthews, Earl Terry and Don Taylor just completed 4 days at the "Flame Club," Minneapolis, and the success of their engagement prompted Flame manager, Ray Perkins, to book them back in June. Charlie Hodge of the group reported for his Selective Service exam May 1st in his hometown, Decatur, Ala. Marvin "Gonna Find Me A Bluebird" Rainwater started a nine-day swing through Kansas, South Dakota and Nebraska on May 5th for Promoter Hap Peebles of Wichita. . . . In one of their busiest weeks

to date, Bill Wimberly's Country Rhythm Boys clocked 3,875 miles on their new red-and-silver bus in a 7-day period. Brenda Lee, the sober-sided little 12-year-old cutie of Ozark Jubilee, who built quite a following with her recent Decca dinking, "One Step At A Time," has a brand new one, due out within a fortnight, which is expected to do even bigger things for her. The mighty-voiced moppet with the built-in "hiccup" in her voice was discovered a year ago in Augusta, Ga., by Red Foley. She is booked by W. E. "Lucky" Moeller of Top Talent, Springfield, Mo., who has announced that little Miss Lee will make her third Steve Allen Show appearance on May 19th. Brenda has been added to the impressive lineup of talent for the May 21st M.O.A. Convention show in Chicago. Several days later she opens, says Moeller as headliner of an eight-day tour of the Dakotas for Promoter Tom Kelly.

BRENDA LEE

Denver Duke and Jeffery Null (Mercury-Starday) kicked off a new 2 hour Saturday afternoon jamboree stanza over WVOW, Logan, West Virginia, along with Hence 'Country Bill' Eversole who produces and MC's the show. Duke and Null have just returned from a 6-state P.A. and deejay tour through the South, plugging their latest Mercury-Starday release, "All Washed Up With You" and "Million Tears." The boys started a new 26-date tour of personals on April 22nd, ending June 6th. Included is a date at "Verona Lake Ranch" near Walton, Ky. on May 5th with the Jimmie Skinner celebration. On the tour Denver and Jeffery will be playing with thrush Doris Lee and the comedy teams of "Little" Josie Jitters and "Bashful Beau" Henery, and "Uncle" Zeke. New singer, Jess Stevens, will fill in on the dates which Miss Lee will not be playing.

Eddie Harre'l star of WDRF-Chester, Pa. in co-operation with the Green Ridge Memorial Home is starting a series of teen age dances on Monday nights. Eddie feels that since the teenager is one of the most important persons in helping an artist to reach the top, and since these same acts play in clubs and bars where the teenagers can't enter, Eddie wants to perform for them. He also feels that he's doing his part to help curb juvenile delinquency by keeping the teeners off the street and giving them a place to go and have a good time.

Hal Spector notes that according to the latest Pulse Reports, Jimmy Wakely's KNX-Los Angeles radio show, which is the only live night-time show airing from CBS Hollywood studios, is the top rated program on the air at 7 to 7:30 PM Sunday evenings. The report further emphasizes that Wakely has a 20% share of audience, meaning that one out of every five radios in use in Los Angeles is tuned to the Wakely show. Wakely, a Decca artist, has had his show fully sponsored on the full CBS regional network for the past five years.

Here and There

WASHINGTON, D. C.—Here's a hint which may be utilized by many coin firms. The Small Business Administration, here, made a study of older workers employed in business. "Older workers can be a bigger asset than many small business owners realize," concluded this report. Analyzing the situation, it was pointed out that "Millions of these workers are holding down jobs today. More millions are available but are not being effectively used. Behind this fact are various management misconceptions about older people: for example, that there is greater absenteeism among them, that they have greater accident rates, that they are less productive, and that they retain old-fashioned attitudes. Recent studies, however, dispute these generalizations. Older workers are often found to be better than the youngsters. As a class, they are absent less, have fewer accidents, produce at comparable levels at least until the late fifties, and frequently retain youthful, forward-looking attitudes past the seventies. There is no argument with the claim that older people have certain limitations. Physical strength decreases with age, so does speed. But many essential jobs demand neither."

NEW YORK—One of the country's leading economists pointed out that a number of firms are keeping their profit levels this year by "stepped-up sales, selling price increases or cost reduction—or any combination of two or all three." Let's see how the coin machine operator stacks up with these important factors. Have his sales been increased? In most instances—no. Has his selling price been increased? Only those who have gone to dime play—and not all, or even close to all, have done so. Have his costs been reduced? Quite the contrary. All means of conducting business, including cost of equipment, has continually increased. The answer is obvious—"Dime Play Plus," which means increased selling price, and a more equitable commission basis.

DETROIT, MICH.—Wow! Regardless of what the overall sales picture in the automotive field may be, Chrysler Corporation's financial report for the first quarter is astonishing. Sales amounted to \$1,150,723,000, against \$742,349,267 a year ago—a rise of 55%. This was Chrysler's highest for any quarter to date. Net earnings for the quarter were \$36,545,521 against \$10,905,722 a year ago. A lesson to be learned by the coin machine industry is the reason quoted for this sensational improvement "Radical styling."

TAX PROBLEMS

"Can you please immediately furnish us with complete data on cases where attempts by communities to obtain excessive and inequitable fees have been defeated? It is imperative that we receive this information as fast as possible. We are faced with a very serious, inequitable, excessive and drastic taxation situation here."

This is not the first time that such an appeal has been received. For years now operators and operator organizations have appealed to this publication as well as to manufacturers and attorneys in the industry, in an effort to obtain help when faced with inequitable and excessive taxation.

It is a pitiful situation. No one has a complete file of important license fee data on hand. Time and time again, one organization after another, has tried to set up a central point where license fee data would be accumulated. Where photostats of all cases required could be sent to those operators and operator organizations in communities where sudden, overburdening and inequitable taxation is attempted.

For years now, *The Cash Box* has urged the creation of a "NATIONAL TAX COUNCIL." The one central place where information relative to occupational and license fees and all other taxes could be gathered together.

The one place where operators suddenly faced with this desperate need, would be able to go to obtain whatever information they required to help themselves.

With the legislatures of 46 out of the 48 states meeting this year, news has been received from all over the nation that bills have been introduced to obtain higher occupational license fees as well as higher general licensing of all amusements, automatic phonographs, automatic music accessories and vending machines.

License fees ranging over \$100 for each juke box and occupational fees ranging to \$500 and more have already been introduced.

Naturally these operators are desperate. They seek help. They need help. They require all the legal data and information they can get to prove that they absolutely cannot exist in business paying such high and inequitable taxation.

Every single operator in the nation is more than willing to help his community and his state by paying fair license fees. But no operator can exist in business today where inequitable and excessive license taxation comes into being.

Only a "NATIONAL TAX COUNCIL" can help. This is a vital necessity. Everyone in the industry simply must come to the realization that a central office should be created.

One place where all license fee information can be gathered together. Where all legalities concerned with excessive and inequitable taxation of any nature whatsoever will be on hand to help operators when this need arises.

This one central spot can be the industry's "NATIONAL TAX COUNCIL."

EXPORT BOOM CONTINUES

Steady, Big Sales to All World Markets Reported to Have Cleaned U. S. of Late Model Phonos and Games

CHICAGO—The continuing boom business being enjoyed with all world markets is reported to have just about cleaned the U.S. of all late model phonos and games.

To obtain equipment to fulfill orders already taken, distributors are reported to be offering the highest trade-in prices in their history, against purchase of the new machines.

Distributor's salesmen are reported covering all possible areas where they can either buy or trade for late model used machines as well as for many machines that are two, three and even more years old.

The European market is especially anxious to obtain late model used machines. Importers offer to buy in hundred lots, both games and music. Cables and transatlantic phone calls are used by the European coin ma-

chines importers in an effort to obtain equipment.

Canada is reported to still be the biggest importer of all types of coin machines. Central and South American countries are just as anxious to obtain late model used equipment.

Most interesting is the growing demand from the Orient. Hongkong, Singapore, Macao, Manila, Tokyo and many other important far eastern centers are now calling for machines.

All these importing areas of the world, converging on the U.S. for machines, have cleaned the market, according to exporting distributors.

Yet demand continues so great that all leading U.S. exporting distributors are trying as hard as they possibly can to locate machines for their favorite importers.

R. C. Liddon Elected To Board Of Directors At Wurlitzer

CHICAGO—R. C. Liddon, president of the Security Bank, Corinth, Miss., has been elected to the Board of Directors of the Rudolph Wurlitzer Company, Chicago. The company, leading manufacturer of coin operated music machines, pianos, electronic pianos, and electronic organs, recently established a manufacturing division at Corinth.

R. C. Roling, president of the company, in making this announcement said, "The Wurlitzer Company has substantial interests in Corinth and it is entirely appropriate that one of the city's distinguished citizens should participate in the determination of the policies which will influence the company's future. We are highly pleased that Mr. Liddon has accepted a place on our Board, a position for which he is eminently qualified."

Liddon was born in Corinth and at-

tended Corinth public schools, graduating from the Corinth High School in 1929. He attended Vanderbilt University for one year, transferring from Vanderbilt to Harvard where he majored in economics and special work in the field of money and banking. He received his Bachelor of Arts degree from Harvard summa cum laude.

Upon his return to Corinth he became a director of the Security Bank, then vice-president, and in 1948 president. He has served the Mississippi Bankers Association in a number of capacities and is currently treasurer of the association.

While at Vanderbilt he was a member of Gamma Chapter of Delta Kappa Epsilon and a member of Phi Beta Kappa at Harvard. He has served as president of the Corinth Rotary Club and is active in the Methodist Church of Corinth.

Op, Former Legislator, Urges Ethical Practices

ERIN, TENN.—"My 35 years' experience in the amusement business," writes L. F. Stone of Stone Amusement, this city, "has taught me that pinball games and juke boxes are just as American as baseball or basketball."

"As a member of our State Legislature in 1931," continues Stone, "I had the good fortune to help legalize the operation of pinballs of the free play type in our state."

"I feel," sincerely advises Stone, "that operators should, at all times, try to make the amusement business just as ethical as is possible."

"My advice to all operators is simply, let your locations know that you

are honest with them. That you sincerely want their full cooperation."

"Never count the take privately. Don't even check it in the absence of the location owner or his trusted help."

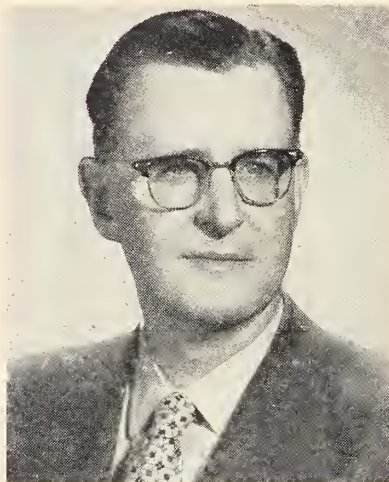

"In all of our locations," comments Stone, "we ask the girls to dust our machines every time they clean the place."

"We always give them a nice tip," he adds, "and, of course, in this way they cooperate with us and help to increase play on our machines."

"Many operators," states Stone, "should be taught to be perfectly fair about trying to take away another operator's locations."

"Many," he says, "are very dirty in their practices. Especially a new man who is trying to get hold and get going."

MOA Program And Special Events

GEORGE MILLER

CHICAGO—George A. Miller president and business manager of Music Operators of America (MOA) announced that plans for program and special events for the MOA Convention being held at the Morrison Hotel, this city, on Sunday, Monday and Tuesday, May 19, 20 and 21, have been completed.

Among the events scheduled is a forum meeting in which the subject "Ten Cent Play and Diversified Operation" will be discussed; another forum meeting on "Taxation and Licensing Problems, Public Relations and Present Legislation"; and a forum meeting in which all are invited to discuss matters pertinent to the music industry between the songwriters, publishers and the music operators; and a forum meeting on "Depreciation Schedules and Filing of Forms 1096 and 1099 with the Internal Revenue Department."

Among the talks scheduled are: "Present Copyright Legislation" by Sidney H. Levine; "The Phonograph Industry" by John Haddock, president of AMI; "General Operation of a Diversified Coin Machine Business" by Harry Snodgrass; a talk by Congressman George P. Miller; a talk by an outstanding personality of the Record Industry; and a talk by Vincent Gottschalk on "Think it! Say it and Do it!"

In announcing the forum meetings, Miller stated "Forum meetings have

been arranged again this year, for the benefit of every music operator and association representative of the nation. These forum meetings provide an opportunity for music operators to discuss various aspects and potentialities regarding the future of the automatic phonograph industry thru a round-table discussion. The men who preside and moderate over these sessions are presidents, secretaries and business managers of various state and local associations. They have given a great amount of time in preparation for these meetings and we again urge that you attend as many of them as you can when in Chicago."

A joint luncheon for all exhibitors, directors and officers of MOA will be held in the Cotillion and Embassy Rooms (Mezzanine Floor) on Monday at 12:30 P.M. under the auspices of Music Operators of America. Tickets for this affair can be had at the Membership Booth in the Lobby on the convention floor. All exhibitors are invited to be the guests of MOA, and all music operators who wish to attend can purchase the tickets either at the Membership Booth, or at the banquet room the day of the luncheon, which is more convenient according to Miller.

The special events program for the ladies is most interesting. A Fashion Show Luncheon, which is complimentary, will be held in the Terrace-Casino Room on Monday, May 19, at 2:30 P.M. with Mrs. Cissie Gersh, Mrs. Marie Pierce, Mrs. Les Montooth, Mrs. Norman Gefke and Mrs. Juanita Miller acting as co-hostesses. The show is being sponsored by Saks Fifth Avenue, and tickets can be obtained at the Membership Booth in the Lobby of the convention floor.

Another social event for the ladies, which is also on a complimentary basis, is a 2½ hour Sightseeing Trip to the various points of interest in the city of Chicago. Buses will leave at 10:30 A.M. and will return at 1:30 P.M. Buses will be in front of the hotel's main entrance and tickets can be obtained at the Membership Booth. Hostesses for the trip are Mrs. Marie Pierce, Mrs. Howard Ellis, Mrs. Martin Britz, Mrs. William Hullinger and Mrs. Juanita Miller.

Tennessee Legislature Legalizes Pinball Machines

CHATTANOOGA, TENN. — Pinball operators in this city were happy to note that the state law naming pinball machines as gaming devices was repealed at the last session of the legislature.

In 1955 State Senator Ernest Guffy of Athens inserted the amendment designating a pinball machine as a gaming device in a law which was directed at professional gambling. At the 1957 session of the legislature a bill amending the law was passed by the House and went to the Senate. In discussing the bill on the Senate floor, Guffy commented that he had inserted the amendment in 1955 to attempt to kill the gambling bill. He added that he had no objection to eliminating it this year. It was passed in the Senate.

By that action the Legislature legalized the machines.

Chattanooga has no ordinance that outlaws pinball machines. The city does have an ordinance which authorizes the chief of police to seize machines which are used as gaming devices, but that must be on evidence that the particular machine is being used for gambling.

Pinball machines have not been operated here since 1954.

A group of operators recently met with Mayor Olgiati in an effort to make arrangements for the return of the machines. No agreement has been reached.

The owner of a location must obtain a city license before installing a machine, but it is understood that the city does not have the legal right to refuse the license.

Irving Kaye To Exhibit Pool Tables At MOA Meet

BROOKLYN, N. Y. — Irving Kaye, Irving Kaye Company, Inc., this city, stated that the firm will exhibit two of its pool tables at the MOA Convention at the Hotel Morrison, Chicago.

"We will display our two most popular and fastest selling pool games, the 'Eldorado,' a 6-hole game, and our 3-hole 'Super DeLuxe Bumper Pool' game," advised Kaye. "Both of these machines have been in operation and have proved to be exciting action games, bringing in good profits to operators. They are constructed to stand up under any circumstances, the cabinets being beautifully finished in mahogany and gold trim, with guaranteed slate tops. They are available with 20¢ and 25¢ coin chutes."

Kaye will head a group of the firm's executives who will be at the exhibit booth at the MOA to greet all visiting coinmen.

UJA - CMI Dinner Honoring Meyer Parkoff Approaching

MEYER PARKOFF

NEW YORK—With the UJA-Coin Machine Industry testimonial dinner honoring Meyer C. Parkoff rapidly

approaching (Wednesday night, May 15, at the Hotel Sheraton-Astor), Lou Boorstein, chairman, advises that tickets are being rapidly grabbed up.

"Even with the large sale of tickets up to now", advises Boorstein, "there are still quite a few available. As is usually the case, many hold off until the last moment to send in their reservations. Then we are faced with the problem of turning some down. We would like to serve all our friends, and I therefore suggest to those members of the industry who have been procrastinating, that they make their reservations at this time."

Boorstein also reports that committee members have advised him that the industry here have been most liberal in their annual donations to UJA, but the goal set hasn't been reached. "I appeal to all members of the coin machine industry here to send in their checks or pledges so that we can announce at our dinner, as we did last year, that a new record of contributions is set. So far, we have a long way to go."

Arcades Look For Record Breaking 1957 Season

Get Good Start With Warm, Sunny Week-Ends in April. Play Action Attributed to a Number of New Games

NEW YORK—If nothing in the way of an unlooked for disaster and a continual season of bad weather, Arcades should have their best season of all time.

With the season, so far, devoted mostly to week-ends, Arcade men thruout the nation are reporting sensational grosses. These men always figure that if they can get a good play during April and May week-ends, they can accumulate a reserve which can take care of any bad weather during the regular season. This year, so far, every week-end has seen gorgeous sunny weather, with crowds flocking to the resort areas. This leads to a continual play of arcade machines. A big aid also to arcade machine play this year has been the very fine weather enjoyed during the Easter week which saw schools closed, and pleasure seeking youngsters enjoying excursions to resort and beach areas.

Another factor according to an old time arcade owner, which is helping considerably to increase collections, is the fact that a number of highly interesting and intriguing new play

machines are now being offered the trade. Of course, he explains, there are some standard arcade machines which continually get action, but this year, there are even some new guns available. "A live-wire progressive arcade owner can diversify his equipment today" said this coinman, "and thereby get play from all ages, and satisfy all desires."

Leading suppliers of arcade machines, both in New York, New England, Mid-West and Far West have been reporting that they have never been so busy filling orders for equipment. Mike Munves, known internationally as the "Arcade King", said this week that 1957 will be his firm's biggest year. Up to now, he states he's been so busy it's almost impossible to satisfy the demand from his customers. "And I'll be rushed trying to satisfy my many friends and customers away into July."

As a result of the encouraging arcade business, we hear that many coinmen thruout the country have new arcade locations being set-up and are planning others.

Overhead Is Answer To Boom Or Bust

Ops Agree Constantly Growing Overhead Expense Can be Overcome by "10c Play Plus" Plan Best Fitted For Individual Areas

"The Cash Box" Commended For "10c Play Plus" Crusade Pointing Way For Ops To Obtain More Equitable Share of Gross Intake

CHICAGO — Growing commendation for this publication's efforts to convince operators everywhere in the nation of the need for "10c Play Plus" front money, minimum guarantees or a more equitable division of the gross intake has become most noticeable.

More and more operators, nationwide, are in agreement that overhead expense is now the answer to boom or bust.

And at the same time, agree with The Cash Box that the best answer

to constantly increasing overhead expense, is "10c Play Plus".

From their own investigations, ever since reported by this publication, many have now found that the cost of servicing individual locations ranges anywhere from \$6.50 to \$8.50 and even more in some cases.

Operators are reported to be pointing this out to location owners and, at the same time, attempting to set up a \$7.50 minimum guarantee arrangement with their locations.

"In this way", one operator ex-

George A. Miller A "Sponsor" Of "Teen-Age" Auto Club

OAKLAND, CALIF. — With all his other duties and endeavors, George A. Miller still finds time to take on what he considers a most important job.

Added to his activities as president and business manager of Music Operators of America, and president of the California Music Merchants, Miller is now a "sponsor" of the Road Saints of Grass Valley, a teen-age automobile club.

"A couple of months ago," relates Miller, "my son, George, Jr., who is not quite 18 years old, got the idea of organizing a hot rod club and wanted to know if I would sponsor it. The idea of the club was not to drag cars or race with others on the highway, but rather to obey the laws and to render a service to people who may have difficulty on the highways, in the way of running out of gas, having a flat tire, or having engine trouble.

"The outcome of his idea was that I became the sponsor of the club and

we now have about 21 boys who are members of a hot rod club, known as the 'Road Saints'. These boys go out on the highway each Saturday and Sunday for the purpose of assisting the drivers who have run into some car difficulty.

"The minister of the Grass Valley Methodist Church is their counsellor and Captain Joe Blake of the Grass Valley Highway Patrol is their advisor. With men of this calibre interested in the club, the boys get a lot of real good advice and are fully alerted to State laws pertaining to the driving of automobiles, which has gone a long way in influencing them in obeying the laws in the main arteries in the State of California.

"I find it a great pleasure and privilege working with these boys, and of course, it is an added pleasure because my youngest son, George, Jr., was chosen at a general election to serve the first year as president of this particular group.

"At this time, a number of hot rod clubs are being organized in California with the thought in mind of advising juveniles rather than criticizing them.

"This", concludes Miller, "in my estimation, would be a great move for music operator associations all over the nation, and clubs of this kind could be sponsored by the various local and state associations. It would not only give good publicity to the automatic phonograph business, but it would also render a service to the teen-agers that would be very impressive upon the mothers and fathers, as well as the general public."

plains, "we are, at the very least, covering our overhead expense. Then by splitting on a fifty-fifty basis this gives the storekeeper and ourselves an equitable arrangement of the gross intake."

Other operators are of the belief that the "best method" is to arrange for "10c Play Plus" either 65%-35% or 70%-30% commission basis.

"This", they claim, "makes all equal and meets with general approval of all the locations because they then realize that everyone is getting the same deal."

Regardless of what method is arranged in each individual area in the nation, usually some method best suited to the area, all operators are now working toward a more equitable division of the gross intake from their machines plus 10c play and, in many cases, 25c for two plays or two players.

"I want to take this opportunity", stated a prominent manufacturer, "to commend 'The Cash Box' on this strong and logical crusade to help the nation's operators enjoy a better and more profitable future."

Larry Ash, Active Amuse, To Leave For Europe In Early May

PHILADELPHIA, PA.—Larry Ash, Active Amusement Machines Company, this city, announced he will leave the United States around May 5 for an extensive tour of Belgium, France, Germany, Switzerland, Italy and England. Larry is the son of Joe Ash, founder of the company.

"In conjunction with an expansion move by Active to facilitate handling and shipping export orders", stated Larry, "which necessitated broadening our present export facilities, I will tour the European coin machine markets to contact new distributors and operators and also to call on present overseas agents and buyers who are among our export accounts.

"I guess you could call this a trip with a dual purpose, in that I expect to see many potential buyers of coin operated equipment in the European market and at the same time cement relations with our present clients.

"Since I personally expect to handle a large portion of the active export business, I would much rather get a first hand view of what the export market looks like, whom the people are, and in that way how I can go about helping them obtain from us the equipment and service that their particular operation calls for."

Larry Ash will survey the European market for about two months and then return to the Philadelphia office.

New Gun Rumor Verified

CHICAGO—Sam Lewis, president of Exhibit Supply Company, this city, revealed this past week that the rumor concerning a new and different type of gun game soon to be forthcoming from the firm, is true.

Although Sam Lewis did not go into details, he said that the gun action is "unique, and operates on an entirely different principle that is fool-proof, yet more exciting to the player than any other type of gun."

He also stated, "The new Exhibit gun will be the most outstanding in cabinet design and the most colorful

on the market. We will introduce a combination of moving and stationary targets that the trade has never seen before.

"Tests we have been conducting for some time indicate that this gun will be the most exciting, most appealing and the most profitable gun game ever produced.

"Exhibit, in the past, has been known to produce more great guns than any other manufacturer. We believe", concluded Lewis, "that this new gun of ours will be the greatest of them all."

ing artist, presents Mrs. Mabel Ellery with the check while Bill Black looks on.

In the picture on the right, Earl Senter, who aided greatly in the success of the Policemans Ball by displaying a juke box and poster in front of his establishment advertising the event, is shown purchasing the first ticket from members of the Bakersfield Police Department.

Bob Slifer Apptd. Sales-Promotion Mgr. For Young Distributing

BOB SLIFER

NEW YORK — Joe Young, Young Distributing, this city, distributors for the Wurlitzer line of phonographs and accessories, announced that Robert (Bob) Slifer, well known coin machine sales executive, has been appointed as sales and promotion manager.

Slifer is known to all phonograph operators both in New York and New Jersey, having contacted them in a sales capacity over a long period of time. Before World War II, Bob was sales manager for Sam Kresberg's East Coast Phonograph Distributing company. He also was sales manager for Everett Masterson in Elizabeth, N.J., as well as sales manager for

British Music Prices Up

Continue Featuring 1 Play
Sixpence-3 Plays One Shilling

LONDON, ENG. — Prices of used phonos are up. Demand continues and late model reconditioned juke boxes are difficult to obtain, especially at reasonable prices.

For example: Wurlitzer 1900 model sells here for about 825 Pounds about \$2,310. Wurlitzer 750E is priced at 140 pounds, about \$392. Wurlitzer 1015 for 225 pounds, \$630. The BAL-AMI Model "E", 80 selection phono, is quoted at 375 pounds, \$1,050. The BAL-AMI Model "G", 80 selection phono, is now quoted at 500 pounds, \$1,400.

Juke box operators in England are continuing to feature 1 play for Sixpence (about 7¢) and 3 plays for One Shilling (about 14¢).

Hope continues here that more American juke box manufacturers will arrange for licensees to build phonos in this country.

Dave Stern's Seacoast Distributing Company.

For the past year or so, Slifer was associated with a firm outside the coin machine business.

"I am most happy to return to the coin machine business," said Slifer, "and I'm sure I can do a terrific job with the wonderful Wurlitzer '2100' series of phonographs."

Young announced that this appointment in no way affects the present executive set-up. He will continue as president, and Abe Lipsky continues as general manager.

MOA Plans Women's Auxiliary

CHICAGO—George A. Miller, president of MOA, announced this past week that Music Operators of America was creating a "Women's Auxiliary" to be composed of the wives of all members as well as of all the nation's women music operators.

Miller sincerely believes that the "Women's Auxiliary of MOA" may prove to be one of the most progressive and outstanding ever created by any organization known to this industry.

"In fact", Miller reports, "I believe that MOA is the first national organization in this industry to have created a 'Women's Auxiliary'."

Miller advised that the following ladies have been named as the "Women's Auxiliary Committee":

- Mrs. Martin Britz, Great Falls, Mont.
- Mrs. Les Montooth, Peoria, Ill.
- Mrs. James Tolisano, Hartford, Conn.
- Mrs. Larry Marvin, Sacramento, Calif.
- Mrs. Howard Ellis, Omaha, Nebr.
- Mrs. Gordon Stout, Pierre, S.D.
- Mrs. Clinton S. Pierce, Brodhead, Wis.
- Mrs. Wm. Blatt, Miami, Fla.
- Mrs. George A. Miller, Oakland, Calif.

"We hope", Miller reported, "to be able to announce a very outstanding membership of our 'Women's Auxiliary' right after our forthcoming convention."

"We feel certain", he added, "that every member of MOA will want his wife to be a member of the 'Women's Auxiliary' and every lady operator in the nation will also want to be a member."

Urges Better Co-operation

MARION, IND.—“Indiana Hoosier,” as he calls himself, C. F. Cole of Silent Selling, this city, comes right to the point with what he believes is the answer to so many “regulatory laws.”

“I suggest,” advises Cole, “better cooperation among the operators themselves.”

“We would never have had such ‘regulatory laws’ as now exist if operators had used good judgment and common sense, instead of letting go of the goose to get at the egg of gold.”

“Keep Your Promise”

LUDOWICI, GA.—“I’ve worked in the coin machine business as a mechanic and route man for over 22 years,” reports C. S. Cook, Sr., of this city.

“To get location cooperation,” he continues, “it takes good equipment.”

“A real good maintenance mechanic and, most of all,” he says, “there’s one big thing that must be done.”

“That,” he strongly advises, “is to live up to exactly what you promise your customers.”

Mitnick Yells, “Achtung”

JACK MITNICK

CHICAGO—“Achtung,” yelled Jack (Jock MacNic) Mitnick from the bar-

ber chair at United’s factory while being shaved.

“Watch out for the new ‘UPA-100.’ ‘It’s the greatest,” he added.

“It’s going to show the way to more music operators for more, better, steadier profits than they’ve ever before enjoyed.

“What’s more,” he continued, practically sitting right straight up in the barber chair, “when the music operators see the ‘UPA-100’ at the MOA convention they’re going to know that they are looking at the grandest automatic musical instrument of all time.

“They’re going to agree,” Mitnick howled, getting more excited and heated with each statement. “That it takes experience, engineering know-how, complete devotion to a task, super electronics and mechanical features to make up so great a musical instrument as the ‘UPA-100.’”

And with that last statement the barber looked at this reporter with pleading eyes.

“Please,” he said. “Please leave, I almost cut Jack’s throat.”

European Importers Report Sales Boom

CHICAGO—Reports received at this office of *The Cash Box* from European importer-distributors are to the effect that there is a sales boom under way at this time throughout the entire continent.

“Demand for both new and used games and phonographs is growing, instead of diminishing in any way,” one well-known German importing-distributor reports.

From Switzerland comes this advice:

“Since my last cable I have imported over 500 new and used games and can use more.

“The demand is continuing, regardless of the coming warm summer season, and I personally believe that this is going to be one of the biggest years Europe has yet enjoyed.”

“All our problems are based on trying to get late model used games as well as new games,” a Belgian distributor reports.

“Right now,” he continues, “we are cleaned out of machines and are waiting for ships to arrive with games which have been promised to us.”

Other European importers have the very same statements to make.

All believe that they are enjoying one of the best years in European coin machines’ history.

“Actually,” says one Italian importer, “we are enjoying a business boom.”

Canadian Op Reports Ops’ Co-ops “Good Thing”

JOLIETTE, QUE., CANADA — J. M. Roberge of this city reported this past week that, in his estimation, operator-cooperatives would help get dime play in action and would also arrange for a more equitable division of the gross intake from all machines.

“It would be a good thing,” reports Roberge.

He also answers, “Yes,” to the fact that he believes operator-cooperatives would work out successfully from both an operating and financial standpoint.

David S. Bond, Trimount Pres., Honored By Vend. Mach. Div. Of CJA

DAVID S. BOND

For over 20 years, Dave Bond has devoted himself to philanthropic works. Active in innumerable community projects, a member of Brandeis Associates and in 1955, Dave Bond was chairman of the Business Men's Council of the CJA. This comprises Trades and Professions Teams and raised 80% of the total amount which in 1956 amounted to \$5,500,000. Presently, he serves on the Executive Committee and is Vice Chairman of the Boston Combined Jewish Appeal.

More than 175 friends, customers, employees, business associates and fellow CJA workers attended the wonderful testimonial to Dave Bond at the Commonwealth Country Club. Hot hors d'oeuvres and drinks at 6:30 as well as a roast beef dinner at 7:30 was the order of the day. Seated at the head table with Dave Bond were his wife, Marian, Boston President of Hadassah, Jewish women's charitable and educational organization with over 8,000 workers, which supplies the wherewithal for hospital and medical care in Israel.

Irwin Margold, Vending Machine Division Captain, was flanked by Charlie Wertheimer, well known arcade operator and businessman, and Saul "Robby" Robinson, one of the leading Hub operators, who with Irlwin Margold, planned the affair. Also at the head table were Larry Landers, present BMC head; Rabbi Roland Gittelsohn; and toastmaster, Sidney Kaye.

Each of the head table guests gave a short speech. Lewis H. Weinstein, general chairman of the drive, also spoke. High points of the evening clubs, an illuminated scroll and a 45 rpm record. The audience heard a thumbnail sketch of Dave Bond's

BOSTON, MASS. — A special Victory Dinner to David S. Bond, president of Trimount Automatic Sales Corporation, this city, by the Vending Machines' Division of the Combined Jewish Appeal was held at Commonwealth Country Club, Newton, April 25.

Each year, the Combined Jewish Appeal's Annual Drive is met with renewed conviction and effort, and each year the Vending Machines' Division "heeds the call" and pledges full support, for the past several years, under the banner leadership of Irwin Margold, general manager, Trimount. This year the Victory Dinner was something special—a testimonial to David S. Bond.

The operators and friends of Dave were the presentations. Dave Bond was the recipient of a set of golf

Holidays Break For Long Weekends This Summer Season

NEW YORK — What could be a tremendous boom for arcade owners and operators with equipment at shore and vacation spots, as well as in roadside locations, is the way the holidays break this summer season.

Memorial Day, May 30; Independence Day, July 4; and Labor Day, Monday September 1, give many an opportunity to take long week-ends. And as is usually the case with this type of holiday, a great number drive to some resort. "All we need," said an arcade owner, "is a break in weather, and we should get a terrific play."

life. In appreciation of his many appearances on behalf of CJA, the Vending Machine Team presented Sid Kaye an original painting by the noted artist, Joseph Margolies.

Many Boston ops were in attendance, also representatives of the various points in New England covered by Trimount. Congratulatory telegrams poured into the club all evening and several suppliers of Trimount sent their good wishes in the form of a donation to CJA in honor of Dave Bond.

The operators and friends of Dave Bond gave him a tribute he will long remember and pledged their support to the worthwhile cause by increasing their pledges to the Combined Jewish Appeal. Dave Bond's comment was that the best gift of all was that each year the team has gone over the top and increased the previous year's pledges. The sum raised this year was over twice that raised in 1954.

Wayne Toan Joins First Coin

WAYNE TOAN

CHICAGO—Joe Kline and Wallace Finke of First Coin Machine Exchange, this city, announced this past week that Wayne Toan has been appointed Sales Representative for the firm.

Wayne will work the central states along with Sam Kolber, it was reported.

"His extensive sales experience and friendly personality", stated Joe Kline,

"will enable Wayne to be of genuine service to the trade as a sales representative for us."

Prior to joining First Coin, Wayne Toan was in the real estate business in Bellwood, Illinois, as a partner. He also sold real estate on the northwest side of Chicago since 1951.

He was employed by Libby McNeill and Libby as a canned food salesman in the Chicago area for four years.

After graduation from Oak Park High School, Wayne joined the Navy in 1942. He went thru eleven campaigns during service in the Atlantic and Pacific on destroyers and repair ships.

He was recalled to active duty in 1950 and spent 13 months in Korean and Japanese waters on a transport ship.

Wayne is 34 years old, married and has two boys, ages 6 and 4. He is an active member of the Elks and Moose lodges.

His hobbies include golf, which he shoots in the low 90's. He is an ardent fisherman.

"I think the coin machine business is the greatest in the world", Wayne declared. "As a representative for an outstanding firm like First, I feel confident that it will be a great privilege and pleasure to serve the operators in the territory."

May Is National Tavern Month

NEW YORK—The month of May has been designated as National Tavern month.

Many manufacturing firms supplying taverns with its foods, liquors and supplies will be publicizing this event thru advertising and promotions in national weekly and daily publications, as well as on radio and television.

The purpose behind the "National Tavern Month" is to bring patrons into taverns and stimulate business. Coin machine operators would do well to confer with their tavern owners and do everything possible to take advantage of the increased number of people who will be visiting these spots during the month of May, so that their machines will get added play.

A typical example of what is to take place during May is the full page on the outstanding back page of The New York Times, Wednesday, May 1, by Rheingold Breweries. A picture, 17½ inches high by 14 inches wide, shows a tavern

owner standing in front of his store holding a mat which reads "Welcome". Pinned to the tavern man's white jacket is a large button reading "May Is National Tavern Month". Underneath the photograph the ad is headlined "The Welcome Mat Is Out!" The advertising message is warm and friendly, reading "You're always welcome at your friendly neighborhood tavern, every day of the year. That's been traditional since the days of the colonial inn—with its roaring hearth, its oak-hewn beams, its pewter mugs of beer. Today's tavern—the one right around the corner—has the same spirit . . . it's still one of the friendliest places in town! And right now—during National Tavern Month—the man who is host at your favorite tavern will be trying to outdo himself in hospitality as he serves you the foods you like best and the beer you like best. . . . The welcome at your neighborhood tavern never changes . . ."

Genco Intros "Gypsy Grandma"

RALPH SHEFFIELD

CHICAGO — Ralph Sheffield, general manager of Genco Manufacturing & Sales Company, this city, announced this past week the introduction of a new horoscope ticket vender, "Gypsy Grandma Fortune Teller". "Because of the fascinating appearance of the 'Gypsy Grandma' and the colorful setting that attracts the curious public", Sheffield stated, "this game has proved to be a highly successful attraction on test locations. "It has earned exceptional profits in chain stores, arcades, department

stores, terminal locations and in outdoor spots.

"When we first exhibited 'Gypsy Grandma' at the park show", Sheffield recalled, "the tremendous amount of interest and enthusiasm on the part of all visitors convinced us we had an outstanding money-maker for the trade."

Player inserts a dime and asks a question, silently or audibly, that can be answered "Yes" or "No". The "Gypsy Grandma" nods her head, turns and opens the cupboard with one hand. With the other hand she actually picks out a fortune-telling card with her fingers, turns back, drops the card in the cauldron, then throws a player a kiss.

The figure is so life-like that the gypsy grandma looks almost human. "You will notice", Sheffield pointed out, "she breathes, too."

The game comes in two sections. Stand is optional. The cabinet is beautifully designed and described as being ideal in size. A lit dome and canopy effect of a gypsy tent is carried out to attract and hold attention.

Sheffield reported that it took two years to develop the mechanism, and added that is extremely easy to service.

"Gypsy Grandma Fortune Tellers" are now available for deliveries at Genco distributors thruout the country, Sheffield advised.

EASTERN FLASHES

Operators! Operators! Let's get moving! Let's take advantage of the big time promotion now under way to stimulate business at taverns. May is "National Tavern Month". Every communications outlet will be utilized to bring this to the attention of the public. Did you see the dramatic full page ad Rheingold beer ran on the back page of The New York Times on Wednesday, May 1? Take advantage of the enormous amount of money being spent by tavern suppliers to bring patrons into taverns. Shine up your equipment. Concentrate on your music programming. Use streamers, stickers, table tents, and anything else to call your coin operated equipment to the attention of the patrons. It'll mean extra dollars in your cash box.

This is the time of the year that is most important to arcade owners. If the weather cooperates, and it comes up sun during week-ends, arcade men can do enough business to make up for any slump during the full season. Here in the East, every arcade operator has reported record breaking business. Not only during the past three week-ends, but also during the Easter school vacation. One operator stated should the weather favor them during May, it's possible that they'll have their season's rent in before the full season starts. (The exception to above is at New Jersey shore spots, which have been forbidden to award prizes. Patrons at N. J. arcades have been educated for many years to expect prizes, and without them, play doesn't approach that of past seasons). Mike Munves, leading supplier of arcade machines, busier than he's ever been in all his 50 years, figures that in addition to the good weather, what has helped play is the inclusion of a number of new play machines. . . . John A. (Mac) McIlhenny, well known New England coinman, who has been confined at the U. S. Veteran's Hospital in Boston, Mass., drops us a note advising "I expect to be discharged from the hospital real soon. Pass my best regards along to all the boys and to Bill Gersh in Chicago." . . . Meyer Parkoff, Murray Kaye and the entire sales staff of Atlantic New York Corp. on hand to greet music ops Monday night when the firm held its first Service School on the new Seeburg phonos. The firm will continue on an every week basis thruout May and June. Classes start at 6:30 P. M., with refreshments available for ops and their mechanics before sessions start.

42 operators from area around Albany, N. Y. met on Monday night, Apr. 29. Assn. plans to call itself Northern New York State Coin Merchants Assn. Next meet on Monday night, May 13, and all ops in the area invited to attend. . . . Barney (Shugy) Sugerman, Runyon Sales N. Y., and Abe Green, Runyon N. J., advise new AMI model "H" phonos going over so big they're begging factory for more and faster deliveries. . . . Artie Daddis, AMI district sales rep., back from Canada, spends week in N. Y. Expects to be in Phila. next week. . . . Mac Pollay rushes off to Chi on Tues. for the Wed. night Fullmer-Robinson fight, and then flies back Thurs. . . . Stanley Nankof tells us of the record breaking biz he's doing at the Rockaway Playland Arcade, not only week-ends, but all thruout week. . . . Condolences to Nat Bensky, Peekskill,, on the loss of his wife, who died Tues., Apr. 30 after a long illness. . . . Ed Ristau, Rock-Ola, visits Herman Distributing, local distribs, with all the Herman brothers, Arthur, Albert and Aaron on hand to greet him. Ed will see Phila. distrib, then back to factory. . . . Harry Koepfel moves Koepfel Distributing from West side of 10th Ave. to East side, right across the street—930 10th Ave. Same phone number. Now entire west side of street between 44th and 45th Street gone. Parking lot will be built. . . . Joe Young and Abe Lipsky, Young Distributing, smile as we stare at showroom floor display without a Wurlitzer phono in sight. "A shipment will be arriving any minute now", they advise. "Sales very good", they chorus. . . . Al Simon, Albert Simon, Inc., standing in doorway of his building, sighs, "Catching a little breath of air and some relaxation in between pressure of sales of ChiCoin's 'League Bowler' and Genco's 'Circus' gun". We figure Al's getting a touch of spring fever. . . . Milty Tone (Uncle Milty) Milty's Arcade, Bayonne, N. J., in at Munves' to buy some new arcade equip.

CHICAGO CHATTER

More money to spend as the years roll on! This is the published prediction of a Federal Reserve System official, who stated that Americans will have 33 1/2 per cent more spending money by 1965. Yep—more money. And more time to spend it on recreation and coin machines. All of which brightens the future for ops, distribs and mfrs. . . .

Art Weinand advises he never did get to bed last Tues. night on way to Montreal to attend **Romeo Laniel's** AMI showing. Art's reservations got fouled up, so he had to take another airline to Pitts., Philly and NYC, where he got in at 4:15 A.M. in heavy fog. Finally arrived in Montreal at 9 A.M. Next morn at 5 A.M., Art was on way to Toronto. Came back to **Sam Stern** and **Harry Williams** with orders for guns, baseball and pool games. . . . **Bally's Bill O'Donne'l** away from the busy factory this past week. Leaving **Art Garvey** and **Phil Weinberg** to handle umpteen hundreds of phone calls, demands for more and more Ballygames, and visitors. Moans Art, "Wish Bill would hurry back!"

ED LEVIN

Ed Levin hard at work again at ChiCoin after two weeks of Hot Springs. **Mort Score** took off promptly for E. Canada, with several stops to make in Mich. on his way back. **Sam Wolberg** and **Sam Gensburg** watching production and shipments of their new 20' 8", 4-sections model of "Bowling League." . . . Happy Anniversary to **Paul** and **Rosemary Huebsch**. They celebrate their 10th on May 3. **Roy McGinnis** back at the Keeney plant and reportedly making everyone look like pale ghosts by comparison. Paul pleased to report smart flurry of orders for "True Score" and "Super Big Tent" this past week, plus visits from **Mickey McDaniel** of Hune Co., E. Liverpool, O.; and **Tom Allison** from Indpls. . . . Over at Rock-Ola, **Kurt Kluever**, **Dorothy Kammler** and **Frank Schulz** played host the past week to **Paul** and **David Romero, Jr.**, sons of Mexico distrib **David Romero**, and two other execs of the firm. **Ed Ristau**, covering the big cities on the eastern circuit, missed out on the entertainment. **Les Rieck** up in the Twin Cities area. **Jack Barabash** reported hopping all over Texas. . . . **Gil Kitt** and **Joe Robbins** at Empire looking for more parttime mechanics to work eves and Saturdays to catch up on batches of export orders.

A wreath of smiles breaks across the face of **Bill DeSe'm** whenever he talks about United's "Bowling Alley." Then the smiles get bigger as he reports "Team Bowling Alley" going great!" **Johnny Casola** and **Bob Bever** got together last week in Noo Awleans. Fight fanatics **John Bilotta** and **Sam Solomons** joined **Bill** and **Jack (Jock MacNic)** **Mitnick** at the Robinson-Fullmer bout. . . . World Wide the usual beehive, with **Al Stern**, **Joel Stern**, **Len Micon** and **Fred Skor** all bustling about and keeping things humming. "We've got the orders," advises **Joel**, adding, "We've also got the games. And we're getting them out fast to all parts of the world." . . . **Courtney Husband**, **C&H Sales**, **LaPorte**, in town this past week to get a few more phonos for his route. Declares **C. H.**, "I'm going all out for dime play in LaPorte, regardless of the nickel ops in the area. They'll only drive themselves out of business." . . . Anyone who visits the **Bally Vending** plant on **George St.** can't help but agree that **Fred Mills, Jr.** and **John Stewart** have done an outstanding job. The block-long production line of Beverage Bars seems to have them bubbling over with enthusiasm as they thumb thru the daily stack of shipping labels.

Chi. City Council may soon end penny parking in outlying business areas. Leading firm of consulting engineers recommend approx. 400% increase of a nickel for 15 minutes, instead of 1¢ for 12 core of business areas. Also 5¢ for 30 min., with one-hour limit on fringe of these areas. The increase would add \$750,000 to \$1,000,000 to annual city revenue, they estimate. Of special significance to ops, however, is the additional statement that this increase would allow more efficient collection and result in greater turnover. Which means an ultimate profit, not of about 400%, but somewhere between 500% and 600%.

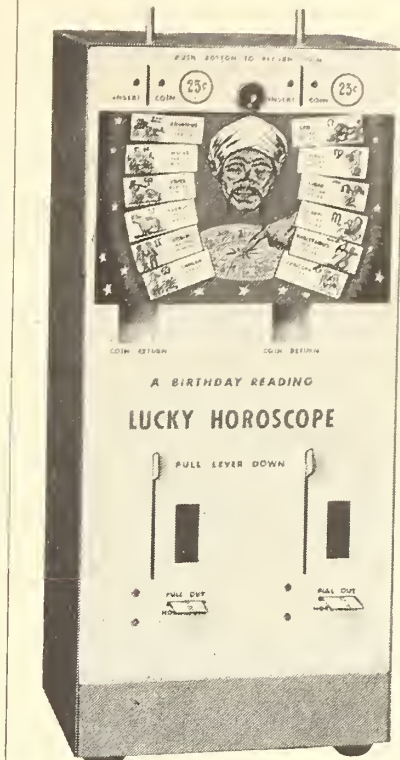

This is what The Cash Box has been telling the trade these past many years in recommending "Dime Play PLUS." And now "Two-Bits For Two." (Note: Increase to nickel parking already established at Broadway and Devon). . . . Wonder what's going on between **Jim Garrity** and **Elsie Larson**? . . . Hear that **Tom Callaghan** of Bally looking better and handsomer than he ever looked. . . . "Two-Bits For Two" is working out just fine for me," confides **Ed Mohill**. "All my 6-pocket pool games are on quarter chutes. Besides," adds **Ed**, "I'm using 10 instead of 15 balls to speed the play."

Genco's parts mgr, **Bernie Gould**, hiked down State St. Apr. 27 in Mayor Daley's Clean-O-Rama Parade. **Bernie** is community chairman of Area 62 on far NW side. So that's how Chi gets cleaner. . . . **Avron Gensburg** spending a lot of time with **Steve Kordek** in the experimental room, while **Ralph Sheffield** and **Al Warren** hustle and bustle about. . . . Those who get spring mdse catalog put out by First Dist., cast peepers on page 24. That torso and those bar bells belong to none other than **Wally "Muscles" Finke**. . . . **Joe Kline** waited to read instructions before putting the top down on his new convertible. But **Joe** came home one night to find the top down. His son, **Gary**, 8 yrs. old, had done it perfectly. And without instruction book! . . . **Dave Polo** reports collections up as spring season brings people out to play the games. . . . Last week's rumor about new gun by Exhibit verified. **Sam Lewis** discloses that it has interesting moving targets, beautiful cabinet and unique gun action. "The gun shoots balls thru the air," says **Sam**, "at something in the way of targets the trade has never seen before."

Speaking of targets, **Alvin Gottlieb** claims their Roto-Targets proved such a sensat onal hit on "Majestic" that the firm will continue this feature on the new game, "Royal Flush," just released. "Production," **Alvin** advises, "is going along at a regular clip. Business is about the same as last year. Which,"

Gottlieb's New Single Player 5-Ball Features Roto-Targets

CHICAGO—Alvin Gottlieb of D. Gottlieb & Company, this city, announced this past week that shipments of the new single player five-ball game, "Royal Flush," are now being made to the firm's distributors in the U. S. and overseas.

"The rotating targets," stated Alvin Gottlieb, "added to all the many other great features of 'Royal Flush,' make this game the best and most outstanding profit producer of all the many great games we have ever presented to the trade.

"We know by test," continued Alvin, "and from the sensational reception our Roto-Targets received in our previous game, that 'Royal Flush' is in a class by itself."

The game presents the always popular card theme. Hitting the Roto-Targets lights a corresponding card in the lite box for a six-card royal flush.

When player gets a complete flush the targets light up for special score.

There's a holdover feature. Cards in the lite box remain lighted from game to game until all six cards are lighted. This adds to the suspense and stimulates the player who has one or two cards remaining before he can score free games.

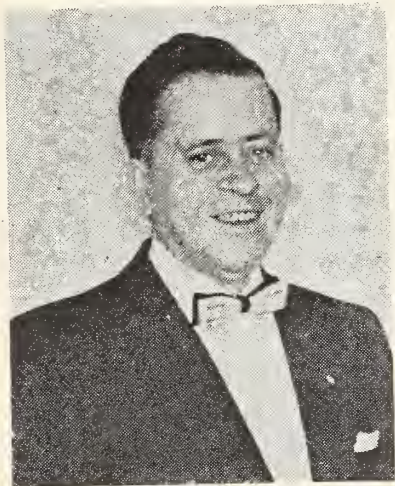

Hitting any one of four spin bumpers rotates the targets to bring up another card. Two super powered flippers shoot the ball up the field at the Roto-Targets.

Hitting rollovers 1 to 5 lights up one rollover for special. The numbers then alternate, awarding one free game when each lighted rollover is hit.

Another feature of "Royal Flush" is a new match feature for extra play. Matching the last number in the score to lighted star that appears on back glass when game is over awards 1 replay.

High score goes to 7,900,000. The game is available with twin chutes, as well as single chutes. In addition, it provides the operator with all standard Gottlieb features.

Laniel, Montreal Host To Canadian Ops At AMI "H" Show

ROMEO LANIEL

Mount Royal Hotel on Wednesday, April 24.

Operators started arriving at 3 p.m., and for a couple of hours congregated in a room alongside the ballroom, partaking of cocktails and hors d'oeuvres. Then at 6 p.m. everyone went into dinner in the grand ballroom. Prior to the meal, Artie Daddis, AMI district sales manager, acting as master of ceremonies, introduced several speakers who gave short talks on the new phonograph. Among the speakers were Romeo Laniel, Gaston Laniel, Edward Laniel, and Jean Coutu. The model "H" machines were then unveiled.

Following a most sumptuous dinner, guests were entertained by several variety acts and a number of recording artists. Entertainment was concluded by about 9:30 p.m. and guests were given the opportunity to dance, or view the new phonographs in the foyer next to the ballroom.

"Very few couples danced," enthused Romeo, "as most of our guests spent the time viewing the new phonographs. Some of them were so enthralled they stayed on long past midnight."

In addition to Daddis, from the AMI factory, were Tom Sams and Keith Norwalk.

MONTREAL, CANADA — Romeo Laniel, Laniel Amusements, this city, introduced the new AMI model "H" phonographs to about 300 operators of Canada with a most elaborate dinner party in the grand ballroom of the

One Play Free Phono Keeps Location And Players Happy

How to Make Four Plays Do What Three Plays Should

MIAMI, FLA.—Willie (Little Napoleon) Blatt of this city tells how juke box ops must use ingenuity to sometimes accomplish their purpose.

For sometime, Willie remarks, every new 200 selection phono his firm purchases is placed on location at 10¢ per play, 3 plays for 25¢.

"But," Willie remarks, "we ran up against one of those location owners. 'The kind that instantly howls, 'My players won't stand for this.'"

"So," continues Willie, "we knew we had ourselves a problem.

"In the first place," Blatt says, "the location was a very good one.

"In the second place, we weren't ever going to place a brand new, 200 selection phonograph on 5¢ play.

"That's all we had to do to rile up every other location we have.

"Well," Willie remarks, "we did a little thinking. We figured here's one location owner that has to be catered

to in an entirely different manner.

"So, what did we do?", Willie asks, and answers, "Simply this. We insisted on placing that brand new, 200 selection phonograph on 1 play 10¢, and 3 plays, 25¢.

"But," quickly adds "Little Napoleon" Blatt, "we actually set the phonograph for 1 play 10¢, and 4 plays, 25¢.

"Know what," Willie reports, "we get nothing but quarters from that phonograph. Only one or two dimes. And the location owner never says a word to us.

"But," concludes Willie, "our men have, time and time again, heard players in this location being told by the location owner. 'Don't be a chump. Put in a quarter. That machine's out of order. It gives four plays for 25¢."

"What's more, we also have 2 plays for 25¢ plus credit unit optional for those who want 'Team Play Bowling Alley' with this feature.

Gives Players Money Back Yet Triples Take

ERIN, TENN.—Talk about the ingenuity of operators, L. F. Stone of this city, tells how he and his eldest son worked out an idea on the pinball games of 25 years ago that actually gave the players their money back and, at the same time, tripled the take for the Stones.

"Back 25 years ago," Stone reminisces, "we were politely starving with a route of fifteen pinballs.

"The kind of pinballs," he reminds, "we had in those days.

"Well," Stone continues, "we were up against it. Scratched our heads. Did everything we could. But, somehow, we just couldn't get the people to play our little pinball games.

"Then one day," Stone comments, "my eldest son and myself came up with an idea.

"We fixed up our machines so that, when the players reached a very high score, and you can bet," he adds, "that we set the highest of high possible scores, the nickel would fall right out of the machine and come back to the player.

"This made the game legal because we actually refunded the money when the player proved he was sufficiently skillful to get the top score.

"The play simply tripled," Stone reports with a broad smile, "and kept on getting better.

"Of course," Stone advises, "when the factories came out with free play pinballs we dropped our own refund plan. The new free play games went over fine."

Cash Box' hasn't got enough paper, ink and type to list them all.

"Let's put it this way," Bill concluded, "just tell the operators to visit their nearest United distributor and see and play 'Team Play Bowling Alley' themselves."
