This Week At Callout America

Our weekly analysis of Country callout research is brought to you by Bullseye President **John Hart**. Here's a look at some of the biggest stories Hart looks at in next week's issue (June 24):

"Toby Keith continues his assault, moving to the No. 1 slot with 'As Good As I Once Was.' The song is up from No. 2 last week and No. 14 two weeks ago. Alan Jackson's 'The Talkin' Song Repair Blues' sees strong growth inside the top five, going to No. 3 from last week's No. 7. Darryl Worley's 'If Something Should Happen' is inside the top five titles as the No. 4 song overall. Faith Hill's 'Mississippi Girl' is exploding at just 5 weeks of age, moving from last week's No. 16 overall to this week's No. 9. The No. 1 song with female listeners this week is 'Making Memories of Us,' by Keith Urban. SheDaisy are healthy with 'Don't Worry 'Bout a Thing,' which moves from No. 19 to No. 16 this week."

had to leave his shift early one morning when he was called to the hospital. And *of course* he did live breaks from the delivery room.

To Reba, With Love

The Two Hats and a Redhead tour with **Terri Clark, Brad Paisley** and **Reba McEntire** wrapped over the weekend, with Clark giving Reba a very special thank you present. It seems a few years ago a fan gave Terri a Hatch Print poster from a 1982 show in a small Pennsylvania town — \$2 admission — with Reba as the opening act for Leroy Van Dyke and Tommy Overstreet. All three artists had signed the poster. Terri had that framed, along with her very own 1986 Reba McEntire Fan Club card, which she presented to Reba just before the show Friday night in Las Vegas. **R&R** "stringer" **Denise Nichols** was there and reports that Reba was surprised by the sentimental gift and told Terri she loved it.

121 Country reporters. Songs ranked by total points for the airplay week of 6/12-6/18. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
