# Never miss another format change.

Radio changes quickly. At the touch of the dial, stations are bought and sold. New stations arise. Old ones sign off forever. And yesterday's modern country format is now all sports talk.

That's why you need the new SRDS *Radio Advertising Source*<sup>TM</sup> more than ever. It's been expanded and revised to be your one definitive radio media source. It's easy to read. . .fast to use. . .and contains every major *and* local market!

It's the only radio media and marketing information source you'll ever need—and an outstanding value as well.

To order, call us at **1-800-851-SRDS**. Reach for the NEW SRDS *Radio Advertising Source*. So when radio changes, you'll be prepared.
