One of Morgan's mightiest moments...

*Robert W. Morgan,
you are the only official
BOSS BAT-JOCK!*

In the Batcave, Robert W. Morgan (one of Batman's biggest fans) receives crime fighting radio's highest honor from Batman himself. In turn, Adam West Morganizes every morning as he drives to the studio listening to Robert W. on Boss Radio.

Have an Outo Sighet
Summer!

Frank Terry and fellow Boss Jocks presented the "Batphone Secret Number" contest in January. Winner Fred Jones receives his color TV prize certificate from the Caped Crusader. Fred's was the first correct guess picked from more than 100,000 entries received by KHJ in the one-week contest!

PEANUT BUTTER SANDWICHES!

Sending a real Peanut Butter Sandwich to Gary on February 25th was the only way to join his groovy new fan club. You can see the results for yourself! (What would you do with more than 5,000 gooey Peanut Butter Sandwiches? Lucky we had the Boss Pig standing by!)

This monster Peanut Butter Sandwich actually had a transistor radio inside, tuned to 93/KHJ!
