**KNOW YOUR SERVICE**

**Special Features of Spot Radio Rates and Data Help Your Station Selection**

Besides the regular individual station listings, these four specific references in the monthly edition of *Spot Radio* aid in your selection of stations by type and location:

- Metropolitan Areas—stations are listed alphabetically within each standard Metropolitan Statistical Area, as established by the Bureau of Census.
- Foreign Language Programming—stations which have at least one program are listed geographically showing the language and number of hours of foreign language programming.
- Negro Programming—listed by state, city and call letters, stations having at least one regularly scheduled program are listed showing number of Negro programming.
- Farm Programming—stations that broadcast at least one such program are listed geographically, showing total weekly broadcast hours of farm programming.

These features—kept up to date monthly—are designed to facilitate the job of station selection. See the contents page for location of these and other feature bonuses.

# DETROITER'S WANT MORE THAN MUSIC FROM THEIR RADIO WJLB IS THEIR CHOICE!

WJLB isn't just another finger-snapping, toe-tapping Soul Station. Sure we have the area's best selection of rhythm and blues, jazz and gospel music, along with Detroit's best respected and liked personalities. But we consider our community service programming to be the main reason for WJLB's overwhelming success story among Detroit Blacks. Here's some examples:

- "GOOD NEWS" salutes individuals and organizations who have made outstanding contributions to the community.
- "BLACK PERSPECTIVES" features Mr. Carl Rowan, a nationally known Black columnist and former U.S. ambassador.
- "INSPIRATION TIME" A daily half hour with Martha Jean, The Queen, that gives one time for reflection and contemplation.
- "PEOPLE WANT TO KNOW" with Jim Reese features up to date events of interest to the community.
- "GOV. MILLIKEN REPORTS" featuring news of special interest to Detroiters with the Governor of Michigan, William Milliken.
- "DRUMBEAT" Jim Ingram with a daily commentary on controversial subjects.
- "COUNCILWOMAN IRMA HENDERSON" the first Black Woman elected to the Detroit Common Council reports to Detroiters on City Government.
- "LANSING REPORT" features news from the capital with well known State Representative Jackie Vaughan.
- "FREE AIR" WJLB provides free air time to Detroit Churches twelve months a year.

Whatever the reason, community service, music or personalities, the results are clear, WJLB is clearly Detroit's Leader in Black Programming.

WJLB reaches:

- MORE adults 18+ than the other three Black Stations combined MONDAY-SUNDAY, 6:00 am to Midnight.
- MORE adults 18+ than the other three Black Stations combined in morning drive time.
- MORE adults 18+ than the other three Black Stations combined in midday.
- MORE adults 18+ than the other three Black Stations combined in afternoon drive time.
- MORE adults 18+ than any other Black Station in the Evening.

# QUICK QUESTION:

What's the average cost for a one-minute spot (12 per week for 13 weeks) for the four highest cost stations in Chicago, during morning drive time?

# QUICK ANSWER:

Check the new RADIO MARKET ESTIMATOR positioned directly below the Chicago heading in SRDS Spot Radio Rates & Data.

You can also answer that and other estimating questions for all of the top 150 markets with SRDS new RADIO MARKET ESTIMATOR.

The Katz Radio Organization has permitted us to borrow their style and technique, and we're taking it one step further.

We'll be publishing the RADIO MARKET ESTIMATOR every month and updating the individual tables whenever there is a rate change for any one of the major stations in the market.

See for yourself if this new addition to SRDS Spot Radio Rates & Data doesn't save you time and trouble.

# WOOD

# AM FM

DOMINATES  
GRAND RAPIDS & WESTERN MICHIGAN

**THE WOOD MARKET:** The business hub and wholesale/retail center of Western Michigan. Grand Rapids is the 65th metro. The 16 county TSA offers 482,240 households spending \$3.7 billion (TRS).

**THE WOOD APPROACH:** Award winning WOOD-AM blends MOR music/top personalities/news/farm to guarantee commercial impact. Powerful (265,000 watts) stereo WOOD-FM, acclaimed the industry's most successful, features Schulke beautiful music with a maximum 8 commercial units per hour.

**THE WOOD RESULTS:** WOOD AM & FM dominate adults in depth. A/M 74 ARB says WOOD-AM and WOOD-FM alternate #1 and #2 in all day parts in both metro and TSA. A combination WOOD-AM & FM plan delivers total efficiency. Call Katz for specific details.

# CAUTION—page numbers break here

*No pages are missing!*

Should you detect a break in the continuity of page numbers between this page and the succeeding one, you need not be concerned. There have been no pages omitted—*only page numbers*. The break in page numbers is the result of a production procedure designed to step up the production of *Spot Radio Rates and Data*, so it will reach you at the earliest possible moment after its forms close.

Similar breaks in page numbers will occur at about this point in future issues. It will not indicate that any pages are missing.

We think you will agree that the contents and the cutting of production time of *Spot Radio Rates and Data* are far more important to you than maintaining the continuity of page numbers.

Note that, in this issue, the first page after number 444 is page number 501.

# DON'T DEPEND ON THE GRAPEVINE

when you're making major decisions. Get the facts. They're all right here in black and white.

The Standard Directory of Advertising Agencies (The Agency Redbook) takes the guesswork out of grapevine news. It knows who has the buying, planning and management responsibilities in 4,400 ad agencies. It tells you total billing figures and accounts. It gives key personnel. And it shows the actual picture of agency media allocation and agency association memberships.

Don't rely on hearsay or a tip from Bob... get the facts... they're all here in black and white.

Stations located within the combined city area are consolidated under multiple city headings. This is not to imply that all of the stations provide equal coverage of the entire area or cities involved. It is part of the time buying function to determine extent of individual station coverage, audience delivered, etc. within the area.

# Look who's now No. 1

They said it couldn't be done—  
reaching the unique position  
of *number twone* (pronounced  
"twun") in the market—but  
there we are! Right at the top,  
thanks to our new on-air talent  
and all new programming.  
We're more ready than ever to  
help you reach the expanding  
young adult audience through  
our exciting new environment.  
We're the No. 1 music station.  
We're No. 1 or No. 2 in various  
time segments with the  
dynamic 18-34 group, as shown  
below, and No. 2 in total  
weekday audience. Put them  
all together and we're number  
twone! So get it on! 15! KSTP!

# The Ears have it!

(15 to 1)

## ARB reports more ear-opening facts about WCCO Radio's bigger-than-television story in Minneapolis-St. Paul.

Listen to this: WCCO Radio's enormous audience levels reached new highs in 1973.

It was our best year ever since ARB began measuring the market — in both average quarter-hour (AQH) and weekly cume estimates. And for the sixth consecutive year, WCCO Radio tops all four Twin Cities television stations. This time by a 15-1 score in a comparison of 16 points of AQH audiences.

Here are a few highlights from the 1973 ARB averages:

Persons 12+ AQH 6 am-Midnight, M-S	
WCCO Radio .....	120,850
Best TV Station .....	107,300
Adults 18+ AQH 6 am-6 pm, M-F	
WCCO Radio .....	156,400
Best TV Station .....	57,600
Men 18+ AQH Prime Time, M-F	
WCCO Radio (6-10 am) .....	105,800
Best TV Station (6:30-10:30 pm) .....	100,300

Hear the full story for yourself. Call out for your WCCO Radio or CBS Radio Spot Sales representative. You'll find there's more to sales-effective advertising than meets the eye.

 Stations located within the combined city area are consolidated under multiple city headings. This is not to imply that all of the stations provide equal coverage of the entire area or cities involved. It is part of the time buying function to determine extent of individual station coverage, audience delivered, etc. within the area.

Stations contiguous to the major city are consolidated under the major city heading. This is not to imply that all of the stations provide equal coverage of the entire area or cities involved. It is part of the time buying function to determine extent of individual station coverage, audience delivered, etc. within the area.

### RADIO MARKET ESTIMATOR

Table reports one-minute rates (based on 12 per week for 13 weeks) for the four highest-cost stations (and the average thereof) in each daypart.
