RADIO GUIDE

We Are The World is one of Europe's major releases this week. 48 superstars from America are working under the collective name of USA For Africa, to assist famine relief in Ethiopia. The song was written by Michael Jackson, Stevie Wonder and Lionel Richie and features top artists like Diana Ross, Bruce Springsteen, Cyndi Lauper, Hall & Oates, etc. Euro Radio should combine their forces and make this a massive seller!

How to remake the world... Frankie Goes To Hollywood's new single *Welcome To The Pleasure Dome* in a new version, no doubt this is their next European hit. The B-Side of the 7" contains 2 tracks, *Get it On* (their remake of the old T-Rex hit) and *Happy Hi*. Another obvious choice for Pop Radio is Tom Petty's latest *Don't Come Around Here No More* (from his forthcoming album *Southern Accents*) again demonstrating his ability to write classic popsongs. John Fogerty brings American rock 'n roll back to the airwaves with his new release *Rock And Roll Girls*, a nice uptempo boogie track (his album is no. 1 in the USA!) Who of you remember Belouis Some who had a minor hit last year with the song *Target Practice*? His follow-up *Imagination* is a good pop dance oriented track with a groove that sticks! Another of our front page Sure Hits is for (Ex-Linx member) David Grant who teams up with session singer and solo artist Jaki Graham in a tribute to the deceased Spinners'

singer Philippe Wynne: *Could It Be I'm Falling In Love*, very commercial!

Independent labels continue to be a major source for nurturing new talent. The UK indie label Swamplands releases a single by Win entitled *Unamerican Broadcasting*; a very unusual record worthwhile to check. Nyam Nyam released their debut single for Beggars Banquet, a 4 track 12" E.P. entitled *The Architect* and, not only because of the label's name, the sound of the record does remind us of the Stones earlier works on their 1968 album *Beggars Banquet* (e.g. the track *No Expectations*).

SLOW AND TEASING

Added to the weekly listings of our Euro-Crossover list are 4 artists. First of all, Steve Allen who is already in the German 3504F4 charts with the slow and teasing song *Letter From My Heart* (the song was already a hit in France and Italy). The German label ZYX gets another hit after earlier successes with *Scotch*, *Valerie Dore* and recently *Miko Mission*. The hardly pronounceable title of *Wakk Digge Dugge Baba Dugge Bamanu* is a crazy popsong by the artist Madman Jack, could be very big in Germany, Austria and Switzerland. New German band *Blind Date* warned us with the song *Your Heart Keeps Burning* with clever and commercial arrangements. The last contender for Crossover is the Dutch Margriet Eshuys Band, a sophisticated cover of the Michael Sembello composition *I Just Want To Hang Around You*, able to compete with Benson's version on his last 20/20 album. Dance products likely to do well are Millie Jackson's new single for Important Records

(distr. Towerbell), the double A-Sided single *Kiss You All Over* (a former Chinn & Chapman hit for Exile) c/w *It's Gonna Take Some Time This Time*; the funny rap song by Georgie Red: *If I Say Stop, Than Stop!* (Ariola), a record already for weeks in the Austrian charts and now slowly popping into Germany; *Your Kiss Is A Weapon* is a good funky track by Richard Strange's new project *Engine Room* (Arista); *Jive* gets good response on *The ABC Of Kissing* by Richard Jon Smith, a Galaxy-like disco record and those of you who are fond of rap should definitely listen to the 3 piece band *Fat Boys* with their Kurtis Blow produced single *Jail House Rap*. The single is already gold in the US and is about to be released through WEA in Europe.

SLEEPERS

In one "easy shift" Philip Bailey pushes the Commodores from their no. 1 position this week in the European Airplay Top 50 (and is also no. 1 in the Top 100 Singles). *You Spin Me Round* by *Dead Or Alive* is one of those sleepers (together with e.g. King) finally ruling the Airplay charts (moving from 17 to 4 this week). And it is interesting to see that the UK re-released *Third World's* rock-reggae tune *Now That We Found Love*. Talking about re-releases, Pat Benatar's huge Continental hit of '84 *Love Is A Battlefield* finally charts in the UK. This proves that the UK isn't always ahead in breaking records (think back for instance on Ph.D.'s smash *I Won't Let You Down* in 1982 where the UK was the last one to pick up on this ballad). Austrian band *Opus* moves very fast with *Live Is Life*, it streaks right into the Top 10 Airplay
