DUNCAN'S COMMENTS:

Salinas-Monterey-Santa Cruz is one of the nation's worst radio markets. This is one of the last markets I would invest in. Simply put there are too many stations dividing up a small and slowly growing revenue pool.

KDON and KWAV have done well given the conditions. I have great respect for KBOQ. To achieve a four share in Classical music in a fractionalized market like this is quite remarkable. Also of note is KPIG for also doing well. KPIG has one of the best Internet operations of any station in the nation.
