

## Equity Hires Regionals Greenberg, Davis & Helton

Equity Music Group has brought its regional staff to full strength with the hiring of **Gary Greenberg**, **Jeff Davis** and **Brad Helton** as Regional Promotion Managers for the West, Southeast and Southwest, respectively. Greenberg succeeds David Berry, who three weeks ago joined RCA/Nashville; Davis fills the post that has been vacant since Brad Howell left for the GM position at Broken Bow last May; and Helton replaces Ted Wagner, who left for RCA/Nashville in December.

Greenberg's 15+ years in the record biz have included stops at RCA/Nashville, Giant, Rising Tide and Koch. He can be reached at 818-990-7383 or [ggreenberg@equitymusicgroup.com](mailto:ggreenberg@equitymusicgroup.com).

Davis comes to Equity following a six-year stint as Regional Dir./Pop Promotion for Epic, based in Atlanta. Before that he spent eight years as Dir./Rock & Alternative for MCA, also based in Atlanta. His contact info is (cell) 770-915-0322 and [JDavis@equitymusicgroup.com](mailto:JDavis@equitymusicgroup.com).

Helton has worked at Lofton Creek records since last June. Prior to that he spent two years in the Music City Records promotion department. He'll be based in Nashville and can be reached at 615-400-3269 or [bhelton@equitymusicgroup.com](mailto:bhelton@equitymusicgroup.com).

Also joining the label, as promotion coordinator, is **Kristen Strean**, who is currently a Promotion Assistant with Clear Channel Entertainment/Nashville.

Speaking of the additions, Equity President **Mike Kraski** told R&R, "From the very beginning, Equity

### Country To Rock Cleveland

#### Extra-Special Price through Jan. 31

Never before, and — after Jan. 31 — never again in 2005, has the registration for the R&R Convention been as low as the extra-early-bird price of \$299 being offered this month. This year's confab celebrates 50 years of rock 'n' roll. And where better to party than Cleveland, home of the Rock & Roll Hall of Fame?

Plus, now that the R&R Convention and the CMA Music Festival are no longer on the same days, this year's R&R Convention will feature a large Country presence. Watch this space for some exciting announcements about Country activities during the R&R Convention, set for June 23-25 at the Renaissance Cleveland Hotel.

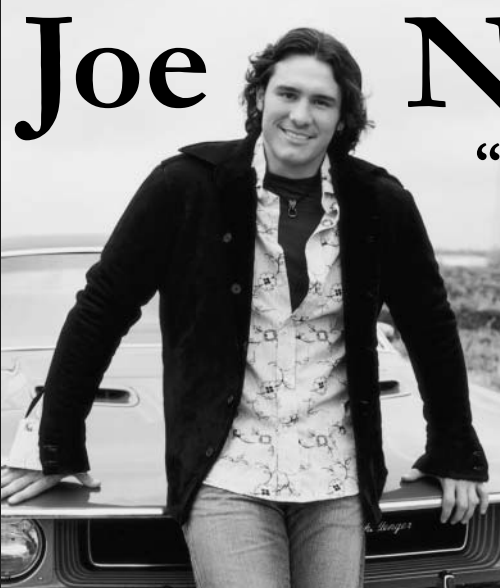

Go to [www.radioandrecords.com](http://www.radioandrecords.com), click on the Conventions tab and sign up for what promises to be the event of 2005 at a price you'll never see again!

has been blessed with a staff of great promotion people. With new singles coming soon from Clint Black, Carolina Rain and Little Big Town, and with Kevin Fowler's new single, 'Hard Man to Love,' going for adds Feb. 15, it's great to know that continues to be the case."

**Street Talk:** Just as Equity was about to get its promo team back to 100%, R&R learned late Tuesday afternoon that the label's Northeast rep, **Cliff Blake**, tendered his resignation. We can't tell you where he's going yet — perhaps by the end of the week. One must wonder, however, if he isn't headed for the new label being started by an artist whose records Blake worked while at Atlantic/Nashville.

### THAT'S WHY I HATE PONTIACS

This killer, lost-love belter has the potential to take her to the top of the charts, where she's always belonged.

In short, this is STAR-MAKING stuff.

116 Country reporters. Songs ranked by total points for the airplay week of 1/9-1/15. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
