# Television Translator Stations

As of September 5, 1988

VHF and UHF Channels

Star (★) preceding a listing indicates construction permits(s). Asterisk (\*) preceding a listing indicates application only. All others are licenses. Transmitter power output (TPO) is given at end of each listing; all translators are one watt (1-w) unless otherwise indicated. Channel numbers are contained in call letters. For example, Ch. 4 is indicated for Adak, Alaska by K04LY. Call letters and location of station-repeated are in parentheses. This listing includes all existing & proposed translator stations, including those which are owned & operated by television stations.
