" I FELT COMPELLED TO GIVE
A VOTE OF SUPPORT
FOR SOMETHING THAT WILL
MAKE YOU PROUD
TO BE IN COUNTRY MUSIC."

Victor Sansone
President & General Manager
WKHX & WYAY-Atlanta

Dear Radio Friends,

I have never written in support of a record in my career, but I felt compelled to give a vote of support for something that will make you proud to be in Country Music. The 8th of November, if you hadn't had a chance to see either the video or documentary, is a classic example of the consciousness of our format. In a period of extreme national polarization given America's current military involvements... this centers on the sacrifice of the troops, and who we should be supporting at this moment. More personally as a Vietnam Vet, I could not have been prouder of what these guys have selflessly done, and find it one of the most compelling pieces that have been done by our artists to date. The journey of Niles Harris, and the journey of Big and Rich in bringing him closure is captured in a song that should be shared by everyone, especially now.

Our Format is based on music that moves people. When a song this powerful comes along, we as a format should remind the rest of the world why we are all proud to work in country music. I certainly am. Hear the song...watch the video...you will understand what I mean. I am sure, as in Atlanta, that you will hear from your listeners with support.

-Victor Sansone

The next day, Jeff mentioned the theft to friend and detective **Rick Mavity**, who found the guitar in a pawn shop five hours later. Mavity, it turns out, is the officer who arrested Bates five years ago for stealing and pawning a guitar belonging to Bates' friend and current producer, **Kenny Beard**. At the time, Bates was addicted to meth and used the money to support his habit. Mavity went on to play a part in getting Bates into rehab.

← **Jimmy Wayne** fans can hear previews of two new tracks on his MySpace page at www.myspace.com/jimmywaynemusic. His first single on Big Machine is expected in the fall, with the album due next year.

Nielsen Broadcast Data Systems 139 Country reporters. Songs ranked by total points for the airplay week of 8/7-8/13. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by the highest AQH Persons of all Country reporters. As of fall 2005, WUSN/Chicago has the highest AQH, which is 42,500. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number. "Shenandoah Saturday Night"

"The greatest singer on the planet to this day"

- Rascal Flatts lead vocalist Gary LeVox

"Marty Raybon, to me, is one of the best soul singers in country music. He gets inside a song and turns it inside out. When you listen to Marty sing, he makes every word sound important and makes you feel as though he's singing straight to you. I love everything he's done with Shenandoah and all his solo endeavors. He's a great singer, a great artist, and a great man."

- MCA Recording Artist Josh Turner
