NEXT NEWS CORNER

There's a new video from **JOHN WAITE** available now ★ **MANFRED MANN** is still in the studio working and recording his new album, due to be released at the end of this year. There are proposals for them to do a world concert tour, starting end of the year, beginning of 1985 ★ **DEVINE** has a new single released with the most peculiar title **You Think You Are A Man**. I wonder in what category he/she fits in?! Anyway, it's a good track and bound to hit the various charts ★ On July 15th, **COLOURFIELD** releases a single (also 12" version), entitled **Take/Pushing Up The Daisies** ★ **VIKKI BENSON** had her new single **Easy Love** released last November, but strangely enough it's picked up now by (especially) London's gay clubs. **IAN LEVINE**, who's a producer and deejay in London's leading gay club **Heaven**, has shown great interest in this track. **VIKKI's** single is still getting airplay and is still selling after all those months. Isn't that amazing? ★

ANOTHER NEWS CORNER

Dutch band THE PRESIDENT is doing very well in Japan. They sold more than 10,000 copies of their album *By Appointment Of*, in the first week of release over there and because of that, there are plans to tour in Japan end of the year. But before that, THE PRESIDENT will tour our country, starting 7th of September until beginning of October. Their tour support is a newly signed band (to WEA), BLOW BEAT. These boys will release their debut single, entitled *Graffiti Girl* end of August ★

THE ALARM played a gig in Paradiso, Amsterdam last week and it was dynamite! It's always very pleasant to see a band enjoying themselves so much on stage! For all you who haven't seen them yet, there's still a chance to catch them at Torhout/Werchter Festival 7th and 8th July. Don't miss them!! ★ CHAS & DAVE have almost finished their new album *Well Pleased*, due to be released 27th of July. There will be a rush release on their single entitled *There In Your Eyes*, July 6th. The accompanying video will be shot this week ★

BRUCE SPRINGSTEEN is busy rehearsing for his forthcoming tour. His set will last for 3 1/2 hours with 55 songs. If anyone is not convinced yet, see his show; it'll change your attitude rapidly ★ MTV, the US Music Cable Television, recorded for the first time in their existence, a video in Europe. This was GOLDEN EARRING's 'Back Home' concert in Leiden, where they were supported by ROBERTO JACKETTI & THE SCOOTERS. MTV recorded with 6 cameras under the direction of Dutch producer DICK MAAS, who's been producing all of GOLDEN EARRING's videos lately (and became famous through his movie *De Lift* (The Elevator) which made such an impact over in the US) ★

MOTORHEAD has just finished 4 new tracks for a compilation album, which will be released beginning of September (it's actually a tv advertising compilation album). A very special one, as it will be in a leather sleeve. Their new single entitled *Killed By Death* is scheduled for release early August. But 15th of July MOTORHEAD are off to New Zealand & Australia to tour there until the end of August. Then back to the UK, into the studio to record a new album. In October they'll start a UK & European tour until the end of this year - Bye Bye Boys!! ★ Also a bye bye for you all. Luv' ALEXANDRA ★★

TURNTABLE TIPS

Icehouse - Sidewalk - Chrysalis
 Hey Little Girl was in 1983 Top 20 in 11 European countries, while the lp, *Primitive Man* was a big sales success as well. Though it must be quite boring for Icehouse' frontman Iva Davies always to be compared with Bowie and Ferry, their echo is unmistakably there. But the man can't just change his voice, can he? This should be no drawback, however. With a very sophisticated production, the album delivers some very fine and consistent programmable tracks like *Taking This Town*, *Someone Like You* and *On My Mind*.

Difford & Tilbrook - Difford & Tilbrook - A&M
 We all remember *Squeeze*. They had 6 albums released before they split up in '82 and never got the success they were entitled to. Chris Difford and Glenn Tilbrook, the two frontmen of *Squeeze* have learned up again and this is their first joint effort. Songs like *The Apple Tree*, *Love's Crashing Waves*, *You Can't Hurt The Girl* and *Hope Fell Down* are all perfect well crafted pop songs which continue in the same vein as the last two *Squeeze* albums, *East Side Story* and *Sweets From A Stranger*.

Kajagoogoo - Islands - EMI
 Should there have been doubts about Kajagoogoo's survival without a front singer, they've proven it to be otherwise with a new album of which already 3 singles have been drawn off. All equally successful! Following their well-known musical direction with 9 perfectly arranged produced tracks all in the same mainstream funk vein. In fact all of the tracks are worth a spin. Highlights: *Melting The Ice Away* and *Part Of Me Is You*.

ABOUT THE CHARTS....
THE EUROPEAN TOP 100 (SINGLES/ALBUMS):
In many European countries one chart is recognised by the
music industry as the "OFFICIAL" hit parade and is therefore
used for the compilation of the EUROPEAN TOP 100. However
there are other countries where various charts are in existence
and often equally important. For these countries we have
compiled a number of these charts into one representing the
sales in that market.
Each chart position for every country then receives, relevant to
that position, an equal points rating which is in turn multiplied
by a factor determined through the latest known sales
percentage of total singles (or album) sales which that country
holds in relation to the rest of Europe. There are different
percentages for singles and albums. These figures are kindly
provided on a regular basis by the industry-organisations such
as IFPI-BPI-Gallup-Deutsche Phonoverband etc.A European
Chart-Committee, with experts from a number of these
industry-organisations will overlook the calculation system and
will decide on improvements, changes and updates.
For the EUROPEAN TOP 100 SINGLES 25 charts are used
from 16 countries, for the EUROPEAN TOP 100 ALBUMS 20
charts are used from 15 countries. Since the sales
percentages of a few countries are too small to get their hits
into the EUROPEAN TOP 100 (provided these records are not
charted in any other territory), we are also printing a TOP 3 IN
EUROPE list each week.
The EUROPEAN AIRPLAY TOP 60 is compiled through all our
correspondents tips received this week.(*)Records of the week
receive extra points. The airplay lists of the airplay report
organisations within some of the European countries are also
used in the calculations, as well as playlists of major radio
stations. (*Please note that not all received tips appear in
Eurotipsheet but they are all used for the calculation of the
Airplay Top 60.
THE EUROCLIPS LIST shows the music videos most aired on
television throughout Europe in the week prior to publication. It
includes video-t.v.programs and other t.v.shows partly using
video's from 14 European countries.
For more detailed information on any of the chart-systems
please contact our chart department.

WELCOME AUSTRALIA

With this issue we give a special warm welcome to all our friends Down Under. In the last 4 weeks we have received a great number of enthusiastic reactions from the "Aussies" on Eurotipsheet and within short notice we'll be able to announce that some very important Australian Radio and Television Companies will be using the European Top 100 on a weekly basis. Our special family member **Amanda Pelman** is available for any questions you might have regarding Eurotipsheet and you can reach her on (03) 6992155 or 4176747 anytime.
The Australian music scene has over the last few years developed into a major music market and the active European Media Experts are very interested in the Australian Music happenings. A lot of Radio and TV programs now definitely have their summer breaks. Swiss popular TV **Tiparade**, produced by **Mani Hildebrand**, has just closed down. **Anders Klintevall**, producer for **Sveriges Riksradio** in Stockholm, is out of the action for the moment. He is not producing anything in the pop/rock vein until late September. We will miss your contributions **Anders!**
The Italian **RAI** TV show **Domenica Inn** (the live Sunday afternoon program) has had its last program June 24th. It will start again in September.
The second channel of **SFB** in Berlin presented a radio special on **Mediacontrol** June the 19th, reports **Horst Hartwich**. This is

the German organization whose airplay lists we're using every week. The documentary can be taken over by other stations. If you are interested please contact Eurotipsheet. We will miss **Horst's** tips (he was actually one of the first regular correspondents for our magazine) till August, due to his holidays. **Mikael Nilsson** had his last contribution to Eurotipsheet two weeks ago. His Thursday evening program, **Rock Department**, on the Swedish National Channel 3 will be taking a break during the summer. He'll be back with programs early September. German television **Bananas** will be back on the air August 21st. This program was already pre-recorded June 11th.
Marc Brillouet, the dj of **BRT Radio 2**, is reporting that as of May 25th **Radio 2** started a new program called **Index** on Friday afternoons, which gives the result of the records chosen by a panel from **Radio 2** for the ten most favourite singles. The one that's chosen the most by these dj's will be the "tip of the week" and will be broadcast each working day just before the 18.00, and again just before the 20.00 hours news.

ALEXANDRA'S NEWS CORNER

Hello again, let's start with the weekly news ★ **SNOWY WHITE** is currently in Australia to promote his album **White Flames**. The record **Guardian Angel** was a big hit already months ago in Germany, Austria and Switzerland. **BRONZ** (English hardrock band) are leaving for an American Club tour mid July. There are also possibilities for a US support tour, but until now it hasn't been confirmed. Their album **Taken By Storm** is doing quite well, while the video to their single **Send Down An Angel** has light rotation on MTV. **BRONZ** is picking up more radio airplay each week. 1st week of August there will be a new single out which is actually the American mix of **Send Down An Angel**, a much stronger re-mix, which is bound to score success! ★
