Hard Choices

JOHN FOGARTY, "THE OLD MAN DOWN THE ROAD",

WARNER BROTHERS... The package said "Personal And Confidential"...and holy run thru the jungle... out popped Rip Van Fogarty, perfectly preserved. Fifteen years down the road and just as clear and real as it was in the beginning! Thank God the vinyl revival of this national treasure has finally come to pass.

GLENN FREY, "THE HEAT IS ON", MCA... Take equal parts Huey and Kenny, add a dash of Ray Parker, then Frey over a medium flame. What's that spell? Hook-burger...In short, order early and avoid the CHR mass rush.

CYNDI LAUPER, "MONEY CHANGES EVERYTHING",

PORTRAIT/EPIC... Tell us about that platinum stash, Hot Stuff—now that you've scuffed the glitz off your rock and roll sneaks. Very smart move to course correct the video/pop overload with this ready, raw version of the Brains best idea. Cash in or you're small change down the line.

Chain Reaction

FOREIGNER, "I WANT TO KNOW WHAT LOVE IS",

ATLANTIC... Like some of the best things in life, it starts soft—but ninety seconds out, say hello to a heavyweight fist in a velvet glove... 112 out-of-the-box adds bring the single in with the week's strongest #6 debut...Now radio: Tom Starr, WOUR, "Foreigner has so many horses UNDER the hood that even purring at low rpm's they blow the doors off anyone caught on the same chart with them"...Craig Martin, KRCK, "Lou Gramm has evolved from a Paul Rodgers clone to one of the great rock singers of our time"...And Jeff Riccio, WHJY, "Despite a basic song structure (classic ballad build through massive gospel chorus), the record does take you off your feet halfway thru"...New at #7 Most Requested, with 37 first week max play mentions.

PHILIP BAILEY, "EASY LOVER", COLUMBIA... Out

just three weeks and already ringing top 5 phones at WLUP, WBRU, WOUR, WRDU, WQMF, WEZL, WRON, and several more...And we've got ample play increases, too—16 in all, including KLOS, WGRQ, WWSB, WNEW, WSHE, WYNF, KBCO, and WLQ...Now max play on 19...#3 Most Added with 23 for 98 to date...The LP doubles 31-22/42-24 Metro, with "Easy Lover" strolling 27-15...From Lisa Novak, KRQR, "The influence and participation from core artist Phil Collins is clear to the AOR listener"...Ralph Tortora, WBA3, "Easy Lover" is a good tune and with the Midas-man helping out so much, AOR should have no problem with this big crossover hit"...And WBCN's Bob Kraines says, "When Collins gets behind the knobs to produce, the record's always impeccable. 'Easy Lover' is a smash."

TRIUMPH, "THUNDER SEVEN", MCA... 22 more takes

the two-week tally to 104, and the extra umph of 13 quick play ups nets double primers, 20-20 Nationals, 24-17 Metro...KGB, KLOS, KZEW, WIYY, WNEW, WYNF, WQIZ, KATT, WKLS, KZOK, and KMET lead the ups, 48 steady, 1 down..."Spellbound" breaks loose 30-19, coming in at #8 Most Requested, thanks to top fivers at WHJY, WAAF, KISS, WQIZ, WQMF, WYXX, KRCK, WGRQ, and more...From The Box, WIOT, "Triumph makes a healthy debut at #16 in sales the first week out, and 'Spellbound' sounds better with each listen"...From Amy Dehman, WAQX, "They've retained their signature sound while progressing musically, delivering a final product that's exciting and new. No corporate made-for-TV bullshit here. They've done it up right and the audience knows it."

LOS LOBOS, "HOW WILL THE WOLF SURVIVE?",

SLASH/WARNER BROTHERS... What, me worry? If it fits, play it! This in-house fave rave continues to chew up the charts, with double primers 47-34 Nationals/49-40 Metro...New on 14 for 78 total... "Don't Worry Baby" works out 49-36, with 6 play increases, including KISS, KTXQ, WNEW, KLBJ, MLVQ, and KZOK...And you're missing a good one if you haven't considered the title track.

BOB DYLAN 12", "HIGHWAY 61 REVISITED",

COLUMBIA... The Bob and Mick show pulls in at #66, with 27 adds paving the way...Ron Sorenson, KBLE, offers, "The current version of this timeless classic with Mick Taylor on lead sax has the chops to cut it in album radioland"...From Peggy Apple, WQOK, "The 12" has gotten a great response with our older demos who remember Bob 20 years ago"...And from Paul Shugart, WRIL, "'Highway 61' gets the Chuck Berry treatment that transforms it from an old classic into a brand new sing"...Max play includes KMET, KAZY, and KBCO.

DON HENLEY, "BUILDING THE PERFECT BEAST",

GEFFEN... Stronger than "Dirty"—23 play increases and we adds punch the album numbers 5-2 Nationals, 4-2 Metro..."Boys Of Summer" soars to #1 in Airplay and requests with a whopping 77 max play mentions..."Sunset Grill" gains 75-50, upped on WLQV, KATT, WBRU, and WTUE, with "Driving With Your Eyes Closed" steady at #98...From KTXQ's Bob Elliot, "He's got to be one of the best songwriters around. 'Sunset Grill' is hot enough to fry cheeseburgers"...From Mark Miller, WACK, "The album as a whole sounds like an instant classic—certainly rivaling anything ever done by The Eagles"...From Paul Michaels, WXC5, "The entire LP is pure pleasure. He's right on target with every single track."

BILLY SQUIER, "EYE ON YOU", CAPITOL... Hats

off to the Capitol promo team for their excellent job of collecting those Airplay IOU's...The 4th track scores with 19 for #5 Most Added. That brings the LP back into the Nationals at #39. It regroups 44-39 for the Metro Underline..."Eye On You" hits the list at #68, with increases on KSHE, WNEW, WYNF, KMET, and WQRR—an excellent roll call.

SURVIVOR, "HIGH ON YOU", SCOTTI BROS/EPIC...

Looks like a "play me now or play me later" scenario from where we sit, especially considering 18 more adds, ups on KSHE, WBBN, WBRU, WIOT, KATT, and KZOK, and that 65-46 Song Underline. Top 5 phones from WIYY, WQIR, and WIMZ. With momentum like this, why hold out?

BRUCE COCKBURN, "ROCKET LAUNCHER", GOLD

MOUNTAIN/ABC... Here's that high caliber add week we've been expecting. The Superstars green light brings Bruce in at #7 Most Added with 17—that moves the single 80-61, debuting the LP at #50 in the Nationals...WHCN and WLAV increased play, with KBCO, WTOS, and WBRU listing top 5 response... From Paul Heine, WGRQ, "A powerful track that addresses a subject that rock can't ignore. This song will generate reaction"...From Brian Taylor, KQDS, "This is the perfect texture record. Good production with strong lyric content. This is just the kind of statement that the album format was originally based on"...It's time.

CHAIN REACTION CONTINUED

THE KINKS, "WORD OF MOUTH", ARISTA... Come on folks, let's have a little more than just lip service on the wealth of workable backup material. How about "Good Day" or "Thin Line"? 23 max plays and 16 increases do it to the single, 6-4. Now pulling top 5 phones at 10, including CHEZ-FM, WNEW, WBAB, and KLPX. On the Lp charts, the "Word" is 10-7 overall, 9-8 Metro...KKCI's Gary K. Poole offers this convoluted comment, "Kquestion: Will I ever get tired of the new Kinks? Answer: Not even when it's old."

EUROGLIDERS, "HEAVEN", COLUMBIA... This baby band shows amazing hang time. After 11 weeks on the air, "Heaven" holds 25-23, with a 31-27 Metro Underline...WNEW, KBCO, and WRDU upped with 60 same, one down... Max on 8, "4" emphasis on 22, with 26 more listing at a "3"...KBPI's Lynn Wells tells us, "This cross between Eurythmics and Fleetwood Mac grows on you with every listen. Add the quality of the record to Columbia's obvious commitment to the project, and you have a valuable record that will be around for months to come"...Glide on glider.

GIUFFRIA, "CALL TO THE HEART", CAMEL/MCA... Call it just about home free at this point. This top drawer debut boasts 116 now playing, and 17 ups paces the big name competition...20-17 Nationals, 21-20 Metro, with "Call To The Heart" on a 17-13 roll. That suntanned devil Ron Diaz dialed us from down Tampa way, and he says, "Now some of the WYNF jocks tell me, 'Hey dude, at first "Call To The Heart" was casual, but now it's killer"...uh,yeahhhhhh.

PLANET P, "PINK WORLD", MCA... "Pink" rings up another Metro Primer 40-33, 32-20 Nationally, with "What I See" 37-32...Moved up on KGB, KISS, WNEW, KATT, WKLS, and WPDH...Steady on 44, down on only 1...New on KLOS, KSHE, KBPI, KMET, and 4 more...Seven considering on the Checklist, and 17 building, 28 maintaining, and only 2 dropping.

BILLY IDOL, "CATCH MY FALL", CHRYSALIS... As radio rallies around single #4, the album continues its assault on Index longevity records. This week the National chart offers a 38-32 Primer, 39-28 on the Metro list...7 adds and 10 play ups (KOME, KTXQ, WBCN, WNEW, WKLS, WBAB) moved "Catch My Fall" 38-31, with early top 5 calls at KRVV, WLVQ, and WWTR.

AUTOGRAPH, "TURN UP THE RADIO", RCA... All the right signs for more red ink. Top 5 as WSKS, WKQQ, WOVE, and WAQX...Increased play at WYSP and WAAF, 20 Checklist builders, including WHJY, KZOK, KRCK, KATT, KYYS, WEBN, KISS, KLPX, KICT, KSHE, WLVQ, and WCCC, with 7 considering...Got great charts, too: 40-33 Underlined in the Nationals, 36-35 Metro, with "Radio" turning a 41-34 Primer...From KQDS' Brian Taylor, "This is our most consistent daily phone request, plus the Lp continues to grow at local retail"...Amy Dahlman seconds it, "Talk about bona fide success stories. The remix really does the trick, with bTood, guts and guitar riffs. I love it!!"

BIG COUNTRY, "STEELTOWN", MERCURY... One of rock radio's most unique acts pulls in with 9 more on board, rackin' up a #42 Metro debut, and 50-40 National Underline...The Checklist has 21 considering, 16 maintaining, 2 dropping, and builder status on WKQQ, WCCC, WPDH, KRQR, WYDD, WSHE, KAZY, and KQAK..."Where The Rose Is Sown" is now on 67 reporters, climbing 60-53.

GENERAL PUBLIC, "TENDERNESS", IRS... You know the battle for playlist position is anything but, yet "Tenderness" continues to stretch out...New on WYDD, WZZO, and WFAL...Up on KBCO and WCCC, steady on 26, down on 1...The Lp bullets 49-43 National, debut #46 Metro...As the obvious releases thin out, why don't you try a little?

RICK SPRINGFIELD, "BRUCE", POLYGRAM... One of the most musical novelties you'll ever get is burning the phones at WCKK, WKDF, WRDU, WCRN, and WYER...KGB, WDHA, WCPZ, WXKE, and WGIR come to the party, and KZOK, KICT, WRDU, and WEZX upped..."Bruce" repeats at #58, but the Lp lands at #50 Nationally.

QUEENSRYCHE, "TAKE HOLD OF THE FLAME", EMI... Waz and the field staff took more than their share of knocks in getting this record off the blocks, and now, months later, their persistence pays with a satisfying #50 Metro debut..."Take Hold Of The Flame" moves 78-71, with 4 highly credible play increases, KGB, KLOS, WYNF, and WYSP...20 held steady, with no play decreases. If you have doubts, fire it up on Metal Shop or Saturday night, and watch the phones.

DAVID BOWIE, "TONIGHT", EMI... After the single, "Tonight" is definitely the head turner...12 more tuned in, KKCI, WMET, KAZY, WCCC, KMET, and WBLM turned up, as WLUP and WYFE tally top 5 phones. A 68-51 Underline on the Song Index.

MOLLY HATCHET, "STONE IN YOUR HEART", EPIC... Nice to see more reporters realizing they aren't married to the leadoff track. Moving it around enhances your album image, and gives deserving records a much more realistic time frame in which to develop. 11 adds (WHJY, KISS, KRQR, KLAQ, KMOD, KLPX, KOME) for "Stone In Your Heart" are a case in point. The 100-73 Underline is one of the week's biggest, so have patience and think transplant.

JOHN HUNTER, "TRAGEDY", PRIVATE I/EPIC... 83-75 says no sob story here...WSHE, WBLM and WWTR join the cast...Dave Lange feels "As tough as it's been to get new artists rolling this fall, the Hunter will not meet a tragic fate"...Glenn Stewart reports, "It took a couple of spins, then hearing it on the air finally clinched it. This is an exquisite song"...KSQY's Jeff Michaels raves, "We think it's a smash. Since the jump from light to medium, we've seen an increase in requests, mainly from females, and in sales, too. If it's gathering dust in your music office, go back and listen again"...WBLM's Tom Wallace agrees, "It's perfect upper demo stuff, and besides that, it's a great tune. Love that piano."

RED ROCKERS, "BLOOD FROM A STONE", COLUMBIA... With a quality considering list 29 deep, expect the 12" to open up in the next few weeks...WBCN, WGRQ, WCCC, KQAK, WPDH, and KLBK are building...And WYNF and WLVQ are up...Hear it on KGB, WLLZ, KBCO, WCMF, WLIR, WAAF, and more...91-81 for the Song Underline.

PRINCE, "I WOULD DIE 4 U", WARNER BROTHERS... Just out to the Top 40's at press time, and you know they'll play it to death...Don't roll over--this funky but chic gem is yours for the taking--WMMs, WSHE, WGRQ, WLUP, KFOG, WKQQ, and 91X already have. 95-88.

BAXTRAX:

STYX TO CLICK: Tommy Shaw will be coming to Your Town, USA soon, as the special guest of The Kinks. Back him up with the new 12" "Lonely School", new on KISW, WCKO, KATT, WCCC, WDHA, KATT, and WRCN, and into increased heavy play at WLUP...Dennis De Young's de old pro at Song Index Prime Moves--and with reports in from WOUR, WYNF, and KYYS, "Don't Wait For Heroes" climbs 94-89 Underline.

FEEL THE NOIZE: Dokken debuts on the Song Index in the #99 position, poised and ready to EXPLODE up the charts. Mark Miller, WCKK, thinks Dokken's rockken, "I've said it before and I'll say it again, this song is definitive mass appeal melodic metal, and could put Dokken in the same league with Motley Crue, Ratt or Def Leppard". KQDS, KLBK, WHTG, WRCN, WLAV, KRQR, and WBAB "Just Got Lucky"...See Dirt Alert for the scoop on the parting of the Kiss Army in Philly, and see KLPX, WMMG, KEZO, and WGIR get their "Thrills In The Night". The Kissers should get a thrill too, Prime Moving 96-85...It will be a silent night, deadly night, for you this Christmas if you neglect to take advantage of the latest 12" by Twisted Sister. It's a smashified success at KIL0 and at KNCN, Bonnie Stacy has this to say about the ballad, "Don't miss out on Twisted Sister's 'The Price'. If you do, I'll be glad to say 'I told you so' later." And, it's got the WBAB Ralph Tortora Seal of Approval, "About 2 or 3 weeks ago we put it into a solid medium, and the phones are solid, too. If you've had success with Twisted Sister in the past, go with 'The Price'. They love it here"...Think about it. Who would you rather answer to on Christmas Day--Santa Claus or Dee Snider???...Or Eddie? Iron Maiden can't be beat when the hand they're holding is "Aces High". This week it's making new gearheads happy at KXZL and KRCK, and Prime Moves 98-91.

ON THE CIRCUIT

NOW YOU SEE IT, NOW YOU DON'T - Easily the biggest story of the week was the folding of TED TURNER's Cable Music Channel, when MTV purchased a certain portion of CMC's assets for a reported one million dollars. In addition, MTV will purchase advertising on other Turner Broadcasting Network services (CNN and TBS) amounting to \$.5 million...CABLE MUSIC CHANNEL went off the air at 11:59 PM EST on Friday, November 30th. The major problem unfolded when CMC was unable to get anywhere near their estimated 2.5 million households (reports were 450,000 instead). Also, TBS stockholders were concerned about the certain major financial losses the network would incur had the channel continue to broadcast. All of this led to a situation where getting CMC on cable systems was "very bleak" according to Executive VP Robert Wuessler. Epilogue: Everyone who would have received CMC will now get MTV.**Thanks to Mike Cooper, Vice President of Video Music Services, for his help with the story.

BOSS IN THE USA - When it comes to giving back as much as you've taken out, BRUCE SPRINGSTEEN is having one helluva tour. Taking his road show outside the confines of the halls he's playing, Bruce has lent his support to a number of local issues that were brewing in some of the towns that he's visited. He worked with The United Steel Workers of America 1397 Food Bank in Pittsburgh; Northwest Harvest in Tacoma, and the Washington Fair Share; Berkeley Emergency Food Project in Oakland; The Steelworkers Old Timers Food Bank in Los Angeles; and World Hunger Year in New York City.

Sunday, December 2nd, is WYSP's MARK DI DIA's birthday, and we offer this story in his honor...It seems that the KISS Army was extremely revved for the band's recent show at the Spectrum in Philadelphia. So revved that they crushed the iron guard rail separating the stage from the first row. Enter DI DIA (from stage left) ringleader of WYSP's notorious "Metal Shop", in an attempt to quell the crowd. Our Man Among Fans, "LA'SBESTOS" tells us, "Mark came out and asked the crowd to move back. They booed him. Then he said who he was and they cheered him, but still didn't move back. The show started 40 minutes later"...Alas, "Metal Shop" can carry you only so far...

Model/singer DEE KELLY has been chosen to co-host ROCK REVIEW with LEE ABRAMS. The half-hour "Siskel and Ebert" music review show premieres the last week in January, '85.

Rock 'N Roll Birthday: Although it's not conventional, happy 33 1/3 birthday to Arista's PAUL YESKEL, who celebrated his 33rd on July 30th...Figure it out...

JOAN JETT AND THE BLACKHEARTS had two video debuts on MTV over the Thanksgiving holiday--"I Need Someone" and "I Love You Love Me Love" were both air born on November 23rd on the Network.

We hear the MTV New Year's Eve Party will have such guests as FRANKIE GOES TO HOLLYWOOD, JOAN JETT AND THE BLACKHEARTS, JOHN CAFFERTY AND THE BEAVER BROWN BAND, and THE EUROGLIDERS. No confirmation yet.

TISSUE EDITOR, and overall rock impresario JON SCOTT, sent out as SOS for a new rock station that needs product "desperately"--KZYR-FM, P.O. Box 5559, Avon, CO 81620. Former KRVV PD FRED MOORE runs the show at KZYR.

Congratulations to KLOL P.D. Denton Marr and his wife Kathy on the birth of their new daughter Ember. FROM SUSAN BAX: "Thanks to MICHAEL PLEN and KEITH ALTOMARE of IRS. It was all the rage to be at the General Public show in Chicago. Thank you...Bax."

We regret an error in last week's column, and we're here to set it straight. TERRY SULLIVAN leaves WIOT/Toledo to become PD of WOHO/Toledo...WIOT's new PD is JOE THOMAS.

That leads us to the QUOTE OF THE WEEK, which comes from THE ROZ at WIOT, in referring to the aforementioned mistake: "Did you folks at the Sheet have an acid party last week? Ha! Ha! Ha!..."

Congrats to CLIVE DAVIS and Arista Records on the celebration of their 10th anniversary.

Paging... Lee Randall

BILL: LET'S START WITH A CAREER ENCAPSULATION...

LEE: College with a broadcast journalism major, TV for a year, and two radio stations: WIOT for five, and two here at WLVQ.

BILL: YOU WENT FROM PROGRAM DIRECTOR AT WIOT TO DOING THE MUSIC AT WLVQ. EXPLAIN THAT MOVE...

LEE: Of course, I wanted to move to a larger market, and I also wanted to be able to work for a major broadcast corporation that was responsible, committed to radio and people-oriented, and that's what Taft is all about. Also, I missed music as a PD and found the longer I was away from Music Director the more I realized it...Naturally, money was a consideration, and now I am Assistant PD here.

BILL: IT SEEMS A LOT OF PROGRAM DIRECTORS WHO DON'T SPEND TIME KEEPING UP WITH THE SONGS AND ARTISTS THEY PLAY TEND TO DOWNPLAY THE IMPORTANCE OF THE MUSIC...DOES PD PAT STILL STAY CURRENT IN HIS LISTENING AND OFFER REGULAR INPUT?

LEE: The success of WIOT when I was there was that interaction between PD and MD. That's what kept us in the 12's and 13's--and the 14's and 15's when Pat and I worked together there. It was a real thrill to regroup the team here, because we hear records differently. He hears certain styles that I don't and vice versa. And a lot of times if we both don't know and throw our hands up in the air, we add the record.

BILL: BUT IF YOU BOTH CAN'T HEAR IT, WHAT'S THE MOTIVATION TO ADD?

LEE: We just get a feeling that we are neglecting a record, and in those cases, we simply involve the audience to get some feedback. We actively ask for music response through all dayparts, to get some kind of heartbeat or pulse for the record or artist.

BILL: WHAT KIND OF MUSIC DO YOU HEAR FIRST?

LEE: Deeper album tracks and what I call street rock and roll, as personified by things like Los Lobos and Stevie Ray...Pat can hear a power record in two listens, whereas something like Steve Perry's "Oh Sherrie" or John Waite's "Missing You" may take me ten or twenty.

BILL: YOU'VE BEEN A KEY ELEMENT IN THE ARB SUCCESS OF TWO OF THE COUNTRY'S TOP-RATED AOR'S...NOW YOU'RE SITTING ON YOUR FOURTH STRAIGHT BOOK IN THE 12'S...WHEN YOU CONSISTENTLY SCORE THAT HIGH, DO YOU STILL FEEL PRESSURE TO TAKE IT INTO THE 15'S OR 16'S?

LEE: Sure. Where's the 14? We know it's out there and we're going to get it. And when we get the 14, we'll feel pressure to hit 15. Our plan is consistency. Strong morning show--thought-out music mix--controlled library of new songs--emphasis on music--creative air talent with team work--and those extremely important face to face promotions.

BILL: PLEASE ELABORATE.

LEE: We think it's crucial to get out and see our listeners, to hear their ideas, and get their input. We'll do everything from giving out albums in the street to doing shows from different locations. Why sit in the studio when you can get out with the people. Our morning show is out three times a month, even our night time guy is out. And these are not the tacky hardware store remote approach. For example, on Halloween, we were out at a stereo store judging Halloween costumes and giving away prizes.

BILL: ARE YOUR DOUBLE DIGIT ARB SUCCESSES A FUNCTION OF NO ALBUM COMPETITION?

LEE: No, our threats are very present. We've got two CHR's in a very hip AC, and a few other very, very well-targeted radio stations, all out there for the listeners. The album competition doesn't enter into it. When 4 stations have added the Honeydrippers and Huey Lewis and Bruce Springsteen, do you think that's album competition? I do.

BILL: WITH THAT MANY CHR'S BREATHING DOWN YOUR NECK, HAVE YOU FOUND YOU CAN PROFIT MORE BY STRETCHING YOUR PLAYLIST TO INCLUDE AS MUCH OF THEIR MUSIC AS POSSIBLE, OR DO YOU MAKE EVERY EFFORT TO AVOID THEIR POWER RECORDS?

LEE: Our bottom line is to always play new music first in the market. Any station can play the Honeydrippers, Springsteen, Billy Idol or the Cars. Our job is to make QFM96 the station that people want to hear those records on first. Our cut depth depends on what we think is great. When Bryan Adams came in, we played 5 tracks. Most PD's might think that's risky, but it helped us narrow it down to two tracks, with a good feel for the others we'll add later. That positions the CHR's as narrow minded, and not artist-oriented or interested. The Bryan Adams fans are here and they know that WLVQ is where they'll hear most of this new record first, and where they'll hear his next record. Even though more record people seem to be saying, "the CHR's are going to beat you on this or that", in fact, we're beating the daylight out of them with yet another great track from the same record.

BILL: DO YOU THINK THE OLD "YOU CAN'T GET HURT BY WHAT YOU DON'T PLAY" AXIOM STILL APPLIES?

LEE: No. I don't want people cuming other radio stations for records we should have played. Good records are gonna get on, and if you miss a hit, the audience will seek it out somewhere else.

BILL: YOU'VE NEVER PULLED PUNCHES IN YOUR COMMENTS. HOW HAS THAT STRAIGHT-FROM-THE-HIP STYLE EFFECTED YOUR RELATIONSHIP WITH THE RECORD COMPANIES?

LEE: It has only helped. We have fun with promotion people. They bring us records!! We keep that relationship open and honest and very down-to-earth. The right records get more listeners, so we help ourselves and the various reps by taking our listening seriously. And playing the heavy role when you're top-rated will work until the day you're #2, and then that philosophy will be out the window, along with your promotions, your exclusives, and possibly your record service. Good business is what gets the job done.

BILL: HOW MUCH TIME DO YOU SPEND LISTENING?

LEE: I don't spend more than six uninterrupted hours a week. Twenty percent at work, 40% at home, and the rest in the car--probably 80% of which is on cassette.

BILL: DO YOU LISTEN TO THE WHOLE ALBUM?

LEE: Not unless it's an artist into their second or third project, and I rarely listen to side 2. Experience says if you can't find it on side 1, it probably won't be on side 2. I'm sure every record guy has four examples of me being wrong, but that's the general case.

Paging... Lee Randall

- BILL:** DO YOU EVER DISCUSS TIME BUY SUPPORT WITH LABELS?
- LEE:** No I don't, and the programming department doesn't. Our salesmen deal with that and time buys are never a criteria to add a record. We consider that tacky.
- BILL:** DO YOU BELIEVE WHAT YOU READ IN THE TIPS AND TRADES?
- LEE:** I don't believe anything I read. Sometimes chart position doesn't cut it as a reason for a drop or an add. I have to get in there and find out for myself. I call around, talk to people, and ask some non-industry types for their opinions on music. And every now and then, I call our consultant.
- BILL:** WHAT DO YOU CALL THEM?
- LEE:** Actually, we have a great relationship with BAMD. We turn our dialogue into an idea factory. We don't argue about new records, we talk intelligently about them and why we think they should be on and who they're reaching.
- BILL:** WHAT'S TOUGHER, LEE RANDALL'S JOB, OR THAT OF, LET'S SAY, MIKE WHITENECK, YOUR RCA REP OUT OF DETROIT?
- LEE:** I'd say we both have our difficulties due to scheduling. His road demands sometimes equal my promotion and concert demands and other obligations, but I would bet he works a four-day week and I work six days, and that's a fact, Jack.
- BILL:** WHAT DO YOU LISTEN TO AT HOME?
- LEE:** Jazz and Motown. The Crusaders, Grover Washington, Earl Klugh, and the first Michael Jackson album-- last record bought? A Barry White cutout.
- BILL:** WHO ARE YOUR RADIO HEROES?
- LEE:** The great communicators--Larry King, Dick Clark, and I think Steve Dahl and Garry Meier take it to the max.
- BILL:** OF THE RECORD PEOPLE WHO WORK YOU, WHO DO YOU THINK HAS THE BEST EARS?
- LEE:** Larry Bole, WEA, Bob Clark, Atlantic, and occasionally the New Avenuesguys when they are working some baby band, because they take time to listen to the entire project.
- BILL:** CONSIDERING THE IMPORTANCE OF OHIO STATE TO COLUMBUS, HOW DO YOU APPEAL TO THE STUDENT POPULATION WITHOUT TURNING OFF THE TOWNIES?
- LEE:** First of all, you've got to remember that students don't get ratings books, but this city is out of control for Ohio State. In a town where Woody Hayes could run for any office and win, I'd say we spend a good 15%-20% of our programming in the appropriate seasons with promotions, concert tie-ins, and live broadcasts.
- BILL:** HOW ABOUT SPORTS COVERAGE?
- LEE:** We have our own sports guy, The Munch, who is a sports junkie. He runs a sports bar that seats about 300, with Satellite sports feeds on three giant 10x10 screens, and we have him on for 3 minutes at 4:00 every afternoon, and occasionally will show up in other dayparts.
- BILL:** ANY INDUSTRY PHRASES YOU'D LIKE TO SEE PERMANENTLY RETIRED?

Question Of The Week

Now that the Christmas slowdown is here, what record on your playlist do you see breaking out over the next month?

- BOB LINDER, WDHA: "'New Jersey Rock III' makes its debut on-the-air and in the stores next week. We'll be exposing the 14 bands on the album heavily for at least the next couple of months. This should be our best retail seller yet--soon to be platinum. Any record companies and interested parties can get a copy by calling 201-328-1055."
- STEVE BRIDGES, KFMH: "I would love to say the Eurogliders would really hit as big as it deserves to... General Public...There is so much good music that's being overshadowed by major acts."
- PEGGY APPLE, WQBK: "I think the Thompson Twins. 'The Gap' will definitely do something, as well as the Big Country."
- GREG HAMMER, WRUF: "Bryan Adams will be the biggie."
- MATT EFFKEN, KFMQ: "I think that Frankie Goes To Hollywood will do very well as soon as airplay catches up to sales."
- DOUG GONDEK, KDKB: "The John Parr."
- KEN ANTHONY, KSJO: "I would say Bryan Adams has already broken out. The Don Henley and The Foreigner Lp should get a lot of spins thru the Christmas season."
- RICH ROBINSON, WHTG: "Blackfoot, The Textones, and the Passion Puppets should all get a shot with more airplay over the holidays...Nick Fire should also do well."
- RICK BALIS, KSHE: "At a glance I recognize six Lps off the bat that have a lot of depth which will come in handy during the slowdown. They'll keep the airsound fresh and the listeners happy. Those Lps include Roger Hodgson, we're already into a third cut 'Give Me Love Give Me Life', Bryan Adams, Don Henley, REO Speedwagon, Pat Benatar and Survivor."
- LORI WENSITS, WFAL: "General Public because they have a refreshing style, and Autograph."
- BOB BITTENS, WHCN: "From a singles perspective, Philip Bailey and the General Public have the most potential. As a really hot album track, Bruce Cockburn's 'Rocket Launcher' shows a lot of promise."
- JOHN MICHAEL SCOTT, KLBK: "Los Lobos has tremendous radio potential on at least four tracks."
- WES NESSMAN, KFMX: "Giuffria. I'm just an Angel fan from way back and I think it's a fantastic record. It's got borderline metal tracks and the Steve Perry sound-alike vocals that everybody loves...Another would be Planet P Project because I think it's a truly awesome record and the closest thing we'll have to Pink Floyd for a while."
- ANGELA WRIGHT, KXZL: "Frankie Goes To Hollywood. We hope it breaks out... If we had to pick a second and third it would be Los Lobos, and Autograph."
- JOHN GRAPPONE, WRCN: "The first one that comes to mind would definitely have to be the Philip Bailey album. Granted, he's got that push from Phil 'I-do-anything-and-play-with-almost-anybody' Collins, but if you like the mellow Earth, Wind & Fire sound, Philip serves that up pretty well, too. One that has been steadily growing in sales and requests has been the Eurogliders, which I would like to see break out before the year's end."
- ERIN RILEY, WMMR: "General Public should stand the heat and do well and maybe CHR will force AOR on it, although I don't know why they haven't been on it in the first place!!"
- GREG TORRINGTON, CHEZ-FM: "Steve Morse beyond a doubt. Response to airplay has been so phenomenal all retail outlets in town are sold out. This record stands alongside any hard-driving power rock album in existence."
- CRAIG MARTIN, KRCK: "I think John Parr is really gonna be big. Also Autograph. They are both real strong songs, but since they aren't superstars they've been held back until now and will come through in 1985."
- GARY POOLE, KKCI: "Bailey-Collins actually. It seems that Phil Bailey's past with Earth, Wind & Fire simply doesn't make a difference to the core. This tune rocks."
- DOUG CLIFTON, KBCO: "There's a couple that are already well on their way. The Philip Bailey, Los Lobos, Eurogliders (this will break out even bigger) and Frankie is ready to bust out big."
- BOB LINDEN, KESI: "I have to stick with General Public. Why? Because I like it."
- ROB ELLIS, WKQQ: "Bryan Adams will be around for a long time. And look for other cuts from Don Henley, and The Kinks."
- TOM STARR, WOUR: "We've got real high hopes for the John Hunter because 'Tragedy' is showing good early signs and we're convinced there's lots more to go to on the record."
- RON DIAZ, WYNF: "A good example is the John Parr, a no-name artist who almost got lost in the big name shuffle. But the song 'Naughty Naughty' is lurking and now people are finding out his name...Another would be the Roger Hodgson. Although this song should have been an automatic, not everybody knows or associates the name with Supertramp."
- LYNN WELLS, KBPI: "I would have to say John Parr. Not only for 'Naughty Naughty' but the whole album. The depth and quality should make it a huge hit."
- AMY DAHLMAN, WAQX: "It's time for Honeymoon Suite, Autograph, and John Parr to really happen. They're all solid winners that would have made it if the crunch hadn't been so overbearing."
- MARK DI DIA, WYSP: "John Parr. Although no one knows who he is or where this guy comes from, the response has been outstanding since we started playing it. Sounds like a smash to me."
- MARK MILLER, WWCK: "That's very simple for me to answer. I look for Dokken's 'Just Got Lucky' to break out. I expect Top 5 phones in a couple of weeks, and I expect it to follow the same sales pattern as Ratt's 'Round And Round'. The kids love these kinds of records."
- ALAN WHITE, KILO: "I would say the Philip Bailey definitely. I think the Billy Ocean 'Loverboy' track has lots of potential too. My Motown roots are showing."
- DAVID HALL, WKDF: "It looks like Giuffria will do very well because there's a hole for that Journey-like sound. John Parr is gonna be absolutely huge for us, Autograph will be the big heavy metal rocker for the next month, and I look for Philip Bailey to do very well."
- THE ROZ, WIOT: "I hope it happens with John Hunter's 'Tragedy'. The song's construction is beautiful and besides, he's a fox!"
- BRUCE BOND, WTPA: "Giuffria, Frankie Goes To Hollywood, and John Parr."

QUESTION CONTINUED

- BOB BAILEY, WKLS: "I'd have to say John Parr. It's a real strong record and the curiosity calls have been good, but so far it hasn't had the chance to go much farther. I believe this one's got the most potential."
- DAVID HILLARY, WNOR: "Frankie Goes To Hollywood, definitely."
- BOB ELLIOT, KTXQ: "I like Los Lobos. They've got that good Texas party rock and roll feel."
- BOB CLARK, WTUE: "It's a tie between Giuffria and Foreigner. Oddly enough, they're both ballads."
- ANDI TURCO, WPYX: "I really think Triumph and Foreigner are going to come on strong. Don Henley is another one. Bryan Adams, too."
- NEAL MIRSKY, WCKO: "I would say John Parr, Eurogliders, Triumph, General Public, and Autograph. Also, UB40 and Giuffria."
- JIM JONES, KMOD: "I see John Parr's 'Naughty Naughty' definitely emerging as a solid hit after being buried for weeks, along with Eurogliders' 'Heaven'."
- DAVE KANE, WCMF: "Philip Bailey, Don Henley, and Kim Mitchell."
- PAUL SHUGRUE, WRXL: "The Don Henley album, I think, is the deepest of all the albums that've come out in the Christmas rush. But then again, I'm an old Eagles fanatic so it's easy to say that."
- BOB BROOKS, WGRX: "I think Danny O'Keefe, if they ever get the record stocked. And Al Jarreau should be a giant."
- BILL EVANS, WLUP: "I would love to see it happen for the Eurogliders."
- IRV GOLDFARB, WPLR: "Julie Brown and Eurogliders."
- DAVID EINSTEIN, WHFS: "Fred Schneider will get more attention and The Del-Lords; also, imports in general."
- OZ, KQAK: "Big Country, Alphaville, David Johansen, and the Ramones."
- LARRY "THE DUCK" DUNN, WLIR: "Frankie say, 'Welcome to the Pleasure Breakout'."
- CURT GARY, WEBN: "I'm not a gambling man, but I would put my money on Autograph to be around after the holiday hurrahs. It's just starting to kick in here."
- LISA NOVAK, KRQR: "John Parr. Because I've never seen an unknown artist pull the kind of phones that 'Naughty Naughty' does...And with continued exposure and promotional maintenance, Stone Fury could also emerge."
- PAUL HEINE, WGRQ: "Things we're playing that could happen include Eurogliders (starting to build sales--up to medium at this point), Armored Saint looks as though it could pull through in terms of the metal audience... Frankie goes to Hollywood should get the attention it deserves...And we're thinking about dealing with Planet P, getting deeper into the Tina Turner album, J. Geils Band, and General Public."
- RON SORENSON, KBLE: "A couple I'd like to see break: Bruce Cockburn, Aztec Camera and Planet P."
- DAVE SHEDLOCK, WYDD: "Glenn Frey."
- KAREN ANDERSEN SMALL, WGIR: "A toss up between Giuffria and General Public."
- PEPE LOPEZ, KLAQ: "Billy Squier."
- TOM SCHEPPKE, KISS: "Giuffria."
- GENE ROMANO, WZZO: "Prince's 'I Would Die 4 U' is going to be big, as is Billy Ocean's 'Loverboy'."
- BOB WALTON, WRDU: "As I look at the list, I have to think that Los Lobos will come home for Christmas."
- BOB KRANES, WBCN: "I don't see a correlation between the Christmas slowdown and a record breaking out. Christmas time always has seen a pick up in record sales of those records that have sold well throughout the year. Although the Los Lobos record and baby acts of that sort will probably receive a little bit more airplay, the Duran Duran's of the world will win at the cash register."
- DAVE LOGAN, KFOG: "We expect Frankie to go to the moon."
- RALPH TORTORA, WBAB: "An obvious one would be Foreigner, but a not so obvious one would be the Eurogliders' 'Heaven'. That's one I'm really hoping for."
- JEFF RICCIO, WHJY: "John Parr's 'Naughty Naughty' should do very well."
- ROB LIPSHUTZ, WAAF: "After 6 weeks of airplay, we're starting to get phones on Tina Turner's 'Steel Claw'. Go back to the lp and listen to this."
- LEE ROBERTS, KICT: "It's got to be John Parr because it's just so right for AOR radio."

Radio Action

- WBCN, BOSTON, MA M.D.-BOB KRANES: "As the year comes to a spectacular close, we can now all take a deep breath and reflect. Finally, some room for some music we've been trying to get in. Let's Active's 'Blue Line' is one that's been toeing the line and has finally made it. Mitch Easter is a personal favorite and his work is a treat...Phil Collins is a talented musician, we all know that. When he gets behind the knobs to produce, the record's always impeccable...Phil Bailey's 'Easy Lover' is a s-m-a-s-h!..It's getting hard to try and not talk about the J. Geils band. The record continues to do extremely well here in Boston. 'Concealed Weapons', 'Heavy Pettin', and 'Eenie Meenie' are the cuts. The record is selling, getting results and sounds great on-the-air...Joan Jett continues to see increases in everything . . . Charles Laquidara's big mattress song of the week is Eurogliders 'Heaven'."
- KGB, SAN DIEGO, CA M.D.-TED EDWARDS: "What a great time of year to be a programmer. There's so much good music out there, any geek can look like a genius. (Even me!) And speaking of great tunes, the Foreigner single is superb, with a hook big enough to land Orca. Great ballads have always been a part of rock and roll and 'I Want To Know What Love Is' is certainly destined for the hall of fame...Larry and I thought we were possibly letting a little too much of our idealistic pasts creep into our Bob Dylan add. But the phones for 'Highway 61 Revisited '84' have put those thoughts behind us...And speaking of idealism, I get the feeling that Rick Springfield just wanted us to know that he didn't mix the record, but he'll still take the money. So his 'Bruce' tune is on...Backtracking to last week, Triumph's name well describes 'Thunder Seven'. 'Spellbound' is already working and sounds great as this AOR staple comes through big time...Love that Los Lobos roots rock and roll. We get the feeling that this baby's gonna go the way of George Thorogood and Stevie Ray Vaughan, one foot in the past and the other solidly planted in the 80's...Also on this week: Al Stewart 'Russians And Americans' and re-add action on Hall & Oates as KGB goes to the bank on 'Bank On Your Love'...Also functioning well and providing me with momentary chills of delight: Bryan Adams, Planet P, Bryan Adams, Don Henley (a stone cold mo-fo), The Kinks, Don Henley, Deep Deep Purple, Bryan Adams, Queensryche, Don Henley, The Honeydrippers and that's not all. Oh, did I forget Bryan Adams!...At home - hey, do you really give a shit? If so, let's talk on the phone."

KRCK, PORTLAND, OR M.D.-CRAIG MARTIN: "C'mon, take a chance and play Frankie Goes To Hollywood. At first I was hesitant to play them, not because of the music or their name, but because of all the hype that surrounded them. Any time a new band is getting on 'Entertainment Tonight' and People Magazine before I've even had a chance to hear them, I'm naturally wary. But once I got over my prejudice, I realized that 'Two Tribes' is a damn good song that belongs on the air. It probably won't call-out but historically neither did the Pretenders, Billy Idol, or even Bruce Springsteen, and I can't imagine a station not playing any of them. So don't miss out, 'Relax' and go with Frankie...Triumph is off to a good start which is no surprise. They've always been huge in the Northwest, and 'Thunder Seven' will continue to keep their fans happy. 'Spellbound' gets the album off to a rockin' start and 'Killing Time' with the two intros especially captured my ear...Is that Tina Turner in the background on the Foreigner single? It sure sounds like her. We're going to hit this love ballad hard because we know it will be an across-the-board smash. And then, we'll play the rockers we anticipate to be on the album. Lou Gramm has evolved from a Paul Rodgers clone to one of the great rock singers of our time."

WYNF, TAMPA, FL M.D.-RON DIAZ: "The new Foreigner is an obvious 'Waiting On A Girl', 'Every Breath', 'Keep On Loving You' hit. Lots of syrup but with Lou Gramm's searing vocals, it's a multi-format sure shot... 'Will The Wolf Survive' is growing on me like fangs on a vampire. Los Lobos, count me in, muchachos... The Giuffria unfolds at WYNF. Now some of the jocks tell me, 'Hey Dude, at first 'Call To The Heart' was casual. But now, it's killer'...Another survivor of the airplay wars is John Parr. We are getting good research back on 'Naughty Naughty'. It's there...The Dokken album has held up well for many weeks here so we're more than willing to go further into 'Tooth And Nail'...It's been a fun-filled week at the Pirate station with a double shot in-store featuring Patty Smyth and John Waite at the grand opening of Tampa Bay's second Peaches location. Big crowd, lots of autographs signed, and your basic successful promotion. A tip of the rock and roll cap to one of the most courteous and professional in the business - Patty Smyth. Thanks are also in order for Rickie T from CBS and Simon Buchman of the Scandal management team as well as Chris Hensley and Terry Lawson of EMI...The Fixx put on two tremendous sold-out shows at our Bay Front Auditorium with MTV and HBO there to film the concert for The Fixx Christmas Show on cable. I still think the best song on 'Phantoms' is the one I originally pointed out - 'I Will'. It's working for us."

KICT, WICHITA, KS M.D.-LEE ROBERTS: "Thank you to Gene Denonovitch, Sam Calle, Jeff Appleton and Sharon White...With Christmas just around the corner, T95 needs Christmas ID's. Please help... As far as music goes, the John Parr and the Bob Dylan look like big smashes in Wichita...Until next week..."

WMMR, PHILADELPHIA, M.D.-ERIN RILEY: "What a relief--things seem to be winding down around here. With the exception, of course, of the 'Purple Rain' tour coming through Philadelphia. Three sold-out nights of screaming folks standing on their chairs for two hours, I being one of them. Sometimes it's hard to maintain your composure. Hope everyone has a wonderful holiday and continues the spirit right through the New Year... Congratulations to Mad Max, the mutant from Thorax, now, hire Lynn!"

KTXQ, DALLAS, TX M.D.-BOB ELLIOT: "Leave it to Frankie! Sales and requests can't be ignored, so 'Two Tribes' goes heavy this week. The pleasant surprise is that Q102 has the Frankie monopoly in this market...Don Henley has gotta be one of the best songwriters around. 'Sunset Grill' is h-o-t enough to fry cheeseburgers...And speaking of melting, Foreigner is just what the female demos are looking for to snuggle up to this winter...And as of December 10, Q102's new address will be: 4131 N. Central Expressway, Suite 700, Dallas, TX 75204."

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "The new Foreigner song, 'I Want To Know What Love Is', is a really fine piece of music. I remember hearing 'Waiting For A Girl Like You' for the first time--this one gives me the same goosebumps! With three years in the making, I'm sure the Lp 'Agent Provocateur' will yield some more tasty tunes for radio...I'm knocked out over our audience's response to the 'Perfect Strangers' Lp. The Purple people eaters have made the Lp one of our Top 5 most requested since its birth. If you're looking for some new metal, give your competition a right hook to the face--give them the TKO punch with 'I Wanna Fight' from the new Lp. Tova will love you for it--I mean it!...Finally, the '3 Stooges' Lp is getting massive spins in my music office. What can I say? I'm a stooge kinda guy! Nyuk! Nyuk! Nyuk!"

KBPI, DENVER, CO M.D.-LYNN WELLS: "Hope your turkey was everything you hoped for--mine was...I love this time of year. New releases come to a grinding halt giving us the room to add a few favorites that have eluded our playlist up until now, i.e. Eurogliders. This cross between Eurythmics and Fleetwood Mac grows on you with every listen. Add the quality of the record to Columbia's obvious commitment to the project and you have a valuable record that will be around for months to come...Listening to the Don Henley album, it's obvious this Eagle was destined to fly solo. When trying to describe 'Sunset Grill' the only word I come up with is compelling!...I know it's uncouth to mention another tip sheet in this trade, but I simply must thank Jon Scott for the exciting opportunity to be the first big winner in the random tissue calling contest. I am currently talking with my financial consultant to determine the best avenue of investment for my winnings!"

WHJY, PROVIDENCE, RI M.D.-JEFF RICCIO: "I know I've said it about the three previous cuts we played from 'Rebel Yell', but Billy Idol's 'Catch My Fall' has become my favorite song on the Lp, and apparently I'm not the only one who feels that way. The record has again jumped into heavy sales...I can't say the Foreigner came as a great surprise, but I will say that it's come at a great time. Despite what I feel is a pretty basic strong structure (classic ballad built through massive gospel chorus), the record does tend to take you off of your feet half way through...The last Dylan record did very well for us, so we've gone with 'Real Live'. I think we can expect substantial interest in 'Highway 61 Revisited'. It's a great rocker, and has captured Bob at his best live in a long time. We started playing it this week and have already been getting strong reaction in Rhode Island. After all, Newport is where we booted him off the stage for going electric in the first place. Boy, were we wrong!"

WSKS, CINCINNATI, OH M.D.-MARTY BENDER: "I would venture to say anyone who doesn't hear the new Foreigner are those who probably didn't hear 'Missing You'...The sleeper on the Twisted Sister is 'The Price' (Oh look, a 12"--now you can play it!)...Dave 'I Write The Sleepers' Davies maintains, and quite simply, that the Glenn Frey single is a h-i-t...Hey, here's a good one. Let's send Mike Joseph a whole bunch of fake airchecks of our station yelling 'hot hits' and the call letters. It'll drive him nuts!"

WGRQ, BUFFALO, NY ASST. P.D.-PAUL HEINE: "Madonna looks like the furthest thing from a virgin on the cover of her new album, but she does have one of the hottest selling albums in Buffalo this week. This record is undeniable. Count us in...Rock and roll seems to have upped its awareness level a little bit in 1984, i.e. Frankie Goes To Hollywood 'Two Tribes'...Along the same lines of 'Two Tribes' is Bruce Cockburn's 'Rocket Launcher'. It's a powerful track that addresses a subject that rock can't ignore. This song will generate reaction...In the same vein, we're looking forward to the 'Do They Know It's Christmas' project, designed to raise money for Ethiopian relief...Phones starting to trickle in for Foreigner's 'I Want To Know What Love Is'. Lou Gramm testifies in this simple (yet killer) broad-based ballad...Overwhelming positive response to Armored Saint on metal shop and medium sales on the album with minimal airplay, moved us to add same full time. We'll keep you posted...Frankie Goes To Hollywood cracks Top 10 sales...Julian Lennon and Deep Purple unstoppable at retail...Eurogliders, Triumph and Philip Bailey all building nicely...Top 5 sales: Prince, Honeydrippers, Springsteen, Madonna, Huey Lewis...And Top 5 calls: Deep Purple, Sammy Hagar, Triumph, U2 and AC/DC." FROM P.D.-TIM SMITH: "Much thanks to Elektra's Brad Hunt, Ray Gmeiner, and Jay Brooks for the Dokken promotion. Great to see Nast, Marko and Luanne, folks with hospitality far beyond any request."

RADIO ACTION CONTINUED

- WCCC, HARTFORD, CT P.D.-DAVID GROSSMAN: "Glenn Frey 'The Heat Is On' is Frey's best solo effort to date... The Kinks' Lp debuts top 20 retail this week. This album will yield lots of tracks. 'Sold Me Out' and 'Living On A Thin Line' are surfacing on the request lines...Bowie's 'Tonight': requests have been there on this song since the Lp was released. With the CHR support, this will be a major track...Billy Squier 'Eye On You' is one of the better cuts on 'Signs Of Life'...John Hunter 'Trageuy' - great hooks and production will draw from all demographics...Philip Bailey 'Easy Lover' will be a major multi-format smash. Excellent production, excellent vocals and powerful lyrics. I just love this record."
- KKCI, KANSAS CITY, MO M.D.-GARY POOLE: "First on the agenda: Music calls will now be taken Monday 3-6PM, CST-- Tuesday 4-6PM CST...Now for the good stuff. Geslin, you wild man! Sorry I missed the party but the show was great...And now that that's out of the way, like most, 'Building The Perfect Beast' has been an exclusive on my turntable at home. It gets serious when I take my Todd Rundgren records off, and this one is seriously good... The Foreigner automatically lights up the phones. It's obvious this will be big...The Bailey/Collins duo continues to grow as well as Giuffria and John Parr...Question: Will I ever get tired of the new Kinks? Answer: Not even when it's old!"
- KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "Foreigner 12" and Dylan 12" were the major adds this week...Frankie Goes To Hollywood was tops in requests, #4 in retail, and they sold out the Rainbow Music Hall not long after tickets went on sale. This band is on a roll...As we head into the Christmas shopping period, Springsteen tops our retail list...Other Top 10 artists include: The Honeydrippers, Julian Lennon, U2, Rickie Lee Jones, General Public, Hall & Oates, Bruce Cockburn and Roger Hodgson...Eurogliders are #3 in requests, and broke into the Top 20 retail at #14 this week...More progress for Philip Bailey as he continues to build on the phones and in the stores...Thanks to John Cafferty for the phone interview!"
- WHCN, HARTFORD, CT ASST. P.D.-BOB BITTENS: "Well, we've added records until our playlist is bursting at the seams! Now we have to deal with 'what's left'! But, as Heavy Lenny once said, (at least I think it was Lenny), 'if you didn't add an occasional stiff, you'd have nothing to play between the hits', or something like that! I think it was some sort of last ditch effort to get me to play some really bad corporate rocker that everybody else was on but was, of course, eventually forgotten. But seriously, folks, I know for a fact that all you record guys will be disappearing real soon for a month and a half, leaving me with an aging playlist and nothing new to keep it fresh! That will be the perfect time to take a serious look at that third and fourth track, or that leftover borderline album. It's also a good time because I can play records, hear how they sound on-the-air, and not report them because as we all know, the Trades take their cue from the record companies and leave town too. So, you may yet get your record played...New to the HCN airwaves this week, Big Country (we prefer 'Flame Of The West' to the single), and more Billy Idol...Thanks to Polygram's John Weston, for the most fantastic promotion since the WKRP turkey giveaway!"
- KXZL, SAN ANTONIO, TX M.D.-ANGELA WRIGHT: "How was your Thanksgiving?...Busy, busy week musically! Bryan Adams is our first mention. His album explodes with the best rock I've heard in a long time. Including 'Heaven', we're six cuts deep into the Lp and the audience just keeps begging for more. (Beg for it, baby!) I can't imagine an AOR playing just 'Run To You'. Nothing could be worse except going back to an ex-boyfriend. And that's pretty bad news! Indulge!!!...I want to thank Don Dokken and Jeff Pilson for stopping by our place. The show with Dio was a smoker!...P.D.-Ray St. James checked out Springsteen in Austin (Ray's second show for this tour), and said it was everything everyone thought it would be--and more. Thanks much to Tom Chaltas for the great seat... I sure hope there's some really good kick ass rock & roll on Foreigner's upcoming Lp! And I look forward to receiving it soon to find out!...On a final note: I was just noticing that we've got Tina Turner with Bryan Adams, we've got Tina Turner with David Bowie. Is it Tina Turner with Foreigner at the end of 'I Want To Know What Love Is?'"
- WYDD, PITTSBURGH, PA M.D.-DAVE SHEDLOCK: "Foreigner 'I Want To Know What Love Is' was well worth the long wait! We've got it in h-o-t rotation and we expect it to be a mega hit in Pittsburgh...Watch for an Ep from B. E. Taylor soon. They've got a new song called 'Reggae R&R' that will knock you out...The sax in Glenn Frey's 'Heat Is On' wrapped me instantly, and the words just add to the effect...Triumphs' 'Spellbound' is our cooking rocker this week. It's great to have a song that maintains its melody while it cranks along...Survivor's got a sharp follow up with 'High On You'. We'll be increasing rotation soon as 'I Can't Hold Back' cools off a bit... The high energy 'Blood From A Stone' delivers a high energy punch. Give it a shot!"
- WEBN, CINCINNATI, OH M.D.-CURT GARY: "All in all, a pretty simple week. Foreigner is a natural!...Philip Bailey was easy...Bryan Adams can do no wrong...And U2 owns the streets...Well, that was my week!"
- WBRU, PROVIDENCE, RI M.D.-AMANDA TEPPER: "Way back in '83, when the Lauper album first came out, Jim 'Golden Ears' Samalis picked 'Money Changes Everything' as the big hit off the album. Now that Epic has finally released it as a 12", it's an automatic Master Blaster--and we still think it's the best song on the album... The Bailey/Collins tune is really taking off for us--number 4 requested song last week...Both the Lennon songs we're playing are pulling in mega calls--and of course, is selling very well...I'll say it again, that Los Lobos new album is something any red blooded rock station should not miss. It's doing really well for us, and I expect their BRU night this Friday to be a big success!"
- KRQR, SAN FRANCISCO, CA M.D.-LISA NOVAK: "The Philip Bailey/Phil Collins tune goes on this week, with help from core artist Phil Collins. His influence and participation is clear to the AOR listener... 'Thin Line' joins the Kinks single. Although soft, it's definitely our second favorite. The Kinks kontingent is definitely on the phone for the single...Love Don Henley's 'Sunset Grill'. It's such a quick six minutes. 'Man With A Mission', from this versatile package is also doing well on-the-air...Switched to Molly Hatchet's 'Stone In Your Heart'...Added Survivor's 'High On You', which we think is strong follow up...Also using the Who's 'Twist And Shout'. Always refreshing to hear classics interpret a classic. A great way to let the fans know about the compilation...U2's 'Wire' features their trademark infectious scratchy guitar...We're now two cuts deep on Roger Hodgson with 'Jeopardy'."
- WSHE, MIAMI, FL OPER.DIR.-DAVE LANGE: "Earlier in the year we might have considered the Foreigner to be maybe a bit wimpy. Right now it sounds incredible on-the-air. The power of the song and the extremely slow build is the biggest hook I've ever heard. There isn't a series of hooks in this record--it's one big hook--If this doesn't bring female numbers!...As tough as its been to get new artists rolling this fall, John Hunter shouldn't turn into a 'Tragedy'...The live 'Money Changes' from Lauper is definitely one of the rockers from the album, and this live rendition shows how much rock she has in this band. I haven't heard CHR play a live record yet, even with all the Duran Duran stuff out and 'Walking On A Thin Line'. I think there is a chance for AOR to make moves on this stuff...The Fixx is coming back around! Phones are up on 'Sunshine' and they just did a great show over the weekend."
- WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA: "Foreigner: First listen, 'Gee, I wish they came with a rocker first'. Second listen, 'I'm not sure if I like it or not'. Third listen, 'I kinda like it--it sounds Christmas-y'. Fourth, fifth, sixth, seventh listens, 'I think I love it! It builds nicely to a great chorus--it's gonna be h-u-g-e! (We're talking number one.) A truly fantastic song!...Looks like Philip Bailey is gonna have a big crossover hit. 'Easy Lover' is a good tune (or is that bad jam), and with Midas-man Phil Collins helping out so much, AOR should have no problem with this one...We've been spot playing and seeing requests for 'The Price' by Twisted Sister ever since the record has been released, but that's not surprising considering this is their home base. Those initial requests died down, but about 2 or 3 weeks ago we put it into a solid medium, and the phones are solid too. If you have had success with Twisted Sister in the past, go with 'The Price'. They love it here...What can you say about a band as consistent as Triumph, except that they have put out another good album, and it even has the right tracks listed on the front sticker. Just one question--when's the picture disc due out?"

RADIO ACTION CONTINUED

KWFM, TUCSON, AZ M.D.-CHRIS RYAN: "Heavy add list after a frozen list last week--sorry...Hey, let's have a contest? How many times will Rick Dees' face appear in the next issue of R&R? No offense, Rick, but I'm tired of your mug!"

WDHA, DOVER, NJ G.M.-BOB LINDER: "Al Stewart stopped in to talk about his area performances at the Bottom Line in N.Y.C. and the Stone Pony in Asbury Park. The tour continues for another month. Al said, 'The new album "Russians And Americans" is like a time capsule of 1984 covering politics to drunk driving as well as some humor. The song "The One That Got Away" is almost irrelevant to the rest of the album. It doesn't belong. It was put on because radio stations tend to play things with saxophones. The other eight songs are much better. When I was in England a lot of people thought "Year Of The Cat" was the first thing I did, but in fact it was my seventh album. I used to tour as an acoustic folk singer. But when I came to America I used a full electric band. Recently I've combined the two elements in my shows.' Despite Al's lack of fondness for 'The One That Got Away' we are playing it with good response and feel it's the best track to reintroduce Al to our audience...WDHA ran a promotional tour to London which was a lot of fun, but I am a little behind (what time zone are we in) so belated thanks to Dave Morrell for a visit with W.A.S.P., Bill McGathy with Stone Fury, Jim Del Balzo with Romeo Void, and Bruce Tennenbaum with Fiona...Phil Collins continues to amaze us with his energy, musical and production skills. He's done more for music in the last couple of years than anyone I can think of. And his most recent efforts with Philip Bailey have again expanded the boundaries of AOR airplay...Interesting to note on my visit to London that while the U.K. continues to have great influence on American rock and roll, Londoners can't get enough of our music. When you think about it, the early Beatles music was very much influenced by American pop and blues. But of course they carried it to the next plateau. Now some of the American rock and roll influenced by the Beatles is being recycled back again from England with some new rhythms from Africa, South America and the Caribbean."

WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN: "Instant phone reaction to two majors this week. TFS's intros are the ticket to revising both anthems and now with 'The Price' in the wings, Dee and the guys may have finally hit it really big...Another phone jammer is the Phil and Phil show with 'Easy Lover'. Unbelievable across-the-board acceptance...Spend some time with Triumph's 'Thunder' and you'll realize the full potential of this one. These guys have taken it to the limit this time. They've retained their signature sound while progressing musically delivering a final product that's exciting and new. No corporate made-for-TV bullshit here. They've done it up right and the audience knows it. One week out, third most requested...Good news for Supertramp fans--Hodgson's latest has managed to pull out of its tailspin finally kicking in with calls...Can't get over the sales for Frankie. When a blue collar town like Syracuse goes for a new spangled band like this, there's something really going on...And talk about bonafide success stories--how about Autograph's 'Turn Up The Radio'. The remix really does the trick with blood, guts and guitar riffs. I love it!...Happy birthday to my favorite --Mr. Plen...Hint to EMI: 'Heavy Pettin' is the cut!"

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "'Tis the season for lots of second, third and fourth album tracks and there are some deep ones out right now. Henley, Adams, Benatar, Hatchet, and Squier to name a few! We're gonna jump on Foreigner's with both feet, 'cause you can bet everyone will be on it like white on rice in no time flat...Philip Bailey & Phil Collins 'Easy Lover' gets the nod this week. It's been in h-o-t rotation this week at home, in the car, and in my head, for about a month now, and it's gonna be a monster with calls starting to come in after just a few plays. The Collins touch is magic...Had a great time in Denver over Thanksgiving with the Zuckers and the Meyers. Finer people you will not meet...Congrats to: Ex-KILO jock, Tim 'Dusty' Scott and his new bride, Judy. All the best from your friends at KILO...By the way, Christmas ID's are wanted and needed. Remember, it's KILO as in 2.2 pounds!"

WKDF, NASHVILLE, TN M.D.-DAVID HALL: "Response to the new Foreigner song has been fast and furious. Everybody loves it. Looks like it will be bigger than 'Waiting For A Girl Like You'...The anti-war sentiment sure is back in force with Frankie Goes To Hollywood and Roger Hodgson both doing well, and now you can add Bruce Cockburn to that list with 'If I Had A Rocket Launcher'...Can an Edwin Starr comeback be far behind?...Los Lobos goes in this week. Given the popularity of George Thorogood and Stevie Ray Vaughan, I look for this to do well, because for me the sound is similar to those guys...John Parr continues to lead the request tally with 'Naughty Naughty'...Deep Purple's 'Strangers' and Rick Springfield's 'Bruce' are close behind!"

WIOT, TOLEDO, OH M.D.-THE ROZ: "Finally, a relaxation of new product--so, let's go over what's already happening: The phones on John Parr have been constant. Usually 'Naughty Naughty' is what comes out of their mouths as I don't think listeners have comprehended what a John Parr is! Hence, no sales yet...U2 has been on and off Toledo's sales chart but the Lp certainly deserves additional support with 'The Unforgettable Fire'...I think Rick Springfield's 'Bruce' goes beyond novelty--listen to those guitar licks...Krokus 'Our Love' sounds phenomenal on-the-air. The lack of phones and expected rebounded sales confuses me, but we'll definitely hang with it...Deep Purple is deservedly healthy at number 3 in sales and number 1 in requests. If it's not in heavy, you're cheating your audience!...Triumph makes a healthy debut at number 16 in sales the first week out and 'Spellbound' sounds better with each listen...WIOT thanks David Coverdale for a fine interview. The man is truly an English gentleman--Until he hits the stage, that is! Whitesnake was a great show...Also, hats off to Rob Steinberg with Armored Saint for his thoroughness and cooperation...And great to meet the radical fun guy, Michael Plen--truly a pleasure...Finally, Perry Sullivan? WIOT? Did you folks at the Sheet have an employee acid party last week? Ha, Ha, Ha!"

WTPA, HARRISBURG, PA P.D.-BRUCE BOND: "Since all the other radio stations in Central PA, and all the record promotion reps are so convinced we are switching format, I decided to give everyone what they wanted. Last week we promoted something new and different to happen on Thursday. Thursday at 2PM we played four Willie Nelson songs, just to get people talking--and it worked!...Musicwise this week, I think radio stations should go deeper on Rod Stewart, Prince and Tina Turner...Play the Foreigner song real heavy now, because soon the CHR competitors will be beating the Buffalo bags out of it. This Foreigner tune will be their biggest ever...Great to see Atlantic pushing the ballad 'The Price' from Twisted Sister...Our number one request song is still 'Party In My Pants' from Four-In- Legion. They were in Harrisburg last week...This week, David Johansen, Romeo Void and Philly's Beru Revue will stop by...Check out Scott Muni's 'Ticket To Ride' Beatles show, starting in January. It's more than just Beatles...That brings me to syndicators who are really getting pushy. I'm getting real tired of their bullshit. They are worse than record people the way they cry on your shoulder. I don't like when you say 'maybe' and they write down 'yes'...Make it a Rachel Perkoff day!"

WZZO, BETHLEHEM, PA ASST. P.D./M.D.-GENE ROMANO: "Prince's 'I Would Die 4 U' is destined to please many... As is Hall & Oates' 'Methods Of Modern Love'...Madonna's new Lp is the hottest-selling album in the area by far - listen to the record, especially if your station deals with this genre."

WPYX, ALBANY, NY M.D.-ANDI TURCO: "This time of year is fascinating. You just bounce back from one holiday and you roll right into another one. I love it!...It's also great for catching up. Finally had room for 'Sunset Grill' from Don Henley. What a wonderful song...Foreigner goes into heavy immediately...Happy holiday shopping."

WCKO, MIAMI, FL P.D.-NEAL MIRSKY: "The splendid production on the new Foreigner song is a true testament to the theory that less is more. What a great record...Joan Jett continues to work for us. Top 5 requests and sounds great on the air."

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "What a slow week! It sure seems like the 'Christmas Rush' pooped out early this year. Now we're stuck with being worked to death on the remainder of albums out there, many of which are not even worth the trouble (heavy sighs). So let's get out those shovels and dig deeper into the great albums that are out there and get those shiny Christmas tunes ready to roll...Good calls on: Philip Bailey, Foreigner, and Triumph...And that's about it. I told you it was a slow week."

RADIO ACTION CONTINUED

- KATT, OKLAHOMA CITY, OK M.D.-SCOTT DOUGLAS:** "Wow, Springsteen!!!...Just a personal message from PAT WELSH: 'Thanks to Ed Climie of A&M and family for their wonderful hospitality this past weekend in Dallas'."
- WEZX, SCRANTON, PA M.D.-DAVE WEEKS:** "During the Thanksgiving weekend, and continuing the following weekends, ROCK107 personalities have been appearing in area shopping centers helping to solicit donations for the needy through United Neighborhood Services. Special ROCK107 Christmas tree displays have been set up in the Wyoming Valley and Viewmont Malls for the purpose of receiving the donations."
- WKQQ, LEXINGTON, KY M.D.-ROB ELLIS:** "Now that the Christmas rush has died down, there's a good opportunity to expose second and third cuts from some Lps. We go with another from REO Speedwagon. 'Can't Fight This Feeling' is a ballad that can't miss...Also 'Too Late For Goodbyes' from Julian Lennon and a great rocker from The Kinks latest. We add 'Guilty'. What an undeniable hook on this one...Lou Gramm's vocals on the new Foreigner single are really superb and the choral backup toward the end of the cut adds a real nice touch. I'm looking forward to hearing the whole Lp."
- WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR:** "Foreigner has so many horses under the hood that even purring at low RPM's they blow the doors off anyone caught on the same chart with them. Songs just don't get any more seductive than 'I Want To Know What Love Is'...Where was Phil Collins when the Democrats needed him? Midas retains his touch as the duet with Philip Bailey sews up the top slot in the week's most requested within two days. Imagine what a collaboration with Eric Clapton might sound like. 'Midas-ize it with Phil Collins' could be the new production spoken of the decade...If you're ignoring the Los Lobos, may your only son or daughter get engaged to Boy George...We're looking forward to the Hooters CBS debut. In the meantime, Red Rockers version of 'Blood From A Stone' gets the nod here."
- WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS:** "So the music rush has slowed and now we're playing so much great music there's still hardly any room to add new material. So it goes, at least the listener benefits from all the fine product out there. Keeping the 'Teachers' soundtrack alive with my guy, Ian Hunter; I've loved this man since I was knee-high to a guitar amp, and we're happy to have any sort of a new offering from him on the air...We're still getting amazing response to the new Deep Purple and 'Perfect Strangers' is #1 in our top 12 this week. If you're not playing something from this Lp, you're certainly denying your audience a taste of rock roots, and what makes rock special...Good to hear an Lp with depth come thru from REO. What pressure there must have been after the amazing 'Hi-Infidelity'. I mean 'Good Trouble' was too soon and less than wonderful, and if it completely turned you off, open up and check out 'Wheels Are Turning'. Speedwagon's back. They deliver some great rockers as well as the lush tones of 'Can't Fight This Feeling'. We're on two and 'I Do'wanna Know' is a certifiable smash. Give 'em a break...Foreigner is a beauty for 4 minutes, 58 seconds, gospel choir and all, no edit. Let it roll the way it is and sing along at the top of your lungs...The count is on 4-3-1 'Animal'. Go for a touch of difference, you can play them."
- WQBK, ALBANY, NY M.D.-PEGGY APPLE:** "Believe it or not, it's my real name. First, glad to be aboard. Thanks to John Cooper for all the prepping. I've got my crib notes, so let's go...Happy to hear Bob Dylan rockin' and rollin' live again, especially with Mick Taylor. The 12" has gotten a great response with our older demos who remember Bob from 20 years ago...I loved Foreigner's 'Waiting For A Girl Like You' so it's natural I would like this Foreigner single, pretty and melodic, a guaranteed hit...Eurogliders are still a hot request item...If you haven't heard it, listen to Pat Benatar's 'Painted Desert'. We're getting a good reaction to that...A big hello to Lin Brehmer and Harvey 'Dr. K' Kojen."
- WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN:** "New Duck hours: I'm now the morning man on WLIR, so you can reach me after 10AM until about 3PM--and please, no calls on Tuesday...So, what's happening with the Joan Jett record? Seems some of us are giving it heavy airplay, while others aren't. Is it a programming backlash? Joan is still a great image for your station. The only problem I'm seeing is there is no visible retail, and I can only blame sales and marketing of the record company. We're pounding it heavy, yet even in Joan's own hometown backyard, sales are minimal...Check out S.P.K. 'Machine Age Voodoo'. It's got a great hypnotic hook. ...If you're looking for a great David Johansen track to play, check out 'King Of Babylon'. David does a great rap...Also, don't ignore the Nails record. Remember 'Let It All Hang Out'? Sounds great on-the-radio...Screamer-of-the-Week and Duck-Pick-to-Click: Frankie Goes To Hollywood 'Welcome To The Pleasure Dome'."
- WRXL, RICHMOND, VA M.D.-PAUL SHUGRUE:** "The all-out attack on our airwaves by the record companies seems to be coming to a halt. And now that the smoke has cleared, there are 4 or 5 clear cut winners. We'll be playing lots of cuts from them through early '85. Lp's by REO Speedwagon, Bryan Adams, Pat Benatar, Don Henley, and The Kinks have the ammunition to keep us going when there's nothing but marginal music to pick from. The only problem we're having is being able to separate the single from the Lp cuts and still work in their older material as well. Sometimes I feel like you could do a whole format based on these acts...By the way, does anybody know if Phil Collins ever sleeps? His collaboration with Philip Bailey, known here as Phil and Phil, is gonna be a #1 CHR record, so we're bumping it to heavy to beat 'em to the punch...And it's not true that Bob Dylan is changing his name again to Chuck Berry, but 'Highway 61' gets the Berry treatment that transforms it from an old classic into a brand new song--'Revisited' indeed!"
- WWCK, FLINT, MI P.D.-MARK MILLER:** "Just a few random comments in no particular order...First of all, without trying to sound cliché, I must wholeheartedly agree with all the superlatives in regards to the new Don Henley record. It would certainly be the grossest of all understatements to say this is a deep record. The album as a whole sounds like an instant classic, certainly rivaling anything ever done by the Eagles. Top 5 phones on 'Boys Of Summer'...Hall & Oates also received high marks for 'Bank On Your Love'. Those patented hooks mixed with some of G. E. Smith's raunchiest guitar licks ever, add up to a superb rock and roll record...Once again may I tip my hat to Elektra Records for releasing Dokken's 'Just Got Lucky'. I've said it before, and I'll say it again, this song is definitive mass appeal melodic metal and could put Dokken in the same league with Motley, Crue, Ratt or Def Leppard...And finally, I know this may seem to come out of left field, but I really believe Madonna's 'Like A Virgin' could make it on album radio. I mean c'mon--we've played pop songs before with a good deal of success and this one has got a subtle nasty edge that some of the others don't have. This song is destined to be a #1 record before too long and a #1 song can't do anything but help. Just ask Cyndi Lauper!"
- WIQB, ANN ARBOR, MI M.D.-DEBBIE DALTON:** "ADDS: Foreigner 12", Elton John 'Neon', Roger Hodgson 'Jeopardy', Honeydrippers 'Rockin'', Bryan Adams, 'Love', The Push Band 'Cut'...CONSIDERING: None...MOST REQUESTED: Bryan Adams, Roger Hodgson, Don Henley, Honeydrippers...INCREASED PLAY: J. Geils Band...INCREASED SALES: Julian Lennon, Chicago...From Les Cook: "Record-of-the-week: Foreigner by a mile! Everyone and their brother will be raving this one up so I'll keep it short. Play it now! 'I Want To Know What Love Is' will be a number one record...Santa has been good to rock 'n roll radio this year with high quality music from the likes of Bryan Adams, Don Henley, Honeydrippers, Pat Benatar, REO Speedwagon, Scandal, U2, The Kinks, J. Geils and if the single is any indication, Foreigner...Please send Xmas greetings from artists if possible: P. O. Box 8605, Ann Arbor 48107...Please help keep America's streets clean--someone give Starvin' Marvin a job!"
- WXCS, HAGERSTOWN, MD M.D.-PAUL MICHAELS:** "ADDS: Foreigner 12" 'Want', Glenn Frey 'Heat', Bruce Cockburn 'Rocket', Philip Bailey 'Easy'...CONSIDERING: Dennis DeYoung, Madam X, and Jethro Tull...MOST REQUESTED: Twisted Sister, Kiss, Honeydrippers, Van Halen and Foreigner...INCREASED PLAY: Don Henley, Foreigner, John Cafferty and Beaver Brown Band, Billy Squier, and Giuffria...INCREASED SALES: Twisted Sister, Prince, Julian Lennon, Bryan Adams, and Honeydrippers...Don Henley's entire Lp is pure pleasure! He's right on target with every single track and the cut 'All She Wants To Do Is Dance' and 'Drivin With Your Eyes Closed' makes the cretin in me bop!"
- WKCN, GREENVILLE/SPARTANBURG, SC P.D./M.D.-STEVE CHRIS:** "ADDS: Foreigner 12", Giuffria, and Philip Bailey...CONSIDERING: John Parr, Eurogliders, Frankie Goes To Hollywood, and Krokus...MOST REQUESTED: Rick Springfield 'Bruce', and Honeydrippers...INCREASED PLAY: REO Speedwagon and Toto...INCREASED SALES: Don Henley."

WRCN, LONG ISLAND, NY M.D.-JOHN GRAPPONE: "One of America's original rock and rollers stopped by to say hello and spin some of his favorite records. Gary U.S. Bonds was a blast. Cool, laid-back and funny...Well, we are down to the final stretch before '85 rolls around which means we start listening to the 3rd, 4th and 5th track from albums released this year...To be honest, there are not many out there that are that strong... We had to go with a second Don Henley track because the album is so deep. We are also looking toward a third one already...I wish EMI released 'Restless Heart' by John Waite before 'Dark Side Of The Sun'. It sounds so much better to me...As for the newer stuff at WRCN, Philip Bailey has command over the phones. Young, old, male, female, he's covered all the bases...Triumph is starting to generate interest as well...I'm sorry to say that Joan Jett's album is not happening for us...Remember, be good. Santa is coming soon."

KBLE, DES MOINES, IA P.D./M.D.-RON SORENSON: "ADDS: John Scofield, Laurie Anderson Ep, Bob Dylan 12", Foreigner 12", Jonzun Crew, Andreas Vollenweider...INCREASED PLAY: Planet P, Culture Club, WHAM!, Pat Benatar, Kinks, REO Speedwagon, Don Henley...As the torrent slows to a trickle, there are still two more to make room for: Dylan's 'Highway 61' is a timeless classic, and the current version with Mick Taylor on lead axe has the chops to cut it in album radioland...The Foreigner is such an obvious s-m-a-s-h that if you can't hear it, I'd suggest a visit to your friendly family physician to clear your ear!"

KRVV, VAIL, CO M.D.-MARO SELBY: "We don't want to develop a reputation by association with the wrong kind of women, Madam X really makes Madonna look 'Like A Virgin' and we're a bit prudish at KRVV! So, under last week's miscellaneous adds, it was Madonna not Madam X with whom we should have been listed...Foreigner is our most exciting add this week--it is simple but strong."

WVTR, OCEAN CITY, MD P.D.-RICHARD REMSBURG/M.D.-GLENN STEWART: "ADDS: John Hunter, Krokus, Foreigner 12", Kip Adotta 'Santa', Stone Fury...MOST REQUESTED: Triumph, Billy Idol, Deep Purple...INCREASED PLAY: Philip Bailey...INCREASED SALES: Honeydrippers, Duran Duran...FROM GLENN: "Is this a gospel record for Foreigner? Hallelujah! I love it! It's now the only rock record in existence that segs perfectly with Melanie's 'Lay Down'...It took a couple of spins and hearing it on the airwaves finally clinched it, but John Hunter's 'Tragedy' is an exquisite song and will be around for a long time!"...FROM RICHARD: "Inside Radio is the latest publication to take a look at the problem radio faces concerning the advertising of beer and wine and the movement to have it banned. I commented several weeks ago and I still would like to see some reaction in these Pages on how we should address the problem...Musically, it's great to see the legs that the 'Eddie & The Cruisers' Soundtrack has and I've also noticed a few 'Remind Me' songs on the playlist. 'Perfect Strangers' reminds me of 'Kashmir', and Triumph's 'Spellbound' reminds me of 'Snowblind'!"

WYER, MT. CARMEL, IL P.D.-DREXEL DEFORD: "ADDS: Don Henley, Foreigner 12", Molly Hatchet, Los Lobos, Bruce Cockburn, Planet P, U2, Triumph...CONSIDERING: Iron Maiden 'Aces'...MOST REQUESTED: Foreigner, Deep Purple, Bryan Adams, Rick Springfield, Survivor...INCREASED PLAY: Don Henley, Triumph, Molly Hatchet, U2, Planet P, Philip Bailey...INCREASED SALES: Honeydrippers, Frankie Goes To Hollywood, Julian Lennon, Kiss, Bryan Adams, AC/DC, Survivor, Planet P, Deep Purple."

KMBY, CARMEL/MONTEREY, CA M.D.-JANICE TAYLOR: "ADDS: Bob Dylan 12", Foreigner 12", Billy Squier, Danny Elfman, Philip Bailey...MOST REQUESTED: Deep Purple, Kinks 'Do', U2 (various), Jethro Tull, Bryan Adams 'Run'...INCREASED PLAY: Deep Purple...The new Kinks Lp 'Word Of Mouth' is sensational. Although the Kinks have proved their longevity in the past, 'Word Of Mouth' could be their hottest to date! Ray Davies and friends have given us a solid rock Lp to prove they can do it again. 'Word Of Mouth' is definitely a welcome addition to the rock 'n roll Christmas list!"

WXKE, FORT WAYNE, IN M.D.-HAL BRANDT: "ADDS: Foreigner 12", Pat Benatar, Rodger Hodgson, Don Henley, Bowie, J. Geils, U2, Bruce Cockburn, Honeymoon Suite, Rick Springfield...CONSIDERING: Billy Squier 'Eye'...MOST REQUESTED: Honeydrippers, John Parr, Kiss, U2, Autograph...INCREASED PLAY: Toto, Kinks, Peter Wolf...INCREASED SALES: Honeydrippers, Bryan Adams, REO Speedwagon, Springsteen."

WMGM, ATLANTIC CITY, NJ P.D./M.D.-MIKE BOYLE: "ADDS: Foreigner 12", Kiss (Re-add), Survivor, Pat Benatar, Don Henley...CONSIDERING: Eurythmics, Alphaville, Roger Hodgson...MOST REQUESTED: Pat Benatar, Frankie Goes To Hollywood, U2, Beaver Brown, Madonna...INCREASED PLAY: Beaver Brown, Philip Bailey, Bowie, UB40...INCREASED SALES: Pat Benatar, Bryan Adams, Frankie Goes To Hollywood, Kiss, Don Henley...Thanks to George Stone 'The Bugs Bunnyman' for a 'different time' at the Prince show in Philly. Prince sure knows how to pick an opening act--Sheila E. was excellent...Foreigner has made the long wait worth it--the single has just the balanced sound radio needs right now!"

WTCS, FAIRMONT, WV M.D.-SCOTT REPERT: "ADDS: Triumph, Metallica, Red Rockers, Autograph, Planet P, Foreigner 12", Hall & Oates...CONSIDERING: Sade, Madam X...MOST REQUESTED: Pat Benatar, Kinks, Duran Duran, Timothy B. Schmit, Bryan Adams...INCREASED PLAY: Red Rockers, Joan Jett, Giuffria...INCREASED SALES: Wham!, Frankie Goes To Hollywood, Hall & Oates, U2, Culture Club."

WCPZ, SANDUSKY, OH M.D.-KEVIN YOUNG: "ADDS: Foreigner 12", The Who, Deep Purple, Rick Springfield...CONSIDERING: Alphaville...MOST REQUESTED: Pat Benatar, Don Henley, REO Speedwagon, 'Eddie And The Cruisers', U2...INCREASED PLAY: Philip Bailey, Giuffria, Toto...The Stones did it with 'You Can't Always Get What You Want', Spector did it with the Beatles, there's the Moody Blues, and now Foreigner! 'I Want To Know What Love Is' has got to be the ballad of the year. Good for upper demos, lower demos, male and female. We're on it h-o-t and heavy... Philip Bailey was an easy choice and goes into h-o-t this week. That's a classic cut!...Is the Kinks Lp going to be around for a while, or what? We're just thrilled with the album. We're heavy on 'Do It Again' and we've got 'Good Day' and 'Word Of Mouth' up front too...Don Henley and Timothy B. Schmit continue to ride the tide of our Eagles weekend two weeks ago...And, though we're on 'Two Tribes' on the Frankie Goes to Hollywood Lp, our jocks and listeners seem to like 'You're The Only Star In Heaven' almost enough to make me switch tracks...Thanks to Larry Bole from Warner Bros. for sending me to see Rickie Lee Jones in Cleveland on my birthday. She was nothing less than exquisite, fabulous, outstanding and about 25 other adjectives too!"

CHEZ, OTTAWA, CN M.D.-GREG TORRINGTON: "ADDS: Philip Bailey...CONSIDERING: Foreigner...MOST REQUESTED: Twisted Sister, Kinks, Bryan Adams, Honeydrippers, Julian Lennon...INCREASED PLAY: Honeydrippers, Red Rockers, Southside Johnny, Kinks, Don Henley...INCREASED SALES: Steve Morse, Bryan Adams, Bangles, General Public."

WBLM, LEWISTON/PORTLAND, ME M.D.-TOM WALLACE: "Foreigner's new song is superb! Is this the best thing they've ever done or what? That choir is hauntingly beautiful and who is that soulful back-up vocalist? In short, I'm enthused...We went with John Hunter's 'Tragedy' this week. It's perfect upper demo stuff, and besides that, it's a great tune. Love that piano!...Bowie's 'Tonight' is once again gracing our airwaves. A very classy duet...We did a silly Thanksgiving promotion called 'Dinner On The Mayflower' where a lucky winner and a few friends chowed down to a catered feast in the back of a Mayflower moving van! Predictable? Yes, but we got great newspaper and TV coverage out of it!"

WFAL, BOWLING GREEN, OH M.D.-LORI WENSITS: "ADDS: Triumph, General Public, Autograph, Philip Bailey, REO Speedwagon...CONSIDERING: Fashion, Planet P...MOST REQUESTED: Bruce Springsteen, Whitesnake, John Parr, Don Henley...INCREASED PLAY: Julian Lennon...INCREASED SALES: The Honeydrippers, Deep Purple, Toto... It's easy to be a lover of Philip Bailey's debut Lp, especially his debut with Phil Collins...Record stores ought to be booming during this holiday season with so many good treats in the record bins: John Parr, Don Henley, Bryan Adams, and Twisted Sister are personal favorites of many B.G. 'ers, and ought to be quite prosperous this holiday season!"

MOST REQUESTED: Bruce Cockburn, Juluka, Fred Schneider, David Johansen...INCREASED PLAY: Giuffria, The Church...Thanks to Juluka and the folks at Warner Bros. for passes to see The Church. Although their newest Lp 'Remote Luxury' has four musicians on it, they played in Boston as a quintet with a fifth member switching between keyboards and guitar. On some songs there were three guitars soaring through the atmosphere. Very exhilarating...We have a new promotion for our reggae show. We are asking listeners to draw up a poster which WTOS will use in the advertising of the show! The prizes include packs of reggae records, and the grand prize is a beautifully framed poster of Bob Marley. Thanks to all the labels who helped us put this promotion together...Annie's Song-Of-The-Week: Country Joe MacDonald 'Darlin' Dan The Rocket Man'."

Our nighttime guy, Larry 'The Legend' Traylor, has not had a date to the WWWV Christmas party in years! In order to secure a date for Larry, our morning crazy, Vinnie Kice, inaugurated the 'Win A Date With The Legend' contest! Entrants called in and suggested why they would be a great date for the legend. We've narrowed the field to 21 and the judges will soon have our 10 finalists! The Christmas party is December 8!"

I hope this will relieve the pressure Danny Buch must be feeling about his fading Rangers...And just when I was questioning the Roger Hodgson, the retail and phones both kick in, so we will gladly add the new 'Jeopardy' cut...With little airplay, the Stone Fury album is really picking up steam here so a move upward in rotation seems logical...And once more, I'm here to tell the story of Autograph. 'Turn Up The Radio' is our most consistent daily phone request, plus the Lp continues to grow at the local retail level which says a lot about a debut album competing against Springsteen, Honeydrippers, etc. ...Also, for those not on the Bruce Cockburn, take the time to go back and listen to 'Rocket Launcher'. This is the perfect texture record that seems to blend right in. Good production with strong lyric content. This is just the kind of statement that the album format was originally based on. For those programmers who position their station as more than just a musical outlet, this is one to seriously consider!"

WKLK, TRAVERSE CITY, MI P.D.-CHUCK POET: "ADDS: Triumph, Foreigner 12", Bruce Springsteen, REO Speedwagon, Julian Lennon...CONSIDERING: Bruce Cockburn, Los Lobos...MOST REQUESTED: Sammy Hagar, Cars, John Parr, Bryan Adams...INCREASED PLAY: Bruce Springsteen, John Cafferty, Julian Lennon...INCREASED SALES: Cars, Duran Duran."
TERRI RAY, ASST. P.D.: "We jumped right on the Foreigner 'cause in two weeks everybody and his brother will be playing it...Don Henley still soars, even without the Eagles...Bruce Springsteen is back again and coming on strong. Just when you thought he'd fallen to dried boogers on a paper plate, here he comes back slick as snot on China...Want the details on a great arm job? Call Chuck Poet: 616-258-2800. That's all!"

Why a ballad after almost 3 years of silence? But the song has grown on me and rather comfortably at that. Singer Lou Gramm sounds very soulful and sincere...The David Bowie/Tina Turner piece is excellent. Let's hope she pops up on lots of other people's albums...It's amusing how many stations are hesitant to add another Hall & Oates track. I mean these guys were cranking out great tunes years before anyone started calling FM stations AOR! 'Bank On Your Love' is a great Hall & Oates rocker and would sound good anywhere!"

KFMH, MUSCATINE/DAVENPORT, IA P.D.-STEVE BRIDGES: "ADDS: Red Rockers 'Blood', Romeo Void 12", Triumph, Foreigner 12"...CONSIDERING: The Rescuers...MOST REQUESTED: Don Henley, Kinks, Toto, Blancmange, Roger Hodgson...INCREASED PLAY: Molly Hatchet, John Parr, Giuffria, Timothy B. Schmit...My Thanksgiving vacation: First, I got the flu, then I got word that the parts for my car (that was run over by a dump truck a few weeks ago) won't arrive for at least another month and a half! Then I found out the new 900-dollar-rebuilt-tube was the wrong value and we could go off-the-air-anytime! Then I got sick, went home and threw up and slept through Thanksgiving and found out I had walking pneumonia! On Friday I slept through the weekend, came to work today. Some guy calls me at 9 and wants to know why the adds aren't done yet! He's on the first line, my insurance agent's on another line telling me they don't want to pay because my accident was an act of God, and some guy's on a third line wanting to auction off his eye because he's unemployed! All in all, a pretty normal Thanksgiving!"

WKLK, CHARLESTON/HUNTINGTON, WV P.D.-JO ROBINSON: "ADDS: Bruce Cockburn, Chicago, Foreigner 12", Julian Lennon, Hall & Oates, Bowie, The Fixx, Hagar...CONSIDERING: U2 'Wire', 'Fire', Los Lobos, The Kinks...MOST REQUESTED: Springfield's 'Bruce', Deep Purple 'Perfect', Henley 'Sunset Grill', Madonna 'Like'...INCREASED PLAY: Foreigner, Julian Lennon, Hagar, Bryan Adams, Springsteen...INCREASED SALES: Bryan Adams, Hagar, Philip Bailey, Survivor, Deep Purple, Madonna."

Frankie causes talk, and if you play it, they will be talking about your station. 'Relax' was huge here. 'Two Tribes' is now, and the title track is next. AND THIS IS NO EAST COAST METRO MARKET! This is South Texas, the heavy metal capital of the free world!...And speaking of heavy metal, don't miss out on Twisted Sister's 'The Price'. If you do, I'll be glad to say 'I told you so' later...This week's biggest builders are Stone Fury and Bruce Cockburn. Read and heed."

A couple of weeks ago we moved John Hunter's 'Tragedy' onto a medium rotation because of a surprising number of female requests for it and the faith both Jack Daniels and I have in it. We think it's a smash. Since the jump from light to medium we've seen an increase in both requests, mainly from females, and sales too. If this great song is gathering dust in your music office, go back and listen to it again. All this song needs is rotation. Put it on and answer the phone...Sales of the new Molly Hatchet album helped convince us to go on a second track, and we chose 'Stone In Your Heart'. This album has the potential to bring the Hatchet crew back with a vengeance. Witness the recent success of other southern boogie bands, like 38 Special and ZZ Top...Everyone at the station loves the new Don Henley album, and all agree that 'Sunset Grill' is 1984's 'Hotel California'...That's it for this week, gotta go turn the steaks. Big thank you's to Keith Altomare and Dick Bose for the tickets and Lps...A free 97X 'the station mother warned you about' t-shirt for the first person who can provide me with an intelligent answer to the following question: Why isn't album radio playing the Replacements? I'd sure like to know...Good to hear Dylan back and rockin again and Mick Taylor hasn't forgotten how to play either...Speaking of old-timers, the Kinks have made an Lp that sounds better and better every spin...Whoever can resist flying into impromptu air guitar licks on 'Do It Again' should maybe consider getting out of this nutty rock and roll biz!"

Record Action

MICHAEL CAPLAN, EPIC (212-975-5687): "Epic Records--the company that brings you two--two--two hits in one. Survivor's follow-up to the smash hit 'I Can't Hold Back', 'High On You' blows in this week with another 30 adds. If you're still not convinced, check out these early heavy reports: WHJY, KTXQ, KLOL, WEBN, KSHE. CHR won't know about this record until next year, so don't blow a potential early lead...The same applies to REO's follow-up 'Can't Fight This Feeling'. If this isn't the perfect record for a snowy night I don't know what is. This is one of those ballads that only takes one listen. Why not have that first listen be right off the radio?...Molly Hatchet's second track 'Stone In My Heart' got off to a great start this week with play on: WYSP, WHJY, WCMF, WYNF, KLAQ, WFYV, WZZR, WMET, WSKS, KMET, KRQR, KOME, KZOK and a host of other notables. Make sure you listen to this song with an open mind and no pre-conceived notions. You will be surprised!... Finally, Cyndi Lauper brings you her latest 12" this week, a live version of 'Money Changes Everything', recorded at her recent show in Houston. Those of you who ran the syndicated broadcast or have seen Cyndi live before know what a powerful rock n' roll singer/performer she is, but those of you who have not had the privilege are in for quite a treat. It's important that you know that Cyndi made this 12" specifically for album radio, and you should treat it accordingly. Even those of you who have not played her before for whatever reason will have no problem with this gem. This is rock n' roll! Shit, her live band even includes Sandy Gennaro on drums, ex of Pat Travers Band, so stick that in your ear and smoke it! If you think this record doesn't fit in with your formatics, you might as well go sell wing-tips for a living. We at EPA will forever take no prisoners!"

KEVIN SUTTER, CHRYSALIS (212-758-3555): "Greetings mates. Time to celebrate. We here at Chrysalis are going for #1 with Pat; and judging by the success of conversions from mediums to heavies and second and third tracks added, it looks like we're going. If you haven't gone to a second or third track by now, it's time to play catch up...#2 to the Chrysalis family is Billy Idol. And people keep catching his fall more and more each week. Thanks to WCCC, WHCN, WEZX, KQDS, KZAP, and, oh yeh, Thanks WKLS for the move from medium to heavy...The big priority for us is Armored Saint. This week 3 more saints canonized: Thanks WGRQ, WHJY, and WBAB...Boy, every once in a while some people really sit down, listen to a record and find out what we've been talking about right along. Keep an eye peeled for them for they're on to us now...Hot off the wire: History was made at Chrysalis today with the fact that Huey Lewis is now the best selling record at Chrysalis to date. His 5-day this week was 83,000 albums, which brings it to over 5 million. Thanks radio, and remember now's not the time to get amnesia about Huey and Billy. You guys brought them to their levels for the public... Jethro Tull. Ah, ah, ah, a few of you still haven't sat down and listened to our new 12". Shame on you. I think it's time that you spent time 'Under Wraps'. We've gone this far with Jethro, there's no reason to slow down. I'll be calling to check in with all of you that I can this week...(Special thanks to Judy for her patience. P.S., I promise to watch my clock!)"

JAY McDANIEL, MCA (404-447-6405): "This week brings a blockbuster soundtrack release of 'Beverly Hills Cop'. The soundtrack features Glenn Frey and the single 'The Heat Is On'. Eddie Murphy is crazy, as usual, and the soundtrack is full of hits like Danny Elfman, The Pointer Sisters, and more. Look for the Lp late this week...Stone Fury held solid with major station projections and an excellent airplay week. 'Break Down The Walls', 'Life Is Too Lonely', and 'I Hate To Sleep Alone' are getting the most airplay...We are rushing out the new Bronski Beat Lp with the hot cut 'Smalltown Boy'. The proof of success of this record worldwide, along with the huge import sales in the U.S., is forcing an immediate release here. Bronski Beat is going to explode... Our Fixx live version of 'Sunshine In The Shade' is being rushed out on 12". This, in addition to the CHR action, is causing a retail buzz that's big...The roar of thunder never seemed more real than the action on 'Thunder Seven' from Triumph. Immediate hot rotations with proven audience familiarity to these seasoned professionals. Triumph has arrived and it's hit time!...Giuffria is literally the favorite of everybody. This new group on Camel/MCA stands with such excellent company as Night Ranger, also on Camel/MCA. Giuffria is a smash, and now we can all say: Je-free-ah...Planet P and the Planet P Project video has had an impressive week. Major airplay from every direction points to this double concept Lp fast becoming a classic. One additional key to the overwhelming success is the 8-minute video of 'What I See' and 'Behind The Barrier'--visually addressing the story concept. Another delusion of the mind from a vantage point of peace. Truly the music of the 80's for the generation of life!...The CHR action on Joan Jett And The Blackhearts' single 'I Love You Love' is rolling in as the AOR base on the cut 'New Orleans' expands further. We additionally have major college support. The street level awareness of Joan Jett And The Blackhearts is selling through at retail... Our Danny Elfman Lp had another excellent week. 'Gratitude' is also to be featured on the 'Beverly Hills Cop' soundtrack...

Get ready for 'Two Minute Warning' by Angel City coming December 12th!"

MARKO BABINEAU, GEFEN (213-278-9010): "Boy oh boy, I never thought I'd get so much acclaim from one TV show. A word to the wise, if you get a phone call from Star Search, be careful! I've had the weirdest phone calls all week from managers, agents, and so-called celebrities, saying, 'Hey babe, let's hang'. Seriously though, it was a lot of fun. If you missed me it's your tough luck...I noticed one thing no one missed, and that's Don Henley's record. Working records like this makes you feel 10 feet tall. After 'Boys Of Summer', everyone is stuffed into 'Sunset Grill'. When I turn on the radio and I hear 'All She Wants To Do Is Dance', 'Driving With Your Eyes Closed', and 'Man With A Mission' just for starters, I know this is one of those albums where the filler cuts will become your favorites as you live through the album. What can I say but, 'Don Henley For President!' Watch for Don on Rockline on December 10th...Speaking of which, Sammy 'The Red Rocker' Hagar will be on Rockline, December 3rd, spewing out words of wisdom and telling each and every one of you how to grow up just like him. By the way, Sneedo, had a great time in Atlanta with you and the Red Rocker. I want my seeing eye dog back--I need to get home too. Thanks radio for your support on 'VOA'. This track has taken over half of America and the record's on its way to platinum. We'll have a nice surprise the first of the year from Sammy. (Nice sweat shirt, eh?)...So what's everyone doing for Christmas? The turkey's out of the way, we already resigned our memberships at the health clubs, now we're gonna get all fit and trim so we can start self-destructing at Christmas parties from the 16th on. And then we face that mellow event every year known as New Year's Eve. I'm sure all you folks are gonna sit home and meditate that day so you can prepare your thoughts for 1985. If you thought 1984 was cool, 1985 will be frigid. It's gonna be bigger and better than ever. As a matter of fact, I can't wait...Well, that's it for me this week, folks...Go Raiders!"

PAUL YESKEL, ARISTA (1-212-489-7400): "Congratulations to Clive Davis on his 10th Anniversary as the only President at Arista Records. It's both a pleasure and an honor to work for this man. Please send your 10th Anniversary ID greetings to me and Sean...Krokus has their biggest record to date. 'The Blitz' is heading for platinum with 'Our Love' paving the way...The 'Word Of Mouth' around The Kinks is nothing short of fantastic. With all of the multi-cut airplay, the tour, and an exceptional video, we'll see sales go through the roof... Billy Ocean will have a million selling album in another week, and that's just from the first single. The second, 'Loverboy', is all but locked on Top 40 in one week. Don't get caught missing out on this one!"

BILL BARTLETT, CAPITOL (213-462-6252): "To Charlie Kendall: 'You are a diplomat beyond all expectations. I am sending a letter to President Reagan on your behalf.'"

BOB CATANIA, ISLAND (212-477-7159): "U2 scores its first ever CHR breaker last week as 'Pride' burst through based on the incredible album rock support. Now savvy programmers are expanding their U2 horizons with 'Wire', the current 12"...Frankie continues to retail like crazy as 'Two Tribes' keeps up its multi-media assault. Just a reminder that we need those 'Pleasure Dome' edits by this Friday...Look for the Robin George 12" this week. The key track is 'Heartline', and this is the perfect record to freshen up your December playlist... And, finally, do your part to save Lenny. Be sure to contribute (via airplay) to his survival by adding 'Killed By Death' the new 12" from Motorhead."

RICH SCHMIDT, RHINO (213-450-6323): "New adds for Julie Brown include KMET, WNEW, WRXL, plus others that puts the total over 80 stations with more on the way. Thanks to all involved for a job well done...Coming in January is the final debut of San Diego's Beat Farmers plus the return of Big Daddy. As Lin Brehmer would say, 'The sky's the limit'...Also to debut in January is a new comments feature called 'Best/Worst Songs While On Hold'."

GAIL LEE/LYN BENSON, PASHA (213-466-3507): "It's time to put Danny Spanos' 'Hot Cherie' back into the recurrent status. It won't be long before 'Looks Like Trouble' is all over your desk...The updated Quiet Riot itinerary for December is in hand. Those of you whose markets will be affected by the 'Condition Critical' tour should have the update by now or within the next couple of days...Rod Falconer continues in rotation on the video channel with 'Only So Much Time'. It's remarkable that MTV would actually go on a cut before radio especially when that particular cut, as well as the whole Lp, is available to all. If you don't have your 12" yet call your MCA rep and proclaim 'I want my 12"!'"

STEVE LEEDS, LE FRAK (212-586-7600): "Songs from artists like Philip Bailey, John Hunter, and Corey Hart getting AOR airplay only further shows album radio has moved from artist orientation to song orientation. Speaking of songs and since the holiday season is upon us, check out the 12" of the out-of-print Christmas rave up of 'Little Drummer Boy' from Joan Jett & The Blackhearts. The band's two new videos were sneaked on Thanksgiving and there's an exciting New Year's Eve plan in the works. Stay tuned. Meanwhile don't forget about 'New Orleans' and the single 'I Love You Love'...Los Lobos grows on me daily...Best of luck to: Bruce Goldsen, and Larry 'The Duck' who's now doing mornings at WLIR."

ANDY ALLEN, RCA (212-930-4518): "This time of year, you seldom see new artists with debut Lps on the charts. The competition is just too tough. That's why most companies hold back new artist Lps until the first of the year. Autograph has broken through! 'Turn Up The Radio' is pulling top 5 requests, heavy rotations and significant adds every week. (Even re-adds - thanks, Joe) Now - CHR is discovering 'Turn Up The Radio'. Don't sleep on this one - 'Sign In Please'...Another chart chomper on the college/alternative side of things is The Nails. 'Let It All Hang Out' will be our single. '88 Lines About 44 Women' is also getting a lot of play...Look for the Hall & Oates 12" of 'Method'b/w'Bank' this week. Both have been remixed for album radio... Good reaction to White Wolf on the metal shops - 'Shadows In The Night' is the track...Eurythmics have called upon Orwell's language 'Newspeak' in creating the lyrics and texture for 'Sexcrime' from the movie '1984'...Less than 25 shopping days until Xmas!"

BENNETT KAUFMAN, GOLD MOUNTAIN/A&M (213-469-2411): "So you wanted to see action? Bruce Cockburn's 'Rocket Launcher' has definitely exploded! In just two weeks, 'Rocket Launcher's' #1 phones at DC101. The pattern continues. With over 20 adds this week, there are more than 50 stations watching their phones light up, with calls for 'Rocket Launcher'...The Textones are on the road with John Cafferty. They started the tour last week playing Los Angeles and Santa Barbara. The video for 'Standing In The Line' will be out by Christmas. We will not let this fine album slip away. Thanks to everyone at FMOB Album Report for your continued support and belief in Bruce Cockburn. And a big thanks to all for helping make Cockburn's tour his most successful U.S. tour ever!...And a special thanks to my tag team partner, Sam Calle."

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "The Red Rockers are back with a vengeance! 'Blood From A Stone' is on-the-radio and doing well. This band, and especially this album, deserves the shot. When you're looking back on what you missed for '84 or possibly didn't have room for, go back to the Red Rockers. They are great! They are currently on the road and we are supporting all of their efforts. Thank you...Ted Edwards reports major upper demo phones on the Dylan. With Mick Taylor and that great groove, you can't miss on pleasing everybody with this one...Philip Bailey is g-o-n-e! Thank you again. Wait 'til you see the video--it's a gas...Please take a quick listen to the new hot remix of 'Say No' by Romeo Void. I think you will take a giant step back and then quickly fall in love with it...On the Eurogliders front, heavy airplay pays off as we see Lieberman rack the record in both Chicago and Kansas City--get ready for lift off!..P.S.: Having just heard five tracks from the new Mick Jagger solo album, which will be out early next year, I can safely say that unless someone puts together a more astounding record than this (which will be hard to believe), Mick should easily have the Lp of 1985. Call me for specifics--I could go on for pages!"

Program Producers

JOE TRELIN, RADIO INTERNATIONAL (212-696-2350): "If you're stuck on the new multi-artist charity group Band Aid, then stick with Rock Over London. For those of you who haven't heard, Band Aid is a group formed by Bob Geldof of the Boomtown Rats and Midge Ure of Ultravox, to raise money for the Ethiopian famine victims. Included in the line-up are: Duran Duran, Culture Club, Phil Collins, Sting, Bananarama, Spandau Ballet, ad infinitum. Not only will the single appear on our program, but you'll be able to hear exclusive interviews with the band taped at their historic recording session. More information to follow...Speaking of exclusives, all affiliates will be giving their listeners their first taste of the new Thompson Twins single 'Lay Your Hands On Me'. All this occurs as Rock Over London provides 5 blockbuster interviews counting down the final 5 weeks of 1984. Our listeners will hear: Eurythmics, Culture Club, Frankie Goes To Hollywood, Big Country, and Duran Duran in consecutive weeks...Finally, in keeping with the Christmas spirit, 100 lucky Rock Over London listeners will receive David Bowie's 'Jazzin' For Blue Jean' mini-movie, available only through us, or by cash...So remember your PD's and jocks, you're fast and first when London rocks...P.S.: Watch out for the brand-new Murray Head single 'One Night In Bangkok'."

ROXY MYZAL, DIR BROADCASTING (212-371-6850): "Scott Muni's 'Ticket To Ride' will be the most popular weekly series on your radio station. Just take a look at the elements. You've got the professor of rock, Scott Muni, you've got great Beatle music and rare stuff too, 'This Week In Beatle History', Beatle trivia and guests whose musical careers were directly influenced by the Fab Four. If you're currently airing a local Beatle music show that you just can't seem to live up, here's your ticket. The series will debut in February on these great stations: WNEW, KMET, WMMR, KFOG, WKLS, WQBK and more. The perfect show for Saturday or Sunday mornings...On the 'Inside Track' our December show will highlight the year in rock with Van Halen, David Bowie, Huey Lewis, The Stones, and special guest surprises. The 'Inside Track' delivers a major group/artist every month...Stay tuned for some big, big, big news soon."

LAURIE GORMAN, PG PRODUCTIONS (818-981-3331): "Patty Smyth caused quite a 'scandal' on last Sunday's 'Live From The Record Plant' as the phone lines were lit with the likes of Eddie Van Halen, wife Valerie Bertinelli Van Halen, and former Eagle, Don Henley, whose new album 'Building The Perfect Beast' has Patty singing quite a bit of background vocals. And Eddie Van Halen has been seen jamming on stage with Scandal recently. And Patty's fantasy scandal? To be on the cover of the National Enquirer with boxing promoter Don King alongside a caption eluding to a 'scandalous' romance...This Sunday, December 2 (8PM, PST) our guest will be Pat Benatar, followed by Toto on December 9th, and Jermaine Jackson on December 16th."

Video Action

ANN CARLI, JIVE (212-410-4774): "On the new video front we have 'Freaks Come Out At Night' by Whodini, produced by Philip Meese and directed by Adam Friedman. The dynamic duo of rap, Jalil Of Ecstasy, follow up their smash hit single, 'Friends/Five Minutes Of Funk' with another sure fire winner! 'Freaks' was filmed on location at the Baltimore Civic Center and features Whodini and their DJ, Grandmaster Dee, doing the track 'live' in front of 11,000 fans. The clip captures the excitement and vitality of the Freshfest and offers an interesting glimpse into the hip-hop phenomenon of which Whodini is at the forefront. The clip also features a cameo appearance by Run-DMC. Dare to be different and program this clip."

DONNA KREISS, ATLANTIC (212-484-8228): "It was wonderful to meet so many new faces at the Billboard Video Conference. However, my idea of a comfortable gathering of people numbers in the 10 to 15 range; so approximately 800 massing music types, I'm sorry if I didn't get to say hello to all the people I had hoped...Meanwhile, Atlantic has Rick Dees 'Getting Nekked', the Honeydrippers 'Rockin' At Midnight', John Parr's being 'Naughty Naughty', AC/DC organizing a 'Jailbreak', Alphaville getting 'Big In Japan', Julian saying thanks 'Valotte', and Zebra 'Bears' it all."

MARCUS PETERZELL, THIS WEEK'S MUSIC (212-265-2600): "This weekend our show features live performances from Shannon, Van Stephenson, Billy Satellite, Sparks, and Scandal...In addition, we have Paul McCartney introducing his new video, 'No More Lonely Nights'...We recently ran two major successful promotions in San Francisco and Chicago with special thanks to Nick Bazoo at KMEL and Jan Jeffries at WAGO...Closing out, I would like to know if anyone could find me a large green hat just like Michele Peacock's."

News From Rock Over London

P.D.'s - PLEASE, PLEASE TAKE HEED! Every so often a record is released that we feel certain is a candidate for the Top 5 U.S. Song Chart. MURRAY HEAD's "One Night In Bangkok", a Top 10 song in Britain which is from the latest Tim Rice Musical called "Chess", is such a record. It's an absolutely amazing, catchy number which CHR will undoubtedly jump all over when released. Listen for it on ROCK OVER LONDON, SHOW #150.

THE MOST STAR STUDED LINEUP IN THE HISTORY OF ROCK MUSIC--that's the undisputed truth about "DO THEY KNOW IT'S CHRISTMAS?"--the single recorded November 25th in London as a benefit for Ethiopian famine victims. Sales of the record and various merchandise are hoped to reach one and a half million pounds, and everyone who contributed to it donated their services

free. "Do They Know It's Christmas" was co-written by BOOMTOWN RATS' BOB GELDOF, who organized the whole event, and MIDGE URE of ULTRAVOX. The complete lineup was as follows: Duran Duran, Culture Club, U2, Phil Collins, Sting, Bananarama, Spandau Ballet, Paul Young, Heaven 17, Kool & The Gang, Status Quo, Ultravox, Boomtown Rats, Ex-Shalamar singer Jody, Style Council's Paul Weller, George Michael of WHAM!, and Marilyn.

BUT THEY AREN'T THE ONLY ONES FEELING CHARITABLE THIS WEEK. Another lineup of slightly less megastars announced a charity gig for early December at The Royal Albert Hall, also for the aid of Ethiopia. Topping the bill will be NICK HEYWARD, currently charting in Britain with "Warning Signs", and Mari Wilson, Tom Robinson, possibly Captain Sensible and others still to be announced.

After such noble deeds, the week's other music news is rather humbled by comparison. HOWARD JONES's new budget priced mini-album is a kind of stop the gap measure while Howie finishes his next regular Lp, and the title is pretty stopgap too: "THE 12' ALBUM". A lot of thought went into that, obviously. Anyway, it will sell here for about 4 pounds, and will include a new version of "New Song" and extended mix of "Pearl In The Shell" and 2 never before released numbers, "Always Asking Questions" and "Total Conditioning".

SPANDAU BALLET, currently on the world tour that TONY HADLEY told us about on ROCK OVER LONDON a while back, keep the home fires burning with the release of "Round And Round", track number 4 from "Parade". There are a couple of added attractions this time including a live version of "True" and "Gold" on the B-Side.

It's hibernation time for ECHÔ & THE BUNNYMEN who've announced that they're taking a year's break from recording and touring. However, lead singer IAN MC CULLOUGH will spend the time releasing a series of singles using different musicians and producers and the first, a version of Kurt Weill's "September Song", has just been released.

There's some ill-concealed anxiety among record retailers here, who say they're having a lot of trouble shifting copies of CULTURE CLUB and DURAN DURAN albums. "Waking Up With The House On Fire", in particular, is already plummeting down the album charts, and "Arena" only managed to enter at No. 6--just one place higher than THE SMITHS's "Hatful Of Hollow". It doesn't mean that Lp sales are depressed, just that the money's ending up in different pockets. WHAM!, ALISON MOYET, and SADE have no complaints at this time.

This week ROCK OVER LONDON gives you the first hearing of "Lay Your Hands On Me", the new U.K. THOMPSON TWINS release, and a typical twins tune it is too. PAUL YOUNG parades his new song "Everything Must Change". (Not a cover version! What a great gimmick!) There's also new ones from: TEARS FOR FEARS "Shout"; UB40; THE STRANGLERS; and the Anglo-American FOREIGNER. (Listen, they're British enough for us!) We'll have EURYTHMICAL works with ANNIE LENNOX and DAVE STEWART, and Christmas novelty records are the name of the game in the melting pot--like PAUL MC CARTNEY singing with THE CHORUS OF FROGS. Come on! Don't be that way! The season of good will is upon us.

"As you may have heard by now, Cable Music Channel has been purchased by MTV Networks, and ceases operations on Friday (Nov. 30). See Dirt Alert for the details... The Red Rockers have completed a video for 'Blood From A Stone' in San Francisco. 'We're especially proud of this video,' says the Red Rockers' lead vocalist John Griffith. 'We wanted 'Blood From A Stone' to represent the real people who occupy this country. Not just the glittery, leather-clad women and designer studs who live in the nether world of so many rock videos...'...New home video releases include 'Dio--Special From The Spectrum,' a full-length Philadelphia concert. Also planned for early next year is a comedy video from Pee Wee Herman, and 'Howard Jones: Like To Get To Know You Well' using already released clips and performance footage...Kris Kristofferson plays Barbra Streisand's lover in her new video...Armored Saint travel through a wasteland in their video for 'Can U Deliver,' directed by Jonathan Seay. Seay was responsible for the special effects in the clip. He has worked on special effects for numerous films, including 'Close Encounters,' 'Blade Runner,' and the upcoming '2010'...It's hard keeping up with all the Frankie Goes To Hollywood videos. There are said to be three different versions of 'Relax' from the 'Body Double' film, with television programmers playing the least risqué of the three. These are, of course, in addition to the two earlier videos for the tune. Godley & Creme are now working on a video for 'Power Of Love' (which debuts on the U.K. charts at #3 this week). They say, 'there's no intention of being controversial' with this one, even though it's supposed to be a version of the Nativity with Holly Johnson as the Virgin Mary, Paul Rutherford as Joseph, and the rest of the band playing the Three Wise Men. Sounds like perfect Christmas programming to me."

VIDEO NEWS

REO Speedwagon has just finished shooting their second video "Can't Fight This Feeling," the clip is described as a "Serious Departure" from the band's last clip. Once again KEVIN DOLE will be directing but this time he won't be appearing in the video. In "I Do 'wanna Know" Kevin is the weird kid with the pointy hairdo... RAY MANZAREK, the former organist with The Doors, just finished directing a new video for The Doors classic "L.A. Woman." The clip was shot in L.A. and features actress KRISTA ERICKSON as the "L.A. Woman" of the song's title. JOE DOE of the band "X" also appears in the clip, which will be included in the full-length Doors home video cassette that will be released early next year... DAVID BOWIE has just been added to the cast of "Absolute Beginners." The movie, which is about British teenagers in the late fifties, will be shot in April by director JULIAN TEMPLE, who collaborated with Bowie on "Jazzin' For Blue Jean." Among the other cast members are KEITH RICHARDS, RAY DAVIES, and PAUL WELLER, all of whom are contributing songs to the movie's soundtrack.

INTERVIEWS

BRUCE SPRINGSTEEN told us why he's been opening his concerts with "Born In The USA": "It just seemed like a good opener. I think the tone of the concert changes every three or four songs. I guess it kind of frames it a little bit. That first verse is a good first thing to sing, at the beginning of the night, you know. But sometimes, on this tour we've started with "Thunder Road" like on the first night and a couple other things, "Badlands", but it's nice to start with something."

The Rock Report

BY NOW MOST OF YOU have heard "Do They Know It's Christmas" by a group of musicians calling themselves Band Aid. As we reported last week, this group is comprised of Sting of the Police, Boy George, Nick Rhodes and Simon LeBon of Duran Duran, Bono of U2, Wham!, Paul Young, members of Spandau Ballet, Midge Ure of Ultravox, Phil Collins, Bananarama, Status Quo, and Kool And The Gang. A pat on the back must go to Bob Geldof from the Boomtown Rats who conceived the idea and arranged the whole thing. All benefits from this very special single will go to the starving people of Ethiopia. Speaking of Geldof and the Rats, the band has plans to get back into the swing of things by way of a new single called "Dave". The B-Side of this release will feature a song called "Hard Times". Mercury is also releasing a special 7" double package featuring these two new songs coupled with the re-release of "I Don't Like Mondays" and "It's All The Rage". Not only that, but the label is also releasing a special 12" package with live versions of "Banana Republic" and "Close As You'll Ever Be". The band will tour Europe in the new year; no word as of yet about any American dates.

HEADS UP Dead fans! Jerry Garcia and the rest of the Grateful Dead are going video. Yes, the band has just completed work on a 30 minute video consisting of concert footage, some conceptual work and instrumental video clips. The band will ship the footage to cable outlets before it appears in the stores.

REMEMBER THOSE RUMORS of a book of photo's by Stones' bassist Bill Wyman on the artist Marc Chagall? Well, it's out. Wyman's own company, Ripple Publishing, has released the book via Doubleday. The coffee table book is titled Chagall's World and contains text that was written by a French poet, full of philosophical interviews. Wyman, of course, is responsible for the pictures. The book was five years in the making and it features the work Chagall has been working on over this period of time, so that means that the works featured in this book have never been seen before. That alone makes it worth the \$29.95 list price. Good Christmas gift! Now for more Bill Wyman news - in addition to working on his own solo Lp, the bassist is also putting together an album of 50's obscurities with some old friends. The album will feature some great old songs from the "Happy Days" era and is called "Up In Arms". The band calls themselves Willie And The Poor Boys and consists of Charlie Watts on drums, Bill Wyman on bass, Andy Fairweather Lowe on guitar, Kenney Jones also on drums, and Chris Rea on vocals, plus many other guest artists dropping by daily. The record is currently being recorded at Jimmy Page's studio outside of London. Wyman is producing the project and it should be out in the new year. All proceeds from this album will benefit ARMS.

SIMON TOWNSHEND RETURNS with a new record in April called "Genuine". Currently Simon is at the Hit Factory recording with his band comprised of Andrew Shilico, Paul Rogers and Dave Morell. This second record from Townshend will be produced by Neil Kernon who produced "H2O" for Hall & Oates. This album promises to be a bit more "pop" than last year's "Sweet Sounds" which was produced by Simon's brother Pete. More than likely Simon and his band will tour after the release of the new Lp. Let's hope so because he's real good!

GANG OF FOUR RELEASE their final vinyl by way of a live Lp called "At The Palace". The band played their final gig back in May and this record is the result. Any of you who were lucky enough to catch their last time around will want to get your hands on this album. It features such songs as "I Love A Man In A Uniform", "To Hell With Poverty" and "At Home He's A Tourist". Also included in this package are two extra previously unreleased tracks. Look for this record on PolyGram sometime soon.

UFO IS BACK! Contrary to rumor of their demise, the band re-emerges with Phil Mogg out front of three new members. The band is currently rehearsing for a pre-Christmas gig or two in or around London. No one seems to be certain as to whether this is a one-off thing or a permanent arrangement. Apparently Phil's other project, the successful Waysted, is by the wayside, for the time being anyway.

AIRRACE, THE NEW BAND featuring Jason Bonham, son of John, will be joining Meatloaf as their special guests for the fall leg of his tour. Airrace has just released their debut album "Shaft Of Light" on Atco.

SIOUXSIE AND THE BANSHEES ARE currently wrapping up a tour of France in support of their latest offering "The Thorn". The band plans to enter the studio this month with Bob Ezrin (Dr. John, Lou Reed) for a new release on Geffen sometime in the new year. Get excited for this one because their stuff is always worth waiting for.

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
