BILL GAVIN: IN REMEMBRANCE

Bill's legacy will always be this publication. Bill was a man of impeccable credentials, unquestioned ethics and an obsession for objectivity.

Bill Gavin's death comes as an extreme disappointment to any and all who've had the opportunity to know him. As corny as it might sound, to know him is to love him.

Bill Gavin was the patron saint of music radio. It was apparent to all who knew him that he was not in the business to get rich. If he and Janet and his staff could just make a decent wage, he and the Report could continue their contribution to the information process.

Bill Gavin took particular pride in helping mold the career ethics of young broadcasters. With a fatherly and grandfatherly interest in such broadcasters, record people and his staff, Bill reveled in the opportunity to storytell, moralize and implore.

Bill Gavin was always sincerely humbled when chosen to receive awards and tributes. Bill Gavin was not in the business for the greed or the glory, but rather for the honor of being entrusted, through subscriptions and readership, with the responsibility of being a primary conduit or channel between good music and good radio.

Bill Gavin lived a full life. He was a man who spent more than fifty years of his life with music.

Bill Gavin takes with him the memories of a good life—a life filled with the enriching experiences of a loving family, caring friends and good music.

Bill. We will miss you more than you can ever know.

Love,
*Elma, Ron, Betty, Diane, Dave,

ANALYSIS

An overabundance of records on their way up dominate the Top 40. Once more it's a close call between the number one and two songs, with FOREIGNER getting the edge in total chart points. GLENN FREY will soon be joining the POINTERS in the Top 10, giving "Beverly Hills Cop" two huge hits at the same time. POINTERS' "Hit Factor" up to 94% and FREY comes in at 79%. REO SPEEDWAGON definitely qualifies as the fastest rising record of '85 so far...Top Ten in three weeks!. Moves up inside the top 5 at WFFR, WHSB, KKEG, KDVV, B-97, KBLQ, WCIL, WLXR, KKYS, KAFM, etc. FOGERTY and ROTH round out the top ten newcomers, with "Old Man" leading in "Hit Factor" and ROTH ahead in total station mentions. JULIAN LENNON appears to be repeating his success with "Valotte" as strong debuts and chart activity give him a conservative ten point jump...added at WHYT-Detroit, KDON-Monterey/Salinas, WBEN-Buffalo, WKTJ-Milwaukee, KPKE-Denver, WYLO-Norwalk, etc. Expectations that the current FRANKIE GOES TO HOLLYWOOD will top "Two Tribes" are proving true. Already well ahead in

airplay. "Relax" is now top twenty at KMEL, KCBN, Y100, KGBS, CKOC, Q107, WBTT, KDWB, KZZP, KWES, B-96, etc. The December 14th "Record To Watch", TEENE MARIE, has survived the "holiday doomsday break". Back on 12/14, "Lovergirl" didn't even make "Up & Coming", having a mere 23 reports. It's now up to 137 reports, a 22% "Hit Factor" and top ten at FM102, KSTN, KKHR, Q104, WBBQ, etc. ANIMOTION's "Obsession" is looking especially strong on the West Coast, charted top twenty at KIIS/FM and KKHR-Los Angeles, and XHZ-San Diego. Added in Miami at I-95, Athens' WAGQ, Hartford WCCC, Williamsport WSQV, San Jose KWSS, Santa Maria KXFM, etc. BRIAN THOMAS at Q105-Oxnard/Ventura phoned to tell me that his "Hit Wars" feature, battling "Champions against Challengers" had the latest JACK WAGNER record beating SURVIVOR, MICK JAGGER, and BRYAN ADAMS on successive nights. Overall, an aggressive stance is being taken on new product by a majority of reporters. Even with all the new music added since the first of the year, our three "Most Added" this week topped well over 100 stations.

DAVE'S PLACE

Bill and I first met at a Gavin conference in Los Angeles. A year later, in 1971, we got to know each other via telephone. This green, wide eyed kid had just become Music Director of KLIV in San Jose and was quickly learning the ins and outs of this crazy business. I couldn't believe Bill Gavin was actually talking to me. His booming articulate voice of concern, always probing with questions about a big local hit or a new record that was getting "negatives." And he was always there with a word of encouragement when it was desperately needed....always willing to share his experience and knowledge with the little guy.... the newcomer. Several years later, Michael Spears, (then P.D. of KFRC) and I took Bill out to lunch for his "70th" birthday. It wasn't until the end of the lunch, after we had presented him with a plaque, that he told us...."I hate to disappoint you but I'm only 69." That was Bill, a wonderful sense of humor combined with a class all his own. Yes, Bill Gavin has passed from this earth, but he lives on....he lives on every-time a Program Director takes time to listen to new records, develops a winning promotion or helps a staff member come closer to reaching his own potential. He lives on when the relationships between music programmers and music promotion execs are straight forward, honest, and based on objectivity, not favoritism. Bill thrived on quality... quality in the music he listened to and the many relationships he formed over the years. Those of us lucky enough to have known him will forever be enriched by the quality of his life.

Dave

As you know, last week GRIP (our computer) was on the fritz - forcing us to employ our old, primitive manual research. This week's chart is more accurate now that GRIP is back in the game. Five records may have benefited too much from last week's "research", but may have been unnecessarily hurt by GRIP. Those records are: Steve Perry, Stevie Wonder, Manhattan Transfer, Danny O'Keefe and Bailey & Collins.

 Prince - Take Me With U (Warner Bros.)
 Madonna - Material Girl (Sire/Warner Bros.)
 Jack Wagner - Premonition (Qwest/Warner Bros.)
 Robert Forman - The Only One (Scotti Bros.)

Next week's debuts are very likely to come exclusively from this week's CHART-BOUNDS. The new Phil Collins single registered 64 first week adds - twice the total of any other record. The impact of Duran Duran, Billy Ocean, Ashford & Simpson, New Edition and the Mandrell & Greenwood in other formats has lit enough fires with A/C stations for them to qualify for status in NEW, where the minimum requirement is 10% of all reporting stations.

BIO FEEDBACK

CULTURE CLUB

Boy George is finishing his autobiography "The Day I Married The World," due for a late Spring publishing date.

DANNY O'KEEFE

While playing tapes of his then untitled LP (on Coldwater Records) for friend Don Henley, the former Eagle suggested the LP's eventual title, "The Day To Day."

TOM ROBINSON

His new single, "War Babies" was a hit in England last Fall. As a songwriter, Tom wrote "Elton's Song" for an early Elton John album in the Geffen era.

ALAN GORRIE

He was the bass player and sang some vocals for the Average White Band. He is a native of Scotland.

RAY STEVENS

His song, "The Streak" was released in March of 1974 and was number one in The Gavin Report from April 19th until May 10th.

MARIE OSMOND

Though her brothers began singing professionally in 1963 at California's Disneyland, Marie didn't officially become part of the act until 1973 at the ripe old age of 14.

COMMODORES

The newest member in the band is J.D. Nicholas. J.D. was once the lead singer in the band Heatwave.

MARK GRAY

He was hired by the Oak Ridge Boys thirteen years ago to work in their Nashville publishing company.

CONWAY TWITTY

When our Apollo & Russia's Soyuz spacecrafts met in outerspace in a joint space venture, American astronaut Tom Stafford played a version of Twitty's "Hello Darling" for his guests in space. Conway had recorded it in Russian for the occasion.

TEENA MARIE

Teena, from Southern California, was discovered and first produced by funkster Rick Jones.

RICHARD THOMPSON

The former Fairport Conventioneer has a new solo LP, "Across A Crowded Room," set for release any day now.

SIMON & GARFUNKEL

For almost the entire month of February in 1970, their hit "Bridge Over Troubled Water," was number one in The Gavin Report.

MICK JAGGER

Hard to believe it has been just a few weeks short of twenty years since the Stones had the release of their monster hit "(I Can't Get No) Satisfaction."

DEEP PURPLE

Their biggest hit, "Smoke On The Water," from the LP "Machine Head" was a hit twelve years ago.

MICHAEL JACKSON

When he updates his resume he can include the fact that his face on the cover of three major magazines last year provided the rags with their biggest selling issues of 1984. The three were, *Time*, *People*, and *Rolling Stone*.

SCANDAL

Patty Smyth is set to marry Lester Meyers—known to all early New Wave fans as Richard Hell.

DAVID LEE ROTH

David directed his own video for "California Girls," proving that anyone can direct a video.

DIONNE WARWICK

Her first hit was DON'T MAKE ME OVER, which was released in November of 1962.

TEDDY PENDERGRASS

Thirty-four-year-old Teddy was paralyzed from the shoulders down as a result of an automobile accident in Germantown, Pennsylvania, March 18th, 1982.

STEVIE WONDER

His song, "I Just Called To Say I Love You" is up for consideration for an Academy Award even though he admitted in an interview that the song was conceived seven years before being adapted for the movie "Woman In Red."

ANALYSIS

There are a few upcoming releases you should be watching out for. One is the first full LP by JASON and THE SCORCHERS on EMI America. Like their live show, it's a rocker. Also some previously unreleased VELVET UNDERGROUND resurfaces from the dusty vaults of VERVE. The mixes are quite modern. LOS LOBOS have put together a GREAT remix/edit of "Will The Wolf Survive" with JOHN HIATT sharing vocals on the chorus. Maybe you already have these, but RICHARD THOMPSON and VAN MORRISON have new ones due soon. The soundtrack for the film VISION QUEST has two new MADONNA tunes, the JOURNEY track, a new STYLE COUNCIL, a new DON HENLEY, and a new

song by RONNIE J. DIO. JOHN WAITE's superfine version of SPIDER's "Change" is remixed and resurrected. ARTHUR PROMOFF has seen the flick thrice and says the movie is definitely a pin. That's a wrestling pun, punhead...Album stations as well as civilian readers should check out THE SMITHS' "How Soon Is Now". I think it's torn and frayed enough for rockers to play...after being burned by lots of crap movies (THE FLAMINGO KID-yeech), it was great to watch THE FALCON AND THE SNOWMAN with some great music to boot...HOW CAN THIS BE DEPT. Sessionman GREG PHILLINGANES takes one of my favorite songs, YELLOW MAGIC ORCHESTRA's "Behind The Mask" and adds hokey lyrics rewritten by MICHAEL JACKSON! Tell me I'm not dreaming...last week, we talked to not one, but two guitar legends in FIVE HOURS--JIMMY PAGE and CARLOS SANTANA. You, dear reader, will be reading the results soon enough...speaking of PAGE, THE FIRM album gets more and more amazing with each listen. With all due respect, the single is dwarfed by the rest of the material that includes a ten minute PAGE masterpiece called "MOONLIGHT MIDNIGHT" that was originally titled "BIRD ON THE WING"...requests galore for THE NAILS "88 LINES ABOUT 44 WOMEN". Also on RCA and showing hit rumblings is "ONE NIGHT IN BANKOK" by MURRAY HEAD from the play CHESS written and composed by BJORN and BENNY from ABBA and TIM RICE from JESUS CHRIST SUPERSTAR..MURRAY, incidentally, sang the original part of JUDAS way back when. Don't be afraid, CARTER B. at KWHL. Let your heart be your guide this time...If reviews had been written this week, you would (or still might) have read about the following: LOUDNESS, ROMAN HOLLIDAY, SADE, MURRAY HEAD, BILLY BRAGG, LINDA THOMPSON, and GREG KIHN, who'll be featured in next week's GAVIN. Till then..KZ

BRONSKI BEAT bowls over all the competition to gain the number one slot. The race wasn't even close, with B.B. a runaway winner.

The SMITHS are still receiving excellent airplay with their 12" single. They should gain even more airplay with their-~~soon-to-be-released~~ domestic album. Singles give programmers a song to zero in on, but often with college stations they suffer a quick burn-out and don't rise very far. "How Soon Is Now" is an exception to the rule. The pure quality of this song has kept it high on the playlists of stations week after week.

This week's CERTIFIED, the STRANGLERS' "Skin Deep", could be following the example set by The SMITHS. "Skin Deep" is another brilliant song that won't burn easily.

Most of the chart is in a state of transition. A few fatigued records are still lingering (and some even moving up) due to the lack of competition (i.e. strong new releases). But not to worry, new recruits are on the way and significant changes will be taking place shortly.

ODDS & ENDS...a unique new book has just been published entitled "Loud 3D". Imagine a series of 3D pictures of hardcore bands in action. It's as wild and entertaining as it sounds. The book includes 3D pictures of 25 bands ranging from Black Flag, Die Kreuzen, and the Circle Jerks to DOA, MDC and the DK's. If interested contact Gary or Rob @ 415-387-7956.

CRS /MIPS - 1985

Eighteen sessions designed to explore various aspects of radio stations were announced by the CRS agenda committee for the 16th Annual Country Radio Seminar, to be held in Nashville March 7 - 9. For the second year, MIPS sessions will be running concurrently with the CRS schedule on Friday and Saturday. Registration forms and hotel reservations forms can be requested from CRB, Inc., Box 120540, Nashville, TN 37212. Included in the registration fee are luncheons Friday and Saturday, a cocktail reception with the stars Thursday evening, and the closing banquet with the "New Faces Show" on Saturday Night.

STATIONS JOIN TO STOP DRUNK DRIVING

In an effort to further increase public awareness of drunk driving problems, **PORTLAND** radio stations **KMJK** and **KUPL** have joined to sponsor drunk driving demonstrations during the 1985 Portland Auto Show. Videotape demonstrations featuring **KUPL** and **KMJK** air personalities as they execute drunk driving tests can be seen throughout the five day show. Testing will be administered by an Oregon State Police Officer, with educational and support materials provided by M.A.D.D.

TOP 105 of 1984

In conjunction with their Top 105 of 1984 countdown on New Year's Day, **WKAU-KAUKAUN A, WI** decided to give away 105 of the year's top albums to a listener who sent in a correct list of the top 105. Since the countdown ran about 9½ hours, they were astounded when 1,895 entries poured in by the January 5 deadline (that's even more than they received for their Jacksons' ticket giveaway!) The winner was chosen in a random drawing from the correct entries.

ROCK 'N' ROLL IS HERE TO STAY

In celebration of the 50th Anniversary of Elvis' birth on January 8th, **WFIL-PHILADELPHIA** played twelve hours of **Elvis Presley**. Beginning at noon, **WFIL** listeners were asked to call the station and register their vote for their favorite Elvis tune. At the same time, listeners became eligible to win a trip to Grand Island. For twelve hours the phones rang non-stop. At 11PM **WFIL** counted down the most requested songs of the day. The favorite ended up being "Help Falling In Love."

MEDIA FOR THE POOR

In an remarkable show of unity, an independent radio station and an independent newspaper, usually vying for the same advertising dollar, have combined forces to turn those advertising dollars towards feeding the needy. "Media For The Poor" originated when **JOHN MORRIS**, president of **WPST-TRENTON**, and Richard Bilotti, publisher of the **TRENTON TIMES**, each pledged \$125,000 in advertising for non-profit organizations working to assist the poor and needy. **WPST** has an ongoing Family Food Fund which raises money through various promotions, and the newspaper has for years collected food baskets in a similar gesture. "Both of our organizations are extremely community oriented," says **MORRIS**, "and by uniting our efforts, we want to make our audience aware of the poverty situation and hopefully enlist their support and assistance."

SUPERBOWL TICKETS FOR MDA

KYUU-SAN FRANCISCO auctioned off a cherished NFL football autographed by the 49ers and four Superbowl XIX tickets on January 18th. The winner outbid listeners with his final offer of \$4,000. The on-air auction took place during **JEFF McNEAL's** show, with all of the 4,000 going to the Muscular Dystrophy Association.

KPKE ADDS TELEPHONE POLES

KPKE's afternoon personality **C.J. Stone** poses some serious questions to his listeners in **DENVER**. But none was taken more seriously than the question he asked recently . . . who is the worst game show host on TV? For the hours that the survey was taken, nearly 150 people jammed the **KPKE** switchboard to respond that Richard Dawson of **Family Feud** was the worst with 33% of the votes, Wink Martindale of **Tic Tac Dough** came in second with 24%, Bob Barker of **The Price Is Right** was third with 17%, and Monty Hall of **Let's Make A Deal** fame had 8%.

CABBAGE PATCH AUCTION

KIOV/KXRB in **SIoux FALLS, SD** raised \$1800 for local charities during a two-day on-air auction of Cabbage Patch Kids. A local K-MART store donated the 12 dolls that were auctioned off December 23 and 24. Listeners bid as much as \$285 per doll. **REID HOLSEN, KIOV P.D.** said the money went to five local Sioux Fall charities.

Bill Gavin - You'll Have A Place Forever...

Nearly fifteen years ago, Bill Gavin took a chance and hired a freshly-graduated, newly-married young woman and made her an associate editor of his publication. From the outset, Bill and Janet Gavin became a special part of my life and family in both mind and spirit. I have been here for nearly half of my life, witnessing the capricious alterations of time and their effects on our Report, but the Bill Gavin memory has been and always will be one of my constant and stalwart companions. Most of us at the Gavin Report, myself included, could wonder where the course of life would have taken us had Bill chosen not to give us that break or that opportunity when we first arrived in his life with lots to learn. To live in one of the most beautiful cities and be a part of the most credible publication in our business is not a chance any of us turned down, and from that point on, Bill offered us nothing but

opportunity and encouragement at nearly every turn. To owe one man so much is almost incomprehensible and to say merely 'I'll miss him' is inadequate. Watching his daily energy, being an active part of his unerring weekly process, along with the yearly Gavin conventions - "conference" he liked to call them - was a learning experience that will remain unmatched in my lifetime. His incredible genius in dealing with music in every aspect, without shutting out the human element while doing it, made him the kind of man everyone admired. Most men are remembered for their particular vogue or fortune - Bill will live always in my heart as a man who re-defined the words integrity and professionalism.

All of us at The Gavin Report were moved by a poem Bill Gavin wrote in late 1984. Bill knew he was dying and, as was typical of him, he went to work writing something beautiful, important, and to the point. We really didn't know of his talent as a poet, but the brilliance and creative style of his writing didn't surprise us. This final attempt at writing something for publication may have been one of his finest pieces. We've included it on the back page of this issue. Bill did not want a funeral or a memorial service. In keeping with his wishes, none were held. He assumed, however, that friends would probably want to make contributions to charitable organizations. Listed below are three particular favorites:

A "Gathering Of Friends" of Bill Gavin will be held next Saturday, February 9th at The Fairmont Hotel in San Francisco. Nothing formal. Members of his family and the staff of The Gavin Report will be there. The time is 10AM.

“The legacy Bill leaves us with
is rich with promise for the industry he
championed and fought for all his life.
Our memories will be filled
with knowledge, pride and laughter.”

Last Days

So—
You've come at last.
I've often wondered when we'd meet,
And where, and how.

I'm glad you've picked a small and quiet place,
Instead of messy highway crash
Or anonymity of listing as "civilian casualty."
Or—worst of all—
Age that robs the senses of their memory
And brings oblivion before its time.

I thank you for this pause
To gather strength and dignity,
The time to set my worldly house in order,
To savor warming love of family and friends.

And most especially I hold this space and time
For memories of love and hope and disappointment;
To feel again the pride of being honored,
To feel again the companionship and love
Of Janet and Josette.

Of course I'll fight you—
Hanging on, as nature bids me do—
With all my strength, "such as it is"
(As once I made a marriage vow).

I have fought intolerance, and bigotry,
And sneaking greed within my little world.
And won enough to leave a memory
Of things worth fighting for.
However such small things endure,
They're all beyond your power to limit or destroy.

So do what must be done,
Yet know that you will never quite succeed;
When memories of love and caring
Are the legacies we leave.
