VOLUME XXII—NUMBER 4

OCTOBER 8, 1960

Miss Liberty stands atop the success ladder to add two new young stars to Liberty Records' gallery of recording personalities. The artists are Johnny Burnette and Bobby Vee—two of the hottest youngsters on today's disk scene. Johnny is riding the crest with "Dreamin'" and Bobby is climbing steadily with "Devil or Angel." Liberty Records is planning an intensive promotion behind the two lads to capitalize on the tremendous following the youths have attracted during the past year. "Dreamin'" is the title of Burnette's first LP recently released, and "Devil Or Angel" is the tag on Bobby's first LP issued last week.

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

The Cash Box Pick of the Week

"ALONE AT LAST" (2:59)

[Pearl BMI—Lehmann]

JACKIE WILSON (Brunswick 55170)

"AM I THE MAN"

[Pearl BMI—Hamilton, King]

The Wilson affinity for back-to-back hits should be continued with his latest deck. "Alone" is the rhythm Wilson against exciting rock-a-string (& chorus) while "Am I" is the ballad Wilson, a potent re-write of the famed Tchaikovsky Piano Concerto theme (familiar pop version is "Tonight We Love"). Sure-fire sessions.

**"WHOLE LOTTA SHAKIN'
GOING ON" (2:28)**

[Marlyn BMI—Williams, David]

CHUBBY CHECKER (Parkway 813)

"THE HUCKLEBUCK" (2:30)

[United ASCAP—Alfred, Gibson]

Checker, who had the kids "Twistin'" all across the nation via his last Parkway outing, should keep 'em hopping with his new stand. One end's a 'twist' up-dating of the short-while-back rock smash, "Whole Lotta Shakin' Going On" while the other's a great new teen-angled performance of the old dance favorite, "The Hucklebuck" (from his current click "Twist" LP). Sensational choral and ork support on both lids.

"PATSY" (2:30) [Meridian BMI—Otis]

"OLD TIME RELIGION" (1:57) [Briarhill SESAC—Arr.: Lester]

JACK SCOTT (Top Rank 2075)

"Patsy" is the name of Jack Scott's next chart gal friend. It's a sensational, happy rock-a-shuffler that takes him out of the sad, slow beat-ballad ("It Only Happened Yesterday") grooves. The top notch choral and musical arrangement is supplied by Bill Sanford. Also keep an eye on Scott's tantalizing, handclapping reading of the famed spiritual.

"TO EACH HIS OWN" (2:46) [Paramount ASCAP—Livingston, Evans]

"DOWN THE RIVER OF GOLDEN DREAMS" (3:10)

[Leo Feist ASCAP—Klemmer, Shilkret]

THE PLATTERS (Mercury 71697)

The Platters hit habit of reviving the oldies (currently it's "Red Sails In The Sunset") is again in evidence here. This time it's the lovely "To Each His Own" that the crew caresses in ear-arresting shuffle manner. Backing, "Down The River Of Golden Dreams," is another fine evergreen brought tastefully up-to-date, beat-ballad style. Topside (Already Happening) is from their "More Encore Of Golden Hits" LP while the flip's in their "Reflections" date.

"UP IN THE AIR" (1:58)

[Big Bopper BMI—Harold]

"CHARMING BILLY" (2:23)

[Big Bopper BMI—Courville]

JOHNNY PRESTON (Mercury 71691)

Preston can easily continue his hit string (which now includes "Feel So Fine") with both ends here. One side's a new up tempo ditty tagged "Up In The Air." The other's a 'charming' rock re-write of the oldie, "Billy Boy." Both are tailored for teen tastes. Looks like money-in-the-bank for all concerned.

"BALLAD OF THE ALAMO" (3:38)

[Leo Feist ASCAP—Webster, Tiomkin]

"A TIME AND PLACE FOR EVERYTHING" (1:49)

[Marizona BMI—Joy]

MARTY ROBBINS (Columbia 41809)

Marty Robbins' newest is a pic-title tune and it looks like a smasher. It's the 1836 Texas tale of heroism that Robbins convincingly relates in the "Ballad Of The Alamo." Chorus and quick-paced, guitar-led musical backdrop lends a fine showcase for the artist's expert storytelling. The romantic coupler is a charming lilter that makes for a very pretty companion piece. Can also make it.

"I JUST WANT TO LOVE YOU" (2:20) [Eden BMI—Otis, Benton]

"YOU'RE FOR ME" (2:20) [Eden BMI—Benton, Colocrai]

CLYDE MC PHATTER (Mercury 71692)

McPhatter's second outing for Mercury should easily follow in the hit footsteps of his label bow, "Ta Ta." This one, "I Just Want To Love You," is an easy-going, change-of-pace shuffler that Clyde, along with the Belford Hendricks-led ork-chorus, delivers in refreshing fashion. "You're For Me," is a happy quick beat entry that can also step way out.

THE STARGAZERS (Palette 5066)

(B+) **"MANHATTAN SPIRITUAL" (2:35)** [Zodiac BMI—Macted, Karten, Fredrics] English songsters offer a lyric version of the Red Owen instrumental hit of a few seasons back on the same label. Both vocal and ork backing have a bright swing quality. Jocks will like.

(B) **"THREE BEAUTIFUL WORDS" (2:00)** [Zodiac BMI—Barnes, Adams] Pretty ballad is delivered attractively by the group, whose support features a tricky guitar sound.

20TH CENTURY STRINGS

(20th Fox 222)

(B) **"THEME FROM 'THE ALAMO' (The Green Leaves Of Summer)" (1:58)** [Leo Feist ASCAP—Webster, Tiomkin] The Hugo Montenegro-directed ork does a dramatic string job on the big pic tune. A forceful instrumental version of the opus.

(B) **"THEME FROM 'KLONDIKE'" (2:08)** [Hummable ASCAP—Mizzy] Majestic French horns are included in this reading of the TV main-title. Tracks are from the ork's LP, "12 Great Themes Of The Soaring '60's."

RICHARD WOLFE ORCH.-CHORUS

(Kapp 354)

(B) **"NO ARMS CAN EVER HOLD YOU (Like These Arms Of Mine)" (2:21)** [Gil BMI—Crafer, Nebb] Oldie is re-stated with the teeners mostly in mind, and the Wolfe ork-chorus do a sparkling rock-swing job. Bright affair that the jocks can spin for all-market attraction.

(B) **"THE GIRL IN THE HIGH SCHOOL BAND" (2:19)** [Ashland BMI—Mure, Wolfe] A good-natured rockin' blues sound from the Wolfe crew. Gal does a number bit ala "Itsy Bitsy."

RAY MELTON (Hope 1001)

(B+) **"YOU AND JOHNNY SMITH" (1:56)** [Grille BMI—Isle] Contagious rock-a-billy sound on a theme about the third party in a romantic triangle. Sound could do solid teen business.

(B) **"ONLY ONCE" (1:50)** [Grille BMI—Elliot] Plaintive comments from the songster. Haunting affair. NRC handles the label.

LEWIS WEBER (Magnum 82260)

(B+) **"JEAN" (2:11)** [Southern Belle BMI—Weber] Rock-a-string presents a strong sound as the songster's setting. Name-song is catchy. Kids will go for the beat. Deck's distrib is NRC Records.

(B+) **"SWEATER OF LOVE" (2:20)** [Eastwood BMI—Weber] A warmer rock sound in this romantic about a fella who offers his gal a "sweater of love." Pretty teen statement.

MARTIN WALKER (Pinky 301)

(B+) **"WHERE CAN YOU BE?" (2:21)** [Manor ASCAP—Herman, Gabler, Anthony] Striking wistful-romantic is pleasantly warbled by the songster against a legit string ork arrangement. Generally effective softie.

(C+) **"LOVE IS EVERYTHING (They Say It Is)" (1:41)** [Manor ASCAP—Riccitelli, Kabak] Songster and support put on a slick swing show. Both takes are from an LP tagged "Baker's Dozen."

POP CORN & THE MOHAWKS

(Motown 1002)

(B+) **"CUSTER'S LAST MAN"** [Jobete Gordy, Wylie, Robinson] "Mr. Custer" produces another novelty blueser on the "last-stand" theme. Here, men come upon one of Custer's survivors. Some laughs.

(B) **"SHIMMY GULLY" (2:14)** [Jobete BMI—Wylie, Cheddar-samjun] Musicians deliver the teen-dance step with a catchy sound. Lead & chorus explain the step humorously.

BUDDY MILLER (Vem 222)

(B) **"LITTLE BO PEEP" (2:14)** [Asbury BMI—Miller] Blazing beat stuff from the vocalist and combo, which turns in a torrid performance. Plenty of teen color in this presentation.

(B) **"I FOUND MY LOVE" (2:20)** [Asbury BMI—Miller] A bluesy quality to this hard-beat semi-wail from Miller and the musicians.

THE ROCKIN' R's (Stephens 1842)

(B) **"BEWITCHED" (2:03)** [Chappel ASCAP—Rodgers & Hart] The sturdy is presented in a teen-pleasing instrumental manner, sax romantically in the lead. Nice soft-spoken rock look at the lovely.

(C+) **"WALKIN' YOU TO SCHOOL" (2:07)** [Lin-Lee Asbury BMI—Volz] A Latinish-rock approach to the OK back-to-school item which features a lead voice and chorus backing.

BUD & TRAVIS (Liberty 55284)

(B) **"THE GREEN LEAVES OF SUMMER" (2:42)** [Leo Feist ASCAP—Webster, Tiomkin] The label's folk-styled attraction offers a version of the "Alamo" tune with a smoothness that makes for inviting ballad listening.

(B) **"BALLAD OF THE ALAMO" (2:47)** [Leo Feist ASCAP—Webster, Tiomkin] The flick's dramatic entry is told with striking effectiveness by the boys. Exciting version of the "Alamo" story.

CHARLES WOLCOTT (MGM 12944)

(B+) **"RUBY DUBY DU FROM KEY WITNESS" (1:46)** [Robbins ASCAP—Wolcott] Wolcott heads the MGM Studio Orchestra in a catchy bounce-beat instrumental piece from a pic tabbed "Key Witness." Sound has a grow-on-you quality.

(B) **"LEATHERJACKET COWBOY" (2:07)** [Robbins ASCAP—Wolcott] A bluesy theme from the same flick.

CORNBREAD & BISCUITS (Maske 102)

(B+) **"THE BIG TIME SPENDER" Part 1 (2:42)** [Wilstadala BMI—Kerrin, Lendon] The comedy team goes thru their humorous paces in a session that's sure to receive action in the blues areas. Good juke deck.

(B+) **"THE BIG TIME SPENDER" Part 2 (2:50)** [Wilstadala BMI—Kerrin, Lendon] Continuation of the above stanza with a rousing finish.

The Cash Box Pick of the Week

"ISN'T IT AMAZING" (2:15) [Winneton BMI—Smith, Keyes]

"MOLLY MAE" (2:43) [Winneton BMI—Watts, Mosely]

THE CRESTS (Coed 537)

This one looks like the Crests next big chart affair. It's an attention-getting, up beat romancer, dubbed "Isn't It Amazing," that the crew, with Johnny Mastro featured, decks out in teen-appealing fashion. Bottom half takes the warm, romantic rock-a-ballad route. Top end all the way.

"IN THE HEART OF A FOOL" (2:47) [Cedarwood BMI—Walker, Tillis]

"LET'S FORGET IT" (2:31) [Central Park South ASCAP—Ray]

JOHNNIE RAY (Cadence 1387)

We'll bet our bottom dollar that Johnny Ray has a tremendous money-maker with his very first Cadence session, "In The Heart Of A Fool." It's a heartbreaking romantic lilter that Ray and the Archie Bleyer chorus-ork carve out beautifully. Coupler is another very pretty lover's lament (a Ray original) that can also attract much attention. Artist never sounded better.

"BE MY LOVE" [Miller ASCAP—Brodszky, Cahn]

"WHY DON'T YOU DO RIGHT" [Mayfair ASCAP—McCoy]

JOANIE SOMMERS (Warner Bros. 5177)

The young chirp follows her "One Boy" success with a top drawer revival of the side that brought the late Mario Lanza to fame, "Be My Love." Tune, also cut by MGM's Joni James, features Joanie in a lovely beat-ballad pose. Should be a big one. Backing is an inviting up-dating of the evergreen, "Why Don't You Do Right." Excellent two-sided assist by the Don Ralke aggregation.

"I HEAR MY BABY" (1:55) [Arc BMI—Haynes]

"OH BABY" (2:14) [Arc BMI—Bookman]

LARRY WILLIAMS (Chess 1764)

Larry Williams' latest Chess effort has that hit stamp notched into every groove of the disk. Tune, already kicking up a territorial fuss, is a staggered, up beat blueser tagged "I Hear My Baby." Chorus and ork back in winning fashion. Flip's a shuffle rhythm delighter that should also catch loads of spins.

"SWEET SLUMBER" (2:29)

[Advanced ASCAP—

Milliner, Woode, Neiburg]

"TEEN FLIP"—(2:20)

[Foresite, Mardon BMI—

Hall, Johnson, Palmer]

ERNIE FIELDS (Rendezvous 129)

Both ends of Ernie Fields' new Rendezvous release are destined for chartdom. The two sides, "Sweet Slumber," and "Teen Flip," are as different as day and night. Former's a lovely, "Georgia On My Mind"-flavored beaut with strings (arranged by Plaz Johnson) while the latter's an infectious percussive-angled quick beat'er (arranged by Rene Hall) that oughta have the teeners flippin'. It's a toss-up for honors.

"MARUSKA" [Italian Book Co.—Giannina, Rulli]

"SIBERIANA" [Selma BMI—Bixio, Cherbuni]

COSIMO (Warwick 570)

Here's a happy-go-lucky ditty that can bounce right into the big hit category. It's an extremely catchy Italian language affair, tabbed "Maruska," that Cosimo and chorus wrap up in most attractive style. Airplay should send it soaring. More ear-pleasing sounds on the undercut.

"THE STORY OF JESSE JAMES" (2:27)

[Trinity BMI—Davie, Schuster, Csida]

"SAY YOU" (2:12) [Trinity BMI—Hicks]

JAMIE COE (ABC-Paramount 10149)

It shouldn't be too long before Jamie Coe breaks into the hit-making ranks. "The Story Of Jesse James" (which deals with the time when the infamous outlaw went straight) is the tag of the chanter's new Ampar waxing and it's related with an ultra-commercial, "Stagger Lee" drive Watch it take off. Under stanza's a potent beat-ballad offering.

MARY ANNE CURTIS (Pontiac 103)

(B+) "UH UH HONEY" (2:10)
[Saxon-Curtis] Lass in nicely over-dubbed in this infectious outing. Sax and percussion sock head the setting. Could get some action.

(C+) "LET'S START ALL OVER AGAIN" (2:20) [Saxon-Curtis] A plaintive plea from the songstress.

LOUIS JORDAN (Warwick 583)

(B) "BILLS" (2:20) [Selma BMI—Butler, Terry] Fella's got lots of unpaid bills in this sock-rock blueser by the vet performer, who is assisted by a torrid combo sound. Mostly an R&B market date.

(B) "FIFTY CENTS" (2:38) [J. Fisher & Bros. ASCAP—McKay] A calypso-styled novelty here.

JERRY KELLER (Kapp 353)

(B+) "WHAT MORE CAN I SAY" (2:12) [B. F. Wood ASCAP—Seneca] Good shuffle-beat ballad sound from the songster and accompaniment, which includes a male chorus. Teeners will appreciate the semi-attack.

(B) "WHOLE HEARTEDLY" (2:25) [Rayven BMI—Davee, Keyes, Burton] Lazy-beat sentiments from the artist.

BILL & DOREE POST (Crest 107)

(B+) "BECAUSE I LOST YOU" (2:26) [American BMI—B. & D. Post] Song team blends attractively on the lovely, country-flavored plaintive. This affecting entry could develop into something.

(B+) "PLEDGE OF ALLEGIANCE (March)" (2:33) [American BMI—Music by B. & D. Post] A spirited march version of the famed pledge, with one portion devoted to the twosome's spoken version of the opus.

SUE ALLEN (World Wide 8002)

(B+) "DANCE! DANCE! DANCE!" [Savoy Wemar BMI—Brandon] Lark and musicians engage in a sprightly, rinky-dink session, with an old-time flavoring. Bears watching.

(C+) "HURRY BACK" [Savoy BMI—Thomas] Beat-ballad stint by the lass on this portion.

DOM DAVILIO ORCH./ART LANG SINGERS (Vassar 304)

(B) "LA COMPANSITA" (2:40) [Villa BMI—] The Spanish perennial is delivered with a hard rock-a-cha sound by the ork & songsters. It's a bright date that could get good teen reaction.

(B) "AYE-AYE-AYE" (2:38) [Villa BMI—] Easier and more straightforward cha-cha sound in this corner.

LINDA FIELDS (Top Rank 2070)

(B+) "KISSIN' BREAK" (2:27)
[Leonard Whitcup ASCAP—Whitcup, Ryan, Gierlach] The lark takes an impressive bow on the Top Rank label with a happy-go-lucky polka-like ear-pleaser. Attractive choral and musical showcase for Linda's bright piping. Rates loads of attention.

(B) "PROMISE ME ANYTHING" (2:15) [Leonard Whitcup ASCAP—Whitcup, Ryan, Gierlach] The fetching romancer on this end follows the soft beat cha cha route. Inviting coupling.

JOHNNY MACRAE (Candix 302)

(B+) "BETCHA JOHNNY KNOWS" (2:10) [Candix Saracen BMI—Macrae] Plot about a teen triangle is presented with a contagious sound. Macrae effectively sells the story against fine guitar-led rockin'. Could move.

(B) "THE LONELY YEARS" (2:40) [Candix Saracen BMI—Macrae] Artist gets to the heart of the philosophical item about a fella away from his loved-one.

RONNIE LOVE (Dot 16144)

(B+) "CHILLS AND FEVER" (2:22) [Hermes BMI—Rackep, Ness] Love's pro presentation of the catchy blueser could make-the-grade. He gets a steady, fine-sounding beat from the musicians. Should be eyed closely.

(B) "NO USE PLEDGING MY LOVE" (2:12) [Hermes BMI—Rackep, Ness] R&B plaintive that "answers" (though with the same tune) the old hit, "Pledging My Love."

FRANK CHACKSFIELD (London 1945)

(B+) "THEME FROM DARK AT THE TOP OF THE STAIRS" (2:40) [M. Witmark ASCAP—Steiner] Label's long-time mood-ork prize does a pretty teen-beat stint—with chanting chorus help—on the lovely, oft-cut pic melody. Well-done instrumental.

(B) "CAROLINE" (2:00) [F. Chacksfield ASCAP—Alstone] Likeable ditty gets a happy swing-rock arrangement.

TRACY PENDARVIS (Sun 345)

(B+) "SOUTH BOUND LINE" (2:25) [Knox BMI—Pendarvis] Songster does a teen-wise vocal on the fast-moving folk-type ditty, and guitars provide the important sounds in the colorful setting. Deck has rock merits.

(B) "IS IT ME" (2:02) [Hi Lo BMI—Pendarvis] Tricky Latin beat backs the performer's catchy musings.

THE VOCALEERS (Old Town 1089)

(B+) "THIS IS THE NIGHT" (2:34) [Hi-Hoss BMI—Dunham, Duncan, Fuller, Walton] Team and its strong lead get the infectious picture of the happy romantic blues-rhythmic. A sound that the teeners are currently going for.

(B) "LOVE AND DEVOTION" (2:42) [Hi-Hoss BMI—Dunham, Duncan, Fuller, Walton] As the title suggests, this session is a caress-rock stint, and the boys (and lead) are very convincing.

(B+) "YOU DON'T WANT ME" (2:28) [Cedarwood BMI—Walker, Wilkin] Artist does a pro caress job of a romantic that sometimes sounds like "Sunrise Serenade." Worth eyeing too.

ERNIE K-DOE (Minit 614)

NOBLE NOBLE (Coral 62233)

(B+) "EXCUSE ME (I Think I've Got A Heartache)" (2:20) [Briarcliff BMI—Howard, Owens] After making Top 100 noise with a country click, "Tips Of My Fingers," Noble again offers a country click, and both he and the combo-chorus have a fine rock-a-string version of the light-beat ditty. EUGENE CHURCH
(Rendezvous 132)

JEFF BARRY (RCA Victor 7797)

(B) "THE FACE FROM OUTER SPACE" (2:39) [E. B. Marks BMI—Barry, Raleigh] Fella meets up with a wierd looking (and talking) "face" (he has no body) in this tricky middle-beat affair that has the "Alley-Oop" influence on it. Will get teen-fun spins.

(B) "LONELY LIPS" (2:25) [E. B. Marks BMI—Barry, Raleigh] Barry and combo rock nicely in this theme about a fella who wants to get back his love.

THE ESCORTS (Scarlet 4005)

(B+) "LEAKY HEART & HIS RED GO-KART" (2:59) [Studio-Tree BMI—Nelson, Crutchfield] Both the vocal team's blending and the infectious combo beat display the novelty ditty with pro teen humor. Part of the proceedings involve a narrative about a car-race. Has a sound. Diskery distrib is London.

THE HUMBUGS (Studio 9906)

(B+) "HOW DRY I AM" (2:00) [Delaware ASCAP—Arr: Catalano] After the cork pops and the stuff is poured in, the musicians do a bang-up, driving rock job on the familiar tune. Both guitars and saxes are the big sound factors. Potent date.

GEORGE COPELAND (Anna 1121)

(B+) "THE BIGTIME SPENDER"
—Part 1 (2:42) [Wilstadala
BMI—Kerrin, Lendon] Whacky R&B-
directed doings, with Copeland and
guys engaging in funny shout com-
ments. Simple support beat is effec-
tive. Might be a left-field success pop-
wise.

(B+) "THE BIGTIME SPENDER"

on a slam-bang, powerful medium
paced blues. Strong deck for the mar-
ket.

(B) "BLUE SHADOWS" (2:20)
[2:20] Another tempting
blues performance by the artist. He
expertly conjures up that down-and-
out feeling so prevalent in this idiom.

ers ASCAP—Bacon] Singer
tells about the dance-step and the
combo supplies the beat for it. Fa-
miliar teen stuff.

(C+) "PIZZA PIE" (2:15) [Glen-
Mark ASCAP—Bacon] A lit-
tle more sock to this hymn to the
Italian food favorite.

THE LENNON SISTERS (Dot 16131)

(B) "FRECKLES" (2:05) [Harry
Von Tilzer ASCAP—Dunham,
Vars] Gals blend with a proper
sprightly beat on the pic main-title.
Amiable vocal stand.

(B) "I WALKED WITH THE
WIND" (2:15) [Harry Von
Tilzer ASCAP—Dunham, Vars] In-
viting ballad from the flick is tenderly
handled by the team.

BOBBY SYKES (Epic 9413)

(C+) "AND THEY DID!!" [How-
ard] A country-styled light-
beat tale of a love-lost gets an OK
reading from deep-voiced Sykes and
the combo-femme chorus.

(C+) "I'M LEARNING" [Howard]
Sykes offers a slow-beat plain-
tive.

H. B. BARNUM (Ultra Sonic 107)

(B) "THE FEELING" (2:16)
[Independent A&R BMI—
Barnum] Effective minor-key phras-
ing by the keyboard and percussionist,
who makes effective statements. Jazz
bit with commercial value.

(B) "JUST GOOFIN'" [Independ-
ent A&R BMI—Barnum]
Combo ambles nicely through this
date.

THE NIGH TRANES (Cuca 0444)

(C+) "ROCKIN' ABE" (1:22) [J.
Kirchstein BMI—The Nigh
Tranes] Musicians go at the theme
with OK sock-rock sounds.

(C) "HANGOVER" (2:28) [J.
Kirchstein BMI—The Nigh
Tranes] Unusual deliberately-paced
doings to depict a "hangover."

**JOE REISMAN ORCH.
(Roulette 4288)**

(B) "MELODIE D'AMOUR"
(2:27) [Rayven BMI—Salva-
dor, Johns] A charming instrumental
version of the onetime Ames Bros.
Edmundo Ross click. Strings & guitars
make the most striking statements.
Worth programming.

(B) "BRASILIA" (2:59) [E. B.
Marks ASCAP—Seijo] Catchy
tribute to the new Brazilian capitol.
Rhythm section is featured against
soft string work. More likeable pro-
gramming entry. Sides are from Reis-
man's "Instrumental Imports" LP.

DON & BOB (Argo 10169)

(B) "LITTLE RED SCHOOL-
HOUSE" (2:25) [Arc BMI—
Level] Contagious blueser is capably
handled by the singers, and going
along with their delivery is a fine com-
bo beat. Solid teen performance.

(B) "SHY GUY" (2:25) [Arc
BMI—Level, Fuqua] Teeners
will find more contagious work by the
boys and accompaniment.

WES BRYAN (Roulette 4289)

(B) "MELODIE D'AMOUR"
(2:13) Rayven BMI—Johns,
Salvador] The awhile back Ames
Bros.-Edmundo Ross hit is brought
with an infectious, teen-slanted touch
from the vocalist and backing. Still
an engaging number.

(B) "I GUESS I'LL NEVER
KNOW" (1:53) [Stearly BMI
—Bryan] Amiable light-beat roman-
tic survey by the singer. Chanting
femmes in the simple-beat setting.

**EL PAULING & THE ROYALTON
(Federal 12383)**

(B) "SOLID ROCK" (2:15) [Lois
BMI—Pauling] Both the
vocalist and musicians deliver a pro
sock-rock sound. Hop-throwing dee-
jays have a deck the kids will ap-
preciate.

(C+) "I'M A COOL TEENAGER"
(2:56) [Wisto BMI—Abbit]
Theme is presented with a wistful
R&B-feel beat.

**STEVEN SCOTT ORCH.
(20th Fox 206)**

(B) "RAIN FOREST" (2:30)
[Budd ASCAP—Carr, Kaye]
Haunting ork-sans lyric chorus outing
a little on the order of a Martin
Denny session. (Phil Bodner has the
flute solo). Can receive good station
action.

(C+) "SAN SOUCI" (2:00) [Budd
ASCAP—Fields, Kaye] A
sprightly cha-cha with a vocal by the
Scottsmen.

**ROY ELDRIDGE QUARTET
(Verve 10223)**

(B) "SWEET SUE, JUST YOU"
(2:23) [Shapiro-Bernstein AS-
CAP—Young, Harris] Bright, muted
trumpet styling of the lovable oldie.
Eldridge continues to say many in-
teresting jazz things after all these
years.

(B) "BOSSA NOVA" (2:44)
[Stormont ASCAP—Eldridge]
Still muted, Eldridge romps delight-
fully through an invigorating origi-
nal.

PANCHO VILLA (Chancellor 1058)

(B+) "BABY CAKES" (2:05)
[Rambled BMI—Payne] Light-
beat affair with a keyboard has cool
statements.

(B) "HURRY JERRY" (2:05)
[Rambled BMI—Payne] A
blazing sax and a catchy stint from
the rest of the musicians result in a
pro blues-styled instrumental track.
Good teen attack.

JESS DUBOY (Brooke 121)

(B+) "A CHIN' BREAKIN'
HEART" (2:05) [Jan-Pat
BMI—Wilson] Infectious rocker from
the songster & combo-chorus. Original
guitar beat opens the outing.

(C+) "THE ONLY ONE I LOVE"
(2:25) [Jan-Pat BMI—Tan-
ner] Duboy takes the easy wistful
road in this display.

**JOHNNY DESMOND (Columbia
41803)**

(B) "LOVER COME BACK TO
ME" (2:25) [Harms ASCAP—
Hammerstein, Romberg] The main-
stay from "New Moon" gets a slick,
but rock-oriented treatment from the
vet songster and Frank DeVol ork,
which has an effective slap sound
(plus big string comments). Side
should figure in lots of jock activity.
(C+) "NO ONE EVER TELLS
YOU" (2:25) [Weiss & Barry
BMI—Coates, Atwood] Moody from
the performer's "Blue Smoke" LP.

BUDDY GRECO (Epic 9404)

(B) "OOOH LOOK-A-THERE
AIN'T SHE PRETTY" (1:34)
[Leeds ASCAP—Todd, Lombardo]
Legit swing delivery of the catchy
oldie by the songster-pianist & ork.
Bright stint that has deejay-spin
value.

(B) "THIS COULD BE THE
START OF SOMETHING"
(2:37) [Rosemary ASCAP—Allen]
The oft-cut Steve Allen opus is briskly
displayed by the performer and jazzy
combo-chorus.

JUNE & JOY (Dot 16134)

(B) "LINDY LOU" (2:13) [House
of Fortune BMI—Motola,
Page] Larks blend intriguingly on the
interesting teen-ballad. By itself, the
combo backing would sound like a
Martin Denny jungle-type arrange-
ment. Original sound.

(B) "DEDICATED TO THE ONE
I LOVE" (2:30) [House of
Fortune BMI—Motola, Page] Smooth
survey of a good sentimental, not the
years-back Shirells hit.

**HENRY MANCINI ORCH.-CHORUS
(RCA Victor 7791)**

(B) "HIGH TIME" (2:20) [Miller
ASCAP—Mancini] A gay, all-
instrumental marcher on the title-
theme from the just released Bing
Crosby pic. Sunny sound.

(B) "THE SECOND TIME
AROUND" (2:49) [Miller
ASCAP—Van Heusen, Cahn] Chorus
warbles a sentimental item from the
flick score. Attractive vocal mood
stint.

DON JULIAN (Original Sound 12)

(B) "THERE'S A GIRL" (1:45)
[Drive-In BMI—Julian] Lad
is over-dubbed in this triplet-backed
ballad essay. Attractive entry.

(C+) "BLUE MOOD" (2:22) [El-
dorado BMI—Keslo, Stevens]
Guy's blue-over-the-lost-love in this
lazy vocal-setting date. Strings and
chorus included in the backdrop.

**ROY BROWN
(Home of the Blues 110)**

(B) "ROCKING ALL THE TIME"
(2:21) [Sar-Lib BMI—Brown,
Cherry] Brown has a sound somewhat
like Dee Clark's. Here he swings
vigorously the driving rocking blues
for the expected delight of the dance
inclined. Solid session.

(B) "TIRED OF BEING ALONE"
(2:56) [Sar-Lib BMI—Brown,
Cherry] With a male vocal group in
tow, the songster leads the enticing
way through an easy going, hard beat
ballad, giving it the soft sell treat-
ment.

THE FIVE KEYS (King 5398)

(B+) "VALLEY OF LOVE" (2:05)
[Gil BMI—Gregory, Carroll]
A romantic re-write of the "Down In
The Valley" folksong is read with a
good-sounding shuffle-beat by the
songsters and combo chore. Sound
could prove important.

(B) "BIMBO" (2:45) [R-T BMI—
Berry, Covay] Boys colorfully
display a storyline about a gal lover
gone away.

THE STOMPERS (Souvenir 1003)

(C+) "I MISS YOU SO (Crying
Inside)" (2:37) [C.D.A. BMI—
Cannell] Mark Cannell is the songster
in this down-deep plaintive perfor-
mance. Male chorus & combo effec-
tively catch the lost-love picture.

(C) "BLUE MOON OF KEN-
TUCKY" (1:42) [—Monroe] A
country-styled stomper with Perry
Buster the vocalist here.

JEAN TURNER (Imperial 5684)

(B) "HOW WILL I KNOW?"
(2:10) [Travis BMI—Kaplan,
Ismole] Thrush appealingly essays the
pretty statement with a how-will-I-
know-when-I-fall-in-love theme.
Strings softly back-up.

(B) "DON'T CRY BABY" (2:04)
[Advanced ASCAP—Unger,
Bernie, Johnson] Bluesy moody is
capably conveyed by the talent.
Chorus is included here.

DANNY STEWART (Phillips 3561)

(B) "I'LL CHANGE MY WAYS"
(2:17) [Hi Lo BMI—Stewart]
A Presley-like rock-a-billy attack
from the singer and romping combo.
There's a deceptive "ballad" opening.

(C+) "SOMEWHERE ALONG THE
LINE" (2:41) [Knox BMI—
Padgett] Stewart offers a slow-beat
plot about a guy who tells the gal-
gone-away that she'll like someone
like him "somewhere along the line."

DEATON & MAD LADS

BILLY BROWN

UN Preview For Decca's UN Album

NEW YORK—Within the confines of United Nations headquarters here, Decca Records recently held a special preview of its "Voices Toward Peace" LP, a history of the UN from its debut in 1945 to the present Congo crisis set for release this month.

The LP—narrated by actor Ralph Bellemy—contains excerpts from actual UN sessions, and is the result of ten years of concentrated effort on the part of writer-producer-UN correspondent Saul Carson, who has dedicated the package to UN Secretary-General Dag Hammarskjöld.

Arrangements to hold the advance preview at the UN were made by Carson. Decca's publicity department formulated and executed a full-morning's program for the non-UN press that had been invited. A special tour was arranged to take the guests through the UN press section, and other usually restricted areas of the vast building, and was followed by a special briefing in Delegates Conference Room 1, and was joined by UN correspondents, Delegation Press Officers, and representatives from UN accredited non-governmental organizations to hear a tape of the album prepared by Carson and Israel Horowitz, Decca A&R producer. Paul Sanders, president of the United Nations Correspondents Association, Leonard Schneider, Executive vice-president of

Decca Records, R. K. Pittendrigh, United Nations Radio, Gohl Obhrai, Deputy Director of the Audio Visual Service for the United Nations, Dr. Hernane Tavares de sa, United Nations Undersecretary for Public Information, and Michael Hayward, Chief of Operations for the Audio Visual Services for the United Nations each spoke briefly about the United Nations, and praised Carson for his tasteful and dramatic documentation of the moments in the history of the organization.

Above photos were taken at the UN preview: reading left-to-right: (top left) Sanders, Tavares De Sa, Pittendrigh, Carson and Schneider listen to the playback of the album; (topright) a UN guide describes one of the conference rooms during the tour; (bottom left) Bob Austin and Irv Lichtman of The Cash Box and Lou Boorstein in the Delegates Conference Room 1; (bottom center) Carson; (bottom right) a general view of the Delegates Conference Room 1.

BIOS FOR DEEJAYS

Larry Verne

Larry Verne's rise to fame with the novelty smash "Mr. Custer" came about from a complete personality change in his singing style. Previously a soft-spoken, easy going vocalist with "cultured" manners, he made the transformation to a hard-hitting, western "twang" style out of disgust with his failure.

Born in Minneapolis, Minn., Feb. 8, 1936, Verne became familiar with the piano as soon as he was tall enough to reach the keyboard. In time the piano gave way to the guitar. His proficiency as a singer-guitarist prompted his friends at Marshall High School to encourage him to enter as many contests as possible. But it was always the rock-a-billy artists who won out over Larry's casual style.

Invited to audition for the recording of "Mr. Custer" by Era Records, Larry, at first, retained his own approach. When someone at the audition suggested he try clowning in a nasal voice, Larry immediately tore into the song with vigor and punch. That was it. A new star was born.

Neil Sedaka

At 21, Neil Sedaka is one of the most consistent hit-makers in the record business today. This pinnacle has not only been attained through his hit records for RCA Victor, of which "You Mean Everything To Me" and "Run Sampson Run" is his latest two-sided smash, but through his song writing talents. With lyric writer Howard Greenfield, Sedaka has produced "Stupid Cupid," "Fallin'" and "Frankie" for Connie Francis; "Since You've Been Gone" for Clyde McPhatter, "I Waited Too Long" for LaVerne Baker and "Time Marches On" for Roy Hamilton. He has also written all his own hits.

Another facet of the Sedaka talent is his proficiency as a classical pianist. A graduate of the famed Juilliard School of Music, Sedaka had nurtured a desire to become a concert artist until he met Howie Greenfield, a neighbor of his in Brooklyn. Together they've built up a fantastic repertoire of pop songs over the few years they've been a team.

The latest and most ambitious undertaking by the team has been to write the entire score for the forthcoming MGM film, "Where The Boys Are."

ALL ABOUT DISK JOCKEYS

With a cooperative public service view toward Fire Prevention Week, Bob E. Lloyd of WHEC-Rochester, N.Y. offers the following music list as a guide to program directors, librarians and jockeys: "If Fire A Bell," "Hose Foolish Things," "Hydrant Want To Walk Without You" and for the sign-off selection: "Sirenara." . . . Up to the office last week was Dick Taylor, the librarian for CHED-Edmonton, Alberta, Canada, who told us he's in dire need of disks for

airplay. . . . Two Texas teenagers can thank the modern three R's—rock 'n' roll and record hops for paving the way for the pursuit of the eternal three R's. By dint of a grant from KTSA, which turned over the proceeds from an early April "Bunny Hop," Trinity University established two full scholarships for students majoring in English or journalism. This year's recipients were two 17 year old San Antonio high school honor graduates. Jack Fiedler, general manager of KTSA said the Spring hop will be an annual event for bolstering the scholarship fund. In addition, plans are being laid for other McLendon stations to embark upon a similar program. . . . Hurricane Donna ripped through Florida and up the East Coast and in its wake left a water-logged, mud-spattered radio station known as WNOG-Naples, Fla. Barbara Pritchard, the musical director, writes that most of the older 45's are OK but the albums (from A to M) and the newer 45's are a mess. So let's all pitch in with some disaster assistance. . . . WICE-Providence, the first of the Rhode Island stations to go 24 hours, has noted good audience reaction, especially to the all-night Jim Mendes show. . . . Al Wiman, KFVB-Hollywood, announced that his wife Betty has delivered 7 lb. 15 oz. Clare into the world. . . . And Gene Perry of WLCS-Baton Rouge, La., is proud of his first child, a boy. . . . KEX-Portland, Ore. gets a big plug in the new MGM film, "Ring of Fire." KEX newsmen Roger Ferrier and the KEX news car portray a radio newsman and a radio news car in the film, which is on location in Vernonia, Ore.

It is with deepest sorrow that we record here the untimely passing of Harry H. Lockhart, host of the morning "Tune Inn" program at WWSW-Pittsburgh. Lockhart, 36, is survived by his wife Virginia and four children. He has been with WWSW since 1951. . . . "Big" Ed Locke, who hosts the "Golden Sound of WNTA" over the Newark, N.J. station, his wife, the former opera artist Carolyn Knight, and vocalist-musician Locke MacDonald have formed a night club variety act, debuting the trio at the Coral Room of the Hotel Governor Clinton. Ed acts as MC, writes much of the special material, handles the baritone chores and even does a little soft shoe. . . . Lonny Starr, WBIC-Bay Shore, L.I., musician, is skedded to emcee the Autumn Festival of the Long Island Sons of Italy. On the bill so far with Starr are Connie Francis, Lou Monte and the Barry Sisters. . . . Ron Roberts pens that WSTS-Massena, N.Y. has extended its Top 40 to a Top 81. Never can tell where it will end. . . . In another attempt to raise needed funds for educational purposes WIP-Philadelphia has formed the "shortest team on record" basketball team and has sent out a challenge to all high school faculty teams in the station's coverage area. Prerequisites to accepting the challenge, the school must sell tickets to the event and use the money for any worthy school project. Among the team members are disk jockeys Gene Milner, Dick Reynolds, Dick Carr, Dan Curtis, Marty O'Hara, Tom Brown and Jo McCauley.

VITAL STATISTICS:

A raft of station changes are in the offing as last week two top personalities departed their stations. Gene Kaye parted company with WAEB-Allentown, Pa., and Tom Clay resigned his post at WQTE-Detroit. . . . Also Jim Chaplin left WWOW-Conneaut, Ohio, for an unannounced post in California. Chaplin's hours have been divided among the other three staffers and no new appointment will be made until next summer. . . . As of Oct. 3 Jack Palvino will be doing the 1-3 trick for WBBF-Rochester, N.Y. He formerly was program director at WGVA-Geneva, N.Y. . . . Earl McDaniel, who has been doing the all-night'er for KFVB-Hollywood as a summer replacement, is now a permanent member of the staff. He's moving into the Sunday night slot. . . . Jim Mortell, formerly of WTTN-Watertown, N.Y., is now spinning for WISN-Milwaukee—a return to his home town. . . . Lynn Cole (Charlie Brown) has left the PD post at KGKB-Tyler, Texas for the same position with KAVI-Rocky Ford, Colo. . . . "A Little Jazz" is the title of a new weekly jazz program which Sterling Yates is handling on KDKA-FM-Pittsburgh. . . . Liberty recording artist Johnny Mann was appointed music consultant for KFVB-Hollywood. . . . Launching Oct. 3 is "Flair" a 55 minute daily afternoon session with Dick Van Dyke hosting interviews and disks. The show is exclusively on WTAO-Boston, which gets it through the facilities of ABC in New York. . . . Max Resnick, local Washington, D.C. radio and TV personality, and Robert Symonds have purchased KFOX-Long Beach, Calif. for \$850,000 from Kenyon Brown, Kevin Sweeney and Bing Crosby. The sale of the AM-FM outlet is subject to FCC approval. Resnick recently bought WYOU-Norfolk, Va., and plans to buy three more stations in major markets this year. WICE-Providence has requested FCC authorization to operate an FM station.

Schachere Named MGM Sales Head

NEW YORK—Leon Schachere has been appointed to the post of national sales manager of MGM Records, replacing Charles Hasin, who has joined Everest Records as sales topper.

In making this announcement, Sidney Brandt, vice president in charge of operation, stated that Schachere, who will assume this post immediately, has had varied sales experience on the merchandising and sales management level—both in the retail and wholesale fields. Prior to joining MGM this year, Schachere was a divisional manager of the Magnavox Company.

International Writer Society Meets In Switzerland

LONDON—The 21st Bi-annual International Confederation of Societies of Authors and Composers (CISAC) took place at Burgenstock, Switzerland from September 12 to September 16, and the congress, which is a 'get together' for members of all Performing Rights Societies within the Berne Convention, was a great success and attended by over 200 delegates representing 29 countries.

Great Britain was represented by Sir Arthur Bliss (Master of The Queen's Music and President of the P.R.S.), publishers Leslie Boosey of Boosey & Hawkes, Jimmy Phillips of Peter Maurice; composers William Alwyn, Lennox Berkley, Vivian Ellis and Guy Warrack, Mr. Walter, general manager of P.R.S., Mr. Whale, secretary P.R.S., and No. 1 song writer Paddy Roberts—a director of P.R.S., chairman of the Song Writers Guild and recently appointed to the Board of Mechanical Rights Society. Roberts told The Cash Box that the idea behind the confederation is to standardize as much as possible the operating methods of member societies throughout the world. The highlights of this year's agenda included the proposal by the British P.R.S. to invite Russian authors' societies to join C.I.S.A.C. It is hoped that this vitally important musical country will respond favorably to the international approach which it is planned to make. Another major point of interest was the proposal for extending the period of copyright from 50 to 80 years after the author's death and delegates were charged to approach their respective Governments regarding this. Incidentally, the present American period of copyright extends only for 28 years from the date of registration.

Discussions also took place on the new German draft copyright law and recommendations for certain modifications were put forward, similarly the draft International Convention covering the protection of performers, makers of phonograms and broadcasters vitally affecting the interests of authors, came under review. For the first time Japanese delegates were present at the Convention and Japan was formally elected to membership of C.I.S.A.C.

Apart from the formal conferences great importance is attached to the social side of the convention affording ample opportunities for delegates to meet informally and discuss their mutual problems. Representatives from other countries attending the convention included Cedric Dumont (Switzerland) Josef Hochmuth (Austria) Enrique Lebendiger (Brazil) Jack Mills (U.S.A.) and Robert Salvat (France).

Hasin To Everest As Sales Head

NEW YORK—Charles Hasin, for fifteen years head of MGM Records sales department, has joined Everest Records as sales manager, label general manager LeRoy Holmes announced last week. Hasin replaces Charles Schicke, who recently left Everest to re-join Epic. Hasin will put his experience to work in the newly re-organized company, which has revealed that it's going to concentrate "heavy efforts" in the pop field rather than continue its policy of "classical first, pop second."

Disk Industry's Foreign Profits Will Equal Domestic, Atlantic's Miriam Bienstock Concludes After Tour

NEW YORK—The present-day record market has grown to such proportion that diskeries in the not too distant future will, ala motion-picture firms, realize as much profit from foreign sales as from domestic markets. This was the conclusion of Atlantic Records veep Miriam Bienstock after just concluding month-long tour of Europe.

While abroad, the exec conferred with Atlantic sales reps and met with

leaders of the music field throughout the continent. She also made numerous appearances on TV and radio and met with leading members of the press for promoting upcoming Atlantic disks.

Muni Resigns From WMCA

NEW YORK—Disk jockey Scott Muni announced his resignation from radio station WMCA last week. The resignation is effective at the end of October.

In the 2½ years that Muni has been with the station he has been one of the leading disk jockeys in the New York metropolitan area. He attained the highest Nielsen rating for his time slot (7 to 10:30 PM) during the month of August 1960.

Muni, in a telephone conversation with The Cash Box, said his reason for leaving was that he "no longer had a challenge for my talents at WMCA. I am looking for a real challenge now." He disclosed no immediate plans.

Before coming to WMCA in early 1958, Muni spent two years with WAKR-Akron, Ohio, serving as music director and program director. During his tenure at WAKR, the station attained the highest Nielsen than any station in the country. He was brought to WMCA by Ralph Atlas, former head of WIND-Chicago and a consultant then for WMCA. Muni was brought in as an advisor to the station's music policies, which he helped shape during his two and a half years.

Muni is also 1st vice president of the Disk Jockey Association.

"Alamo" Gets Big Disk Play

NEW YORK—Disk coverage on the upcoming "Alamo" flick music is already one of the most extensive ever for a film score. Most of the waxings—including singles, EP's and LP's—center around two songs, "The Green Leaves Of Summer" and "Ballad Of The Alamo." Music is by Dimitri Tiomkin, lyrics by Paul Francis Webster. Robbins Music publishes.

The ten singles so far on "Leaves" include: Brothers Four (Columbia), Bud & Travis (Liberty), Clebanoff Strings (Mercury), The Easy Riders (Kapp), Medallion Strings (Medallion), Montavani (London), Hugo Montenegro (20th Fox), Harry Simeone Chorale (20th Fox), Nic Perito (nUited Artists), and Nelson Riddle (Capitol). The Simeone, Bud & Travis and Easy Riders decks are backed by "Ballad Of Alamo." Marty Robbins (Columbia) is represented with a single version of "Ballad."

Frankie Avalon, featured in the flick, has a Chancellor EP of three songs: "Leaves," "Ballad" and "Here's To The Ladies."

LP's include: the original soundtrack (Columbia), "Remember The Alamo"—Terry Gilkyson & The Easy Riders (Kapp), "Music From The Film, 'The Alamo'"—Tex Beneke Orch. (Camden).

Old Town Bows Jazz Series; Names Stan Free A&R Head

NEW YORK—Hy Weiss, Old Town Records head, announced plans for a new jazz album series to be released on the Old Town label. Stan Free, former Chris Connor arranger and accompanist, has been appointed A&R head for the new series.

Weiss stated that he intends to build an extensive jazz catalog over the next few years. Present plans call for the release of the series' first two albums this month followed by one new album every two or three months.

The first album, "Piano A La Percussion," features Free on piano and Cuban percussionists Jose Mangual and Patato. Also being cut is "The Purple Grotto" featuring Don Lammond, Lou Stein, Barry Gailbraith, Clark Terry and Phil Bodner.

Weiss also disclosed that he has signed Ted Curson, trumpeter for Charlie Mingus, to a recording contract. Curson's session, held last week, features Philly Joe Jones, Doug Watkins, Kenny Drew, Curtis Fuller, Eric Dolphy and Jimmy Heath. Release is planned for the near future.

At the same time, Free announced that he is embarking on a college concert tour, under GAC auspices, and plans to promote the "Piano A La Percussion" LP extensively.

Avakian Joins Victor As Pop LP Mgr.

NEW YORK—George Avakian, record producer for more than twenty years and one of the leading creative figures in the industry, has joined RCA Victor Records as pop albums manager, it was announced last week (30) by Robert L. Yorke, division vice-president of the commercial records creation department. Avakian leaves his post as A&R director at Warner Bros. Records.

"I cannot adequately express our delight at having George join RCA Victor," Yorke said. "His personal integrity and the dignity of his business and artist relations have brought honor to every company with which he has been associated, and to the entire recording industry as well."

"George has been one of the handful of true leaders in the record industry, and we at RCA Victor shall

be proud to give him the cooperation and the opportunity he'll need to expand his already distinguished career."

Avakian will assume his new duties at RCA Victor this week, reporting to Steve Sholes, pop A&R manager.

At Warner Bros., Avakian supervised the best-selling Bob Newhart album which is rapidly approaching 500,000 LP sales. Most recently, he supervised a new album with Newhart which will be issued shortly.

In singles, he has assisted Wesley Rose in producing the Every Brothers recordings for WB.

Before joining Warner Bros. Records in 1958, Avakian was a record producer for 18 years at Columbia Records, where he discovered and recorded Johnny Mathis, and made records by such artists as Dave Brubeck, Miles Davis, Michel Legrand, Louis Armstrong, Erroll Garner, the Les Elgart Band and Lotte Lenya, among others.

For a brief period he was associated with the World Pacific label, where he recorded Chico Hamilton and Gil Evans, among other artists.

Among the creative projects he has completed beyond his regular A&R duties is the album of the works of the controversial composer John Cage, recorded in concert at Town Hall in 1958. Avakian financed, recorded, and is distributing the set.

Avakian launched his recording career in his undergraduate days at Yale by convincing Jack and Dave Kapp of Decca Records that the label should record such jazz artists as Eddie Condon, Pee Wee Russell, and Bud Freeman.

An active member of many industry committees, Avakian was one of the founders of the National Academy of Recording Arts and Sciences, and is presently a national trustee of that organization.

Ram Signs Clebanoff To Management Contract

NEW YORK—Buck Ram has signed violinist-conductor Hermann Clebanoff to a long-term management contract. Ram produced Clebanoff's just released first single, "Green Leaves Of Summer," the oft-cut tune from the upcoming flick, "The Alamo." Tune was cut in California, and Dimitri Tiomkin, who composed the music, attended the date.

There will be a total of 32 awards given.

Victor Launches Opera Promo

NEW YORK—In a move designed to further dramatize RCA Victor's nationally advertised price cut on complete opera packages, the company is launching a major opera promotion in October, it was announced last week by W. I. Alexander, advertising and promotion manager. The main effort will be directed at the consumer through national magazines, in-store promotions, and radio and press.

Extensive point-of-sale material will be available, including mounted album covers on the newly-released Don Giovanni, and Il Trovatore and Turandos (LM/LSC-6149). Streamers in two sizes have been prepared and a handsome full-color catalog for mailing or in-store giveaway is shipping now. In addition, self-selling stickers featuring the new low prices will appear on Don Giovanni, Il Trovatore, and Turandot. Ad mats in various sizes will also be available.

Full-page ads on the opera promotion will appear in such consumer publications as The New Yorker, The Saturday Review, The New York Times Magazine, and special full-page ads to fully exploit the Turandot reviews will appear in various mags.

One of the major facets of the opera promotion will be special "Opera Festival" scripts and programs for "Music You Want" subscribers. One of the most unusual features of the radio promotion will be a special one-hour behind-the-scenes radio documentary on the making of "Turandot." This recorded program will be shipped to over 500 "good music" stations in the country.

"Our Concerto" Reaches Italian Gold-Disk Mark

NEW YORK—"Il Nistro Concerto (Our Concerto)," Italy's top-selling tune, has reached the 100,000 sales mark there, equal to a million-seller in the U.S. Song has been on the Italian charts for twenty weeks. Lawrence & Gorme Set For Nitery Teaming

NEW YORK—Steve Lawrence and Eydie Gorme will perform together for the first time in a series of night club engagements. Heretofore, the two popular singers have performed together only on television.

They will make their New York premiere at the Copacabana in a three-week engagement, starting October 20, following a week-long break-in date at the New Lotus Club, Washington, D.C., beginning October 6.

Interest in the two singers by night club operators has been running high ever since Lawrence completed a two-year tour of duty with the U.S. Army last month. As a result, contracts have already been signed for the pair to appear at the new Latin Casino in Philadelphia, the Americana Hotel in Miami, and the Sahara Hotel in Las Vegas during the coming fall and spring seasons.

They will not perform together on television during the tour, although each has been set for individual appearances on the Garry Moore and Perry Como shows. The only exception to this will be their own television special, which is being discussed at this time.

Don Costa, A&R director for United Artists Records, is writing the musical arrangements for the night club act, and Joe Guercio will conduct.

Capitol Backs Cole Musical

HOLLYWOOD—Capitol Records is investing \$150 thousand in Nat King Cole's forthcoming Broadway musical, "I'm With You," thus undertaking the role of Broadway angel for the second time this year and acquiring rights to its third original-cast show album of the new Broadway season.

Announcement of Capitol's dual role in the new Cole venture was made by Lloyd W. Dunn, Capitol's vice president for A&R.

Described as "practically a one-man show," Cole's "I'm With You" will be produced under the personal aegis of Paul Gregory. It features book, music and lyrics by the youthful team of Dotty Wayne and Ray Rasch, creators of Cole's new album, "Wild Is Love."

On May 27 the firm disclosed its acquisition of original-cast-album rights to "The Unsinkable Molly Brown," the new Meredith Willson-Richard Morris musical, as well as the company's investment of \$220 thousand in the show itself. On July 1st Capitol announced acquisition of original-cast-album rights to "Tenderloin," the new musical featuring production by Griffith and Prince, direction by George Abbott, book by Jerome Weidman, with music and lyrics by Jerry Bock and Sheldon Harnick.

"I'm With You," scheduled to open on Broadway February 1, began rehearsals on September 15 in preparation for a pre-Broadway tour that will begin October 17 in Denver and conclude January 28 in Boston. Bill Colleran, a Broadway newcomer who has previously been identified with the screen and television, will direct the show. Eugene Loring has been set to do the choreography, and Ralph Carmichael will do the orchestrations. Besides Cole, the cast includes Barbara McNair.

According to Dunn, Capitol's original-cast album of the show is currently scheduled for release soon after the Broadway opening.

New Victor Red Seals Topped By Vol. 2 Of 60 Years Of Music

NEW YORK—Topping RCA Victor's October Red Seal LP's is a second volume of "60 Years Of Music America Loves Best," which follows the best-selling first volume.

Like the first, Vol. 2 contains two LP's and will be nationally advertised for a limited time only at the special price of \$4.98. Thirty selections are included, including performances by Harry Belafonte, Perry Como, Rachmaninoff, Tommy Dorsey, Toscanini, Mario Lanza, Rise Stevens, Leonard Warren, Arthur Fiedler and the Boston Pops, and others.

October marks the release of two "firsts" by artists new to the Victor label: pianist Malcolm Frager, winner of 1960's Queen Elisabeth of Belgium prize and the Leventritt Piano Competition, and English guitarist Julian Bream. Frager plays Prokofieff's Second Piano Concerto and the Haydn Sonata No. 35 in E Flat. In "The Art of Julian Bream" the guitarist, who is embarking on his first national concert tour of the U.S. under the auspices of Sol Hurok, plays music by Scarlatti, Cimarosa, Ravel, and others.

A new recording of Don Giovanni is part of the October release. The cast includes Cesare Siepi, Birgit Nilsson, Leontyne Price, Cesare Valletti, Fernando Corena, and Eugenia Ratti, while Erich Leinsdorf conducts the Vienna Philharmonic Orchestra. A four-LP set, Don Giovanni will be available at the new low prices for Victor complete operas. Manufactur-

er's nationally advertised price for the stereo version, formerly \$23.98, will be \$17.98, while monaural, formerly \$19.98, will be \$14.98.

Artur Rubinstein is represented in the October Red Seal release by an all-Brahms album in which the great pianist plays the Sonata in F Minor as well as the Intermezzo Op. 116, No. 6 and the Romance, Op. 116, No. 5.

The first Wagner album by Fritz Reiner, "Reiner Conducts Wagner," will also be released in October. Reiner and the Chicago Symphony play the Suite from Meistersinger and Sigfried's Rhine Journey and Funeral Music from Goetterdaemering.

The October Red Seal release is rounded out by a new "Berlitz Simplified Spanish"; Vol. IX of the "History of Music in Sound covering Romanticism"; Vol. X of the "History of Music in Sound," covering Modern Music; and Grade 6, Vol. II of "Adventures in Music," RCA Victor's new record library for elementary schools.

SPRINGFIELD, MASS. — Cadence songster Johnny Tilotson (center) is shown with WHYN deejays George Wildey (left) and Phil Drumheller (right) during a recent hop conducted by the outlet. Along with Johnny on the trip was Cadence promotion manager Budd Dolinger. Artist's newest chart-maker is "Poetry In Motion."

Cosnat "Treasure Chest" Promo

NEW YORK—Cosnat Distributing is introducing a "Treasure Chest Promotion" for record dealers in each of its eight areas. Every time a Cosnat salesman visits a record dealer he leaves a key. For every order placed, the dealer receives an additional key. Dealers are saving these keys to try to open the locked Treasure Chest on view in each Cosnat branch. Holders of the lucky key which opens the Chest then may select a special merchandise gift envelope which offers him an assortment of many valuable prizes. There are several winning keys in each area.

While this promotion ends October 15, many record dealers reportedly have evidenced an interest in running a Treasure Chest promotion on the consumer level and Cosnat is cooperating in helping the dealer to set up his own promotion.

Wiener Sets European Trip

NEW YORK—Wemar Music topper George Wiener leaves this week (5) for a European business trek. First stop is Wemar's London office for a week and then to Milan, Rome, Paris, Amsterdam, Hamburg and back to London. Capitol Issues "Paradise" LP

LOS ANGELES—Capitol Records has released a previously announced LP, "Ports Of Paradise."

The album, which was produced by Capitol in association with the Matson Navigation Co., spotlights the combined talents of Newman, winner of eight Academy Awards, and choral director Ken Darby, who has one "Oscar" to his credit. The pair produced Decca's successful islands LP, "Magic Islands."

The sequence of musical numbers in "Ports" was suggested by the regular cruise itinerary of Matson's sister ships, the S.S. Monterey and S.S. Mariposa—to New Zealand by way of Tahiti, and return via Fiji, Samoa, and Hawaii.

In addition to the interpretations of Newman and Darby, the album contains a spectacular 16-page booklet which includes a description of the voyage, plus 19 full-color photographs of the "Ports of Paradise."

The Newman orchestra and the Darby choir are joined on four songs by vocalists Mavis Rivers, Bill Lee and Norma Zimmer.

CMA Letters To DJ's Urges Participation In "Top 10" Listings

NEW YORK—In the Country Music Association's drive to correct the situation in which phony tunes are being sent to the trade-papers for the country charts, the organization's committee has sent a letter to CMA deejay members urging them to send in their top tunes on the basis that "the more sources of reports the trade papers have, the truer the picture they can produce on their charts."

"Certainly we all want to continue [country] charts in the trade papers, and certainly we want them to be as accurate as possible . . . you will be doing yourself, us, and the trade as a whole a favor if you will take the time to do this valuable work," the letter adds.

In addition to the CMA letter, Cracker Jim Brooker, CMA deejay rep, has sent the jocks a personal letter: ". . . I urge you to do everything possible to help overcome this situation by accurately reporting the 'top ten' tunes in your area each week. Even though you are busy and may have to sacrifice some of your time this will benefit the music industry as a whole, and will be greatly appreciated by all."

Everest Adds To Promo Staff

NEW YORK—Johnny Brantley has joined the promotional staff at Everest Records, general manager LeRoy Holmes announced last week. Brantley, who recently worked with deejay Alan Freed, last week visited jocks in New York, Philadelphia, Washington and Baltimore plugging the label's new singles, and will soon head for the Mid-West. The diskery said he will concentrate on the smaller stations "where the single hits seem to be starting."

Chi Distrib Moves

CHICAGO — Bill Sheppard, general manager of Mark Record Distributors, announced last week that the firm moved its headquarters into the record row section of this city, located at 2324 S. Michigan Ave. This, according to Sheppard, was a very necessary expansion and convenience move.

Prime labels distributed by the firm are: Veltone, Sue, Fury, Promo and Addit.

Sheppard stated that the current records high in sales for Mark are "A Fool In Love" by Ike & Tina Turner; "A Million To One" by Jimmy Charles and "Cyclone" by Bobby Hendricks.

Seven Jazz LP's In Epic's Album Release

NEW YORK—Fifteen LP's—two pop, seven jazz and six classics—are included in an October Epic Records release.

The pop packages are: "Anyone Can Play The Bongos"—Willie Rodriguez and Chuck Sagle Orch.; "Meet The Band"—Marine Band of the Royal Netherlands Navy.

Victor Skeds Sacred LP's For Fall & Winter

HOLLYWOOD, CALIF.—To meet the needs of what it terms the "constantly broadening sacred market," RCA Victor Records has lined up a heavy schedule of sacred packages aimed for mass appeal as well as the strictly religious buyer, it was announced last week by Darol Rice, A & R director of sacred music.

"The sacred market has expanded so greatly and so steadily during the past two years," said Rice, "with a surprising increase in stereo sales in the last year. Whether there is a gradual awakening to this type of music or whether recent world tensions have exerted an influence is not for certain, but the general step-up in all three speeds is significant of note," stated Rice.

"Selection of repertoire for the forthcoming LP's will put emphasis on the old favorites rather than new material since the public has indicated it would prefer to listen to already familiar songs," continued Rice, "and a specific theme or biblical thought is the basis for each package."

There are four albums slated for October release: "The Holy Land" by George Beverly Shea; "Beautiful Isle of Somewhere" by the Blackwood Brothers; "The Grace of God" by Ed Lyman and "Wonderful Words of Life" by the Laymen Singers.

Leading the agenda for January is an album titled "Faith, Hope and Charity," which marks the debut into the sacred field of popular band singer Connie Haines. Also scheduled is a strongly pop flavored LP by The Statesmen called "The Statesmen Out West." Rounding out that month's release will be "The Call of the Carillon" by John Klein and "Back to the Bible Broadcast, Vol. II" by the Back to the Bible Broadcast talent.

Subsequent releases will include "Tony Fontaine Sings His Most Requested Hymns," "The Blackwood Brothers On Tour," "The Church In the Home" by the Church In the Home radio, TV talent and another album by best-selling Bev Shea tabbed "Crossroads of Life."

"FOR TEENAGERS ONLY"—Bobby Darin—Atco SP 1001

After courting and winning the adult market over the past couple of years, Darin returns to the scene of his original triumphs in an album directed specifically at his huge teen fandom. He cavorts infectiously through a host of bright, hard-beat swingers, balancing them nicely with a few effective ballads. Selections include "I Want You With Me," "Pity Miss Kitty," "All The Way Home" and "That Lucky Old Son." Packaging is also pertinent: double fold jacket with large tear-out color photo. A sure chart item.

Conway Twitty's Greatest Hits

"CONWAY TWITTY'S GREATEST HITS"—MGM E3849

The rock rhythm popster is offered to his fans in a disk review of his past successes. Packaging is in the picture-laden, two fold jacket tradition, and invites teen attention. Among the tunes are "It's Only Make Believe," "Danny Boy," "Lonely Blue Boy," "Is A Blue Bird Blue" and "The Story Of My Love." Anticipate strong acceptance.

"THE DRIFTERS' GREATEST HITS"—Atlantic 8011

One of the more consistent hit-making vocal groups, the Drifters are spotlighted here in their smash performances of "There Goes My Baby," "Dance With Me," "This Magic Moment," "True Love, True Love" and other previously released singles from their extensive catalog. Strong for pop and blues markets.

CLYDE McPHATTER

ta ta!

"TA TA"—Clyde McPhatter—Mercury SR 60262

McPhatter's initial LP date for Mercury features him in the hit performance of "Ta Ta," but more importantly puts the spotlight on his ballad/upbeat versatility in a collection of new songs. Six of the tunes are self-penned while others are by label recording director Clyde Otis and Belford Hendricks, the LP's arranger-conductor. Among them are "How Many Times," "Why Was I The One You Chose," "I Need A Love Like Yours" and "High School Social." Rollicking, rocking session with high saleability.

A LOT OF DOMINOS!

". . . A LOT OF DOMINOS!"—Fats Domino—Imperial LP 9127

The latest album by Fats includes his irresistible performances of "Put Your Arms Around Me Honey," "The Sheik Of Araby," "Walkin' To New Orleans" and "It's The Talk Of The Town," among others. Indeed, it is "A Lot Of Dominos!" His highly infectious style is always at a premium in the record market.

"MR. TOASTMASTER GENERAL"—George Jessel—Palette MPZ 1019

Jessel has made an international reputation from speaking at Friars Club testimonial dinners, and elsewhere. Palette has packaged five taped Jessel performances which include some of his most famous: testimonial dinners for Dean Martin, Jack Benny, Burns & Allen, The Queen of England and for Mr. Jessel himself. They are comical episodes, hilarious at times, always delightful in their incisive jest. Should do a brisk business.

WIN WITH IRWIN
PROFESSOR IRWIN COREY
CAMPAIGNS AT THE PLAYBOY CLUB

"WIN WITH IRWIN"—Professor Irwin Corey—Atlantic 1326

Corey's Professor is a direct descendent of Chaplin's Tramp, Skelton's Hobo, and other historic comic characters. He bills himself as "The World's Foremost Authority" and is now campaigning for President—nitery-wise. Caught here in performance at Chicago's Playboy Club, Corey's pathetic, outlandish, zany Professor offers his ridiculously funny comments on the political scene, among others, and could score heavily in the sales dept.

"HEIGH-HO, MADISON AVE!"—Louis Nye with the Status Seekers—Riverside RLP 842

Another "refugee" from the Steve Allen Show, Nye takes command here of the role he created of Gordon Hathaway and proceeds to rock the foundations of Madison Ave. with devastating and sometimes ludicrous satire. Most of the selections are built around old tunes, such as "Madison Avenue Uber Alles," "Let's Make An Ad-Man President" and "The Conspicuous Consumption Cantata." Humorous album but too limited in subject to achieve wide acceptance.

"ITALIANNETTE"—Annette—Vista BV-3304

Following the success of her "Hawaiianette" LP and the "Pineapple Princess" single from it, the young thrush is heard in a program of tunes with a continental Italian flavor. Most of the tunes are originals, but there are also a few suitable standards in the set. Selections include "Veni, Veni," "There's No Tomorrow," "Please, Please Signore," "Love Me Forever" and "That's Amore." Timely teen platter.

"OVER THE RAINBOW"—Dodie Stevens—Dot DLP 3323

The youngster courageously tackles an ever-green tune lineup which includes "Over The Rainbow," "Where Or When," "The Boy Next Door," "The Trolley Song" and "Little Girl Blue" and comes off remarkably well. Gerry Dolin's arrangements are sympathetic to Miss Stevens' style, shifting between the swinging and the hard beat idioms. Choice teen item.

"VAQUERO"—The Fireballs—Top Rank RM 343

Instrumental group which hit with the title tune is heard in a session of similarly rock-angled versions of popular Mexican melodies. Album is brim-full of musical teen excitement in such tunes as "La Raspa," "In A Little Spanish Town," "The Spur," "El Rancho Grande" and "Cielito Lindo." Saleable stuff.

"SONGS OF THE COWBOY"—The Norman Luboff Choir—Columbia CL 1487

The historic cowboy's life is sentimentally reviewed in a refreshing program of song by the smooth edged Luboff ensemble. Unlike other LP's of this ilk, the set is focused upon the more obscure western ballads, including several perceptive performances of the narrative song. Tunes in the collection include "The Railroad Corral," "Curtains Of Night," "Red River Shore," "The Cowboy's Prayer" and "Goodbye Old Paint." Valuable collection—fascinating.

"SWING WITH ME"—Barbara Russell—United Artists UAS 6088

Disk dawning of a new jazz-oriented vocal talent. Miss Russell tackles an ambitious program of tunes, among which are "By Myself," "Round Midnight," "Misty," "The Last Dance" and "Why Don't You Do Right." Sounding at times like various combinations of Connor, Vaughan, Ella, et. al, she does have an originality of style which manifests itself in a provocative, sensuous way. Don Costa's arrangements are truly sympathetic to her style. Promising new vocalist.

"MIRIAM MAKEBA"—RCA Victor LSP-2267

The magnetism of Miss Makeba's performance of her strangely primitive/sophisticated African tribal songs has won her unbridled acclaim in the U.S. during the past year. This first album for Victor puts the spotlight on her amazing repertoire—simple melodic songs of charming lilt that almost hypnotize the listener with their direct appeal to the senses. A folk album with unusual popular appeal.

Album Reviews

"PERCUSSIVE VAUDEVILLE"—Audio Fidelity DFS 7001

With an amazing assemblage of unusual "musical" instruments in the percussion category, Harry Breuer has concocted a delightful concert which, rhythmically, recalls the days of the two-a-day. Though no vocals are used, the inventiveness of the arrangements suffice the imagination. And the sound is extraordinary in depth. Selections include "Sidewalks of New York," "Georgia Camp Meeting," "Daisy Bell," "Hot Time In the Old Town Tonight" and "The Smiler." Will make the audiophiles delirious.

"DANCE ALONG WITH JACKY NOGUEZ"—Jamie JLP 70-3013

Bright, light and airy dance music portrayed by the continental-flavored Noguez ork. Noguez' accordion plays a major role in the pleasant essays of "Let There Be Love," "Indiana," "That's My Weakness Now," "A Dreamer's Holiday" and "Spaghetti Rag." Added to this latest Noguez venture is a wordless chorus. Good dancing/listening here.

"GERMAN SING-ALONG"—Will Glahe His Orchestra and Chorus—London TW 91237

The gaiety and festivity of German lieder make them ideal sing-along items. This album by Will Glahe of "Liechtensteiner Polka" fame comprises a collection of popular German songs, many familiar to world-wide audiences. Glahe's accordion and the chorus render them with verve and charm. They include "Lili Marlene," "O Du Lieber Augustin," "O Mein Papa," "Auf Wiederseh'n" and "Beer Barrel Polka." Four song sheets are supplied.

"FAITH..."—Ray Price—Columbia CL 1494

Every country singer does his share of sacred singing, but, with the release of this album, Ray Price ranks as one of the foremost in this endeavor. He has a deep sincerity and unashamed honesty brought forth in a rich, warm voice. He is featured here in soul-stirring performances of "In the Garden," "Rock of Ages," "When the Roll Is Called Up Yonder," "How Big Is God" and "Until Then."

"MY BUBBA & ZAEDAS CHA CHA CHA"—Sy Menchin & His Steven Scott Orchestra—Apollo LP 491

Menchin has taken a group of Yiddish folk songs and has adapted them into infectious cha cha danceables. The melodic basis for the album is in the charming lilt of such aged delights as "Shloimele-Malkele," "Belz," "Oif'n Pripichik" and "Eishes Chayil," while rhythmically the beat is consistent, reliable and easy to follow. Should do well in the right markets.

"LYRICS FOR LOVERS"—Dirk Bogarde—London LL 3187

British actor Bogarde makes his disk debut, not as a singer, but as a reciter of poetry. And the poems are the lyrics of such songs as "A Foggy Day," "The Way You Look Tonight," "These Foolish Things" and "As Time Goes By," which Bogarde reads dramatically over a soft background of the string-played melodies. An interesting and novel idea.

JAZZ PICKS OF THE WEEK

"THIRD STREAM MUSIC"—The Modern Jazz Quartet & Guests—Atlantic 1345

"A third stream of music" is what Gunther Schuller has tagged a "new" music that is neither jazz nor classical but draws upon each for its sources. The MJQ is in the forefront of groups dedicated to this music and, here playing pieces by John Lewis, Jimmy Giuffre, and Schuller, they demonstrate in explicit terms the techniques and nuances of the music. Guests include the Giuffre 3, the Beaux Arts String Quartet and other musicians. An album for the astute jazz student.

"GERRY MULLIGAN... THE CONCERT JAZZ BAND"—Verve MG VS-68388

The new Mulligan ork, debuted early this year, has won unanimous critical acclaim wherever it has played. Its first album presents eight numbers from its concert repertoire, including exciting new arrangements of "Out of This World," "Broadway," "Sweet and Slow" and "You Took Advantage of Me." These are vibrant performances by a crisply swinging, important new organization. Special \$2.98 mono and \$3.98 stereo price coincidental with the band's Fall tour should account for brisk sales action.

"ART TATUM PIANO DISCOVERIES" Volume 2—20th Fox FOX 3033

The second and last volume of the label's supply of Tatum tapes made at an informal party session in 1956 again present the great, late pianist in some of his best recorded performances. The magnificent style flowers beautifully in standards, his favored vehicles, "My Heart Stood Still," "September Song," "Don't Blame Me," and "There Will Never Be Another You." Invaluable collector's item.

"PORTRAIT OF THE ARTIST"—Bob Brookmeyer—Atlantic 1320

The artist excels on trombone and piano and is also a prolific composer. This album showcases all of these talents beginning with a "Blues Suite" which takes up all of side one, and through four other tunes including "It Don't Mean A Thing," "Out of Nowhere" and "Darn That Dream." The accompanying ork is basically brass but with slight sax and woodwind diversion. This is good, straightforward jazz swinging, tasty and enjoyable.

"SOUL JUNCTION"—The Red Garland Quintet featuring John Coltrane and Donald Byrd—Prestige 7181

Garland, Coltrane, Byrd plus Arthur Taylor and George Joyner lean heavily into the "soul" dept., the return to roots fad in jazz, displaying their wholehearted approval of this recent turn of events. The tunes are four standards ("Birk's Works," "I've Got It Bad," "Hallelujah," "Wood'n You") and the Garland penned album titler. This is strong, flavorful blowing; commercially attractive in name value.

CLASSICAL

GOULD: "Fall River Legend," "Spirituals"—Howard Hanson conducting the Eastman-Rochester Orchestra—Mercury SR 90263

The popular American composer is represented here by two of his very eloquent works. The ballet suite for Fall River Legend, based upon the infamous Lizzie Borden murder trial, and the five movement Spirituals, draw extensively upon folk themes. It is this spirited color and lightness which endears Gould to large audiences. And Hanson's characteristically vivid direction makes this a choice light classical package.

MOUSSORGSKY: "Pictures at an Exhibition," "A Night On Bald Mountain"—Sir Malcolm Sargent conducting the London Symphony Orchestra—Everest SDBR 3053

These two extremely popular Moussorgsky tone poems are performed with the Sargent flair for full, sweeping orchestral colors. The dynamics of the works demand broad sound and Everest's 35mm tape supplies this width and depth efficiently. Excellent performances of pieces that are in continual need.

"SYMPHONIC FAVORITES"—The Royale Philharmonic Orchestra of Rome conducted by Nicholas Flagello—20th Fox FOX 4002

Perennial favorites in the concert repertoire are ably etched by the young, talented maestro. The package embraces Chabrier's "España Rhapsody," Saint-Saens' "Danse Macabre," Tchaikovsky's "Marche Slav," Debussy's "Prelude To The Afternoon Of A Faun" and Sibelius' "Valse Triste." All are cherished works and are lovingly cared for in this orchestral package.

ENGLAND

The latest company to enter the 'kiddie market' is the newly formed Children's Record Company whose first fifteen releases will be available October 3. These low-priced 7" EP's retailing at 5/11d will be issued on the Dandy label. Directors of the company are Marcel Rodd, C. J. Dalton, Miss A. Court, Jack Klein and J. A. Grimmer. Klein told *The Cash Box* that as a small concern Children's Record Company started out with a total acceptance that 'more people create less and few people create more'—a singular philosophy in these days of take-overs, combines and monopolies. He added that pressings will be handled by its neighbouring company, Allied Records which, although claiming the distinction of being this country's smallest pressing plant, has for the past four years been pressing for several small independent companies. Disks will be available only through established dealers for whom wall and counter display units will be obtainable at a moderate cost. The P.V.C. conventional compression moulded disks are presented in full color sleeves. Top professional artists have been used for the recordings with famous orchestras including The London Philharmonic. Among the titles are such well known stories as "Aladdin," "Humpty Dumpty," "Old King Cole," "Goldilocks" etc.

We leave with peace plans confident that through our music we can spread good will from nation to nation and trust that our reception will be warmer than that accorded to certain V.I.P.s now visiting New York." Mantovani will be accompanied by his manager, George Elrick, and five lead musicians—the rest of the 45 piece orchestra will be made up of hand picked American musicians. Negotiations are under way for a TV appearance on the Bell Telephone Hour.

Fontana last week had two new and unusual LP's on release—both from celebrated shows. One, "The Cream Of Take It From Here," features Jimmy Edwards, Dick Bentley, June Whitfield and Wallace Eaton, the stars of the popular radio show now in its 11th year, during which it has achieved a weekly audience of 50 million listeners. Selecting 'the cream' from such a wealth of material was a formidable task but Fontana solved the problem by inviting an audience of record dealers along to a special recital of "Take It From Here" recordings and the tracks receiving the best reaction make up this LP available both in monaural and stereo. The second LP, "Hits From The Gang Shows," also in mono and stereo contains highlights from the world famous boy scout gang shows. Tracks include "Crest Of The Wave," "Birds Of A Feather," "Bluebird" and "It's A Wonderful Life." Jack Baverstock, Fontana's A & R manager, reports enormous advance orders for the new Johnny Mathis single, "My Love For You."

A new Tommy Steele disk, "Happy-Go-Lucky Blues," by Doc Pomus was released last week on Decca—accompaniment is by Harry Robinson and his Orchestra, and topping the RCA releases is Della Reece with her stateside hit, "And Now."

Another American hit with a glut of releases last week were "Never On Sunday." Don Costa's American best seller is here on London, a double sided single by Marty Gold and Ray Martin is out on RCA, Edoardo Lucchina and his Orchestra waxes the number on Durium and Lyn Cornell sings the English lyric version on Decca. On Fontana an instrumental by Chiquita while Oriole has a cover by Phil Tate and His Orchestra. Other instrumental diskings are available by Manual and His Mountain Music on Columbia, Makadopoulos on Palette, Helmut Zacharias on Polydor, Jacky Noguez on Pye and a Greek version by Milko Papayaki on HMV. Dalida has an English lyric recordings on HMV while Katyna Ranieri has an Italian vocal on MGM. The soundtrack LP is released on London. Publisher for this multi-covered hit is Noel Rogers of United Artists Music Ltd. . . . let battle commence!

Two hot releases on London from *The Cash Box* Top 100—Bobby Darin (at the piano) with "Beachcomber" and "Three Nights A Week" by Fats Domino. Warner Bros. launched ex-Capitol artist Ed Townsend with a medium rocker, "Stay With Me" which, like the flip side ballad "I Love Everything About You," was written by Ed himself. Says Jim Conklin, president of Warners, "Ed Townsend represents a really important acquisition by Warner Bros. He is one of the most important type of artists a record company can have. The boy sings with great rhythmic and emotional feeling and projects the lyrics tremendously." Sarah Vaughan, Joe Williams and Count Basie join forces on Columbia with "If I Were A Bell" backed with "Teach Me Tonight." A new disk by singer-composer Jerry Loran entitled "Ring, Write Or Call" is released on Parlophone while Rusty Draper brings "Luck Of The Irish" to the Mercury label which also issued a new Quincy Jones platter, "Love Is Here To Stay." Top Rank last week included Danny and the Juniors with "Twistin' U.S.A." and on the same label Jimmy Clanton sings "Come Back" backed with "Wait." There were no new releases last week from MGM, Capitol or HMV.

Pye Records rush released a country disk by Miki and Griff, "Rockin' Alone In An Old Rockin' Chair" backed with "I'm Here To Get My Baby Out Of Jail." On Pye International, two Colpix recordings on one disk: Stu Phillips and Orchestra with the theme from "Strangers When We Meet" and on the flip side Bob Mersey on piano accompanied by his Orchestra with Rimsky-Korsakov's "Song Of India."

BENELUX

On the occasion of Bovema's annual sales convention at Zandvoort, the president of the company, Gerry M. Oord, announced the release of two new record series. In the classical and semi-classical field, His Master's Voice will present its "Concert Classics" at the special price of 16 guilders per LP. Columbia and H.M.V. both hit the Dutch record market with their "Musical Miniatures" series. Furthermore the youngsters will find their favorites on red-colored singles with a yellow label in the "Teenagers Palet" series, and the lovers of dance-music are provided with a continuous flow of Victor Silvester-EP's under the title of "Change Partners."

Bovema also presented a music show at the convention for foreign guests, which included Warner Bros' Robert B. Weiss, E.M.I. execs E. G. Hurst and Mr. Dines, MacKenzie Smith, Mr. Muxlow, Norrie Paramor, G. E. Cross, Dennis Preston, and P. Lesley. A special and surprising climax was the presentation of stereo-diaprojection in combination with stereo sound. Several artists from abroad also attended the Convention: Vera Lynn, Johnny Kidd, Tommy Bruce, Fred Bertelmann and Gitte.

The Blue Diamonds are really riding high in Holland. Their Decca recording of the evergreen "Ramona" jumped out of nowhere to the number two spot on the Dutch best seller lists in less than a week.

After the happenings with Top Rank in England, an equally sensational announcement was made to The Cash Box last week by Hans van Zeeland, head of the foreign and financial department of C. N. Rood L. C. After his return from the U.S., where he had conferences with Top Rank and Mercury officials, Van Zeeland stated to The Cash Box that a fusion was affected this week between C. N. Rood L. C. and Delahay Record Company L.C. The latter company represents the Top Rank, Everest and Delahay labels in Benelux; C.N. Rood L.C. represents the Mercury, Telefunken, CNR and Ducretet Thomson labels.

On September 30th, Holland's first lady of Jazz, Rita Keys married pianist Pim Jacobs, Rita and Pim made several records on the Philips label, and both won first prizes at the recent Juan-les-Pins jazz festival on the French Riviera.

Billy Vaughn's hit-album, "A Summer Place," was recently released by L.C. Phonogram in Holland and is selling very well. Bobby Vee's "Devil or Angel," just issued by the same company, receives a warm welcome by Dutch teenagers. Expectations are that this platter will really get big over here. "Dreamin," a Johnny Burnette single, is a favourite with Dutch D.J.'s.

C. Pompe has been appointed Bovema's label manager for Warner Bros. One of the first things Pompe did, was to release the Warner Bros hit "Let's Think About Livin'" by Bob Luman. "We certainly have great expectations of same," said Pompe.

Bovema's Columbia-label manager, Robert Oeges, told The Cash Box that the success in the U.S. of "The Twist" proves to be a wonderful recommendation of the Chubby Checker record in Holland. "Sales are already very satisfactory."

Hans Kellerman, managing director of Delahay Record Company L.C. told The Cash Box that he sold the Delahay recording "Brush Those Tears" b/w "Lonely Cissy" by The Black Dynamites to RCA in Mexico. Kellerman also stated that his second release on Top Rank, in June 1959, "Tallahassie Lassie" by Freddie Cannon is still a favorite. Among the releases on Top Rank this week are "Sweet Sixteen She'll Never Be" and "The Chop Stick Rock" by The Four Esquites, "Diamonds And Pearls" and "I Want Love" by The Parodons and "Humdinger" and "My Blue Heaven" by Freddie Cannon.

Mr. J. van der Haar, A&R chief of C.N. Rood L.C., flew to Berlin last week where he supervised two recordings by Gitte Lind, popular German singer. Gitte sang two German tunes in Dutch.

Hank Kervezee, publicity-chief of C.N. Rood L.C., just returned from holidays in Paris and the Ardennes.

Elvis Presley's first recordings after his discharge did not get the attention from Dutch teenagers that was expected. However, with his recording of "It's Now Or Never," Presley made his triumphant comeback on the Dutch record market.

In The Cash Box of September 10, we wrote that sales up till that time of "Itsy Bitsy" indicated that the Dutch public preferred the (German) version of Jan & Kjeld over the original version by Brian Hyland. In the meantime, the situation changed considerably and now the "Bikini" record by Brian Hyland (released on the London-label by Phonogram L.C.) is selling tremendously well, better than all the other versions together.

Dureco L.C., Amsterdam, has the two hit versions of "Les Enfants Du Pirée" on Barclay; the original one by film star Melina Mercouri and one by Dalida. Mr. Adams, publicity-chief of Dureco, told us that the company also expects very much of the Jolly record "20080" by Italian singer Adriano Celentano. The famous "Cocktail Trio" made a Dutch version of "Alley-Oop," which is selling very good; it was released on Dureco's Omega-label.

Caterina Valente is riding the charts with her Dutch version of the American hit "He'll Have To Go" on Decca. It seems to be an even bigger success than Valente's first Dutch record "Sweetheart, My Darling, Mijn Schat," which sold over 100,000 records and won a gold disk.

Skiffle is back in Holland. Bob Cort's "Mule Skinner Blues" on the Decca label, is selling pretty well and the Philips record of the (Dutch) Mozam Skiffle Group is a favorite on juke-boxes all over the country.

Editions Musicales, the Belgian publishing firm, has advised The Cash Box that three of its tunes listed in the July 30 anniversary issue's run-down of tunes which sold 100,000 disk versions in the Benelux countries actually had sales below 100,000. They are: "Lonely Boy," "Mandolins In The Moonlight" and "Send Me The Pillow." In addition, the publisher has corrected a statement in the Benelux column of September 3 in which five of its tunes were credited to another publisher: "Send Me The Pillow," "Banjo Boy," "Schafe Mein Prinjchen," "Itsy Bitsy" and "Alley-Oop."

AUSTRALIA

Most major dealers continue to report a growing improvement in album sales, although action on singles is still at fairly low level. If this trend continues at its present pace, the next few months (spring and summer) could witness a fall-off in the number of singles to be released by major companies. Over the past months many prominent dealers have expressed concern at the "excessive" amount of singles released each month; they maintain this is a contributing factor in the decline in sales of individual singles.

EMI will clean-up big in the "Hot Rod Lincoln" stakes. Label's London label carries the Johnny Bond version, while it also has the Charlie Ryan release on its Parlophone label. "Hot Rod" is the type of hit that could catch good sales throughout Australia.

For the past year or so there have been persistent rumors that "Elvis Presley will tour Australia soon." They still continue to be persistent; latest is that "Elvis is likely to visit this country next year for Lee Gordon." A local tour by Presley would become almost of "Government importance" at this stage.

Jackie Cain & Roy Kral have been booked for a season at The Embers, starting late in October. If this team can follow-up its many successes in the United States, it should do good business here.

Lee Gordon is adding artists to his jazz festival tour of Australia planned for late October. Latest addition to the talent roster is Buddy Greco who is receiving plenty of air play with his single of "The Lady Is A Tramp."

One of the hottest records on the market at the time of writing is the EP—"The Best Of Delo And Daly," which was recorded and released throughout Australia by W & G. American comic/singing team has now returned to America after a solid six months in this country appearing on television and doing club and hotel work.

Popular visiting pianist Winifred Atwell has completed a highly successful season in Melbourne playing to capacity houses all the while. Winnie is now on concert tour through other major Australian cities. Australians never seem to tire of her artistry; this is her third Australian tour and her reception (always at capacity) is improving with each visit. In the disk field, she is represented by a whole flock of best-selling material released here through EMI.

Great joy in the Pye camp in Australia over the acceptance by Colpix records in the United States, of the locally produced single by the Allen Brothers (Chris & Peter) of "My Secret" and "First Kiss." Both sides have been showing out well on national sales charts, and have the sound that could score well in America.

Among the fastest moving singles across the nation are several local productions; "Come On And Take My Hand" by Johnny O'Keefe—Lonnie Lee one of Australia's best-selling singles stars, is hot with "I Found A New Love," and Col Joye is winning the "Yes Sir That's My Baby" revival stakes with his popular Festival release of the old favorite.

FROM HERE AND THERE:

Star Australian swimmer John Konrads is represented on disk for the first time. On EMI's Columbia label, Konrads' Kaydets present "Balin' Wire" and "American Patrol." The young international sports idol has his own teenage style TV show here.

English record artist Lonnie Donegan, who is set for an Australian tour in October, has another new single released here on the Pye label; it carries "Lorelei" and "In All My Wildest Dreams."

George Shearing has arrived for his Australian tour.

Jeri Southern left Australia for the United States after only a few days in this country.

Even though the Viking records release of "Clap Your Hands" by The Beau-Marks disappeared from the chart last week, it enjoyed sufficient sales to leap back again this week into No. 10 spot.

GERMANY

The race is on for the top hit of the new fall season and the strongest song at present appears to be "Never On Sunday." There are already several instrumental versions out including the strong offering of Don Costa, an original Soundtrack version with Greek singer Melina Mercouri doing the song in her native tongue, a pair of French interpretations including one by top Ariola star Dalida and, of course, several German versions. Since, with few exceptions, the German language versions of songs usually end up as the best sellers, all ears and eyes are directed toward the records by Miss Mercouri sung in German on Polydor, Lale Anderson, the Lili Marlen gal, on Electrola, Lys Assia for Philips and Caterina Valente for Teldec. It's too soon to tell which will end up in the winner's circle, but one of the versions should hit the Top Ten within a few weeks. The film opened here on September 16.

Germany's youngest major record company, Ariola, opened the new fall season with a promotional bang with the presentation of its "Week Of Phonograph Records." The event opened on September 17 in Karlsruhe with the "First Annual New Talent Festival." Fifteen contestants selected in competitions held in various major cities in Germany, Austria and Switzerland were presented. Last year's new talent discovery Gaby King opened the show with her newest hit and the talent contest followed. First prize of a record contract was presented to 13 year old Juergen Siebert, however at least 7 of the other contestants were also awarded contracts. All the winners were under 21 years of age. In addition, highlights of the evening included the awarding of a Gold Record for one million records sold to Jan And Kjeld. The young Danish duo opened the star presentation portion of the show and were followed by Peter Wegen, Willy Millowitsch, Jimmy Makulis and Zarah Leander. The two show stoppers were the Banjo Boys who are top notch performers and Zarah, who has been a star for over 20 years here. She is a wonderful cross between Marlene Dietrich with her tight white gown and furs and Sophie Tucker. She sings with the power and depth of Mario Lanza and seems to be a natural for the top supper clubs in America.

In addition to the festival, Ariola stepped out promotionally with display material for shops and help aids for special record request concerts given locally, record hop dances and listening hours featuring dramatic and children's stories. The material was to be selected by the individual shops from the Ariola catalog. Prizes were offered to shop customers identifying certain stars. Top prize was a 500 dollar stereo-TV combination. Shops held a window decoration contest with first prize being 125 dollars. Another competition was held for shop sales personnel with first prize being a 500 dollar vacation for two. Another interesting event of the week was a competition held in the public schools for music teachers. A group of school musicians and teachers were sent to public schools to hear taped lectures of class instructions given by individual teachers. The lectures and methods of teaching were evaluated and prizes consisting of record players and records were awarded to the best instructors. The festival closed with a classical concert in Ulm given by the Southwest German Chamber Orchestra. The entire week was supplemented by ads in major music magazines and papers, posters throughout Germany and announcements over commercial German radio. Ariola officials report that they are so satisfied with the results that they will present a similar program every year. This is the first major promotional effort by a large firm here.

Classics are finally going commercial. Top pop producer Kurt Feltz is producing the most popular songs from different opera and operetta works for EP and LP packages for Polydor.

Radio Luxemburg gave their Golden Lion for the top record for this quarter year to Freddy for his "Ingendwann Gibt's Ein Wiederseh'n." The Silver Lion was awarded to Rene Carol for "Kein Land Kann Schoener Sein" and the Bronze Lion went to Jan And Kjeld for "Banjo Boy." More over the Luxemburg pop music festival next week.

Central Germany's biggest one stop "Globus" reports that the following new numbers are scheduled for top hitsville. "Volare," by Bobby Rydell, "Every Day Another Party," by American Bill Ramsey, "I'll Always Belong To You," by Heidi Bruhl, and "It's Now Or Never," by Elvis Presley.

North Germany's biggest one stop and coin machine firm, Helmut Rehbock, reports that the best selling records last week were "Die Sterne Der Praerie (The Stars Of The Prairie)" by Lolita, "It's Now Or Never," by Elvis Presley, "Itsy Bitsy Teenie Weenie Honolulu Strand Bikini," by Caterina and Sylvio Valente and "Everybody's Somebody's Fool" sung in German by Connie Francis in that order.

American violinist Nathan Milstein is building a new castle in Switzerland. Leontyne Price, Negro star opera singer who made her way to European fame with her performances in "Porgy and Bess" opened the Berlin Music Festival on September 18. Teldec star Werner Mueller is set for the direction of a concert in Cleveland, Ohio. RCA will record the festivities. Werner is famous for his instrumental work and his backing of Caterina Valente.

Lys Assia is set for performances in New York, Montreal and Puerto Rico this fall.

Germany will be represented at the "Chason Festival" in Zurich by Gitta Lind and Caterina Valente.

One of the greatest world hits, "Stardust" by Hoagy Carmichael, has just been published in Germany. Karl Heinz Busse reports that he and Universal Edition's Alfred A. Kalmus have nailed down the song for Germany. "Born Yesterday" is on the road in Germany. The show stars Hildegard Kneff in the roll made famous by Judy Holliday. The Hamburg Philharmonic has recorded an LP of "Symphony For Tommy Dorsey" for release in England. The platter is not available here in Germany. British recording star Anthony Newley is entering the ranks of foreign pop singers recording in the German language. He's doing the standard "Charmaine" for Decca here. German jazz critic Horst H. Lange has turned out a new novel called "The Story Of Jazz In Germany." This book covers the time from 1910 to 1960 and proves that there was much jazz to be heard here even during the Nazi regime. Songstress Angele Durand, whose husband Nils Nobach is a top producer for Electrola, has left the label. Her new home is not known.

New Zealand

New Zealand's king of rock, Johnny Devlin will do a rush 7 day trip to this country from Australia for a series of concerts, one to help raise money for the Wellington YMCA. Revue and show artist Dirch Passer cut "Itsy Bitsy Weenie . . ." in Danish for Philips. In Denmark, compared with Sweden, where the Swedish version was released under the original title, there is a Danish title of the song, which even to Swedes sounds about as "difficult" as the American title. In case anyone might be interested, the Danish title is "Det Var En Maegtig Smart, Med Bart, En Minimal Men Meget Sart Bikini." The song appears at fourth place in Danish Hit Parade with the Brian Hyland version on Kapp as the best selling version.

Venezuelan Songster To Get U.S. Promo

NEW YORK—Bringing along records and press notices, Martin Reynolds, American ad executive and radio-TV producer from Caracas, Venezuela, arrived here recently to promote star Venezuelan songster Nestor Zavarice in the United States. He has arranged with Key Broadcast Management—headed by Arnold Hartley and Ralph Weil, to do stateside promotion.

Zavarice's current hit in Venezuela and Mexico is "El Pajaro Chogui (The Blue Bird)."

The songster is 24-years old, and, according to Time Magazine, which ran a feature story on the artist in its September 5 issue, he has created Venezuela's first bobby-sox following. "Venezuela has never seen anything

like the squealing teen-age girls—pavitas—who mob Zavarice wherever he goes, Time said. "At a television station a few weeks ago," the article noted, "Zavarice had no sooner finished singing "Chogui," with a live bird perched on his hand, than pavitas suddenly swarmed on stage, kissed, pinched and bit him, knocked him into the orchestra pit. The bird was killed in the scuffle. Half-conscious himself, Zavarice was dragged away by police, who had to clear a path with tear gas."

Zavarice is 24-years-old, and was performing on radio when he was 12. Between the ages of 13 and 17, he made six films. He also has done much TV work.

ITALY

George Pincus, President of Gil Music Corp. and George Pincus Music Corp., was warmly received last week by the Italian music publishers in Milan during his current European trip. His international smash, "Itsy Bitsy Teenie Weenie Yellow Polka Dot Bikini" has just been released in Italy by Brian Hyland on London, and by Buddy Hackett on Top Rank, and promises to repeat the great success it has received throughout the rest of the world. Pincus' other new songs include "Four Little Heels" by Brian Hyland, "Where's The Boy" by Jan Morgan on Kapp, "Where's The Girl I Never Met" by Jerry Granahan on Canadian American, "Tangerock" by The Chantons on Top Rank, "Dusty" by Jimmy Boyd on Dot, and "Was There Once" by Charley Phipps on Capitol, are among the songs which aroused great interest in Milan. Another Gil Music standard, "No Arms Can Ever Hold You" as recorded on Carisch by Peppino Di Capri under the Italian title, "Nessuno Al Mondo" has been high on the Italian best sellers for 15 weeks. Lawrence Greene, New York attorney is accompanying Pincus. After spending two days in Milan visiting publishers Pincus and Greene left for Berlin.

Paolo, the King of Greece awarded Maria Callas and orchestra conductor Arturo Serafino (On VCM), the "Ordine Della Benemerenzia Per Le Buone Azioni" as acknowledgment of their worldwide music activity. In Italy, Bruno Martini received a Golden Juke Box as the most popular band leader, and Toni Renis as vocalist.

An interesting tendency is appearing in our music industry. Record producers are becoming music publishers and publishers are also opening record companies. His Masters Voice Columbia-Marconiphon started buying rights to tunes and publishing music sheets. Recently, Gurtler-Saar did the same, as well as Durium. Durium announced that some months ago maestro Franco Cassano was appointed as head of the music publishing department. Cassano, piano player and composer, won the third prize at the 1956 San Remo Festival with the tune, "Sorrisi E Lacrime" (Smiles And Tears). He was the music adviser of Durium president Krikor Mintangian at the last Naples Festival, where the three first prizes were won by Durium. All the music arrangements performed by the Durium artists are supervised by Maestro Cassano.

Another example of the move mentioned above is represented by publisher Alfredo Rossi, who told me that he soon will join a big record producer.

Had dinner with Mr. Casetta, director of Bluebell and Gunnar Bergstrom. Mr. Casetta told me he is planning a strong release of his smash singer Tony Dallara in the States. He has just returned from a ten day stay in New York. Bergstrom of Scandinavian Record Company (Sonet and Storyville Records), is visiting Milan in the company of Dag Haeggovist. Both stressed the fact that the 18th Anniversary Issue of The Cash Box created a great sensation in the Scandinavian countries. Bergstrom and Haeggovist have left for Paris, one of the stops of their European tour.

Due to the fact that there was such a tremendous demand for the record "Il Nostro Concerto" by Umberto Bindi on Ricordi, there wasn't a record available in the Italian record shops for an entire week.

His Master's Voice (Germany), released an interesting record titled, "Liebeleli" by German singer-composer Rolf Pauer. Italian VCM's publicity office manager, Mr. Gandino, called and informed The Cash Box that all copies of this record were completely sold out after the first days of distribution.

The music and Italian lyrics of the smash tune, "Itsy Bitsy Teenie Weenie Yellow Polka Dot Bikini" have been copyrighted by the Bridge publishing house, for the Italian market. Durium announced that popular singer Marino Marini has recorded this hit song.

Italian Cash Box rep met Hans Lenngsfelder of Request Records, Inc., New York, who, during his business tour of Europe, stopped in Milan as well. After visiting Mrs. Mintangian of Durium and Mr. Postiff of Fonocrom, he left for Vienna. Mr. Postiff and Mr. Grossi, managers of Fonocrom, will be in New York later in October.

"A GUY NAMED JOE" (2:43) [Pamper, Lu-Tal BMI—Howard]
"WHITE SILVER SANDS" (2:40) [Sharina BMI—Matthews, Hart]
ERNEST TUBB (Decca 31161)

Ernie's got another two-sided chart-headed release. "A Guy Named Joe" is one of those heart-breaking "overseas" ballads about a soldier gone home to the states, and Tubb's got the proper amount of bitter-sweet tones to put it over big. "White Silver Sands" continues the artists successful formula of bringing pop hits into country territory. Both cuts are from his new Decca album.

"WILL WE START IT ALL OVER AGAIN" (2:16)
[Texoma ASCAP—Thompson]

"IT'S GOT TO BE A HABIT" (2:20) [Texoma ASCAP—Thompson, Gray]
HANK THOMPSON (Capitol 4454)

Thompson follows up one successful ballad, "She's Just A Whole Lot Like You," with another typical country ballad that carries the Thompson success formula. "Will We Start It All Over Again" is a warm, sentimental affair loaded with easy-listening charm. Attractive upbeat coupler too.

"LYING AGAIN" (2:28) [Central Songs BMI—Howard]
"DO MY HEART A FAVOR" (2:28) [Cedarwood BMI—Stovall, George]

FREDDIE HART (Columbia 41805)

Freddie Hart appears set for a quick return to chart status with either end of his latest Columbia pairing. "Lying Again" is a bright, up-tempo affair flavorfully packaged with enticing combo-chorus aid, while a change of pace middle beat ballad, "Do My Heart A Favor," offers competition in the sentimental lament category. It's a toss up.

"MY BOOK OF MEMORIES" (2:32) [Jat BMI—Austin]
"WALL OF LONELINESS" (2:37) [Jat BMI—Austin]
BOBBY AUSTIN (Challenge 59090)

"My Book of Memories" could be the one Bobby's been looking for. His strongest bid is made with his tearfully wrought sock performance of the waltz-paced weeper. Tinkling piano highlights the highly effective backdrop. "Wall of Loneliness" is a powerful ballad and also rates an earnest hearing. This kid should go far!

Marty Robbins' chanting of the flick-titled "Ballad of The Alamo" for Columbia appears destined for the two chart ride. (See Pop Reviews.)

LARRY BUTLER (Allstar 7214)
(B+) **"ANOTHER HEARTACHE" (2:26)** [Hip Hill, Songwood BMI—Fichera, Butler, James] Attractive chanting of the sprightly paced lament. Lots of echo and multi-tracking produce an effective sound that could mean action.

(B+) **"I CAN'T STAND IT ANYMORE" (2:30)** [Hip Hill, Songwood BMI—Cain, Allen, Butler] Again Butler gives out with the powerful voice, this time on a steady beat sad romantic. Allstar's improved sound accounts for much of both side's attractiveness.

TONY DOUGLAS (D 1155)
(B) **"I'LL BE DEAD LOT'S LONGER (THAN I'LL BE ALIVE)" (1:55)** [Glad BMI—Fitzmorris, Douglas] Straight-from-the-hip country music is Douglas' forte and he etches this driving lament with his stamp of sincerity. Attractive fiddlin' highlights the solid backing from the combo.

(B) **"FAMILIAR HEARTACHES" (2:29)** [Glad BMI—Fitzmorris, Douglas] The pace is slowed a little for Douglas to warm the coals of past romance. Two fine slices of pure country heart.

CONNIE AND JOE (Starday 512)

FLOYD TILLMAN (Liberty 55280)
(B+) **"THE SONG OF MUSIC" (2:45)** [Peer Int'l BMI—Tillman] Cute ditty with an irresistible tongue-twisting lyric marks the vet artist-cleffer's bid for vocal honors. Worth the novelty spins.

(B) **"IT JUST TEARS ME UP" (2:05)** [Western Hills BMI—Williams] A more conventional weeping ballad is treated to Tillman's unique vocal style. Interesting effort.

(B) **"LONELY YEARS" (2:30)** [Starday BMI—Talley, Gately] Connie & Joe, "The Backwoods Boys, have a pro knack with the bluegrass sound. They put it to delightful use in this upbeat sentimental and should score in the right markets.

(B) **"HOME IS WHERE THE HEART IS" (2:00)** [Starday BMI—Talley, Gately] More of that same infectious hill music is carved out neatly here by the vocal-instrumental team.

causes Have you sent in your taped messages to Al "Flat Top" Daly for the big O.L.A. drive which takes place next week? Dates are Oct. 10th through the 14th. Not much time left so let's get a move on! Country Romance of the Year—Skeeter Davis is sporting a diamond ring, an engagement trinket given to her by Ralph Emery (WSM). Best wishes from all The Cash Box crew, Skeeter and Ralph And the Opry's Trudy Stamper also corroborates the news that Roy Acuff's broken all records at Las Vegas' Showboat. We heard that Roy's appearance brought so much luck to the folks playing those one armed bandits that the machines were only showing the pits from the fruit Advance reports on Hank Locklin's new session (not yet set for release) reveal that it's just the greatest. Title is "One Step Ahead of My Past." Chet Atkins directed, naturally.

Received word from RCA Victor that they're releasing an album by the Nashville All-Stars titled "After the Riot At Newport." As you know, Nashville boasts of some really fine musicians. The directors of the Newport Jazz Festival became aware of these musicians and invited a few of the top ones (including Chet Atkins) to play jazz at the festival. Well, it's history that part of the festival had to be cancelled due to some unforeseen incidents and our boys from Nashville never got a chance to strut their stuff. But Victor saved the day by recording the group's repertoire for release in an LP. Now, jazz enters the realm of basically country musicians. What next? Tree Publishing has re-linked Roger Miller to an exclusive writer's pact, even though his past contract had not yet expired. Just shows you how much faith Tree has in Miller's ability. And why not? Roger's past credits include "Home," "Billy Bayou," "Half A Mind," "Invitation to the Blues" and "If Heartache is the Fashion." Don't forget to be on the lookout for Roger's vocal work—"You Don't Want My Love" on Victor Jimmie John keeping busy these days with a full bag of personals. Recent stints include one on "Jubilee, U.S.A." and Tommy Edwards' "T.E. Jamboree." Jimmie's also sportin' a new wax pact with "D" Records Smokey Warren and his Arizona Trail Blazers still holding strong in New Jersey, attracting many enthusiastic audiences for their brand of country music Pappy Daily and Gabe Tucker are excited over the results they achieved in "Herbie Remington Plays the Steel," an album just released featuring one of the nation's foremost steel players. Deck has been eight months in the making.

Radio station WITE-Brazil, Ind. has scheduled a starting format of 10 hours of country music per week, with the distinct possibility of turning the entire format over to country music. Uncle Bob Hardy, realizing that the near future might see the station devoting about a hundred hours a week to country music, requests that now's the time for artists and diskeries to flood the station with news of their doings and, of course, their latest record releases. So let's add WITE, Box 227, Brazil, Ind. to the mailing lists The Terrace Ballroom (Salt Lake City) put its spotlight on an Opry package last week. The lineup included Hank Snow, Carl Perkins, George Hamilton IV and Norma Jean Bill Morgan has left his position as acting director of Benjamin Wayne Productions in Washington to accept a personality deejay program with WRVA-Richmond, Va. He had been with Wayne since last Nov On Oct. 1, the Town Hall Party presented Hank Williams Night, three hours of the late great's tunes performed by Party members Lefty Frizzell, Freddie Hart, Johnny Bond, Skeets McDonald and others. Special guests were Audrey Williams and Hank Williams Jr., who've just returned from a personal appearance tour of the Hawaiian Islands. From what we hear, little Hank Jr., though just 11 years old, is rapidly following in the footsteps of his great father Lawton Williams writes that the Big-D Jamboree in Dallas is going great guns and is now being aired over KRLD. Floyd Tillman was a recent headliner there. Also, each week's star plays the Covered Wagon Ballroom in Ft. Worth following the Big-D stint. Lawton, who spins 'em for KCUL-Ft. Worth, discloses that his station is going 50,000 watts on Nov. 1. That's mighty powerful for an all-country station programming 17 hours per day.

1960 Could Be A Peak Export Year

A review of the export business transacted during the first half of this year projects what could amount to a peak export business year, with the first half of a possible \$24 million in coin-operated equipment already shipped to foreign ports. 1957 resulted in a total dollar volume of \$26 million and this was the best export year on record. Last year reached a \$20 million mark for a decided drop in export volume but with \$12 million already on the 1960 books and a number of bright spots on the globe showing every sign of at least duplicating first-half business the year-end should show an upswing that will prove profitable in more ways than one to the American coin machine industry. It has been pointed out here in previous reports that each machine shipped from this country benefits every member of the coin machine industry right down the line. The greater the number of export outlets for used equipment the healthier the domestic market becomes for new and used machines.

One of the bright spots that constitutes a healthy export picture is Great Britain where more than two-hundred thousand dollars in business on games alone is transacted each month. This figure will increase with the next report and continue to increase until any one of a number of marketing trends slows the import volume. Western Germany still leads the world as an importer of phonographs and this situation should continue especially with the country re-shipping much of the equipment into other European and even South American ports.

The Latin American government has furthered its reputation for being unpredictable and the result has been a decline in the Venezuela volume but a quick look at the Asian figures no longer shows a blank but a bright spot in Lebanon where 1100 games arrived during the past three months accounting for \$80,000 in equipment. Tariffs are very high on phonographs but leading wholesalers and export specialists are optimistic. Australia came out of the blue with \$38,000 volume on vending machines and almost doubled its games imports with a quarterly total of \$90,000.

There is no doubt that with a few breaks 1960 could be an exceptional year for exporters. With a little luck it could prove to be a peak business year.

"INTERNATIONAL QUARTERLY EXPORT EDITION"

ANALYZATION OF THE 2nd QUARTER (APR., MAY, JUNE, 1960)

2ND QUARTER EXPORT VOLUME TOPS 1ST BY \$1 MILLION

\$500,000 Over 1959 Period

England Shows Greatest Gain With Games Imports Up 50%

The export upswing for the first quarter of 1960 continued through this past April-May-June period with total dollar volume of coin-operated equipment exported from the U.S. reaching the \$6 million mark for the first time in years. The total figure represented an increase of \$1 million over the first quarter and one-half million over the comparable period in 1959.

While phonographs remained steady, vending machines showed a marked increase and games took the play away with a large amount of the increase going into England. No doubt the lifted restrictions accounted for the reason behind the growing imports on games with the increase in Britain amounting to roughly one hundred thousand dollars each month. The United Kingdom accounted for 3,676 games valued at \$682,019 during the second quarter. Also high in the "gains" list during this period was Lebanon with a total of 1,111 games imported, topping all other countries in Asia. Canada just barely stayed in the 2,000 machine bracket with 2,196—double the volume imported on games during 1959 periods.

A notable decline in amusement machine imports took place in Western Germany when this leading European buyer accounted for only 491 games this quarter. More than three times this figure was accounted for by W. Germany during the first three months of 1960. Phonographs, however, took an upturn with more than 2,000 juke boxes imported into Western Germany—1338 were shipped during the first quarter. The increase represented a gain of one-half million dollars to American exporters.

Recent relaxing of import restrictions in France will not show on official import-export figures until the third quarter figures are made available.

PHONOGRAPHS: 4,827 coin-operated phonographs valued at \$3,226,778 were shipped from U.S. ports to foreign shores during April, May and June, 1960. This accounted for an in-

crease of 800 machines valued at \$500,000 over the first quarter for '60. Europe again led the world's importers accounting for 80% of the phonographs shipped from American ports. West Germany led the Continent with a purchase of 2,020 juke boxes which represented most of the overall European increase. Most importers held close to early quarter figures leaving the gains to be made by Europe and Western Germany.

AMUSEMENT MACHINES: The United Kingdom made most of the news in the games category with an increase of 1300 games bringing the total dollar value to \$682,019—an increase of \$327,000 over the early quarter figure. The increased business from England has definitely shown in the dollar columns and is expected to continue. Belgium was steady this quarter while Canada managed to drop 500 machines on the unit side but picked up the dollar volume \$21,000. Evidently the Canadian coin firms are buying later model equipment. West Germany imported only 491 games during this quarter, about one-third the volume shipped during the first quarter of '60. Lebanon increased its games purchases by 10% with a total of 1,111 units.

Total dollar volume for games exported during the second quarter reached \$1,901,856—a \$400,000 increase over the first quarter for this year.

VENDING MACHINES: Business went on the upswing again with vending machine exports recovering from losses suffered the final quarter of 1959—7,701 machines valued at \$893,381 approached the early 1959 figures. Total dollar volume was up \$346,000 with 1,000 machines more than first quarter being imported by foreign countries with Britain, Canada and Australia showing the increases. Australia set a \$38,275 figure for the first time after recording a blank for previous quarters. Canada enjoyed a 50% increase taking 4,932 machines valued at \$526,204.

Coin Machine Council Appoints Major PR Firm For National Public Relations Program

Casola Hails Move As Successful Completion Of Council's First Phase

LOU CASOLA

CHICAGO—The appointment of The Public Relations Board, Inc., Chicago, as public relations counsel to The Coin Machine Council was announced last week by Louis E. Casola, Council president.

The Public Relations Board is one of the largest and most distinguished public relations firms in the country, with offices or affiliates in major market areas of the U.S. and Canada.

The move, Casola said, marks the successful completion of the first phase of activity for The Coin Machine Council, public relations arm of all segments of the coin operated machine industry. CMC headquarters in Chicago.

Casola explained that the initial phase consisted of defining the goals of the organization, its formation, and building its membership. The appointment of public relations counsel means intensified effort toward the Council's objective—that of assembling and issuing information about the industry to educate the public. "The people must be given the facts to intelligently form an opinion of our industry," Casola stated.

"Selection of The Public Relations Board climaxes an exhaustive search for an experienced, professional agency to handle our mandatory and continuous public relations program," Casola stated. "We are proud to have them represent us, and are confident that our mutual efforts to present the facts about our industry will eventually raise the prestige and image of the entire industry."

In making the announcement of the agency appointment, Casola noted that Lee Schooler, PRB president, had triggered plans to initiate an industry wide public relations program in 1956. "Mr. Schooler addressed the convention of the Music Operators of America in 1956 and issued a challenge to all of us in the coin-operated machine industry to take our places as a major American industry."

At the same time, Casola announced the formation of a public relations steering committee from The Council to guide and work closely with its new agency (PRB) in integrating activities.

O. L. "Bob" Slifer, Executive Director, National Coin Machine Distributors Association, was elected chairman of the six-man committee. Other members are Samuel B. Lewis, Williams Electronic Manufacturing Company, Chicago; Anthony C. Hesch, A & H Entertainers, Arlington Heights, Ill.; Louis Casola, Mid-West Distributing Company, Rockford, Ill.; Herbert B. Jones, Bally Manufacturing Co.; Bally Vending Corporation, Chicago; and E. R. Ratajack, Automatic Music, Inc., Chicago.

An area of immediate concentration for The Public Relations Board is the

fast-growing membership of The Council. Members represent all segments of the industry: The manufacturers; distributors and suppliers; large and small operators. First step in the information program will be a monthly newsletter to inform the membership of CMC activities developments.

The chief governing body for the Council, the National Board of Directors, includes representatives from all facets of the industry. Its officers, in addition to president Casola, are: vice-presidents, John Bilotta, Bilotta Distributing Company, Newark, N.Y.; E. W. Holyfield, Coin Mart, Inc., New Orleans, La.; Harold Lieberman, Lieberman Music Company, Minneapolis; George A. Miller, Music Operators of America, Oakland, Calif; secretary, Herbert B. Jones, Bally Manufacturing Corporation, Chicago; and treasurer, Herbert C. Oettinger, United Manufacturing Company, United Music Corporation, Chicago.

The Executive Committee is the working body of CMC and is represented by: Louis Casola, Mid-West Distributing Company, Rockford, Ill.; Herbert B. Jones, Bally Manufacturing Company, Bally Vending Corporation, Chicago; Anthony C. Hesch, A & H Entertainers, Arlington Heights, Ill.; John Bilotta, Bilotta Distributing Company, Newark, N.Y.; Joe Kline, First Coin Machine Exchange, Chicago; Samuel B. Lewis, Williams Electronic Manufacturing Co., Chicago; Harold Lieberman, Lieberman Music Company, Minneapolis; Les Montooth, Montooth Music Company, Peoria, Ill.; Herbert C. Oettinger, United Manufacturing Co., United Music Corp., Chicago; Clinton S. Pierce, Pierce Music Company, Brodhead, Wis.; E. R. Ratajack, Automatic Music Inc., Chicago; O. L. "Bob" Slifer, National Coin Machine Distributors Association, Chicago and J. A. (Art) Weinand, Chicago Dynamic Industries, Inc., Chicago.

Members of the Finance Committee are: Herbert C. Oettinger, Chairman, United Manufacturing Company, United Music Corporation, Chicago; Louis Casola, Mid-West Distributing Company, Rockford, Ill.; and O. L. "Bob" Slifer, National Coin Machine Distributors Association, Chicago.

British Trade Fair Attracts Coin Industry As 5-Day Show Features Phonos and Amusement Machines

BLACK POOL, ENGLAND—The Northern Club Trade Fair was held at The Norbreck Hotel, Blackpool from September 12th to September 16th. This is the third fair to be organized and sponsored by the monthly trade magazine "The Club Secretary." The venue in previous years has been Londonderry House, London but in response to many enquiries from the north where there is a very large stronghold of club life, it was decided to hold this year's exhibition at Blackpool. This proved a successful move and the organizers have decided in future to alternate between London and a northern centre. Next year's venue will be London's Park Lane hotel.

The fair is primarily an exhibition of products every club must have—its object being to provide buyers, owners, secretaries and committee members with an opportunity to inspect a wide range of lines and compare prices; at the same time enabling those who buy and those who sell to get together in an informal atmosphere. Over 10,000 people attended this year's fair where exhibitors included members of the Coin Machine Industry. Juke boxes were represented by Chicago Automatic Supply Co., who were also showing reconditioned fruits. Automatic Musical Industries (Gt. Britain) Ltd. were represented by their Northern distributor Koromatics Ltd. displaying the 'K' model juke box and the new British Silver Queen Fruit machine. Anglia-Matics Ltd.

had three different types of equipment—the Eltec F100 juke box, tea and coffee vending machines and various entertainment machines. The Mills Bell-O-Matic fruit machine was the main attraction of the Las Vegas Coin Company, built in Chicago especially for the British market. On the Ainsworth Consolidated Industries (G. B.) Ltd. stand could be seen 'The Aristocrat,' an Australian manufactured fruit machine shown for the first time in this country. The latest Jennings fruits were featured on the Marmatic Ltd. stand together with the Jennings Double Bingo Belle, claiming to have 50 winning combinations. Maury Sykes, Marmatic head, traveled from his home base in Baltimore, Maryland, to conduct the Jennings exhibit. The Jennings 'Club Chief' was displayed by Automatic Machine Supplies Ltd. who were also showing cigarette and aspirin vending equipment.

Two fully qualified technicians were on hand at the Philips Electrical Ltd. stand to give expert advice on problems connected with sound reproduction and amplification while Magneta (BVC) Ltd. were showing sound reproducing equipment of all kinds including record players and tape recorders. Communications Systems Ltd. had an extensive range of sound equipment of interest to club owners including a dual gramophone input unit with playing speed variable from 78 r.p.m. to below 16 r.p.m.

Simper Shows AMI Phonos In London

LONDON—British coinmen were invited to view the first AMI "Continental" and "Lyric" phonographs last week when the Peter Simper Company displayed the machines at the Hotel Russell in London. Pictured above, Simper (left) and John Hardy, of the Simper firm, stand with the "Continental" 200-selection machine during the showing.

Max Lewin, AMI, Inc., and C. L. Bitting, supervisor of field service engineering in Grand Rapids, Michigan, assisted the Simper firm in hosting the operators during the festivities.

Peter Simper, exclusive AMI distributor here, advised The Cash Box office here that fifty machines were ordered before the new AMI phonographs were delivered and that the machines will be replenished with an additional shipment expected soon.

CHICAGO—At a recent Board of Directors meeting, Bill DeSelm, sales manager, was elected executive vice president in charge of sales of United Manufacturing Company, this city.

DeSelm, a veteran sales manager for many years at United Manufacturing, is well known and popular with the nation's coinmen, having met practically everyone in the industry over his long tenure at United.

He has actively participated in the marketing of literally hundreds of different amusement machines manufactured by the United firm and has played an important part in organizing the present distributor network in the United States.

DeSelm is currently devoting a major portion of his time to the sales of United's new "Bowl-A-Rama" bowling machine.

Sec. of Treasury Views British Depreciation Laws With An Eye To 40% 1st Year Write-Off

NEW YORK—Under Secretary of the Treasury, Fred Scribner Jr. has said that answers received to the Treasury's recent questionnaire mailing regarding depreciation write-offs on business machines and industrial equipment (which would naturally include coin-operated equipment) show that most businessmen are willing to give up capital gains tax treatment of profits on used property in exchange for faster depreciation write-offs. The questionnaire was mailed approximately three months ago as the start of a Treasury Department program whereby the goal was expected to be faster depreciation on tax returns.

The reason for the questionnaire was to determine just how the change in depreciation laws should be written.

Scribner made this information available at a recent meeting of the American Bar Association. During his talk, Scribner noted that English depreciation laws call for 40% first year write-off, noting that any over-depreciation resulting from a sale was added to ordinary income.

Many observers are reportedly looking for the Treasury to sponsor legislation along these lines or encourage liberalized allowances in some other way during the next Congressional session.

Mexican Population Increases By 34%

MEXICO CITY—Official census figures indicate an increase in Mexico's population of more than 34% in the last ten years with a total population figure for 1960 of 34,625,903. Ten years ago Mexico boasted a total population of 25,791,017.

The population of Mexico City was increased during this same period by 58% with the total number of persons legally living in Mexico City set at 4,849,402.

White Sox Score Board Might "Tilt"

CHICAGO—Bill Veeck, Chicago White Sox head, is reportedly reviewing the possibilities of incorporating a "tilt" factor to his famed electrical scoreboard at Comiskey Park. The idea is to flash the word "tilt" whenever a player hits a foul ball.

According to Veeck, the close calls would be identified immediately as a foul or a homer. The communication would be dramatic in keeping with the Veeck reputation for promoting anything that can be dramatized from midgets to pinball terms.

Williams Ships "Viking" 2-Plyr.

New Pin Continues Use
Of Modern Cabinet

SAM STERN

CHICAGO—Sam Lewis, vice-president and director of sales for Williams Electronic Manufacturing Company, this city, announced this past week that Williams' new "Viking" 2-player, 5-ball pinball game was released to the trade, and that sample shipments are already on their way to Williams' distributors all over the country.

Lewis made a particular mention of the fact that "Viking" is the fourth in the Williams line of pinball amusement games housed in the ultra-modern "Styling of the Sixties" cabinet. Other current Williams pingames in this line include "Darts," "Jungle," and "Music Man."

"However," Lewis stated, "in this beautiful new 'Viking' pingame we went a great step further in cabinet design to add a tray on the ledge, which juts out in front of the cabinet. This is for the convenience and comfort of players who wish to place sandwiches, drinks or cigarettes on the highly-styled aluminum (fluted to avoid slipping) tray.

"The backglass, mounted on a pedestal, is lavishly illustrated with Viking characters," he continued. "The most striking thing by far is the playfield of 'Viking,' which is designed for exciting skill play and high awards.

"The most exciting scoring feature," Lewis said, "is the 'Bonus Build-up' which challenges the skill of the players. In this scoring feature there are four light-up buttons at the center of the playfield, and a drop-in hole directly above the light-up buttons. Making targets at the upper right and upper left of the playfield lights up the bottom button awarding the player '50' points.

"Other targets positioned on the playfield light up the other buttons for (respectively) '100,' '200' and '300' points providing that the ball enters the drop-in hole. Just as soon as the ball enters the hole the lights go out and the player resumes the action with the next ball.

"This is true skill action," Lewis added, "and players can keep a ball in action on the playfield for sufficient time to rack up a healthy score."

Other scoring features in "Viking" include optional 3 ball scoring, the two-way "Double-Match" feature, and adjustable replays.

Sam Stern, president of Williams Electronic, pointed out that this amusement game more than "meets the Challenge of the Sixties," based on results reported to Lewis' office from numerous test locations in several different areas throughout the United States.

He said: "The low cost of 'Viking' coupled with the extremely high rate of collections operators will enjoy makes this a very desirable game for any type of location."

Both Stern and Lewis acclaim the new ultra-modern pingame cabinet as one of the major forward steps in recent years.

"The cabinet design," they said in unison, "is a great boon to pinball acceptance for this exciting decade of the 'sixties.' It will, of course, continue to be our policy to make available to coin machine operators the finest money-making coin-operated equipment it is within our power to deliver."

Lewis advised, in conclusion, that the plant is now geared for full production on "Viking," and that shipments will be made in a normal, orderly scheduled basis to Williams' distributors. He urged operators to visit their nearest distributor for a demonstration now.

Rock-Ola Concludes Distributor Meetings After Showing 1961 Line In Five Sales Regions Operator Showings To Start Oct. 9th

EDWARD DORIS

CHICAGO—E. G. Doris, Executive Vice-President, Rock-Ola Manufacturing Corporation, this city, recently headed a contingent of the firm's various department heads in a cross-country distributor showing of the firm's new 1961 model phonograph, the "Regis." The distributor meetings took place in five different cities hosting factory distributors in New York, Atlanta, Dallas, San Francisco and Chicago. Canadian wholesalers are scheduled to view the 1961 phono-

graph line on Monday, October 3rd. The Rock-Ola distributor meetings started in New York on September 16 at the Sheraton-McAlpin Hotel where Rock-Ola sales outlets from the northeastern sector of the country were officially introduced to the firm's 1961 machine and its sales program. Following the initial showing in New York the Rock-Ola crew headed for Atlanta and the Henry Grady Hotel, September 19, where southern representatives viewed the machine. Southwestern distribs met at the Sheraton-Dallas, in Dallas on September 22. The west coast was visited on September 26 where the Rock-Ola officials concluded the cross-country tour at the St. Francis Hotel in San Francisco. Chicago and midwestern distribs were feted at Chicago's Morrison Hotel on September 29 and 30. Canadian wholesalers are expected to visit the Rock-Ola factory on Monday, October 3, to complete the U.S.-Canadian distributor sales meeting.

Doris was assisted during the tour by Frank Mitchell, Director of Sales; George Hincker, Director of Advertising and Promotion; Les Rieck, Sales Manager; and Jack Barabash, Field Service Manager.

Rock-Ola distributors will hold operator showings of the 1961 "Regis" phonograph line during the week of October 9 in showrooms across the nation and in Canada.

Fruit Machines Legal In U.K. Jan. 1st

LONDON—January 1, 1961 has been set by the United Kingdom as the of-

ficial date on which fruit machines may be legally operated under the provisions of the recently passed Betting and Gaming Act. Separate dates for operating amusements with free prizes (September 30, 1960) and betting shops (May 1) have also been set.

The fruit machines must operate within the confines of the rulings set down by the legislation which call for all fruits to charge not more than sixpence and with profits going to charity rather than private gain. There may not be on location at one time more than two machines. This portion of limitation on number of fruits does not apply to licensed amusement arcades where there is no limit on the number of cash pay-out machines that may be installed, providing the maximum payout is not more than 1/-, which is also the maximum charge to play the machine.

Second quarter export figures on amusement machine exports from the U.S. to the U.K. indicate a tremendous increase in previous quarter figures and it is estimated that a large portion of the increase has been attributed to fruit machines. (See page 54 and 55).

Betti Back From Europe With Bright Future Predicted For Pool Table Sales

BERT BETTI

UNION CITY, N.J.—Bert Betti, Eastern Novelty Distributors, this city, returned from a six week tour of Europe after visiting major cities throughout the Continent and upon returning to his business of distributing pool tables and pool supplies exclaimed, "I have the greatest confidence in the future of the coin-operated pool table in this country and expect to do a record breaking job for our firm before the year is out!" Betti is exclusive distributor in this area for the Fischer Sales and Manufacturing Company, manufacturers of the "Imperial" pool table line.

Betti advised that while in Europe he transacted several business deals which he expects will place his firm in a more advantageous position in dealing with jobbers and operators of pool table equipment here. One of the more important stops, according to Betti, was a contract deal with a major slate supplier which will enable

the firm to offer operators of pool tables quality equipment at highly competitive prices.

Betti also spent some time vacationing while in Europe and attended the 1960 Olympics in Rome. He visited his father, Humbert Betti, in Milan, and also spent time in England with his wife's family.

"It's amazing the amount of vitality exhibited by the European today," said Betti. "There is a feeling of enthusiasm when talking with members of the European coin machine industry that makes itself as evident as the very machines they operate. Much of this enthusiasm stems from the outlook Europeans have toward their coin machine business. They spend quite a bit of time with the business and understand the necessity for being aware of everything that happens within the confines of the business."

"Europe is a growing Continent and the coinmen in Germany and England are very much aware of its potential. The enthusiasm is contagious. I think we could use more of it over here."

Betti certainly brought enough of it back to place a fire under the firm. Sales plans for the remainder of 1960 are already underway following a big start just after Labor Day when "a flurry of slate and game orders arrived from clients across the nation."

If Betti's enthusiasm continues, pool table operators stand to benefit. The firm insists on handling only quality merchandise and then it must be sold at a competitive price. "We expect to sell trailerloads," concluded Betti, "and you can expect to hear a lot more from the pool table end of the industry before the year is out."

Seeburg Stereophone Headsets In Syracuse

SYRACUSE, N.Y.—A recent demonstration of the new Seeburg Stereophones in the Davis Distributing Corporation showrooms here resulted in still another operator being convinced of the value of the headsets in picking up a few extra coins along the way.

Henry Wertheimer, Davis Distributing, (left) and Bill Prutting, Seeburg regional sales manager watch the expression on the face of Tom Conroy, (center) as the stereo sound comes through each side of the headset. Conroy owns the Hit Parade Music Company in Syracuse and reported that he has enjoyed great suc-

cess with the "Artist of the Week" merchandising program.

Conroy's locations were included in official reports by Seeburg verifying the increase in collections on locations where "Artist of the Week" phonographs have been installed.

The Seeburg distributor-operator meetings which are currently underway across the nation include a portion of time for the presentation and demonstration of the Stereophones and an explanation of how the headsets can be used on location to stimulate stereo interest and also juke box play.

Seaway Toll Traffic Increases

Possible Strike To Come On Canadian Side Of Waterway

MASSENA, N. Y.—While upbound cargo (bulk) during August was off sharply Canadian-U.S. St. Lawrence Seaway preliminary tolls traffic statistics show that cargo traffic for the April through August period of this year was up 5% for the Montreal to Lake Ontario section and 10.7% for the Welland Canal section over that recorded during the same period in 1959.

Cargo through August for the Montreal-Lake Ontario section amounted to 12,401,578 tons, as compared with 11,814,917 for 1959.

For the Welland Canal section a total of 18,296,895 tons has been recorded for this period, a 1,771,863 ton increase over the April through August 1959 tonnage of 16,525,032.

No explanation was offered for the decrease in cargo bulk shipments.

Vessel transits, exclusive of pleasure craft, through August of this year continue to be less, despite more cargo tonnage, than reported for the same period in 1959.

POSSIBLE SERVICE

Meanwhile late Thursday evening negotiations continued to head off a strike threatened by about 600 seamen. Federal intervention was being sought at the Montreal Port where the strike was set for Friday, September 30. The Seafarer's International Union planned to strike against N. M. Paterson Sons, Ltd., of Fort William, Ontario. Demands were for higher wages and shorter working hours.

If fast agreement was not reached, the union was expected to spread the strike to other firms rather than limit it to the one company to test management's reaction.

The main argument was found in the difference between Canadian and American seamen rights. American seamen work 40 hours while their Canadian counterparts work a 48-hour week.

Strikes have hampered the St. Lawrence Seaway program almost since its inception with last year's strike lasting almost one month and coming at a time when the traffic problems on the Waterway were major.

Edelman To Visit European Distribs

NEW YORK—Iz Edelman, president, Cine-Sonic Sound Corporation, with sales offices here and factory facilities in Detroit, has planned a European business trip to last "no more than three weeks" in order that he contact the foreign market both with an eye to his current distributor set-up and the possibility of further appointments.

Edelman advised that the current Cine-Sonic models would be offered during this month at special prices while plans for new equipment were already in the advanced planning stages. Edelman will visit several countries in Europe, Africa, where he will call on several interested dealers in Algeria, and continue through to Israel, where his background music plans are expected to amount to major installations in the metropolitan areas.

IZ EDELMAN

The Cine-Sonic background music systems have enjoyed considerable success over here being sold primarily through juke box distributors and major amusement machine wholesalers.

Bally Uses New Type Coin Chute To Increase Play "Challenger Bowler" Now Takes Nickels

BILL O'DONNELL

CHICAGO—Bill O'Donnell, general sales manager of Bally Manufacturing Company, reports that a new type coin-chute now standard equipment on "Challenger Bowler," is resulting in substantial increase in play.

"Formerly," O'Donnell said, "the coin-chute on 'Challenger Bowler' accepted only dimes. Now players may deposit either a single dime or 2 nickels. Result is that 'Challenger Bowler' gets more of the loose change around a location. Spot checks in typical locations revealed that patrons had an average of 3 nickels in their pockets for each dime. Unless the location owner was able to supply dimes in change—which is often difficult in a busy dime-play spot—those extra nickels never got into the games. The new chute on 'Challenger Bowler' now gives the operator a chance to attract some of these nickels."

Taran To Consider Expansion Of Export

MIAMI—Sam Taran, Taran Distributing Co., Inc., this city, and his London representative Ralph Cravitz, who conducts the Taran overseas sales office, will meet next week when Cravitz flies to Miami in order that the possibility of expanding the firm's export department be discussed. Taran intimated that the firm's export business has increased somewhat in the past year and that with the added facility of a London office perhaps a broader sales program would be introduced.

EASTERN FLASHES

The "word" out of distributor showrooms this past week is "We're moving equipment!" Not a sad face in the lot and this goes for music and games. The export market has helped things considerably as witness the quarterly export statistics featured in the front of this coin section. Many of our New York wholesalers are responsible for the increased sales of equipment overseas and the effects are beginning to show. Not too much used equipment to be had around Tenth Avenue while the new equipment sales hold up well. The only answer is the exporting of used machines.

* * * * *

Surprise visitor from Chicago is Ed Ruber, of Wico Corp., parts and supplies house supplying the coin trade. Ruber was lining up distributors for the firms' new sound equipment which enables the juke box to offer sound reverberation (reverbera-sound) or a sound pretty much achieved when a recording artist such as Fabian or any of the youngsters around today steps into a recording session and has his voice channeled through a sound chamber for amplification and "echo tunnel" clarity. The new 1961 music machines are expected to feature this dimension and, according to Ruber, the new sound will "revolutionize" juke box music. Ed Ruber has traveled to the major cities on the seaboard visiting Boston and then New York and expected to call on several more distributors before driving back to Chicago.

* * * * *

Myron Sugeran, Runyon Sales Co., boasts a list of twenty-five foreign ports receiving equipment with the Runyon label on it. "We're selling just about everyone but the countries behind the iron curtain," quotes Myron, "and don't be too sure we won't break thru there either!" Myron has done a tremendous job with the firm's export sales since taking over the department about one year ago and organizing it to the point where it is a primary division of the overall Runyon business. "Shugy" confirms all Myron has to say and adds that music machines from AMI, Inc. are being received checked and shipped to the "domestic" market as fast as they arrive. The "Continental" and "Lyric" phonos are still big attractions. Marvin Goldstein has enjoyed an immediate sales reaction on his new line of "Decrosonic" wall speakers which are constructed inside some very attractive silk screen paintings. The side wall in the firm's NYC showrooms accommodates about 8 or 10 different paintings and Marvin tells us the speakers are selling to ops with locations boasting fine decors. Morris Rood had his office filled with out-of-country buyers last week and from all indications the Bally line of reconditioned shuffles received a good workout. No word from "Kempy" Kempner who was on the road selling his wares. . . . Surprise visitor to coinrow was Mrs. Koenig, of Koenig Music. Jack Rowan, Koenig route manager, called as usual but this time Mrs. Koenig came along for the ride and also to conduct some top level business.

* * * * *

Maurice Machkovsky, Mar Del Plata, Argentina, in NYC buying coin-operated equipment and meeting the New York wholesalers during his stay. . . . Mike Munves away to Hot Springs for another week or two with his wife Rose and also "Rusty" while brother Joe handles the many visitors to the showrooms. The German made "Bimbo Box" orchestra is on display and Joe gives it a turn for us while we talk about the '60 arcade season. . . . Iz Edelman, Cine-Sonic Sound Corp. visits Tenth Avenue and advises that he is holding a clearance on his background units Model #2 and #10 with special also on tapes. Iz is trekking over to Europe on a whirlwind 17-day trip designed to stimulate new distributors on the Edelman background music line. Iz will visit Germany, England, Israel and Italy with other countries also planned depending on the length of time left. . . . Millie McCarthy, Hurleyville operator, and treasurer of the NYS Ops Assoc. is in town to meet with some high public officials (nothing unusual for Millie) and also to advise that the upstate association is seriously planning to organize a committee of coinmen to watch over the legislative actions in each section of the State. Unless you know what's happening before hand, it's a little late to do anything about it once a piece of law becomes official. That's Millie's contention and she's having a hard time convincing the coinmen here of the importance of this phase of the business.

* * * * *

Abe Lipsky, Libra Distributors, was faced with about ten machines on Tues. PM, some new, some used, but he expected each one to be shipped before he closed his doors at 6 PM that same day. "I can't complain with action like this," said Abe as he checked the sales list for the month. "The Wurlitzer line has made a fine showing for itself in the past few months." Lipsky also mentioned the "Smokeshoppe" cigarette line, just recently taken on, and sales have been considerable. "You never know where the next sale will be made and we're very happy to see that the operators in the area are spending more and more time with our equipment." Henry Slavis doing a big job in the parts dept., and also adjusting a few phonos as they come in. "It's amazing the damage some guys can do with a screw driver," comments Henry, "when all it takes is a little know-how." That is, if you've been fixing 'em for 20 years like Henry! Harry Koeppl busy with the crating job on an export order and advises that as soon as equipment fitting the orders comes through more export requests will be filled. . . . Sam Engleman cries that Castro, the bearded Harlemite, cost locations big collections last week when the Cuban spoke for 4½ hours. "They didn't play a tune while Castro made his speech!" . . . Collections in general were evidently effected by the televising of UN programs with much television coverage given to the important meeting amongst world leaders. . . . Next week, the World Series! . . . Si Redd, Redd Distributing, happy over the Seeburg appointment and already lining up a strong sales program for the vending line. . . . Irving Holzman, Black Sales, out-of-the-office when we call. Murry Sandow reported a good business on United's "Sunny" and "Savoy" machines with "Bowl-A-Rama" still creating lots of interest. . . . Al Simon, Albert Simon, Inc., excited over the forthcoming Rock-Ola showing scheduled for next week. "We expect to do an even bigger job with this great music machine next year!" Al D'Inzillo tells us that the ChiCoin "Duke" is selling very well. "A few bowlers here and a few there and you realize that the big bowler is doing one heck of a job here in the City." . . . Meyer Parkoff, busy moving Seeburg Model "Q" phonos while Murray Kaye handles the return of the first equipment from vacation resorts and advises that used equipment is at a premium. Between export, and the late return of equipment from resorts because of the holidays, there is a temporary shortage of equipment throughout the area.

CHICAGO CHATTER

The Coin-Machine Council now appears well on its way towards intensifying and solidifying a sound public relations drive since the announcement last week of the appointment of the Public Relations Board, Inc., headed up by Lee Schooler, to handle the industry-wide PR campaign. Lou Casola, owner of Mid-West Distributing Co., Rockford, Ill., and president of C-MC, pointed out the other day that initial stress will be placed on defining the goals of the PR Council and building up the membership on a national basis. Ben Rogers of the Public Relations Board, Inc., will supervise the Council's drive. Members of the C-MC steering committee are Bob Slifer, NCMDA; Sam Lewis, vice prexy of Williams Electronic Mfg. Co.; Anthony C. (Andy) Hesch, A & H Entertainers; Casola; Herbert B. Jones, vice-president Bally Mfg. Co.; and E. R. "Ed" Ratajack, vice-president Automatic Music, Inc. (AMI).

Art Weinand, director of sales for Chicago Dynamic Industries, is fairly bursting with pride since his pretty daughter, Ginger, was recently elected president of her senior class at Good Counsel High School on the far northwest side of the city. Versatile Ginger is also the president of her Spanish Language Club at Good Counsel. Getting down to business Art tells us Chicago Coin's fabulous "Duchess" big ball bowler is daily becoming so popular all over the country that it became necessary to up production on this game to peak to assure one and all of immediate deliveries.

Bill O'Donnell, general sales manager of Bally Mfg., announces the new type coin chute, which was recently installed in Bally's new "Challenger Bowler"—as standard equipment—is certainly racking up greater collections in locations. It accepts either a dime or two nickels (not restricting play to only

ROY KRAEHMER

dimes). . . . No matter who you approach at United Mfg. these days you still get the same answer, and rightly so, that United's "Bowl-A-Rama" is literally creating a sensation on location everywhere it appears. This huzza is exclaimed in unison by Herb Oettinger, Bill DeSelm, Roy Kraehmer and smilin' Glenn Johnson, all of whom had a big hand in the development and creation of "Bowl-A-Rama." . . . Easily one of the busiest factories in the country is Williams Electronic Mfg. Co. which last week revealed the new "Viking" two-player (competitive play) pinball game, with the already very popular "Styling of the Sixties" cabinet. Vice prexy Sam Lewis proudly showed us the new stylish tray which juts out in front of the game for drinks, sandwiches and cigarettes for players' convenience. In scoring features "Viking" has optional 3 ball scoring, 2-way double match feature adjustable replays, and a bonus build-up that challenges the skill of the player. Prexy Sam Stern is definitely convinced that the current Williams line of pinball games ("Darts," "Jungle," "Music Man," and, now, "Viking") is the strongest selling line of pingames ever offered to the trade.

We've never seen Keeney's Paul Huebsch busier than he has been this past week. He explained to us in the few brief moments we spent together that "Sweet Shawnee," featuring Keeney's "Panoscope Viewer," is shaping up as an operator's dream amusement game on location. This, he assures us, naturally makes for greater sales potential everywhere. Harold Dorgan and Clayton Nemeroff are kept pretty much on the road calling on the trade these days.

Empire Coin's Joe Robbins took to the road last week just as soon as Jack Burns returned from his sojourn installing United's "Bowl-A-Rama" bowlers in Indiana and Michigan. Joe's itinerary carries him through upper Wisconsin commencing with visits to Green Bay. . . . Marvel Mfg. prexy Ted Rubey advises that he extended his replacement phonograph plastics line recently to include the front vision panels for AMI "D-40," "D-80," "E-40," "E-80" and "E-120" models. Also center domes for Wurlitzer models "1500," "1700," "1900," "2000," "2100" and "2400." . . . Alvin Gottlieb reports initial activity on Gottlieb's new "Melody Lane" pinball amusement game is quite spirited, and operators are already climbing on the bandwagon. Nate and Sol Gottlieb point up the fact that "Melody Lane" is a competitive, 2-player game offering many exciting features for players.

First Coin's Joe Kline tells us there has been a decided increase in export as well as domestic sales activity of late. Sam Kolber optimistically opines that this will be a banner Fall season for the whole coin machine industry. Joe and Fred Kline relate the happy news that Ed Blumenfeld of Michigan City, Indiana, is well on the road to recovery after his recent illness. While making the scene thru coin row we ran into Ray Bandyk, who at 22 years of age is one of the youngest founders of an operating firm. Ray, who heads Ray Bandyk Music Co., recently returned to the city from his honeymoon with his lovely bride, Chris. Another young (24) coin operator, Joe Reggio, Airport Music, greeted us along coinrow. . . . While at First Coin we were informed by Eddie Stawicki that his wife Lillian recently gave birth to twin daughters, Angela and Marie.

Sen. Homer Capehart (R., Ind.) long associated with coinbiz until his seating in the Senate, will visit our town October 11. He will address delegates of the Automotive Parts Rebuilders Assn. at their convention in the Conrad Hilton hotel. An estimated 1,000 conventioners will be on hand in the Grand

Ballroom for the talk, according to APRA prexy R. R. Neil. . . . The action at World Wide Distribs is terrific on Chicago Coin's "Duchess" bowler, according to Joel Stern and Len Micon. We gather that the fantastic hole in one Len Micon shot a couple of Sundays ago didn't give him a swelled head. However, he's still walking on air (we've been walking on air for years, and it hasn't produced anything like a hole in one. In fact, we still can't break a hundred—in 9 holes!) . . . Games, Inc's prexy, Clarence Schuyler, reports that production is still running very high on "Twin Super Wild Cat" electronic upright amusement game.

The Rowe-AMI Sales building is really beginning to shape up at its present site on the far west side just adjacent to the convenient Congress Expressway. However, prexy Charles Brinkmann, Edward Wiler, Mike Spagnola and Bernie Shapiro are in cramped quarters along with the rest of the staff, and this situation will prevail until the new structure parallel to the present building is finally completed. . . . AMI vice prexy Ed Ratajack continues to be known as the busiest exec in these parts. You gotta run pretty fast to keep up with Ed when he's working.

Rock-Ola Mfg. executives hosted a distrib showing of the new Rock-Ola line of phonos last Thursday & Friday at the Morrison Hotel. Thursday's bash was for Rock-Ola's midwestern distribs, and Friday's was set up for Canadian distribs. . . . Ed Ruber and Milt Wiczer can barely conceal their overwhelming elation over the action Wico Corp. is getting from response to the 1961 Wico catalog which was recently distributed internationally. . . . Atlas Music's Harold Schwartz informs us that the Seeburg "Artist of the Week" promotion keeps building in popularity among operators in this area week by week. Ever since 33 1/3 rpm records have been coming into Atlas Music in quantity Harold and Nate Schwartz are supplying them to the trade here.

Marvel Expands Plastics Line

CHICAGO—Ted Rubey, president of Marvel Manufacturing Company, this city, announced this past week that he has recently expanded his Replacements Phonograph Plastics production line to include the following parts: Front Vision panels for AMI phonograph models "D-40," "D-80," "E-40," "E-80," and "E-120." Also added to this replacement plastics line are Center Domes for the Wurlitzer "1900," "2000," "2100," and "2104" models.

Rubey particularly emphasized the fact that Marvel Manufacturing is in constant production of a line of parts for coin machine equipment. In this category Marvel is now making available to the trade high quality relays, with emphasis placed on long life and low cost. Standard relays are produced with spring-tempered brass, nickel, or silver.

Rubey further explained Marvel's process when he said: "We use the finest of materials available to manufacture our relays. Customers can also have custom specifications of phosphorous bronze or otherwise. The spring arrangements can also be produced to specifications, pertaining to the type of contact points; or, for that matter, inclusive of any other specific requirements desired.

"Marvel also has complete facilities for manufacturing special Wire Harnesses for coin-operated devices to any length required," he added.

Rubey concluded by urging interested people to send in their inquiries regarding availability for Switch Stacks, Relays or Harnesses to exact specifications.

Seeburg 33 1/3 Show Visits Des Moines

DES MOINES, IOWA—The Seeburg "Artist of the Week" merchandising show continued on the road last week with the operators in this area meeting at the Hotel Fort Des Moines for a formal dinner-meeting and presentation of the 33 1/3 program by Seeburg officials.

Jack Gordon, Seeburg vice-president, staged the presentation before operators invited from the surrounding area and according to Phil Moss, president, Philip Moss and Company, Seeburg outlet here, the meet "met with great enthusiasm" and defined the 33 1/3 rpm record idea. Approximately 50 operators and wives attended the "Artist of the Week" program which advises operators to purchase new equipment from the Seeburg distributor in order to obtain the equipment designed to play 33 1/3 rpm 7" singles.

The Seeburg officials advised operators that a mixture of the 33 1/3 rpm standard tunes when mixed with 45 rpm hit tunes will increase operator earnings when programmed properly.

Moss also stated that a demonstration of Koss headphones, "Stereo-phones," explained how ops may stimulate interest in stereo on location and capitalize from the attraction. Gordon was aided in his demonstrations by Al Gange, divisional manager.

Moss is the Seeburg distributor for Iowa and Nebraska and hosted a cocktail party which preceded the dinner.
